Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

Class C Profits Interest Units ("Class C Units") are membership interests in Digital Realty Trust, L.P., a Maryland limited partnership of which the issuer is the general partner (the "Operating Partnership"). Class C Units that have satisfied the performance condition and achieved full parity with common limited partnership units of the Operating Partnership ("Common Units") receive the same quarterly

- (1) distributions as Common Units, and may be converted into an equal number of Common Units on a one-for-one basis at any time.

 Common Units will be redeemable for cash based on the fair market value of an equivalent number of shares of the issuer's common stock, or, at the election of the issuer, for an equal number of shares of the issuer's common stock. The Class C Units have achieved full parity with Common Units.
 - Reflects number of Class C Units initially granted on December 28, 2005 that satisfied the specified performance condition as of September 30, 2008. The performance condition was satisfied in full and maximum dollar value available under the award was achieved.
- (2) The remaining Class C Units granted to the reporting person on December 28, 2005 were in excess of the maximum dollar value eligible to vest and therefore were automatically cancelled and forfeited on September 30, 2008. More information about these Class C Units can be found in the current report on Form 8-K filed by the issuer on October 5, 2005 and subsequent reports filed with the Securities Exchange Commission, including the Form 10-Q for the quarter ended July 31, 2008.
- (3) N/A

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
