Dear fellow shareholder:

You are cordially invited to attend the annual meeting of shareholders to be held on Wednesday, November 9, 2011 at 1:00 pm EST, at the offices of Gallagher Evelius & Jones, LLP, 218 N. Charles Street, Suite 400, Baltimore, MD 21201.

At the meeting, you will be asked to vote on two matters including the election of directors and the selection of our independent public accounting firm for 2011.

We are pleased to utilize the Securities and Exchange Commission rule allowing companies to furnish proxy materials to their shareholders over the Internet. Consequently, most shareholders will not receive paper copies of our proxy materials. We will instead send shareholders a notice with instructions for accessing the proxy materials and voting via the Internet. The notice will also provide information on how shareholders may obtain paper copies of our proxy materials if they so choose. This makes the proxy distribution process more efficient and less costly, and helps conserve natural resources.

I look forward to seeing you at the meeting.

Sincerely,

Mark K. Joseph
Chairman of the Board

YOUR VOTE IS IMPORTANT

In order to ensure your representation at the annual meeting, you may submit your proxy and voting instructions via the Internet or by telephone, or, if you receive a paper proxy card and voting instructions by mail, you may vote your shares by completing, signing and dating the proxy card as promptly as possible and returning it in the enclosed envelope (to which no postage need be affixed if mailed in the United States). Please refer to the section entitled "Voting via the Internet, by Telephone or by Mail" on page ii of the Proxy Statement for a description of these voting methods. Under recent regulatory changes, if you have not given your broker specific instructions to do so, your broker will NOT be able to vote your shares with respect to the election of directors. If you do not provide voting instructions via the Internet, by telephone or by returning a proxy card or voting instruction card, your shares will not be voted with respect to the election of directors. We strongly encourage you to vote.

If the director nominees are not elected at our annual meeting, or if we are unable to achieve a quorum to transact business at our annual meeting (including any adjournment), then our current directors will continue to serve until their successors have been duly elected and qualified at the next annual meeting or their earlier death, resignation or removal.

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
November 9, 2011

This proxy statement is furnished in connection with the solicitation on behalf of the Board of Directors of Municipal Mortgage & Equity, LLC, a Delaware limited liability company (“we”, “us”, “our” or the “Company”), of proxies to be voted at our annual meeting of shareholders to be held Wednesday, November 9, 2011, at 1:00 pm EST and any and all adjournments or postponements of the meeting.

IMPORTANT NOTICE REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL SHAREHOLDERS MEETING TO BE HELD ON NOVEMBER 9, 2011. This proxy statement, the accompanying proxy card or voting instruction card and our 2010 Annual Report to Shareholders on Form 10-K are available at <http://munimae.investorroom.com>.

The entire cost of this solicitation of proxies will be borne by us. Solicitation, commencing on or about September 28, 2011, will be made by use of the mails, telephone and fax, by our regular employees without additional compensation.

Voting Rights

Only holders of record of our common shares on September 15, 2011, the record date, will be entitled to vote at the annual meeting. Each holder of record will be entitled to one vote on each matter for each common share held on the record date. The share transfer books will not be closed. On the record date, there were 40,520,971 common shares issued and outstanding. A majority of the issued and outstanding common shares (or 20,260,486 common shares) must be present or represented by proxy at the annual meeting in order to have a quorum. Persons voting by proxy will be deemed present at the meeting even if they abstain from voting on any or all of the proposals presented for shareholder action. Shares held by brokers who vote such shares on any proposal and broker non-votes will be counted present for purposes of establishing a quorum. A broker non-vote occurs when a bank, broker or other holder of record holding shares for a beneficial owner submits a proxy for the annual meeting but does not vote on a particular proposal, including in this case the election of directors, because that holder does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner. In contrast, a bank, broker or other holder of record holding shares for a beneficial owner does have discretionary voting power with respect to the ratification of the independent registered public accounting firm.

In the election of directors, a nominee will be elected if the votes cast “for” the nominee constitute a majority of the common shares present or represented by proxy and voting at a meeting at which a quorum is present. Shareholders may not cumulate votes in the election of directors. The ratification of KPMG LLC also requires the approval of the affirmative vote of a majority of the common shares present or represented by proxy and voting at a meeting at which a quorum is present. Abstentions and broker non-votes have no effect on the determination of whether a nominee or any other proposal has received the vote of a majority of the common shares present or represented by proxy and voting at the meeting.

If the persons present or represented by proxy at the annual meeting constitute the holders of less than a majority of the issued and outstanding common shares as of the record date, the annual meeting may be adjourned either

indefinitely or to a subsequent date for the purpose of obtaining a quorum. The inspector of elections appointed for the annual meeting will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Internet Availability of Proxy Materials

In accordance with Securities and Exchange Commission rules, we are using the Internet as our primary means of furnishing proxy materials to shareholders for our 2011 Annual Meeting. Consequently, our shareholders will not receive paper copies of our proxy materials unless they request paper copies by following the instructions in the Notice of Internet Availability of Proxy Materials. On September 28, 2011, we mailed to our shareholders a Notice of Internet Availability of Proxy Materials with instructions for accessing the proxy materials, including this proxy statement and our 2010 Annual Report to Shareholders. The Notice of Internet Availability of Proxy Materials also contains instructions for accessing your proxy card to be able to vote through the Internet or telephone.

Internet distribution of our proxy materials is designed to make the proxy distribution process more efficient and less costly and to help conserve natural resources. However, if you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, please follow the instructions for requesting such materials contained on such notice.

Admission to Meeting

You are entitled to attend the annual meeting if you were a holder of record or a beneficial owner of our common shares as of September 15, 2011, the record date, or you hold a valid legal proxy for the annual meeting. If you are a holder of record, you may be asked to present valid picture identification, such as a driver's license or passport, for admission to the annual meeting.

If your shares are registered in the name of a bank or brokerage firm (your record holder), you may be asked to provide proof of beneficial ownership as of the record date, such as a brokerage account statement, a copy of the Notice of Internet Availability or voting instruction form provided by your bank, broker or other holder of record, or other similar evidence of ownership, as well as picture identification, for admission. If you wish to be able to vote in person at the annual meeting, you must obtain a legal proxy from your brokerage firm, bank or other holder of record and present it to the inspector of elections with your ballot at the annual meeting.

Recommendations of the Board of Directors

Our Board of Directors recommends that you vote:

- FOR each of the nominees of the Board of Directors (Proposal No. 1); and

FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011 (Proposal No. 2).

Voting via the Internet, by Telephone or by Mail

For holders whose shares are registered in their own names, as an alternative to voting in person at the annual meeting, you may vote via the Internet, by telephone or, for those shareholders who request and receive a paper proxy card in the mail, by mailing a completed proxy card. The Notice of Internet Availability of Proxy Materials provides information on how to access your proxy card, which contains instructions on how to vote via the Internet or by telephone. For those shareholders who request and receive a paper proxy card, instructions for voting via the Internet or by telephone are set forth on the proxy card. Those shareholders who request and receive a paper proxy card and voting instructions by mail, and who elect to vote by mail, should sign and return the mailed proxy card in the prepaid and addressed envelope that was enclosed with the proxy materials, and your shares will be voted at the annual meeting in the manner you direct. In the event that you return a signed proxy card (by mail or via the Internet) on

which no directions are specified, your shares will be voted FOR each of the nominees of the Board of Directors (Proposal No. 1), FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011 (Proposal No. 2), and in the discretion of the proxy holders as to any other matters that may properly come before the annual meeting or any postponement or adjournment of the annual meeting.

ii

If your shares are registered in the name of a bank or brokerage firm (your record holder), you will receive instructions from your record holder that you must follow in order for your record holder to vote your shares per your instructions. Many banks and brokerage firms have a process for their beneficial holders to provide instructions via the Internet or over the telephone. If Internet or telephone voting is unavailable from your bank or brokerage firm, please complete and return the voting instruction card supplied by them in the addressed, postage paid envelope provided.

Revocation of Proxies

You may revoke or change a previously delivered proxy at any time before the annual meeting by delivering another proxy with a later date, by voting again via the Internet or by telephone, or by delivering written notice of revocation of your proxy to Municipal Mortgage & Equity, LLC's Corporate Secretary at our principal executive offices before the beginning of the annual meeting. You may also revoke your proxy by attending the annual meeting and voting in person, although attendance at the annual meeting will not, in and of itself, revoke a valid proxy that was previously delivered. If you hold shares through a bank or brokerage firm, you must contact that bank or brokerage firm to revoke any prior voting instructions. You also may revoke any prior voting instructions by voting in person at the annual meeting if you obtain a legal proxy as described under "Admission to Meeting" above.

I. MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

PROPOSAL 1 — ELECTION OF DIRECTORS

The Board of Directors of Municipal Mortgage & Equity, LLC is divided into three classes with the directors in each class serving for a term of three years. The term of office of one class of directors expires each year in rotation so that one class is elected at each annual meeting for a full three-year term. The Company's Amended and Restated Certificate of Formation and Operating Agreement (our "Operating Agreement") provides that the Board of Directors must have between five and 15 members. One director (two if our Board size exceeds 10) may be appointed by the "Dissolution Shareholder," as that term is defined in our operating agreement. The seat reserved for this director is currently vacant.

As previously disclosed to our shareholders, we were unable to meet our quarterly reporting requirements with the Securities and Exchange Commission for 2007 through 2010, and prepare annual reports for 2007 through 2009. Because of Securities and Exchange Commission requirements applicable to us with respect to the preparation and distribution of proxies, this meant that we were not able to conduct annual meetings or elect directors since 2006. As a result, and in accordance with our Operating Agreement and Bylaws, our current directors have been serving since their elections in or prior to September 2006, with the exception of Frederick Puddester, who was appointed to the Board of Directors on August 10, 2011. If the director nominees are not elected at our annual meeting, or if we are unable to achieve a quorum to transact business at our annual meeting (including any adjournment), then our current directors will continue to serve until their successors have been duly elected and qualified at the next annual meeting or their earlier death, resignation or removal.

Information about Nominees

The name and principal occupation for the last five years, period of service as a director of the Company and certain other directorships of each director are set forth below.

Mr. McGregor's qualifications to serve as a director include his extensive experience in leading real estate development and management activities for one of the largest real estate developers in the U.S. As chairman of MuniMae's Compensation Committee, Mr. McGregor led the effort to review and assess the operations and metrics used to evaluate key executives at MuniMae.

BOARD OF DIRECTORS MATTERS

Board Composition

Our Board of Directors currently consists of six members, each of whom was elected by the Company's shareholders with the exception of Frederick Puddester, who was appointed to a two year term on the Board of Directors on August 10, 2011.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines ("Guidelines"), which are available on our website at www.munimae.com under "About MuniMae – Governance," then "Corporate Governance Guidelines." These Guidelines contain general principles regarding the function of our Board and Board committees. The Guidelines are reviewed on an annual basis by the Governance Committee of the Board, which submits to the Board for approval any changes deemed desirable or necessary.

Independence of Directors

Our Guidelines require that a majority of the Board of Directors be comprised of independent directors. When those Guidelines were adopted, our shares were listed on the New York Stock Exchange (the "NYSE"). Although our shares are no longer listed on the NYSE, the NYSE's director independence guidelines are incorporated in our Guidelines, which are used by the Board in making independence determinations. For a director to be considered independent under the Listing Standards of the NYSE, the Board must affirmatively determine that the director has no direct or indirect material relationship with MuniMae. The Board has determined that the following directors are independent: Charles C. Baum, Douglas A. McGregor, Fred N. Pratt, Jr., and Frederick Puddester.

Qualification for Board Membership

The Board has the responsibility for nominating candidates for election to the Board and for filling vacancies on the Board as they arise, while the Governance Committee is responsible for identifying and recommending qualified individuals to serve as members of the Board. The Company's Corporate Governance Guidelines and the Governance Committee's charter require the Board and the committee to establish criteria for selecting new directors, which reflects at a minimum a candidate's strength of character, judgment, business experience, specific areas of expertise, factors relating to the composition of the Board, including its size and structure, and principles of diversity, including diverse professional and personal backgrounds and a broad spectrum of experience and expertise. The Governance Committee does not have a specific policy with regard to consideration of diversity in identifying director nominees. Further, no MuniMae independent director may serve on the boards of more than four other publicly traded companies while serving on our Board and no Chief Executive Officer who is also a director may serve on the boards of more than two other publicly traded companies. The Committee applies the same standards in evaluating candidates submitted by shareholders as it does in evaluating candidates submitted by other sources. Currently, all directors are in compliance with these requirements and expectations.

Shareholder Recommendations of Potential Director Candidates

The Governance Committee will consider director candidates recommended by shareholders. The Committee applies the same standards in evaluating candidates submitted by shareholders as it does in evaluating candidates submitted by other sources. Shareholders who wish to submit names to be considered by the Governance Committee for nomination for election to the Board of Directors should send written notice to the Corporate Secretary of the Company at least 60 days but no more than 90 days prior to the anniversary of the date on which the proxy statement was first mailed relating to the immediately preceding annual meeting of shareholders, which notice should set the information specified in our bylaws. Suggestions regarding potential director candidates, together with the supporting information concerning the potential candidate's qualifications, should be submitted in writing to:

Governance Committee
Municipal Mortgage & Equity, LLC
c/o Corporate Secretary
621 East Pratt Street, Suite 600

Code of Ethics and Business Integrity

We have developed and adopted a Code of Ethics and Principles of Business Integrity that is applicable to all of our employees and directors, including our principal executive officer, principal financial officer, principal accounting officer or controller, and persons performing similar functions. The Code of Ethics and Principles of Business Integrity is available on our website and in print without charge, upon the request of any shareholder, by mail to our Corporate Secretary, Municipal Mortgage & Equity, LLC, at our Baltimore offices.

Executive Session

Pursuant to our Guidelines, the independent directors of the Board meet in regularly scheduled sessions without the presence of management. The chair of these executive sessions is Mr. Pratt.

Communications with the Board of Directors

Shareholders and other interested parties may communicate with one or more members of our Board by writing to the Board, or a specific director at:

Available Information

Our website address is www.munimae.com. We make available free of charge through our website our annual report on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K and amendments to those reports filed or furnished pursuant to Section 13(a) or 15(d) of the Exchange Act as soon as reasonably practicable after such documents are electronically filed with, or furnished to, the SEC. Our website also includes our Corporate Governance Guidelines, Code of Ethics and the charters of our Audit Committee, Compensation Committee and Governance Committee. These documents are also available in print to any shareholder upon request.

Board Committees

The Board of Directors has appointed the following Board Committees:

Audit Committee. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibility relating to:

- the integrity of our financial statements, the financial reporting process, and internal controls over financial reporting;

- the performance of our internal audit function;
- the appointment, engagement and performance of our independent registered public accounting firm and the evaluation of the independent registered public accounting firm's qualifications and independence; and
- compliance with our Code of Ethics and Principles of Business Integrity, and legal and regulatory requirements, including our disclosure controls and procedures.

In so doing, it is the responsibility of the Audit Committee to maintain free and open communication between the Committee, the independent registered public accounting firm and our management and to resolve any disagreements between management and the independent registered public accounting firm regarding financial reporting. The Audit Committee also performs other duties and responsibilities set forth in a written Charter approved by the Board of Directors. The Charter of the Audit Committee is available on the Company's website at www.munimae.com under "About MuniMae – Governance," then "Audit Committee." The Audit Committee held 11 meetings in 2010.

The Board and the Governance Committee have determined that all members of the Committee satisfy the independence requirements of the NYSE's Listing Standards, even though the Company is not subject to those standards at this time, the rules adopted by the SEC and our Guidelines. No member of the Audit Committee is permitted to serve on the Audit Committee of more than three public companies, including our Company. Currently, no member of the Audit Committee serves on the audit committee of any other public company. The Board of Directors determined that Arthur Mehlman, a member of our Board from November 1, 2004 until his resignation on April 22, 2011, qualified as an "audit committee financial expert" under SEC rules. During 2010, membership on the Committee consisted of Mr. Pratt, who served as Chairman, and Messrs. Baum and Mehlman. At the time of this filing, the Board of Directors has not yet designated an audit committee financial expert, to replace Mr. Mehlman.

Compensation Committee. The Compensation Committee of the Board of Directors has the following principal duties and responsibilities:

- review our executive compensation policy and programs to ensure that they (1) effectively motivate the CEO and other executive officers and key employees to achieve our financial goals and strategic objectives; (2) properly align the interests of these employees with the long-term interests of our shareholders; and (3) are sufficiently competitive to attract and retain the executive resources necessary for the successful management of our businesses;
- review trends in management compensation, oversee the development of new compensation plans (including performance-based, equity-based and other incentive programs as well as salary, bonus and deferred compensation arrangements) and, when appropriate, make recommendations to the Board regarding new plans and revisions to existing plans;
- annually review and approve corporate goals and objectives relevant to the compensation of our Chief Executive Officer and other executive officers and key employees, evaluate the performance of such individuals and approve the compensation for such individuals;
- annually evaluate the compensation of the members of the Board; and
- review our management succession plan for the Chief Executive Officer and other executive officers and key employees.

These duties and responsibilities are set forth in a written Charter of the Committee which has been approved by the Board of Directors and is available on our website at www.munimae.com under "About MuniMae – Governance," then

“Compensation Committee.”

5

Pursuant to the Charter, the Committee has the authority to delegate certain of its responsibilities to a subcommittee. The Committee has the authority to administer our equity plans for the Chief Executive Officer and other executive officers. The Committee is responsible for all determinations with respect to participation, the form, amount and timing of any awards to be granted to any such participants, and the payment of any such awards. Our Executive Officers have the authority to administer our equity plans for all other participants.

Our Chief Executive Officer provides recommendations to the Compensation Committee with respect to the wage level, base salary amounts, performance targets for annual incentive and long-term incentive bonus programs and any adjustments to the cash value for equity grants for each named executive officer other than himself. These compensation recommendations are based on the peer group market data reviewed by the Committee and the Chief Executive Officer's subjective review of each officer's overall performance and contribution to MuniMae during the prior year. While the Committee considers the recommendations of the Chief Executive Officer with respect to these elements of compensation, the Committee independently evaluates the recommendations and makes all final compensation decisions. The Chief Executive Officer does not make any recommendations as to his own compensation and such decisions are made solely by the Compensation Committee. Other than our Chief Executive Officer, no other executive officer of MuniMae had any role in determining or recommending the amount or form of executive officer or director compensation during 2010.

During 2010, membership on the Committee consisted of Mr. McGregor, who served as Chairman, and Messrs. Baum and Mehlman. Mr. Mehlman retired as a director and member of the Compensation Committee on April 22, 2011. All members of the Committee qualify as independent directors under our Corporate Governance Guidelines and the NYSE's Listing Standards. The Compensation Committee held three meetings during 2010.

Governance Committee. The Governance Committee assists the Board by:

- developing and implementing corporate governance guidelines;
- identifying and recommending qualified individuals to serve as members of the Board;
- evaluating and recommending the size and composition of the Board and its Committees (including making determinations concerning composition of the Board and its Committees under the applicable requirements of the SEC); and
- monitoring a process to assess the effectiveness of the Board and its Committees.

The Committee is also responsible for performing other duties and responsibilities set forth in a written Charter approved by the Board of Directors. The Charter of the Committee is available on our website at www.munimae.com under "About MuniMae – Governance," then "Governance Committee." From October 21, 2009 through January 20, 2010, membership on the Committee consisted of Mr. Baum, who served as Chairman, and Messrs. Pratt and McGregor and retired director Richard O. Berndt. In such event, Mr. Falcone is entitled to receive \$500,000 (in early termination compensation). The option award vests and becomes exercisable ratably over a three-year period beginning on January 7, 2010 and on the two succeeding anniversaries of that date. The options expire on January 7, 2020.

The employment agreement also contains the following terms and conditions:

Narrative to the Director Compensation Table

Directors who are employees of MuniMae do not receive additional fees for their service as a director; therefore Mr. Falcone does not receive any fees for his service as a director. In addition, pursuant to an employment agreement dated July 1, 2003, Mr. Joseph did not receive fees for his service as a director through December 31, 2010. In 2006, the Compensation Committee retained FPL Advisory Group LLC (“FPL”), a compensation consulting firm, to conduct a study of our Board compensation practices, including a competitive benchmarking analysis of the compensation we were providing our directors compared with compensation being paid by similar companies, and to make a recommendation regarding design consideration for a compensation program going forward. Pursuant to FPL’s study and recommendation, commencing in 2007, annual fees paid to each director who was not an employee of MuniMae consisted of an annual director retainer of \$30,000 (paid in equal quarterly installments), and a meeting fee of \$1,500 for each Board meeting attended. Directors who served on Board Committees also received an annual committee retainer of \$2,500 (paid in equal quarterly installments) and a committee meeting fee of \$1,000 for each committee meeting they attended. A director who serves as Chair of a Committee received an additional annual retainer of \$10,000 for Audit Committee Chair and \$5,000 for others (paid in equal quarterly installments). Directors received these retainers and fees in cash, restricted shares or deferred shares. In addition, pursuant to the 2004 Non-Employee Directors’ Share Plan (the “2004 Plan”), each non-employee director earned an annual equity award of restricted shares valued at \$20,000 (payable in a number of shares based on the closing price of our common shares on the date of the annual meeting). The shares subject to this annual award vest in full on the earlier of the first anniversary of the date of the award or the date of our next Annual Shareholders Meeting, subject to the continued service of the director on the Board. Since no annual shareholders meeting were held since 2006, the 2007, 2008 and 2009 annual equity awards were vested but not paid. All restricted shares awarded become fully vested in the event of disability or death of the director, or a change in control of MuniMae. This annual equity award was discontinued under the 2010 Non-Employee Directors’ Compensation Plan (the “2010 Plan”).

In December 2008, the directors accelerated all previously deferred share awards and received those shares on January 2, 2009 in the form of restricted shares. In addition, because shares continued to be issued to the directors who had previously elected to be paid in deferred shares at the very low share values that prevailed during 2008, the 2004 Plan ran out of shares. Consequently, beginning on December 12, 2008, the directors were paid their remaining 2008 fourth quarter fees and 2009 first and second quarter fees in cash until the Board approved the 2009 Non-Employee Directors’ Share Plan (the “2009 Plan”), updated to comply with Section 409A of the Code, but which contains provisions largely similar to the 2004 Plan. In addition, in 2009, in response to the general business climate and our liquidity and other operational issues, the Board voted to reduce its fees by one-third and to cap the total annual compensation of each Board member at \$50,000.

In November 2010, due to the continuing general business climate and our on-going liquidity and other operational issues, the Board approved the 2010 Plan which provided for total annual compensation of \$50,000, one-half of which is to be paid in cash, and one-half of which is to be paid in deferred shares. The 2010 Plan also discontinued the annual equity award provided to the directors pursuant to the 2004 Plan.

Under the 2004 Plan, the 2009 Plan and the 2010 Plan, directors may elect to be paid fees in the form of deferred shares in lieu of receipt of cash fees. Pursuant to the 2004, 2009 and 2010 Plans, directors may elect to defer anywhere from 1% to 100% of their cash fees. Under the 2004 Plan, prior to the award of restricted shares, directors may elect to defer the receipt of the underlying common shares upon vesting. If the director so elects, the director will receive dividends on the shares (to the extent declared by the Board for all common shares) until the deferral period expires. Director participants may elect the deferred amounts plus earnings to be distributed either upon retirement from the Board or on an interim distribution date. If a distribution date is not specified in the election, shares will be settled 30 days after the participant's separation from service on the Board. Distributions are either in a lump sum, or based on the director's distribution election made at the time of the deferral, in two-to-10 year installments. Once a distribution election is made, the election is irrevocable. A distribution election may be changed for future years by filing a new election prior to the first day of the subsequent calendar year. Notwithstanding the foregoing, a participant may receive any amounts deferred by the participant in the event of an "Unforeseeable Emergency" as defined by the 2004, 2009 and 2010 Plans.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Set forth below is information describing certain relationships and transactions that we have with certain of our directors, nominees for director and executive officers. In addition to the matters discussed in detail below, we may have other relationships or engage in other transactions with such persons that are not material and have not been described. All of such relationships and transactions are approved pursuant to the procedures described below under "Approval of Transactions with Related Persons."

Transactions and Relationships with Entities Controlled by Mark Joseph

Shelter Group

Mark Joseph, the Chairman of our Board of Directors, through family holding companies, has a minority interest in The Shelter Group, LLC ("Shelter Group") and its affiliates at December 31, 2010. Shelter Group acts as a developer of, and provides property management services relating primarily to, multifamily residential real estate properties. The real estate that secures one of our tax-exempt bonds is owned by a Shelter Group entity. As of December 31, 2010, this bond was carried on our books at \$8.9 million and had an unpaid principal balance of \$9.4 million. In addition, Shelter Group provided management services during the year ended 2010 for two properties (not owned by Shelter Group) that served as collateral for tax-exempt bonds we owned. Shelter Group had no ownership interest in these properties. The properties paid Shelter Group fees totaling approximately \$0.5 million for property management services with respect to these properties for the year ended December 31, 2010.

Tax Credit Equity Syndication Transactions

Prior to the sale of our TCE business, we sometimes acted as a tax credit equity syndicator with regard to affordable housing properties sponsored by Shelter Group. At December 31, 2010, we had no unfunded equity commitments for properties sponsored by Shelter Group and we no longer own directly or indirectly any interest in those properties. Shelter Group received development fees in connection with the tax credit equity syndication transactions that we arranged. Mr. Joseph did not participate in the structuring or negotiation of transactions in which we and Shelter Group were both involved and the disinterested members of our Board of Directors authorized all of our tax credit equity investments in affordable housing properties sponsored by Shelter Group to assure the terms are on the same basis as for properties sponsored by other developers of like quality.

Bond Portfolio

Beginning in 1989, several bonds owned by our predecessor went into default, but our predecessor could not acquire the properties without causing income on the bonds to be taxable to our predecessor. Therefore, our predecessor caused the properties to be transferred to entities owned or controlled by Mr. Joseph and other of our predecessor's officers and those entities became the borrowers with regard to the bonds. In other instances, we arranged for the general partner interests in partnerships that owned properties that secured defaulted bonds we held to be transferred to entities controlled by Mr. Joseph.

In February 1995, our predecessor participated in the refunding of 11 tax-exempt bonds with an aggregate principal balance of \$126.6 million that were secured by the properties described above, which were owned by partnerships in

which Mr. Joseph controlled the general partners and in which he held significant other ownership interests. In the refunding transaction, the originally issued bonds were exchanged for a senior series of Series A tax-exempt bonds with an aggregate principal balance of \$67.7 million, and a subordinate series of Series B tax-exempt bonds with an aggregate principal balance of \$58.9 million. We then arranged the sale to unrelated purchasers of custodial receipts representing beneficial ownership of all the Series A bonds, which were credit enhanced by Assured Guaranty (formerly Financial Security Assurance, Inc.) and we retained the Series B bonds. Subsequently, we made seven additional loans secured by the properties that secured the Series A and Series B bonds, which were junior to the Series A bonds but senior to interest on the Series B bonds and junior to principal on the Series B bonds. We subsequently sold the loans and guaranteed the partnerships' obligations to the purchaser of the loans. During 2009 we repurchased three of the seven loans and modified the terms such that these loans are now junior to both principal and interest on the Series B bonds. At December 31, 2010, \$8.3 million principal amount of those additional loans were still outstanding and we have an estimated guarantee exposure of \$4.7 million related to our guarantee.

The holders of the custodial receipts representing the Series A bonds had the right to require that those custodial receipts be redeemed and refunded in 2005. In order to avoid the cost and time involved in doing that, in February 2005, we purchased all the Series A bonds, transferred them to a securitization vehicle, and sold all but the most junior residual interests in the Series A bonds. The properties owned by the partnerships described above continue to secure the Series A and Series B bonds.

After the 1995 transaction but prior to the 2005 transaction, the limited partnership interests in each of the partnerships were consolidated into a single umbrella entity (the “Umbrella”) that, along with the 1% general partner interest, were controlled by Mr. Joseph and in which he and affiliated entities collectively held the majority interest. In 2010, certain of Mr. Joseph’s affiliated entities were redeemed out for \$1. As a result, an entity affiliated with Mr. Joseph’s affiliated entity owned a 32% interest in the Umbrella at December 31, 2010. Mr. Joseph continues to control the Umbrella through his control of its non-member manager.

At December 31, 2010, entities controlled by Mr. Joseph owned seven properties that secured tax-exempt bonds that we held with an unpaid principal balance of approximately of \$102.9 million. The entities controlled by Mr. Joseph held a 1% general partner interest in each of the partnerships owning these properties. The Umbrella held the limited partnership interest in each of these partnerships.

Special Shareholder and Dissolution Shareholder Relationships

Under the federal tax laws in effect when we were formed in 1996, in order for us not to be taxed as a corporation, it was necessary for us to meet certain requirements, including a requirement that at least some of our equity holders have unlimited liability and that there be circumstances under which our existence might terminate. In order to fulfill those requirements, Shelter Development Holdings, Inc. agreed that so long as it (or a successor) holds any of our shares, it will have personal liability to our creditors to the extent our assets are not sufficient to satisfy their claims. In addition, our Operating Agreement provides that if Shelter Development Holdings or a successor ceases to be what is known as the “Dissolution Shareholder” of the Company, we will be dissolved unless holders of more than 50% of our shares vote within 180 days to continue our existence. Our Operating Agreement also gives Shelter Development Holdings or its successor as “dissolution shareholder” the right to designate a representative to serve as a member of our Board of Directors, or if there are more than 10 directors, to designate two directors. The tax laws have subsequently been changed to permit an entity like us to elect to be taxed as a partnership even if it does not have the attributes described above, but our Operating Agreement has not been changed. Mark Joseph, through family companies, owns Shelter Development Holdings.

Not-for-Profit Entities controlled by our executive officers

MuniMae Foundation, Inc.

Some of our properties are financed by tax-exempt bonds issued on behalf of borrowers that are tax-exempt organizations under Section 501(c)(3) of the Code. For those bonds to remain tax-exempt, the properties must at all times be owned by 501(c)(3) organizations. MuniMae Foundation, Inc. (the “Foundation”) is a 501(c)(3) corporation that is devoted to the ownership and operation of affordable housing for all citizens. The Foundation has one independent director; the others are executive officers of MuniMae including Michael Falcone, Gary Mentasana, and Earl W. Cole, III.

Several defaulted properties initially owned by unrelated 501(c)(3) organizations were transferred to the Foundation or its wholly owned subsidiaries so that the properties could be preserved as affordable housing and the bonds secured by the properties would continue to be tax-exempt. The Foundation no longer owns any properties financed by qualified 501(c)(3) bonds. We provide administrative support, asset management and financial services to the Foundation. In addition to owning affordable housing properties, the Foundation makes grants to other 501(c)(3) organizations. We did not make any charitable contributions to the Foundation during the year ended December 31, 2010. At December 31, 2010, the Foundation's only ownership interest in properties financed by the Company was its minority interest in the Umbrella, which in turn owns a 99% limited partnership interest in seven properties financed by tax-exempt bonds held by us. The Foundation is consolidated on MuniMae's books even though it is a separate legal entity not owned by MuniMae.

MuniMae Affordable Housing, Inc.

MuniMae Affordable Housing, Inc. ("MMAH") is a not-for-profit entity organized to promote affordable housing. All of its officers and directors are non-executive officer employees of the Company. It was formed to acquire interests in partnerships that owned affordable housing properties which secured indebtedness that had gone into default. At December 31, 2010, MMAH owned the general partner interest in one partnership owning property financed by the Company. MMAH is not a Section 501(c)(3) organization.

We have from time to time provided additional financing through advances, unsecured loans and supplemental loans to some of the properties in which MMAH owns or has owned a general partner interest in order to assist with the development, lease-up and operation of the property and by doing so to maximize the value of the investment we had already made.

At December 31, 2010, MMAH also held 21% interests in the general partners of three of our renewable energy funds. In addition, MMAH was the administrative member holding a 0.01% interest in 10 LIHTC Funds as of December 31, 2010.

Our officers and employees, who serve as officers or directors of the Foundation, or MMAH, do not receive any remuneration for serving in those capacities and neither we nor they have any ownership interests in either of those entities.

Approval of Transactions with Related Persons

It is the policy of our Board of Directors that all transactions involving us or any of our subsidiaries, on the one hand, and any of our directors or executive officers, or entities in which any of them has a material financial interest, on the other, including all transactions between us and Shelter Group, must be approved by a majority of our directors who have no interest in the transactions. Additionally, all property management arrangements with Shelter Group are subject to annual approval by a vote of a majority of our directors who have no interest in Shelter Group, after considering the then-market rate for the services of the type provided by Shelter Group and other applicable factors. We followed these policies with respect to all of the transactions and arrangements described above.

Legal Proceedings

In the first half of 2008, we were named as a defendant in eleven (subsequently reduced to nine) purported class action lawsuits and six (subsequently reduced to two) derivative suits. In each of these class action lawsuits, the plaintiffs claim to represent a class of investors in our shares who allegedly were injured by misstatements in press releases and SEC filings between May 3, 2004, and January 28, 2008. The plaintiffs seek unspecified damages for themselves and the shareholders of the class they purport to represent. The class action lawsuits have been consolidated into a single

legal proceeding pending in the United States District Court for the District of Maryland. By court order, a single consolidated amended complaint was filed in the class actions on December 5, 2008 and the cases will proceed as one consolidated case. Similarly, a single consolidated amended complaint was filed in the derivative cases on December 12, 2008 and these cases will likewise proceed as a single case. In the derivative suits, the plaintiffs claim, among other things, that the Company was injured because its directors and certain named officers did not fulfill duties regarding the accuracy of its financial disclosures. A derivative suit is a lawsuit brought by a shareholder of a corporation, not on the shareholder's own behalf, but on behalf of the corporation and against the parties allegedly causing harm to the corporation. Any proceeds of a successful derivative action are awarded to the corporation, except to the extent they are used to pay fees to the plaintiffs' counsel and other costs. The derivative cases and the class action cases have all been consolidated before the same court. The Company has filed a motion to dismiss the class action and the motion is before the court for decision. Due to the inherent uncertainties of litigation, and because these specific actions are still in a preliminary stage, we cannot reasonably predict the outcome of these matters at this time.

PROPOSAL 2 — RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED ACCOUNTING FIRM

Upon the recommendation of the Audit Committee, the Board of Directors has appointed KPMG LLP (“KPMG”) as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2011. Representatives from KPMG are expected to be present at the meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate inquiries.

Before making its recommendation to the Board of Directors for appointment of KPMG, the Audit Committee carefully considered that firm’s qualifications as the Company’s independent registered public accounting firm, which included a review of KPMG’s performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee expressed its satisfaction with KPMG in these respects.

The Company is asking its stockholders to ratify the selection of KPMG as the Company’s independent registered public accounting firm. Although ratification is not required by our Bylaws or otherwise, the Board of Directors is submitting the selection of KPMG to stockholders for ratification because the Company values its stockholders’ views on the Company’s independent registered public accounting firm and as a matter of good corporate governance practice. If ratification is not obtained, the Audit Committee intends to continue the engagement of KPMG at least through the end of the 2011 fiscal year but will consider whether it is appropriate to select a different independent registered public accounting firm in the future. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year or in subsequent years if it determines that such a change would be in the best interests of the Company and its stockholders.

The Board of Directors unanimously recommends that you vote FOR the ratification of appointment of the independent registered public accounting firm, as set forth above.

Independent Registered Public Accounting Firm

KPMG is the independent registered public accounting firm that audited our financial statements for the years ended December 31, 2010, 2009, 2008 and 2007.

Audit and Audit-Related Fees

The Audit Committee is responsible for retaining and terminating the Company’s independent registered public accounting firm and for pre-approving the performance of any services by the independent registered public accounting firm. In addition, the Audit Committee is responsible for monitoring the independence and performance of the Company’s independent registered public accounting firm and internal audit function and for presenting its conclusions with respect to the independent registered public accounting firm to the full Board of Directors.

Pre-approval Policies and Procedures

The Audit Committee has written policies and procedures regarding pre-approval of services to MuniMae by its principal independent registered public accountants. Its policy is to pre-approve all auditing services and non-audit services (subject to de minimis exceptions). All of the audit, audit-related and tax services for which we were billed by our principal independent public accounting firms for 2010 and 2009 were pre-approved by the Audit Committee.

The audit fees and other fees billed by KPMG for work performed during 2010 and 2009 are as follows:

(in thousands)	2010	2009
Audit fees(1)	\$4,055	\$1,925
Audit related fees	–	–
Total audit and audit related fees	4,055	1,925
Tax fees	–	–
All other fees	–	–
Total KPMG fees(2)	\$4,055	\$1,925

(1) Audit fees include fees for the audit of the consolidated financial statements, separate audits of certain subsidiaries and services that are normally provided in connection with statutory and regulatory filings or engagements.

(2) The total audit and audit related fees are presented on the basis of when these fees were billed to the Company. In 2009, the Company completed the audit of its restated 2004 and 2005 financial statements and the audit of the 2006 financial statements. The financial statements for the 2007, 2008 and 2009 periods were primarily prepared and audited in 2010. The 2010 financial statements were primarily audited in the first quarter of 2011 and the Company paid approximately \$0.9 million in audit and audit related fees for the Company's 2011 consolidated audit and certain subsidiary audits.

Audit Committee Report

The Audit Committee has reviewed and discussed with management the audited financial statements of Municipal Mortgage & Equity, LLC for the fiscal year ended December 31, 2010. The Audit Committee has discussed with KPMG LLP, our independent registered public accounting firm ("KPMG"), the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380 (Communication with Audit Committees), as adopted by the Public Company Accounting Oversight Board (the "PCAOB") in Rule 3200T. The Audit Committee has received the written disclosures and the letter from KPMG required by PCAOB Rule 3526 (Communications with Audit Committees Concerning Independence) regarding KPMG's communications with the Audit Committee concerning independence, and has discussed with KPMG the independence of KPMG.

Based on the review and discussions referred to in the paragraph above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ended December 31, 2010. This report is furnished by the Audit Committee of our Board of Directors, whose members are:

Fred N. Pratt, Jr., Chairman
 Charles C. Baum
 Frederick Puddester

As required by the Amended and Restated Charter (the "Charter") of the Audit Committee, the members of the Audit Committee hereby report that the Audit Committee has a formal documented charter setting forth the Audit Committee's duties and that the Audit Committee has satisfied its obligations under such charter during the year ended December 31, 2010.

Mr. Arthur Mehlman was a member of the Audit Committee throughout 2010 and continued until his retirement from the Board and the Audit Committee on April 22, 2011.

Mr. Frederick Puddester was appointed to the Audit Committee on August 10, 2011.

II. OTHER MATTERS

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers to file reports of changes in ownership of our equity securities with the SEC. SEC regulations require that directors and executive officers furnish to us copies of all Section 16(a) forms they file. To the best of our knowledge, based solely on review of the copies of the reports that were furnished to us and written representations that no other reports were required, we have identified one late filing for the fiscal year ended December 31, 2010, as follows: Mr. Falcone's option award was timely reported on a Current Report on Form 8-K; however, due to an administrative error, the required Form 4 was inadvertently late.

SHAREHOLDERS SHARING THE SAME ADDRESS

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called "householding." Under this procedure, multiple shareholders who reside at the same address may receive a single copy of our annual report and proxy materials, including the Notice of Internet Availability of Proxy Materials, unless the affected shareholder has provided contrary instructions. This procedure reduces printing costs and postage fees.

Once again this year, a number of brokers with account holders who beneficially own our common shares will be "householding" our annual report and proxy materials, including the Notice of Internet Availability of Proxy Materials. A single Notice of Internet Availability of Proxy Materials and, if applicable, a single set of annual report and other proxy materials will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that it will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. Shareholders may revoke their consent at any time by contacting Investor Relations Department, Municipal Mortgage & Equity, LLC, The Pier IV Building, 621 East Pratt Street, Suite 600, Baltimore, Maryland 21202.

Upon written or oral request, Municipal Mortgage & Equity, LLC will promptly deliver a separate copy of the Notice of Internet Availability of Proxy Materials and, if applicable, a separate set of proxy materials to any beneficial owner at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice of Internet Availability of Proxy Materials and, if applicable, a separate set of proxy materials, you may write or call Municipal Mortgage & Equity, LLC's Investor Relations Department at Municipal Mortgage & Equity, LLC, The Pier IV Building, 621 East Pratt Street, Suite 600, Baltimore, Maryland 21202, (855) 650-6932.

Any shareholders who share the same address and currently receive multiple copies of our Notice of Internet Availability of Proxy Materials or annual report and other proxy materials, who wish to receive only one copy in the future, can contact their bank, broker or other holder of record to request information about householding.

FORM 10-K

MUNICIPAL MORTGAGE & EQUITY, LLC WILL MAIL WITHOUT CHARGE, UPON WRITTEN REQUEST, A COPY OF OUR ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED DECEMBER 31, 2010, INCLUDING THE CONSOLIDATED FINANCIAL STATEMENTS, SCHEDULES AND LIST OF EXHIBITS, AND ANY PARTICULAR EXHIBIT SPECIFICALLY REQUESTED. REQUESTS SHOULD BE SENT TO: MUNICIPAL MORTGAGE & EQUITY, LLC, THE PIER IV BUILDING, 621 EAST PRATT STREET, SUITE 600, BALTIMORE, MARYLAND 21202, ATTN: INVESTOR RELATIONS. THE ANNUAL REPORT ON FORM 10-K IS ALSO AVAILABLE AT WWW.MUNIMAE.COM.

OTHER BUSINESS

The Board of Directors is not aware of any other matters which may come before the meeting. It is the intention of the persons named in the enclosed proxy to vote all shares represented by proxies in accordance with their best judgment if any other matters properly come before the meeting.

SHAREHOLDER PROPOSALS

In accordance with the rules and regulations promulgated under the Exchange Act, shareholder proposals to be acted on at the Company's annual meeting of shareholders to be held in 2012 (the "2012 annual meeting") and included in the Company's proxy statement and proxy for that meeting must be received by the Corporate Secretary of the Company no later than May 15, 2012 (which is 120 days prior to the first anniversary of the date of this proxy statement). After that date, shareholder proposals to be acted on at the 2012 annual meeting may be submitted to the Corporate Secretary of the Company in accordance with the provisions of our bylaws described in the next paragraph, but they may not be included in the proxy statement and proxy for that meeting.

In accordance with our bylaws shareholder proposals to be acted on at the 2012 annual meeting that are not received in time to be included in our proxy statement will be untimely if received by the Corporate Secretary of the Company earlier than the close of business on August 9, 2012 (which is 90 days before the first anniversary date of this year's annual meeting) or later than the close of business on September 9, 2012 (which is 60 days before the first anniversary date of this year's annual meeting). If the date of the 2012 annual meeting is advanced by more than 30 days or delayed by more than 60 days from the first anniversary of the date of this year's annual meeting, shareholders will be advised of such change and of the new date for submission of proposals. The Company currently expects that it will move the date of the 2012 annual meeting forward.

All shareholder proposals must be delivered to the attention of the Company's Corporate Secretary at our Baltimore offices located at The Pier IV Building, 621 East Pratt Street, Suite 600, Baltimore, MD 21202.
