**Explanatory Note:**

This current report on Form 8-K/A updates information provided on a Form 8-K dated May 11, 2011, relating to disclosures made under Item 5.07, Submission of Matters to a Vote of Security Holders, associated with the Watts Water Technologies, Inc. (the “Company”) Annual Meeting of Stockholders held on May 11, 2011 (the “2011 Annual Meeting”).

**Item 5.07. Submission of Matters to a Vote of Security Holders**

As previously reported, in an advisory vote on the frequency of the advisory vote on the compensation of our named executive officers held at the 2011 Annual Meeting, “Three Years” received the highest number of votes cast on the frequency proposal. In accordance with the stockholder voting results, and consistent with the recommendation of the Company’s Board of Directors in the Proxy Statement for the 2011 Annual Meeting, the Company’s Board of Directors has determined that future stockholder advisory votes on executive compensation will occur every three years. Accordingly, the next stockholder advisory vote on executive compensation will be held at the Company’s 2014 Annual Meeting of Stockholders. The next required stockholder advisory vote on the frequency of the advisory vote on executive compensation will be held in six years at the Company’s 2017 Annual Meeting of Stockholders.
