The Directors of the Corporation voted a ten for one stock split in the form of a share dividend. The purpose of the stock split was to provide a greater number of registered shares in the Corporation, for the purpose of enabling a larger number of investors to invest in the Corporation and share in the future growth of the Corporation. The share dividend was intended to issue on May 25, 2005 to share owners of record on May 16, 2005, however, due to the issuer's oversight, NASD was not notified of the proposed share dividend. As a result of this oversight, the share dividend did not become effective for market purposes until
