Letter of Intent to Acquire Rio Sao Pedro Mineracao LTDA

On September 25, 2010, Ardent Mines Limited (the “Company”) entered into a letter of intent (the “Letter of Intent”) with Rio Sao Pedro Mineracao LTDA (“Rio Sao Pedro”), a Brazilian mining company. Rio Sao Pedro owns a prospective gold mine, the “Fazenda Lavras,” which is near the Morro do Ouro mine of Kinross Gold Corporation in the city of Paracatu, located in the State of Minas Gerais, Brazil. The Rio Sao Pedro Fazenda Lavras property covers approximately 211 hectares (approximately 521 acres), with gold mining rights and other mineral rights on a total of 828 hectares (approximately 2,046 acres). Subject to the closing of the transaction, Rio Sao Pedro will become a wholly owned subsidiary of the Company.

Pursuant to the Letter of Intent, the Company will acquire all of the issued and outstanding equity interests in Rio Sao Pedro from its shareholders (the “Sellers”). The Company will issue in consideration for the acquisition of Rio Sao Pedro 14,957,650 shares of Company common stock (the “Ardent Shares”). The Ardent Shares shall represent, as of the date of their issuance to the Sellers, fifty percent (50%) of the issued and outstanding equity shares of the Company. At the closing of the transaction, the Sellers will be entitled to appoint a representative to the Company’s Board of Directors.

The closing of the transaction is subject to customary closing conditions, including the completion of an independent geology survey, completion of audited financial statements, acquisition of all necessary government approvals to commence gold mining on the property, completion of due diligence satisfactory to the Company in its sole discretion, and execution of detailed final agreements supplementing the terms and conditions of the Letter of Intent, including, without limitation, representations regarding the validity of the assessments of all gold ore reserves, the status of all government licenses and related matters. The Company will cover and pay for certain of the pre-closing actions and satisfy certain third-party liens on the Fazenda Lavras property. The Company has agreed to place certain good faith pre-closing funds into escrow. The parties have also agreed that if the Company’s share price does not reach certain benchmarks within a specified period of time, the Sellers of Rio Pedro Mineracao will have a put right with respect to their shares, pursuant to which they may retake title to their original Rio Sao Pedro Shares. The parties have agreed to use their best efforts to finalize and sign supplemental detailed agreements as soon as reasonably possible within a target date of ninety days. Rio Sao Pedro and the Sellers have agreed to definitive exclusivity and not to solicit or negotiate any alternative transactions.
