This Current Report on Form 8-K/A (this “Amendment”) amends the current report on Form 8-K furnished by Juniata Valley Financial Corp. (the “Company”) with the U.S. Securities and Exchange Commission (the “Original Form 8-K”) on February 8, 2019. The purpose of this Amendment is to report updates to the financial information furnished in Exhibit 99.1 to the Original 8-K.

Item 2.02

Results of Operations and Financial Condition

The Company’s Annual Report on Form 10-K filed on April 2, 2019 contains updated information with respect to the Company’s results of operations for the year ended December 31, 2018; the Annual Report updates the information included in the earnings release furnished as an exhibit to the Current Report on Form 8-K filed on February 8, 2019. Specifically, prior to the issuance of the financial statements included in the Annual Report, an error was corrected such that an accumulated deferred tax liability of \$406,000 was removed, resulting in an increase of net income in the amount \$406,000 in comparison to the amount reported in the earnings release. The Company should have removed the deferred tax liability as of April 30, 2018, coincident with the settlement of an acquisition by the Company. The Company concluded that the error, taking into consideration both quantitative and qualitative factors, was not material and that, as a result, the error could be corrected in the Annual Report and it was not necessary to correct and amend the Quarterly Report on Form 10-Q for the quarters ended June 30, 2018 and September 30, 2018.
