A list of the names of those directors and officers and a description of their interests in the Company is contained in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2011, which was filed with the SEC, and will also be contained in the proxy statement for the Business Combination when available.

Forward Looking Statements

This Current Report on Form 8-K may include "forward looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as "anticipate", "believe", "expect", "estimate", "plan", "outlook", and "project" and other expressions that predict or indicate future events or trends or that are not statements of historical matters. Such forward looking statements with respect to the timing of the proposed business combination with Row 44 and AIA, as well as the expected performance, strategies, prospects and other aspects of the businesses of the Company, AIA, Row 44 and the combined company after completion of the proposed business combination, are based on current expectations that are subject to risks and uncertainties.

A number of factors could cause actual results or outcomes to differ materially from those indicated by such forward looking statements. These factors include, but are not limited to: (1) the occurrence of any event, change or other circumstances that could give rise to the termination of the Row 44 Merger Agreement or the AIA Stock Purchase Agreement (the "Business Combination Agreements"), (2) the outcome of any legal proceedings that may be instituted against the Company, AIA, Row 44 or others following announcement of the Business Combination Agreements and transactions contemplated therein; (3) the inability to complete the transactions contemplated by the Business Combination Agreements due to the failure to obtain approval of the stockholders of the Company or other conditions to closing in the Business Combination Agreement, (4) delays in obtaining, adverse conditions contained in, or the inability to obtain necessary regulatory approvals or complete regulatory reviews required to complete the transactions contemplated by the Business Combination Agreements; (5) the risk that the proposed transaction disrupts current

plans and operations as a result of the announcement and consummation of the transactions described herein; (6) the ability to recognize the anticipated benefits of the business combination, which may be affected by, among other things, competition, the ability of the combined company to grow and manage growth profitably, maintain relationships with suppliers and obtain adequate supply of products and retain its key employees; (7) costs related to the proposed business combination; (8) changes in applicable laws or regulations; (9) the possibility that AIA and Row 44 may be adversely affected by other economic, business, and/or competitive factors; and (10) other risks and uncertainties indicated from time to time in the proxy statement to be filed by the Company with the SEC, including those under “Risk Factors” therein, and other filings with the SEC by the Company.

Readers are cautioned not to place undue reliance upon any forward-looking statements, which speak only as of the date made, and the Company, AIA and Row 44 undertake no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
