CORPORATE GOVERNANCE

Shareholder Engagement

We believe that strong relationships with our shareholders are critical to our long-term success. Our shareholder outreach program is led by a cross-functional team including members of our Investor Relations and Legal departments. Through this year-round outreach, we solicit feedback on our executive compensation program, corporate governance, disclosure practices and corporate social responsibility programs and long-term goals. We frequently include our Board members in our engagement meetings and share feedback with our entire Board. In response to our 2018 Say-on-Pay vote, we initiated engagement with shareholders owning approximately 50% of our ordinary shares and had meetings, led by our Compensation Committee Chairperson, with shareholders owning approximately 32% of our outstanding ordinary shares as of December 31, 2018.

2018

Our Board believes its current leadership structure best serves the objectives of our Board's oversight of management, our Board's ability to carry out its roles and responsibilities on behalf of our shareholders, and our overall corporate governance. Our Board and each of its committees are currently led by independent directors, with our President and Chief Executive Officer separately serving as a member of our Board. Our Board believes that participation of our President and Chief Executive Officer as a director, while keeping the roles of President and Chief Executive Officer and Chairperson of the Board separate, provides the proper balance between independence and management participation at this time. By having a separate Chairperson of the Board, we maintain an independent perspective on our business affairs, and at the same time, through the President and Chief Executive Officer's participation as a director, our Board maintains a strong link between management and our Board. We believe this leadership structure promotes clear communication, enhances strategic planning, and improves implementation of corporate strategies. Our current leadership structure is:

- Russell W. Galbut* Chairperson of the Board

Board Meeting Attendance

During 2018, there were five meetings of our Board, six meetings of our Audit Committee, three meetings of our Compensation Committee and five meetings of our Nominating and Governance Committee. Our TESS Committee was formed in 2019. Each of our directors attended at least 75% of the aggregate of all meetings of our Board and of any committees on which he or she served during 2018. Pursuant to our Corporate Governance Guidelines, in addition to regularly scheduled Board meetings, during 2018, our independent directors held four regularly scheduled executive sessions without the presence of Company management. Our Chairperson of the Board presides at such executive sessions.

We do not have a formal policy regarding Board member attendance at the annual general meeting of shareholders. Eight of our directors and director nominees attended the annual general meeting of shareholders in 2018 in person or telephonically.

Board Committees

The standing committees of our Board include the Audit Committee, Compensation Committee, Nominating and Governance Committee and TESS Committee. Each committee has adopted a written charter and a copy of each committee charter is posted under “Corporate Governance” on our website at www.nclhldinvestor.com. In addition to these committees, our Board may, from time to time, authorize additional Board committees to assist the Board in its responsibilities.

The Nomination Process

Our Nominating and Governance Committee regularly evaluates our Board to ensure that our directors have the broad range of skills, expertise, industry knowledge and diversity of background and experience needed to support our long-term strategy. Prior to each annual general meeting of shareholders, our Nominating and Governance Committee recommends to our Board nominee candidates that it has found to be well-qualified, willing and available to serve. In addition, our Nominating and Governance Committee recommends candidates to serve on our Board at other times during the year, as needed.

As described in our Corporate Governance Guidelines, our Nominating and Governance Committee seeks to recommend directors who: (1) understand elements relevant to the success of a publicly traded company, (2) understand our business and (3) have a strong educational and professional background. In selecting director nominees, our Nominating and Governance Committee also considers the individual's independence, character, ability to exercise sound judgment and demonstrated leadership skills. The Board is also committed to seeking out women and minority candidates as well as candidates with diverse backgrounds, experiences and skills as part of each Board search the Company undertakes.

TABLE OF CONTENTS

CORPORATE GOVERNANCE

Our Nominating and Governance Committee may engage a third-party search firm to assist it in identifying candidates for our Board. For example, in 2018 our Nominating and Governance Committee retained a search firm to identify potential director candidates for appointment to our Board. The search firm subsequently identified Ms. Landry as a director candidate and she was appointed to our Board in June 2018.

Our Nominating and Governance Committee will identify and consider candidates suggested by outside directors, management and/or shareholders and evaluate them in accordance with its established criteria. Director candidates recommended by shareholders will be considered in the same manner as recommendations from other sources. If a shareholder desires to recommend a director candidate for consideration by our Nominating and Governance Committee,

recommendations should be sent in writing to the General Counsel and Assistant Secretary, Norwegian Cruise Line Holdings Ltd., 7665 Corporate Center Drive Miami, Florida 33126, together with appropriate biographical information concerning each proposed director candidate.

Our Nominating and Governance Committee may request additional information concerning the director candidate as it deems reasonably necessary to determine the eligibility and qualification of the director candidate to serve as a member of our Board. Shareholders who are recommending candidates for consideration by our Board in connection with the next annual general meeting of shareholders should submit their written recommendation no later than January 1 of the year of that meeting.

Director Independence

Our Board has affirmatively determined that seven of our ten directors, Mr. David M. Abrams, Mr. John W. Chidsey, Ms. Stella David, Mr. Russell W. Galbut, Ms. Mary E. Landry, Mr. Chad A. Leat and Ms. Pamela Thomas-Graham, are independent under the applicable rules of the NYSE and the rules and regulations of the SEC. Our Board determined that Mr. Adam M. Aron, Mr. Steve Martinez and Mr. Frank J. Del Rio are not independent. In addition, our Board previously

determined that Mr. Water L. Revell was independent under applicable rules of the NYSE during his service on our Board through our 2018 annual general meeting of shareholders. In considering the independence of each director, our Board reviews information provided by each director and considers whether any director has a material relationship with us (either directly or as a partner, shareholder or officer of an organization that has a relationship with us).

Board and Committee Evaluations

Each fall, our Nominating and Governance Committee leads our Board and its committees through a formal evaluation process. All members of our Board complete written questionnaires regarding the Board, its committee and general matters of strategy and focus. These questionnaires are designed to elicit information that will ultimately help improve the effectiveness of the Board and each committee. Board members are also encouraged to have one-on-one discussions with either the Chairperson of the Nominating and Governance Committee or the Chairperson of the Board regarding

any feedback they may have regarding individual directors. The feedback from these questionnaires is then analyzed and discussed by both the Nominating and Governance Committee and the full Board to ensure that appropriate steps are taken to address any opportunities for improvement. For example, previous evaluations resulted in an increased focus on talent reviews and succession planning and the formation of the TESS Committee.

CORPORATE GOVERNANCE

Board Risk Oversight

Our Board recognizes that effective risk oversight is critical to our long-term success and the fulfillment of its fiduciary duties to our shareholders. While our management team is responsible for the day-to-day management of our risks and implementing appropriate risk management strategies, our Board is responsible for setting the correct tone at the top, fostering an appropriate culture of risk management, understanding our enumerated top risks and monitoring how management mitigates such risks. Our Board uses its committees to assist in their risk oversight function as described below.

At regular meetings of our Board, committee members report to the full Board regarding matters reported and discussed at committee meetings, including matters relating to risk assessment or risk management. Members of management provide regular reports to our Board, or its committees, regarding business operations, strategic planning, financial planning, cybersecurity, legal, compliance and regulatory matters, succession planning and governance matters, including any material risk to us

relating to such matters. Our President and

22 /

CORPORATE GOVERNANCE

Chief Executive Officer, Executive Vice President and Chief Financial Officer and Executive Vice President, General Counsel and Assistant Secretary regularly attend meetings of our Board and its committees when they are not in executive session, and often report on and or supplement discussions on matters that may not be otherwise addressed. Our Audit Committee also receives regular reports from our Vice President of Internal Audit, who facilitates our enterprise risk management process on behalf of management and our Audit Committee, to ensure that our major business risks are being assessed and managed appropriately. In addition, our directors are encouraged to communicate directly with members of management regarding matters of interest, including matters related to risk, at times when meetings are not being held.

Our Board believes that the structure and assigned responsibilities described above provide the appropriate focus, oversight and communication of key risks we face. Our Board also believes that the processes it has established to administer our Board's risk oversight function would be effective under a variety of leadership frameworks and therefore do not have a material effect on our Board's leadership structure.

Our Culture

Our People

It is our privilege to work in a community of more than 33,000 passionate team members who deliver exceptional vacation experiences around the globe each day. In order to provide the best possible experiences for our guests, it is crucial that each team member has the opportunity to thrive. This vision begins at the top of our organization, where three members of our Board are female and 60% of our Board members represent diverse backgrounds.

Our Vice President and above leadership team is 30% female, and we encourage the development of new female leaders through our mentorship program and Elevate, our female executive networking group. Our mentorship program encourages team members of all genders and backgrounds to develop leadership skills, cultivate relationships and identify growth opportunities. Our Code of Ethical Business Conduct confirms our commitment to providing equal opportunity to all team members and our intolerance of any form of discrimination or harassment in the work place.

We also offer programs that encourage team members to advance their skills and achieve long-term financial stability such as student loan repayment assistance, educational assistance for team members seeking degrees or professional certifications and a 401(k) matching program.

Our Sustainability

During 2018, we continued to build on our global sustainability program "Sail & Sustain" by joining several of the world's leading corporations and organizations

in Ocean Conservancy's Trash Free Seas Alliance® to support our shared vision of a world with waterways, beaches and oceans free of plastic waste. Additional information about our Sail and Sustain program can be found in our annual Stewardship Report, which is available on our website www.nclhld.com, under "Stewardship."

Our Giving

We support the global communities where we live and work through volunteerism and charitable giving throughout the year. In response to the devastating hurricanes that impacted the Caribbean in fall 2017, we launched the Hope Starts Here campaign, in partnership with relief organization All Hands and Hearts — Smart Response, to help provide immediate relief in Key West and reconstruct schools and critical infrastructure in affected islands in the Caribbean. Hope Starts Here reached its goal of raising \$2.5 million, which was made possible by more than \$1.25 million in donations, which we matched, from our valued team members, loyal guests, travel partners and business partners. We have a long-standing commitment to Camillus House, which works to end the problem of chronic homelessness in Miami. In addition to corporate donations, throughout the year, team members are encouraged to directly support Camillus house by serving dinners and donating school supplies, meals and holiday gifts. We encourage workplace giving to organizations such as Kids In Distress, which promotes child welfare, the American Cancer Society and Habitat for Humanity by matching a portion of each employee's contribution.

CORPORATE GOVERNANCE

Succession Planning

Succession planning has become part of our culture. We have a year-round focus on providing team members with opportunities to develop their leadership skills and add to our bench of talent through various training initiatives. Our Nominating and Governance Committee, President and Chief Executive Officer and Executive Vice President and Chief Talent Officer engage in a formal process to identify, evaluate, and select potential successors for our President and Chief Executive Officer and other members of senior management. This review includes a discussion about development plans for senior leaders to help prepare them for future succession and contingency plans in the event our President and Chief Executive Officer is unable to serve for any reason, including death or disability. Members of management are also regularly invited to make presentations at Board and committee meetings and meet with directors in informal settings to allow our directors to form a more complete understanding of our executives' skills and character. This process culminates in an annual review of potential successors and future leadership with the entire Board.

Hedging, Pledging and Short Sale Prohibitions

We have an insider trading policy, which, among other things, prohibits our senior officers and the members of our Board from engaging in any speculative transactions or in transactions that attempt to hedge or offset any decrease in the market value of our securities. Additionally, our insider trading policy prohibits senior officers, including our named executive officers, and directors from engaging in short sales of our securities or engaging in transactions involving Company-based derivative securities.

We also have a policy that prohibits senior officers and members of our Board from holding Company securities in a margin account or otherwise pledging Company securities as collateral for a loan. Arrangements for pledges of Company securities that were in place prior to the adoption of the policy are excluded from this prohibition.

Code of Ethical Business Conduct

We have a Code of Ethical Business Conduct that applies to all of our employees, including our principal executive officer, principal financial officer, principal accounting officer or controller and persons performing similar functions, and our directors. These standards are designed to deter wrongdoing and to promote honest and ethical conduct. Our Code of Ethical Business Conduct is posted on our website, www.nclhldinvestor.com, under "Corporate Governance." We intend to disclose waivers from, and amendments to, our Code of Ethical Business Conduct that apply to our directors and executive officers, including our principal executive officer, principal financial officer, principal accounting officer or controller and persons performing similar functions, by posting such information on our website, www.nclhldinvestor.com, to the extent required by applicable rules of the NYSE and rules and regulations of the SEC.

Corporate Governance Materials

Our Board has adopted Corporate Governance Guidelines, which provide the framework for the governance of our Company and represent our Board's current views with respect to selected corporate governance issues considered to be of significance to our shareholders. The Corporate Governance Guidelines direct our Board's actions with respect to, among other things, Board composition, director qualifications and diversity considerations, director independence, Board committees, succession planning and the Board's annual performance evaluation. A current copy of the Corporate Governance Guidelines is posted under "Corporate

Governance” on our website at www.nclhltdinvestor.com.

Mr. Abram's compensation relates to his role as Chairperson of our Nominating and Governance Committee and as a director. Mr. Aron's, Ms. David's and Ms. Landry's compensation relates to their roles as directors. Mr. Chidsey's compensation relates to his role as the Chairperson of our Compensation Committee, a member of our Audit Committee and as a director. Mr. Galbut's compensation relates to his role as Chairperson of our Board (pro-rated for 2018) and as a director. The amounts reported in the "Stock Awards" column of the table above reflect the grant date fair value under Financial Accounting Standards Board Accounting Standards Codification Topic 718 ("FASB ASC Topic 718") of the time-based RSU awards granted to our non-employee directors in 2018. The grant date fair value for the RSU awards was calculated as equal to the \$54.96 closing price of our ordinary shares, par value \$0.001 per share ("ordinary shares") on the date of grant (other than Ms. Thomas-Graham and Ms. Landry whose grant date fair value for their RSU awards were calculated as equal to the \$56.75 and \$52.99 closing price of our ordinary shares on the date of grant, respectively). The amount reported for Mr. Revell represents both the grant date fair value of the original award and the incremental fair value of the modified award computed as equal to the \$52.99 closing price of our ordinary shares on the modification date in accordance with FASB ASC Topic 718. The modification related to RSUs that received

accelerated vesting following Mr. Revell's departure from our Board.

(3)

None of our non-employee directors held any outstanding options as of December 31, 2018. As of December 31, 2018, our non-employee directors held the following unvested restricted shares and RSUs:

Name	Unvested RSUs	Unvested Restricted Shares
David M. Abrams	4,366	429
Adam M. Aron	2,547	—
John W. Chidsey	4,366	—

Steve Martinez	—	—
Walter L. Revell	—	—
Pamela Thomas-Graham	1,850	—

(4)

Messrs. Abrams, Chidsey, Galbut, Leat and Ms. David each elected to receive their full annual retainers in the form of RSU awards. Accordingly, they each received 1,819 RSUs in lieu of their annual retainers for 2018. The retainers that each of these directors elected to receive in RSUs are reported as though they had been paid in cash and not converted into RSUs.

DIRECTOR COMPENSATION

Director Share Ownership Policy

To reinforce our Board's philosophy that meaningful ownership in our Company provides greater alignment between our Board and our shareholders, our Board adopted a share ownership policy in 2017. The share ownership policy requires non-employee directors who receive compensation from our Company to own a number of our ordinary shares equal to three times their annual cash retainer, with such values determined annually based on the average daily closing price of our ordinary shares for the previous calendar year.

Non-employee directors have five years from their appointment to meet the requirements of the share ownership policy and are required to retain 50% of the net after-tax shares received in respect of equity awards until they are in compliance. All of our non-employee directors who receive compensation for their service as a director have met or are on track to meet their objectives within the five-year period.

PROPOSAL 2 — ADVISORY APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

We are providing our shareholders with the opportunity to vote, on a non-binding, advisory basis, on the compensation of our NEOs as disclosed in this Proxy Statement.

After considering shareholder feedback from last year's Say-on-Pay vote, our Compensation Committee and Board made changes to our executive compensation program that we believe strengthen the "pay for performance" philosophy of our compensation program.

Shareholders are strongly encouraged to read the "Compensation Discussion and Analysis," which discusses in detail how our compensation policies and practices implement our compensation philosophy.

We are asking our shareholders to indicate their support for our NEOs' compensation as described in this Proxy Statement. The vote on this resolution, commonly known as a "Say-on-Pay" vote, is not intended to address any specific element of compensation; rather, the vote relates to the overall compensation of our NEOs. The vote is advisory, which means that the vote is not binding on our Company, our Board or our Compensation Committee. However, our Compensation Committee, which is responsible for designing and overseeing our executive compensation program, values the opinions expressed by our shareholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for our NEOs.

Pursuant to the requirements of Section 14A of the Exchange Act and the related rules of the SEC, our Board requests your advisory vote on the following resolution at the Annual General Meeting:

RESOLVED, that the shareholders of our Company approve, on an advisory basis, the overall compensation of our named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and the accompanying narrative disclosures set forth in the Proxy Statement for this Annual General Meeting.

Our current policy is to provide our shareholders with an opportunity to approve the compensation of our NEOs each year at the annual general meeting of shareholders. It is expected that the next such vote will occur at the 2020 annual general meeting of shareholders.

Compensation Discussion and Analysis

2018 Named Executive Officers

Our Named Executive Officers, or NEOs, for 2018 were:

Frank J. Del Rio	President and Chief Executive Officer
Mark A. Kempa	Executive Vice President and Chief Financial Officer
Wendy A. Beck	Former Executive Vice President and Chief Financial Officer (resigned March 2018)
Jason Montague	President and Chief Executive Officer, Regent

Financial Highlights

Shareholder Outreach Regarding Compensation Program

In response to our 2018 Say-on-Pay vote, we initiated engagement with shareholders owning approximately 50% of our ordinary shares and had meetings, led by our Compensation Committee Chairperson, with shareholders owning approximately 32% of our outstanding ordinary shares as of December 31, 2018.

The results of this outreach were shared with the entire Board. Due to the timing of our compensation decisions, some of the resulting changes to our compensation program will be effective in 2019. The key feedback we received from shareholders at these meetings and our responses to the feedback included:

Investor Feedback

WHAT WE HEARD

Compensation for our executives should be heavily weighted towards performance

The performance period for equity awards should be increased

Disclosures regarding the compensation program should be improved

We should continue providing annual performance-based equity grants instead of front-loaded equity grants

Compensation Committee should continue to evaluate metrics for short and long-term incentives

HOW WE RESPONDED

President and CEO's 2019 target annual equity award is increased from 60% to 75% performance-based

Increased the Adjusted ROIC performance period for 2019 equity awards from one year to two years

Proxy Statement has been revised to better communicate our compensation practices

We continued providing annual performance-based equity grants in both 2018 and 2019

Our Compensation Committee will consider alternate metrics going forward, and is committed to choosing metrics that we believe will drive long-term growth

TABLE OF CONTENTS**EXECUTIVE COMPENSATION****Elements of our Executive Compensation Program****Base Salaries**

Each NEO is party to an employment agreement which provides a fixed base salary, subject to annual review by our Compensation Committee. Decisions regarding adjustments to base salaries are made at the discretion of our Compensation Committee, as all automatic base salary increases have been eliminated. Base salaries are used to attract and retain highly qualified executives. In reviewing base salary levels for our NEOs, our Compensation Committee considers the following

factors: job responsibilities, leadership and experience, value to our Company and the recommendations of our President and Chief Executive Officer (other than with respect to his own base salary). After holding our CEO's and most other NEO's base salaries flat in 2016 and 2017, our Compensation Committee increased base salaries in 2018. Our Compensation Committee determined these merit-based increases were warranted due to our continuing strong operational results:

NEO	2017 Base Salary	2018 Base Salary
Frank J. Del Rio	\$ 1,500,000	\$1,800,000(1)
Mark A. Kempa	\$ 425,000	\$700,000(1)
Wendy A. Beck	\$ 650,000	\$700,000
Jason Montague	\$ 650,000	\$700,000
Andrew Stuart	\$ 650,000	\$700,000
T. Robin Lindsay	\$ 650,000	\$700,000

(1)

Increased base salary was effective from March 1, 2018. Mr. Kempa's base salary was increased in connection with his appointment as Executive Vice President and Chief Financial Officer.

Annual Performance Incentives

Each of our NEOs is eligible for an annual cash performance incentive based on the attainment of performance objectives for the fiscal year. Annual cash performance incentives ensure that a portion of our NEOs' annual compensation is at risk, based on our performance against pre-established, objective targets. Our Compensation Committee uses annual cash performance incentives to motivate our NEOs to achieve our annual financial objectives and to attract and retain top executives.

Target Annual Cash Performance Incentive Opportunities. Our Compensation Committee annually establishes each NEO's, other than Mr. Del Rio's, annual cash performance incentive opportunity by evaluating a variety of factors, including: (1) scope of responsibilities and position, (2) expertise and experience, (3) potential to achieve business objectives, (4) competitive compensation market data, including the bonus opportunities provided by our Peer Group, (5) ability to create shareholder value and (6) recommendations of our President and Chief Executive Officer. Mr. Del Rio's annual cash bonus opportunity was negotiated by our Compensation Committee in connection with his employment agreement.

Corporate Performance Measures. Each year, our Compensation Committee establishes the performance objectives for the annual cash performance incentives. The performance objectives are based on financial performance at the consolidated NCLH level as our

Compensation Committee believes this structure most closely aligns the interests of our NEOs and our shareholders. The actual annual cash performance incentive earned by our NEOs is determined by our Compensation Committee based on the level of achievement of the pre-established corporate performance objectives. After the end of the year, our Compensation Committee reviews our actual performance against the target levels. Our Compensation Committee exercises its judgment whether to reflect or exclude the impact of extraordinary, unusual or infrequently occurring

events, or unforeseen events in determining the extent to which the performance measures are met. For 2018, our Compensation Committee selected adjusted earnings per share (“Adjusted EPS”) as the performance measure for purposes of the annual cash performance incentives. Our Compensation Committee believes that Adjusted EPS is an important measure to incentivize our NEOs to achieve our short-term business objectives as it is a key factor in driving shareholder value. In setting the target level for Adjusted EPS for 2018, our Compensation Committee considered several factors, including a careful review of the annual budget and the desire to ensure continued improved performance on a year-over-year basis. A reconciliation of Adjusted EPS to the most directly comparable GAAP financial measure is included in Appendix A. At the Compensation Committee’s discretion, certain adjustments for fuel rate impacts, foreign exchange rate impacts, and one-time items may be made to the Adjusted EPS target.

TABLE OF CONTENTS**EXECUTIVE COMPENSATION**

The following table summarizes the Adjusted EPS performance levels and related payout opportunities. If the threshold level established for Adjusted EPS performance was not achieved, no payouts would have been made. NEOs have the opportunity to receive incremental payments for performance in between the established target levels.

Name	Threshold Adjusted EPS: \$4.50(2)	Target Adjusted EPS: \$4.55	Maximum Adjusted EPS: \$4.72(3)	Actual	% of Target
Frank J. Del Rio(1)	\$1,800,000 (100% of base salary)	\$3,600,000 (200% of base salary)	\$5,400,000 (300% of base salary)	\$5,400,000	150% (pursuant to cap)
Mark A. Kempa(4)	\$314,034 (47.9% of base salary)	\$628,068 (95.8% of base salary)	\$1,570,171 (239.5% of base salary)	\$1,570,171	250%
Wendy A. Beck	\$350,000 (50% of base salary)	\$700,000 (100% of base salary)	\$1,750,000 (250% of base salary)	\$1,304,110(5)	186%
Jason Montague	\$350,000 (50% of base salary)	\$700,000 (100% of base salary)	\$1,750,000 (250% of base salary)	\$1,750,000	250%
Andrew Stuart	\$350,000 (50% of base salary)	\$700,000 (100% of base salary)	\$1,750,000 (250% of base salary)	\$1,750,000	250%
T. Robin Lindsay	\$350,000 (50% of base salary)	\$700,000 (100% of base salary)	\$1,750,000 (250% of base salary)	\$1,750,000	250%

(1)
Mr. Del Rio's annual cash performance incentive opportunity was based on his ending base salary for 2018.

(2)
Excludes the impact of incremental bonus payments.

(3)
Unlike the other NEOs, Mr. Del Rio's annual cash performance incentive opportunity was capped at 150% of his target bonus opportunity. Consequently, the Adjusted EPS performance level required for Mr. Del Rio to achieve a maximum payout was \$4.61.

(4)
Mr. Kempa's annual cash performance incentive opportunity was pro-rated from March 1, 2018 in connection with his appointment as Executive Vice President and Chief Financial Officer.

(5)
Ms. Beck's actual annual cash performance incentive was paid according to her transition agreement.

For 2018, our Compensation Committee established an Adjusted EPS target level of \$4.55, which was 19.7% higher than our target for 2017, and which required a 14.9% increase in Adjusted EPS performance from the prior year. Our

actual 2018 Adjusted EPS of \$4.92 exceeded our maximum Adjusted EPS objectives. Based on these results, which represented a 24.2% increase in Adjusted EPS performance over prior year, our Compensation Committee approved maximum level annual cash performance incentives for our NEOs (other than Ms. Beck).

TABLE OF CONTENTS**EXECUTIVE COMPENSATION****Long-Term Equity Incentive Compensation**

The following table summarizes the equity awards our Compensation Committee granted in 2018 and how they help accomplish our compensation objectives:

Components of

Long-Term

Equity
Incentive

Compensation

What It Is

Why We Use It

2018 Weighting

PSUs (performance share units)	Opportunity to receive a specified number of shares based on achievement of performance objectives determined by our Compensation Committee. 2018 PSU awards include a one-year service requirement in addition to performance objectives.	Focuses our NEOs on the achievement of key financial operating objectives over a multi-year period. Adjusted EPS growth and Adjusted ROIC targets align NEO's interests with shareholders. Serves as a retention incentive.	CEO: 60% of total target equity award Other NEOs: 33.3% of total target equity award
	Right to receive a specified number of shares at the time the award vests. Value fluctuates with the price of our ordinary shares. Vests in annual installments over three years.	Aligns our NEOs' interests with those of our shareholders. Serves as a retention incentive.	CEO: 40% of total target equity award Other NEOs: 66.7% of total target equity award
RSUs (restricted share units)			

In determining the value granted to each NEO, our Compensation Committee considers each NEO's position, their expected contribution toward achieving our long-term objectives, a review of Peer Group compensation levels and recommendations of our President and Chief Executive Officer (other than with respect to his own compensation). Our Compensation Committee generally makes equity awards to our NEOs and other members of management once a year, but awards may be granted outside this annual grant cycle in connection with events such as hiring, promotion or extraordinary performance.

Named Executive Officer Awards

Application of Accounting Principles. Due to the application of accounting principles for share-based awards, our "2018 Summary Compensation Table" includes values for PSU awards made to our NEOs in both 2018 and 2017. In order for an award to be granted under FASB ASC Topic 718, a required condition is that there is a mutual understanding of the terms and condition of the awards. Under the terms of the awards, our Compensation Committee has the discretion to make certain adjustments to the performance calculation after the award date. As such, a mutual understanding was not attained when the 2017 PSU awards were issued. In 2018, a determination was made that it was not probable that our Compensation Committee would exercise this right. Therefore, in early 2018, it was determined that a mutual understanding of the key terms and conditions of the PSU awards was ascertained and thus, the grant date was established for performance-based awards granted in prior years. Going forward, we expect that PSUs awarded to our NEOs will be considered granted for accounting purposes when they are awarded, and that was the case for the awards made to our NEOs in 2018. As a result, the reported value of our NEO's equity awards for 2018 is not representative of a single year's award, even though our NEOs have received consistent annual awards in both 2017 and 2018. For example, in 2017, our President and CEO received a target award of 79,073 PSUs and in 2018, our President and CEO received a target award of 79,435 PSUs. Both the 2017 and 2018 PSU awards made to our President and CEO had target values of \$4.5 million on the dates our Compensation Committee made the awards, which were August 1, 2017 and March 1,

2018, respectively. However, when the grant date was established for the 2017 PSU award on February 27, 2018, the fair value of the 2017 PSU award

34 /

TABLE OF CONTENTS

EXECUTIVE COMPENSATION

was based on the price of our ordinary shares on that date and the probability of us achieving the performance metrics, which had increased since the award was originally made, resulting in a higher fair value of \$7.7 million dollars. The effect of this change in accounting estimate for our President and CEO is illustrated in the chart below:

President and Chief Executive Officer. In order to provide Mr. Del Rio with competitive, ongoing, long-term incentives that drive strong financial performance, and retain his services through 2020, the amendment to Mr. Del Rio's employment agreement in August 2017 provided Mr. Del Rio with an annual target award of RSUs and PSUs worth \$7.5 million as of the date of award. Such annual award is contractually required to be at least 60% performance-based. By structuring the employment agreement this way, our Compensation Committee preserved the flexibility to structure a greater percentage of Mr. Del Rio's annual equity award as performance-based, while requiring that a minimum of 60% of Mr. Del Rio's annual equity award will be performance-based. Our Compensation Committee also

preserved the flexibility to establish the applicable performance metrics and targets each year, thereby providing our Compensation Committee with discretion to choose a performance-based award structure each year that will best incentivize growth in long-term shareholder value.

In 2018, Mr. Del Rio was awarded a target of 79,435 PSUs. Half of the target PSUs can be earned based on average Adjusted EPS growth for 2018 and 2019 and the other half can be earned based on Adjusted ROIC for 2019. Each half of the target PSUs can be paid out 0% to 200% based on stretch targets. Shown in the tables below are the performance expectations for each metric.

TABLE OF CONTENTS**EXECUTIVE COMPENSATION**

Average Adjusted EPS Growth Metric (50% of Target Units)

	2018 – 2019 Average Adjusted EPS Growth	Percentage of Target Adjusted EPS Growth Units Earned
Below Threshold	≤12.6%	0%
	>12.6%(1)	0.0001%
	13.8%	100%
Maximum	15%	200%

(1)

Once the threshold has been achieved, the number of units that are eligible to be earned will be interpolated on a linear basis between the applicable levels stated above.

2019 Adjusted ROIC Metric (50% of Target Units)

	2019 Adjusted ROIC	Percentage of Target Adjusted ROIC Units Earned
Below Threshold	<10.1%	0%
	10.1%(1)	120%
	10.6%	160%
Maximum	11.1%	200%

(1)

Once the threshold has been achieved, the number of units that are eligible to be earned will be interpolated on a linear basis between the applicable levels stated above.

In order to reinforce the long-term nature of the PSU award, in addition to the performance requirements above, the PSUs are also subject to a time-based vesting requirement through March 1, 2021. Definitions of Adjusted EPS and Adjusted ROIC can be found in Appendix A. At our Compensation Committee's discretion, certain adjustments for fuel rate impacts, foreign exchange rate impacts, acquisitions, newly ordered vessels and other extraordinary items may be made to the targets.

As part of his 2018 annual equity award, Mr. Del Rio was also awarded 52,956 RSUs that are subject to time-based vesting requirements and will become vested ratably on each of March 1, 2019, 2020 and 2021, in each case subject to Mr. Del Rio's continued employment through the applicable vesting date.

TABLE OF CONTENTS

EXECUTIVE COMPENSATION

Following numerous shareholder engagement discussions regarding last year's disappointing Say-on-Pay results, our Compensation Committee decided to make some changes to the structure of Mr. Del Rio's equity award for 2019, including increasing the percentage of the target value of his equity award that is performance-based to 75% and increasing the performance period for the PSUs subject to the Adjusted ROIC metric from one year to two years, as illustrated below:

Other NEOs. The PSUs awarded to our other NEOs in 2018 have the same structure and performance goals as Mr. Del Rio's PSUs described above. Our Compensation Committee, after consultations with FW Cook, determined that the annual equity awards made to our other NEOs should also consist of a combination of PSUs that may be earned based on our Adjusted ROIC performance in 2019, average Adjusted EPS growth for 2018 and 2019 and continued service through March 1, 2021 and time-based RSUs that vest in three equal, annual installments. For 2018, 33.3% of each NEO's total annual equity award consisted of PSUs.

Benefits and Perquisites

We provide our NEOs with retirement benefits under our 401(k) Plan, participation in our medical, dental and insurance programs and vacation and other holiday pay, all in accordance with the terms of such plans and programs in effect and substantially on the same terms as those generally offered to our other employees (although vacation benefits may differ).

In addition, our NEOs receive a cash automobile allowance, a cruise benefit for Company cruises, including certain travel for immediate family, as well as coverage under an executive medical plan which provides coverage of certain extra medical, dental and vision expenses. We believe that the level and mix of perquisites we provide to our NEOs is consistent with market compensation practices.

Mr. Del Rio is also entitled to certain additional perquisites pursuant to the terms of his amended employment agreement originally entered into with Prestige.

Severance Arrangements and Change in Control Benefits

Each of our NEOs is or was employed pursuant to an employment agreement providing for severance payments and benefits upon an involuntary termination of the NEO's employment by us without "cause" or by him or her for "good reason." The severance payments and benefits in each employment agreement were negotiated in connection with the execution of each employment agreement. In each case, our Compensation Committee determined that it was appropriate to provide the executive officer with severance payments and benefits under the circumstances in light

of each of their respective positions with us, general competitive practices and as part of each of their overall compensation packages.

When negotiating each executive officer's severance payments and benefits, our Compensation Committee took into consideration an analysis of the severance payments and benefits provided to similarly situated executives at our Peer Group companies. The severance payments and benefits payable to each of our NEOs (including Mr. Del Rio) upon a qualifying termination of employment generally include a cash payment based on

TABLE OF CONTENTS

EXECUTIVE COMPENSATION

a multiple of his or her base salary (and annual incentive in Mr. Del Rio's case), a pro-rata portion of any annual cash incentive actually earned for the year of termination of employment, continuation or payment in respect of certain benefits and, in certain cases only, accelerated or continued vesting of outstanding equity awards. We do not believe that our NEOs should be entitled to any cash severance payments or benefits merely because of a change in control of our Company. Accordingly, none of our NEOs are entitled to any such payments or benefits upon the occurrence of a change in control of our Company unless there is an actual termination (other than for "cause") or constructive termination of employment for "good reason" following the change in control (a "double-trigger" arrangement). Similarly, none of our NEOs are entitled to receive any automatic "single trigger" equity vesting upon the occurrence of a change in control of our Company, and severance protections for equity awards also require an actual termination (other than for "cause") or constructive termination of employment for "good reason" following the change in control.

No NEO is entitled to receive a "gross-up" or similar payment for any potential change in control excise taxes, and, depending on what results in the best after-tax benefit for the executive, benefits may be "cut back" instead in such circumstances.

The material terms of these payments and benefits, are described in the "Potential Payments Upon Termination or Change in Control" section below. In connection with Ms. Beck's departure from our Company in 2018, she entered into a transition agreement, which provided Ms. Beck certain additional benefits also described in "Potential Payments Upon Termination or Change in Control."

Peer Group

Our Compensation Committee believes that it is important to be informed about the pay practices and pay levels of comparable public companies with which we compete for top talent (our "Peer Group").

After considering the selection process outlined below and recommendations of FW Cook, our Compensation Committee determined not to make any changes from our peer group in 2017. Our Peer Group included the following companies:

- | | | |
|--|-------------------------------------|-----------------------------------|
| •
Alaska Air Group, Inc. | •
Hilton Worldwide Holdings Inc. | •
Royal Caribbean Cruises Ltd. |
| •
Brinker International, Inc. | •
Hyatt Hotels Corporation | •
Spirit Airlines, Inc. |
| •
Caesars Entertainment Corporation | •
JetBlue Airways Corporation | •
Wyndham Destinations, Inc. |
| •
Carnival Corporation | •
Las Vegas Sands Corp. | •
Wynn Resorts, Limited |
| •
Darden Restaurants, Inc. | •
MGM Resorts International | •
YUM! Brands, Inc. |
| •
Expedia Group, Inc. | •
Penn National Gaming, Inc. | |

We used the following methodology to select our Peer Group. Carnival Corporation and Royal Caribbean Cruises Ltd. were selected because we believe these cruise lines are the two public companies most similar to our Company and with whom we most directly compete for talent. We then considered a range of publicly traded companies in the following industries which reflect elements of our business or have similar business characteristics such as:

•

hotels, resorts and cruise lines,

-

airlines,

-

casinos and gaming,

-

restaurants and

-

internet and direct marketing retail.

We evaluated the companies in these categories by focusing on companies with market capitalizations ranging from approximately 0.3x to 3.0x our market capitalization in October 2018 and with revenues ranging from approximately 0.3x to 3.0x our trailing annual revenue measured as of September 2018.

Objectives and Philosophy of our Executive Compensation Program

Attract and retain top talent in a competitive market	We want to be an employer of choice for individuals with the specific skill sets and experience required for the cruise industry.
Motivate employees with clear, NCLH-level goals	We believe that clear, NCLH-level goals motivate management to work together as a team towards shared objectives.
Compensation opportunities align executives with shareholders	We align management with shareholders by choosing NCLH incentive compensation performance metrics that we believe drive long-term value for our shareholders.

Role of Shareholder Say-on-Pay Votes

Each year, we provide our shareholders the opportunity to cast an advisory vote on the compensation of our NEOs (also known as a “Say-on-Pay” vote). At our annual general meeting in June 2018, approximately 68.4% of the votes cast were in favor of the 2017 compensation of our NEOs. Our Compensation Committee was disappointed in our Say-on-Pay results and as a result, conducted the shareholder engagement effort outlined on page 15. Since our compensation decisions for 2018 were already made in advance of the 2018 annual Say-on-Pay vote, the changes we made in response to the 2018 vote and our shareholder outreach regarding the 2018 vote began in 2019. These actions in response to shareholder feedback are outlined on page 31.

When making future compensation decisions for our NEOs, our Compensation Committee will continue to consider the opinions that our shareholders express through the results of these Say-on-Pay votes and through direct engagement with our shareholders.

Role of Compensation Consultant

Pursuant to its charter, our Compensation Committee has the authority to engage its own advisors to assist in carrying out its responsibilities.

Since May 2017, our Compensation Committee has retained FW Cook to provide guidance on executive and non-employee director compensation matters.

Based on a consideration of the factors set forth in the rules of the SEC and the listing standards of the NYSE, our Compensation Committee determined that FW Cook satisfied the independence criteria under the rules and listing standards and that their relationship with and the work performed by FW Cook, on behalf of our Compensation Committee, did not raise any conflict of interest. Other than its work on behalf of our Compensation Committee, FW Cook has not performed any other services for us.

Share Ownership Policy

To reinforce our Board’s philosophy that meaningful executive ownership in our Company provides greater alignment between management and our shareholders, our Board adopted a share ownership policy in 2017. The share ownership policy, which applies to all of our NEOs and certain executive officers, is as follows:

Position	Value of Share Ownership*
Chief Executive Officer	5 times annual base salary
Brand/Division Presidents and Executive Vice Presidents	3 times annual base salary
Senior Vice Presidents	1 times annual base salary

*

Values are determined annually based on the average daily closing price of our ordinary shares for the previous calendar year.

All of our NEOs currently exceed the required share ownership amounts. Executive officers have five years from the date they first become subject to the share ownership policy to meet the requirements and are required to retain 50% of the net after-tax shares received in respect of equity awards until they are in compliance. Unexercised stock options and PSUs do not count towards the share ownership policy amounts unless, in the case of PSUs, the performance criteria have been met.

Clawback Policy

Under our clawback policy, our Board or Compensation Committee may, if permitted by law, require the reimbursement or cancellation of all or a portion of any equity awards or cash incentive payments to any current or former employee, including our NEOs, who received such incentive awards or payments if: (1) such employee received a payment of incentive compensation that was predicated upon the achievement of specified financial results that were the subject of a subsequent accounting restatement due to material non-compliance with any financial reporting requirement, or (2) such employee engaged in misconduct including certain violations of our Code of Ethical Business Conduct or

EXECUTIVE COMPENSATION

breaches of any confidentiality, non-competition, or non-solicitation agreements such employee has entered into with us. Each prong of the policy is separate, and clawback is not limited to accounting restatements.

Compensation Risk Assessment

We have conducted a risk assessment of our compensation policies and practices and concluded that such policies and practices do not create risks that are reasonably likely to have a material adverse effect on our Company. In particular, our Compensation Committee believes that the design of our annual performance incentive programs and long-term equity incentives provides an effective and appropriate mix of incentives to ensure our compensation program is focused on long-term shareholder value creation and does not encourage the taking of short-term risks at the expense of long-term results.

For 2018, the amounts reported in the “Stock Awards” column reflect the grant-date fair value under FASB ASC Topic 718 of the RSUs and PSUs granted to our NEOs in 2018 (and for Ms. Beck, includes the incremental fair value of RSUs and PSUs that received accelerated vesting pursuant to her transition agreement, computed as of the modification date in accordance with FASB ASC Topic 718). The fair value of the time-based RSUs is equal to the closing market price of our shares on the date of grant. The PSU awards vest between 0% and 200% based on performance conditions (other than the PSUs originally awarded to our NEOs other than our CEO on March 1, 2017, which vest between 0% and 100% based on performance conditions). The fair value of PSUs is reported based on the probable outcome of the performance conditions at the time of grant and the closing market price of our ordinary shares on the date of grant. PSUs were valued as follows: February 27, 2018 grants originally awarded on March 1, 2017 or August 1, 2017 were valued at maximum and March 1, 2018 grants were valued at target. Pursuant to FASB ASC Topic 718, a grant date was not established for the awards made on March 1, 2017 or August 1, 2017 on the award date, but was established on February 27, 2018 due to the application of accounting principles. The value of the annual PSU awards granted on March 1, 2018 assuming maximum achievement of 200% would have been as follows: Mr. Del Rio — \$9,019,050; Mr. Kempa — \$501,052; Mr. Montague, Mr. Stuart and Mr. Lindsay — \$1,336,139. All RSUs and PSUs reported in this table were awarded under our Amended and Restated 2013 Performance Incentive Plan (our “Plan”). In addition, on August 4, 2015, Mr. Del Rio was awarded a separate award of PSUs. Like the 2017 awards of PSUs, a grant date was not established for the 2015 award of PSUs to Mr. Del Rio on the August 4, 2015 award date, but was instead established on February 27, 2018 due to the application of accounting principles. The fair value of the 2015 PSU award based on the probable outcome of the performance conditions at the time of the February 27, 2018 grant date was zero (\$0) because the threshold performance level applicable to these PSUs was not expected to be achieved. The value of the 2015 PSU award assuming the maximum performance level was achieved would have been \$2,813,500.

(2)

For 2018, represents previously granted options that received accelerated vesting pursuant to Ms. Beck’s transition agreement. The amount reported represents the incremental fair value, computed as of the modification date in accordance with FASB ASC Topic 718. On August 4, 2015, Mr. Del Rio was awarded a performance-based option award in connection with the 2015 PSU award described above. Like the 2015 award of PSUs to Mr. Del Rio, a grant date was not established for the 2015 option award to Mr. Del Rio on the August 4, 2015 award date, but was instead established on February 27, 2018 due to the

TABLE OF CONTENTS**EXECUTIVE COMPENSATION TABLES**

application of accounting principles. The fair value of the 2015 option award based on the probable outcome of the performance conditions at the time of the February 27, 2018 grant date was zero (\$0) because the threshold performance level applicable to these options was not expected to be achieved. The value of the 2015 option award assuming the maximum performance level was achieved would have been \$3,166,171.

(3)

For 2018, the amounts reported in the “Non-Equity Incentive Plan Compensation” column reflect the annual cash performance incentives paid under our Plan based on performance during 2018, as described in “Compensation Discussion and Analysis.”

The fair value of each performance-based option award is estimated on the date of grant using the Black-Scholes option-pricing model. The fair value of the time-based RSUs is equal to the closing market price of our shares on the date of grant. The fair value of PSUs is reported based on the probable outcome of the performance conditions at the time of grant and the closing market price of our ordinary shares on the date of grant. PSUs were valued as follows: February 27, 2018 grants originally awarded on August 4, 2015 were valued below threshold and have zero value based on the probable performance outcome, February 27, 2018 grants originally awarded on March 1, 2017 or August 1, 2017 were valued at maximum and March 1, 2018 grants were valued at target. All RSUs and PSUs reported in this table were awarded under our Plan.

(3)

Reflects RSU awards that will vest in equal installments on March 1, 2019, 2020 and 2021.

(4)

Awards were originally made on August 4, 2015. Pursuant to FASB ASC Topic 718, a grant date was not established for the awards on the award date, but was established on February 27, 2018 due to the application of accounting principles.

Please see "Compensation Discussion and Analysis" for a discussion of how the level of these payments and benefits was determined.

Frank J. Del Rio

Mr. Del Rio's employment agreement, as amended in August 2017, provides for certain payments and benefits to be paid to him under the circumstances described below. In each case, Mr. Del Rio is entitled to receive all

amounts that he has earned but are unpaid regardless of the circumstances under which his employment terminates (his “accrued obligations”).

EXECUTIVE COMPENSATION TABLES

Severance Benefits — Termination of Employment. In the event that Mr. Del Rio's employment is terminated during the employment term either by us without "cause" or by him for "good reason" (as defined in the amended employment agreement), or if Mr. Del Rio's employment terminates by reason of his death or disability (as those terms are defined in the amended employment agreement), or his employment terminates on the expiration of his employment term (or in the case of the cash severance payment, as of December 31, 2020, regardless of whether his employment terminates), he will be entitled to receive:

- a payment equal to 2.25 times the sum of: (1) his annualized base salary in effect as of August 2017 (\$1.5 million) and (2) his target annual cash performance incentive amount at the rate in effect as of August 2017 (or \$3 million) and (3) \$64,000, which represents the value of certain benefits; and

- all then outstanding, unvested RSUs subject only to time-based vesting requirements that were awarded during and after 2017 will vest in full, and any outstanding, unvested performance-based RSUs that were awarded during and after 2017 will continue to remain outstanding as if Mr. Del Rio were still employed until the performance period is complete, will remain subject to all of the applicable performance conditions and will vest in full at the time, if any, that the performance conditions are satisfied.

If Mr. Del Rio's employment terminates during the employment term either by us without "cause" or by him for "good reason" (as those terms are defined in the amended employment agreement) or his employment terminates on the expiration of his employment term, he will also be entitled to receive:

- continuation of medical and dental coverage for Mr. Del Rio and his eligible dependents on the same terms as actively employed senior executives for two years after the severance date; and

- a pro-rata portion of his annual cash performance

incentive for the year in which the severance date occurs, with the pro-rata portion determined based on performance through the severance date.

In the event that Mr. Del Rio's employment is terminated either by us without "cause" or by him for "good reason" (as those terms are defined in the amended employment agreement), he will also be entitled to receive accelerated vesting for all unvested options, RSUs and PSUs from his award in 2015 in full. In the event that Mr. Del Rio's employment is terminated due to his death or disability, he is also entitled to pro-rata vesting of the next unvested installment of his time-based options and RSUs from his 2015 award.

Mr. Del Rio's right to receive the severance payments and benefits described above is subject to him executing a release of claims in favor of our Company.

Mr. Del Rio's employment agreement provides that if any of the foregoing severance payments or benefits would be a parachute payment subject to any excise taxes pursuant to Section 4999 of the Code, his payments and benefits will be reduced and "cut back" to the extent that such reduction results in a better net after tax result to him.

Severance Benefits — Other Terminations. In the event that Mr. Del Rio's employment is terminated by us for "cause" or by him other than for "good reason," he will only be entitled to receive his accrued obligations.

Restrictive Covenants. Pursuant to Mr. Del Rio's amended employment agreement, he has agreed not to disclose any confidential information of our Company and our affiliates at any time during or after his employment with us. In addition, Mr. Del Rio has agreed that for a period of one year (two years in the case of a resignation without "good reason") after his employment terminates he will not compete with certain restricted competitors of our Company, and for a period of one year after the last date compensation is paid to him by us, he will not solicit the employees of our Company or our affiliates.

Wendy A. Beck

In connection with Ms. Beck's resignation in the first quarter of 2018, she became entitled to receive the following benefits pursuant to a transition and consulting agreement that she entered into with us: (i) an amount equal to two times her base salary (\$1.4 million), paid over a 12-month period, (ii) in recognition of her service and tenure, an amount equal to \$4.0 million, paid in quarterly installments through December 30, 2019, (iii) continued COBRA benefits (including the executive medical plan) at the same cost as active employees (or pay in lieu of such benefits if we cannot provide such benefits) for up to 36 months (having a value of \$26,470 for 2018 and a total estimated value of \$90,417), (iv) full acceleration of her outstanding time-based equity awards (having a value equal to \$1.8 million on the date of her resignation based on the NCLH share price on that date and the "spread" value of her options), (v) continued opportunity to vest in her only outstanding performance-based equity award, subject to the satisfaction of the applicable financial performance

conditions for 2018 (having an estimated value of \$0.8 million based on the NCLH share price on the date she resigned and assuming maximum achievement of the performance targets), (vi) pro-rata portion of any annual incentive actually earned based on performance for 2018 (having a value of approximately \$1.3 million), and (vii) an executive-level cruise. Ms. Beck will receive \$2.0 million, paid in six equal quarterly installments through December 30, 2019, for her consulting services and base salary and pro-rata bonus opportunity as if she remained employed through September 30, 2018.

Pursuant to the transition and consulting agreement, Ms. Beck has agreed not to disclose any confidential information of our Company and our affiliates at any time during or after her employment with us. In addition, she has agreed that for a period of two years after her employment was terminated, she will not compete with the business of our Company or our affiliates and will not solicit the employees or guests of our Company or our affiliates.

Other NEOs

The current employment agreement of each of Mr. Kempa, Mr. Montague, Mr. Stuart and Mr. Lindsay with us, described above under “Employment Agreements for NEOs — Salary and Annual Cash Performance Incentive Opportunity,” provides for certain payments and benefits to be paid to each NEO in connection with a termination of his employment with us under the circumstances described below. In each case, Mr. Kempa, Mr. Montague, Mr. Stuart and Mr. Lindsay are entitled to receive all amounts that they have earned but are unpaid regardless of the circumstances under which their employment terminates (“accrued obligations”).

Severance Benefits — Termination of Employment. In the event that Mr. Kempa’s, Mr. Montague’s, Mr. Stuart’s or Mr. Lindsay’s employment is terminated during the employment term by us without “cause,” we provide notice that his employment agreement will not be extended or further extended, or the NEO terminates his employment for “good reason” (as those terms are defined in the employment agreements) the NEO will be entitled to receive:

- an amount equal to twice his then current base salary at the annualized rate in effect on the severance date, payable over a 12-month period in accordance with our regular payroll cycle practices following termination;
- payment of a pro-rata portion of any annual cash incentive actually earned for the year of termination; and
- continuation of medical and dental coverage for him and his eligible dependents on substantially the same terms and conditions in effect on his termination of employment until the first to occur of: (1) 18 months following termination, (2) the date of his death; (3) the date he becomes eligible for coverage under the health plan of a future employer; or (4) the date our Company is no longer obligated to offer him COBRA continuation coverage.

In addition, if in connection with a change in control of our Company, we terminate Mr. Kempa’s, Mr. Montague’s, Mr. Stuart’s or Mr. Lindsay’s employment without “cause,” provide notice that his agreement will not be extended or further extended, or he terminates his employment for “good reason,” in addition to the payments and benefits described above, all of Mr. Kempa’s, Mr. Montague’s, Mr. Stuart’s or Mr. Lindsay’s outstanding and unvested equity awards granted under the Plan, or any successor equity plan, will receive full accelerated vesting.

The employment agreements for Mr. Kempa, Mr. Montague, Mr. Stuart and Mr. Lindsay provide that if any of the foregoing severance payments or benefits would be a parachute payment subject to any excise taxes pursuant to Section 4999 of the Code, his payments and benefits will be reduced and “cut back” to the extent that such reduction results in a better net after tax result to him.

Each of Mr. Kempa’s, Mr. Montague’s, Mr. Stuart’s and Mr. Lindsay’s right to receive the severance payments and benefits described above is subject to him executing a release of claims in favor of our Company.

Severance Benefits — Other Terminations. In the event that Mr. Kempa’s, Mr. Montague’s, Mr. Stuart’s or Mr. Lindsay’s employment is terminated by us for any other reason (death, disability, by us for “cause” or by the NEO other than for

“good reason”), he will only be entitled to receive his accrued obligations.

Restrictive Covenants. Pursuant to each of Mr. Kempa’s, Mr. Montague’s, Mr. Stuart’s and Mr. Lindsay’s employment agreements, each NEO has agreed not to disclose any confidential information of our Company and our affiliates at any time during or after his employment with us. In addition, each NEO has agreed that for a period of two years after his employment terminates, he will not compete with the business of our Company or our affiliates and will not solicit the employees or guests of our Company or our affiliates.

For options, the value presented is equal to their intrinsic value at December 31, 2018. Compensation Committee Interlocks and Insider Participation

Messrs. John W. Chidsey, Russell W. Galbut and Chad A. Leat served on our Compensation Committee during 2018. None of the members of our Compensation Committee was an officer or employee of our Company during the last fiscal year or was formerly an officer of our Company. During the last fiscal year, none of our executive officers served as: (1) a member of the compensation committee (or other committee of the board of directors performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served on our Compensation Committee; (2) a director of another entity, one of whose executive officers served on our Compensation Committee, or (3) a member of the compensation committee (or other committee of the board of directors performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served on our Board.

Pay Ratio Disclosure

Under Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(u) of Regulation S-K, we are required to provide the ratio of the annual total compensation of Mr. Del Rio, our President and Chief Executive Officer, to the annual total compensation of the median employee of the Company other than our President and Chief Executive Officer (the “Pay Ratio Disclosure”).

To provide context for this disclosure, it is important to understand the unique circumstances of our employee population. Our shipboard employees are an essential part of our operations and comprise over 90% of our workforce, while shoreside employees make up the remainder. Due to maritime requirements and the practical implications of employment on ships with worldwide operations, our shipboard employees receive certain accommodations that are not typically provided to shoreside employees including housing and meals while on the ship and medical care for any injuries or illnesses that occur while in the service of the ship. These accommodations are free of cost to each shipboard employee. Additionally, because our shipboard employees are away from home for extended periods of time while on the ship, they do not work for the entire year. For example, a shipboard employee will typically work between six to ten months out of the year. Pursuant to the rules governing our Pay Ratio Disclosure, we have not annualized payment for our shipboard employees. Our shipboard employees also generally reside outside of the U.S., where the cost of living may be significantly lower than in the U.S.

We believe that there have been no changes to our employee population or compensation arrangements since last year that would result in a significant change to the Pay Ratio Disclosure. However, in 2018, the median employee that was identified on December 31, 2017 received a promotion. Therefore, as permitted by Regulation S-K, we are substituting another employee, with substantially similar compensation and working in the same position and on the same ship as the median employee that was identified on December 31, 2017, for December 31, 2018.

The median employee was a full-time employee located on one of our ships with an annual total compensation of \$20,101 for 2018, calculated in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, which includes fixed cash pay, overtime pay, gratuities, and shipboard pension. Mr. Del Rio’s annual total compensation for 2018 was \$22,593,061. Based on this information, for 2018, the ratio of the compensation of Mr. Del Rio to the annual total compensation of the median employee was estimated to be 1,124 to 1. As discussed in “Compensation Discussion and Analysis”, Mr. Del Rio’s annual total compensation for 2018 includes his PSU awards for both 2017 and 2018 due to the application of accounting principles. Without the effect of this application of accounting principles, which requires us to include performance-based equity awards made in more than one year, Mr. Del Rio’s annual total compensation for 2018 would have been \$14,873,324 and the ratio of Mr. Del Rio’s annual total compensation to the annual total compensation of the median employee would be estimated to be 740 to 1.

The Pay Ratio Disclosure presented above is a reasonable estimate. Because the SEC rules for identifying the median employee and calculating the pay ratio allow companies to use different methodologies, exemptions, estimates and

assumptions, the Pay Ratio Disclosure may not be comparable to the pay ratio reported by other companies.

PROPOSAL 3 — AMENDMENT AND RESTATEMENT OF BYE-LAWS

Currently, our bye-laws contain a number of obsolete provisions related to our former listing on the Nasdaq Global Select Market, the ownership of our ordinary shares by our Former Sponsors and a related Shareholders' Agreement. In December 2017, we transferred our listing from the Nasdaq Global Select Market to the NYSE. In December 2018, our Former Sponsors sold all remaining ordinary shares of our Company, and the related Shareholders' Agreement was terminated. As a result of these developments, a number of provisions in our bye-laws are no longer applicable or relevant. Our Board has approved, and is asking the shareholders of our Company to approve, an amendment and restatement of our bye-laws to remove these obsolete provisions. Our Board believes the proposed amendment and restatement of our bye-laws is in the best interests of our shareholders.

This summary of the proposed amendment and restatement of our bye-laws is qualified in its entirety by reference to the full text of the proposed Amended and Restated Bye-laws, which is attached as Appendix B. Additions to the text of our Company's bye-laws contained in Appendix B are indicated by underlining, and deletions of the text are indicated by strike-outs.

In accordance with our bye-laws, the shareholders of our Company are required to approve the Amended and Restated Bye-laws. Accordingly, our Board requests your vote on the following resolution at the Annual General Meeting: RESOLVED, that the shareholders of our Company approve the amendment and restatement of our Company's bye-laws set forth in Appendix B to the Proxy Statement in order to remove obsolete provisions in our Company's bye-laws.

Our Board has approved the Amended and Restated Bye-laws in Appendix B, subject to and conditioned upon shareholder approval of the proposed amendments at our Annual General Meeting. If approved, the Amended and Restated Bye-laws will become effective immediately following our Annual General Meeting. If the proposed amendments are not approved, our bye-laws will remain as currently in effect and the obsolete provisions will remain in place.

SHARE OWNERSHIP INFORMATION

Security Ownership of Certain Beneficial Owners and Management

The table below sets forth information regarding the beneficial ownership of our equity securities as of April 1, 2019 (except where another date is indicated) by:

- each person that is known by us to be a beneficial owner of more than 5% of our outstanding equity securities;
- each of our NEOs;
- each of our current directors and director nominees; and
- all current directors and current executive officers as a group.

There were 215,386,773 ordinary shares issued and outstanding as of April 1, 2019.

The amounts and percentages of our ordinary shares beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities (including as further described in the footnotes to the following table). Under the rules of the SEC, a person is deemed to be a “beneficial owner” of a security if that person has or shares “voting power,” which includes the power to vote or to direct the voting of such security, or “investment power,” which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed a beneficial owner of securities as to which he or she has no economic interest. Except as otherwise indicated in the footnotes below and as subject to applicable community property laws, each of the beneficial owners has, to our knowledge, sole voting and investment power with respect to the indicated ordinary shares. Unless indicated otherwise, the address of each individual listed in the table is c/o Norwegian Cruise Line Holdings Ltd., 7665 Corporate Center Drive, Miami, Florida 33126.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the members of our Board, our executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC reports of ownership and reports of changes in ownership of our equity securities. These persons are required by SEC regulations to furnish us with copies of all of these reports that they file. To our knowledge, based solely on our review of the copies of such reports, including any amendments thereto, furnished to us and written responses to annual directors' and officers' questionnaires that no other reports were required, all Section 16(a) reports required to be filed during 2018 were timely filed.

Review and Approval of Related Party Transactions

Pursuant to its charter, our Audit Committee is responsible for the review and approval of all related party transactions; however, our Audit Committee does not have a written policy regarding the approval of related party transactions. As part of its review and approval of a related party transaction, our Audit Committee considers:

- the nature of the related party's interest in the transaction;
- the material terms of the transaction, including the amount involved and type of transaction;
- the importance of the transaction to the related party and to us;
- whether the transaction would impair the judgment of a director or executive officer to act in our best interest; and
- any other matters our Audit Committee deems appropriate.

Relationships and Transactions

We and our Former Sponsors were party to a Shareholders' Agreement. The Shareholders' Agreement provided certain shareholders party thereto certain rights with respect to the affairs of the Company, including, subject to certain limitations, the right to influence the voting of the ordinary shares of our Company held by other shareholders party thereto, the right to participate on a pro rata basis in any issuance of new ordinary shares of our Company and certain registration rights with respect to the ordinary shares of our Company, including the right to make written requests in unlimited numbers to us to register and thereby transfer all or a portion of their ordinary shares of our Company through registered secondary share offerings. Apollo and Genting HK exercised these rights in March 2018 and December 2018. Pursuant to the Shareholders' Agreement, we paid certain registration expenses in such offerings. On December 3, 2018, we entered into a termination agreement with Apollo and Genting HK that terminated the Shareholders' Agreement and all of the rights, obligations and provisions of the parties thereto, other than certain expense and indemnity provisions, which survive the Shareholders' Agreement indefinitely.

In December 2018, as part of a public equity offering of our ordinary shares owned by Apollo and Genting HK, we repurchased 1,683,168 of our ordinary shares sold in the offering for approximately \$85.0 million pursuant to our share repurchase program.

In March 2018, as part of a public equity offering of our ordinary shares owned by Apollo and Genting HK, we repurchased 4,722,312 of our ordinary shares sold in the offering for approximately \$263.5 million pursuant to our then existing share repurchase program.

From January 1, 2018 through December 3, 2018 (the date Apollo ceased to be a related party), we purchased equipment from PlayAGS, Inc., an affiliate of Apollo, worth approximately \$1.2 million.

In July 2009, we established a marketing alliance with Caesars Entertainment Corporation which incorporates cross company marketing, purchasing and loyalty programs. Caesars Entertainment Corporation was formerly owned by affiliates of Apollo until March 2019. From the beginning of 2018 through December 3, 2018, we paid approximately \$4.1 million to Caesars Entertainment Corporation.

We have a marketing agreement with ClubCorp Holdings, Inc. which is owned by affiliates of Apollo. From January 1, 2018 through December 3, 2018, we paid approximately \$0.4 million to ClubCorp Holdings, Inc. for advertising services.

We have an agreement with Mood Media Corporation which is owned by affiliates of Apollo. From January 1, 2018 through December 3, 2018, we paid approximately \$0.2 million to Mood Media Corporation for branding and marketing services.

Mr. Rogelio (Roger) Del Rio, who is the brother of our President, Chief Executive Officer and director, Mr. Frank J. Del Rio, is our Vice President, Strategic Sourcing. From January 1, 2018 through April 1, 2019, Mr. Roger Del Rio's total compensation was \$625,366, which includes his base salary, annual cash bonus for 2018 and his equity awards for 2018 and 2019, which vest over a three-year period. He is eligible to participate in our general employee benefit plans.

Mr. Kyle Lindsay, who is the son of our Executive Vice President, Vessel Operations, Mr. T. Robin Lindsay, is our Director, Electrical Services. From January 1, 2018 through April 1, 2019, Mr. Kyle Lindsay's total compensation was \$263,549, which includes his base salary, annual cash bonus for 2018 and his equity awards for 2018 and 2019, which vest over a three-year period. ABOUT THE ANNUAL GENERAL MEETING AND VOTING

Who may vote?

Each ordinary share outstanding as of the close of business on April 1, 2019 (the “record date”) is entitled to one vote at our Annual General Meeting. At the close of business on April 1, 2019, 215,386,773 of our ordinary shares were outstanding and entitled to vote. The ordinary shares are our only outstanding class of equity securities that are entitled to vote at the Annual General Meeting. Our bye-laws provide that no one person or group of related persons, may own, or be deemed to own, more than 4.9% of our ordinary shares, whether measured by vote, value or number, unless such ownership is approved by our Board (the “4.9% limit”). Any outstanding shares held in excess of the 4.9% limit will be transferred to and held in a trust. The trustee will be entitled to vote the excess shares on behalf of the beneficiary. See “Item 1 — Business — Taxation — U.S. Income Taxation — Exemption of International Shipping Income Under Section 883 of the Code” in our 2018 Annual Report for further information.

At the Annual General Meeting, you may vote all of the ordinary shares owned by you as of the close of business on the record date. These ordinary shares include ordinary shares that are (1) held of record directly in your name and (2) held for you as the beneficial owner through a broker, bank, or other nominee. There are some distinctions between ordinary shares held of record and ordinary shares owned beneficially as described herein.

What do I do if I am a shareholder of record?

If your ordinary shares are registered directly in your name with our Company or our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered the shareholder of record with respect to those ordinary shares, and the proxy materials were sent directly to you by us. If you previously requested to receive printed proxy materials, we have sent a proxy card for you to use. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual General Meeting. See “How do I vote?” below.

What do I do if I am a beneficial owner?

If your ordinary shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of ordinary shares held in “street name,” and the proxy materials were forwarded to you by your broker, bank or other nominee. If you previously requested to receive printed proxy materials, your broker, bank or other nominee has sent a voting instruction form that you may use. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote the shares in your account, and you are also invited to attend the Annual General Meeting. See “How do I vote?” below.

What are the requirements to attend the Annual General Meeting?

You are invited to attend the Annual General Meeting if you are a shareholder of record or a beneficial owner as of the record date, or you hold a valid legal proxy for the Annual General Meeting. If you are a shareholder of record, you

must present a government-issued photo identification, such as a valid driver's license, and the name on your photo identification will be verified against the list of shareholders as of the record date for admission to the Annual General Meeting. If you hold your ordinary shares through a broker, bank or other nominee, you will need to provide proof of beneficial ownership by bringing either a copy of the Notice of Internet Availability or voting instruction form provided to you by your broker, bank or other nominee, a copy of your brokerage statement showing your ordinary share ownership as of the record date, or other similar evidence of ownership as of the record date, as well as a government-issued photo identification, such as a valid driver's license. The name on your photo identification and your proof of ownership must match. If you hold a valid legal proxy to vote a shareholder's ordinary shares at the Annual General Meeting, you will also be asked to present a government-issued photo identification, such as a valid driver's license, and the name on your

photo identification and legal proxy must match for admission to the Annual General Meeting.

Please note that cameras, sound or video recording equipment, smartphones or other similar equipment, electronic devices, large bags, briefcases or packages

may not be allowed (or their use may be restricted) in the meeting room. Security measures at the Annual General Meeting may also include bag searches and hand-wand searches.

How do I vote?

Voting in Person

Ordinary shares held in your name as the shareholder of record may be voted in person at the Annual General Meeting. Ordinary shares for which you are the beneficial owner but not the shareholder of record may be voted in person at the Annual General Meeting only if you obtain a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares in person at the meeting. Even if you plan to attend the Annual General Meeting, we recommend that you also vote your ordinary shares as described below so that your vote will be counted if you later decide not to attend the meeting.

Voting Without Attending the Annual General Meeting

Whether you hold shares directly as a shareholder of record or beneficially in street name, you may vote your ordinary shares without attending the Annual General Meeting. You may vote by granting a proxy or, for ordinary shares held in street name, by submitting voting instructions to your broker, bank or nominee. You may also submit a proxy or voting instructions by telephone or using the Internet as outlined on your Notice of Internet

Availability, proxy card or voting instruction form. Please see your Notice of Internet Availability, proxy card or the information your bank, broker, or other nominee provided to you for more information on these options. Votes cast by Internet or telephone have the same effect as votes cast by submitting a written proxy card or voting instruction form.

How to Vote in Advance

Your vote is important. Please vote as soon as possible by one of the methods shown below. Be sure to have your proxy card, voting instruction form or Notice of Internet Availability of Proxy Materials in hand:

By telephone You can vote your shares by calling the number provided in the proxy card or voting instruction form

By Internet You can vote your shares online at www.proxyvote.com

By mail Complete, sign, date and return your proxy card or voting instruction form in the postage-paid envelope provided

Deadline for Voting

If you are a shareholder of record, your proxy must be received by telephone or the Internet by 11:59 p.m. Eastern Time on June 12, 2019 in order for your ordinary shares to be voted at the Annual General Meeting. However, if you are a shareholder of record and you

received a copy of the proxy materials by mail, you may instead mark, sign and date the proxy card you received and return it in the accompanying prepaid and addressed envelope so that it is received by us before the Annual General Meeting in order for your ordinary shares to be

ABOUT THE ANNUAL GENERAL MEETING AND VOTING

voted at the Annual General Meeting. If you hold your ordinary shares in street name, please provide your voting instructions by the deadline specified by the broker, bank or other nominee that holds your shares.

How will my shares be voted?

Our Board has appointed Mr. Mark A. Kempa and Ms. Faye Ashby to serve as proxy holders to vote your shares according to the instructions you submit. If you properly submit a proxy but do not specify your voting choice on one or more of the items listed in the accompanying Notice of Annual General Meeting of Shareholders, your shares will be voted as follows:

FOR the election of each of the four nominees for Class III director (Proposal No. 1);

FOR the approval, on a non-binding, advisory basis, of the compensation of our named executive officers (Proposal No. 2);

FOR the approval of the amendment and restatement of our bye-laws to delete obsolete provisions (Proposal No. 3); and

FOR the ratification of the appointment of PwC as our independent registered public accounting firm for the year ending December 31, 2019 and the determination of PwC's remuneration by our Audit Committee (Proposal No. 4). If you hold your ordinary shares in street name through a brokerage account and you do not submit voting instructions to your broker, your broker may generally vote your ordinary shares in its discretion on routine matters. However, a broker cannot vote ordinary shares

held in street name on non-routine matters unless the broker receives voting instructions from the street name holder. The proposal to ratify the appointment of PwC as our independent registered public accounting firm for the year ending December 31, 2019 and our Audit Committee's determination of PwC's remuneration (Proposal No. 4) is considered routine under applicable rules, while each of the other items to be submitted for a vote of shareholders at the Annual General Meeting is considered non-routine. Accordingly, if you hold your ordinary shares in street name through a brokerage account and you do not submit voting instructions to your broker, your broker may exercise its discretion to vote your ordinary shares on Proposal No. 4, but will not be permitted to vote your ordinary shares on any of the other items at the Annual General Meeting. If your broker exercises this discretion, your ordinary shares will be counted as present for the purpose of determining the presence of a quorum at the Annual General Meeting and will be voted on Proposal No. 4 in the manner directed by your broker, but your shares will constitute "broker non-votes" on each of the other items at the Annual General Meeting. Broker non-votes will not be counted as a vote cast with respect to Proposal Nos. 1 and 2 and therefore will not be counted in determining the outcome of such items. Broker non-votes will have the same effect as a vote against Proposal No. 3.

What matters will be presented?

We are not aware of any matters to be presented for a vote at the Annual General Meeting other than those described in this Proxy Statement. If any matters not described in this Proxy Statement are properly presented at the meeting, your proxy, if properly submitted, gives authority to the proxy holders to vote your ordinary shares in accordance with their judgment.

What constitutes a quorum?

A quorum refers to the number of persons that must be in attendance at an annual general meeting of shareholders and the percentage of the total issued voting shares that must be represented at such meeting in order to lawfully conduct business. The presence of two or more persons, present in person or by proxy, holding in excess of 50% of the total issued ordinary shares entitled to vote will form a quorum for the transaction of business at the Annual General Meeting. Shares represented by properly submitted proxies that reflect abstentions or broker non-votes will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. If the persons present or represented by proxy at the Annual General Meeting constitute the holders of less than a majority of the outstanding ordinary shares entitled to vote as of the record date, the chairperson of the Annual General Meeting may adjourn the meeting to a subsequent date for the purpose of obtaining a quorum.

TABLE OF CONTENTS

ABOUT THE ANNUAL GENERAL MEETING AND VOTING

What is the vote required for proposals on the agenda?

The following summary describes the vote required to approve each of the proposals at the Annual General Meeting assuming a quorum has been established for the transaction of business at the meeting.

Election of Class III Directors (Proposal No. 1). Pursuant to our bye-laws, each director nominee receiving an affirmative majority of the votes cast with respect to his or her election will be elected as a Class III director. The majority voting standard does not apply, however, where the number of persons validly proposed for election as a director is greater than the number of directors to be elected. In such circumstances, directors will instead be elected by a plurality of the votes cast, meaning that the persons receiving the highest number of votes, up to the total number of directors to be elected at the meeting, will be elected.

At the Annual General Meeting, the number of director nominees validly proposed for election as a Class III director equals the number of directors to be elected. Therefore, in accordance with the majority voting standard, director nominees will be elected at the Annual General Meeting by an affirmative majority of the votes cast. Shareholders are not permitted to cumulate their shares for the purpose of electing directors.

For purposes of this proposal, abstentions and broker non-votes are not counted as votes cast and therefore will not be counted in determining the outcome of the election of directors.

Amendment and Restatement of Bye-laws (Proposal No. 3). Pursuant to our bye-laws, the affirmative vote

of a majority of the outstanding ordinary shares of our Company is required to approve Proposal No. 3 (amendment to bye-laws). For purposes of this proposal, abstentions and broker non-votes will have the same effect as a vote against the proposal.

All Other Proposals (Proposals No. 2 and 4). Pursuant to our bye-laws, the affirmative vote of a majority of the votes cast on the proposal at the meeting is required to approve each of Proposal No. 2 (advisory approval of the compensation of our named executive officers) and Proposal No. 4 (ratification of the appointment of PwC as our independent registered public accounting firm and the Audit Committee's determination of PwC's remuneration). Notwithstanding this vote standard required by our bye-laws, Proposal No. 2 and Proposal No. 4 are advisory in nature and therefore not binding on our Company. Our Board will consider the outcome of the vote on each of these items in considering what action, if any, should be taken in response to the vote by shareholders. For purposes of these proposals, abstentions and broker non-votes, if any, are not counted as votes cast and therefore will not be counted in determining the outcome of any of these proposals.

Prior to the Annual General Meeting, we will select two or more inspectors of election for the meeting. Such inspectors will determine the number of ordinary shares represented at the Annual General Meeting, the existence of a quorum and the validity and effect of proxies. They will also receive and tabulate ballots and votes and determine the results thereof.

Can I revoke a proxy?

If you are a shareholder of record, you may revoke your proxy at any time before the Annual General Meeting by delivering a written notice of revocation to our General Counsel and Assistant Secretary at 7665 Corporate Center Drive, Miami, Florida 33126, prior to the Annual General Meeting, by submitting a later-dated proxy via the Internet, by telephone or by mail by the deadline specified on the Notice of Internet Availability or proxy card (only your latest proxy submitted prior to the Annual General Meeting will be counted), or by attending the Annual General Meeting

and voting in person. If your shares are held in street name through a bank, broker or other nominee, you may change any previous voting instructions by submitting new voting instructions to the bank, broker or nominee holding your shares by the deadline specified on the Notice of Internet Availability or voting instruction form or by attending the Annual General Meeting and voting in person if you have obtained a legal proxy from the bank, broker or nominee giving you the right to vote the shares at the Annual General Meeting. Attendance at the Annual General Meeting will not by itself constitute a revocation of any proxy or voting instructions.

Important Information and Dates Related to the 2020 Annual General Meeting

In order for a shareholder proposal to be eligible for inclusion in our proxy statement under the rules of the SEC for next year's 2020 annual general meeting of shareholders, the written proposal must be received by the General Counsel and Assistant Secretary of our Company at our offices no later than December , 2019 and must comply with the requirements of Rule 14a-8 of the Exchange Act. If we change the date of the 2020 annual general meeting of shareholders by more than 30 days from the anniversary of this year's meeting, shareholder proposals must be received a reasonable time before we begin to print and mail our proxy materials for the 2020 annual general meeting of shareholders.

Our bye-laws provide that in order for a shareholder proposal to be presented at our 2020 annual general meeting of shareholders, including shareholder nominations for candidates for election as directors, written notice to the General Counsel and Assistant Secretary of our Company of such shareholder proposal or director nomination must be received at our executive offices not earlier than the close of business on the 120th day and not later than the close of business on the 90th day prior to the first anniversary date of the preceding annual general meeting of shareholders. This requirement is independent of and in addition to the notice required under SEC rules for inclusion of a shareholder proposal in our proxy materials. As a result, shareholders who intend to present proposals or director nominations at the 2020 annual general meeting of shareholders under these provisions must give written notice of the proposal to our General Counsel and Assistant Secretary no earlier than February 14, 2020, and no later than March 15, 2020. However, if the date of the 2020 annual general meeting of shareholders is a date that is more than 30 days before or more than 60 days after June 13, 2020, the anniversary date of the 2019 Annual General Meeting, notice by a shareholder of a proposal must be received no earlier than the close of business on the 120th day prior to the date of the 2020 annual general meeting of shareholders and no later than the close of business on the later of the 90th day prior to the 2020 annual general meeting of shareholders, or if the first public announcement of the 2020 annual general meeting of the shareholders is less than 100 days prior to such meeting date, the 10th day after the public announcement of such date.

Our bye-laws require that a shareholder must provide certain information concerning the proposing person, the nominee and the proposal, as applicable. Nominations and proposals not meeting the requirements set forth in our bye-laws will not be entertained at the 2020 annual general meeting of shareholders. Shareholders should contact our General Counsel and Assistant Secretary in writing at 7665 Corporate Center Drive, Miami, Florida 33126 to obtain additional information as to the proper form and content of shareholder nominations or proposals.

TABLE OF CONTENTS

APPENDIX A — NON-GAAP FINANCIAL MEASURES AND

RECONCILIATIONS

Non-GAAP Definitions

Adjusted EPS. Net income, adjusted for supplemental adjustments, divided by the number of diluted weighted-average shares outstanding.

Adjusted EBITDA. Earnings before interest, taxes, and depreciation and amortization, adjusted for other income (expense), net and other supplemental adjustments.

Adjusted ROIC. Adjusted EBITDA less depreciation and amortization, adjusted to exclude amortization of intangible assets related to the Acquisition of Prestige, divided by debt and shareholders' equity, averaged for four quarters.

Net Yield. Total revenue less commissions, transportation and other expense and onboard and other expense per Capacity Day.

Non-GAAP Financial Information

We use certain non-GAAP financial measures, such as Adjusted EPS, Adjusted EBITDA, Adjusted ROIC and Net Yield to enable us to analyze our performance.

We utilize Net Yield to manage our business on a day-to-day basis and believe that it is one of the most relevant measures of our revenue performance because it reflects the revenue earned by us net of significant variable costs.

We believe that Adjusted EBITDA is appropriate as a supplemental financial measure as it is used by management to assess operating performance. We also believe that Adjusted EBITDA is a useful measure in determining our performance as it reflects certain operating drivers of our business, such as sales growth, operating costs, marketing, general and administrative expense and other operating income and expense. Adjusted EBITDA is not intended to be a measure of liquidity or cash flows from operations or comparable to net income, as it does not take into account certain requirements such as capital expenditures and related depreciation, principal and interest payments and tax payments and it includes other supplemental adjustments.

Adjusted EPS is a non-GAAP financial measure that excludes certain amounts and is used to supplement GAAP EPS. We use Adjusted EPS as a key performance measure of our earnings performance. We believe that both management and investors benefit from referring to Adjusted EPS in assessing our performance and when planning, forecasting and analyzing future periods. Adjusted EPS also facilitates management's internal comparison to our historical performance. Our management believes the presentation of Adjusted ROIC provides a useful performance metric to both management and investors for evaluating our effective use of capital. In addition, management uses both Adjusted EPS and Adjusted ROIC as performance measures for our incentive compensation.

The amounts excluded in the presentation of these non-GAAP financial measures may vary from period to period; accordingly, our presentation of Adjusted EPS, Adjusted EBITDA and Adjusted ROIC may not be indicative of future adjustments or results.

You are encouraged to evaluate each adjustment used in calculating our non-GAAP financial measures and the reasons we consider our non-GAAP financial measures appropriate for supplemental analysis. In evaluating our non-GAAP financial measures, you should be aware that in the future we may incur expenses similar to the adjustments in our presentation. Our non-GAAP financial measures have limitations as analytical tools, and you should not consider these measures in isolation or as a substitute for analysis of our results as reported under GAAP. Our presentation of our non-GAAP financial measures should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. Our non-GAAP financial measures may not be comparable to other companies.

(a)

Shares may be Transferred without a written instrument if Transferred by an appointed agent or otherwise in accordance with the Act;

(b)

The Board shall, subject always to the Act and any other applicable laws and regulations and the facilities and requirements of any relevant system concerned and these Bye-laws, have power to implement and/or approve any arrangements it may, in its absolute discretion, think fit in relation to the evidencing of title to and Transfer of interests in shares in the capital of the Company in the form of depositary interests or similar interests, instruments or securities, and to the extent such arrangements are so implemented, no provision of these Bye-laws shall apply or have effect to the extent that it is in any respect inconsistent with the holding or transfer thereof or the shares of the Company represented thereby. The Board may from time to time take such actions and do such things as it may, in its absolute discretion, think fit in relation to the operation of any such arrangements; and

(c)

it is understood that the permission of the Bermuda Monetary Authority is not required in respect of any shares of the Company that are admitted to trading on NASDAQ the NYSE or any other appointed stock exchange (as defined under the Exchange Control Act 1972 of Bermuda and related regulations).

11. Restrictions on Transfer

11.1

Except as provided in Bye-law 11.8 hereof and subject to the terms of the Shareholders' Agreement, from the Section 883 Adoption Date until the Restriction Termination Date: (1) no Person (other than an Existing Holder) shall Beneficially Own Shares in excess of the Ownership Limit; (2) any Transfer that, if effective, would result in any Person (other than an Existing Holder) Beneficially Owning Shares in excess of the Ownership Limit shall be void ab initio as to the Transfer of that number of Shares which would be otherwise Beneficially Owned by such Person in excess of the Ownership Limit and the intended transferee shall acquire no rights in such Shares in excess of the Ownership Limit; and (3) any Transfer of Shares that, if effective, would result in the Shares being "closely held" within the meaning of U.S. Treasury Regulation Section 1.883-2(d)(3)(i) and being ineligible for the exception to the "closely held" treatment under U.S. Treasury Regulation Section 1.883-2(d)(3)(ii) shall be void ab initio as to the Transfer of that number of Shares which would cause the Shares to be "closely held" within the meaning of such U.S. Treasury Regulation sections, and the intended transferee shall acquire no rights in such Shares.

11.2

If, notwithstanding the other provisions contained in these Bye-laws, at any time from the Section 883 Adoption Date until the Restriction Termination Date, there is a purported Transfer or other event such that any Person (other than an Existing Holder) would Beneficially Own Shares in excess of the Ownership Limit, then, except as otherwise provided in Bye-law 11.8 hereof, such Shares which would be in excess of the Ownership Limit (rounded up to the nearest whole share), shall automatically be designated as Excess Shares (without reclassification). The designation of such Shares as Excess Shares shall be effective as of the close of business on the Business Day prior to the date of the Transfer or other event. If, after designation of such Shares owned directly by a Person as Excess Shares, such Person still owns Shares in excess of the applicable Ownership Limit, Shares Beneficially Owned by such Person in excess of the Ownership Limit shall be designated as Excess Shares until such Person does not own Shares in excess of the applicable Ownership Limit. Where such Person Beneficially Owns Shares through one or more Persons and the Shares held by such other Persons must be designated as Excess Shares, the designation of Shares held by such other Persons as Excess Shares shall be pro rata.

11.3

If, notwithstanding the other provisions contained in these Bye-Laws and subject to the terms of the Shareholders' Agreement, at any time from the Section 883 Adoption Date until the Restriction Termination Date, there is a purported Transfer which, if effective, would cause the Shares to become "closely held" within the meaning of U.S. Treasury Regulation Section 1.883-2(d)(3)(i) and ineligible for the exception to the "closely held" treatment under U.S. Treasury Regulation Section 1.883-2(d)(3)(ii), then, except as otherwise provided in Bye-law 11.8 hereof, the Shares being Transferred and which would cause, when taken together with all other Shares, the Shares to be "closely held" within the meaning of such U.S. Treasury Regulation sections (rounded up to the nearest whole share) shall

B-11 /

APPENDIX B — PROPOSED AMENDED AND RESTATED BYE-LAWS

automatically be designated as Excess Shares (without reclassification). The designation of such Shares as Excess Shares shall be effective as of the close of business on the Business Day prior to the date of the Transfer. If, after designation of such Shares owned directly by a Person as Excess Shares, such Person still Beneficially Owns Shares in excess of the applicable Ownership Limit, Shares Beneficially Owned by such Person constructively in excess of the Ownership Limit shall be designated as Excess Shares until such Person does not Beneficially Own Shares in excess of the applicable Ownership Limit. Where such Person Beneficially Owns Shares through one or more Persons and the Shares held by such other Persons must be designated as Excess Shares, the designation of Shares held by such other Persons as Excess Shares shall be pro rata.

11.4

If the Board shall at any time determine in good faith that a purported Transfer or other event has taken place in violation of Bye-law 11.1 hereof or that a Person intends to acquire or has attempted to acquire Beneficial Ownership of any Shares in violation of Bye-law 11.1 hereof, the Board may take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, but not limited to, causing the Company to redeem shares, refusing to give effect to such Transfer or other event on the books of the Company or instituting proceedings to enjoin such Transfer or other event or transaction; provided, however, that any Transfers or attempted Transfers (or, in the case of events other than a Transfer, Beneficial Ownership) in violation of Bye-law 11.1 hereof shall be void ab initio and automatically result in the designation and treatment described in Bye-law 11.2 hereof, irrespective of any action (or non-action) by the Board.

11.5

Any Person who acquires or attempts to acquire Shares in violation of Bye-law 11.1 hereof, or any Person who is a purported transferee such that Excess Shares result under Bye-law 11.2 hereof, shall immediately give written notice to the Company of such Transfer, attempted Transfer or other event and shall provide to the Company such other information as the Company may request in order to determine the effect, if any, of such Transfer or attempted Transfer or other event on the Company's status as qualifying for exemption from taxation on gross income from the international operation of a ship or ships within the meaning of Section 883 of the Code.

11.6

The restrictions set forth in Bye-law 11.1 shall not apply to any Shares with respect to which such restrictions are prohibited pursuant to applicable provisions of the laws of Bermuda.

11.7

Subject to Bye-law 11.11 hereof, nothing contained in these Bye-laws shall limit the authority of the Board to take such other action as they deem necessary or advisable to protect the interests of the Company's shareholders by preservation of the Company's status as exempt from taxation on gross income from the international operation of a ship or ships within the meaning of Section 883 of the Code and to ensure compliance with the Ownership Limit.

11.8

The Board may exempt a Person (or may generally exempt any class of Persons) or any class of Shares from the Ownership Limit.

11.9

In addition to any legend required by the Shareholders' Agreement, aAfter the Section 883 Adoption Date, and prior to the Restriction Termination Date, each certificate for the Shares shall bear the following legend:

"The Shares represented by this certificate are subject to restrictions on transfer. Unless excepted by the Board or exempted by the terms of the Bye-laws of the Company, no Person may Beneficially Own Shares in excess of 4.9% of the outstanding Shares, by value, vote or number, determined as provided in the Bye-laws of the Company, and computed with regard to all outstanding Shares and, to the extent provided by the Code, all Shares issuable under

existing options and exchange rights that have not been exercised. Unless so excepted, any acquisition of Shares and continued holding of ownership constitutes a continuous representation of compliance with the above limitations, and any Person who attempts to Beneficially Own Shares in excess of the above limitations has an affirmative obligation to notify the Company immediately upon such attempt. If the restrictions on transfer are violated, the transfer will be void ab initio and the Shares represented hereby will be designated and treated as Excess Shares that will be held in trust. Excess Shares may not be transferred at a profit and may be purchased by the Company. In addition, certain Beneficial Owners must give written notice as to certain information on demand and on exceeding certain ownership levels. All terms not defined in this legend have the meanings provided in the Bye-laws of the

Company. The Company will mail without charge to any requesting shareholder a copy of the Bye-laws of the Company, including the express terms of each class and series of the authorized Shares of the Company, within five (5) days after receipt by the Secretary of the Company of a written request therefor.”

11.10

If any provision of Bye-law 11 or Bye-law 12 or any application of any such provision is determined to be invalid by any court having competent jurisdiction over the issues, the validity of the remaining provisions shall not be affected, and other applications of such provision shall be affected only to the extent necessary to comply with the determination of such court.

11.11

Nothing in these Bye-laws shall preclude the settlement of any transaction entered into through the facilities of NASDAQ, the NYSE. The fact that the settlement of any transaction occurs shall not negate the effect of any other provision of these Bye-laws and any transferee in such a transaction shall be subject to all the provisions and limitations set forth in these Bye-laws.

11.12

After the Section 883 Adoption Date and prior to the Restriction Termination Date: (1) every Beneficial Owner of three percent (3%) or more, by vote, value or number, or such lower percentages as required pursuant to regulations under the Code, of the outstanding Shares shall promptly after becoming such a three percent (3%) Beneficial Owner, give written notice to the Corporation Company stating the name and address of such Beneficial Owner, the general ownership structure of such Beneficial Owner, the number of shares of each class of Shares Beneficially Owned, and a description of how such Shares are held and (2) each Person who is a Beneficial Owner of Shares and each Person (including the shareholder of record) who is holding Shares for a Beneficial Owner shall provide on demand to the Company such information as the Company may request from time to time in order to determine the Company's status as exempt from taxation on gross income from the international operation of a ship or ships within the meaning of Section 883 of the Code and to ensure compliance with the Ownership Limit.

11.13

In the case of an ambiguity in the application of any of the provisions of Bye-laws 11 or 12 or any definition contained in Bye-laws 11 and 12, the Board shall have the power to determine the application of the provisions of Bye-laws 11 and 12 or any such definition with respect to any situation based on the facts known to it. In the event Bye-laws 11 or 12 require an action by the Board and these Bye-laws fail to provide specific guidance with respect to such action, the Board shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of Bye-laws 11 or 12.

12.

Excess Shares

12.1

Upon any purported Transfer or other event that results in Excess Shares pursuant to Bye-laws 11.2 or 11.3 hereof, and without any action required on the part of the Purported Record Transferee or Purported Record Holder, such Excess Shares shall be transferred to the Excess Share Trustee, as trustee of the Excess Share Trust, for the benefit of the Charitable Beneficiary, such transfer to be effective as of the close of business on the Business Day prior to the date of the Transfer or other event or immediately upon the creation of the Excess Share Trust, if such creation date is a later date. Excess Shares so held in trust shall be issued and outstanding shares of the Company. To give effect to any such transfer, each of the Directors and Officers (and any person authorized by a resolution of the Board) is hereby empowered to sign, on behalf of the Purported Record Transferee or Purported Record Holder, an instrument of transfer in respect of the Excess Shares. The Purported Record Transferee or Purported Record Holder shall have no rights in such Excess Shares. The Purported Beneficial Transferee or Purported Beneficial Holder shall have no

rights in such Excess Shares except as provided in Bye-law 12.4 and Bye-law 12.6. The Excess Share Trustee may resign at any time so long as the Company shall have appointed a successor trustee. The Excess Share Trustee shall, from time to time, designate one or more charitable organization or organizations as the Charitable Beneficiary.

12.2

Any consideration received by a Purported Beneficial Holder in excess of (i) the consideration paid by the Purported Beneficial Holder in the transaction that created such Excess Shares, in the case of Excess Shares resulting from a purported Transfer (or, in the case of the devise, gift or similar event, the Market Price of such Shares on the date of such devise, gift or similar event), or (ii) in the case of Excess Shares resulting from an event other than a purported Transfer, the Market Price of such Shares on the date of such event, in each case, as a result of a subsequent purported Transfer of such Excess Shares prior to the discovery by the Company that the Shares have been designated as Excess

APPENDIX B — PROPOSED AMENDED AND RESTATED BYE-LAWS

Shares, in all such cases shall be transferred to the Excess Share Trustee, as trustee of the Excess Share Trust, for the benefit of the Charitable Beneficiary. All such amounts received or other income earned by the Excess Share Trust shall be paid over to the Charitable Beneficiary. For the avoidance of doubt, any such transferee of any Purported Record Transferee or Purported Record Holder in a subsequent purported Transfer described in this Bye-law 12.2 shall have no rights in such Excess Shares.

12.3

Excess Shares shall be entitled to the same dividends determined as if the designation of Excess Shares had not occurred. Any dividend or distribution paid prior to the discovery by the Company that the Shares have been designated as Excess Shares shall be repaid to the Excess Share Trust and shall be due and payable immediately by the Purported Beneficial Transferee or the Purported Beneficial Holder. Any dividend or distribution declared but unpaid shall be paid to the Excess Share Trust. All dividends received or other income earned by the Excess Share Trust shall be paid over to the Charitable Beneficiary.

12.4

Upon liquidation, dissolution or winding up of the Company, the Purported Beneficial Transferee or Purported Beneficial Holder shall receive, for each Excess Share, the lesser of (a) the amount per share of any distribution made upon liquidation, dissolution or winding up or (b) (i) in the case of Excess Shares resulting from a purported Transfer, the price per share of the Shares in the transaction that created such Excess Shares (or, in the case of the devise, gift or other similar event, the Market Price of such Shares on the date of such devise, gift or other similar event), or (ii) in the case of Excess Shares resulting from an event other than a purported Transfer, the Market Price of the Shares on the date of such event. Any amounts received in excess of such amount shall be paid to the Charitable Beneficiary.

12.5

The Excess Share Trustee shall be entitled to vote the Excess Shares on behalf of the Charitable Beneficiary on any matter. Subject to Bermuda law, any vote cast by a Purported Record Transferee with respect to the Excess Shares prior to the discovery by the Company that the Excess Shares were held in trust will be rescinded ab initio; provided, however, that if the Company has already taken irreversible action with respect to an amalgamation, merger, reorganization, sale of all or substantially all the assets, dissolution of the Company or other action by the Company, then the vote cast by the Purported Record Transferee shall not be rescinded. The purported owner of the Excess Shares will be deemed to have given an irrevocable proxy to the Excess Share Trustee to vote the Excess Shares for the benefit of the Charitable Beneficiary. Notwithstanding the provisions of these Bye-laws, until the Company has received notification that Excess Shares have been transferred into an Excess Share Trust, the Company shall be entitled to rely on its share transfer and other shareholder records for purposes of preparing lists of shareholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of shareholders.

12.6

Excess Shares shall be transferable only as provided in this Bye-law 12.6. At the direction of the Board, the Excess Share Trustee shall transfer the Excess Shares held in the Excess Share Trust to a Person or Persons (including, without limitation, the Company under Bye-law 12.7 below) whose ownership of such Shares shall not violate the Ownership Limit within 180 days after the later of (a) the date of the Transfer or other event which resulted in Excess Shares and (b) the date the Board determines in good faith that a Transfer or other event resulting in Excess Shares has occurred, if the Company does not receive a notice of such Transfer or other event pursuant to Bye-law 11.5 hereof. If such a transfer is made, the interest of the Charitable Beneficiary shall terminate, the designation of such Shares as Excess Shares shall thereupon cease and a payment shall be made to the Purported Beneficial Transferee, Purported Beneficial Holder and/or the Charitable Trustee as described below. If the Excess Shares resulted from a purported Transfer, the Purported Beneficial Transferee shall receive a payment from the Excess Share Trustee that reflects a price per share for such Excess Shares equal to the lesser of (a) the price per share received by the Excess Share Trustee and (b) (i) the price per share such Purported Beneficial Transferee paid for the Shares in the purported

Transfer that resulted in the Excess Shares, or (ii) if the Purported Beneficial Transferee did not give value for such Excess Shares (through a gift, devise or other similar event), a price per share equal to the Market Price of the Shares on the date of the purported Transfer that resulted in the Excess Shares. If the Excess Shares resulted from an event other than a purported Transfer, the Purported Beneficial Holder shall receive a payment from the Excess Share Trustee that reflects a price per share of Excess Shares equal to the lesser of (a) the price per share received by the Excess Share Trustee and (b) the Market Price of the Shares on the date of the event that resulted in Excess Shares. Prior to any transfer of any interest in the Excess Share Trust,

the Company must have waived in writing its purchase rights, if any, under Bye-law 12.7 below. Any funds received by the Excess Share Trustee in excess of the funds payable to the Purported Beneficial Holder or the Purported Beneficial Transferee shall be paid to the Charitable Beneficiary. The Company shall pay the costs and expenses of the Excess Share Trustee. Notwithstanding the foregoing, if the provisions of this Bye-law 12.6 are determined to be void or invalid by virtue of any legal decision, statute, rule or regulation, then the Purported Beneficial Transferee or Purported Beneficial Holder of any shares of Excess Shares may be deemed, at the option of the Company, to have acted as an agent on behalf of the Company in acquiring or holding such Excess Shares and to hold such Excess Shares on behalf of the Company.

12.7

Excess Shares shall be deemed to have been offered for sale by the Excess Share Trustee to the Company, or its designee, at a price per Excess Share equal to (a) in the case of Excess Shares resulting from a purported Transfer, the lesser of (i) the price per share of the Shares in the transaction that created such Excess Shares (or, in the case of devise, gift or other similar event, the Market Price of the Shares on the date of such devise, gift or other similar event), or (ii) the lowest Market Price of the class of Shares which resulted in the Excess Shares at any time after the date such Shares were designated as Excess Shares and prior to the date the Company, or its designee, accepts such offer or (b) in the case of Excess Shares resulting from an event other than a purported Transfer, the lesser of (i) the Market Price of the Shares on the date of such event or (ii) the lowest Market Price for Shares which resulted in the Excess Shares at any time from the date of the event resulting in such Excess Shares and prior to the date the Company, or its designee, accepts such offer.
