Report of Independent Registered Public Accounting Firm

Board of Directors and Shareholders
American Campus Communities, Inc.

We have audited the combined statement of revenues and certain expenses of Proctor Portfolio of Properties, located in Tallahassee, Florida and Gainesville, Florida, for the year ended December 31, 2004. The financial statement is the responsibility of the management of the Proctor Portfolio of Properties. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. We were not engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying combined statement of revenues and certain expenses was prepared for the purpose of complying with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for inclusion in Form 8-K/A of American Campus Communities, Inc. and is not intended to be a complete presentation of the Properties' revenues and expenses.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the combined revenues and certain expenses of the Proctor

Portfolio of Properties as described in Note 1 for the year ended December 31, 2004, in conformity with accounting principles generally accepted in the United States.

Proctor Portfolio of Properties Notes to Combined Statement of Revenues and Certain Expenses For the Year Ended December 31, 2004

1. Basis of Presentation

Presented herein is the combined statement of revenues and certain expenses related to the operations of five student housing properties owned during 2004 by certain limited liability companies managed by Thomas C. Proctor Sr. The Properties consist of four student housing properties located in Tallahassee, Florida and one property located in Gainesville, Florida (collectively, the "Proctor Portfolio of Properties" or the "Properties"). The Properties total 53 buildings, 446 units and 1,656 beds. In February 2005, American Campus Communities, Inc., through subsidiaries of its operating partnership, American Campus Communities Operating Partnership LP, acquired the Properties.

The accompanying financial statement has been prepared in accordance with the applicable rules and regulations of the Securities and Exchange Commission for the acquisition of real estate properties. Accordingly, the financial statement excludes certain expenses because they may not be comparable to those expected

Edgar Filing: AMERICAN CAMPUS COMMUNITIES INC - Form 8-K/A

to be incurred in the proposed future operations of the Properties. Items excluded consist of interest and depreciation and amortization not applicable to future operations.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. Rental Revenue Recognition

Students are required to execute lease contracts with payment schedules that vary from single to monthly payments. Rental income is generally recognized on a straight-line basis over the terms of the leases.

4. Management Fees

The Properties were managed by a third-party management company, pursuant to an agreement which provided for management fees of 4.0% of monthly revenues earned, as defined. Management fees of approximately \$281,000 for the year ended December 31, 2004 were incurred.

The following unaudited pro forma condensed combined statements of operations are presented as if American Campus Communities, Inc. American Campus Communities, Inc.
Notes to Unaudited Pro Forma Condensed and Combined Statements of Operations
For the Year Ended December 31, 2004

- (a) Reflects the operations of the acquired Proctor Portfolio of Properties for the year ended December 31, 2004.
- (b) Reflects the pro forma increased costs associated with operating as a public company for the period from January 1, 2004 through the consummation of the Company's IPO on August 17, 2004. Such costs include compensation and staffing, directors and officers liability insurance premiums, Board of Directors costs and increased legal expenses.

Edgar Filing: AMERICAN CAMPUS COMMUNITIES INC - Form 8-K/A

- (c) Reflects depreciation expense on the Proctor Portfolio of Properties fixed assets purchased and recorded at fair value and amortization of intangible lease assets recognized upon acquisition of the Proctor Portfolio of Properties.
- (d) Represents an increase in interest expense (approximately \$2.0 million) from the Proctor Portfolio of Properties debt assumed by the Company and valued at fair market value, and an increase in interest expense incurred under the Company's revolver for borrowings made to complete the Proctor Portfolio acquisition. This was offset by the repayment of certain debt with proceeds from the IPO. For the purpose of the unaudited pro forma condensed statement of operations for the year ending December 31, 2004, these loans are reflected as repaid on January 1, 2004.
- (e) Represents a decrease in amortization of deferred financing costs as a result of the repayment of debt in connection with the IPO mentioned in Note (d). This was offset by the amortization of financing costs incurred and deferred in connection with the Proctor Portfolio of Properties debt assumed by the Company.
- (f) Represents the elimination of a minority interest in earnings resulting from the acquisition with proceeds from the IPO of a minority ownership interest in a joint venture partnership, which was offset by the recognition of a 1% special class of partnership interests in the Operating Partnership granted to certain members of senior management in conjunction with the IPO. An adjustment has been made to reflect the 1.0% minority interest in earnings for the year ending December 31, 2004.
- (g) Assumes that the IPO occurred effective January 1, 2004.
