PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

Wednesday, June 17, 2015

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of INRAD OPTICS, INC., a New Jersey corporation with its principal offices at 181 Legrand Avenue, Northvale, New Jersey 07647 (the "Company"), to be used at the Annual Meeting of Shareholders of the Company (the "Annual Meeting") to be held at the offices of the Company, 181 Legrand Avenue, Northvale, New Jersey, 07647 on Wednesday, June 17, 2015 at 10:00 a.m. This Proxy Statement and the enclosed form of proxy are first being sent to shareholders on or about May 15, 2015.

Shareholders Entitled to Vote

Only shareholders of record at the close of business on April 24, 2015, the record date fixed by the Board of Directors, will be entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the record date, there were 12,733,208 shares of the Company's Common Stock, par value \$0.01 per share (the "Common Stock"), outstanding and entitled to vote at the meeting. Each share is entitled to one vote. The presence in person or by proxy of owners of a majority of the outstanding shares of the Company's Common Stock will constitute a quorum for the transaction of business at the Company's Annual Meeting.

For purposes of determining the votes cast with respect to any matter presented for consideration at the Annual Meeting, only those cast "for" are included. Abstentions and broker non-votes are counted only for the purpose of determining whether a quorum is present at the Annual Meeting. Owners of Common Stock are not entitled to cumulative voting in the election of directors. Owners of Common Stock will not have any dissenters' rights of appraisal in connection with any of the matters to be voted on at the Company's Annual Meeting.

If you hold your shares in "street name" through a broker or other nominee, you should instruct your broker or nominee how to vote. A "broker non-vote" occurs when a nominee holding shares for a beneficial owner returns a duly executed proxy that does not include any vote with respect to a particular proposal because the nominee did not have discretionary voting power with respect to the matter being considered and did not receive voting instructions from the

beneficial owner. If that happens, the nominees may vote those shares only on matters deemed “routine,” such as the ratification of auditors. Only Proposal No. 2 for the ratification of the appointment of Baker Tilly Virchow Krause, LLP as our independent registered public accounting firm is considered a “routine” matter. Thus, if you do not give your broker or nominee specific voting instructions, your shares may only be voted for Proposal No. 2 and not voted for the other matters. If your shares are not voted, they will not be counted in determining the number of votes cast. However, shares represented by such “broker non-votes” will be counted for determining whether there is a quorum.

Votes Required to Approve Each Proposal

The proposal to elect one director nominee will require an affirmative vote for the proposal by a plurality of the Common Stock entitled to vote at the Annual Meeting.

The proposal to ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2015 will require an affirmative vote for the proposal by a majority of the votes cast at the Annual Meeting by the holders of shares of Common Stock entitled to vote.

The proposal to approve the non-binding advisory resolution with respect to the compensation of our named executive officers will require an affirmative vote for the proposal by a majority of the votes cast at the Annual Meeting by the holders of shares of Common Stock entitled to vote.

Voting: Revocation of Proxies

A form of proxy is enclosed for use at the Annual Meeting if a shareholder is unable to attend in person. Each proxy may be revoked at any time before it is exercised by giving written notice of revocation to the Secretary of the Company, by filing a later dated proxy with the Secretary at any time prior to its exercise or by voting at the meeting. The presence at the meeting of a stockholder who has given a proxy does not revoke the proxy unless the stockholder files a notice of revocation or votes by written ballot. All shares represented by valid proxies pursuant to this solicitation (and not revoked before they are exercised) will be voted as specified in the form of proxy. If no specification is given, the shares will be voted in favor of the Board's nominee "for" director and "for" the other proposals described in this Proxy Statement.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF SHAREHOLDERS OF INRAD OPTICS, INC. TO BE HELD ON JUNE 17, 2015. THIS PROXY STATEMENT, THE ACCOMPANYING FORM OF PROXY CARD AND OUR ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED DECEMBER 31, 2014, INCLUDING FINANCIAL STATEMENTS, ARE AVAILABLE AT www.proxyvote.com. Costs of Solicitation

The entire cost of soliciting these proxies will be borne by the Company. In following up the original solicitation of proxies by mail, the Company may make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of the stock and may reimburse them for their expenses in so doing. If necessary, the Company may also use its officers and their assistants to solicit proxies from the shareholders, either personally or by telephone or special letter.

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Baker Tilly Virchow Krause, LLP served as the Company's independent registered public accounting firm during the fiscal year ended December 31, 2014 and has been appointed by the Company's Audit Committee to serve as the Company's independent registered public accountants for the current fiscal year ending December 31, 2015.

The Company's Audit Committee has the responsibility to select, retain and oversee the work of outside auditors and, when appropriate, to replace the outside auditors. Stockholder ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015 is not required by law or by the Company's Certificate of Incorporation or by-laws. However, the Board of Directors is submitting the selection of Baker Tilly Virchow Krause, LLP to the Company's stockholders for ratification as a matter of good corporate governance and practice. If the stockholders fail to ratify the appointment, the Company will reconsider whether or not to retain that firm. Even if the selection is ratified, the Company may appoint a different independent registered public accounting firm during the year if the Audit Committee of the Board of Directors determines that such a change would be in the best interests of the Company and its stockholders. A representative of Baker Tilly Virchow Krause, LLP is not expected to be present at the Annual Meeting but will be available by telephone to respond to appropriate questions from the stockholders.

The Board of Directors unanimously recommends that you vote FOR the proposal to ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm during the fiscal year ending December 31, 2015.

PROPOSAL THREE

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

The Board of Directors is asking shareholders to approve an advisory resolution on our named executive officer compensation as disclosed in this Proxy Statement. Our Compensation Committee has structured our executive compensation program to attract, motivate and retain highly qualified employees, to align our executives' interests with those of our shareholders and to provide our executives with certain additional compensation when superior financial results are achieved. The Compensation Committee and the Board of Directors believe that our compensation policies and procedures are effective in achieving our goals.

The Board of Directors is urging shareholders to read the "Executive Compensation" section of this Proxy Statement beginning on page 16 of this Proxy Statement, which includes the "Summary Compensation Table" and other related compensation tables, notes and narrative related to the compensation of our named executive officers.

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act and Section 14A of the Exchange Act, as amended, and as a matter of good corporate governance, the Board of Directors is asking shareholders to approve the following resolution at the 2015 Annual Meeting of Shareholders:

RESOLVED, that the shareholders of Inrad Optics, Inc. (the "Company") approve the compensation of the Company's named executive officers as disclosed in the Proxy Statement for the Company's 2015 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the SEC (which includes the Executive Compensation section, the Summary Compensation Table and related narrative discussion).

Although this proposal, commonly referred to as a "say-on-pay" vote, is an advisory vote that will not be binding on the Board of Directors or the Compensation Committee, the Board of Directors and the Compensation Committee will consider the results of this advisory vote when making future decisions regarding our named executive compensation program.

The Board of Directors unanimously recommends that you vote FOR the approval, on an advisory basis, of the compensation of our named executive officers.

Compensation of Directors

Compensation for non-employee directors consists of two components: cash (i.e. meeting attendance fees, retainer and cash bonuses) and awards under the Company's 2010 Equity Compensation Program (the "Program"). Under the Program, stock option grants and restricted stock unit grants may be made by the Compensation Committee which serves as the Program Administrator. Equity-based grants are intended to align the interests of the Company's directors with that of other shareholders. The Company does not require its directors to own stock.

Fees paid to non-employee directors were \$500 during fiscal year 2014 for each board or committee meeting attended in person, and \$250 for each meeting in which they participated via telephone.

In addition, each non-employee director is paid an annual retainer fee, in quarterly installments. For 2014, the annual retainer was \$15,000 for the Chairman and \$10,000 for each of the other outside directors.

The Company provides for reimbursement of expenses for all directors in the performance of their duties, including reasonable travel expenses incurred attending meetings.

Directors, who are also employees of the Company, do not receive any additional fees for such services.

The table that follows provides information on components of non-employee director compensation in 2014.

Director Compensation in Fiscal Year 2014

Name	Fees earned or paid in cash (\$)	Option Awards (\$) (1)	Total (\$)
Luke P. LaValle, Jr.	15,500	1,275	16,775
Dennis G. Romano	15,500	1,275	16,775
N.E. Rick Strandlund	15,500	1,275	16,775
Jan M. Winston	20,250	1,275	21,525

The value of stock option awards is computed in accordance with FASB ASC Topic 718. These amounts reflect the aggregate grant date fair value of the awards. The Company granted 5,000 stock options with an exercise price of \$0.27 per share to each of the directors on January 21, 2014. The stock options had a fair value \$0.26 per share on the grant date. The number of stock options which vested in 2014 to each non-employee director was as follows: Luke P. LaValle, Jr., 5,000; Dennis G. Romano, 5,000; N.E. Rick Strandlund, 5,000 and Jan M. Winston, 5,000. As of December 31, 2014, the aggregate number of option awards outstanding for each non-employee director then serving as a director was as follows: Luke P. LaValle, Jr., 38,611; Dennis G. Romano, 25,000; N.E. Rick Strandlund, 25,000; and Jan M. Winston, 49,611.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

Board of Director

Composition of the Board

The Board of Directors in 2014 consisted of four independent directors, and the Company's President and CEO, Amy Eskilson.

The Board of Directors has determined that each of its four outside directors, Mr. Luke P. LaValle, Jr., Mr. Dennis G. Romano, Mr. N.E. Rick Strandlund and Mr. Jan M. Winston has no material relationship with the Company (other than as director) and is therefore “independent” within the meaning of the current listing standards of the Nasdaq Stock Market and applicable SEC rules. In its annual review of director independence, the Board of Directors considers all commercial, banking, consulting, legal, accounting or other business relationships any director may have with the Company. The Board of Directors considers a “material relationship” to be one that impairs or inhibits, or has the potential to impair or inhibit, a director’s exercise of critical and disinterested judgment on behalf of the Company and its shareholders. When assessing the “materiality” of a director’s relationship with the Company, the Board of Directors considers all relevant facts and circumstances not only from the standpoint of the director in his or her individual capacity, but also from the standpoint of the persons to whom the director is related and organizations with which the director is affiliated.

Ms. Eskilson does not serve on any Committees of the Board. Mr. Jan M. Winston served as Chairman of the Board during the year. The Board met 13 times during fiscal year 2014, including five meetings by telephone. Board members are encouraged, but not required by any specific Board policy, to attend the Company’s Annual Meeting. During 2014 each non-employee director of the Company was also a member of each Committee of the Board of Directors and each attended all of the meetings of the Board and the respective committees of the Board on which they served in fiscal 2014.

The Bylaws of the Company provide for a range of no less than four and no more than six directors.

The Board does not have a policy on whether or not the roles of Chief Executive Officer and Chairman of the Board should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from the non-employee directors or be an employee. The Board believes that it should be free to make a choice from time to time in any manner that is in the best interests of the Company and its shareholders.

Currently, Mr. Winston serves as the Chairman of the Board and Ms. Eskilson serves as a director and Chief Executive Officer. The Board of Directors believes this is the most appropriate structure for the Company at this time because it makes the best use of Mr. Winston’s skills and experience, including 15 years as a director of the Company.

Board’s Role in the Oversight of Risk Management

Companies face a variety of risks, including credit risk, liquidity risk, and operational risk. In fulfilling its risk oversight role, the Board focuses on the adequacy of the Company’s risk management process and overall risk management system. The Board believes an effective risk management system will (1) adequately identify the material risks that the Company faces in a timely manner, (2) implement appropriate risk management strategies that

are responsive to the Company's risk profile and specific material risk exposures, (3) integrate consideration of risk and risk management into business decision-making throughout the Company, and (4) include policies and procedures that adequately transmit necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant committee.

The Audit Committee has been designated to take the lead in overseeing risk management at the Board level. Accordingly, the Audit Committee schedules time for periodic review of risk management, in addition to its other duties. In this role, the Audit Committee receives reports from management and other advisors, and strives to generate serious and thoughtful attention to the Company's risk management process and system, the nature of the material risks the Company faces, and the adequacy of the Company's policies and procedures designed to respond to and mitigate these risks.

Although the Board's primary risk oversight has been assigned to the Audit Committee, the full Board also periodically receives information about the Company's risk management system and the most significant risks that the Company faces. This is principally accomplished through Audit Committee reports to the Board and summary versions of the briefings provided by management and advisors to the Committee.

In addition, the Board and the Audit Committee encourage management to promote a corporate culture that understands risk management and incorporates it into the overall corporate strategy and day-to-day business operations. The Company's risk management structure also includes an ongoing effort to assess and analyze the most likely areas of future risk for the Company. As a result, the Board and Audit Committee periodically ask the Company's executives to discuss the most likely sources of material future risks and how the Company is addressing any significant potential vulnerability.

Audit Committee

The Company has a separately designated standing Audit Committee. Luke P. LaValle, Jr. has served as the Audit Committee Chairman since assuming the role in December 2006. The Board of Directors has determined that the members of the Audit Committee each satisfy the requirements for independence under applicable SEC rules, as well as the independence standards of the NASDAQ National Stock Market. In 2014, the Audit Committee was comprised of all outside directors throughout the year. The Audit Committee is empowered by the Board of Directors to, among other things, serve as an independent and objective party to monitor the Company's financial reporting process, internal control system and disclosure control system, review and appraise the audit efforts of the Company's independent accountants, assume direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditors and for the resolution of disputes between the outside auditors and the Company's management regarding financial reporting issues, and provide an open avenue of communication among the independent accountants, financial and senior management, and the Company's Board of Directors.

The Audit Committee met four times during 2014 with all members in attendance at all of the meetings.

Audit Committee Financial Expert

The Board of Directors of the Company has determined that Mr. LaValle is an “audit committee financial expert” as such term is defined under applicable SEC rules.

Compensation Committee

The Compensation Committee is comprised of all independent outside directors, and is responsible for establishing appropriate salaries and bonuses for all executive officers and senior management of the Company. N.E. Rick Strandlund has served as the Chairman of the Compensation Committee since his appointment in May 2009.

The Compensation Committee has the responsibility of granting equity-based incentive compensation (i.e. stock options and grants of restricted stock units) to eligible employees including the executive officers, and to its directors. The Compensation Committee duties also include administering and interpreting the Company’s 2010 Equity Compensation Program (“the Stock Compensation Plan”). The duties relating to the Company’s Stock Compensation Plan include selecting from eligible employees those persons to whom awards will be granted and determining the type of award, the number of shares to be included in each award, any restrictions for some or all of the shares subject to the award and the award price. The Compensation Committee reviews and approves all matters regarding the compensation of the executive officers and other executives of the Company.

The Compensation Committee has the authority to hire independent advisors to help fulfill its duties. No independent advisors were hired in 2014.

The Compensation Committee held two meetings during 2014 to review and establish compensation policy for the year with all members in attendance at all meetings.

Nominating Committee

During 2014, the Nominating Committee was comprised of all independent, outside directors. The Nominating Committee met once during the year with all members in attendance. The Committee strives to compose the Board of Directors with a collection of individuals who bring a variety of complementary skills which, as a group, will possess the appropriate skills and experience to oversee the Company's business. Accordingly, although diversity may be a consideration in the Committee's process, the Committee and the Board of Directors do not have a formal policy with regard to the consideration of diversity in identifying director nominees.

Mr. Dennis Romano has served as Chairman of the Nominating Committee since his appointment by the Board of Directors on January 18, 2012.

Procedures for Considering Nominations Made by Stockholders

The Nominating Committee's charter describes procedures for nominations to be submitted by shareholders and other third-parties, other than candidates who have previously served on the Board or who are recommended by the Board. The charter states that a nomination must be delivered to the Secretary of the Company at the principal executive offices of the Company not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than thirty days before or more than sixty days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the one hundred twentieth day prior to such annual meeting and not later than the close of business on the later of the ninetieth day prior to such annual meeting or the close of business on the tenth day following the day on which public announcement of the date of such meeting is first made by the Company. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. The charter requires a nomination notice to set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (b) information that will enable the Nominating Committee to determine whether the candidate satisfies the criteria established by the Nominating Committee, as described below.

Qualifications

The charter describes the minimum qualifications for nominees and the qualities or skills that are necessary for directors to possess. Each nominee:

- must satisfy any legal requirements applicable to members of the Board;
- must have business or professional experience that will enable such nominee to provide useful input to the Board in its deliberations;
- must have a reputation in the Company's industry, for honesty and ethical conduct;
- must have a working knowledge of the types of responsibilities expected of members of a board of directors of a public corporation; and
- must have experience, either as a member of the board of directors of another public or private company or in another capacity that demonstrates the nominee's capacity to serve in a fiduciary position.

Identification and Evaluation of Candidates for the Board

Candidates to serve on the Board will be identified from all available sources, including recommendations made by shareholders. The Nominating Committee's charter provides that there will be no differences in the manner in which the Nominating Committee evaluates nominees recommended by shareholders and nominees recommended by the Committee or management, except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on the Board. The evaluation process for individuals other than existing Board members will include:

- a review of the information provided to the Nominating Committee by the proponent;
- a review of reference letters from at least two sources determined to be reputable by the Nominating Committee; and
- a personal interview of the candidate;

together with a review of such other information as the Nominating Committee shall determine to be relevant.

Third Party Recommendations

In connection with the 2015 Annual Meeting of Shareholders, the Nominating Committee did not receive any nominations from any shareholder or group of shareholders which owned more than 5% of the Company's Common Stock for at least one year.

Communication with the Board

The Board has established a procedure that enables shareholders to communicate in writing with members of the Board. Any such communication should be addressed to the Company's Secretary and should be sent to such individual c/o the Company at its principal place of business at 181 Legrand Ave, Northvale, NJ 07647. Any such communication must state, in a conspicuous manner, that it is intended for distribution to the entire Board. Under the procedures established by the Board, upon the Secretary's receipt of such communication, the Company's Secretary will send a copy of such communication to each member of the Board, identifying it as a communication received from a shareholder. Absent unusual circumstances, at the next regularly scheduled meeting of the Board held more than two days after such communication has been distributed, the Board will consider the substance of any such communication.
