CELLCOM ISRAEL ANNOUNCES PREPARATION FOR DEBT OFFERING IN ISRAEL

Netanya, Israel – December 24, 2017 – Cellcom Israel Ltd. (NYSE: CEL) (TASE: CEL) (the "Company") announced that its Board of Directors has instructed the Company to prepare for a potential offering of a new series of debentures in an aggregate amount of approximately NIS 300 million to the public in Israel only. The Company published today a draft indenture relating to such offering, similar to the indenture relating to the Company's existing Series J and Series K debentures.

In addition, Standard & Poor's Maalot reaffirmed an ilA+/stable rating for such potential offering of debentures of up to NIS 300 million, which the Company may issue.

The execution, timing, terms and amount of such contemplated offering have not yet been determined and are subject to further approval of the Company's Board of Directors, publication of a supplemental offering report and the prior approval of the TASE for the supplemental offering report. There is no assurance that such offering will be executed, nor as to its timing, terms or amount.

For additional details regarding the Company's debentures and the Existing Indenture, see the Company's annual report on Form 20-F for the year ended December 31, 2016 under "Item 5B. Liquidity and Capital Resources – Debt Service" and the Company's current report on Form 6-K dated August 4, 2017 under "Other developments during the second quarter of 2017 and subsequent to the end of the reporting period – Debt Raising".

The contemplated offering described in this press release will be made, if made, only in Israel and only to residents of Israel. The said debentures will not be registered under the U.S. Securities Act of 1933 and will not be offered or sold in the United States. This press release shall not constitute an offer to sell or the solicitation of an offer to buy any securities.

A security rating is not a recommendation to buy, sell or hold securities, it may be subject to revision or withdrawal at any time by the assigning rating organization, and each rating should be evaluated independently of any other rating.
