Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

At a meeting of the Board of Directors of Advaxis, Inc. held on August 14, 2013, Thomas A. Moore indicated his intent to resign as Chairman of the Board of Directors and President and Chief Executive Officer (“CEO”) effective August 19, 2013 in line with the previously contemplated succession plan. Thomas A. Moore will continue to serve on the Board of Directors and will act as a consultant to Advaxis, Inc. pursuant to the terms of a consulting agreement dated August 19, 2013, the terms of which are described below.

In light of Mr. Moore’s notification to the Board of his intent to resign as President and CEO and the Board’s succession plan, the Board appointed Daniel J. O’Connor (formerly Executive Vice President), to the position of President and CEO, effective August 19, 2013. Mr. O’Connor’s appointment as President and CEO is the outcome of the succession planning initiatives over the past year by Mr. Moore and the Board of Directors. The Board of Directors also fixed the number of Board members at seven and appointed Mr. O’Connor, age 48, as a Director to fill the newly created vacancy in accordance with the Advaxis, Inc. Bylaws, all effective August 19, 2013. Mr. O’Connor will hold office as a Director until the next annual meeting of stockholders of Advaxis, Inc., subject to his earlier resignation or removal. Mr. O’Connor has not currently been appointed to any standing committee of the Board of Directors. Biographical information, information regarding certain transactions between Mr. O’Connor and Advaxis, Inc. and a description of Mr. O’Connor’s compensation arrangement as President and CEO is set forth below.

Dr. James Patton, Chairman of the Audit Committee, was elected to serve as Non- executive Chairman of the Board effective August 19, 2013.

In an effort to bolster Advaxis, Inc.’s corporate governance and in connection with the review and approval of Mr. Moore’s consulting agreement and Mr. O’Connor’s employment agreement (each of which are described below), the Nominating and Corporate Governance Committee of the Board of Directors of Advaxis, Inc. also recommended the entry into an indemnification agreement with each of the executive officers and directors of Advaxis, Inc., the form of which was approved by the Board of Directors on August 19, 2013 and is included as an exhibit hereto.

On August 19, 2013, Advaxis, Inc. entered into a consulting agreement with Mr. Moore, which took effect as of such date. Under the consulting agreement, Mr. Moore will assist the development of Advaxis Inc.’s veterinary program and perform the duties assigned by the CEO, the Chairman of the Board and/or Board of Directors related to strategic planning and business development, or any other matter so delegated. Mr. Moore is required to be able to commit at least 20 hours per week to his consulting duties under the agreement. The consulting agreement provides for an initial term of one year, after which it terminate unless Advaxis, Inc. notifies Mr. Moore of its intent to renew prior to the

The consulting agreement also provides that if Advaxis, Inc. closes any financing equal to or greater than \$15,000,000 but does not fully satisfy its cumulative outstanding financial obligations, if any, to Mr. Moore as described above, then Advaxis, Inc. shall pay the remaining balance of any such outstanding financial obligations on the earlier of: (i) six months from the date of closing; or (ii) upon the completion of an underwritten financing (not currently contemplated).

Following Mr. Moore's termination of his engagement as a consultant as provided in the agreement, Mr. Moore is entitled to payment of any earned or accrued but unpaid compensation and, provided that Mr. Moore executes a separation agreement and general release, a one-time lump sum \$350,000 disengagement payment, subject to all applicable withholdings and deductions.

Daniel J. O'Connor

Mr. O'Connor joined Advaxis, Inc. on January 1, 2013, as Senior Vice President, Corporate Development and Chief Legal Officer and was appointed Executive Vice President effective May 3, 2013, and as President and CEO effective August 19, 2013. Mr. O'Connor also joined the Board of Directors effective August 19, 2013. Mr. O'Connor has over 15 years of executive, legal, and regulatory experience in the biopharmaceutical industry with ImClone Systems (acquired by Eli Lilly and Company), PharmaNet (now incentive Health Clinical) and Bracco Diagnostics. Joining ImClone in 2003, Mr. O'Connor supported the clinical development, launch, and commercialization of ERBITUX(R). As ImClone's senior vice president, general counsel, and secretary, he played a key role in resolving numerous issues facing ImClone, including extensive licensing negotiations, in advance of the company being sold to Eli Lilly and Company in 2008. Prior to joining ImClone, Mr. O'Connor was PharmaNet's general counsel and was instrumental in building the company from a start-up contract research organization to an established world leader in clinical research.

Mr. O'Connor was also a criminal prosecutor in New Jersey and gained leadership experience as a Captain in the U.S. Marines, serving in the Persian Gulf in 1990. Most recently, from 2009 - 2013, Mr. O'Connor was the vice president and general counsel of Bracco Diagnostics, a large private pharmaceutical and medical device company.

In connection with a May 2012 offering by Advaxis, Inc., on May 18, 2012, Advaxis, Inc. issued Mr. O'Connor a convertible promissory note in the principal amount of \$66,667 for a purchase price of \$50,000, which represents an original issue discount of 25%. On May 20, 2013, Mr. O'Connor converted the note in full for 21,091 shares of Advaxis, Inc. common stock. Mr. O'Connor also received a warrant to purchase that number of shares of Advaxis, Inc. common stock equal to 50% of such number of shares of Advaxis, Inc. common stock issuable upon conversion of the note, based on the original conversion price of \$18.75 per share, which warrant expires May 18, 2017 and may be exercised on a cashless basis in certain circumstances. The warrant had an original exercise price of \$18.75 per share but was adjusted, pursuant to its terms, on December 1, 2012 to \$10.625 per share. The warrant includes a limitation on exercise that provides that at no time will Mr. O'Connor be entitled to convert any portion of the warrant to the extent that after such exercise, Mr. O'Connor (together with his affiliates) would beneficially own more than 4.99% of Advaxis, Inc.'s outstanding shares of common stock as of such date. Note, the exercise price and share amounts in this paragraph have been adjusted to reflect the 1-for-125 reverse stock split of Advaxis, Inc.'s common stock that took effect July 12, 2013.

On August 19, 2013, Advaxis, Inc. entered into an employment agreement with Mr. O'Connor, which took effect as of such date. The employment agreement provides for an initial term of three years, after which it will be automatically renewed for one year periods unless otherwise terminated by Advaxis, Inc. or Mr. O'Connor upon 90 days written notice. Pursuant to the terms of the employment agreement, Mr. O'Connor is entitled to a base salary of \$295,000 per year (plus annual cost-of-living adjustments), which salary will be reviewed on an annual basis. As provided in the agreement, the Compensation Committee may elect to pay, at its discretion, a portion of this salary in restricted stock units under the Plan (prior to this appointment, Mr. O'Connor received approximately 75% of his compensation in the form of stock awards). Mr. O'Connor is also eligible to receive an annual bonus of 10-50% of his base salary, which amount, if any, will be determined by the Compensation Committee of the Board of Directors based on achievement of certain goals to be established by such committee and Mr. O'Connor at the beginning of each fiscal year. The employment agreement also contemplates payment of a one-time bonus in an amount to be determined by the Compensation Committee prior to September 30, 2013, if Advaxis, Inc. closes a financing greater than \$15,000,000 during the initial three-year term of the agreement. Advaxis, Inc. may elect to pay 50% of this one-time bonus in shares of its common stock. Mr. O'Connor remains eligible to participate in Advaxis Inc.'s benefit plans and receive grants of stock options and other awards under the Plan, is entitled to 4 weeks of vacation and sick leave, as well as reimbursement of reasonable expenses incurred in fulfilling his duties under the agreement. The employment agreement grants Mr. O'Connor the right to participate in future capital raises at a 15% discount to the applicable offering price (or conversion price) of shares offered to investors during such capital raise or offering.

In the event Mr. O'Connor's employment is terminated without Just Cause, or if he voluntarily resigns with Good Reason, or if his employment is terminated due to disability (all as defined in the employment agreement), and so long as Mr. O'Connor executes a confidential separation and release agreement, in addition to the applicable base salary, plus any accrued but unused vacation time and unpaid expenses that have been earned as of the date of such termination, Mr. O'Connor is entitled to the following: 12-months of base salary and continued health and welfare benefits, full vesting of all stock options and extension of the exercise period for such stock options by two years, the issuance of all earned but unissued shares of common stock, and removal of all restrictive legends on shares that qualify for such treatment under Rule 144 of the Securities and Exchange Act of 1934 within 10 business days of the presentation of such shares to the transfer agent.

Mr. O'Connor's employment agreement also contains customary covenants regarding non-solicitation, non-compete, confidentiality and works for hire.

The foregoing description of Mr. O'Connor's employment agreement is qualified in its entirety by the terms of such agreement, which is filed as Exhibit 10.2 hereto and incorporated herein by reference.
