PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 14, 2019

This proxy statement is furnished to our shareholders in connection with the solicitation of proxies by the Board of Directors of Community Bancorp. (the “**Company**,” “**we**,” “**our**” or “**us**”) for use at the annual meeting of shareholders and any adjournments of that meeting. The annual meeting will be held on Tuesday, May 14, 2019, at 5:30 p.m. at the Elks Club in Derby, Vermont. This proxy statement and related proxy card are first being made available to our shareholders on or about April 2, 2019.

GENERAL INFORMATION ABOUT THE MEETING AND VOTING

Who is entitled to vote at the annual meeting?

Only holders of record of the Company’s common stock, \$2.50 par value per share, on the record date for the meeting are entitled to vote at the meeting. The record date for the meeting is the close of business on March 20, 2019.

There are 15 shares of the Company’s Series A Fixed-to-Floating Rate Non-Cumulative Perpetual Preferred Stock (“**Series A Preferred Stock**”) outstanding as of the date of this proxy statement. The holders of those shares are not entitled to vote on any matter to be presented for vote of the shareholders at the annual meeting.

How many shares are entitled to vote at the meeting?

As of the record date for the meeting (March 20, 2019), there were 5,174,326 shares of our common stock issued and outstanding, each of which is entitled to one vote with respect to each matter to be voted on at the meeting.

How many votes do I have?

Each issued and outstanding share of the Company's common stock that you hold of record or through a broker or other nominee is entitled to one vote on each matter presented for vote at the meeting.

Why did I receive a Notice of Meeting card, including a notice that the proxy materials are available on the internet instead of receiving a paper copy of the proxy materials?

Important Notice Regarding the Availability of Proxy Materials for the 2019 Annual Shareholders' Meeting. We have mailed a notice of availability of the proxy materials on the internet (which also constitutes a notice of meeting), rather than a full paper set of the proxy materials, to our shareholders, other than participants in the Company stock fund under our Retirement Savings 401(k) Plan. The notice of availability includes instructions on how to access our proxy materials on the internet, as well as instructions on how shareholders may obtain a paper copy of the proxy materials by mail or receive a link to them by email. This distribution process reduces our costs to print and distribute the proxy materials and reduces paper waste.

How can I request a paper copy of the proxy materials or receive a copy by email?

Upon request, we will without charge mail a paper copy of the proxy materials and the Annual Report to Shareholders, or provide an emailed link, to any shareholder to whom we sent a notice of internet availability. Requests should be submitted by telephone (call toll free 1-866-641-4276; by email (investorvote@computershare.com); or via the internet (<http://www.investorvote.com/CMTV>). If you send your request by email, please include "Proxy Materials-Community Bancorp." in the subject line and include your full name and address, and the number located in the shaded bar on the front of the Community Bancorp. Shareholder Meeting Notice card and Notice of Internet Availability, and state that you are requesting a paper copy of the meeting materials. To facilitate timely delivery, a request for a paper copy should be made no later than April 30, 2019.

How can I access the proxy materials over the internet?

You can access the proxy materials, including our 2018 Annual Report to Shareholders, by going to the following website: <https://www.investorvote.com/CMTV>. In accordance with the rules of the SEC, the software used for the website does not identify visitors accessing the proxy materials.

How do I vote?

If you are a shareholder of record and you wish to vote by proxy, you have three ways to vote your shares: (1) via the internet, by following the instructions at <http://www.investorvote.com/CMTV>; (2) by using a touchtone telephone and calling 1-800-652-VOTE (8683) (toll free in the United States); or (3) if you received a proxy card in the mail, by completing it and returning it by mail in the return envelope provided. If you are a shareholder of record and you do not wish to vote by proxy, you may vote your shares in person by written ballot at the meeting. You are a shareholder of record with respect to shares of Company common stock you own in your own name on the stock records maintained by our transfer agent, Computershare Investor Services LLC (“**Computershare**”).

How do I vote if my shares are held in the name of a broker or bank?

If you hold your shares through a broker or bank, your broker or bank should have given you instructions for how you can direct the voting of your shares. It will then be the responsibility of your broker or bank to vote your shares for you in the manner you direct. **As explained below, unless you provide instructions, your broker will not have authority to vote your shares on Proposal 1 (Election of Directors), Proposal 2 (Advisory Vote on Executive Compensation) or Proposal 3 (Advisory Vote on Frequency of Future Votes on Executive Compensation).**

What are “broker non-votes”?

Under the rules of various national and regional securities exchanges, brokers may generally vote shares they hold for their customers in “street name” on routine matters (as defined under brokerage industry rules), even without specific instructions from the beneficial owner, but cannot vote on non-routine matters unless they have received voting instructions. If there is a non-routine matter presented to shareholders at a meeting (such as election of directors) and your broker does not receive instructions from you on how to vote, your broker will return the proxy card to us, indicating that he or she does not have the authority to vote on the matter, while voting on other (i.e., routine) matters. The “missing” votes on non-routine matters are generally referred to as “broker non-votes” and may affect the outcome of

the voting on certain matters.

Are the Proposals to be voted on at the annual meeting considered routine or non-routine for broker voting?

PROPOSAL 1 – ELECTION OF DIRECTORS (whether or not contested): *non-routine*, therefore voting instructions *are* required.

PROPOSAL 2 – ADVISORY VOTE ON EXECUTIVE COMPENSATION: *non-routine*, therefore voting instructions *are* required.

PROPOSAL 3 – ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION: *non-routine*, therefore voting instructions *are* required.

PROPOSAL 4 – RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS: *routine*, therefore voting instructions *are not* required.

It is important that you provide instructions to your broker promptly as to how you want your shares voted at the 2019 annual meeting on Proposals 1, 2 and 3. We urge you to follow carefully the instructions your broker gives you concerning its voting procedures in order to ensure that your shares will be voted at the meeting on all three of those proposals.

How do I vote if my shares are held in the Company's 401(k) Plan?

If you are a participant in the Company stock fund under the Company's Retirement Savings 401(k) Plan, you will receive a paper copy of this proxy statement and the 2018 Annual Report to voting instruction card to instruct the trustees of the Plan on how to vote the prorated number of shares in which you own an interest indirectly through the Plan. You may provide the instructions by completing the card and mailing it to Computershare, our agent for tabulating the votes of Plan participants, or, as explained in the card, you may provide your voting instructions by telephone (toll free) or via the internet. Your voting instructions are confidential. Computershare will tabulate the votes of Plan participants and the Plan Trustees will then submit a single proxy card to the Company

reflecting the aggregate voting instructions of all Plan participants. The Plan Trustees and the Company are not informed about how individual participants voted on any item.

In order to ensure that your vote will be included in the vote totals transmitted to the Plan Trustees, your voting instructions must be received by Computershare no later than the opening of business on May 10, 2019 if voting by mail, internet or telephone.

What does it mean if I received more than one notice of internet availability?

If you received more than one notice of internet availability of these proxy materials, your shares are registered in different names (for example, “John Smith” and “J. Smith”) or are in more than one account. To ensure that all your shares are voted, you must submit a proxy with respect to each of your separate shareholder accounts. For instructions on how to register all your accounts in the same name and address, you should contact the Assistant Corporate Secretary at 802-334-7915 or our transfer agent, Computershare, at the contact location shown on the last page of this proxy statement.

Can I change my vote after submitting my proxy card or voting via the internet or by telephone?

Yes. If you submit a proxy for shares registered in your name by mail, or you vote your shares via the internet or by telephone and later decide that you wish to change or revoke your proxy, you may do so at any time before the proxy is exercised at the annual meeting, by

- Giving written notice of revocation to Melissa Tinker, Assistant Corporate Secretary, Community Bancorp., 4811 US Route 5, Newport, Vermont 05855; or
- Voting in person after giving written notice of revocation of your proxy to the Assistant Corporate Secretary.

If you need to revoke an earlier proxy or if you have any questions about proxy voting procedures, please call the Assistant Corporate Secretary at 802-334-7915.

The last vote you submit will supersede all your prior vote(s).

If your shares are held through a broker or other nominee and you wish to change your vote, you should contact the broker or nominee for instructions. Similarly, if your shares are held in the Company's 401(k) Plan and you wish to change your vote, you should contact Computershare for instructions. Contact information for Computershare is shown on the last page of this proxy statement.

What constitutes a quorum and how are votes counted for that purpose?

In order to convene the meeting, a quorum must be present, and in order to take action on any matter, a quorum must be present as to such matter. A majority (more than 50%) of the outstanding shares of the Company's common stock, present in person or represented by proxy and entitled to vote, will constitute a quorum to convene the meeting and to take action as to each matter to be acted upon at the meeting. Shares represented by proxies (whether voted via the internet, by telephone or by mail) or ballots and voted on any of the four proposals (including those marked "WITHHOLD" on Proposal 1 or "ABSTAIN" on Proposals 2, 3 or 4) will be treated as shares present or represented at the meeting and entitled to vote for purposes of determining a quorum to convene the meeting and to vote on the particular proposal. Broker non-votes on Proposals 1, 2 and 3, which are considered a non-routine matters for purposes of broker voting authority, will not be considered as shares present and entitled to vote in determining whether a quorum is present for action on those matters. Broker proxies will be considered as shares present and entitled to vote in determining whether a quorum is present to convene the meeting and to vote on Proposal 4, which is considered a routine matter for purposes of broker voting authority.

How many votes are required for the election of directors (Proposal 1)?

Under our Amended and Restated Articles of Incorporation and bylaws, in order to be elected under Proposal 1 (Election of Directors) a nominee for director must receive the affirmative vote of the holders of at least a majority of the shares present in person or represented by proxy at the meeting and entitled to vote. Broker non-votes, if any, and shares represented by proxies or ballots marked "WITHHOLD" on Proposal 1, with respect to one or more individual nominees or the entire slate of nominees, will have the same effect on the outcome of the election as a vote against the nominees or slate of nominees, as the case may be.

How many votes are required to approve the advisory resolution on executive compensation (Proposal 2)?

Approval of the non-binding resolution on executive compensation will require that more votes are cast “FOR” than are cast “AGAINST” the proposal. Votes to “ABSTAIN” on Proposal 2 and broker non-votes, if any, are not treated as votes cast and, therefore, will not have any effect on the outcome of the vote on Proposal 2.

How many votes are required to approve the advisory resolution on the recommended frequency for future advisory votes on executive compensation (Proposal 3)?

Approval of the non-binding resolution on the recommended frequency of holding future advisory votes on executive compensation every 1, 2 or 3 years will be by plurality of the votes cast, with the frequency that garners the most votes considered as the recommendation of the shareholders. Votes to “ABSTAIN” on Proposal 3 and broker non-votes, if any, are not treated as votes cast and, therefore, will have no effect on the outcome of the vote on Proposal 3.

How many votes are required to ratify the selection of BerryDunn as the Company’s independent auditor for 2019 (Proposal 4)?

Approval of BerryDunn as the Company’s independent auditor for 2019 will require that more votes are cast “FOR” than are cast “AGAINST” the proposal. Votes to “ABSTAIN” on Proposal 4 and broker non-votes, if any, are not treated as votes cast and, therefore, will have no effect on the outcome of the vote on Proposal 4.

How many votes are required to approve any other matter that may come before the meeting?

As of the date of this proxy statement, our management and directors do not know of any matter that may be put to a vote at the meeting other than Proposals 1, 2, 3 and 4. If any such matter does arise and is not ruled out-of-order by the Chair, any shares represented by proxies may be voted at the discretion of the attorneys-in-fact named in the proxies, to the extent permitted by law, in accordance with the recommendations of management. Under Vermont law, approval of any such other matter would ordinarily require that more votes be cast for the matter than against. Abstentions from voting and broker non-votes, if any, would not be treated as votes cast and therefore, would have no effect on the vote to approve any such other matter.

What is the Board of Directors' recommendation on how I should vote my shares?

The Board recommends that you vote **FOR** Proposals 1, 2 and 4 and **FOR** a three year frequency on Proposal 3.

How will my shares be voted if I do not specify on my signed proxy card how they should be voted?

If you request a paper copy of the proxy materials and you sign and return the proxy card by mail but do not indicate how you want your shares to be voted, the persons appointed as proxies by the Board of Directors will vote your shares **FOR** approval of Proposals 1, 2 and 4, **FOR** a three year frequency on Proposal 3, and in accordance with the recommendations of management on any other matter presented for vote at the meeting.

When will the vote results be announced?

The Company will appoint inspectors of election to count the votes on all proposals and any other matter voted on at the annual meeting, and the vote results will be announced at the meeting. The vote results will also be disclosed in a report on Form 8-K filed with the Securities and Exchange Commission ("**SEC**") within four business days after the annual meeting.

How are proxies being solicited and who pays the expenses?

Proxies are being solicited via the internet and by mail. They may also be solicited by the Company's directors and officers and by the directors, officers and employees of the Company's wholly-owned subsidiary, Community National Bank. Those individuals may solicit proxies personally or by telephone or electronic communication but they will not receive any additional compensation for such efforts. In addition, the Company has arranged with brokerage houses, banks and other custodians, nominees and fiduciaries to send the proxy materials to their principals and will reimburse them for out-of-pocket expenses they incur in forwarding the materials.

May shareholders submit nominations for election as directors or for consideration of other matters?

Our bylaws include a process shareholders must follow if they wish to submit director nominations or propose other action for vote by the shareholders. The deadline for submissions relating to this year's annual meeting was January 14, 2019. For next year's annual meeting, which is expected to be held on May 12, 2020, the deadline under the bylaws for shareholder proposals and nominations is no earlier than November 14, 2019 and no later than January 13, 2020. Additional information about this process is contained elsewhere in this proxy statement under the caption "SHAREHOLDER NOMINATIONS AND OTHER PROPOSALS—Bylaw Requirements for Shareholder Nominations and Other Proposals." This process applies whether or not a shareholder wishes to include the proposal in the Company's proxy materials for the meeting. However, if a shareholder does wish to include the proposal in the Company's proxy materials for the annual meeting, as explained immediately below the deadline for submission of the proposal to the Company will be earlier than the deadline specified under the Company's bylaws and certain additional requirements apply.

In addition, the Corporate Governance/Nominating Committee of the Board of Directors will consider recommendations made by shareholders for possible board nominees. Additional information about this process is contained elsewhere in this proxy statement under the caption "CORPORATE GOVERNANCE—Board Committees—Corporate Governance/Nominating Committee."

What is the deadline to submit a shareholder proposal for inclusion in the Company's 2020 annual meeting proxy statement?

The SEC's rules provide a process (separate from the process in our bylaws discussed above) for shareholders to submit proposals for possible inclusion in the Company's proxy materials. The deadline under SEC rules for submitting a proposal you wish to include in the Company's 2020 annual meeting proxy statement is earlier than the general deadline under the bylaws for providing notice and furnishing specified information to the Company. The deadline under SEC rules for submitting a proposal for inclusion in the Company's proxy materials for the 2020 annual meeting is no later than December 4, 2019. Proposals may be excluded or included from the Company's proxy materials based on applicable rules relating to eligibility, timeliness and subject matter. Additional information about this process is contained elsewhere in this proxy statement under the caption "SHAREHOLDER NOMINATIONS AND OTHER PROPOSALS—Inclusion of Shareholder Proposals in Company Proxy Materials." This process is separate from, and in addition to, the notice process and information requirements referred to above that is contained in our bylaws.

Based solely on such review, the Company believes that all Section 16 filing requirements applicable to its executive officers and directors for 2018 were timely complied with.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Amended and Restated Articles of Association and our bylaws provide for a Board of no fewer than nine and no more than twenty-five directors, to be divided into three classes, as nearly equal in number as possible, each class serving for a period of three years. The Board of Directors currently consists of thirteen members and the Board has voted to fix the number of directors at twelve for the ensuing year. After more than ten years of service, Director Charles W. Bucknam, Jr. will retire from the Board at the 2019 annual meeting. The incumbent directors, other than Mr. Bucknam, whose terms expire at the 2019 annual meeting are David P. Laforce, Stephen P. Marsh, Jeffrey L. Moore and Fredric Oeschger, and each has been nominated to stand for election to the class whose term will expire at the 2022 annual meeting (Proposal 1).

Unless authority is withheld, proxies we solicit will be voted in favor of the four nominees to hold a three year term of office or until their respective successors are elected and qualify. If for any reason not now known to the Company, any of such nominees should not

be able to serve, proxies will be voted for a substitute nominee or nominees designated by the Board of Directors, or to fix the number of directors at fewer than twelve, as the directors in their discretion may deem advisable.

The table below contains certain information concerning each of the nominees and the incumbent directors whose term of office will continue following the annual meeting. Incumbent Director and Nominee Qualifications

As a community banking organization operating in a heavily regulated industry, we rely on our Board of Directors for knowledge of our local markets, business acumen and strategic vision. Each incumbent director and nominee lives or works (unless retired) in the markets we serve, and brings a unique background, perspective and set of skills to our Board. This provides our Board as a whole with a thorough understanding of our local markets, and significant competence and experience in a wide variety of areas, including corporate governance, real estate, insurance, building trades, real estate development, agriculture, energy and commodities, the law and business management. In addition, many of our directors are long-serving members of our Company and Bank Boards, whose past contributions and industry knowledge, judgment and leadership capabilities have benefited our Company over the years and through multiple economic cycles.

The information below summarizes each incumbent director's or nominee's specific experience, qualifications, attributes and skills that led our directors to conclude that the individual should serve on our Board. We also believe that in their professional lives and Board service, each has demonstrated adherence to high ethical standards and a

strong commitment to service to the Company and our Board.

Thomas Adams – Tom has served as a director since 1986. At the time of his initial election, he was the President and Chief Executive Officer (“**CEO**”) of Newport Plastics, where he had also served as the Chief Financial Officer (“**CFO**”) for many years. He is the owner of NPC Realty and until his retirement in November 2010, was a real estate agent at Coldwell Banker All Seasons Realty (now Re/Max All Seasons Realty). In addition to his business interests, Tom served for several years on the board of North Country Hospital in Newport, Vermont, including as its Chairman and Treasurer. He also served for several years as a trustee of the Haskell Free Library and Opera House in Derby Line, Vermont. Tom holds an accounting degree from the University of Vermont. He brings to the Board extensive business experience, familiarity with accounting procedures, and broad knowledge of the community. He chairs the Company’s Audit Committee and also serves on the Compensation/Human Resources Committee. He lives in Holland, Vermont.

Kathryn Austin – Kathy has served as President of the Bank and Company since January 2016 and as CEO of both entities since January 2017. From January 2014 until her appointment as CEO she also served as the Bank’s Chief Operating Officer. Kathy was appointed to the Bank’s Board of Directors in January 2012 and was first elected to the Company’s Board at the 2013 annual meeting. She joined the Bank in 1980 and over the years has held many management positions. Kathy served as Executive Vice President of both the Company and the Bank from 2011 to 2016, and as Vice President of the Company and Senior Vice President of the Bank from 2004 to 2011, responsible for the Bank’s Retail Banking, Human Resources and Marketing departments. Kathy also serves on the Board of Managers of our trust company affiliate, CFSG. Her many years of service to the Company in a variety of positions provide her with valuable insights into the Bank’s day-to-day operations, adding further depth and community banking expertise to the Board. Kathy is a graduate of the New England School of Banking at Williams College and the Stonier Graduate School of Banking at

Georgetown University. She currently serves as a Trustee of the Northwoods Stewardship Center, as a Board Member of the Northeast Kingdom Collaborative, and as a Board Member of Northeast Kingdom LLC. She is a past Chairman of the Vermont Bankers Association and previously served on the North Country Health Systems Board of Trustees, including as its chair. She serves on the Company's Corporate Governance/Nominating and Compensation/Human Resources Committees and on the Bank's Risk Management Committee. She lives in Morgan, Vermont.

David Bouffard – Dave joined the Boards of the Company and the Bank in 2014 and is a life-long resident of the area. He and his wife Beth have owned the Derby Village Store in Derby, Vermont since 2000. Prior to purchasing the store, Dave acquired retail management experience as the Manager of the Grand Union grocery store in Newport. Dave has served on various local boards, and is a past Board Chair of North Country Hospital and also served on its finance committee. His perspective as a small business owner and knowledge of our Orleans County market area add further depth to our Board. Dave serves on the Company's Audit and Compensation/Human Resources Committees. He lives in Newport, Vermont.

Aminta Conant – Minty is a successful business woman with experience running manufacturing facilities in Vermont, New Hampshire and North Carolina. She is currently a business consultant to companies across the United States and Europe. Previously, she served as the director of Lean Six Sigma programs for Lydall, Inc., an international manufacturing company listed on the New York Stock Exchange. Minty is a CPA and has an MBA degree, and brings to the Board not only her experience and knowledge of accounting, finance, and good business practices, but also her experience in working in a public company much larger than Community Bancorp. That perspective is a rarity for community bank directors and a real asset to the Board. She serves on the Audit and Compensation/Human Resources Committees. She has been a director since 2006, and prior to that served on our St. Johnsbury Advisory Board. She lives in Barnet, Vermont.

Jacques Couture – Jacques is a dairy farmer and maple sugar maker, who runs a successful family farm and bed and breakfast in Westfield. He has served on numerous governmental, non-profit and industry-related boards, including the Westfield Select Board, the Vermont Maple Association and the Cooperative Insurance Companies, among others. He owns and operates Built by Newport, a wood furniture and component manufacturing company that has been family owned since the 1960s. He serves on the Company's Corporate Governance/Nominating Committee and on the Bank's Risk Management Committee. He lives in Derby, Vermont.

Rosemary Lalime – Rosemary is our longest serving director, having been first elected to the Board in 1985. She has been designated as our “outside” vice president (a tradition we have had at the Company for many years) and as our lead independent director to convene and run board meetings in the absence of management. A long time realtor in the area, and the owner and partner of Re/Max All Seasons Realty, Rosemary brings to the Board her extensive experience in real estate matters and her knowledge of properties and residents throughout our service area. She chairs the Compensation Committee and also serves on the Bank’s Human Resources and on the Audit Committee. She lives in Derby, Vermont.

Stephen Marsh – Steve has served as Chair of Boards of Directors of the Company and the Bank since 2011 and was first appointed to the Board in 1998. He served as CEO of the Company and the Bank from 2008, until his retirement at the end of 2016 and previously served as President of both entities from 2004 through the end of 2015. He began his employment with the Bank in 1973, serving over the years in various managerial capacities, including as CFO and Chief Operating Officer of the Company and the Bank prior to becoming President and CEO. Jake's judgment and insight as a seasoned attorney provide a valuable addition to our Board. Jake serves on the Company's Audit and Compensation/Human Resources Committees. He lives in East Burke, Vermont.

Information about our Board's important role in the governance of our Company, including the Board's committees, leadership structure and role in oversight of risks, is contained below under the caption "CORPORATE GOVERNANCE."

Directors' Fees and Other Compensation

Only the outside (non-employee) directors are paid for their service on the Boards of the Company and the Bank. All fees are paid in cash. The Company and the Bank do not pay any stock-based compensation to directors.

The schedule of fees in effect during 2018 for our nonemployee directors was as follows:

Company Director Fees		Bank Director Fees	
Annual Retainer	\$8,000	Annual Retainer	\$8,000
Board Meeting Fee	500	Board Meeting Fee	500
Board Committee Meeting Fee	550	Board Committee Meeting Fee	550
Disclosure Control Committee Meeting Fee (1)	550	Local Advisory Board Meeting Fee (2)	500

(1) At least one member of the Audit Committee attends the quarterly meetings of the Company's Disclosure Control Committee, which reviews the Company's periodic reports prior to filing with the SEC.

(2) During 2018, Bank directors who attended meetings of the Bank's local advisory boards received a per meeting fee for such attendance. Employee-directors do not receive any fees for attending local advisory board meetings.

This fee structure is designed to compensate our outside directors for attendance at Board meetings, as well as for the time they spend in activities directly related to their service on the Board for which they receive no additional compensation, such as attendance at the annual directors' retreat and attendance at educational seminars or programs on pertinent banking or corporate governance topics.

Directors' Deferred Compensation Plan

The directors may choose to defer current receipt of some or all of their Company or Bank director fees under the Company's Deferred Compensation Plan for Directors. Deferrals are credited to a cash account that bears interest at the rate the Bank pays on a three-year certificate of deposit, as adjusted from time to time. Payments are deferred until the director's retirement, death or

disability, or at an earlier or later date elected by the director. The director may choose to receive his or her deferrals and accumulated interest in a lump sum or monthly installments. Deferred fees and accumulated interest represent a general unsecured obligation of the Company. No assets of the Company or the Bank have been segregated to satisfy the Company's obligations under the Plan.

Directors' Retirement Plan

Prior to 2005, the Company maintained a non-qualified retirement plan for the Company's outside directors. Non-employee directors who served on the Board of the Company or the Bank for at least five years between 1994 and 2004 are entitled to receive upon retirement a lump sum payment of \$1,000 for each year of Board service. For this purpose, service as a director of the Company and of the Bank during the same year is not counted separately. Following a re-evaluation of the Company's benefit plans affected by IRC Section 409A, the Company terminated any further accruals under the plan for years after 2004 and Board fees were increased to compensate for the loss of this retirement benefit.

As of December 31, 2018, the total remaining accrued and unpaid benefit for all directors covered by the plan was \$33,000. The participating directors are fully vested in their accrued benefits and would be entitled to payout of the full benefit upon retirement from the Board for any reason, regardless of age. Directors Adams, Couture, and Lalime each have an accumulated lump sum retirement benefit of \$11,000. Accrued benefits do not earn interest, are not adjusted for inflation and will be paid out to participants when they retire from the Board. All benefit accruals under the plan represent a general unsecured obligation of the Company. No assets of the Company or the Bank have been segregated to satisfy the Company's obligations under the plan.

Director Compensation Table

The table below shows the total compensation paid to each of our outside directors during 2018 for service on the Boards of the Company and the Bank. All such fees were paid in cash.

2018 Director Compensation (1)

David M. Bouffard	28,850	28,850
Charles W. Bucknam, Jr.	31,456	31,456
Aminta K. Conant	30,651	30,651
Jacques R. Couture	29,500	29,500

Stephen P. Marsh	29,350	29,350
Dorothy R. Mitchell	32,283	32,283
Fredric Oeschger	30,422	30,422
James G. Wheeler, Jr.	32,258	32,258

Does not include (i) earnings on directors' fees deferred under the Directors' Deferred Compensation Plan because interest on those amounts is not accrued at a preferential (above market) rate; or (ii) certain expense reimbursements related to board service such as for mileage and expenses related to attendance at director educational conferences.

Vote Required

Election of a nominee for director will require the affirmative vote of a majority of the shares present in person or represented by proxy at the annual meeting and entitled to vote. A vote to "WITHHOLD AUTHORITY" as to a nominee will have the same effect as a vote against such nominee.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** PROPOSAL 1 TO ELECT INCUMBENT DIRECTORS LAFORCE, MARSH, MOORE AND OESCHGER TO A THREE YEAR TERM.

CORPORATE GOVERNANCE

Director Independence

The primary responsibility of the Board of Directors is to provide objective, independent judgment in its management oversight function, and our Board's composition, which is heavily weighted toward independent directors, reflects that principle. Although the Company's common stock is not listed on NASDAQ, our Board uses the definition of independence contained in the NASDAQ listing standards in its annual evaluation of Board member independence. Under current NASDAQ standards, a director is considered independent if he or she is not an officer or employee of the Company or the Bank and does not have any other relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out his or her responsibilities as a director. Under NASDAQ standards, a director of the Company is not considered independent if he or she:

- has been employed in any capacity by the Company or the Bank during the past three years;
- has accepted, or has a close family member who accepted, any payments from the Company or the Bank in excess of \$120,000 in any consecutive twelve-month period during the last three years, except for
 - payments relating to ordinary loan or deposit relationships with the Bank
 - compensation for Board service
- compensation paid to a close family member who is not an executive officer of the Company or the Bank
 - certain retirement benefits or non-discretionary compensation and
 - payments arising solely from investments in the Company's common stock;
- has a close family member who during the past three years was an executive officer of the Company or the Bank;
- has been a principal, or has a close family member who was a principal, of any organization to which the Company made or from which it received payments, in any of the past three years, that exceeded the greater of \$200,000 or 5% of the annual consolidated gross revenues of the other entity;
- has been an executive officer of any other entity, or has a close family member who was an executive officer of any other entity, where any of the Company's executives serves on that other entity's compensation committee; or
- has been, or had a family member who was, a partner or employee of the Company's independent auditor at any time during the last three years.

In determining whether a director or nominee for director is independent, the Board considers all relevant facts and circumstances and may consider a director or nominee not to be independent even if none of the disqualifying factors listed above applies. However, if any of the above disqualifying factors apply, a director or nominee will not be considered independent.

Based on the information available to it, the Company's Board of Directors has determined that each of the incumbent directors is independent within the meaning of the listing standards of NASDAQ, except for President and CEO Kathryn Austin, Board Chair and immediate past President and CEO Stephen Marsh, and director Jacques Couture,

who is the brother of the Company's Corporate Secretary and Treasurer and the Bank's Senior Vice President and CFO, Louise Bonvechio.

Board Leadership Structure and Risk Oversight

Our Board of Directors believes that each business is unique, and that therefore, the appropriate board leadership structure will depend upon each company's unique circumstances and needs at the time. In the past the positions of Board Chair and CEO at the Company generally have been held by the same individual. However, the Board has sometimes chosen to alter this pattern, such as following the CEO's retirement. The positions were separated from 2008-2010, as Stephen Marsh transitioned into his management leadership role following the retirement of the previous CEO, Richard White, who remained as Board Chair during the transition period. The positions of CEO and Board Chair were again combined beginning in 2011, with Mr. Marsh serving in both capacities through the end of 2016. Following Mr. Marsh's retirement as CEO at the end of 2016 and Kathy Austin's appointment as his successor in January 2017, the CEO and Board Chair positions are again separated. The Board believes that division of the CEO and Board Chair positions during a period of management succession contributes to the smooth transition of the Company's top executive leadership position, while at the same time ensuring that the outgoing CEO's valuable experience, judgment and service remain available to the Company in a prominent leadership role during the transition period.

The Board believes that the Company has been well served over the years by a leadership structure guided by the Corporate Governance/Nominating Committee that includes a Board Chair with in-depth managerial and operational knowledge of the banking industry and the Company's business operations and markets. This structure fosters clear accountability, efficient and effective decision-making and focus on strategic priorities. The Board also believes this structure helps to facilitate the efficient and timely flow of information between management and the Board.

While the Board of Directors believes that having the position of Board Chair held by the current or immediate past CEO is conducive to our Company's efficient operation and strategic development, the Board is also mindful of its obligation to provide independent oversight of management. In order to enhance its oversight function, the Board has created the position of lead independent director, which is currently held by long-serving director Rosemary Lalime. The lead director presides over executive sessions of the independent directors. The Board believes that this structure strikes an appropriate balance by providing for both a Board Chair with extensive executive experience with the Company and knowledge of its operations, and a lead director to help ensure that the Board provides independent oversight and perspective.

The Board of Directors plays an active role, as a whole and also at the committee level, in oversight of the risks facing the Company and ensuring that management has the skills and resources to identify and manage the risks within the organization. While risks are inherent in any business, effective management of those risks can contribute significantly to the ultimate success of an enterprise. As a community banking organization, we face a number of risks, including general and local economic risk, credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputational risk. Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, is responsible for the general oversight of risk management. In order to identify and manage the Company's risks more effectively, the Risk Management Committee of the Bank's Board of Directors is provided with a detailed review and analysis of the risks facing the Company on a quarterly basis. This facilitates the Committee's oversight role by providing the Committee members with information on the Company's enterprise-wide risk program framework and on the Company's methods of identifying, monitoring, managing and controlling risks. Other Board committees also contribute significantly to the Board's oversight role in risk management. In particular, the Audit Committee plays an important role in monitoring and assessing our financial, legal and organizational risks and at least one member of the Committee sits on the Company's Disclosure Control Committee, which reviews our periodic reports under the Securities Exchange Act prior to filing with the SEC. The Compensation Committee monitors and assesses risks associated with our compensation policies and practices, including the establishment of appropriate incentives that encourage performance without also encouraging excessive risk-taking. The Board's Corporate Governance/Nominating Committee contributes to risk mitigation by its formulation of the Company's corporate governance policies, which help to establish a "tone at the top" that values and encourages diligence, honesty and integrity in the conduct of the Company's business. Committees of the Bank's Board of Directors, in addition to the Risk Management Committee referred to above, also contribute to the Company's risk management program. Additionally, the Board and executive management engage in strategic planning at an off-site retreat annually, which provides an opportunity to focus on long-term goals and challenges.

Board and Shareholder Meeting Attendance

The Company's Board of Directors held four regular meetings and four special meetings during 2018. Each incumbent director attended at least 75% of the aggregate of all Company Board meetings and meetings of Company Board committees on which he or she served during the year. All of the Company's incumbent directors also attended meetings of the Bank's Board, which meets more frequently than the Company's Board, and meetings of its committees on which they serve.

All directors are encouraged and expected to attend the annual shareholders meeting. All of the Company's incumbent directors who served on the Board during 2018 attended the 2018 annual meeting.

Board Committees

The Board of Directors has established three standing committees to help it in fulfilling its responsibilities: Audit; Compensation; and Corporate Governance/Nominating. Members of the committees are nominated by the Corporate Governance/Nominating Committee and appointed by the Board. Except as otherwise noted below, all members of the three standing committees are considered to be independent under the NASDAQ standards described above. Director Jacques Couture, the Chair of the Corporate Governance/Nominating Committee, is not considered independent under NASDAQ standards due to his sibling relationship with Corporate Secretary and Treasurer, and Bank Senior Vice President and CFO Louise Bonvechio. President and CEO Kathryn Austin, who serves on the Compensation and Corporate Governance/Nominating Committees, is not considered independent under the NASDAQ standards due to her executive management positions with the Company. Similarly, Board Chair Stephen Marsh who serves on the Compensation and Corporate Governance/Nominating Committees, is not considered independent under the NASDAQ standards due to his recent prior executive management positions with the Company and the Bank. Additional information about each of the three standing committees is set forth below.

Compensation Committee. The responsibilities of the Company's Compensation Committee include reviewing and making recommendations to the Board of Directors concerning the compensation of the Company's executive officers and directors, establishing performance goals under the Officer Incentive Plan and approving matters relating to other compensation plans. A report

of the Committee regarding executive compensation is set forth elsewhere in this proxy statement under the caption “COMPENSATION COMMITTEE REPORT.”

The members of the Compensation Committee are Rosemary Lalime (Chair), Thomas Adams, Kathryn Austin, David Bouffard, Aminta Conant, Stephen Marsh and James Wheeler. Directors Bouffard and Wheeler joined the Committee on January 1, 2019. During 2018, Directors David Laforce and Fred Oeschger also served on the Committee, along with Directors Lalime (Chair), Adams, Austin, Conant and Marsh. During 2018, the Committee met two times. The Committee’s charter is available on the Company’s website at www.communitybancorpyt.com.

Corporate Governance/Nominating Committee. The Corporate Governance/Nominating Committee considers and makes recommendations on matters related to the practices, policies and procedures of the Board and takes a leadership role in shaping the Company’s corporate governance environment. As part of its duties, the Committee assesses the size, structure and composition of the Board and its committees, coordinates evaluation of Board and committee performance, makes recommendations as to the structure of Board meetings and flow of information to the Board and reviews Board compensation. The Committee also reviews and makes recommendations to the Board as to the size, structure, composition and functions of the Bank’s advisory council.

The Committee also acts as a screening and nominating committee for candidates considered for appointment or election to the Board. In this capacity it has established minimum criteria for Board nominees. The Committee believes it would be desirable for a Board candidate to possess the following characteristics:

- have experience in the management or leadership of a substantial private business enterprise, educational, religious or not-for-profit organization, or such other professional experience as the Committee deems appropriate;
- be a shareholder of the Company;
- be willing and able to devote full interest and attendance to the Board and its committees;
- bring business to the Company and its trust company affiliate, CFSG, including personal, business and investment accounts;
- help develop business and promote the Company and its subsidiary and affiliate throughout our service area;
- provide advice and counsel to the Board and senior management;
- bring a diversity of interests to the Board as evidenced by participation in community, charitable or other similar activities;
- have the ability to serve at least seven years before reaching the mandatory retirement age; and
- maintain integrity and confidentiality at all times.

The Nominating/Corporate Governance Committee does not currently have a formal diversity policy. However, the Committee and the Board believe that it is important and desirable for the Board to include members with diverse business experience, backgrounds and viewpoints. In considering candidates for the Board, the Committee reviews their particular qualifications, strengths and attributes individually and in relation to the Board as a whole, with the

aim of complementing and strengthening the overall composition of the Board.

Evaluation of external candidates occurs on the basis of materials submitted by or on behalf of the candidate. If a candidate continues to be of interest after initial consideration by the Committee, additional information about her/him will be obtained through inquiries to various sources and, if warranted, interviews.

The Committee will consider prospective nominees recommended by shareholders. Any shareholder wishing to recommend a person for consideration as a Board nominee should submit to the Committee the same information that would be required under the Company's bylaws if the shareholder sought to make a nomination from the floor at the annual meeting. The required information is described elsewhere in this proxy statement under the caption "SHAREHOLDER NOMINATIONS AND OTHER PROPOSALS—Bylaw Requirements for Shareholder Nominations and Other Proposals." The Committee uses the same criteria for evaluating candidates recommended by shareholders as it does for those proposed by Board members or management.

The members of the Corporate Governance/Nominating Committee are Jacques Couture (Chair), Kathryn Austin, Charles Bucknam, David Laforce, Stephen Marsh, Jeffrey Moore, Dorothy Mitchell and Fred Oeschger. Directors Laforce, Moore and Oeschger joined the Committee on January 1, 2019. During 2018, Directors David Bouffard and James Wheeler also served on the Committee, along with Directors Couture (Chair), Austin, Bucknam, Marsh and Mitchell. During 2018, the Committee met two times. The Committee's charter is available on the Company's website at www.communitybancorpvt.com.

Audit Committee. The Audit Committee, which operates under a written charter, oversees the Company's accounting and financial reporting process, internal controls and audits. The Audit Committee consults with management, the internal auditors and the independent auditors on, among other items, matters related to the annual audit, the published financial statements and the accounting

principles applied. As part of its duties, the Committee appoints, evaluates and retains the Company's independent auditors. It has responsibility for the compensation, termination and oversight of the Company's independent auditors and evaluates the independent auditors' qualifications, performance and independence. The Committee has similar authority regarding selection and oversight of the Company's internal auditor. In addition, the Audit Committee pre-approves all services provided by the independent auditors, including both audit and permitted non-audit services. Those services and fees are described elsewhere in this proxy statement under the caption "PROPOSAL 4 – RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS—Fees Paid to Independent Auditors." The Committee is also involved in the review of the Company's periodic reports filed with the SEC, including participation by one of its members in the meetings of the Company's Disclosure Control Committee.

The Audit Committee has established so-called "whistleblower procedures" for the receipt, retention and treatment, on a confidential basis, of complaints received by the Company regarding accounting, internal accounting controls or auditing matters. These complaint procedures, as well as the Audit Committee's charter, are posted on the Company's website at www.communitybancorpvt.com. These procedures are in addition to the Board's general policy, described below, regarding shareholder communications with the Board.

Under SEC rules, companies must disclose whether at least one member of the Audit Committee qualifies as a "financial expert." As defined by the SEC, the concept of financial expert is heavily focused on individuals who have prepared or audited public company financial statements or have had similar management experience or responsibility for others performing those or comparable functions. Given the Company's rural market area and the limited number of public companies in it, the Board has not deemed it advisable to require that the Audit Committee include a person qualifying as a financial expert under this definition. The Board has considered the business experience, past performance as a Board and/or Audit Committee member and other qualifications of each of the members of the Audit Committee and has concluded that each of them has demonstrated that he or she is capable of (i) understanding generally accepted accounting principles ("GAAP") and financial statements, (ii) assessing the general application of GAAP principles in connection with the accounting for estimates, accruals and reserves, (iii) analyzing and evaluating the Company's financial statements, (iv) understanding internal controls and procedures for financial reporting, and (v) understanding audit committee functions. Given the business experience and acumen of each of the members of the Audit Committee, the Board believes that each of such persons, although not a "financial expert" under the SEC definition, is nevertheless qualified to carry out all of the duties and responsibilities of a member of the Company's Audit Committee.

The members of the Audit Committee are Thomas Adams (Chair), David Bouffard, Aminta Conant, Rosemary Lalime and James Wheeler. Director Lalime joined the Committee on January 1, 2019. During 2018, Director Fred Oeschger also served on the Committee, along with Directors Adams (Chair), Bouffard, Conant and Wheeler. All members of the Audit Committee are considered independent directors under the applicable NASDAQ standard as well as under the standards applicable to FDIC-insured depository institutions and their holding companies with assets of \$500 million or more. During 2018, the Committee met four times. A report of the Audit Committee is set forth elsewhere in this proxy statement under the caption "AUDIT COMMITTEE REPORT."

Shareholder Communications with the Board

The Board welcomes communications from shareholders on matters relating to the Company's business operations and corporate governance. Shareholders may communicate with the Board, or its committees or individual directors, by writing to the following address: Board of Directors [or Board Committee or name of individual director]; Community Bancorp.—Shareholder Communications; c/o Assistant Corporate Secretary, Community Bancorp., 4811 US Route 5, Newport, Vermont 05855. The Assistant Corporate Secretary will forward communications to the Board or appropriate committee or individual director.

Compensation Committee Interlocks and Insider Participation

The Company is not aware of the existence of any interlocking relationships between the senior management of the Company and that of any other company.

Transactions with Related Persons

Director Fredric Oeschger is the President and principal shareholder of Fred's Energy, a plumbing and heating contractor and fuel oil distributor based in Orleans, Vermont, from which the Company and the Bank purchased plumbing and heating services and heating oil, on arm's length terms, during 2018.

Director James Wheeler, Jr. is a member of the law firm Downs Rachlin Martin PLLC, which performs various legal services for the Company and the Bank, on arm's length terms, during 2018.

Some of the Company's directors and executive officers, and some of the corporations and firms with which these individuals are associated, are deposit customers of Community National Bank in the ordinary course of business, or have loans outstanding from the Bank, and it is anticipated that they will continue to be customers of and indebted to the Bank in the future. All such loans were made in the ordinary course of business, and except as disclosed below, do not involve more than normal risk of collectability or present other unfavorable features, and were made on substantially the same terms, including interest rates and collateral, as those prevailing at the same time for comparable Bank transactions with unaffiliated persons, although directors were generally allowed the lowest interest rate given to others on comparable loans.

AUDIT COMMITTEE REPORT

The Audit Committee consists of five Directors, each of whom meets applicable NASDAQ standards for independence. The Audit Committee's primary responsibility is to oversee the Company's financial reporting process and to report the results of its activities to the Board. Management is responsible for preparing the Company's financial statements and the independent registered public accounting firm is responsible for auditing those statements.

Among other things, the responsibilities of the Audit Committee include selecting an accounting firm to be engaged as the Company's independent auditors. Additionally, and as appropriate, the Audit Committee reviews and evaluates, discusses and consults with the Company's management, the Company's internal auditor and its independent registered public accounting firm, regarding the following matters:

- the plan and budget for, and the independent auditors' report on, the audit of the Company's financial statements; the Company's financial disclosure documents, including financial statements and reports filed with the SEC or sent to shareholders;
 - changes in the Company's auditing and accounting practices, principles, controls or methodologies, or in the Company's financial statements;
 - significant developments in auditing and accounting rules;
- the adequacy of the Company's internal auditing controls, and its accounting, financial and auditing personnel; and
- the establishment and maintenance of an environment within the Company that promotes and encourages quality financial reporting, sound business risk practices and ethical behavior.

In the Fall of 2013, the Committee solicited bids for a multi-year proposal for external audit services and, after a review of the proposals, selected BerryDunn. BerryDunn has served as the Company's registered public accounting firm since 2003 and is providing such services for 2019. In accordance with the rules of the SEC and the Public Company Accounting Oversight Board, BerryDunn's lead partner and concurring partner on the engagement must rotate off the engagement after five consecutive years and must remain off the engagement for at least five consecutive years.

The Audit Committee is responsible for recommending to the Board that the Company's financial statements be included in the Company's annual report. The Committee took a number of steps in making this recommendation for the year ended December 31, 2018. First, the Committee discussed with BerryDunn those matters BerryDunn communicated to and discussed with the Committee under Auditing Standard No.1301 (Communication with Audit Committees), including information regarding the scope and results of the audit. These communications and discussions are intended to assist the Audit Committee in overseeing the financial reporting and disclosure process. Second, the Committee discussed with, and received a letter from, BerryDunn concerning their independence from the Company and its management as required by Public Company Accounting Oversight Board Rule 3526, regarding the independent registered public accounting firm's communications with the audit committee concerning independence. This discussion and disclosure informed the Committee of BerryDunn's independence and assisted the Committee in evaluating such independence. The Committee also considered applicable auditor independence standards under the Sarbanes-Oxley Act and related regulations of the Securities and Exchange Commission. Finally, the Committee reviewed and discussed the Company's financial statements with the Company's management.

Based on the discussions with BerryDunn, on the independence discussions, and on the financial statement review, the Audit Committee recommended to the Board that the financial statements be included in the Company's 2018 Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

The Audit Committee has established procedures for the treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters. The Committee has also established procedures for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters. No such complaints or concerns were received in 2018.

COMPENSATION COMMITTEE REPORT

The Compensation Committee reviews and makes recommendations to the full Board of the Bank on all compensation and benefits issues relating to the CEO and other executive officers of the Bank. No separate compensation is paid to such individuals for their service as executive officers of the Company.

As CEO, Ms. Austin made recommendations to the Committee with respect to the 2018 compensation of the other executive officers, including Ms. McQuillen and Ms. Bonvechio, which were acted on by the Committee and recommended to the full Board. The Committee and Board believe they have designed a compensation package for the executive officers that will attract and retain competent senior management for the Bank and provide for appropriate rewards for both personal and Bank performance.

To reach these objectives, the Bank provides for a base salary which is reviewed annually in relation to each individual's responsibilities and performance and a cash bonus as a short term incentive, the amount of which depends upon the Bank's performance. (The Bank's Officer Incentive Plan is described elsewhere in this proxy statement.) The Bank does not currently provide for long term incentives, such as stock options or similar equity-based compensation.

In Ms. Austin's case, the Board's annual review process included consideration of her self-evaluation covering certain key elements of her written job description, including strategic planning, establishment and overall implementation of operating policies, and regulatory matters. The Board also undertook its own evaluation of Ms. Austin, reviewing various matters, including leadership, planning and organization abilities, creativity and problem solving, CRA (community reinvestment) and bank regulatory compliance. The Committee's evaluation resulted in an excellent

performance rating for Ms. Austin in 2018.

The annual review and adjustment (if any) of executive officer salaries takes place at mid-year. Ms. Austin's base salary was increased on July 1st from \$275,000 to \$290,000. In addition, on July 1st Ms. Bonvechio's base salary was increased from \$172,000 to \$180,000 and Ms. McQuillen's base salary was increased from \$163,000 to \$170,000.

A total of \$224,960 was paid in February, 2019, to the Executive Officers for 2018 performance under the Bank's Officer Incentive Plan, pursuant to awards to Ms. Austin, Ms. Bonvechio and McQuillen.

EXECUTIVE COMPENSATION

The executive officers of the Company did not receive any compensation for services rendered to the Company in 2018 or 2017 but did receive compensation for services rendered in their capacities as executive officers of the Bank. Accordingly, references in this

proxy statement to the Company's executive compensation program relate to the Bank's executive compensation payments, practices and objectives.

Executive Compensation Program Objectives and Risk Management Considerations

The key objectives of the Company's executive compensation programs are: to support and drive business objectives and strategies; to reward competent stewardship of the enterprise; to provide a cost-effective, competitive total compensation package that enables the Company to attract and retain qualified executives for leadership roles; and to motivate and reward these executives for creating value for the Company and its shareholders. The cash incentive bonus program, in particular, is intended to reward exceptional financial performance of the Company, while at the same time ensuring consequences for below-average performance. In making compensation decisions about the executive officers, the Compensation Committee and the Board have traditionally placed emphasis on the overall performance of the Company rather than on individual performance targets, in order to foster an attitude of team spirit and shared goals among our executives.

In establishing the overall compensation program for employees, including the executive officers, the Compensation Committee and the Board are mindful of the potential implications for enterprise risk management. The Committee and Board believe that the Company's compensation practices, which for executives are heavily weighted to fixed salary, do not create any material adverse risks to the Company. In addition, the short-term incentive program is focused largely on Bank-wide performance, which encourages overall achievement of annual goals rather than individual or business line performance, and includes a recoupment provision which discourages inappropriate risk-taking that might lead to improper financial reporting.

Summary Compensation Table

The following table summarizes annual compensation earned in 2018 and 2017 for services rendered in all capacities to the Company and the Bank by the CEO and the Company's two other most highly-compensated executive officers.

Officer Incentive Plan

The Bank maintains an Officer Incentive Plan for designated executive officers and for other officers and exempt employees, including employees whose compensation is commission-based. Each executive officer, non-executive officer and qualifying exempt employee having at least one year of service is eligible to participate in the plan. There are two separate incentive payment components under the plan, one for designated executive officers and another for all other officers and participating exempt employees.

Executive Officers. Under the executive officers portion of the plan, designated executive officers are eligible to earn a cash bonus equal to a percentage of salary based on attainment of annual weighted performance criteria approved by the Board upon recommendation of the Compensation Committee. Cash bonus awards for the 2018 performance period were based on a combination of (1) the Bank’s September 30 rating issued by IDC Financial Publishing, Inc. (“**IDC**”), an industry-wide recognized ranking service, (2) return on average assets, (3) the ratio of non-performing loans as percentage of average loans, (4) the ratio of overhead expense as a percentage of average assets, and (5) a subjective individual performance evaluation by the Board of Directors of the Company. The plan includes threshold, target and “stretch” benchmarks for each performance measure, and those measures are assigned percentage weights in the overall bonus calculation.

The actual amount of bonus earned is determined by applying a “multiplier” to the target award. The multiplier is determined by the extent to which the various performance goals were achieved during the annual performance period. The following table summarizes the 2018 performance measures and actual results used in calculating executive officer bonuses with respect to 2018 performance:

Criteria/Weight	Threshold	Target	Stretch	Actual	Earned	Multiplier
Return on Average Assets Percentage reward-30%	≥ to .95 40.00	≥ 1.00 100.00	≥ 1.05 150.00	1.36	150.00%	45.00 %

Overhead Expense as a % of Average Assets Percentage reward-15%	3.16 40.00	3.08 100.00	3.00 150.00	2.88	150.00%	22.50 %

Percentage reward-10%	40.00	%	100.00	%	150.00	%					
Totals = 100.00%										140.60	%

The IDC rating, which constitutes one of the performance criteria, takes into account the Bank’s financial performance and risk profile in areas of asset quality, capital, margins, earnings and liquidity. For the twelve months ended September 30, 2018, the Bank earned the IDC rating of “Superior.” Use of a September 30 rating rather than a year-end rating permits the Company to calculate and pay out the executive officer bonuses consistent with the short-term deferral exception under Internal Revenue Code Section 409A, added by the American Jobs Creation Act of 2004, pursuant to which bonuses must be paid out no later than 2-1/2 months following the end of the calendar year in which the related services were rendered.

For 2018, the fixed percentage of salary defining the target award for each of the three executive officers was 25% and the multiplier applied to that salary percentage, based on achievement of 2018 performance targets, was 140.60%, resulting in a bonus of 35.15% of base salary for each of the three executive officers. The following table shows the bonuses paid under the plan to the three executive officers named in the Summary Compensation Table for services rendered in 2018.

Name	Target Award (1)	Multiplier	Bonus (2)
Kathryn M. Austin	\$ 72,500	140.60	% \$ 101,935
Louise M. Bonvechio	\$ 45,000	140.60	% \$ 63,270
Terrie L. McQuillen	\$ 42,500	140.60	% \$ 59,755
Total			\$ 224,960

- (1) 25% of base salary at the rate in effect on December 31, 2018.
(2) Earned for 2018 services and paid in February, 2019.

For the 2017 performance period, the target award for each of the three executive officers was 25% of salary and the applicable multiplier, based on actual attainment of the applicable weighted performance criteria, was 146.40%, resulting in the following bonuses: Ms. Austin, \$100,650; Ms. Bonvechio, \$62,952 and Ms. McQuillen, \$59,658. Incentive bonuses paid to the three executive officers named in the Summary Compensation Table for services rendered in 2018 and 2017 are included in the “Non-Equity Incentive Plan Compensation” column of the Table.

The Compensation Committee periodically reviews the allocation percentages, performance tiers, performance criteria and weightings, and may recommend changes for approval by the Bank’s Board of Directors. The Company’s Board of Directors, in its discretion and in consultation with the Compensation Committee, designates participating executive officers and establishes annually minimum performance targets as well as performance criteria used to determine the incentive bonus pool.

The Plan includes a recoupment provision, which provides that if the Company restates its financial statements, any current or former executive officer who received bonus compensation under the Plan may be required to reimburse the Company with respect to any bonus compensation paid within the preceding three years. Any such reimbursement shall not exceed the amount by which the bonus compensation paid to the executive officer exceeds the amount of bonus compensation (if any) that would have been paid if it had been based upon the financial statements as restated.

Other Officers and Exempt Employees. The Company creates a separate incentive bonus pool under the plan for officers (other than executive officers) and qualifying exempt employees using performance criteria similar to those for executive officers. The target amount of the bonus pool is based on a percentage of the Bank’s net income (2.19% in 2018 and 2.20% for 2017), with a multiplier applied to the target amount, based on the extent to which the specified performance measures were actually achieved during the annual performance period. The resulting bonus pool is generally allocated among participants based on job title and responsibilities. Several officers (but not the executive officers) are eligible to receive individual incentive awards based upon the attainment of specific performance goals. These individual incentives are accounted for in the allotment of shares in the incentive pools and are paid in addition

to incentive payouts described above.

Distributions from this pool are ordinarily paid in February for services rendered during the preceding fiscal year.

Retirement Savings Plan

Employees who are age 21 or over and who have completed at least one year of service (as defined in the plan) are eligible to participate in the Community Bancorp. and Designated Subsidiaries' Retirement Savings Plan. The plan contains features of a so-called 401(k) plan which permit participants to make voluntary compensation deferrals on a tax-deferred or after-tax (ROTH) basis. The 401(k) plan maximum per participant contribution limit for 2018 was \$18,500 (\$24,500 for participants age 50 and older) and is \$19,000 (\$25,000 for participants age 50 and older) for 2019. During 2018 the Company matched 50 cents for each dollar of compensation deferred, up to 5% of compensation. This same matching contribution percentage is in effect for 2018. The plan also provides for discretionary profit sharing contributions by the Company. During 2018 and 2017, each of the three executive officers named in the Summary Compensation Table made voluntary salary deferrals and received matching employer contributions. These amounts are reflected in the Table.

Participants are at all times fully vested in their own compensation deferrals and in any rollover contributions from other plans. Vesting in any matching employer contribution begins after one year of service, with full vesting after six years of service. Vesting in any discretionary profit sharing employer contribution begins in the first year of service, with full vesting after six years of service. Participants may direct the investment of their plan account among several funds maintained by the plan trustee, including a Community Bancorp. stock fund. Distributions of accounts are generally deferred until the participant's death, disability or retirement, except in cases of financial hardship (as defined in the plan). Benefits are subject to income tax upon distribution and certain early

withdrawals may be subject to an additional 10% penalty tax. Distribution of plan benefits may be in the form of an annuity, a lump sum in cash, or in certain circumstances, common stock of the Company.

In addition to 401(k) compensation deferrals and matching employer contributions, the plan permits the Company to make a discretionary profit sharing contribution in any year for the account of all participants, including the three executive officers named in the Summary Compensation Table. The amount of the contribution for any year is determined annually based on a calculation of the maximum allowable deductible contribution that the Company is permitted to make on behalf of the executives, but subject to the annual contribution limitations of the Internal Revenue Code. The profit sharing contributions made for 2018 and 2017 to the account of the three executive officers named in the Summary Compensation Table are included in the “All Other Compensation” column of the Table.

Perquisites and Other Personal Benefits

The Company does not generally provide its executive officers with perquisites or other personal benefits such as club memberships, financial planning assistance, tax preparation, living allowances, commuting expenses, or similar benefits not described in this proxy statement. However, the Company does provide a Company-owned vehicle to Ms. Austin and pays related gas and maintenance charges. The Company also pays the expenses of the executive officers and their spouses in connection with attendance at certain banking-related functions, such as bankers’ association conventions.

Health and Welfare Benefits

The Company offers the same health and welfare benefits to all salaried and non-salaried employees, although benefits may vary depending on whether the employee is employed full-time or part-time. These benefits include health insurance, life insurance, short-term disability insurance, long-term disability insurance, an employee assistance program, wellness reimbursement, education benefits and combined time off.

Change in Control Agreements

In 2015 the Company entered into change in control agreements with each of our three executive officers named in the 2018 cash compensation table (Kathryn Austin, Louise Bonvechio and Terrie McQuillen). As described below, the agreements may require the Company (or a successor company) to make payments to the covered executive officers in the event of the termination of their employment in specified circumstances, either in anticipation of or following a

change in control of the Company.

The change in control agreements provide that the executive officer will be entitled to a specified severance payment if her employment is terminated by the Company (or its successor) without “cause” (as defined in the agreement), or the executive terminates her employment with the Company for “good reason” (as defined in the agreement), during the three-year period following a “change in control” (as defined in the agreement). The executive is also entitled to receive the specified severance benefit if her employment is terminated by the Company without cause or by the executive with good reason after public announcement of a proposed change in control and within 120 days prior to occurrence of the change in control. The severance benefit is equal to two times the executive’s highest total annual cash compensation (salary plus cash bonus, if any) in any of the three years immediately preceding the termination and is payable in a lump sum, subject to execution by the executive of a release of claims. The severance benefit is the only benefit payable under the change in control agreements and is in addition to any other compensation and benefits to which the executive is otherwise entitled, including accrued and unpaid salary and vested benefits under any employee compensation plan.

For purposes of the agreements, “cause” means (i) personal dishonesty; (ii) willful misconduct; (ii) incompetence; (iv) breach of fiduciary duty involving personal profit; (v) intentional failure to perform the executive’s stated duties; (vi) willful violation of law; (vii) conviction of, or plea of nolo contendere to a felony; or (viii) material breach of the agreement by the executive. “Good reason” means (i) a reduction in the executive’s total annual cash compensation in an amount equal to 15% or more of the executive’s highest total annual cash compensation in any of the preceding three (3) calendar years, unless the reduction is part of a general, non-discriminatory reduction in base salary and/or bonus applicable to all similarly situated officers; (ii) a material reduction in the executive’s authority, duties or responsibilities; (iii) a relocation of the executive’s principal place of employment by more than 75 miles from the Bank’s main office in Derby; or (iv) failure by the Bank or the Company to obtain a written assumption of the agreement from any successor entity.

A “change in control” is defined in the agreements to include (i) a merger, consolidation or plan of share exchange which results in the shareholders of the Company owning less than a majority of the surviving company; (ii) the acquisition by any person or group of more than 50% of the Company’s voting stock; (iii) a sale of substantially all the assets of the Company or the Bank; (iv) liquidation

or dissolution of the Company; and (v) a turnover during any two year period of a majority of the members of the Board, other than nominees approved by two-thirds vote of the directors in office at the beginning of the two year period.

The agreements have an initial three year term, with automatic three year renewals on each third anniversary unless notice of termination is provided by either party at least 30 days prior to a renewal date. If a change in control occurs during the term, the agreements will renew automatically for a period of three years following the change in control.

The change in control agreements provide that if the excise tax on excess parachute payments under Internal Revenue Code Sections 280G and 4999 would be imposed, the executive's severance benefit under the agreement will be reduced to a level at which the excise tax will not apply.

The executives will be subject to certain post-termination confidentiality and non-disparagement covenants.

The following table shows the lump sum cash payments that would be payable under the change in control agreements to the two covered executive officers who are named in the Summary Compensation Table, assuming the executive had experienced a qualifying termination of employment at the end of 2018.

Potential Payments under Change in Control Agreements

Executive Officer	Severance Payment(1)
Kathryn M. Austin	\$ 768,870
Louise M. Bonvechio	\$ 478,540
Terrie L. McQuillen	\$ 452,510

(1) The amounts shown in the table are for illustrative purposes only, and are equal to two times the named executive officer's highest total cash compensation (salary plus cash bonus) paid in any of the last three completed fiscal years.

PROPOSAL 2

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “**Dodd-Frank Act**”) requires that the Company provide our shareholders with the opportunity to vote, periodically, on a non-binding, advisory basis, on whether to approve the compensation paid to the three executive officers listed in the Summary Compensation Table (our “**Named Executive Officers**”). This vote is sometimes referred to by the SEC as a “say on pay” vote. The SEC’s say on pay advisory vote requirement and a related “say on frequency” advisory vote became effective for smaller reporting companies, such as Community Bancorp in 2013. At the 2013 annual meeting the Company’s shareholders approved a say on pay resolution and a frequency of three years for the next say on pay vote. Therefore, we sought and received approval for our executive compensation program at the 2016 annual meeting, and we are again requesting at this year’s annual meeting that the shareholders approve the compensation paid to our named executive officers.

The compensation program for the Company’s Named Executive Officers is described elsewhere in this proxy statement under the captions “COMPENSATION COMMITTEE REPORT” and “EXECUTIVE COMPENSATION” in accordance with the compensation disclosure requirements of the SEC. Our executive compensation arrangements are developed and approved by the Compensation Committee of the Board, a majority of the members of which are non-employee directors and are considered independent under NASDAQ standards. The primary goal of our executive compensation program is to align the interests of the Company’s executives with those of the shareholders in order to achieve long-term growth in shareholder value. It is also designed to enable us to attract, hire and retain talented, high-performing and experienced executives. The Compensation Committee and Board periodically review our executive compensation arrangements to ensure that they continue to meet those objectives.

This advisory say on pay vote gives our shareholders the opportunity to express their views on the compensation paid to our Named Executive Officers. The Board believes that our current compensation program appropriately compensates our Named Executive Officers for their significant contributions to the success of the Company and does so in a manner that does not encourage or reward inappropriate risk-taking. Accordingly, the Board asks that you approve the following resolution:

Resolved, that the compensation paid to the Named Executive Officers of Community Bancorp. as disclosed pursuant to the compensation disclosure rules of the SEC, including the disclosures under the captions “EXECUTIVE COMPENSATION” and “COMPENSATION COMMITTEE REPORT” in the 2019 annual meeting proxy statement of Community Bancorp., is hereby approved.

Vote Required

Approval of the nonbinding vote on the compensation of the Named Executive Officers will require that more votes be cast “FOR” than “AGAINST” the proposal.

Although your vote is advisory and will not be binding on the Board of Directors or the Compensation Committee, the Board and Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** PROPOSAL 2.

PROPOSAL 3

ADVISORY VOTE ON FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

The Dodd-Frank Act requires that our shareholders be given the opportunity at least every six years to vote on a non-binding, advisory basis, to express their preference as to how frequently we should seek future advisory votes on the compensation of our Named Executive Officers. In voting on Proposal 3, shareholders may indicate whether they would prefer that we conduct future “say-on-pay” advisory votes once every one, two, or three years. Shareholders also may, if they wish, abstain from casting a vote on this proposal. In 2013 our shareholders approved a frequency of once every three years.

As it did in 2013, our Board of Directors has again determined that an advisory vote on executive compensation that occurs once **every three years** is the most appropriate alternative for us, and therefore our Board recommends that you vote for a three-year interval on Proposal 3. In determining to recommend that shareholders vote for a frequency of once every three years, the Board considered how an advisory vote at this frequency would provide our shareholders with sufficient time to evaluate the effectiveness of our overall compensation philosophy, policies and

practices in the context of our long-term business results for the corresponding period, while avoiding over-emphasis on short-term variations in compensation and business results. An advisory vote occurring once every three years will also permit our shareholders to observe and evaluate the impact of any changes to our executive compensation policies and practices that may have occurred since the last advisory vote on executive compensation, including changes made in response to the outcome of a prior advisory vote on executive compensation.

This shareholder vote on the frequency of future advisory votes on executive compensation (“say-on frequency” vote) is advisory and not binding on the Board or the Company. Whether or not the shareholders follow the Board’s recommendation to approve a three year frequency, the Board may in the future decide to conduct advisory votes on executive compensation on a more or less frequent basis and may vary its practice based on factors such as the adoption of material changes to our executive compensation programs.

In accordance with SEC rules, we will periodically seek another advisory “say-on frequency” shareholder vote at least once every six years.

As required by the Dodd-Frank Act, we are asking shareholders to vote on the preferred frequency of future advisory votes on executive compensation by selecting the option of one year, two years, or three years (or abstain) in response to the following proposal at the annual meeting:

Resolved, that an advisory vote on approval of the compensation of the Named Executive Officers of Community Bancorp. should be held every year, every two years or every three years, as determined by a plurality of the votes cast.

Vote Required

A plurality of the shares present or represented and entitled to vote either in person or by proxy is required to determine the outcome of the non-binding vote on the frequency of future non-binding “say-on-pay” votes.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE ON PROPOSAL 3 TO CONDUCT FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION ONCE EVERY **THREE YEARS.**

PROPOSAL 4

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of the Board has appointed BerryDunn as the Company's independent registered public accounting firm to audit Community Bancorp.'s consolidated financial statements for the year ending December 31, 2019. BerryDunn served as the Company's independent auditors for 2018 and 2017 and also provided certain tax and other audit-related services in both years. See "Fees Paid to Independent Auditors" below. Representatives of BerryDunn are expected to attend the annual meeting, where they will be available to respond to appropriate questions and, if they desire, to make a statement.

Although neither Vermont law nor the Company's bylaws requires the submission of the selection of the Company's independent auditors to the shareholders for approval, the Board of Directors believes it is appropriate to give shareholders the opportunity to vote on whether to ratify the decision of the Audit Committee. Neither the Audit Committee nor the Board has made any determination as to what action, if any, would be taken if the shareholders do not ratify the appointment of BerryDunn as the Company's independent registered public accounting firm for 2019. If the shareholders fail to ratify this appointment, the Audit Committee may reconsider whether to retain BerryDunn and may retain that firm or another firm without resubmitting the matter to the shareholders.

Pre-Approval Required for Services of Independent Auditors

As part of its duties, the Audit Committee is required to pre-approve audit and non-audit services performed by the Company's independent auditors, in order to ensure that the provision of such services does not impair the auditors' independence. Under applicable law, certain services may not be performed by the auditors under any circumstances. Consistent with these legal requirements, the Audit Committee's charter provides that all permitted services must be approved by the Audit Committee in advance. However, the Audit Committee may delegate this authority to a member of the Committee, who is required to inform the entire Committee of any approval taken pursuant to that delegated authority. The Audit Committee does not delegate to management its responsibilities to pre-approve services performed by the independent auditors. Each of the services performed by BerryDunn described under the captions below was pre-approved by the Audit Committee.

Fees Paid to Independent Auditors

The following table summarizes the fees billed for professional services rendered by BerryDunn for each of the last two calendar years:

Fees	December 31, 2018	December 31, 2017
Audit Fees	\$ 180,609	\$ 170,803
Audit-Related Fees	4,003	5,906
Tax Fees	28,428	20,728
All Other Fees	0	0
Total	\$ 213,040	\$ 197,437

Audit Fees. The aggregate audit fees billed for professional services rendered by BerryDunn related to the audit of the Company's annual financial statements included in each of the Company's Forms 10-K, review of financial statements included in each of the Company's Forms 10-Q and audit of the Company's Retirement Savings Plan, for the years ended December 31, 2018 and 2017.

Audit-Related Fees. The aggregate fees billed for assurance and related services rendered by BerryDunn related to the performance of the audit or review of the Company's financial statements in the years ended December 31, 2018 and 2017. These services related to the application of accounting pronouncements.

Tax Fees. The aggregate tax fees billed for professional services rendered by BerryDunn related to tax compliance, tax advice and tax planning in the years ended December 31, 2018 and 2017. These services included preparation of federal tax returns, review of estimated tax payments, review of compliance with information reporting requirements, tax planning and implementation of tax law changes.

All Other Fees. There were no other fees billed for services provided by BerryDunn, other than the services reported in the paragraphs above, in the years ended December 31, 2018 and 2017.

Vote Required

Ratification of the selection of BerryDunn as the Company's independent auditors for the ensuing year will require that more votes be cast "FOR" than "AGAINST" the proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** PROPOSAL 4.

ANNUAL REPORT

The Company's Annual Report to Shareholders for the year ended December 31, 2018, containing the consolidated financial statements and the report of BerryDunn thereon, accompanies this proxy statement.

SHAREHOLDER NOMINATIONS AND OTHER PROPOSALS

The required notice and information should be sent within the specified deadlines to the attention of the Corporate Secretary, Community Bancorp., 4811 US Route 5 Newport, Vermont 05855. The notice must include the following information about the shareholder and any associated persons, and, as applicable in the circumstances, the following information regarding any director nominee or other proposal:

The above description is merely a summary and is qualified in its entirety by reference to the full text of Section 2.13 of the bylaws. The Company's Amended and Restated Bylaws are contained in Exhibit 3.1 to the Company's current report on Form 8-K, filed with the SEC on March 14, 2013, and are available on the SEC's website at www.sec.gov/edgar.shtml. A shareholder may also request a

copy of the bylaws by contacting the Corporate Secretary or Assistant Corporate Secretary at the address or telephone number shown below under “VOTING QUESTIONS OR OTHER SHAREHOLDER ASSISTANCE.”

The above process, which is governed by the Company’s bylaws, is in addition to, and separate from (i) the process contained elsewhere in this proxy statement under the caption “CORPORATE GOVERNANCE—Board Committees—*Corporate Governance/Nominating Committee*” for submitting names of possible director nominees for consideration by the Corporate Governance/Nominating Committee; and (ii) the process described below under “Inclusion of Shareholder Proposals in Company Proxy Materials,” which is governed by SEC Rules and which has an earlier notification deadline.

Use of Discretionary Authority in Connection with Shareholder Nominations and Proposals

Under the rules and regulations of the SEC, the Company will be permitted to use its discretionary authority conferred in the proxy card for the annual meeting to vote on a shareholder proposal or director nominee even if the proposal or nominee has not been discussed in the Company’s proxy statement, unless the shareholder-proponent has given timely notice to the Company of his or her intention to present the proposal or nominee for vote at the meeting. If timely notice has been given, the proxies would only be voted on the matter pursuant to the grant of discretionary authority in the proxy card if the Company has described the proposal in the proxy statement and indicated how the persons named as proxies intend to vote on the matter. As required under the bylaws, in order to be considered timely for the 2020 annual meeting, the shareholder-proponent must furnish written notice to the Company of the proposal or nominee no earlier than November 14, 2019 and no later than January 13, 2020, the same advance notice period as described above for notice of proposals to be made from the floor at the annual meeting.

Inclusion of Shareholder Proposals in Company Proxy Materials

There is a separate process from that described above, with an earlier notification deadline, if a shareholder seeks to have his or her proposals included in the Company’s proxy materials for the 2020 annual meeting. That process is governed by SEC rules, and not exclusively by the Company’s bylaws. In order to be considered for inclusion in the Company’s proxy material for the 2020 annual meeting, shareholder proposals must be submitted in writing to the Secretary of the Company not later than December 4, 2019, and must comply in all respects with applicable rules and regulations of the SEC relating to such inclusion. Any such proposal will be omitted from or included in the proxy material at the discretion of the Board of Directors of the Company, subject to such rules and regulations. Proponents must also timely provide the information required under the bylaws, as described above.

Questions about any of the procedures for shareholder nominations or proposals should be directed to the Assistant Corporate Secretary, Community Bancorp., 4811 US Route 5 Newport, Vermont 05855.

OTHER MATTERS

As of the date of this proxy statement, the Board of Directors knows of no business that may come before the 2019 annual meeting other than the two proposals described in this proxy statement. If any other matters should properly come before the meeting, it is expected that proxies will be voted on such matters in accordance with the recommendations of management.
