Item 1. Security and Issuer.

This Schedule 13D (the "Schedule 13D") is being filed with respect to the shares of common stock (the "Shares") of Move, Inc. a Delaware corporation (the "Company" or "MOVE").

Item 2. Identity and Background.

This Schedule 13D is being filed by the following four limited partnerships (the "D3 Family Funds"), the following two corporations which are the sole general partners of the D3 Family Fund(s) indicated below (collectively, the "Reporting Persons") and the following individual who is the President of each of the two general partners.

(a) The Reporting Persons are: The D3 Family Fund, L.P., a Washington limited partnership; The DIII Offshore Fund, L.P., a Bahamas limited partnership; The D3 Family Bulldog Fund, L.P. a Washington limited partnership; The D3 Family Canadian Fund, L.P., a Washington limited partnership; Nierenberg Investment Management Company, Inc., a Washington corporation ("NIMCO") which is the sole general partner of those D3 Family Funds organized under the law of the State of Washington; Nierenberg Investment Management Offshore, Inc., which is a wholly-owned subsidiary of NIMCO and is the sole general partner of the D3 Family Fund organized under the law of The Bahamas; and David Nierenberg, a United States citizen, who is the President of each of the two general partners.

(b) The business address of each of the Reporting Persons is 19605 N.E. 8th Street, Camas, Washington 98607.

(c) The D3 Family Funds are private investment partnerships, the principal business of which is investing in the equities of public micro-cap issuers. The

Edgar Filing: NIERENBERG INVESTMENT MANAGEMENT CO - Form SC 13D

principal business of the corporate Reporting Persons is to serve as the general partner of the applicable D3 Family Fund(s). Mr. Nierenberg's principal occupation is President of each of the two corporate Reporting Persons.

(d, e) During the past five years, no Reporting Person has been convicted in a criminal proceeding, or been a party to a civil proceeding, required to be disclosed pursuant to Items 2(d) or (e) of Schedule 13D.

(f) The citizenship of each of the Reporting Persons is set forth in paragraph (a) of this Item.

Item 3. Source and Amount of Funds or Other Consideration.

The total amount of funds used by the Reporting Persons to make all purchases of Shares beneficially owned by the Reporting Persons, as reported in Item 5(a,b) was \$24,611,935. The source of funds for purchases of Shares by each of the Reporting Persons is the working capital of the applicable D3 Family Fund.

9

Item 4. Purpose of Transaction.

Through the open market purchases of Shares listed in Item 5(c), the Reporting Persons have become the beneficial owners of more than 5% of the number of Shares reported by the Company to be outstanding as of February 25, 2008 in its Annual Report on Form 10-K dated February 28, 2008 and currently beneficially own the number of Shares listed in Item 5(a).

The Reporting Person have been acquiring Shares as a long term investment because we believe that the Company's troubled past under prior management, the current bursting of the residential real estate bubble, and MOVE's large continuing losses in Welcome Wagon and Rentnet.com obscure the enormous current and potential value of MOVE's profitable core businesses.

While acquiring our Shares, we had no agenda, nor any substantive comments to make in our initial Schedule 13D. However, MOVE's stunning and unexpected disclosure, in its press release on February 28, that its \$129.9 million investment in auction rate securities is no longer liquid and may not be worth what MOVE paid for it, changed our plans. For the Company to have concentrated almost 75% of its cash in just one type of investment, for the Company to have lost the immediate use of that money, and for the Company to have apparently trusted the glib assurances of those who sold it the auction rate securities without performing MOVE's own independent due diligence or post-investment monitoring - all of this is totally unacceptable to us and precipitates these comments today.

Losing the immediate use of this cash means, for example, that MOVE will only be able to repurchase a small fraction of its Shares - as opposed to one third of its Shares, as we would have wanted.

Mistakes of this magnitude require corrective action by MOVE's Board of Directors. Although we already have conveyed our sentiments directly to two members of the Board, the magnitude of the error, and the urgency of fixing it, prompt us to bring our suggestions to the Board public today:

1. While the Board is justifiably grateful to MOVE's CEO and CFO for cleaning up the legacy of prior management's scandals, the auction rate preferred error was made by the current management team. We believe that the Board, therefore, should dismiss both the CEO and the CFO. We believe in personal accountability. To us it really is that simple.

Edgar Filing: NIERENBERG INVESTMENT MANAGEMENT CO - Form SC 13D

2. The Company should immediately demand that those who sold MOVE the auction rate securities, and who presumably assured MOVE of their safety and soundness, should buy those securities back from MOVE now for 100 cents on the dollar, cash. Failing that, MOVE should aggressively assess and pursue all of its potential remedies.

10

3. The Board should consider what might have tempted its CFO and CEO to possibly consider trading off safety for yield. We are not asserting that this is what happened; rather, we are asking the Board to examine whether it may have happened, and, if so, to determine why. We offer up a possible hypothesis: perhaps because the Company's diversification strategy led it to lose most of the profit generated by its core business in the two unprofitable businesses referenced earlier, management may possibly have been tempted to earn a bottom line profit through interest earnings on the Company's cash. We offer a more focused solution: sell the money losing businesses for cash and, instead, redeploy the profits generated by the Company's core business into profitably growing the core. We believe the core has a bright future and vast growth potential.

We hope that other MOVE shareholders will tell the Company's BOARD how they feel about the auction rate blunder. We are relatively new MOVE shareholders and we welcome comment from others who have a longer history with the Company.

The previous statements by the Reporting Persons regarding their investment in MOVE represent solely their own analyses and judgments, based on publicly-available information and their own internal evaluation thereof. Those statements are not intended, and should not be relied on, as investment advice to any other investor or prospective investor. To the extent those statements reflect assessments of possible future developments, those assessments are inherently subject to the uncertainties associated with all assessments of future events; actual developments may materially differ as a result of circumstances affecting MOVE and/or extrinsic factors such as developments in the Company's industry and the economic environment. The Reporting Persons reserve the right to change their internal evaluation of this investment in the future, as well as to increase or decrease their investment depending on their evaluation, and to discuss the Company and their investment in it with the directors and executive officers of the Company and third parties, without further amending the Schedule 13D except as required by applicable rules.

Item 5. Interest in Securities of the Issuer.

(a, b) The Reporting Persons, in the aggregate, beneficially own 9,930,077 Shares, constituting approximately 6.6% of the outstanding Shares.

(c) During the past sixty (60) days, the following purchases of Shares were made by the Reporting Persons in open market transactions:
