Item 1.01 Entry into a Material Definitive Agreement.

The Merger

On January 18, 2016, Progressive Waste Solutions Ltd., a corporation organized under the laws of Ontario (“Progressive Waste”), Water Merger Sub LLC, a Delaware limited liability company and a wholly-owned subsidiary of Progressive Waste (“Merger Sub”), and Waste Connections, Inc., a Delaware corporation (“Waste Connections”), entered into an Agreement and Plan of Merger (the “Merger Agreement”).

Subject to the terms and conditions of the Merger Agreement, Merger Sub will merge with and into Waste Connections (the “Merger”), with Waste Connections surviving the Merger as a wholly-owned subsidiary of Progressive Waste.

At the effective time of the Merger, each share of common stock of Waste Connections issued and outstanding immediately prior to the Merger will be converted into the right to receive 2.076843 validly issued, fully paid and nonassessable common shares of Progressive Waste. Subject to the approval of Progressive Waste’s shareholders, Progressive Waste expects to implement immediately following the Merger a share consolidation on the basis of 0.4815 of a share on a post-consolidation basis for each one share outstanding on a pre-consolidation basis. If the share consolidation is approved by Progressive Waste’s shareholders, Waste Connections stockholders will instead receive one share of Progressive Waste for each existing Waste Connections share. The Merger is not conditioned upon approval of the consolidation by Progressive Waste’s shareholders.

Immediately following the Merger, Progressive Waste will amalgamate with a new, wholly-owned subsidiary of Progressive Waste with the resulting combined corporation assuming the name Waste Connections, Inc.

Upon the completion of the Merger, Waste Connections stockholders will own approximately 70% of the combined company, and Progressive Waste shareholders will own approximately 30%. The merger is expected to close in the second quarter of 2016.

Conditions to the Merger

Each of Waste Connections' and Progressive Waste's obligation to consummate the Merger is subject to a number of conditions, including, among others, the following, as further described in the Merger Agreement: (i) approval by Progressive Waste shareholders of the issuance of Progressive Waste common shares in the Merger, (ii) approval by Waste Connections' stockholders of the adoption of the Merger Agreement, (iii) effectiveness of the registration statement for the shares of Progressive Waste to be issued in the Merger, (iv) absence of specified adverse laws or orders, (v) receipt of required regulatory approvals, including expiration of the waiting period (or early termination thereof) under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (vi) absence of changes to U.S. tax laws that would limit the ability to deduct for U.S. federal income tax purposes interest on any current or reasonably anticipated debt obligation of the combined company or any of its subsidiaries or changes to Canadian tax laws that would result in Progressive Waste or any of its subsidiaries recognizing material taxable income in Canada in respect of any instrument issued by the combined company or any of its subsidiaries that is currently outstanding or reasonably anticipated to be outstanding, (vii) approval by the Toronto Stock Exchange of the "backdoor" listing of Waste Connections pursuant to the Merger, (viii) the Progressive Waste common shares to be issued in the Merger being approved for listing on the Toronto Stock Exchange and the New York Stock Exchange, (ix) the representations and warranties of the other party being true and correct, subject to the materiality standards contained in the Merger Agreement, (x) material compliance by the other party with its covenants, (xi) receipt by each party of a tax opinion from its respective U.S. legal counsel, and (xii) no material adverse effect having occurred with respect to the other party since the signing of the Merger Agreement.

Representations and Warranties; Covenants

The Merger Agreement contains customary representations, warranties and covenants by each of Progressive Waste, Merger Sub and Waste Connections. The Merger Agreement also contains customary pre-closing covenants, including the obligation of each of Progressive Waste and Waste Connections to conduct its respective businesses in the ordinary course consistent with past practice and to refrain from taking specified actions without the consent of the other party. Each of Progressive Waste and Waste Connections has agreed not to solicit any offer or proposal for specified alternative transactions, or, subject to certain exceptions relating to the receipt of unsolicited offers that may be deemed to be "superior proposals" (as defined in the Merger Agreement), to participate in discussions or engage in negotiations regarding such an offer or proposal with, or furnish any nonpublic information regarding such an offer or proposal to, any person that has made such an offer or proposal.

Pursuant to the Merger Agreement, at the closing, the board of directors of the combined company will be composed of seven (7) directors, of which five (5) will be members of the Waste Connections board of directors immediately prior to the closing and two (2) will be members of the Progressive Waste board of directors which are members thereof as of the date of the Merger Agreement, are Canadian residents and are approved by Waste Connections. At the closing, the executive officers of Waste Connections will become the executive officers of the combined company.

Termination and Termination Fees

The Merger Agreement contains certain customary termination rights for each of Waste Connections and Progressive Waste, including, among others, in the event that (i) Waste Connections' stockholders fail to adopt the Merger Agreement or Progressive Waste's shareholders fail to approve the issuance of Progressive Waste common shares, (ii) the board of directors of the other party changes its recommendation, in the case of Waste Connections, to adopt the Merger Agreement, and, in the case of Progressive Waste, to approve the issuance of Progressive Waste common shares, (iii) a governmental entity shall have entered a final, non-appealable injunction or similar order permanently restraining or otherwise prohibiting the Merger, or (iv) the Merger has not occurred by October 18, 2016 (with a potential extension to January 18, 2017, under certain circumstances). In certain circumstances, upon termination of the Merger Agreement, Waste Connections may be required to pay a termination fee of \$150 million to Progressive Waste, and in certain other circumstances, Progressive Waste may be required to pay a termination fee of \$105 million to Waste Connections. In addition, in certain circumstances, either Waste Connections or Progressive Waste may be required to pay to the other party an expense reimbursement fee of \$15 million.

The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1, and the terms of which are incorporated herein by reference. The representations and warranties contained in the Merger Agreement were made only for the purposes of the Merger Agreement as of specific dates, are solely for the benefit of the parties, and may have been qualified by certain disclosures between the parties and a contractual standard of materiality different from those generally applicable to investors or stockholders, among other limitations. The representations and warranties were made for the purposes of allocating contractual risk between the parties to the Merger Agreement and should not be relied upon as a disclosure of factual information relating to Waste Connections or Progressive Waste. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures.
