Metromedia International Group, Inc. (the "Registrant") is unable to timely file its Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 2005 due to the additional time and effort that has been required for the Registrant to prepare and finalize the Annual Report on Form 10-K for the year ended December 31, 2004 and for the finance teams of the Registrant's PeterStar and Magticom business ventures to prepare, finalize and submit their first quarter U.S. GAAP financial results to the Registrant's corporate financial team. As a result of the delay in the filing of the Form 10-K and the delay in the receipt of the PeterStar and Magticom first quarter U.S. GAAP financial results, the Registrant's corporate finance team has not been able to begin the review and analysis of the PeterStar and Magticom first quarter financial results, and as such, has not been able to finalize the Registrant's consolidated financial statements and management's discussion and analysis of the Registrant's financial condition and results of operations.

The Registrant will file its quarterly report on Form 10-Q as soon as possible.

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form NT 10-Q

The Registrant has been unable to fully complete the preparation of its consolidated financial statements and footnote disclosures for the annual audit, as required for the filing of its Annual Report on Form 10-K for the fiscal year ended December 31, 2004.

The Registrant has also failed to timely file with the SEC the financial information of Magticom required under Item 9.01(a) and (b) of Form 8-K in respect of the Registrant's purchase of an additional interest in Magticom, as previously announced by the Registrant in a press release dated February 15, 2005. The Registrant will file such financial information by amending the Registrant's February 17, 2005 Form 8-K on or around the date the Registrant files its Form 10-K for the fiscal year ended December 31, 2004.

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Registrant's corporate finance team has not been able to begin its review and analysis of the PeterStar and Magticom first quarter financial results, and as such, the Registrant is not able to determine an appropriate reasonable estimate of the results of the Registrant's consolidated financial statements. Furthermore, the Registrant increased its ownership interests in Magticom and Telecom Georgia during the first quarter 2005 and the Registrant has not completed its analysis of the impact of such acquisitions on its consolidated financial statements.
