Item 11. Temporary Suspension of Trading Under Registrant's Employee Benefit Plans.

On April 27, 2004, Wilson Greatbatch Technologies, Inc. ("WGT") received from the trustee of the Wilson Greatbatch Technologies, Inc. Equity Plus Plan - 401(k) Retirement Plan (the "Plan") a notice required by section 101(i)(2)(E) of the Employment Retirement Income Security Act of 1974 (29 U.S.C. 1021(i)(2)(E)) regarding a blackout period that will temporarily prevent participants in the Plan from engaging in transactions in WGT common stock or

associated derivative securities. Pursuant to Section 306(a) of the Sarbanes-Oxley Act of 2002 and Regulation BTR promulgated thereunder, WGT mailed a notice to its directors and executive officers informing them that a special blackout period for this event will begin at 4:00 p.m. Eastern Time, on June 4, 2004 and is expected to end the week of July 4, 2004. A copy of the notice mailed on April 28, 2004 is set forth in Exhibit 99.1 and is incorporated herein by reference.

During the blackout period, Plan participants with open brokerage accounts will not be able to transfer funds or conduct purchases (beginning June 4 and ending June 22, 2004) and Plan participants with all other accounts will not be able to direct or diversify investments, obtain a loan, or obtain a distribution (beginning June 23 and ending the week of July 4, 2004). The reason for the blackout period is to complete the merger of the 401(k) plan and the stock bonus plan and to transfer recordkeeping services to Vanguard Participant Services, effective July 1, 2004.

During the blackout period and for a period of two years after the end of the blackout period, a security holder or other interested person may obtain from WGT, without charge, the actual start and end dates of the blackout period by contacting Ernest Norman, at Wilson Greatbatch Technologies, Inc., 9645 Wehrle Drive, Clarence, New York 14031, telephone number: (716) 759-5689.
