Dear Fellow Stockholders:

You are cordially invited to attend the 2015 Annual Meeting of Stockholders (the “Annual Meeting”) to be held at Truett-Hurst’s corporate offices at the VML Winery located at 4035 Westside Road, Healdsburg, CA, 95448, on November 20, 2015 at 10:00 a.m., Pacific Standard Time.

The matters expected to be acted upon at the meeting are described in detail in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement.

In accordance with U.S. Securities and Exchange Commission rules, we are using the Internet as our primary means of furnishing proxy materials to stockholders. Because we are using the Internet, most stockholders will not receive paper copies of our proxy materials. We will instead send stockholders a notice with instructions for accessing the proxy materials and voting via the Internet. This notice also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. We believe the use of the Internet makes the proxy distribution process more efficient and less costly, and helps in conserving natural resources.

The proxy statement, proxy card and the 2015 annual report to stockholders are available at <http://www.astproxyportal.com/ast/18382/> and may also be accessed through our website at www.truettthurstinc.com under the “Investor Relations” section. If you would like to receive a paper or e-mail copy of these documents, you must request one. There is no charge to you for requesting a copy.

Your vote is important. Please cast your vote as soon as possible over the Internet, by telephone, or by completing and returning the enclosed proxy card in the postage-prepaid envelope to ensure that your shares are represented. Your vote by written proxy will ensure your representation at the Annual Meeting regardless of whether or not you attend in person. Returning the proxy does not deprive you of your right to attend the meeting and to vote your shares in person.

We hope you’ll join us at the Annual Meeting.

Sincerely,

[e-signature for Mr. Hurst]

About the Annual Meeting and Voting

Purposes - At the Annual Meeting, you will be asked:

1. To re-elect John D. Fruth and James F. Verhey as Class III directors of Truett-Hurst, Inc.
2. To ratify the appointment of Burr Pilger Mayer, Inc. as our independent registered public accounting firm for the fiscal year ending June 30, 2016;
3. To transact any other business that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

The Board of Directors knows of no other matters to be presented for action at the Annual Meeting. If any other matters properly come before the Annual Meeting, however, the persons named in the proxy will vote on such other matters in accordance with their best judgment.

Record Date; Stockholders Entitled to Vote - Only holders of record of our Class A common stock, Class B common stock or Class A restricted common stock at the close of business on September 30, 2015 will be entitled to vote at the Annual Meeting or any adjournment thereof. Each share of common stock will be entitled to one vote. As of September 30, 2015, 4,010,120, shares of our Class A common stock, 8 shares of our Class B common stock and 74,463 restricted stock award units were outstanding and entitled to vote. Holders of our Class A common stock, Class B common stock and Class A restricted common stock will vote as a single class on all matters discussed in this proxy statement.

Quorum - A majority of the voting power of the outstanding shares of Class A common stock, Class B common stock and Class A restricted common stock are entitled to vote, represented in person or by proxy, will be required to constitute a quorum for the Annual Meeting. Shares of common stock held by persons attending the annual meeting but not voting, shares represented by proxies that reflect abstentions as to a particular proposal and broker “non-votes,” if any, will be counted as present for purposes of determining a quorum.

Vote Required – The following proposals require your vote:

For Proposal No. 1, directors will be elected by a plurality of the votes of the shares of common stock cast at the Annual Meeting, which means that the nominees receiving the highest number of “FOR” votes will be elected. If stockholders withhold their votes, including brokers holding their clients’ shares of record who cause withheld votes to be recorded, these shares will be considered present and entitled to vote at the Annual Meeting and will be counted towards determining whether a quorum is present. Withheld votes and broker non-votes (as defined below) will not be treated as votes cast with regard to Proposal No. 1.

For Proposal No. 2, the affirmative vote of a majority of the shares represented in person or by proxy at the annual meeting and entitled to vote is required for the ratification of the selection of Burr Pilger Mayer, Inc., as our independent registered public accounting firm for the year ending June 30, 2016. Abstentions will have the same effect as voting against this proposal. Brokers generally have discretionary authority to vote on the ratification of our independent auditors, and thus broker non-votes are generally not expected to result from the vote on Proposal 2. Accordingly, any broker non-votes would not have any effect on the outcome of this proposal.

A representative of American Stock Transfer & Trust Company, LLC, our transfer agent, will tabulate the votes.

Dissenters’ Rights - No dissenters’ rights are provided under the Delaware General Corporation Law, our Certificate of Incorporation or our bylaws with respect to any of the proposals described in this Proxy Statement.

Board Recommendation - Your Board of Directors has unanimously approved and recommends that an affirmative vote be cast “FOR” each directors standing for re-election, and “FOR” the ratification of the selection of Burr Pilger Mayer, Inc., as our independent registered public accounting firm.

Voting Your Shares - If you are a registered stockholder, you may submit your proxy by U.S. Mail, internet or telephone and following the instructions in the Notice. If you requested a paper copy of the proxy materials, you also

may submit your proxy by mail by following the instructions included with your proxy card. The deadline for submitting your proxy by internet or telephone is 11:59 a.m. Pacific Time the day before the Annual Meeting date. The designated proxy will vote according to your instructions. You may also attend the annual meeting and vote in person.

If you are a street name or beneficial stockholder because your shares are held in a brokerage account or by a bank or other nominee, your broker or nominee firm will provide you with a Notice. Follow the instructions on the Notice to access our proxy materials and vote by internet or to request a paper or email copy of our proxy materials. If you receive these materials in paper form, the materials include a voting instruction card so that you can instruct your broker or nominee how to vote your shares.

If you sign and submit your proxy without specifying how you would like your shares voted, your shares will be voted in accordance with the Board of Director's recommendations specified below and in accordance with the discretion of the proxy holders with respect to any other matters that may be voted upon at the annual meeting.

Changing Your Vote by Revoking Your Proxy - If you are a registered stockholder, you may revoke or change your vote at any time before the proxy is voted by filing with our Secretary either a written notice of revocation or a duly executed proxy bearing a later date. If you attend the annual meeting in person, you may ask the judge of elections to suspend your proxy holder's power to vote and you may submit another proxy or vote by ballot. Your attendance at the annual meeting will not by itself revoke a previously granted proxy.

If your shares are held in street name or you hold shares through a retirement or savings plan or other similar plan, please check your voting instruction card or contact your broker, nominee, trustee or administrator to determine whether you will be able to revoke or change your vote.

Written notices of revocation and other communications with respect to the revocation of proxies should be addressed to:

Truett-Hurst, Inc.

P.O. Box 1532

Healdsburg, CA, 95448

Attention: Corporate Secretary

Voting in Person

Broker Non-Votes - Under the rules that govern brokers who have record ownership of shares that they hold in “street name” for their clients who are the beneficial owners of the shares, brokers normally have discretion to vote such shares on routine matters, such as ratifications of independent registered public accounting firms, but not on non-routine matters. Broker non-votes generally occur when shares held by a broker nominee for a beneficial owner are not voted on a proposal because the broker nominee has not received voting instructions from the beneficial owner and lacks discretionary authority to vote the shares. We urge you to provide instructions to your broker so that your votes may be counted on this important matter.

Adjournment of Annual Meeting

If a quorum is not present to transact business at the Annual Meeting or if we do not receive sufficient votes in favor of the proposals by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit solicitation of additional proxies. The chairperson of the Annual Meeting shall have the power to adjourn the Annual Meeting.

Assistance

If you need assistance in voting over the Internet or completing your proxy card or have questions regarding the annual meeting, please contact Investor Relations at 707.431.4423 or ir@truettthurstinc.com or write to: Truett-Hurst, Inc., P.O. Implications of being an “emerging growth company”

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act, enacted on April 5, 2012 (the “JOBS Act”). For as long as we are an “emerging growth company,” we may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not “emerging growth companies,” including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes Oxley Act of 2002, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding stockholder advisory “say-on-pay” votes on executive compensation and stockholder advisory votes on golden parachute compensation.

Under the JOBS Act, we will remain an “emerging growth company” until the earliest of:

- the last day of the fiscal year during which we have total annual gross revenues of \$1 billion or more;
- the last day of the fiscal year following the fifth anniversary of our initial public offering;

the date on which we have, during the previous three-year period, issued more than \$1 billion in non-convertible debt; and

the date on which we are deemed to be a “large accelerated filer” under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) (we will qualify as a large accelerated filer as of the first day of the first fiscal year after we have (i) more than \$700 million in outstanding common equity held by our non-affiliates and (ii) been public for at least 12 months; the value of our outstanding common equity will be measured each year on the last day of our second fiscal quarter).

You should rely only on the information provided in this Proxy Statement. We have not authorized anyone to provide you with different or additional information. You should not assume that the information in this Proxy Statement is accurate as of any date other than the date of this Proxy Statement or, where information relates to another date set forth in this Proxy Statement, then as of that date.

PROPOSAL NO. 1– RE-ELECTION OF DIRECTORS

Our Bylaws provide that our Board shall be comprised of not less than five nor more than nine directors, with the exact number to be fixed by resolution of the Board. The Board is currently comprised of eight directors. The Board sets its size so that the Board will possess, in the aggregate, the strategic, managerial and financial skills and experience necessary to fulfill its duties and to achieve its objectives and to maintain a sufficient number of independent directors.

Pursuant to our Certificate of Incorporation, the Board of Directors is divided into three classes, designated as Class I, Class II and Class III, the terms of which expire alternately over a three-year period. At each Annual Meeting of Stockholders, successors to directors whose terms expire at that meeting shall be elected for three-year terms. Our Board is currently divided into the following classes: Class I directors consist of Mr. H. Dolan and Mr. Graham; Class II directors consist of Mr. Hurst, Mr. P. Dolan, III, Mr. Carroll, and Mr. Benedetti; and Class III directors consist of Mr. Fruth and Mr. Verhey.

Based on the recommendation of the Nominating and Governance Committee, the Board has resolved and nominated our two Class III directors, Mr. Fruth and Mr. Verhey, for re-election to the Board. The Board believes that the re-election of Mr. Fruth and Mr. Verhey is important to the future success of our company and is in the best interests of all of our stockholders. Information regarding the business experience of each nominee and the particular experience, qualifications, attributes, or skills that qualify that person to serve as a director of the Company is provided below.

Class I and Class II directors will stand for re-election or election at the 2016 and 2017 annual meetings of stockholders, respectively. Unless otherwise provided by law, any vacancy on the Board of Directors, including a vacancy created by an increase in the authorized number of directors, may only be filled by the affirmative vote of a majority of the remaining directors then in office, although less than a quorum. Any director elected in accordance with the preceding sentence shall hold office until the next election of the class for which such director shall have been chosen and until his or her successor shall be elected and qualified, or his or her earlier death, resignation or removal.

If elected at the Annual Meeting, each nominee would serve for three years and until his successor is duly elected and qualified, or until such director's earlier death, resignation or removal. If either nominee is unable or unwilling to be a candidate for election by the time of the Annual Meeting (a contingency which the Board of Directors does not expect to occur), the stockholders may vote for a substitute nominee chosen by the present Board of Directors to fill the vacancy. In the alternative, the stockholders may vote for just the remaining nominee, leaving a vacancy that may be

filled at a later date by the Board of Directors. Alternatively, the Board of Directors may reduce the size of the Board of Directors.

Criteria for Nomination to the Board

Director Qualifications

There are no specific, minimum qualifications that the Board shall require to be met by a director nominee recommended for membership on the Board, nor are there any specific qualities or skills that are necessary for one or more of the Company's directors to possess, other than as are necessary to meet any requirements under rules and regulations (including any stock exchange rules) applicable to the Company. Notwithstanding the foregoing, the Nominating and Governance Committee assessment of the nominees included consideration of the following minimum qualifications:

· nominees must have experience at a strategic or policy making level in a business, government, non-profit or academic organization of high standing;

· nominees must be highly accomplished in their respective field, with superior credentials and recognition;

· nominees must be well regarded in the community and shall have a long-term reputation for the highest ethical and moral standards;

nominees must have sufficient time and availability to devote to the affairs of the Company;

nominees must be free of conflicts of interest and potential conflicts of interest, in particular with relationships with other Boards; and

nominees must, to the extent such nominee serves or has previously served on other Boards, demonstrate a history of actively contributing at Board meetings.

The Board of Directors seeks members from diverse professional backgrounds who combine a broad spectrum of relevant industry and strategic experience and expertise that, in concert, offer us and our stockholders diversity of opinion and insight in the areas most important to us and our corporate mission. Candidates for director nominee who do not meet all of these criteria may still be considered for nomination to the Board of Directors, if the Nominating and Governance Committee believes that the candidate will make an exceptional contribution to us and our stockholders. The Nominating and Governance Committee considers diversity in evaluating candidates for director with respect to the contribution that individual diversity of professional skills and experiences makes to overall Board effectiveness. Certain information is given below for the nominees for directors, directors standing for re-election and for each director whose term of office will continue after the Annual Meeting.

Process for Identifying and Evaluating Director Nominees

The Board of Directors delegates the selection and nomination process to the Nominating and Governance Committee, with the expectation that other members of the Board of Directors, and of management, will be requested to take part in the process as appropriate.

Generally, the Nominating and Governance Committee identifies candidates for director nominee in consultation with management, through the use of search firms or other advisors, through the recommendations submitted by stockholders or through such other methods as the Nominating and Governance Committee deems to be helpful to identify candidates. The Nominating and Governance Committee may gather information about the candidates through interviews, detailed questionnaires, comprehensive background checks or any other means that the Nominating and Governance Committee deems to be helpful in the evaluation process. The Nominating and Governance Committee then meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board of Directors. Based on the results of the evaluation process, the Nominating and Governance Committee recommends candidates for the Board of Directors' approval as director nominees for election to the Board of Directors. The Nominating and Governance Committee also recommends candidates to the Board of Directors for appointment to the committees of the Board of Directors.

Executive Annual Cash Incentive Compensation Program

On November 9, 2014, the Board approved an Executive Annual Incentive Compensation Plan which was designed by the Compensation Committee with the assistance of Pearl Meyer & Partners. The Plan established for the 2015 fiscal year provides for the possibility of cash bonus payments to six key employees based on achievement of Net Sales and EBITDA results measured against targets established by the Board. The purpose of the plan is to align executive and shareholder interests while offering a competitive pay opportunity to attract top talented employees. The plan emphasizes accountability for achieving strategic business objectives and the ability to reward individual results and contributions.

The Plan allows for the Compensation Committee to exercise discretion to adjust bonus payments based on the business results for the year. Despite achieving Net Sales within plan parameters, the Compensation Committee determined that there would be no payments made pursuant to the plan due to overall Company performance.

Administration

Our Board of Directors or a committee of our Board of Directors will administer the 2012 Plan. In the case of awards intended to qualify as “performance based compensation” within the meaning of Section 162(m) of the Code the committee will consist of two (2) or more “outside directors” within the meaning of Section 162(m) of the Code. The administrator will have the power to determine and interpret the terms and conditions of the awards, including the employees, directors and consultants who will receive awards, the exercise price, the number of shares subject to each such award, the vesting schedule and exercisability of the awards, the restrictions on transferability of awards and the form of consideration payable upon exercise. The administrator also will have the authority to institute an exchange program whereby the exercise prices of outstanding awards may be reduced or outstanding awards may be surrendered or cancelled in exchange for other awards of the same type (which may have higher or lower exercise prices) or awards of a different type.

Stock Options

The 2012 Plan allows for the grant of incentive stock options that qualify under Section 422 of the Code only to our employees and employees of any parent or subsidiary of ours. Non-qualified stock options may be granted to our employees, directors, and consultants and those of any parent or subsidiary of ours. The exercise price of all options granted under the 2012 Plan must at least be equal to the fair market value of our Class A common stock on the date of grant. The term of an incentive stock option may not exceed ten (10) years, except that with respect to any employee who owns more than ten percent (10%) of the voting power of all classes of our outstanding stock or any parent or subsidiary corporation as of the grant date, the term must not exceed five (5) years, and the exercise price must equal at least one hundred ten percent (110%) of the fair market value on the grant date.

After the continuous service of an employee, director or consultant terminates, he or she may exercise his or her option, to the extent vested, for the period of time specified in the option agreement. However, an option may not be exercised later than the expiration of its term.

On June 25, 2014, we granted stock options to Mr. Forgue, our Chief Financial Officer and Chief Operations Officer, which vest annually over four years and had a fair value at date of grant of \$0.4 million. Equity compensation is expensed in our consolidated financial results of operations over the vesting period.

Stock Appreciation Rights

The 2012 Plan allows for the grant of stock appreciation rights. Stock appreciation rights allow the recipient to receive the appreciation in the fair market value of our Class A common stock between the date of grant and the exercise date. The administrator will determine the terms of stock appreciation rights, including when such rights become exercisable and whether to pay the increased appreciation in cash or with shares of our Class A common stock, or a combination thereof, except that the base appreciation amount for the cash or shares to be issued pursuant to the exercise of a stock appreciation right will be no less than one hundred percent (100%) of the fair market value per share on the date of grant. After the continuous service of an employee, director or consultant terminates, he or she may exercise his or her stock appreciation right, to the extent vested, only to the extent provided in the stock appreciation right agreement.

Restricted Stock Awards

The 2012 Plan allows for the grant of restricted stock. Restricted stock awards are shares of our Class A common stock that vest in accordance with terms and conditions established by the administrator. The administrator will determine the number of shares of restricted stock granted to any employee, director or consultant. The administrator may impose whatever conditions on vesting it determines to be appropriate. For example, the administrator may set restrictions based on the achievement of specific performance goals. Shares of restricted stock that do not vest are subject to our right of repurchase or forfeiture.

On February 4, 2013, we made a grant of shares of restricted stock to Kevin Shaw, an independent contractor who serves as our creative director. The award vests over three years, and had a fair value at the time of grant of \$940,000 of which 140,000 shares have vested. Equity instruments issued to non-employees are accounted for in accordance with FASB ASC Topic 505-50, Equity Based Payments to Non-Employees. Equity instruments issued to non-employees are recorded at their fair value on the measurement date and are subject to periodic market adjustments as the underlying equity instruments vest. The equity compensation is expensed in our consolidated financial results of operations over the vesting period.

On December 9, 2013, we granted shares of restricted stock to certain directors of our company which vests over three years and has a fair value at date of grant of \$0.03 million. As of December 31, 2014, we reduced the vesting term to two years to match the director's term. Equity compensation is expensed in our consolidated financial results of operations over the vesting period.

Restricted Stock Units

The 2012 Plan allows for the grant of restricted stock units. Restricted stock units are awards that will result in payment to a recipient at the end of a specified period only if the vesting criteria established by the administrator are achieved or the award otherwise vests. The administrator may impose whatever conditions to vesting, restrictions and conditions to payment it determines to be appropriate. The administrator may set restrictions based on the achievement of specific performance goals or on the continuation of service or employment. Payments of earned restricted stock units may be made, in the administrator's discretion, in cash, with shares of our Class A common stock or other securities, or a combination thereof.

On June 25, 2014, we granted restricted stock units to Paul Forgue, our Chief Financial Officer and Chief Operations Officer which vests annually over four years and had a fair value at date of grant of \$0.4 million. Equity compensation is expensed in our consolidated financial results of operations over the vesting period.

Dividend Equivalent Rights

The 2012 Plan allows for the grant of dividend equivalent rights. Dividend equivalent rights are awards that entitle the recipients to compensation measured by the dividends we pay with respect to our Class A common stock.

Transferability of Awards

The 2012 Plan allows for the transfer of awards under the 2012 Plan only (i) by will, (ii) by the laws of descent and distribution and (iii) for awards other than incentive stock options, to the extent authorized by the administrator. Only the recipient of an incentive stock option may exercise such award during his or her lifetime.

Certain Adjustments

In the event of certain changes in our capitalization, to prevent diminution or enlargement of the benefits or potential benefits available under the 2012 Plan, the administrator will make adjustments to one or more of the number or class of shares that are covered by outstanding awards, the exercise or purchase price of outstanding awards, the numerical share limits contained in the 2012 Plan, and any other terms that the administrator determines require adjustment. In the event of our complete liquidation or dissolution, all outstanding awards will terminate immediately upon the consummation of such transaction.

Corporate Transactions and Changes in Control

The 2012 Plan provides that in the event of a corporate transaction, as defined in the 2012 Plan, each outstanding award will terminate upon the consummation of the corporate transaction to the extent that such awards are not assumed by the acquiring or succeeding corporation. Prior to or upon the consummation of a corporate transaction or a change in control, as defined in the 2012 Plan, an outstanding award may vest, in whole or in part, to the extent provided in the award agreement or as determined by the administrator in its discretion. The administrator may condition the vesting of an award upon the subsequent termination of the recipient's service or employment within a specified period of time following the consummation of a corporate transaction or change in control. The administrator will not be required to treat all awards similarly in the event of a corporate transaction or change in control.

Plan Amendments and Termination

The 2012 Plan will automatically terminate ten (10) years following the date it becomes effective, unless we terminate it sooner. In addition, our Board of Directors has the authority to amend, suspend or terminate the 2012 Plan provided such action does not impair the rights under any outstanding award unless mutually agreed to in writing by the recipient and us.

Employment, Severance and Change-in-Control Arrangements

Currently none of our NEOs serve pursuant to a written or oral employment agreement. Mr. Forgue's compensation package is as follows:

· an annual base salary of \$275,000

If Mr. Forgue's employment is terminated by us without "good cause" or by Mr. Forgue for "good reason", Mr. Forgue will be entitled to all compensation earned and all benefits and reimbursements due through the effective date of termination. If upon such a termination, Mr. Forgue executes a general release of claims, he will also be entitled to the following:

· a lump sum severance payment equal to six months of the month salary rate in effect;

· payment of six months of COBRA continuation coverage; and

· acceleration of all of Mr. Forgue's outstanding equity awards that are not otherwise exercisable.

Advisory Vote on Executive Compensation

As an emerging growth company, we are not required to hold a non-binding advisory vote ("say-on-pay vote") on the compensation of our named executive officers.

Limitations of Liability and Indemnification Matters

Our certificate of incorporation and our bylaws also provide that we shall indemnify our directors and executive officers and shall indemnify our other officers and employees and other agents to the fullest extent permitted by law. We believe that indemnification under our bylaws covers at least negligence and gross negligence on the part of indemnified parties. Our bylaws also permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in this capacity, regardless of whether our bylaws would permit indemnification.

We believe that these provisions are necessary to attract and retain qualified persons as directors and executive officers. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling our company pursuant to the foregoing provisions, the opinion of the SEC is that such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

In addition, we maintain standard policies of insurance under which coverage is provided to our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act, and to us with respect to payments which may be made by us to such directors and officers pursuant to the above indemnification provisions or otherwise as a matter of law. We also make available standard life insurance and accidental death and disability insurance policies to our employees.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding beneficial ownership of the Class A and Class B common stock as of June 30, 2015 (i) by each person who is known by us to beneficially own more than 5% of the outstanding shares of our Class A common stock, (ii) by each of our directors, (iii) by each of our Executive Officers, and (iv) by all directors and executive officers as a group.

The table is based upon information supplied by directors, officers and principal stockholders. Applicable percentage ownership for each stockholder is based on 4,010,120 shares of Class A common stock and 8 shares of Class B Common Stock, outstanding as of June 30, 2015, together with applicable vested restricted stock units for such stockholders. Beneficial ownership is determined in accordance with Securities Exchange Commission (“SEC”) rules and generally includes voting or investment power with respect to securities, subject to community property laws where applicable. Shares of common stock subject to restricted stock awards are deemed outstanding for the purpose of computing the percentage ownership of the person holding such options, but are not treated as outstanding for computing the percentage ownership of any other person.

Policies and Procedures Regarding Related Party Transactions

Our Board of Directors reviews related party transactions for potential conflict of interest issues. Our Board of Directors has adopted a written related party transaction policy to set forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we were or are to be a participant, the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness or employment by us or a related person.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Grape and Bulk Wine Agreements

We enter into grape and bulk wine purchase agreements from time to time with entities in which our executives and/or founders have financial interests. We have entered into such arrangements with:

Ghianda Rose Vineyard, which is owned by Diana Fetzer, wife of Paul E. Dolan, III a member of our board of directors.

Gobbi Street Vineyards, which is partly owned by Diana Fetzer, and Paul E. Dolan, III's daughter, Nya Kusakabe.

Dark Horse Farming Company, which is owned Paul E. Dolan III (50%), Heath E. Dolan (25%) and Jason Dolan (25%). Paul E. Dolan III and Heath E. Dolan are directors of the LLC and Truett-Hurst, Inc. Jason Dolan is the brother of Heath E. Dolan.

We believe these arrangements reflect substantially the same market terms we would receive in transactions with unaffiliated third parties. However, if we fail to receive market terms for these transactions or other similar transactions in the future, our profits could be reduced.

Security Agreements and Limited Guaranties

In connection with our entry into the Bank of the West Loan on July 16, 2012, certain of our executive officers, as well as certain trusts and other entities under their respective control, had entered into guarantee agreements. A number of these guarantees were modified when we renewed our loans with Bank of the West on July 15, 2015. When the guarantees were modified the limited guaranty from the Hambrecht Trust and the unlimited guaranty from Hambrecht Wine Group were released. The guarantees in place as of July 15, 2015 are described below.

Limited Guaranty – Hurst Trust: On July 15, 2015, the Hurst Trust , a member of the LLC, and Phillip L. Hurst , director and CEO of the LLC and Truett-Hurst, Inc. and a co-trustee of the Hurst Trust, entered into a Limited Guaranty pursuant to which the Hurst Trust and Mr. Hurst, together, guarantees the full payment to Bank of the West of all sums presently due and owing and all sums which shall in the future become due and owing to Bank of the West from us. The liability of the Hurst Trust and Mr. Hurst, as guarantor, is limited to 61% of the sum of all obligations due to Bank of the West, plus the costs, expenses and interest associated with the collection of amounts recoverable under this guarantee.

Limited Guaranty – Dolan 2005 Trust: On July 15, 2015, the Dolan 2005 Trust, a member of the LLC, and Heath E. Dolan, a director of the LLC and Truett-Hurst, Inc. and a co-trustee of the Dolan 2005 Trust, entered into a Limited Guaranty pursuant to which the Dolan 2005 Trust and Mr. Dolan, together, guarantees the full payment to Bank of the West of all sums presently due and owing and all sums which shall in the future become due and owing to Bank of the West from us. The liability of the Dolan 2005 Trust and Mr. Dolan, as guarantor, is limited to 23% of the sum of all obligations due to Bank of the West, plus the costs, expenses and interest associated with the collection of amounts recoverable under this guarantee.

Limited Guaranty – Dolan 2003 Trust: On July 15, 2015, the Dolan 2003 Trust, a member of the LLC, and Paul E. Dolan, III, a director of the LLC and Truett-Hurst, Inc. and trustee of the Dolan 2003 Trust, entered into a Limited Guaranty pursuant to which the Dolan 2003 Trust and Mr. Dolan, together, guarantees the full payment to Bank of the West of all sums presently due and owing and all sums which shall in the future become due and owing to Bank of the West from us. The liability of the Dolan 2003 Trust and Mr. Dolan, as guarantor, is limited to 23% of the sum of all obligations due to Bank of the West, plus the costs, expenses and interest associated with the collection of amounts recoverable under this guarantee.

Limited Guaranty – Carroll-Obremskey Trust: On July 15, 2015, the Carroll-Obremskey Trust, a member of the LLC, and Daniel A. Notes Payable

In May 2012, we executed a \$0.2 million secured promissory note payable to Mark De Meulenaere, a member of the LLC, in connection with our repurchase of his Put Interest. The note bore interest at 4.5% per annum and was payable monthly in principal and interest payments of \$6,245 (not in thousands), with the entire principal balance due and paid in full on May 3, 2015.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and officers, and persons who beneficially own more than ten percent (10%) of our common stock, who are hereinafter collectively referred to as the Reporting Persons, to file with the SEC reports of beneficial ownership and reports of changes in beneficial ownership of our common stock on Forms 3, 4 and 5. Reporting Persons are required by applicable SEC rules to furnish us with copies of all such forms filed with the SEC pursuant to Section 16(a) of the Exchange Act. To our knowledge, based solely on our review of the copies of the Forms 3, 4 and 5 received by us during the fiscal year ended June 30, 2015 and written representations that no other reports were required, we believe that all reports required to be filed by such persons with respect to the Company's fiscal year ended June 30, 2015, were timely filed.

Stockholder Proposals and Nominations

Proposals Pursuant to Rule 14a-8. Pursuant to Rule 14a-8 under the Exchange Act, stockholders may present proper proposals for inclusion in the proxy statement and for consideration at our next annual meeting of stockholders. To be eligible for inclusion in the 2016 proxy statement, your proposal must be received by us no later than April 9, 2016, and must otherwise comply with Rule 14a-8. While our Board of Directors will consider stockholder proposals, we reserve the right to omit from the proxy statement stockholder proposals that we are not required to include under the Exchange Act, including Rule 14a-8.

Other Proposals and Nominations. For proposals not made in accordance with Rule 14a-8, pursuant to Rule 14a-4(c), in order for a stockholder proposal to be presented at our meeting without it being included in our proxy materials, notice of such proposal must be delivered to our Corporate Secretary at our principal offices no later than April 9, 2016. If notice of any stockholder proposal is received after April 9, 2016, then the notice will be considered untimely and we are not required to present such proposal at the 2016 Annual Meeting, and then the persons named in proxies solicited by our Board of Directors for the 2016 Annual Meeting may exercise discretionary voting power with respect to such proposal. You may write to our Corporate Secretary at our principal executive offices, Truett-Hurst, Inc., P.O. Box 1532, Healdsburg, California 95448, and Attention: Corporate Secretary, to deliver the notices discussed above.

Proxy Solicitation Costs

The enclosed proxy is being solicited by the Board of Directors of the Company. We will bear the entire cost of solicitation of proxies on behalf of the Company, including preparation, assembly, printing and mailing of this Proxy Statement, the enclosed proxy card, the enclosed annual report for calendar year 2015, coordination of the Internet and telephone voting process, and any additional information furnished to you by the Company. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by internet and mail may be supplemented by telephone, facsimile, or personal solicitation by our directors, officers or other regular employees.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for notices of annual meetings, proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies. This year, a single notice of the annual meeting of stockholders, or copy of the proxy statement and annual report, will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your bank or broker, and direct your written request to Truett-Hurst, Inc., P.O. Box 1532, Healdsburg, California 95448, Attention: Investor Relations, or contact Investor Relations by telephone at 707.431.4436. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their bank or broker.

Annual Report on Form 10-K

We will provide to any stockholder without charge a copy of our 2015 annual report on Form 10-K upon written request to our Corporate Secretary at Truett-Hurst, Inc., P.O. Box 1532, Healdsburg, California, 95448. Our annual report booklet and this proxy statement are also available online at www.truettthurstinc.com.
