On March 20, 2017, after review of the compensation of certain executive officers of comScore, Inc., a Delaware corporation (the “Company”), and with input from Compensia, its outside compensation consultant, the Compensation Committee (the “Committee”) of the Company’s Board of Directors approved the following cash bonus awards for the executive officers named below:

| Name and Principal Position                    | Performance Component | Incentive Component | Total     |
|--|-----------------------|---------------------|-----------|
| Michael Brown<br>Chief Technology Officer      | \$45,900              | \$100,000           | \$145,900 |
| David Chemerow<br>Chief Financial Officer      | \$64,834              | \$100,000           | \$164,834 |
| Cameron Meierhoefer<br>Chief Operating Officer | \$57,408              | \$100,000           | \$157,408 |

A portion of each executive’s bonus, labeled “Performance Component” in the table above, was based on the executive’s individual performance during 2016. The remainder of each executive’s bonus, labeled “Incentive Component” in the table above, was designed to be consistent with the value of immediately vesting equity incentive awards granted in previous years. The Committee did not award any bonus for achievement of Company financial objectives for 2016. Each bonus will be paid in a lump sum, less applicable deductions and withholdings, on March 31, 2017, subject to the relevant officer’s continued employment through the payment date.
