Administration

Our Board of Directors or a committee of our Board of Directors will administer the 2012 Plan. In the case of awards intended to qualify as “performance based compensation” within the meaning of Section 162(m) of the Internal Revenue Code (the “Code”), the committee will consist of two (2) or more “outside directors” within the meaning of Section 162(m) of the Code. The administrator will have the power to determine and interpret the terms and conditions of the awards, including the employees, directors and consultants who will receive awards, the exercise price, the number of shares subject to each such award, the vesting schedule and exercisability of the awards, the restrictions on transferability of awards and the form of consideration payable upon exercise. The administrator also will have the authority to institute an exchange program whereby the exercise prices of outstanding awards may be reduced or outstanding awards may be surrendered or cancelled in exchange for other awards of the same type (which may have higher or lower exercise prices) or awards of a different type.

Stock Options

The 2012 Plan allows for the grant of incentive stock options that qualify under Section 422 of the Code only to our employees and employees of any parent or subsidiary of ours. Non-qualified stock options may be granted to our employees, directors, and consultants and those of any parent or subsidiary of ours. The exercise price of all options granted under the 2012 Plan must at least be equal to the fair market value of our Class A common stock on the date of grant. The term of an incentive stock option may not exceed ten (10) years, except that with respect to any employee who owns more than ten percent (10%) of the voting power of all classes of our outstanding stock or any parent or subsidiary corporation as of the grant date, the term must not exceed five (5) years, and the exercise price must equal at least one hundred ten percent (110%) of the fair market value on the grant date.

After the continuous service of an employee, director or consultant terminates, he or she may exercise his or her option, to the extent vested, for the period of time specified in the option agreement. However, an option may not be exercised later than the expiration of its term.

On June 25, 2014, we granted stock options to Mr. Forgue, our Chief Financial Officer and Chief Operations Officer, which vest annually over four years and had a fair value at date of grant of \$0.4 million. Equity compensation is expensed in our consolidated financial results of operations over the vesting period.

On December 15, 2015, we granted stock options to Mr. Forgue, our Chief Financial Officer and Chief Operations Office, which vest annually over four years and had a fair value at date of grant of \$0.07 million. Equity compensation is expensed in our consolidated financial results of operations over the vesting period.

On March 15, 2016, we granted stock options to Mr. Forgue, our Chief Financial Officer and Chief Operations Office, which vest annually over four years and had a fair value at date of grant of \$0.03 million. Equity compensation is expensed in our consolidated financial results of operations over the vesting period.

Stock Appreciation Rights

The 2012 Plan allows for the grant of stock appreciation rights. Stock appreciation rights allow the recipient to receive the appreciation in the fair market value of our Class A common stock between the date of grant and the exercise date. The administrator will determine the terms of stock appreciation rights, including when such rights become exercisable and whether to pay the increased appreciation in cash or with shares of our Class A common stock, or a

combination thereof, except that the base appreciation amount for the cash or shares to be issued pursuant to the exercise of a stock appreciation right will be no less than one hundred percent (100%) of the fair market value per share on the date of grant. After the continuous service of an employee, director or consultant terminates, he or she may exercise his or her stock appreciation right, to the extent vested, only to the extent provided in the stock appreciation right agreement.

Restricted Stock Awards

The 2012 Plan allows for the grant of restricted stock. Restricted stock awards are shares of our Class A common stock that vest in accordance with terms and conditions established by the administrator. The administrator will determine the number of shares of restricted stock granted to any employee, director or consultant. The administrator may impose whatever conditions on vesting it determines to be appropriate. For example, the administrator may set restrictions based on the achievement of specific performance goals. Shares of restricted stock that do not vest are subject to our right of repurchase or forfeiture.

Restricted Stock Units

The 2012 Plan allows for the grant of restricted stock units. Restricted stock units are awards that will result in payment to a recipient at the end of a specified period only if the vesting criteria established by the administrator are achieved or the award otherwise vests. The administrator may impose whatever conditions to vesting, restrictions and conditions to payment it determines to be appropriate. The administrator may set restrictions based on the achievement of specific performance goals or on the continuation of service or employment. Payments of earned restricted stock units may be made, in the administrator's discretion, in cash, with shares of our Class A common stock or other securities, or a combination thereof.

On December 15, 2015, we granted 45,180 restricted stock units to certain directors on our Board. They vest over a one year period.

Dividend Equivalent Rights

The 2012 Plan allows for the grant of dividend equivalent rights. Dividend equivalent rights are awards that entitle the recipients to compensation measured by the dividends we pay with respect to our Class A common stock.

Transferability of Awards

The 2012 Plan allows for the transfer of awards under the 2012 Plan only (i) by will, (ii) by the laws of descent and distribution and (iii) for awards other than incentive stock options, to the extent authorized by the administrator. Only the recipient of an incentive stock option may exercise such award during his or her lifetime.

Certain Adjustments

In the event of certain changes in our capitalization, to prevent diminution or enlargement of the benefits or potential benefits available under the 2012 Plan, the administrator will make adjustments to one or more of the number or class of shares that are covered by outstanding awards, the exercise or purchase price of outstanding awards, the numerical share limits contained in the 2012 Plan, and any other terms that the administrator determines require adjustment. In the event of our complete liquidation or dissolution, all outstanding awards will terminate immediately upon the

consummation of such transaction.

Corporate Transactions and Changes in Control

The 2012 Plan provides that in the event of a corporate transaction, as defined in the 2012 Plan, each outstanding award will terminate upon the consummation of the corporate transaction to the extent that such awards are not assumed by the acquiring or succeeding corporation. Prior to or upon the consummation of a corporate transaction or a change in control, as defined in the 2012 Plan, an outstanding award may vest, in whole or in part, to the extent provided in the award agreement or as determined by the administrator in its discretion. The administrator may condition the vesting of an award upon the subsequent termination of the recipient's service or employment within a specified period of time following the consummation of a corporate transaction or change in control. The administrator will not be required to treat all awards similarly in the event of a corporate transaction or change in control.

Plan Amendments and Termination

The 2012 Plan will automatically terminate ten (10) years following the date it becomes effective, unless we terminate it sooner. In addition, our Board of Directors has the authority to amend, suspend or terminate the 2012 Plan provided such action does not impair the rights under any outstanding award unless mutually agreed to in writing by the recipient and us.

Employment, Severance and Change-in-Control Arrangements

Currently none of our NEOs serve pursuant to a written or oral employment agreement. Mr. Forgue's compensation package is as follows:

- an annual base salary of \$275,000

If Mr. Forgue's employment is terminated by us without "good cause" or by Mr. Forgue for "good reason", Mr. Forgue will be entitled to all compensation earned and all benefits and reimbursements due through the effective date of termination. If upon such a termination, Mr. Forgue executes a general release of claims, he will also be entitled to the following:

- a lump sum severance payment equal to six months of the month salary rate in effect;

- payment of six months of COBRA continuation coverage; and

- acceleration of all of Mr. Forgue's outstanding equity awards that are not otherwise exercisable.

On October 3, 2016, Mr. Forgue resigned from the Company with an effective date of October 23, 2016.

Advisory Vote on Executive Compensation

As an emerging growth company, we are not required to hold a non-binding advisory vote ("say-on-pay vote") on the compensation of our named executive officers.

Limitations of Liability and Indemnification Matters

Our certificate of incorporation and our bylaws also provide that we shall indemnify our directors and executive officers and shall indemnify our other officers and employees and other agents to the fullest extent permitted by law.

We believe that indemnification under our bylaws covers at least negligence and gross negligence on the part of indemnified parties. Our bylaws also permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in this capacity, regardless of whether our bylaws would permit indemnification.

We believe that these provisions are necessary to attract and retain qualified persons as directors and executive officers. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling our company pursuant to the foregoing provisions, the opinion of the SEC is that such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

In addition, we maintain standard policies of insurance under which coverage is provided to our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act, and to us with respect to payments which may be made by us to such directors and officers pursuant to the above indemnification provisions or otherwise as a matter of law. We also make available standard life insurance and accidental death and disability insurance policies to our employees.

Item 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding beneficial ownership of the Class A and Class B common stock as of June 30, 2016 (i) by each person who is known by us to beneficially own more than 5% of the outstanding shares of our Class A common stock, (ii) by each of our directors, (iii) by each of our Executive Officers, and (iv) by all directors and executive officers as a group.

The table is based upon information supplied by directors, officers and principal stockholders. Applicable percentage ownership for each stockholder is based on 4,306,609 shares of Class A common stock and 7 shares of Class B Common Stock, outstanding as of June 30, 2016, together with applicable vested restricted stock units for such stockholders. Beneficial ownership is determined in accordance with the SEC rules and generally includes voting or investment power with respect to securities, subject to community property laws where applicable. Shares of common stock subject to restricted stock awards are deemed outstanding for the purpose of computing the percentage ownership of the person holding such options, but are not treated as outstanding for computing the percentage ownership of any other person.

Item 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Policies and Procedures Regarding Related Party Transactions

Our Board of Directors reviews related party transactions for potential conflict of interest issues. Our Board of Directors has adopted a written related party transaction policy to set forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we were or are to be a participant, the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness or employment by us or a related person.

Grape and Bulk Wine Agreements

We enter into grape and bulk wine purchase agreements from time to time with entities in which our executives and/or founders have financial interests. We have entered into such arrangements with:

- Ghianda Rose Vineyard, which is owned by Diana Fetzer, wife of Paul E. Dolan, III, a member of our Board of Directors.
- Gobbi Street Vineyards, which is partly owned by Diana Fetzer and Paul E. Dolan, III's daughter, Nya Kusakabe.
- Dark Horse Farming Company, which is owned by Paul E. Dolan, III (75%), and Heath E. Dolan (25%).
- Premium Wine Storage, which is owned by Paul E. Dolan, III (33%) and Heath E. Dolan (33%).

We believe these arrangements reflect substantially the same market terms we would receive in transactions with unaffiliated third parties. However, if we fail to receive market terms for these transactions or other similar transactions in the future, our profits could be reduced.

During the fiscal year 2016, payments of \$46K, \$216K and \$205K to Dark Horse Farming Company, Gobbi Street Vineyards, and Ghianda Rose Vineyard, respectively were made.

Security Agreements and Limited Guaranties

The bank borrowings are collateralized by substantially all of the Company's assets. Additionally, certain LLC members who are also executive officers and/or directors of the Company, as well as certain trusts and other entities under their control (together, the "Guarantors"), have entered into limited guarantee agreements which guarantee the payment to the bank of all sums presently due and owing and all sums which shall in the future become due and owing. The liability of the individual Guarantors ranges from 23% to 61% of the sum of all obligations due plus the costs, expenses and interest associated with the collection of amounts recoverable under the guaranties.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and officers, and persons who beneficially own more than ten percent (10%) of our common stock, who are hereinafter collectively referred to as the Reporting Persons, to file with the SEC reports of beneficial ownership and reports of changes in beneficial ownership of our common stock on Forms 3, 4 and 5. Reporting Persons are required by applicable SEC rules to furnish us with copies of all such forms filed with the SEC pursuant to Section 16(a) of the Exchange Act. To our knowledge, based solely on our review of the copies of the Forms 3, 4 and 5 received by us during the fiscal year ended June 30, 2016 and written representations that no other reports were required, we believe that all reports required to be filed by such persons with respect to the Company's fiscal year ended June 30, 2016, were timely filed.

Director Independence

Our common stock is listed on The NASDAQ Capital Market. As required under the listing standards of NASDAQ, a majority of the members of the Board must qualify as "independent" as affirmatively determined by the board of directors. Our Board has affirmatively determined that the following five directors are independent within the meaning of the applicable NASDAQ listing standards: Messrs. Benedetti, Carroll, Graham, Fruth and Weber.
