Item 8.01. Other Events

On November 11, 2010 we made this announcement on our website: Lamperd Less Lethal is pleased to announce that the Cayman Islands, a British Colony, will be supplying their prison services with our complete line of launchers, and our less lethal AR/15 50 cal. upper. Working with the Cayman Islands has been a 2 year process, and this is the first time they will be using any guns in their prisons. In the past they have trained at Lamperd's facility with our complete line of products: Defend I, Defender II, and the AR/15 50 cal. less lethal upper. We are pleased that they have chosen our product line rather than the stun gun technology; the stun gun technology is associated with numerous deaths worldwide. This news is found at: [www.lamperdlesslethal.com](http://www.lamperdlesslethal.com).
