Item 32. Sales to Special Parties.

None.

Item 33. Recent Sales of Unregistered Securities

On January 26, 2010, certain of our affiliates acquired 33,333 shares of Class B Common Stock in a private placement at a price per share equal to \$3.00 per share of Class B Common Stock and 3,333 shares of Class A Common Stock in a private placement at a price per share equal to \$3.00 per share of Class A Common Stock. The gross proceeds we received from selling our Class A Common Stock and our Class B Common Stock in this offering were approximately \$109,998. No sales commissions or other consideration was paid in connection with such sales, which were consummated without registration under the Securities Act in reliance upon the exemption from registration in Section 4(2) of the Securities Act as transactions not involving any public offering. Pursuant to a change in the designation of our shares of Class A Common Stock to common stock and a change of each of our issued and outstanding shares of Class B Common Stock to one issued and outstanding share of common stock, all effected through an amendment to our charter filed on February 22, 2011, NELL Partners now holds 36,666 shares of common stock.

Immediately prior to the closing of the underwritten offering, we will complete the irrevocable private placement offering to WOF of 500,000 shares of our common stock, without payment of underwriting discounts and commissions by us. The purchase price for the shares of common stock will be at a price per share equal to the public offering price per share of common stock. As the assumed offering price of \$10.00 per share, we will receive total

gross proceeds of \$5 million. This sale was consummated without registration under the Securities Act in reliance upon the exemption from registration in Section 4(2) of the Securities Act as transactions not involving any public offering.

We have agreed to issue to International Assets Advisory, LLC, our financial advisor, the financial advisor warrant to purchase up to 150,000 shares of our common stock. If the financial advisor exercises this warrant, the purchase price for each share of common stock is expected to be \$12.50 per share (125% of the assumed price per share of the common stock sold in the underwritten offering). Neither the warrant nor the underlying shares of common stock to be issued upon the exercise of the warrant will be registered. This sale was consummated without registration under the Securities Act in reliance upon the exemption from registration in Section 4(2) of the Securities Act as transactions not involving any public offering.

Item 34. Indemnification of Directors and Officers.

Maryland law permits us to include in our charter a provision limiting the liability of our directors and officers to our stockholders and us for money damages, except for liability resulting from (i) actual receipt of an improper benefit or profit in money, property or services, or (ii) active and deliberate dishonesty established by a final judgment and that is material to the cause of action. Our charter contains such a provision which eliminates directors' and officers' liability to the maximum extent permitted by Maryland law.

The Maryland General Corporation Law requires us (unless our charter provides otherwise, which our charter does not) to indemnify a director or officer who has been successful in the defense of any proceeding to which he or she is made or threatened to be made a party by reason of his or her service in that capacity. The Maryland General Corporation Law allows directors and officers to be indemnified against judgments, penalties, fines, settlements and reasonable expenses actually incurred in a proceeding unless the following can be established:

an act or omission of the director or officer was material to the cause of action adjudicated in the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty;

the director or officer actually received an improper personal benefit in money, property or services; or with respect to any criminal proceeding, the director or officer had reasonable cause to believe his act or omission was unlawful.

A court may order indemnification if it determines that the director or officer is fairly and reasonably entitled to indemnification, even though the director or officer did not meet the prescribed standard of conduct or was adjudged liable on the basis that personal benefit was improperly received. However, indemnification for an adverse judgment in a suit by the corporation or in its right, or for a judgment of liability on the basis that personal benefit was improperly received, is limited to expenses. The Maryland General Corporation Law permits a corporation to advance reasonable expenses to a director or officer upon receipt of a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification and a written undertaking by him or her or on his or her behalf to repay the amount paid or reimbursed if it is ultimately determined that the standard of conduct was not met.

Our charter requires us, to the maximum extent permitted by Maryland law, to indemnify and, without requiring a preliminary determination of the ultimate entitlement to indemnification, pay or reimburse reasonable expenses in advance of final disposition of a proceeding to any individual who is a present or former director or officer and who is made or threatened to be made a party to the proceeding by reason of his or her service in that capacity or any individual who, while a director or officer of the Company and at the request of the Company, serves or served as a director, officer, partner, trustee, member or manager of another corporation, real estate investment trust, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise and who is made or threatened to be made a party to the proceeding by reason of his or her service in that capacity. With the approval of our board of directors, we may provide such indemnification and advance of expenses to any individual who served a predecessor of the Company in any of the capacities described above and any employee or agent of the Company or a predecessor of the Company. This provision does not reduce the exposure of directors and officers to liability under federal or state securities laws, nor does it limit the stockholders' ability to obtain injunctive relief or other equitable remedies for a violation of a director's or an officer's duties to us, although the equitable remedies may not be an effective remedy in some circumstances.

We also will agree to indemnify and hold harmless Preferred Apartment Advisors, LLC and its affiliates performing services for us from specific claims and liabilities arising out of the performance of their obligations under the management agreement. As a result, our stockholders and we may be entitled to a more limited right of action than

they and we would otherwise have if these indemnification rights were not included in the management agreement.

The general effect to investors of any arrangement under which we agree to insure or indemnify any persons against liability is a potential reduction in distributions resulting from our payment of premiums

associated with insurance or indemnification payments in excess of amounts covered by insurance. In addition, indemnification could reduce the legal remedies available to our stockholders and us against the officers and directors.

Following completion of the offerings, we may enter into indemnification agreements with each of our directors and executive officers that would provide for indemnification to the maximum extent permitted by Maryland law.

Item 35. Treatment of Proceeds from Stock Being Registered.

Not applicable.

Item 36. Financial Statements and Exhibits

(a) Financial Statements:

The following documents are filed as part of this registration statement:

Preferred Apartment Communities, Inc., Consolidated Balance Sheet as of December 31, 2010, Consolidated Statement of Operations for the year ended December 31, 2010, Consolidated Statement of Cash Flows for the year ended December 31, 2010, Consolidated Statement of Shareholders' Equity for the year ended December 31, 2010, and Notes to Consolidated Financial Statements, dated as of December 31, 2010.

(b) Exhibits:

The list of exhibits filed with or incorporated by reference in this Registration Statement is set forth in the Exhibit Index following the signature page herein.

Item 37. Undertakings

(a) The undersigned registrant hereby undertakes to provide to the underwriters at the closing specified in the underwriting agreement, certificates in such denominations and registered in such names as required by the underwriters to permit prompt delivery to each purchaser.

(b) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. If a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(c) The undersigned Registrant hereby further undertakes that:

- (1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance under Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4), or Rule 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective by the SEC.
- (2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
