**2015 ANNUAL MEETING OF STOCKHOLDERS
OF
SERVISFIRST BANCSHARES, INC.**

PROXY STATEMENT

Our board of directors solicits the accompanying proxy for use at our Annual Meeting of Stockholders to be held on Thursday, April 30, 2015, at 5:00 p.m., Central Daylight Time, at the Vestavia Country Club, 400 Beaumont Drive, Birmingham, Alabama 35216. The Notice of Annual Meeting of Stockholders, this Proxy Statement and the accompanying Proxy Card are being mailed on or about March 13, 2015 to our stockholders of record as of the close of business on March 9, 2015, the record date for the Annual Meeting.

Our corporate headquarters is located at 850 Shades Creek Parkway, Suite 200, Birmingham, Alabama 35209 and our toll free telephone number is (866) 317-0810.

Throughout this Proxy Statement, unless the context indicates otherwise, when we use the terms “the Company”, “we”, “our” or “us”, we are referring to ServisFirst Bancshares, Inc. and its wholly-owned subsidiary, ServisFirst Bank (the “Bank”). When we use the term “Annual Meeting”, we intend to include both the Annual Meeting to be held on the date and at the time and place identified above and any adjournment or postponement of such Annual Meeting.

ABOUT THE ANNUAL MEETING

What are the purposes of the Annual Meeting?

At the Annual Meeting, stockholders will vote on: (1) the election of six directors, as more fully described in Proposal 1 below; (2) the ratification of Dixon Hughes Goodman, LLP as our independent public accounting firm for the year ending December 31, 2015; (3) an advisory vote on our executive compensation; and (4) such other business as may

properly come before the Annual Meeting. Our board of directors is not aware of any matters that will be brought before the Annual Meeting, other than procedural matters, that are not listed above. However, if any other matters properly come before the Annual Meeting, the individuals named on the Proxy Card, or their substitutes, will be authorized to vote on those matters in their own judgment.

Who is entitled to vote?

Stockholders of record at the close of business on March 9, 2015, the record date for the Annual Meeting, are entitled to receive notice of the Annual Meeting and to vote shares of common stock held as of the record date at the Annual Meeting. As of the record date, 25,483,110 shares of our common stock were outstanding and entitled to vote. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon. There are no cumulative voting rights.

If you did not receive an individual copy of this year's Proxy Statement or our Annual Report, we will send a copy to you if you send a written request to our Secretary, William M. Foshee, 850 Shades Creek Parkway, Suite 200, Birmingham, Alabama 35209, telephone (205) 949-0307.

What is a proxy?

It is your legal designation of another person to vote the stock you own. The person so designated is called a proxy. If you designate someone as your proxy in a written document, that document is called a proxy or a Proxy Card. We have designated Thomas A. Broughton III and William M. Foshee (the "Management Proxies") as proxies for the 2015 Annual Meeting of Stockholders.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If you hold your shares of common stock in your own name as a holder of record with our transfer agent, Computershare, you are a "stockholder of record." The Notice of Annual Meeting, Proxy Statement and Proxy Card have been mailed directly to you by ServisFirst Bancshares, Inc.

If you hold your shares of common stock through a broker, bank or other nominee (held in "street name"), you are a beneficial owner. This Notice of Annual Meeting, Proxy Statement and Proxy Card have been forwarded to you by your broker, bank or other holder of record, and may include additional instructions on how to vote your shares of common stock. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote your shares by following the voting instructions on the Proxy Card or by following the broker's instructions for voting by telephone or on the Internet.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares entitled to vote at the Annual Meeting will constitute a quorum. As of the record date, 25,483,110 shares of our common stock, \$0.001 par value per share, held by 916 stockholders of record, were issued and outstanding. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the Annual Meeting.

What vote is required to approve each item?

Directors are elected by a plurality of the votes cast. A “plurality vote” means that the winning candidate only needs to get more votes than a competing candidate. If a director runs unopposed, he or she only needs one vote to be elected. Any other matter that may properly come before the Annual Meeting must be approved by the affirmative vote of a majority of the shares entitled to vote that are present or represented by proxy at the Annual Meeting.

What is the effect of an “abstain” vote or a “broker non-vote” on the proposals?

Under the General Corporation Law of the State of Delaware (referred to as “Delaware law” in this Proxy Statement), an abstention from voting on any proposal will have the same legal effect as an “against” vote, except election of directors, where an abstention has no effect under plurality voting.

A “broker non-vote” occurs if your shares are not registered in your name (that is, you hold your shares in “street name”) and you do not provide the record holder of your shares (usually a bank, broker or other nominee) with voting instructions on any matter as to which a broker may not vote without instructions from you, but the broker nevertheless provides a proxy for your shares. Shares as to which a “broker non-vote” occurs are considered present for purposes of determining whether a quorum exists, but are not considered votes cast or shares entitled to vote with respect to a voting matter. The election of directors and the advisory vote on executive compensation are not matters on which a broker may vote without your instructions. However, the ratification of the appointment of Dixon Hughes Goodman, LLP as our independent registered public accounting firm is a routine matter, and brokers who do not receive instructions from you on how to vote on that matter generally may vote on that matter in their discretion.

How do I vote by proxy?

On or about March 13, 2015, we mailed the Notice of Annual Meeting, this Proxy Statement, the accompanying Proxy Card and our Annual Report to Stockholders for the year ended December 31, 2014 to all stockholders of record as of the record date.

Stockholders of record may vote by following the instructions listed on your Proxy Card to vote by telephone or on the Internet, or by signing, dating and mailing the Proxy Card in the postage-paid envelope. Of course, you also may attend the Annual Meeting and vote your shares in person.

Beneficial owners will receive instructions from your broker, bank or other holder of record on how to vote your shares. If you want to vote your shares in person at the Annual Meeting, you must obtain a legal proxy from your broker, bank or other holder of record, bring it to the Annual Meeting and submit it with your vote.

Can I change my vote after I return my Proxy Card?

Yes. You can change or revoke your proxy at any time before the Annual Meeting by (i) notifying our Secretary, William M. Foshee, in writing, (ii) submitting new voting instructions by telephone or on the Internet, or (iii) sending another executed Proxy Card dated later than the first Proxy Card. Attendance at the Annual Meeting will not revoke any proxy you have previously granted unless you specifically so request. For shares you own beneficially, but of which you are not the record holder, you may accomplish this by submitting new voting instructions to your broker or nominee.

Can I vote in person at the Annual Meeting instead of voting by proxy?

Yes. Both stockholders of record and beneficial owners may vote their shares in person at the Annual Meeting, although beneficial owners will need to obtain a legal proxy from their broker, bank or other holder of record and submit such proxy with their ballot if they wish to vote in person at the Annual Meeting. However, we encourage you to submit your voting instructions prior to the Annual Meeting to ensure that your shares are represented and voted. If you attend the Annual Meeting in person, you may then vote in person even though you submitted your vote by telephone or by Internet, or returned your Proxy Card.

What are the Board's recommendations?

Our board of directors unanimously recommends that stockholders vote in favor of: (1) the election of the six nominees for the board of directors, as more fully described in Proposal 1 below; (2) the ratification of Dixon Hughes Goodman, LLP as our independent registered public accounting firm for 2015, as more fully described in Proposal 2 below; and (3) an advisory vote approving our executive compensation, as more fully described in Proposal 3 below.

If you timely submit voting instructions by telephone or by Internet, or if your Proxy Card is properly executed and received in time for voting, and not revoked, your shares will be voted in accordance with your instructions. In the absence of any instructions or directions to the contrary on any proposal on a Proxy Card, the Management Proxies will vote all shares of common stock for which such Proxy Cards have been received in favor of the approval of the above proposals for which no instructions were indicated.

Our board of directors does not know of any matters other than the above proposals that may be brought before the Annual Meeting. If any other matters should come before the Annual Meeting, the Management Proxies will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with their best judgment.

In particular, the Management Proxies will have discretionary authority to vote with respect to the following matters that may come before the Annual Meeting: (i) approval of the minutes of the prior meeting if such approval does not amount to ratification of the action or actions taken at that meeting; (ii) any proposal omitted from the Proxy Statement and form of proxy pursuant to Rules 14a-8 and 14a-9 under the Securities Exchange Act of 1934 (the "Exchange Act"); and (iii) matters incident to the conduct of the Annual Meeting. In connection with such matters, the Management Proxies will vote in accordance with their best judgment.

Who pays for this proxy solicitation?

We do. We will pay all costs in connection with the meeting, including the cost of preparing, assembling and mailing the Notice of the Annual Meeting, Proxy Statement, Proxy Card and our Annual Report to Stockholders for the year ended December 31, 2014, as well as handling and tabulating the proxies returned. In addition to the use of mail, proxies may be solicited by directors, officers and regular employees of the Company, without additional compensation, in person or by other electronic means. We will reimburse brokerage houses and other nominees for their expenses in forwarding proxy materials to beneficial owners of our common stock.

Who can help answer your questions?

If you have questions about the Annual Meeting or would like additional copies of this Proxy Statement, you should contact our Secretary, William M. Foshee, 850 Shades Creek Parkway, Suite 200, Birmingham, Alabama 35209, telephone (205) 949-0307.

Annual Report on Form 10-K

On written request, we will provide, without charge, a copy of our Annual Report on Form 10-K for the year ended December 31, 2014 (including a list briefly describing the exhibits thereto), as filed with the SEC (including any amendments filed with the SEC), to any record holder or beneficial owner of our common stock as of the close of business on March 9, 2015, the record date, or to any person who subsequently becomes such a record holder or beneficial owner. Requests should be directed to the attention of our Secretary at the address set forth above.

**PROPOSAL 1:
ELECTION OF DIRECTORS**

Under our Bylaws, our board of directors consists of six directors unless a different number is fixed from time to time by resolution passed by a majority of our board of directors, which is the only means of fixing a different number. Six directors will be elected at the Annual Meeting to hold office until our 2016 Annual Meeting of Stockholders and until their successors are elected and have qualified.

Our board has nominated the persons named below, all of whom currently serve as directors, for election as directors at the 2015 Annual Meeting. Each of those nominees has consented to serve as a director, if re-elected. Unless otherwise instructed, the Management Proxies intend to vote the proxies received by them for the election of all six of these nominees. If any nominee identified below becomes unable to serve as a director before the Annual Meeting, the Management Proxies will vote the proxies received by them for the election of a substitute nominee selected by our board of directors.

Vote Required and Recommendation of the Board of Directors

The six nominees receiving the most votes cast in the election of directors by holders of shares of common stock present or represented by proxy and entitled to vote at the Annual Meeting will be elected to serve as directors of the Company for the next year. As a result, although shares as to which the authority to vote is withheld will be counted, such “withhold” votes will have no effect on the outcome of the election of directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE ELECTION OF EACH OF THE NOMINEES NAMED BELOW.

Information regarding directors and director nominees and their ages as of the record date is as follows:

Michael D. Fuller	61	2007	Director	2005	Director
James J. Filler	71	2007	Director	2005	Director
J. Richard Cashio	57	2007	Director	2005	Director
Hatton C. V. Smith	64	2007	Director	2005	Director

The following summarizes the business experience and background of each of our nominees.

Thomas A. Broughton III — Mr. Broughton has served as our President and Chief Executive Officer and a director since 2007 and as President, Chief Executive Officer and a director of the Bank since its inception in May 2005. Mr. Broughton has spent the entirety of his 30-year banking career in the Birmingham area. In 1985, Mr. Broughton was named President of the de novo First Commercial Bank. When First Commercial Bank was bought by Synovus Financial Corp. in 1992, Mr. Broughton continued as President and was named Chief Executive Officer of First Commercial Bank. In 1998, he became Regional Chief Executive Officer of Synovus Financial Corp., responsible for the Alabama and Florida markets. In 2001, Mr. Broughton's Synovus region shifted, and he became Regional Chief Executive Officer for the markets of Alabama, Tennessee and parts of Georgia. He continued his work in this position until his retirement from Synovus in August 2004. Mr. Broughton's experience in banking has afforded him opportunities to work in many areas of banking and has given him exposure to all bank functions. Mr. Broughton served on the Board of Directors of Cavalier Homes, Inc. from 1986 until 2009, when the company was sold to a subsidiary of Berkshire Hathaway. We believe that Mr. Broughton's extensive experience in banking in Alabama and the Southeast, and, in particular, his success in building and growing new banks and developing new markets, makes him highly qualified to serve as a director.

Stanley M. Brock — Mr. Brock has served as our Chairman of the Board and a director since 2007 and has served as Chairman of the Board and a director of the Bank since its inception in May 2005. He has served as President of Brock Investment Company, Ltd., a private venture capital firm, since its formation in 1995. Prior to 1995, Mr. Brock practiced corporate law for 20 years with one of the largest law firms based in Birmingham, Alabama. Mr. Brock also served as a director of Compass Bancshares, Inc., a publicly traded bank holding company, from 1992 to 1995. We believe that Mr. Brock's experience as a corporate lawyer and a bank holding company director, as well as his history of community involvement in our largest market, makes him highly qualified to serve as a director.

J. Richard Cashio — Mr. Cashio has served as a director of the Company since 2007 and as a director of the Bank since its inception in May 2005. Mr. Cashio served as Chief Executive Officer of TASSCO, LLC from 2005 until January 2014 and served as the Chief Executive Officer of Tricon Metals & Services, Inc. from 2000 until its sale in October 2008. He served in various other positions with Tricon Metals & Services, Inc. prior to 2000. We believe that Mr. Cashio's experience as the chief executive officer of successful industrial enterprises allows him to offer our board both the benefit of his business experience and the perspectives of one of our target customer groups, making him highly qualified to serve as a director.

James J. Filler — Mr. Filler has served as a director of the Company since 2007 and as a director of the Bank since its inception in May 2005. Mr. Filler has been a private investor since his retirement in 2006. Prior to his retirement, Mr. Filler spent 44 years in the metals recycling industry with Jefferson Iron & Metal, Inc. and Jefferson Iron & Metal Brokerage Co., Inc. We believe that Mr. Filler's extensive business experience and strong ties to the Birmingham business community offer us valuable strategic insights and make him highly qualified to serve as a director.

Michael D. Fuller — Mr. Fuller has served as a director of the Company since 2007 and as a director of the Bank since its inception in May 2005. For over 20 years, Mr. Fuller has been a private investor in real estate investments. Prior to that time, Mr. Fuller played professional football for nine years. Mr. Fuller has served as President of Double Oak

Water Reclamation, a private wastewater collection and treatment facility in Shelby County, Alabama since 1998. We believe that Mr. Fuller's experience in the real estate sector, which is a major focus of our business, as well as his overall business experience and community presence, make him highly qualified to serve as a director.

Hatton C. V. Smith — Mr. Smith has served as a director of the Company since 2007 and as a director of the Bank since its inception in May 2005. Mr. Smith has served as the Chief Executive Officer of Royal Cup Coffee since 1996 and in various other positions with Royal Cup Coffee prior to 1996. He is involved in many different charities and served as Chair of the United Way and President of the Baptist Health System. We believe that Mr. Smith's business experience, his strong roots in the greater Birmingham business and civic community, and his high profile and extensive community contacts make him highly qualified to serve as a director.

THE ROLE OF THE BOARD OF DIRECTORS

General

In accordance with our bylaws and Delaware law, our board of directors oversees the management of the business and affairs of the Company. The members of our board also are members of the board of directors of the Bank, which accounts for substantially all of the Company's consolidated operating results. The members of our board keep informed about our business through discussions with senior management and other officers and managers of the Company and its subsidiaries, including the Bank, by reviewing analyses and reports sent to them by management and outside consultants, and by participating in meetings of the board and meetings of those board committees on which they serve.

Board Leadership Structure

We believe that our stockholders are best served by a strong, independent board of directors with extensive business experience and strong ties to our markets. We believe that objective oversight of the performance of our management team is critical to effective corporate governance, and we believe our board provides such objective oversight.

Since our inception, we have kept separate the offices of chairman of the board and chief executive officer, and an independent director has always held the position of chairman of the board. We believe that this provides us with the benefit of complementary perspectives and ensures that our board's oversight function remains fully objective. Although we do not have a fixed policy requiring the separation of such offices, instead believing that it is appropriate for our board to determine the structure that best meets our needs from time to time, it is our current intention to retain the present structure for the foreseeable future.

In addition, our three standing committees, which are described below under "Committees of the Board of Directors", are composed exclusively of independent directors. We believe that this structure further reinforces the board's role as

an objective overseer of our business, operations and day-to-day management.

The Board's Role in Risk Oversight

Our board is ultimately responsible for the management of risks inherent in our business. In our day-to-day operations, senior management is responsible for instituting risk management practices that are consistent with our overall business strategy and risk tolerance. In addition, because our operations are conducted primarily through our wholly-owned subsidiary Bank, we maintain an asset-liability and investment committee at the Bank level, consisting of four executive officers of the Bank. This committee is charged with monitoring our liquidity and funds position. The committee regularly reviews the rate sensitivity position on three-month, six-month and one-year time horizons; loans-to-deposits ratios; and average maturities for certain categories of liabilities. This committee reports to our board of directors at least quarterly, and otherwise as needed. Outside of formal meetings, our board and its committees have regular access to senior executives, including our chief executive officer, chief operating officer and chief financial officer, as well as our senior credit officers. We believe that this structure allows the board to maintain effective oversight over our risks and to ensure that our management personnel are following prudent and appropriate risk management practices.

COMMITTEES OF THE BOARD OF DIRECTORS

Our board maintains three standing committees: Audit, Compensation and Corporate Governance and Nominations. The governing charter for each of the three committees is available on our website www.servisfirstbank.com under the "Investor Relations" tab.

Audit Committee

The Audit Committee assists our board of directors in maintaining the integrity of our financial statements and of our financial reporting processes and systems of internal audit controls, as well as our compliance with legal and regulatory requirements. The Audit Committee reviews the scope of independent audits and assesses the results. The Audit Committee meets with management to consider the adequacy of the internal control over, and the objectivity of, financial reporting. The Audit Committee also meets with our independent auditors and with appropriate financial personnel concerning these matters. The Audit Committee selects, determines the compensation of, appoints and oversees our independent auditors. The independent auditors periodically meet with the Audit Committee and always have unrestricted access to the Audit Committee. The Audit Committee, which currently consists of Michael D. Fuller (Chairman), J. Richard Cashio and Stanley M. Brock, met four (4) times in 2014. In conjunction with our board's annual review of its committees, it has determined that Mr. Brock should be designated as an audit committee financial expert. This determination is based on the broad spectrum of Mr. Brock's experience. Among the other things described above under Proposal 1 outlining Mr. Brock's experience and background, our board gave careful consideration to Mr. Brock's 18-plus years leading a private venture capital firm. His experience in this undertaking includes analyzing financial statements and audit results and making investment and acquisition decisions on the basis of those analyses. Our board of directors has determined that each of Messrs. Fuller, Cashio and Brock is independent

under the standards of independence of the Marketplace Rules of the NASDAQ Global Select Market and Rule 10A-3 under the Exchange Act.

Compensation Committee

The Compensation Committee administers incentive compensation plans, including stock option plans, and advises our board of directors regarding employee benefit plans. The Compensation Committee establishes the compensation structure for our senior management, approves the compensation of our senior executives, and makes recommendations to the independent members of our board of directors with respect to compensation of the Chief Executive Officer and all other executive officers of the Company. The Compensation Committee, which currently consists of Hatton C.V. Smith (Chairman), J. Richard Cashio and James J. Filler, met one time in 2014. Our board of directors has determined that each of Messrs. Smith, Cashio and Filler is independent under the standards of independence of the Marketplace Rules of the NASDAQ Global Select Market and an “outside director” for purposes of Section 162(m) of the Internal Revenue Code of 1986.

The Compensation Committee is charged with the authority to determine the compensation level of our Chief Executive Officer and our other named executive officers. The Compensation Committee makes determinations regarding performance and compensation for each of our named executive officers. The Compensation Committee may delegate all or a portion of its duties to a subcommittee consisting of one or more members of the Compensation Committee. The Compensation Committee has the authority, in its sole discretion, to appoint, engage, retain and terminate any compensation consultant, legal counsel or other advisor to assist in the performance of its duties, and the Company is responsible for providing appropriate funding to the Compensation Committee for payment of reasonable compensation to any such advisor retained by the Compensation Committee.

The Compensation Committee seeks input from our Chief Executive Officer for compensation decisions related to named executive officers other than the Chief Executive Officer, but makes all final decisions based on the Compensation Committee’s business judgment. The Compensation Committee conducts an annual review of the performance and compensation of our Chief Executive Officer, who is not present during deliberations or voting with respect to his compensation.

Corporate Governance and Nominations Committee

The Corporate Governance and Nominations Committee’s functions include establishing the criteria for selecting candidates for nomination to our board; actively seeking candidates who meet those criteria; and making recommendations to our board of directors to fill vacancies on, or make additions to, our board and to monitor the Company’s corporate governance structure. The Corporate Governance and Nominations Committee, which currently consists of Michael D. Fuller, J. Richard Cashio and Stanley M. Brock (Chairman), did not meet during 2014. Our board of directors has determined that each of Messrs. Fuller, Cashio and Brock is independent under the standards of independence of the Marketplace Rules of the NASDAQ Global Select Market.

The Corporate Governance and Nominations Committee seeks director candidates based upon a number of criteria, including their independence, knowledge, judgment, character, leadership skills, education, experience and financial literacy and, for nominees standing for re-election, their prior performance as a director. See “Corporate Governance Guidelines” on page 15 for a more detailed discussion of director qualifications. The Committee does not assign relative weights to these factors, but attempts to form an overall judgment as to each individual nominee. The Committee will consider stockholder nominees for election to our board that are timely recommended by stockholders provided that a complete description of the nominees’ qualifications, experience and background, together with a statement signed by each nominee in which he or she consents to act as a board member if elected, accompany the recommendations. No stockholder nominations for director candidates were received for 2015.

In evaluating nominees for director, the Corporate Governance and Nominations Committee believes that, at this stage of the Company's existence, it is of primary importance to ensure that the board's composition reflects a diversity of business experience and community leadership, as well as a demonstrated ability to promote the Company's strategic objectives and expand its presence, profile and customer base in its local markets. Accordingly, while the Committee may consider other types of diversity in evaluating nominees, the Committee does not follow any specific formula for considering factors such as race, gender or national origin in evaluating nominees and potential nominees, nor does it apply any quotas with respect to such factors.

INDEPENDENCE OF THE BOARD OF DIRECTORS

Our common stock is listed on, and we have complied with the director independence requirements of, the NASDAQ Global Select Market. Our Corporate Governance and Nominations Committee has conducted and will in the future conduct, as deemed necessary, a review of director independence utilizing the listing standards of the NASDAQ Global Select Market. During its most recent review, our board considered transactions and relationships between each director or any member of a director's immediate family and us and the Bank. Our board also considered whether there were any transactions or relationships between our Company and any entity of which a director or an immediate family member of a director is an executive officer, general partner or significant equity holder. The purpose of this review was to determine whether any such relationships or transactions existed that were inconsistent with a determination that a director is independent. Independent directors must be free of any relationship with us or our management that may impair the director's ability to make independent judgments.

Our Corporate Governance and Nominations Committee has determined in its business judgment that five of the Company's six Directors are independent as defined in the applicable NASDAQ Global Select Market listing standards, including that each member is free of any relationships that would interfere with his individual exercise of independent judgment. Our independent directors are Messrs. Brock, Cashio, Filler, Fuller and Smith.

Mr. Broughton is considered an inside director because of his employment as our President and Chief Executive Officer.

COMMUNICATIONS WITH DIRECTORS

You may contact any of our independent directors, individually or as a group, by writing to them c/o William M. Foshee, Chief Financial Officer, ServisFirst Bancshares, Inc., 850 Shades Creek Parkway, Suite 200, Birmingham, Alabama 35209. Mr. Foshee will review and forward to the appropriate directors copies of all such correspondence that, in the opinion of Mr. Foshee, deals with the functions of the board of directors or its committees or that he otherwise determines requires their attention. Concerns relating to accounting, internal controls or auditing matters will be brought promptly to the attention of the Chairman of the Audit Committee and will be handled in accordance with procedures established by the Audit Committee.

CORPORATE GOVERNANCE GUIDELINES

Our board of directors believes that sound governance practices and policies provide an important framework to assist them in fulfilling their oversight duty. In December 2007, our board formally adopted the Corporate Governance Guidelines of ServisFirst Bancshares, Inc. (the “Governance Guidelines”), which include a number of the practices and policies under which our board has operated for some time, together with concepts suggested by various authorities in corporate governance and the requirements under the NASDAQ Global Select Market’s listed company rules and the Sarbanes-Oxley Act of 2002. A copy of our Governance Guidelines is available free of charge on our website at www.servisfirstbank.com under the “Investor Relations” tab. Some of the principal subjects covered by our Governance Guidelines comprise:

Director Qualifications, which include: a board candidate’s independence, experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries; his or her understanding of our business and the business environment in which we operate; and the candidate’s ability and willingness to devote adequate time and effort to board responsibilities, taking into account the candidate’s employment and other board commitments.

Responsibilities of Directors, which include: acting in the best interests of all stockholders; maintaining independence; developing and maintaining a sound understanding of our business and the industry in which we operate; preparing for and attending board and board committee meetings; and providing active, objective and constructive participation at those meetings.

Director Access to Management and, as Necessary and Appropriate, Independent Advisors, which covers: encouraging presentations to our board from the officers responsible for functional areas of our business and from outside consultants who are engaged to conduct periodic reviews of various aspects of our operations or the quality of certain of our assets, such as the loan portfolio.

Director Orientation and Continuing Education, such as: programs to familiarize new directors with our business, strategic plans, and significant financial, accounting and risk management issues; our compliance programs and conflicts policies; our code of business conduct and ethics and our corporate governance guidelines. In addition, each director is expected to participate in continuing education programs relating to developments in our business and in corporate governance.

Regularly Scheduled Executive Sessions, without Management, will be held by our board and by the Audit Committee, which meets separately with our independent auditors.

CODE OF BUSINESS CONDUCT

Our board of directors has adopted a Code of Ethics that applies to all of our employees, officers and directors. The Code of Ethics covers compliance with law; fair and honest dealings with us, with competitors and with others; fair and honest disclosure to the public; and procedures for compliance with the Code of Ethics. A copy of our Code of Ethics is available free of charge on our website at www.servisfirstbank.com under the “Investor Relations” tab.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The primary functions of the Compensation Committee are to evaluate and administer the compensation of our President and Chief Executive Officer and other executive officers and to review our general compensation programs. Hatton C. V. Smith, J. Richard Cashio and James J. Filler currently serve as the members of the Compensation Committee. No member of this committee has served as an officer or employee of the Company, the Bank or any subsidiary. In addition, none of our executive officers has served as a director or as a member of the compensation committee of a company which employs any of our directors. (For further information, see the section below entitled "Compensation Discussion and Analysis.")

DIRECTOR COMPENSATION

The following table sets forth information regarding the compensation of our non-employee directors for the year ended December 31, 2014. Thomas A. Broughton III is a named executive officer, and his compensation is reflected in the Summary Compensation Table.

Name (a)	Fees earned or paid in cash (b) (\$)	Stock Awards (c) (\$)	Total (h) (\$)
Stanley M. Brock, Chairman of the Board	28,800	0	28,800
Michael D. Fuller	28,800	0	28,800
James J. Filler	23,550	0	23,550
J. Richard Cashio	23,700	0	23,700
Hatton C. V. Smith	22,350	0	22,350

Our Chairman of the Board receives a \$20,000 annual retainer, and our Audit Committee Chairman also receives a \$20,000 retainer. Each of our other board members receives a \$15,000 annual retainer. Directors are paid \$600 for each board meeting attended, and \$250 for each committee meeting.

MEETINGS OF THE BOARD OF DIRECTORS

Our board of directors held ten meetings in 2014. Each director attended more than 75% of the aggregate of: (i) the number of meetings of the board of directors held during the period he served on the board; and (ii) the number of meetings of committees of the board of directors held during the period he served on such committees. While we do

not have a formal policy regarding director attendance at our Annual Meetings, we generally expect our directors to attend if at all possible. Each of Messrs. Broughton, Brock, and Fuller attended the 2014 Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE ELECTION OF EACH OF THE NOMINEES NAMED IN PROPOSAL 1.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have not entered into any business transactions with related parties required to be disclosed under Rule 404(a) of Regulation S-K other than banking transactions in the ordinary course of our business with our directors and officers, as well as members of their families and corporations, partnerships or other organizations in which they have a controlling interest. Management recognizes that related party transactions can present unique risks and potential conflicts of interest (in appearance and in fact). Therefore, we maintain written policies around interactions with related parties which require that these transactions are entered into and maintained on the following terms:

in the case of banking transactions, each is on substantially the same terms, including price or interest rate, collateral and fees, as those prevailing at the time for comparable transactions with unrelated parties that are not expected to involve more than the normal risk of collectability or present other unfavorable features to the Bank; and

in the case of any related party transactions, including banking transactions, each is approved by a majority of the directors who do not have an interest in the transaction.

A copy of our policy governing related party transactions is available on our website www.servisfirstbank.com under the "Investor Relations" tab.

The aggregate amount of indebtedness from directors and executive officers (including their affiliates) to the Bank as of December 31, 2014, including extensions of credit or overdrafts, endorsements and guarantees outstanding on such date, was approximately \$13,083,000, which equaled 3.21% of our total equity capital as of that date. Less than 1% of these loans were installment loans to individuals. Related party transactions are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral (where applicable), as those prevailing at the time for comparable transactions with persons not related to us, and do not involve more than normal risk of collectability or present other features unfavorable to us. As of the date of this Proxy Statement, no related party loans were categorized as non-accrual, past due, restructured or potential problem loans. We anticipate making related party loans in the future to the same extent as we have in the past.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC, initial reports of ownership and reports of changes in ownership of common stock and other equity securities. Executive officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. Based solely upon information made available to us, we believe that each filing required to be made pursuant to Section

16(a) was timely filed by our executive officers and directors and the beneficial owners of more than 10% of our common stock, except for the following filings: Mr. Filler had late Form 4 filings dated August 19, 2014, July 30, 2014, and May 14, 2014, in each case due to lack of sufficient trade information to timely make the filing.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

Our compensation process is designed to address both annual and longer-term corporate objectives. We have been in a period of accelerated growth and change in recent years, and our compensation processes have been designed to permit us to attract and retain highly skilled executive and management staff in our competitive market place. This Compensation Discussion and Analysis describes our compensation program for our “named executive officers”, who are Thomas A. Broughton III, William M. Foshee, Clarence C. Pouncey III, Rodney E. Rushing and Don G. Owens.

Since November 2007, when we completed our reorganization in which the Company was formed and became the parent of the Bank, we have been a bank holding company. We conduct most of our operations through the Bank, which is our wholly-owned subsidiary. Our board of directors and the Bank’s board of directors include the same individuals. At the holding company level, we have five named executive officers, each of whom also holds the same position with the Bank. These officers are Thomas A. Broughton III, president and chief executive officer, Clarence C. Pouncey III, executive vice president and chief operating officer, William M. Foshee, executive vice president and chief financial officer, Rodney E. Rushing, executive vice president and executive for correspondent banking, and Don G. Owens, senior vice president and chief credit officer. All of such officers remain employees of the Bank for payroll and tax purposes.

The board of directors of the Bank has a compensation committee. At the time we became a bank holding company, our board of directors appointed a separate compensation committee (the “Compensation Committee”, as discussed above), consisting of the same individuals as the compensation committee of the Bank, with the authority to determine the compensation of our Chief Executive Officer and, either independently or with other independent directors of the board, the compensation of our other executive officers, and to further administer any equity or other incentive plans. Because our officers, including Messrs. Broughton, Pouncey, Foshee, Rushing and Owens, remain employees of the Bank for payroll and tax purposes, their compensation is set by the compensation committee of the Bank, as a technical matter. However, such compensation is then approved by the Bank’s board of directors and by our board of directors. Because both compensation committees consist of the same persons, as do both boards of directors, references herein to “our” or “the” Compensation Committee will be deemed to refer to our Compensation Committee and/or the Bank’s compensation committee, as applicable. No executive officers of the Company make any recommendations to the Compensation Committee or participate in any way regarding the compensation of other executive officers, other than the President and Chief Executive Officer, Mr. Broughton. The Compensation Committee consults with Mr. Broughton to gain a better insight into the performance of the executive team as a basis for the committee’s determinations regarding executive compensation. While the Compensation Committee consults with Mr. Broughton, the Compensation Committee makes its decisions independently.

Compensation Philosophy and Objectives

In order to recruit and retain the most qualified and competent individuals as executive officers, we strive to maintain a compensation program that is competitive in our market. Our Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by us and the Bank, and which aligns executives' interests with those of our stockholders by rewarding performance, with the ultimate objective of improving stockholder value. The Compensation Committee evaluates both performance and compensation to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to the named executive officers and other officers remains competitive relative to the compensation paid to similarly situated executives of our peers. Our Compensation Committee has not yet designated a specific peer group for this purpose, but relies on general information about similarly sized banks and bank holding companies in similar markets. In addition, the Compensation Committee retains compensation consultants from time to time in order to obtain detailed comparisons of our executive compensation as compared to our similarly sized competitors. The Compensation Committee did not retain a compensation consultant during 2014, but plans to retain compensation consultants again in future years.

The Compensation Committee believes that executive compensation packages should include cash, annual short-term cash incentives and long-term equity based incentives that reward performance as measured against established goals. These goals may include any number of criteria, may be unique to the particular executive officer based upon his or her duties, and may include, among others, criteria based upon our net income, our asset growth, our loan growth, such executive officer's personal production and our efficiency and asset quality. Additionally, the Compensation Committee believes that we should offer competitive benefit plans, including health insurance and a 401(k) plan. We also have entered into change in control agreements that apply to particular circumstances where we believe it is important to ensure the retention of certain key executives during the critical period immediately preceding a change in control, if and when applicable.

The fundamental purpose of our executive compensation program is to assist us in achieving our financial and operating performance objectives. Specifically, our compensation program has three basic objectives:

- to attract, retain and motivate our executive officers, including our named executive officers;

- to reward executives upon the achievement of measurable corporate, business unit and individual performance goals; and

- to align each executive's interests with the creation of stockholder value.

Role of Say-on-Pay Advisory Vote

At the 2014 Annual Meeting of stockholders, our stockholders approved the advisory say-on-pay proposal by the affirmative vote of 99% of the shares cast on the proposal. The Compensation Committee considered the results of the say-on-pay advisory vote and did not implement any significant changes to our executive compensation as a result of the say-on-pay advisory vote. The Compensation Committee will continue to consider the outcome of the say-on-pay advisory votes when making future compensation decisions for our named executive officers.

At the 2011 Annual Meeting, the board recommended and the stockholders approved holding annual say-on-pay advisory votes. The board has decided to hold the say-on-pay advisory vote every year.

Elements of our Compensation Program

Base salary: This element is intended to directly reflect an executive's job responsibilities and his or her value to us. We also use this element to attract and retain our executives and, to some extent, acknowledge each executive's individual efforts in furthering our strategic goals.

Annual short-term cash incentives: This annual cash incentive is one of the performance-based elements of our compensation. It is intended to motivate our executives and to provide a current or immediate reward for short-term (annual) measurable performance.

Equity-based incentives: The grant of stock options and/or other equity-based incentive compensation is the method we use to align the interests of our named executive officers with the interests of our stockholders, which is another element of performance-based compensation. Due to substantial levels of ownership of our common stock by most of our named executive officers, our Compensation Committee has not utilized equity-based compensation in recent years.

Perquisites and benefits: These benefits and plans are intended to attract and retain qualified executives, by ensuring that our compensation program is competitive and provides an adequate opportunity for retirement savings. We believe that, to a limited degree, these programs tend to reward long-term service or loyalty to us.

Change in control agreements: These agreements, or comparable provisions in an employment or similar agreement, provide a form of severance payable in the event we are the subject of a change in control. They are primarily intended to align the interests of our executives with our stockholders by providing for a secure financial transition in the event of termination in connection with a change in control.

General Compensation Policies

To reward both short- and long-term performance in the compensation program and in furtherance of our compensation objectives noted above, our executive officer compensation philosophy includes the following

principles:

Compensation should be related to performance. The Compensation Committee believes that a significant portion of an executive officer's compensation should be tied not only to individual performance, but also the Company's performance measured against both financial and non-financial goals and objectives.

20

Incentive compensation should represent a portion of an executive officer's total compensation. The Compensation Committee is committed to providing competitive compensation that reflects our performance and that of the individual officer or employee.

Compensation levels should be competitive. The Compensation Committee reviews available data to ensure that our compensation is competitive with that provided by other comparable companies. The Compensation Committee believes that competitive compensation enhances our ability to attract and retain executive officers.

Incentive compensation should balance short-term and long-term performance. The Compensation Committee seeks to achieve a balance between encouraging strong short-term annual results and ensuring our long-term viability and success. To reinforce the importance of balancing these perspectives, executive officers generally will be provided both short- and long-term incentives. Prior to 2009, we provided our executive officers, non-employee directors and employees with the means to become stockholders and to share accretion in value with our external stockholders through our 2005 Amended and Restated Stock Incentive Plan. In 2009, we continued that process through the adoption and approval by our stockholders of our 2009 Stock Incentive Plan, which was amended and restated in 2014. The Compensation Committee does not make automatic equity grants each fiscal year, preferring instead to utilize such grants on an as needed basis to provide additional long-term incentives. Such equity long-term incentives have historically not vested immediately, but rather require the officers and directors that receive such grants to earn them over a period of years with the Company. As detailed above, the Compensation Committee has not utilized equity awards for the named executive officers during recent years due to our named executive officers' substantial holdings of our common stock. The Compensation Committee believes that additional awards are not necessary at this time to properly align interests with those of our stockholders.

The Compensation Committee does not use a specific formula to determine the amount allocated to each element of compensation. Instead, the Compensation Committee analyzes the total compensation paid to each executive and makes individual compensation decisions as to the mixture between base salary, annual short-term cash incentives and equity-based incentives. To date, in determining the amount or mixture of compensation to be paid to any executive, the Compensation Committee has not considered any severance payment to be paid under an employment agreement or change-in-control agreement or any equity-based incentives previously awarded. Further, the Compensation Committee has not adopted any specific stock ownership or holding guidelines that would affect such determinations.

For fiscal year 2014, an average of 34.34% of our named executive officers' compensation was in annual short-term cash incentives which, as described below, are largely performance-based awards. None of our named executive officers' compensation was in long-term equity-based incentives, or stock options. The following table illustrates the percentage of each named executive officer's total compensation, as reported in the "Summary Compensation Table" below, related to base salary, annual short-term cash incentives and long-term equity-based incentives:

Percentage of Total Compensation
(Fiscal Year 2014)

Named Executive Officer	Annual Base	Annual Short Term Cash	Equity- Based	Perquisites and	
	Salary	Incentives	Incentives	Benefits	
Thomas A. Broughton III, Principal Executive Officer (“PEO”)	44.7 %	47.8 %	0 %	7.5 %	
William M. Foshee, Principal Financial Officer (“PFO”)	58.7 %	35.3 %	0 %	6.0 %	
Clarence C. Pouncey III	58.9 %	35.4 %	0 %	5.7 %	
Rodney E. Rushing	58.4 %	35.0 %	0 %	6.6 %	
Don G. Owens	73.2 %	18.2 %	0 %	8.6 %	

Chief Executive Officer Compensation

The compensation of Thomas A. Broughton III, our president and chief executive officer, is discussed throughout the following paragraphs. The Compensation Committee establishes Mr. Broughton’s compensation package each year with the intent of providing compensation designed to retain Mr. Broughton’s services and motivate him to perform to the best of his abilities. Mr. Broughton’s 2014 base salary and incentive compensation reflect the Compensation Committee’s and our board’s determination of the total compensation package necessary to meet this objective.

Annual Base Salary

The Compensation Committee endeavors to establish base salary levels for executives that are consistent and competitive with those provided for similarly situated executives of other similar financial institutions, taking into account each executive’s areas and level of responsibility. To date, the Compensation Committee has not designated a specific peer group for its use.

For the year ended December 31, 2014, the Compensation Committee increased the base salaries of our named executive officers as follows: Thomas A. Broughton III to \$350,000 from \$315,000, an increase of 11.1%; William M. Foshee to \$230,000 from \$220,000, an increase of 4.5%; Clarence C. Pouncey III to \$263,000 from \$255,000, an increase of 4.7%; Rodney E. Rushing to \$245,000 from \$215,000, an increase of 13.9%; and Don G. Owens to \$187,200 from \$180,000, an increase of 4%.

None of the named executive officers have employment agreements. See “Employment Agreements” below for a more detailed discussion.

Annual Short-Term Cash Incentive Compensation

For the year ended December 31, 2014, the Compensation Committee relied on various performance measurements for defining executive officer cash incentive compensation for the named executive officers which included, among others, our net income, our asset growth, our loan growth, the executive's individual production and our efficiency and asset quality. Each of the performance measurements was applied and determined at the discretion of the Compensation Committee. The potential award level for Mr. Broughton is purely discretionary, but the potential cash award level for each of our other named executive officers is generally limited to 50% of their respective base salaries. The Compensation Committee also has discretionary authority to establish "stretch" performance goals for individual officers, potentially allowing for cash incentive compensation in excess of 50% of an officer's base salary. In 2014, the Committee established such "stretch" goals for Messrs. Foshee, Pouncey and Rushing, meaning that each of such officers had the opportunity to earn cash incentive compensation of up to 60% of their respective base salaries. Mr. Owens has "stretch" performance goals that would potentially allow for cash incentive compensation of up to 30% of his base salary. We do not have any contractual obligations to provide the opportunity to earn specified levels of cash incentive compensation, and thus such determination is entirely within the discretion of the Compensation Committee. The Compensation Committee makes a determination of awards based on the information available to it at the time the award is made. The Compensation Committee has no policy to adjust or recover awards or payments if the relevant Company performance measures upon which they are based are restated or otherwise adjusted in a manner that would reduce the size of an award or payment.

The performance factors for each of our named executive officers other than Mr. Broughton, as well as actual 2014 results, are listed in the table below:

Name	Performance Factor	Threshold	Target	Maximum	2014 Actual
			(\$ in thousands)		
Foshee	Bank Net Income	\$47,000	\$49,300	\$51,300	\$51,949

The Compensation Committee set specific objective numerical targets for the above-stated criteria for each named executive officer other than Mr. Broughton. The Compensation Committee believed that, based upon our overall performance and the specific individual performance levels of our named executive officers, it was appropriate to provide significant cash incentive bonuses to all of our named executive officers for 2014. Accordingly, for the year ended December 31, 2014 and based upon both the attainment of the specific objective numerical targets and our overall performance and such officers' individual performance for 2014, the Compensation Committee awarded the cash incentive compensation set forth in the table below.

The table below details, for each named executive officer, the range of cash incentive compensation each was eligible to earn (expressed as a percentage of base salary), cash incentive compensation paid as a percentage of base salary and cash incentive compensation paid for 2014 performance.

Name	2014 Incentive Range (%)	2014 Incentive as a Percentage of Base Salary (%)	2014 Incentive Paid (\$)
Thomas A. Broughton III	None	107.1	% \$ 375,000

Equity-Based Incentive Compensation

In general, we have granted incentive stock options to our named executive officers only in connection with their initial hiring, but with vesting schedules designed to enhance their retention and align their interests with those of our stockholders. These incentive stock options generally vest fully over six to eight years from their date of grant, with most of such grants not beginning to vest until three to five years following their date of grant. However, in recognition of the contributions made by our Chief Executive Officer, Mr. Broughton has received both stock options and restricted stock awards from time to time. Mr. Foshee, our Chief Financial Officer, has also received additional stock option grants since his initial hiring. None of our named executive officers received grants of stock-based awards during the year ended December 31, 2014. See "Executive Compensation — Outstanding Equity Awards at Fiscal Year-End" below for a detailed description of the vesting schedules of each of the options granted to the named executive officers that were outstanding at December 31, 2014.

Our Stock Incentive Plans allow for the accelerated vesting of equity awards in the event of a change in control. In general, under these Plans a “change in control” means a reorganization, merger or consolidation of the Company or the Bank with or into another entity where our stockholders before the transaction own less than 50% of our combined voting power after the transaction, a sale of all or substantially all of our assets or a purchase of more than 50% of the combined voting power of our outstanding capital stock in a single transaction or a series of related transactions by one “person” (as that term is used in Section 13(d) of the Exchange Act) or more than one person acting in concert.

Severance and Change in Control.

We do not have an employment or other agreement with Messrs. Broughton, Rushing or Owens that would require us to pay them severance payments upon termination of employment. We have entered into change in control agreements with Mr. Foshee and Mr. Pouncey. See “Executive Compensation — Employment Agreements”, “ — Change in Control Agreements” and “ — Estimated Payments upon a Termination or Change in Control” below.
