ABOUT THE 2014 Annual Meeting

General: Date, Time and Place

We are providing this Proxy Statement to you in connection with the solicitation, on behalf of our Board, of proxies to be voted at our 2014 Annual Meeting of Stockholders (the “2014 Annual Meeting”) or any postponement or adjournment of that meeting. The 2014 Annual Meeting will held on June 19, 2014, at 10:00 a.m. local time at our principal executive offices, located at 12/F, Tower A, Chang An International Building, No. 88 Nan Guan Zheng Jie, Xi’an City, Shaanxi Province, 710068 China.

Matters to be Considered and Voted Upon

At the 2014 Annual Meeting, stockholders will be asked to consider and vote (i) to elect the nominees named herein as directors, (ii) to ratify the selection of our independent registered public accounting firm, (iii) to approve an amendment to our articles of incorporation; (iv) to approve a Nonstatutory Stock Option Agreement with Mr. Chungui Shi; and (v) to conduct an advisory vote on the compensation of our named executive officers. The Board does not know of any matters to be brought before the meeting other than as set forth in the notice of meeting. If any other matters properly come before the meeting, the persons named in the enclosed form of proxy or their substitutes will vote in accordance with their best judgment on such matters.

Record Date; Stock Outstanding and Entitled to Vote

Our Board has established May 9, 2014 as the record date. Only holders of shares of the Company's common stock, par value \$.001 per share ("Common Stock"), as of the record date are entitled to notice of, and to vote at, the 2014 Annual Meeting. Each share of common stock entitles the holder thereof to one vote per share on each matter presented to our stockholders for approval at the 2014 Annual Meeting. At the close of business on April 15, 2014, we had 60,946,182 shares of common stock outstanding. We expect the same number of shares to be outstanding as of the record date.

Quorum; Required Vote

A quorum of stockholders is required for the transaction of business at the 2014 Annual Meeting. The presence of at least one-third of all of our shares of common stock issued and outstanding and entitled to vote at the meeting, present in person or represented by proxy, will constitute a quorum at the meeting. Votes cast by proxy or in person at the 2014 Annual Meeting will be tabulated by an election inspector appointed for the meeting and will be taken into account in determining whether or not a quorum is present. Abstentions and broker non-votes, which occur when a broker has not received customer instructions and indicates that it does not have the discretionary authority to vote on a particular matter on the proxy card, will be included in determining the presence of a quorum at the 2014 Annual Meeting.

Assuming that a quorum is present, our stockholders may take action at the annual meeting with the votes described below.

Election of Directors. Under Nevada law and the Fourth Amended and Restated Bylaws of the Company ("Bylaws"), the affirmative vote of a plurality of the votes cast by the holders of our shares of common stock is required to elect each director. Consequently, only shares that are voted in favor of a particular nominee will be counted toward such nominee's achievement of a plurality. Stockholders do not have any rights to cumulate their votes in the election of directors. Abstentions and broker non-votes will not be counted toward a nominee's total.

Ratification of the selection of Goldman Kurland Mohidin LLP as our independent registered public accounting firm. The affirmative vote of the holders of a majority of the outstanding shares of our common stock entitled to vote at the annual meeting is required to ratify the selection of Goldman Kurland Mohidin, LLP as our independent registered public accounting firm. Abstentions and broker non-votes will have the effect of a vote "against" the ratification of the appointment of Goldman Kurland Mohidin, LLP as our independent registered public accounting firm.

Amendment of Articles of Incorporation. The affirmative vote of the holders of a majority of the outstanding shares of our common stock entitled to vote at the annual meeting is required to approve an amendment to our Articles of Incorporation in connection with increasing the total number of our authorized shares of our Common Stock from 100,000,000 shares to 200,000,000 shares. Abstentions and broker non-votes will have the effect of a vote “against” the amendment of the Company’s Articles of Incorporation.

Approval of Nonstatutory Stock Option Agreement. The affirmative vote of the holders of a majority of the outstanding shares of our common stock entitled to vote at the annual meeting is required to approve that certain Nonstatutory Stock Option Agreement, originally dated January 31, 2011, as amended by that certain First Amendment to Nonstatutory Stock Option Agreement, dated November 11, 2013 (the “Nonstatutory Stock Option Agreement”), by and between the Company and Mr. Chungui Shi, an independent director serving on our Board. Abstentions and broker non-votes will have the effect of a vote “against” the approval of Nonstatutory Stock Option Agreement.

Non-binding advisory vote regarding the compensation of our named executive officers. The affirmative vote of the holders of a majority of the outstanding shares of our common stock entitled to vote at the annual meeting is required to approve the compensation of our named executive officers. Abstentions and broker non-votes will not be counted as votes approving the compensation of our named executive officers.

Abstentions and Broker Non-Votes

Under applicable regulations, if a broker holds shares on your behalf, and you do not instruct your broker how to vote those shares on a matter considered “routine,” the broker may generally vote your shares for you. A “broker non-vote” occurs when a broker has not received voting instructions from you on a “non-routine” matter, in which case the broker does not have authority to vote your shares with respect to such matter. Rules that govern how brokers vote your shares have recently changed. Unless you provide voting instructions to a broker holding shares on your behalf, your broker may no longer use discretionary authority to vote your shares on any of the matters to be considered at the 2014 Annual Meeting other than the ratification of our independent registered public accounting firm. Please vote your proxy so your vote can be counted.

Voting Procedure; Voting of Proxies; Revocation of Proxies

If your shares are registered directly in your name with our transfer agent, Securities Transfer Corporation, you are considered the “stockholder of record” with respect to those shares. As the stockholder of record, you may vote in person at the 2014 Annual Meeting, or vote by proxy using the accompanying proxy card, which also is available at www.shareholdervote.info/. Whether or not you plan to attend the annual meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the 2014 Annual Meeting and vote in person even if you have already voted by proxy. Please note that the notice letter you received directing you to the website at which the proxy materials are available is not the proxy card and should not be used to submit your vote.

1. To vote in person, come to the 2014 Annual Meeting and we will give you a ballot when you arrive.

J. To vote using the proxy card, simply print the proxy card, complete, sign and date it and return it promptly to Mr. Zhigang Wu, our Vice President of Finance, at 12/F, Tower A, Chang An International Building, No. 88 Nan Guan Zheng Jie, Xi’an City, Shaanxi Province, 710068 China. Our Board has selected each of Guohua Ku and Zhigang Wu to serve as proxies.

If you do not return a signed proxy card and do not attend the meeting and vote in person, your shares will not be voted. Shares of our common stock represented by properly executed proxies that are received by us and are not revoked will be voted at the 2014 Annual Meeting in accordance with the instructions contained therein. If you return a signed and dated proxy card and instructions are not given, such proxies will be voted **FOR** election of each nominee for director named herein, **FOR** ratification of the selection of Goldman Kurland Mohidin, LLP as our independent registered public accounting firm, **FOR** an amendment of our Articles of Incorporation to increase the total number of our authorized shares of Common Stock, **FOR** approval of the Nonstatutory Stock Option Agreement, and **FOR** approval of the compensation of our named executive officers described in this Proxy Statement. In

addition, we reserve the right to exercise discretionary authority to vote proxies, in the manner determined by us, in our sole discretion, on any matters brought before the 2014 Annual Meeting for which we did not receive adequate notice under the proxy rules promulgated by the Securities and Exchange Commission (“SEC”).

If you hold your shares in “street name” through a stockbroker, bank or other nominee rather than directly in your own name, you are considered the “beneficial owner” of such shares. Because a beneficial owner is not a stockholder of record, you may not vote these shares in person at the 2014 Annual Meeting unless you obtain a “legal proxy” from the broker, bank or nominee that holds your shares, giving you the right to vote those shares at the meeting. If you wish to attend the 2014 Annual Meeting and vote in person, you will need to contact your broker, bank or nominee to obtain a legal proxy.

Your proxy is revocable at any time before it is voted at the 2014 Annual Meeting in any of the following three ways:

1. You may submit another properly completed proxy bearing a later date.
2. You may send a written notice that you are revoking your proxy to Mr. Zhigang Wu, our Vice President of Finance, at 12/F, Tower A, Chang An International Building, No. 88 Nan Guan Zheng Jie, Xi’an City, Shaanxi Province, 710068 China.

3. You may attend the annual meeting and vote in person. However, simply attending the annual meeting will not, by itself, revoke your proxy.

Dissenters' Right of Appraisal

Stockholders are not entitled to any appraisal or similar rights of dissenters with respect to any of the proposals to be acted upon at the 2014 Annual Meeting.

Proxy Solicitation

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

Householding

SEC rules permit us to deliver a single proxy statement and annual report to one address shared by two or more of our stockholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one proxy statement and annual report to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of this Proxy Statement and annual report to any stockholder at the shared address to which a single copy of those documents were delivered. If you prefer to receive separate copies of the proxy statement and annual report, contact Mr. Zhigang Wu, our Vice President of Finance, at 12/F, Tower A, Chang An International Building, No. 88 Nan Guan Zheng Jie, Xi'an City, Shaanxi Province, 710068 China.

Stockholder List

For at least ten days prior to the meeting, a list of stockholders entitled to vote at the 2014 Annual Meeting, arranged in alphabetical order, showing the address of and number of shares registered in the name of each stockholder, will be open for examination by any stockholder, for any purpose related to the 2014 Annual Meeting, during ordinary

business hours at our principal executive offices. The list will also be available for examination at the 2014 Annual Meeting.

Other Business

The Board is not aware of any other matters to be presented at the 2014 Annual Meeting other than those mentioned in this Proxy Statement and our accompanying Notice of Annual Meeting of Stockholders. If, however, any other matters properly come before the 2014 Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment.

Proposals of Stockholders for 2015 Annual Meeting

Stockholder proposals will be considered for inclusion in the proxy statement for the 2015 Annual Meeting in accordance with Rule 14a-8 under Securities Exchange Act of 1934, as amended (the "Exchange Act"), if they are received by the Company, on or before January 12, 2015.

Stockholders who intend to present a proposal at our 2015 Annual Meeting without inclusion of such proposal in our proxy materials for the 2015 Annual Meeting are required to provide notice in a timely manner and in accordance with rules and regulations promulgated under our Bylaws and the Exchange Act, which require that advance notice of a stockholder's proposal be delivered not less than ninety (90) days nor more than one hundred twenty (120) days prior to the one-year anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, notice by the stockholder to be timely must be so delivered, or mailed and received, not earlier than the one hundred and twentieth (120th) day prior to such annual meeting, and not later than the ninetieth (90th) day prior to such meeting or tenth (10th) day following the day on which public disclosure of the date of such annual meeting was first made. Therefore, stockholder proposals must be received by us no earlier than February 18, 2015, but no later than March 21, 2015, and must otherwise comply with the notice requirements set forth under our Bylaws and all applicable Exchange Act and SEC rules. The chairman of our 2015 Annual Meeting may refuse to allow the transaction of any business or acknowledge the nomination of any person not made in compliance with the procedures set forth for such matters in our Bylaws.

Stockholder notice shall set forth as to each matter the stockholder proposes to bring before the annual meeting: (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (ii) the name and address, as they appear on our books, of the stockholder proposing such business, (iii) the class and number of shares of CREG, which are beneficially owned by the stockholder, (iv) any material interest of the stockholder in such business and (v) any other information that is required to be provided by the stockholder pursuant to Regulation 14A under the Exchange Act, in his capacity as a proponent to a stockholder proposal.

A stockholder's notice relating to nomination for directors shall set forth as to each person, if any, whom the stockholder proposes to nominate for election or re-election as a director: (i) the name, age, business address and residence address of such person, (ii) the principal occupation or employment of such person, (iii) the class and number of shares of CREG, which are beneficially owned by such person, (iv) a description of all arrangements or understandings between the stockholder and each nominee and any other person(s) (naming such person(s)) pursuant to which the nominations are to be made by the stockholder and (v) any other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including without limitation such person's written consent to being named in our Proxy Statement, if any, as a nominee and to serving as a director if elected).

Proposals and notices of intention to present proposals at the 2015 Annual Meeting should be addressed to our Secretary, David Chong, at our principal executive offices, located at 12/F, Tower A, Chang An International Building, No. 88 Nan Guan Zheng Jie, Xi'an City, Shaanxi Province, 710068 China.

A copy of the full text of the provisions of our Bylaws, as amended, dealing with stockholder proposals is available to stockholders from our Secretary upon written request and an electronic copy of is available at the SEC's website located at www.sec.gov.

Voting Results of 2014 Annual Meeting

Voting results will be published in a Current Report on Form 8-K issued by us within four (4) business days following the annual meeting.

PROPOSAL 1— ELECTION OF DIRECTORS

Nominees

Our Bylaws provide that the Board shall consist of not less than three (3) nor more than eleven (11) directors. Our Board has fixed the number of directors to be elected at the 2014 Annual Meeting at five (5). Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy (including a vacancy created by an increase in the Board of Directors) will serve for the remainder of one year term in which the vacancy occurred and until the director's successor is elected and qualified.

Our Board currently consists of five (5) members. As reported on a Form 8-K filed October 30, 2013, until October 25, 2013, when Mr. Yilin Ma resigned, our Board consisted of seven (7) members. As reported on a Form 8-K filed April 3, 2014, until March 31, 2014, when Mr. Lanwei Li resigned, our Board consisted of six (6) members. Mr. Ma resigned due to the Company's satisfaction of the contractual obligation underlying his appointment to the Board, specifically the repayment of certain indebtedness owed under a Notes Purchase Agreement and a Capital Trust Loan Agreement and not as a result of any disagreement with the Company. Mr. Lanwei Li for personal reasons and not because of any disagreement with the Company.

Each of our current directors, with the exception of Mr. Julian Ha and Mr. Timothy Driscoll, will stand for re-election at the 2014 Annual Meeting. As reported on a Form 8-K filed April 22, 2014, each of Mr. Ha and Mr. Driscoll advised the Company that his decision not to stand for re-election was not due to any disagreement with the Company, its management or its other directors. All the director nominees, except for Mr. Geyun Wang and Mr. Yulong Ding, were previously elected by our stockholders.

If elected as a director at the 2014 Annual Meeting, each of the nominees would serve a one-year term expiring at the 2015 Annual Meeting of Stockholders and until his successor has been duly elected and qualified. Biographical information regarding each of the nominees is set forth below. No family relationships exist among any of our director nominees or executive officers. Other than as follows, there were no arrangements or understandings between any of our directors and any other person pursuant to which any director was to be selected as a director or selected as a nominee. Mr. Chungu Shi was initially nominated and elected as a director in accordance with the terms of an Amended and Restated Shareholders Agreement among the Company, Carlyle Asia Growth Partners III, L.P, CAGP III Co-Investment, L.P , China Cinda (HK) Asset Management Co., Ltd. and Mr. Guohua Ku, dated August 18, 2010. That agreement, and the accompanying director designation and nomination rights, has been terminated.

Each of the nominees has consented to serve as a director if elected. If any nominee should be unavailable to serve for any reason (which is not anticipated), the Board may designate a substitute nominee or nominees (in which event the persons named on the enclosed proxy card will vote the shares represented by all valid proxy cards for the election of such substitute nominee or nominees), allow the vacancies to remain open until a suitable candidate or candidates are located, or by resolution provide for a lesser number of directors.

CORPORATE GOVERNANCE

Leadership Structure and Role in Risk Oversight

The Company's current board leadership structure separates the board chair and principal executive officer roles into two positions. Mr. Ku has served as both Chairman of the Board and CEO of the Company since April 1, 2009. Our Board continues to believe there are important advantages to Mr. Ku serving in both roles at this time. Mr. Ku is the director most familiar with our business and industry and is best situated to propose Board agendas and lead Board discussions on important matters. Mr. Ku provides a strong link between management and the Board, which promotes clear communication and enhances strategic planning and implementation of corporate strategies. Another advantage is the clarity of leadership provided by one person representing us to employees, stockholders and other stakeholders. The Board has not named a lead independent director.

Our Board is responsible for oversight of the Company's risk management practices while management is responsible for the day-to-day risk management processes. In the Board's opinion, this division of responsibilities is the most effective approach for addressing the risks facing the Company. The Board receives periodic reports from management regarding the most significant risks facing the Company. In addition, the Audit Committee assists the Board in its oversight of our risk assessment and risk management policies. Our Audit Committee is empowered to appoint and oversee our independent registered public accounting firm, monitor the integrity of our financial reporting processes and systems of internal controls and provide an avenue of communication among our independent auditors, management, our internal auditing department and our Board.

Diversity

The Board does not have a formal policy with respect to Board nominee diversity. In recommending proposed nominees to the full Board, the Corporate Governance and Nominating Committee is charged with building and maintaining a board that has an ideal mix of talent and experience to achieve our business objectives in the current environment. In particular, the Corporate Governance and Nominating Committee is focused on relevant subject matter expertise, depth of knowledge in key areas that are important to us, and diversity of thought, background, perspective and experience so as to facilitate robust debate and broad thinking on strategies and tactics pursued by us.

Director Independence

Timothy Driscoll, Julian Ha, Albert McLelland and Chungui Shi are our only current non-employee directors, and our Board has determined that each of them is independent pursuant to the listing rules of NASDAQ. In addition, our Board has determined that director nominee Yulong Ding is also independent pursuant to the listing rules of NASDAQ. All of the members of each of the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee are independent as defined in NASDAQ Rule 5605(a)(2). As required under applicable NASDAQ listing standards, in the 2013 fiscal year, our independent directors met 2 times in regularly scheduled executive sessions at which only our independent directors were present.

Board Meetings and Committee Meeting; Annual Meeting Attendance

During the year ended December 31, 2013, the Board held 4 meetings and acted through unanimous consent on 2 different occasions. In addition, the Audit Committee held 9 meetings; the Corporate Governance and Nominating Committee held 2 meetings; and the Compensation Committee held 2 meetings. During the year ended December 31, 2013, each of the directors attended, in person or by telephone, more than 75% of the meetings of the Board and the committees on which he or she served. We encourage our Board members to attend our Annual Meetings, but we do not have a formal policy requiring attendance. All of our then sitting Board members attended the 2013 Annual Meeting.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee currently consists of Timothy Driscoll, Julian Ha and Albert McLelland. Subject to stockholder approval, the Board has identified Mr. Yulong Ding and Mr. Geyun Wang to replace Mr. Driscoll and Mr. Ha as members of the Corporate Governance and Nominating Committee. To date, our Board has not identified a qualified candidate to replace Mr. Driscoll as Chairman of the Corporate Governance and Nominating Committee; however, the Board plans to appoint a member of the Corporate Governance and Nominating Committee to fill this vacancy in the near future.

The Corporate Governance and Nominating Committee oversees all aspects of the Company's corporate governance functions on behalf of the Board, including identifying individuals qualified to become directors, recommending to the Board the selection of director nominees for each meeting of the stockholders at which directors are elected and overseeing the monitoring and evaluation of the Company's corporate governance practices. The Corporate Governance and Nominating Committee reviewed the performance of all of the current members of the Board and determined and recommended to the Board that all of the current directors should be nominated for re-election. No other candidates were recommended or evaluated. The Corporate Governance and Nominating Committee operates under a written charter, which is available on our website at www.creg-cn.com under the links "Investor Relations – Corporate Governance."

Audit Committee

The Audit Committee currently consists of Timothy Driscoll, Julian Ha and Albert McLelland, each of whom is independent under NASDAQ listing standards. Mr. McLelland serves as chairman of our Audit Committee. As a result of Mr. Driscoll and Mr. Ha's decision not to stand for re-election to our Board, there will be two vacancies on the Audit Committee following our 2014 Annual Meeting. Subject to stockholder approval, the Board has identified Mr. Yulong Ding and Mr. Chungui Shi to replace Mr. Driscoll and Mr. Ha as members of the Audit Committee.

The Board determined that Mr. McLelland qualifies as an “audit committee financial expert,” as defined by NASDAQ Rule 5605(a)(2) and Item 407 of Regulation S-K. In reaching this determination, the Board made a qualitative assessment of Mr. McLelland’s level of knowledge and experience based on a number of objective and subjective factors, including formal education, financial and accounting acumen, and business experience. The Audit Committee is responsible for assisting the Board in fulfilling its oversight responsibilities with respect to: (i) the financial reports and other financial information provided by us to the public or any governmental body; (ii) our compliance with legal and regulatory requirements; (iii) our systems of internal controls regarding finance, accounting and legal compliance that have been established by management and the Board; (iv) the qualifications and independence of our independent registered public accounting firm; (v) the performance of our internal audit function and the independent registered public accounting firm; and (vi) our auditing, accounting and financial reporting processes generally. The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the Exchange Act. In connection with its responsibilities, the Board has delegated to the Audit Committee the authority to select and hire our independent registered public accounting firm and determine their fees and retention terms. The Audit Committee’s policy is to pre-approve all audit and non-audit services by category, including audit-related services, tax services, and other permitted non-audit services. In accordance with the policy, the Audit Committee regularly reviews and receives updates on specific services provided by our independent registered public accounting firm. All services rendered by Goldman Kurland Mohidin, LLP to the Company are permissible under applicable laws and regulations. During fiscal year 2013, all services requiring pre-approval and performed by Goldman Kurland Mohidin, LLP were approved in advance by the Audit Committee in accordance with the pre-approval policy. The Audit Committee operates under a written charter, which is available on our website at www.creg-cn.com under the links “Investor Relations – Corporate Governance.”

As a result of Mr. Driscoll and Mr. Ha's decision not to stand for re-election to our Board, there will be two vacancies on the Compensation Committee following our 2014 Annual Meeting, including the position of Chairman of the Compensation Committee. Subject to stockholder approval, the Board has identified Mr. Yulong Ding and Mr. Albert McLelland to replace Mr. Driscoll and Mr. Ha as members of the Compensation Committee. To date, our Board has not identified a qualified candidate to replace Mr. Ha as Chairman of the Compensation Committee; however, the Board plans to appoint a member of the Compensation Committee to fill this vacancy in the near future

The Compensation Committee's purpose is (i) to oversee the Company's efforts to attract, retain and motivate members of the Company's senior management team, (ii) to carry out the Board's overall responsibility relating to the determination of compensation for all executive officers, (iii) to oversee all other aspects of the Company's compensation policies, and (iv) to oversee the Company's management resources, succession planning and management development activities. Narrative to Summary Compensation Table

In fiscal year 2013, the primary components of our executive compensation programs were base salary and equity compensation. We use base salary to fairly and competitively compensate our executives, including the named executive officers, for the jobs we ask them to perform. We view base salary as the most stable component of our executive compensation program, as this amount is not at risk. We believe that the base salaries of our executives should be targeted at or above the median of base salaries for executives in similar positions with similar responsibilities at comparable companies, consistent with our compensation philosophy. Because of our emphasis on performance-based compensation for executives, base salary adjustments are generally made only when we believe there is a significant deviation from the market or an increase in responsibility. Our Compensation Committee reviews the base salary levels of our executives each year to determine whether an adjustment is warranted or necessary.

On August 4, 2008, the Company granted certain employees stock options under the Company's 2007 Non-Statutory Stock Option Plan, which was later amended and restated in 2010, to acquire 3,000,000 shares of the Company's common stock, par value \$0.001, at \$0.80 per share. The options vested over three years and have a life of five years. The Company's 2007 Non-Statutory Stock Option Plan has expired.

The vesting terms of options granted under the 2007 Plan are subject to certain nonstatutory stock option agreements. The exercise price of each option granted under the 2007 Plan is at least 100% of the fair market value of a share of our common stock on the date of grant. For purposes of option awards, fair market value of a share of our common stock means the closing sale price of a share of our common stock on the relevant date on the principal exchange on which the common stock is then listed or admitted to trading. If no reported sale of common stock takes place on the relevant date on the principal exchange, then the reported closing asked price of a share of our common stock on such date on the principal exchange shall be the fair market value. If our common stock is not at the time listed or admitted to trading on a stock exchange, the fair market value of a share of our common stock means between the lowest reported bid price and highest reported asked price of a share of our common stock on the relevant date in the over-the-counter market, as such prices are reported in a publication of general circulation selected by the Board or the Compensation Committee and regularly reporting the market price of a share of our common stock. If our common stock is not listed or admitted to trading on any stock exchange or traded in the over-the-counter market, the Board shall determine the fair market value in good faith.

Because the Company did not meet its financial goals for 2012 and 2011, two thirds of these options were forfeited.

Potential Payments Upon Termination or Change of Control

Employment Agreements

Certain of our executive officers, including our CEO, have an employment agreement with the Company. Under Chinese law, we may only terminate employment agreements without cause and without penalty by providing notice of non-renewal one month prior to the date on which the employment agreement is scheduled to expire. If we fail to provide this notice or if we wish to terminate an employment agreement in the absence of cause, as defined in the agreement, then we are obligated to pay the employee one month's salary for each year we have employed the employee. We are, however, permitted to terminate an employee for cause without penalty pursuant to the employment agreement.

2007 Plan

On August 13, 2010, the Company granted 2,200,000 options to acquire the Company's common stock at \$3.05 per share to 36 managerial and non-managerial employees as new equity awards pursuant to the Corporation's Amended and Restated 2007 plan. According to the vesting terms, the options granted were divided into three tranches, (i) 1/3 (one third) of the total number of shares subject to the options shall vest and become exercisable if the Company meets its minimum revenue and earnings goals in the Company's guidance for 2010 as delivered in its earnings releases and/or conference calls in the first quarter of 2010, such vesting to occur immediately upon completion of the annual audit confirming the financial results for 2010; and (ii) an additional 1/3 (one third) of the total number of shares subject to the options shall vest and become exercisable if the Company meets certain financial goals of 2011 which will be set out and decided by the Compensation Committee, such vesting to occur immediately upon Compensation Committee's determination that the Company has met such goals for 2011; and (iii) the remaining 1/3 (one third) of the total number of shares subject to the options shall vest and become exercisable if the Company meets certain financial goals of 2012 which is set out and decided by the Compensation Committee, such vesting is to occur immediately upon Compensation Committee's determination that the Company has met such goals for 2012. The options may only be exercised to the extent that such options have become vested and exercisable.

As of December 31, 2012 and 2011, the Company did not meet the financial goals of 2012 and 2011; accordingly, the second and third tranche (two thirds of the total number of 2,200,000 options) was forfeited.

The options have a life of five years. The FV of the options was calculated using the following assumptions; estimated life of five years, volatility of 92%, risk free interest rate of 3.54%, and dividend yield of 0%. Each tranche of the options is deemed to be independent of the others. Therefore, the FV of the first tranche of options was expensed during 2011; the second and third tranche of options were forfeited due to the non-achievement of established financial benchmarks.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has furnished the following report on its activities during the fiscal year ended December 31, 2013. The report is not deemed to be “soliciting material” or “filed” with the SEC or subject to the SEC’s proxy rules or to the liabilities of Section 18 of the Exchange Act, and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing under the Securities Act or the Exchange Act except to the extent that the Company specifically incorporates it by reference into any such filing.

The primary function of the Audit Committee is to assist the Board in its oversight and monitoring of our financial reporting and auditing process. The Audit Committee charter sets forth the responsibilities of the Audit Committee. A copy of the Audit Committee charter is available on our website at www.creg-cn.com under the links “Investor Relations—Corporate Governance.” For fiscal year 2013, the Audit Committee was comprised of Albert McLelland (Chairman), Timothy Driscoll and Julian Ha, each of whom is independent under applicable SEC and NASDAQ listing standards.

Management has primary responsibility for our financial statements and the overall reporting process, including maintaining effective internal control over financial reporting and assessing the effectiveness of our system of internal controls. The independent registered public accounting firm audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements fairly present our financial position, results of operations and cash flows in conformity with U.S. generally accepted accounting principles, and discusses with the Audit Committee any issues they believe should be raised with the Audit Committee. These discussions include a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Audit Committee monitors our processes, relying, without independent verification, on the information provided to it and on the representations made by management and the independent registered public accounting firm.

In 2013, the Audit Committee held 9 meetings. Representatives of Goldman Kurland Mohidin, LLP, our independent registered public accounting firm, attended each meeting of the Audit Committee that involved the discussion of financial statements. The Audit Committee reviewed and discussed with management and Goldman Kurland Mohidin, LLP our audited financial statements for the year ended December 31, 2013 and discussed Goldman Kurland Mohidin, LLP’s judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee by Statement on Auditing Standards No. 114 (which superseded Statement on Auditing Standards No. 61), other standards of the Public Company Accounting Oversight Board (United States), rules of the SEC, and other applicable regulations.

The Audit Committee also received the written disclosures and the letter from Goldman Kurland Mohidin, LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the firm’s independence from our management and has discussed with Goldman Kurland Mohidin, LLP its independence. The

members of Audit Committee considered whether the services provided by Goldman Kurland Mohidin, LLP, for the year ended December 31, 2013, are compatible with maintaining their independence. The Board has delegated to the Audit Committee the authority to approve the engagement of our independent registered public accounting firm.

Based upon its review of the audited financial statements and the discussions noted above, the Audit Committee recommended that the Board include the audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the SEC.

If the timing of the project requires an expedited decision, then the Audit Committee has delegated to the Chairman of the Committee the authority to pre-approve such engagement, subject to fee limitations. The Chairman must report all such pre-approvals to the entire Audit Committee for ratification at the next Audit Committee meeting.

PROPOSAL No. 3 – Approval of the amendment to our Articles of Incorporation

On April 10, 2014, the Board unanimously adopted a resolution setting forth a proposed amendment to Article Fourth of the Company's Articles of Incorporation, subject to stockholder approval, to increase the total number of our authorized shares of our Common Stock from 100,000,000 shares to 200,000,000 shares. The resolution also provided that the proposed amendment be presented to the stockholders for approval at the 2014 Annual Meeting with the recommendation of the Board that the stockholders approve the proposed amendment in accordance with Chapter 78 of the Nevada Revised Statutes. Annex A to this proxy statement shows the proposed changes to the Articles of Incorporation, with deletions indicated by strikeouts and additions indicated by underlining.

If the proposal to amend our Articles of Incorporation to increase the total number of our authorized shares of our Common Stock from 100,000,000 shares to 200,000,000 shares is approved by our stockholders at the 2014 Annual Meeting, a Certificate of Amendment to our Articles of Incorporation will be filed with the Secretary of State of the State of Nevada as soon as practicable after the 2014 Annual Meeting.

Currently, the holders of our Common Stock are entitled to one vote per share on all matters submitted to a vote of our stockholders and do not have cumulative voting rights. The holders of outstanding shares of Common Stock are entitled to receive ratably any dividends declared by our Board out of assets legally available. Upon our liquidation, dissolution or winding up, holders of our Common Stock are entitled to share ratably in all assets remaining after payment of liabilities and the liquidation preference of any then outstanding shares of preferred stock. Holders of Common Stock have no preemptive or conversion rights or other subscription rights. There are no redemption or sinking fund provisions applicable to the Common Stock.

The additional shares of Common Stock would have rights identical to our currently outstanding Common Stock. Adoption of the proposed amendment and issuance of the Common Stock would not affect the rights of the holders of our currently outstanding common stock, except for effects incidental to increasing the number of shares of our Common Stock outstanding, such as dilution of the earnings per share and voting rights of current holders of our Common Stock.

Although at present the Board has no specific plans to issue the additional shares of Common Stock that would be available if this proposal is approved, the Board desires to have the shares available to provide additional flexibility to use capital stock for business and financial purposes in the future. The additional shares may be used for various purposes without further stockholder approval. These purposes may include: raising capital; providing equity incentives to employees, officers or directors; establishing strategic relationships with other companies; expanding our business through the acquisition of other businesses; and other purposes.

Although not a factor in the decision by our Board to affect the increase of our authorized shares of common stock, the increase in the authorized number of shares of Common Stock could have possible anti-takeover effects. These authorized but unissued shares could (within the limits imposed by applicable law) be issued in one or more transactions that could make a change of control of the Company more difficult, and therefore more unlikely. The additional authorized shares could be used to discourage persons from attempting to gain control of the Company by diluting the voting power of shares then outstanding or increasing the voting power of persons that would support the Board in a potential takeover situation, including by preventing or delaying a proposed business combination that is opposed by the Board although perceived to be desirable by some shareholders. The Board does not have any current knowledge of any effort by any third party to accumulate our securities or obtain control of the Company by means of a merger, tender offer, solicitation in opposition to management or otherwise.

The Board recommends that the stockholders vote “FOR” THE APPROVAL of THE AMENDMENT TO OUR ARTICLES OF INCORPORATION to increase the total number of our authorized shares of our Common Stock from 100,000,000 shares to 200,000,000 shares.

PROPOSAL NO. 4 – Approval of a NonStatutory Stock Option Agreement WITH OUR INDEPENDENT DIRECTOR, CHUNGUI SHI

Proposal No. 4 seeks stockholder approval of that certain Nonstatutory Stock Option Agreement, dated January 31, 2011, as amended by that certain First Amendment to Nonstatutory Stock Option Agreement, dated November 11, 2013 (the “Nonstatutory Stock Option Agreement”), by and between the Company and Mr. Chungui Shi, an independent director serving on our Board. The following is a summary of the Nonstatutory Stock Option Agreement. The summary is qualified in its entirety by the terms of the Nonstatutory Stock Option Agreement, a copy of which is attached as Annex B to this proxy statement.

Pursuant to the Nonstatutory Stock Option Agreement, Mr. Shi, in connection with his appointment to the Board, was granted an option to purchase, subject to stockholder approval, 40,000 shares of the Company’s Common Stock, par value \$0.001, at an exercise price equal to the closing price per share of the Company's Common Stock on the grant date, October 7, 2010: \$2.98. If our stockholders do not approve the Nonstatutory Stock Option Agreement, it will be immediately cancelled.

The options vested over eighteen (18) months and will become exercisable upon stockholder approval. The options have a life of five (5) years from the original grant date, which was October 7, 2010. Accordingly, the options expire on October 7, 2015.

The Board recommends that the stockholders vote “FOR” THE APPROVAL of THE NONSTATUTORY STOCK OPTION PLAN AGREEMENT AS DESCRIBED IN THIS PROXY STATEMENT.

PROPOSAL NO. 5 – ADVISORY VOTE ON EXECUTIVE COMPENSATION

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) requires that we provide our stockholders a non-binding, advisory vote to approve the compensation of our named executive officers. This vote is sometimes referred to as a “say-on-pay vote.” Although this advisory vote is nonbinding, the Compensation Committee of our Board will review and consider the voting results when making future decisions regarding our named executive officer compensation and related executive compensation programs.

As described in more detail above, our executive compensation program is comprised principally of salary, equity and performance-based cash compensation, designed to: (i) attract, motivate and retain key executives who are critical to our success, (ii) align the interests of our executives with stockholder value and our financial performance and (iii) achieve a balanced package that would attract and retain highly qualified senior officers and appropriately reflect each such officer’s individual performance and contributions. In addition, the Company regularly reviews its compensation program and the overall compensation package paid to each of its senior executives to assess risk and to ensure that the program is structured appropriately in order to obtain our strategic goals.

Before you vote on the resolution below, please read the entire “Executive Compensation” section, including the tables, together with the related narrative disclosure and footnotes, beginning on page 26 of this Proxy Statement. Note, as a “smaller reporting company,” we are obligated to provide compensation disclosures pursuant to Item 402 (m) through (q) of Regulation S-K promulgated under the Security Exchange Act of 1934 (“Regulation S-K”). Even though, as a smaller reporting company, we are exempt from compensation discussion and analysis by the executive compensation requirements of Item 402(b) of Regulation S-K, we continue to elect to provide information regarding our objectives and practices regarding executive compensation in order to give our stockholders transparency into our compensation philosophy and practices.

For the reasons provided, the Board is asking stockholders to cast a non-binding, advisory vote FOR the following resolution:

“RESOLVED, that stockholders approve the compensation paid to our named executive officers as disclosed this Proxy Statement pursuant to Item 402 (m) through (q) of Regulation S-K (which includes the compensation tables and related narrative discussion).”

The Board recommends that the stockholders vote “FOR” THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS as described in this proxy statement.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers, directors and holders of more than 10% of our common stock to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Based solely on our review of the copies of these reports and on information provided by the reporting persons, we believe that during the fiscal year ended December 31, 2013, all filing requirements for reporting persons were met, except for: (i) a late Form 4 filing for Mr. Wu Zhigang (ii) a late Form 4 filing for Mr. Zhu Xiaogang, (iii) a late Form 4 filing for Mr. Li Lanwei and (iv) a late Form 4 filing for Mr. Timothy Driscoll. Each delinquent filer set forth herein filed a Form 4 promptly upon discovery of the inadvertent error.

NONSTATUTORY STOCK OPTION AGREEMENT

NON-EMPLOYEE DIRECTOR

This **NONSTATUTORY STOCK OPTION AGREEMENT** (this “Agreement”), made and entered into as of the 31st day of January, 2011, by and between Mr. Chungui Shi (the “Optionee”) and China Recycling Energy Corporation, a Nevada corporation (the “Corporation”), sets forth the terms and conditions of the stock option (the “Option”) granted by the Corporation to the Optionee as to the number of shares of the Corporation’s Common Stock set forth below and its Board of Directors (“Board”) resolution approving this stock option grant dated October 7, 2010 (“Grant Date”).

- Grant of Option.** Subject to the provisions of this Agreement, the Board grants to the Optionee an Option to purchase 40,000 shares of Common Stock of the Corporation as of the Grant Date. The Option is not granted pursuant to the Corporation’s Nonstatutory Stock Option Plan (the “Plan”), but is granted pursuant to the Board’s authority to grant such options to certain persons, including non-employee directors of the Corporation. Notwithstanding the foregoing, all of the terms and conditions set forth in the Plan, except those set forth in Sections 3, 4(a), 5(a), 5(b) (except for the paragraph titled “Medium and Time of Payment” which shall be incorporated herein), 6, 7, 10, 11, and 17 of the Plan, are incorporated herein to the extent applicable in the context of a non-Plan grant of stock options, and the Optionee hereby agrees that the Option and all rights of the Optionee under this Agreement are subject to such terms and conditions. The Optionee agrees to be bound by the terms of this Agreement, including all incorporated provisions. Any capitalized terms used but not defined herein shall have the meaning prescribed in the incorporated provisions of the Plan.
- Exercise Price.** The exercise price for the granted shares of Common Stock subject to the Option shall equal the closing price per share of the Common Stock on the Grant Date: \$2.98.
- Vesting.** The Option shall vest and become exercisable on the six-month anniversary of the Grant Date. The Option may only be exercised to the extent that the Option has become vested and exercisable. Vesting requires continued service through the vesting date as a condition to the vesting of the Option and the rights and benefits under this Agreement. Service for only a portion of the vesting period, even if a substantial portion, will not entitle the Optionee to any proportionate vesting or avoid or mitigate a termination of rights and benefits upon or following a termination of service as provided in Section 4 below or under the incorporated provisions of the Plan.
- Removal from Service.** In the event of the Optionee’s resignation or removal as a director of the Corporation for any reason, any portion of the Option that has not become vested and exercisable shall immediately be forfeited, and the Option, to the extent it has become vested and exercisable, shall expire as set forth in Section 5 of this Agreement.

5. **Stock Option Term.** Unless an earlier date is provided herein, the Option shall expire on the fifth anniversary of the Grant Date.

1

6. **Method of Stock Option Exercise.** The Option may be exercised during its term, in whole or in part, to the extent it has become vested and exercisable pursuant to Section 3 or 4 and has not yet been forfeited or expired, by giving written notice of exercise to the Corporation (or to such other party as the Corporation may designate from time to time) specifying the number of shares of Stock subject to the Option to be purchased. Such notice shall be accompanied by payment in full of the purchase price by certified or bank check or such other instrument as the Corporation may accept. Options may also be exercised by any other means permitted by the Plan that the Compensation Committee of the Board (the “**Committee**”) may designate from time to time. To the extent permitted by applicable law and to the extent permitted by the Committee, the Optionee may discharge any withholding obligation in respect of this Agreement by directing the Corporation or an Affiliate to withhold shares of Stock to be delivered upon exercise of the Option that have a Fair Market Value on the date of exercise equal to the Corporation’s or such **Affiliate’s minimum** withholding obligation.

7. **Transferability.** The Option shall not be transferable by the Optionee other than by will or by the laws of descent and distribution. The Option shall be exercisable, subject to the incorporated terms of the Plan, only by the Optionee, the Optionee’s estate or beneficiary, the guardian or legal representative of the Optionee, or any person to whom such Option is transferred pursuant to this Section 7, it being understood that the term “Optionee” includes such guardian, legal representative and other permitted transferee.

8. **Successors, Assigns and Transferees.** Subject to the Corporation’s right to terminate the Option in accordance with the incorporated provisions of the Plan, this Agreement shall be binding upon, and inure to the benefit of, the parties hereto and each of their respective successors and permitted transferees (including, upon the death of the Optionee, the Optionee’s estate).

9. **Incorporation of Plan.** The Optionee acknowledges having read and understanding this Agreement. Unless otherwise expressly provided in other sections of this Agreement, provisions of the Plan that are incorporated herein that confer discretionary authority on the Board or the Committee do not and shall not be deemed to create any rights in the Optionee unless such rights are expressly set forth herein or are otherwise in the sole discretion of the Board or the Committee so conferred by appropriate action of the Board or the Committee under the Plan after the date hereof. The Optionee may obtain a copy of the Plan from the Corporation.

10. **Not an Employment Contract.** Nothing contained in this Agreement or in the incorporated provisions of the Plan shall confer on the Optionee any right with respect to continuance of service with the Corporation or an Affiliate, nor shall it interfere in any way with any right the Corporation or an Affiliate would otherwise have to terminate or modify the terms of the Optionee’s service at any time, or affect the right of the Corporation or an Affiliate to increase or decrease the Optionee’s other compensation.

11. **Integration.** This Agreement and the other documents referred to herein or delivered pursuant hereto, which form a part hereof, contain the entire understanding of the parties with respect to their subject matter. There are

no restrictions, agreements, promises, representations, warranties, covenants or undertakings with respect to the subject matter hereof other than those expressly set forth herein. This Agreement supersedes all prior agreements and understandings between the parties with respect to its subject matter.

12. **Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but which together constitute one and the same instrument. Notwithstanding the foregoing, any duly authorized officer of the Corporation may execute this Agreement by providing an appropriate facsimile signature, and any counterpart or amendment hereto containing such facsimile signature shall for all purposes be deemed an original instrument duly executed by the Corporation.

13. **Modification; Waiver.** No provision of this Agreement may be amended, modified, or waived unless such amendment or modification is agreed to in writing and signed by the Optionee and by a duly authorized officer of the Corporation, and such waiver is set forth in writing and signed by the party to be charged. No waiver by either party hereto at any time of any breach by the other party hereto of any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time.

14. **Bonus Designation.** The Option is designated as a bonus that is in addition to the Optionee's regular cash compensation. By accepting the Option, the Optionee acknowledges that this Award does not create a right or entitlement to future grants or awards.

15. **Data Collection.** By accepting the Option, the Optionee consents to the collection, holding, process, use, and transfer of Optionee's personal data across country borders that is necessary and needed to accomplish the full and complete implementation of the Option, including the settlement of the granted shares of Stock. The Optionee can obtain a copy of the Corporation's data processing activities upon request by contacting the Human Resources representative.

IN WITNESS WHEREOF, the Optionee has executed this Agreement on the Optionee's own behalf, thereby representing that the Optionee has carefully read and understands this Agreement as of the day and year first written above, and the Corporation has caused this Agreement to be executed in its name and on its behalf, all as of the date first written above.
