This Proxy Statement is first being mailed to stockholders on or about September 21, 2009.

This Proxy Statement and proxy card are being sent to holders of the Common Stock on or about September 21, 2009. A copy of Eagle s Annual Report on Form 10-K for the year ended June 30, 2009, which includes our audited financial statements, also accompanies this Proxy Statement.

MATTERS TO BE CONSIDERED AND ACTED UPON AT THE ANNUAL MEETING

Each proxy solicited hereby, if properly signed and returned to Eagle and not revoked prior to its use, will be voted in accordance with the instructions indicated on the proxies. If no contrary instructions are given, each signed proxy received will be voted in favor of the election of the nominees of the Board of Directors, James A. Maierle and Thomas J. McCarvel, in favor of the ratification of Davis, Kinard & Co., P.C. (Davis Kinard) and in the discretion of the proxy holder, as to any other matter which may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting. Only proxies that are returned can be counted and voted at the Annual Meeting.

SOLICITATION OF PROXIES

All costs of the solicitation of proxies will be borne by Eagle. In addition, directors, officers and other employees of Eagle or American Federal Savings Bank (the Bank or American Federal) may solicit proxies personally, or by mail

or telephone or other means and will not receive any special compensation for their services. Eagle will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of Common Stock.

REVOCAION OF PROXIES

A stockholder who has given a proxy may revoke it at any time prior to its exercise at the Annual Meeting by (i) giving written notice of revocation to the Secretary of Eagle, (ii) properly submitting to Eagle a duly-executed proxy bearing a later date, or (iii) attending the Annual Meeting and voting in person. 1

VOTING SECURITIES

The securities that may be voted at the Annual Meeting consists of shares of Common Stock, with each share entitling its owner to one vote on all matters to be voted on at the Annual Meeting. Only holders of record of Common Stock at the close of business on September 8, 2009 (the Record Date), will be entitled to notice of and to vote at the Annual Meeting. On the Record Date there were 1,075,312 shares of Common Stock issued and outstanding and 648,493 shares of Common Stock, or 60.31% of the issued and outstanding Common Stock, are held by Eagle Financial MHC, Eagle's mutual holding company. Eagle has no other class of securities outstanding at this time.

The presence in person or by proxy of the holders of at least a majority of the total number of shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. With respect to any matter, any shares for which a broker indicates on the proxy that it does not have discretionary authority as to such shares to vote on such matter (Broker Non-Votes) will be considered present for the purposes of determining whether a quorum is present. In the event there are not sufficient votes for a quorum or to approve or ratify any proposal at the time of the Annual Meeting, the Annual Meeting shall be adjourned in order to permit further solicitation of proxies.

VOTING PROCEDURES

Once a quorum has been established, the affirmative vote of a majority of the outstanding shares of Common Stock present or represented by proxy at the Annual Meeting is required to approve the proposals described in this Proxy Statement, except as described below. Additionally, directors can be elected by a plurality of stockholders. Stockholders are not permitted to cumulate their votes for the election of directors or any other purpose. Votes may be cast for or withheld from each nominee for election as directors. Votes that are withheld and broker non-votes will have no effect on the outcome of the election for directors because directors will be elected by a plurality of votes cast.

With respect to the other proposals to be voted upon at the Annual Meeting, stockholders may vote for or against a proposal and may abstain from voting. Ratification of Davis Kinard as independent auditors for the fiscal year ending June 30, 2010, will require the affirmative vote of a majority of the outstanding shares of Common Stock present in person or by proxy at the Annual Meeting and entitled to vote. Abstentions and broker non-votes will have the same effect as a vote against this proposal.

Eagle's Annual Report to Stockholders, which includes its annual report on Form 10-K for its fiscal year ended June 30, 2009, is mailed herewith to stockholders. Eagle has filed its annual report with the Securities and Exchange Commission (the SEC). Stockholders may obtain, free of charge, an additional copy of the annual report on Form 10-K by requesting it from Charles Berger in writing at Eagle Bancorp, P.O. Box 4999, Helena, Montana 59604, or by calling him at (406) 442-3080.

Executed, unmarked proxies will be voted **FOR** all proposals. Except for procedural matters incidental to conduct of the Annual Meeting, Eagle knows of no other matters expected to come before the meeting.

Proxies solicited hereby are to be returned to Eagle's transfer agent, Registrar & Transfer Company. The Board of Directors has designated Charles Berger, corporate secretary, to act as Inspector of Election and tabulate votes at the Annual Meeting. After the final adjournment of the Annual Meeting, the proxies will be returned to Eagle.

PROPOSAL I - ELECTION OF DIRECTORS

Eagle's Bylaws provide that the Board of Directors be composed of seven members, whose terms are divided into three approximately equal classes. The members of each class are elected for a term of three years. One class is elected annually.

Two directors will be elected at the Annual Meeting. The Board of Directors has nominated current directors James A. Maierle and Thomas J. McCarvel for re-election. If elected, Messrs. Maierle and McCarvel will each serve as a director for a three year term expiring at the Annual Meeting to be held in 2012.

The Board's Nominating Committee determines nominees for election as directors. The Bylaws also allow stockholders to submit nominations in writing directly to the Corporate Secretary (see "Stockholder Proposals and Nominations"). No stockholder nominations have been received by Eagle as of the date of this Proxy Statement. There are no arrangements known to management between the persons named and any other person pursuant to which such nominees were selected.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** THE ELECTION OF THE ABOVE NOMINEES FOR DIRECTOR UNDER THIS PROPOSAL I.

The persons named in the enclosed proxy intend to vote for the election of the named nominees, unless the proxy is marked by the stockholder to the contrary. Eagle Financial MHC, which owns a majority of Eagle's common stock, also intends to vote its shares in favor of the named nominee. If any nominee is unable to serve, all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend. The Board of Directors knows of no reason why any nominee might be unable to serve.

Messrs. Campbell and Hays also serve on the Audit Committee. Each member is independent, in accordance with the requirements for companies quoted on NASDAQ. The Board of Directors has determined that Mr. Dickey meets the requirements of audit committee financial expert, as defined by the SEC. The Board believes that the other members of the Audit Committee are qualified to serve based on their experience and background.

The Audit Committee has adopted a written charter which is available on Eagle's website at www.americanfederalsavingsbank.com. The charter describes the Committee's principal duties and responsibilities including, but not limited to:

Audit, Audit-Related Fees, Tax Fees, All Other Fees and Auditor Independence

For the year ended June 30, 2009, Eagle paid its independent auditors Davis, Kinard & Co., P.C., (Davis Kinard), approximately \$32,900 for audit fees, \$10,800 for audit-related fees (primarily quarterly reviews), and accrued \$7,300 for tax fees. For the year ended June 30, 2008 Eagle paid Davis Kinard \$34,500 for audit fees, \$10,200 for audit-related fees (primarily quarterly reviews), and \$7,000 for tax fees. The Audit Committee has concluded that the providing of non-audit services did not adversely impact the independence of Davis Kinard. The Audit Committee is not authorized to approve any non-audit service engagement where the provision of such service by the independent accountants is prohibited by applicable law, the regulations of the SEC or the Listing Standards. Pre-approval is not required if (a) the aggregate amount of all such non-audit services provided to Eagle constitutes not more than five percent of the total amount of revenues paid by Eagle to its independent auditors during the fiscal year in which the non-audit services are provided; (b) such services were not recognized by Eagle at the time of the engagement to be non-audit services; and (c) the non-audit services are promptly brought to the attention of the

Audit Committee and approved by them, or by one or more of the members of the Committee to whom authority to grant such approval has been delegated, prior to completion of the audit. For the years ended June 30, 2009 and June 30, 2008, the Audit Committee has pre-approved all fees paid to Davis Kinard.

Board Meetings and Committees

The business of Eagle s and the Bank s Board of Directors is conducted through regular monthly meetings and additional meetings may be scheduled as circumstances warrant. During the fiscal year ended June 30, 2009, the Board of Eagle met ten times and the Board of the Bank met thirteen times. All Directors who served as directors during the fiscal year ended June 30, 2009, attended at least 75% of Board meetings. All committee members attended at least 75% of the meetings of their respective committees. A majority of the Board of Directors is comprised of independent directors, in accordance with the requirements of NASDAQ. The Board of Directors has determined that Messrs. Campbell, Maierle, McCarvel, Dickey and Hays are independent. Certain of the standing committees are discussed below. Eagle has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934.

Compensation Committee. The Company maintains a standing Compensation Committee, currently comprised of Messrs. Campbell, McCarvel and Maierle. Each member of the committee is independent in accordance with the listing standards of NASDAQ. The Compensation Committee reviews all compensation components for the Company s executive officers, including salary, bonus, and deferred compensation plans. In setting appropriate compensation for the executive officers, the Committee considers the performance of the Company, the level of salary, bonus and stock options and other benefits provided to executive officers of comparable companies, and the level of compensation paid in recent years. In its oversight of compensation programs, prior to making recommendations to the full Board, the Committee reviews recommendations from the CEO. Decisions by the

Compensation Committee are approved by the full Board of Directors. The Compensation Committee met twice during fiscal 2009. The Committee adopted a written charter in fiscal year 2009. A current copy of the Committee's charter is available on Eagle's website at www.americanfederalsavingsbank.com. The Committee did not consult with outside compensation consultants during the past fiscal year. In previous years the Committee has received reports from Clark Consulting regarding the Company's salary continuation agreements.

The Nominating Committee. Messrs. Campbell, Dickey and Hays served on the Nominating Committee in fiscal 2009. Each member is independent in accordance with the requirements for companies quoted on NASDAQ. A current copy of the Committee's charter is available on Eagle's website at www.americanfederalsavingsbank.com.

The Nominating Committee met three times in fiscal year 2009, and on August 20, 2009 nominated directors for election at the Annual Meeting. Only those nominations made by the Nominating Committee or properly presented by shareholders will be voted upon at the Annual Meeting. In its deliberations for selecting candidates for nominees as director, the Nominating Committee considers the candidate's knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of Eagle's market area. Any nominee for director made by the Nominating Committee must be highly qualified with regard to some or all these attributes. In searching for qualified director candidates to fill vacancies on the Board, the Nominating Committee solicits its current Board of Directors for names of potentially qualified candidates. Additionally, the Nominating Committee may request that members of the Board pursue their own business contacts for the names of potentially qualified candidates. The Nominating Committee would then consider the potential pool of director candidates, select the candidate the Nominating Committee believes best meets the then-current needs of the Board, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history, potential conflict of interest or regulatory issue that would cause the candidate not to be qualified to serve as a director of Eagle. The Nominating Committee will consider director candidates recommended by Eagle's stockholders. If a stockholder submits a proposed nominee, the Nominating Committee would consider the proposed nominee, along with other proposed nominees recommended by members of Eagle's Board of Directors, in the same manner in which the Nominating Committee would evaluate its nominees for director. For a description of the proper procedure for stockholder nominations, see "Stockholder Proposals and Nominations" in this Proxy Statement.

The Investment Committee. The Investment Committee consists of Directors Dreyer, Johnson and Maierle, as well as executive officers Morrison and Mundt. The Investment Committee meets at least quarterly in order to review investment performance and strategy. The Investment Committee met five times during the year ended June 30, 2009.

The Asset Liability Management Committee. The Asset Liability Management Committee (ALCO) consists of Director Johnson, executive officers Evans, Amdahl, Morrison and Mundt, along with other bank officers. It meets at least quarterly to review American Federal's policies concerning interest rate risk and loan and deposit rates. It met

five times during the year ended June 30, 2009. A management ALCO team meets on an as-needed basis to review new product offerings and other current topics.

Board Policies Regarding Communications with the Board of Directors and Attendance at Annual Meetings

The Board of Directors maintains a process for stockholders to communicate with the Board. Stockholders wishing to communicate with the Board of Directors should send any communications to Charles Berger, Secretary, Eagle Bancorp, P.O. Box 4999, Helena, Montana 59604. Any communication must state the number of shares beneficially owned by the stockholder making the communication. The Secretary will forward such communication to the full Board of Directors or to any individual director or directors to whom the communication is directed unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Secretary has authority to discard the communication or take appropriate legal action. Eagle does not have a policy regarding Board member attendance at annual meetings of stockholders but expects all Board members to attend such meetings. Last year, all seven members of the Board attended the annual meeting.

Code of Ethics

In 1992 the Board of Directors of the Bank first adopted a Code of Ethics and Conflict of Interest Policy. It is reviewed and approved annually and modified as necessary. The most recent approval was on August 20, 2009. The Code of Ethics and Conflict of Interest Policy is applicable to each of Eagle's directors, officers and employees, including the principal executive officer, principal financial officer and principal accounting officer, and requires individuals to maintain the highest standards of professional conduct. A copy of the Code of Ethics and Conflict of Interest Policy is available on Eagle's website at www.americanfederalsavingsbank.com. Persons may also receive a copy of the Code of Ethics and Conflict of Interest Policy free of charge by requesting it in writing from Peter J. Johnson at Eagle Bancorp, P.O. Box 4999, Helena, Montana 59604, or by calling him at (406) 442-3080.

Directors Compensation

During fiscal 2009, each director, except for the Chairman of the Board, was paid an annual fee of \$12,000. The Chairman of the Board receives an annual fee of \$21,000. Also, each non-employee director, other than the Chairman of the Board, was paid \$200 for each committee meeting attended. The total fees paid to the directors of Eagle for the year ended June 30, 2009, were \$107,800. Eagle has no other director compensation plans or director deferred compensation plans other than the Stock Incentive Plan approved at the annual meeting in 2000, and no director received an award from the Stock Incentive Plan in fiscal year 2009. Each director of Eagle also serves as a director of American Federal and Eagle Financial MHC. Directors do not receive additional compensation for their service on the boards of American Federal or Eagle Financial MHC.

Option Grants in Last Fiscal Year. There were no options granted in fiscal 2009 to Messrs. Johnson, Morrison or Mundt or any other employees or directors.

Employment Agreements. On November 3, 2006, American Federal entered into an Employment Agreement with Peter J. Johnson, then its Executive Vice President and Chief Financial Officer of the Bank. It was amended effective July 1, 2007 when Mr. Johnson became President of the Bank. The Employment Agreement will continue in effect until September 30, 2010, unless extended by the board of directors of the Bank for an additional two-year term. The amended Employment Agreement provides for an annual base salary of \$144,000 per year, which may be increased from time to time (but not reduced). Under the Employment Agreement, Mr. Johnson generally will be entitled to participate in all employee benefit plans including, but not limited to, retirement plans, profit-sharing plans, health-and-accident plans, medical coverage or any other employee benefit plan or arrangement made available by the Bank in the future to its senior executives and key management employees.

The Employment Agreement provides that if Mr. Johnson's employment is terminated by the Bank for any reason other than for cause, or Mr. Johnson terminates his employment due to either (i) a diminishing of his duties and responsibilities, (ii) a relocation of his place of employment by more than 50 miles, (iii) the liquidation or dissolution of the Bank, or (iv) any breach of the Agreement by the Bank, he will be entitled to receive certain payments from the Bank. These payments will be a sum equal to the payments due to Mr. Johnson for the remaining term of the Employment Agreement, including base salary, bonuses, and any other cash or deferred compensation paid or to be paid (including the value of employer contributions that would have been made on his behalf over the remaining term of the agreement to any tax-qualified retirement plan), subject to certain restrictions.

The Employment Agreement contains provisions requiring non-disclosure of confidential information regarding the business and activities of the Bank and contains provisions restricting Mr. Johnson's ability to compete with the Bank for a one-year term after termination of his employment due to any Event of Termination.

Non-Contributory Profit Sharing Plan. Neither Eagle nor American Federal has a pension plan for employees. Instead, the Bank has established a non-contributory profit sharing plan for eligible employees who have completed one year of service with American Federal. The non-contributory plan enables American Federal to contribute up to 15% of qualified salaries each year. Typically 6% is contributed. The percentage amount of the contribution is determined by the board of directors each year and is based primarily on profitability for the past year. For the year ended June 30, 2009, the Board authorized profit sharing contributions to Mr. Johnson of \$9,684, to Mr. Mundt of \$7,263 and to Mr. Morrison of \$5,972, and total contribution expense was \$181,590 for the year ended June 30, 2009.

The Non-Contributory Profit Sharing Plan also allows employees to make contributions to a tax-qualified defined contribution savings plan or an employee owned 401(k) plan. Employees can contribute a portion of their salaries, (up to a maximum of \$16,500 for calendar 2009), to a 401(k) plan. Eagle's Board has the authority to match up to a maximum of 50% of an employee's contribution provided that the matching amount does not exceed 2.0% of such employee compensation. For the year ended June 30, 2009, the Bank contributed \$3,228, \$2,421 and \$1,991 to Mr. Johnson's, Mr. Mundt's and Mr. Morrison's 401(k) programs, respectively, and \$47,227 in total expense to the 401(k) program.

Salary Continuation Agreement. Another benefit offered by American Federal is a program to increase overall retirement benefits for employees to levels which more closely approximate those in comparable businesses. American Federal consulted with independent compensation consultants and developed a plan to supplement retirement benefits. The plan American Federal adopted covers seven of its senior officers, including Messrs. Johnson, Morrison and Mundt, two senior vice presidents and two vice presidents. Mr. Morrison was added to the plan in the 2008 fiscal year. It is a non-qualified retirement plan which is designated the American Federal Savings Bank Salary Continuation Agreement (the Salary Continuation Agreement). Under the Salary Continuation Agreement, each officer receives a fixed retirement benefit based on his or her years of service with American Federal. The Bank maintains insurance policies whose proceeds will reimburse the Bank for the payment of benefits under this plan. It also provides for partial payments in the event of early retirement, death or disability. In Mr. Johnson's case, if he retires at age 65, the Salary

Continuation Agreement provides for a lump sum payment of \$151,800, or an annual payment for life of \$16,500. In Mr. Mundt's case, if he retires at age 65, the Salary Continuation Agreement provides for a lump sum payment of \$230,000, or an annual payment for life of \$25,000. In Mr. Morrison's case, if he retires at age 65, the Salary Continuation Agreement provides for a lump sum payment of \$706,000, or an annual payment for life of \$65,500. American Federal has purchased life insurance contracts for each covered executive to fund the payments. American Federal Savings Bank recognizes expenses to maintain the plan. For the year ended June 30, 2009, the total expenses were \$101,952.

Split-Dollar Benefit Plan. The Bank has entered into agreements with three insurance companies for the purpose of establishing a split-dollar benefit plan. The Bank purchased life insurance policies on thirteen officers of the Bank, including the Bank's five executive officers. The plan provides for the officers to receive life insurance benefits ranging from \$50,000 to \$75,000, provided they meet the eligibility requirements of the plan. The remainder of the life insurance benefits accrues to the Bank.

Bonus Plan. American Federal also provides a discretionary bonus program (Bonus Program) for all eligible employees. The Bonus Program is based on the after-tax net profitability of American Federal and is linked specifically to the Bank's return on assets. In the case of non-officer employees, bonus amounts are based on salary levels. Under the Bonus Program, the Bank's return on assets for the period from January through October is used to determine the bonus levels of Bank officers. Officers' bonuses are directly linked to the return on assets. For example, if American Federal Savings Bank produces a return on assets of .90%, then each officer would receive a bonus of 9% of annual base salary. Executive officers' bonuses are generally based on a formula of 1.25 times the Bank's return on assets (using the above example of a return on assets of .90%, executive officer bonuses would be 11.25% of annual salary, or 1.25 times 9)*. For the year ended June 30, 2009 American Federal Savings Bank paid total bonuses of \$226,911. Mr. Johnson's bonus was \$21,600, Mr. Mundt's bonus was \$13,518 and Mr. Morrison's bonus was \$11,250.

Employee Stock Ownership Plan. In connection with its reorganization to the mutual holding company form of organization, the Bank established the ESOP for employees age 21 or older who have at least one year of credited service with the Bank.

As of June 30, 2009, the ESOP held 4,606 shares of Common Stock that have not been allocated to Plan participants. These shares represent shares purchased by the ESOP in the initial stock offering. Shares of Common Stock purchased by the ESOP were funded by funds borrowed from Eagle. Shares purchased in the initial offering by the ESOP will be allocated to participants' accounts over ten years. As of June 30, 2009, the Plan maintains 38,156 shares that have been allocated to Plan participants. A total of 42,762 shares are held in the Plan.

The ESOP is administered by an unaffiliated corporate trustee in conjunction with the ESOP Committee of the Bank. The ESOP trustee must vote all allocated shares held by the ESOP in accordance with the instructions of participating employees. Shares for which employees do not give instructions will be voted by the ESOP trustee.

GAAP requires that any third party borrowing by the ESOP be reflected as a liability on Eagle's statement of financial condition. Since the ESOP is borrowing from Eagle, such obligation is eliminated in consolidation. However, the cost of unallocated shares is treated as a reduction of shareholders' equity.

Contributions to the ESOP and shares released from the suspense account are allocated among ESOP participants on the basis of participants' compensation as it relates to total participant compensation. Employees are fully vested upon completion of six years of service. Benefits may be payable upon retirement, early retirement, disability, death or separation from service.

The ESOP is subject to the requirements of ERISA and regulations of the IRS and the United States Department of Labor.

Outstanding Equity Awards at Fiscal Year-End

There were no outstanding equity awards held by the named executive officers at the end of fiscal 2009, which ended on June 30, 2009.

* The President/CEO's bonus is generally based on a formula of 1.5 times the Bank's return on assets.

CERTAIN TRANSACTIONS

No directors, director nominees, executive officers or immediate family members of such individuals were engaged in transactions with Eagle, American Federal or any subsidiary involving more than \$120,000 (other than through a loan) during the fiscal years ended June 30, 2007, June 30, 2008 and June 30, 2009. Furthermore, Eagle has no interlocking relationships in which any executive officer is a member of the board of directors of another entity, one of whose executive officers are a member of American Federal's board of directors.

American Federal has followed the policy of offering residential mortgage loans for the financing of personal residences, and consumer loans to its officers, directors and employees. Loans are made in the ordinary course of business. They are also made on substantially the same terms and conditions, including interest rate and collateral, as those of comparable transactions prevailing at the time with other persons. These loans do not include more than the normal risk of collectibility or present other unfavorable features. As of June 30, 2009, the aggregate principal balance of loans outstanding to all directors, executive officers and immediate family members of such individuals, and companies in which they are principals was approximately \$1,761,000. Further information regarding transactions with related parties may be found in Note 15 of the Company's audited financial statements.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCES

To the knowledge of the Board and based upon a review of Forms 3 and 4 and amendments thereto furnished to Eagle pursuant to Rule 16a-3(e) during the fiscal year ended June 30, 2009, no person who is a director, officer or beneficial owner of 10% of the Common Stock failed to file on a timely basis, the reports required by Section 16(a) of the Securities Exchange Act.
