(1) The two reported transactions involved an amendment of an outstanding option, resulting in the deemed cancellation of the "old" option and the grant of a replacement option. The "old" option, which was fully vested at the time of grant, was originally granted on June 22, 2009, and would have expired three months' following Mr. Chase's resignation as a Director on June 24, 2010. As amended, the option now expires on June 30, 2012.
