**AMARC CONDUCTING AGGRESSIVE MULTI-PROPERTY  
EXPLORATION IN BRITISH COLUMBIA**

**November 1, 2004, Vancouver, BC** - Ronald W. Thiessen, President and CEO of Amarc Resources Ltd. (TSX Venture: AHR; OTCBB: AXREF) announces that Amarc is operating an aggressive grassroots exploration program to explore for new, major gold and copper-gold deposits in British Columbia. To date, Amarc has acquired by option and staking 19 separate properties, totaling 2,874 claim units covering 718 km<sup>2</sup>. Several prospective induced polarization (IP) and soil geochemical anomalies are drill ready and a diamond drill rig has been mobilized to commence testing these targets. Currently, five geophysical crews are conducting induced polarization (IP) and magnetic surveys to define additional drill targets and a second drill rig is planned for early November. Additional property acquisitions are expected in the months ahead.

C.M. Rebagliati, P.Eng., a qualified person, is supervising the Amarc programs. For further details on Amarc Resources Ltd., please visit the Company's website at [www.amarcresources.com](http://www.amarcresources.com) or contact Investor Services at (604) 684-6365 or within North America at 1-800-667-2114.

**ON BEHALF OF THE BOARD OF DIRECTORS**

No regulatory authority has approved or disapproved the information contained in this news release.

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address future production, reserve potential, exploration drilling, exploitation activities and events or developments that the Company expects are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and that actual results or developments may differ materially from those projected in the forward-looking statements. For more information on the Company, Investors should review the Company's annual Form 20-F filing with the United States Securities Commission.
