PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the Board) of CNO Financial Group, Inc. (CNO or the Company) for the Annual Meeting of Shareholders (the Annual Meeting) to be held at the CNO Conference Center, 11825 North Pennsylvania Street, Carmel, Indiana on May 9, 2012, at 8:00 a.m., Eastern Daylight Time. We expect to send the Notice or the Proxy Materials and proxy to shareholders on or about March 30, 2012.

Solicitation of Proxies

The proxies are solicited by the Board of Directors. Proxies may be solicited by mail, telephone, internet or in person. Proxies may be solicited by the CNO Directors and officers. All expenses relating to the preparation and distribution to shareholders of the Notice, the Proxy Materials and the form of proxy are to be paid by CNO.

If the form of proxy is properly executed and delivered in time for the Annual Meeting, the named proxy holders will vote the shares represented by the proxy in accordance with the instructions marked on the proxy. Each shareholder may appoint a person (who need not be a shareholder), other than the persons named in the proxy, to represent him or her at the Annual Meeting by properly completing a proxy. In either case, such completed proxy should be returned in the envelope provided to you for that purpose (if you have requested or received a paper copy of the Proxy Materials) for delivery no later than May 8, 2012. Proxies received that are unmarked will be voted for each of the Board's nominees for director (Proposal 1), for the adoption of the Amended and Restated Section 382 Shareholders Rights Plan (Proposal 2), for ratification of the appointment of the Company's independent registered public accounting firm (Proposal 3), and for approval of the compensation paid to our Named Executive Officers (Proposal 4). A shareholder may revoke a proxy at any time before it is exercised by mailing or delivering to CNO a written notice of revocation or a later-dated proxy, or by attending the Annual Meeting and voting in person.

Record Date and Voting

Only holders of record of shares of CNO's common stock as of the close of business on March 12, 2012, will be entitled to vote at the Annual Meeting. On such record date, CNO had 242,323,054 shares of common stock outstanding and entitled to vote at the Annual Meeting. Each share of common stock will be entitled to one vote with respect to each matter submitted to a vote at the Annual Meeting. The presence in person or by proxy of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum.

On or about March 30, 2012, we either mailed you a Notice notifying you how to vote online and how to electronically access a copy of the Proxy Materials or mailed you a complete set of the Proxy Materials. If you have not received but would like to receive printed copies of these documents, including a proxy card in paper format, you should follow the instructions for requesting such materials contained in the Notice.

1

The following sets forth how a shareholder can vote over the Internet, by telephone or by mail:

Voting By Internet

If you hold your shares in street name (that is, if you hold your shares through a broker, bank or other holder of record), you can vote at www.proxyvote.com, 24 hours a day, seven days a week. You will need the 12-digit Control Number included on your Notice or your paper voting instruction form (if you received a paper copy of the Proxy Materials).

Voting By Telephone

If you hold your shares in street name, you can vote using a touch-tone telephone by calling the toll-free number included on your paper voting instruction form (if you received a paper copy of the Proxy Materials), 24 hours a day, seven days a week. You will need the 12-digit Control Number included on your paper voting instruction form.

If you hold your shares in street name, you may also submit voting instructions to your bank, broker or other holder of record. In most instances, you will be able to do this over the Internet, by telephone, or by mail. Please refer to the information from your bank, broker or other holder of record on how to submit voting instructions.

The Internet and telephone voting procedures, which comply with Delaware law and the SEC rules, are designed to authenticate shareholders identities, to allow shareholders to vote their shares and to confirm that their instructions have been properly recorded.

Voting By Mail

If you have received a paper copy of the Proxy Materials by mail, you may complete, sign, date and return by mail the paper proxy card or voting instruction form sent to you in the envelope provided to you with your Proxy Materials or voting instruction form.

Deadline for Submitting Votes By Internet, Telephone or Mail

If you hold your shares through a bank or brokerage account, proxies submitted over the Internet or by telephone as described above must be received by 11:59 p.m., Eastern Daylight Time, on May 8, 2012.

Proxies submitted by mail should be returned in the envelope provided to you with your paper proxy card or voting instruction form, and must be received no later than May 8, 2012.

If you want to vote in person at the Annual Meeting and you hold your shares in street name, you must obtain a legal proxy from your bank, broker or other holder of record authorizing you to vote. You must then bring the legal proxy to the Annual Meeting.

Please note that you may receive multiple copies of the Notice or Proxy Materials (electronically and/or by mail). These materials may not be duplicates as you may receive separate copies of the Notice or Proxy Materials for each type of account in which you hold shares. Please be sure to vote all of your shares in each of your accounts in accordance with the directions on the proxy card(s) and/or voting instruction form(s) that you receive. In the case of duplicate votes for shares in a particular account, your last vote is the one that counts.

Votes Required

The election of each director (Proposal 1) will be determined by the vote of the majority of the votes cast (where the number of votes cast for a director exceeds the number of votes cast against that director) by the holders of shares represented (in person or by proxy) and entitled to vote on the subject matter provided a quorum is present. The vote required to approve the adoption of the Amended and Restated Section 382 Shareholders Rights Plan (Proposal 2), the ratification of the appointment of the Company's independent registered public accounting firm (Proposal 3) and the advisory vote to approve executive compensation (Proposal 4), and any other proposal properly brought before the Annual Meeting is the affirmative vote of a majority of the shares represented (in person or by proxy) and entitled to vote on the applicable subject matter. Abstentions from voting will have the same legal effect as voting against each proposal.

Abstentions and shares represented by broker non-votes, as described below, are counted as present and entitled to vote for the purpose of determining a quorum. A broker non-vote occurs if you hold your shares in street name and do not provide voting instructions to your broker on a proposal and your broker does not have discretionary authority to vote on such proposal. Under current New York Stock Exchange rules, your broker will not have discretionary authority to vote your shares at the Annual Meeting with respect to Proposal 1 (election of nine directors as listed in this Proxy Statement), Proposal 2 (adoption of the Amended and Restated Section 382 Shareholders Rights Plan) and Proposal 4 (advisory vote to approve executive compensation). Broker non-votes will have no effect on the outcome of these proposals. Your broker will have discretion to vote your uninstructed shares on Proposal 3 (ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for 2012).

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON MAY 9, 2012

PROPOSAL 1

ELECTION OF DIRECTORS

Nine individuals will be elected to the Board at the Annual Meeting for one-year terms expiring at the 2013 annual meeting of shareholders. Each nominee listed below other than Ellyn L. Brown is currently a member of the Board. All directors will serve until their successors are duly elected and qualified.

Director Qualifications and Experience

In considering candidates for the Board, the Governance and Strategy Committee reviews the experience, skills, attributes and qualifications of the current Board members and other potential candidates to ensure that the Board has the skills and experience to properly oversee the interests

Edgar Filing: CNO Financial Group, Inc. - Form DEF 14A

of the Company. In doing so, the Governance and Strategy Committee considers the experience, skills, attributes and qualifications of candidates in these areas:

Insurance and financial services industry;

Accounting or other financial management;

Investments;

Legal and regulatory;

Actuarial;

Management including service as a chief executive officer or manager of business units or functions;

Talent management; and

Experience as a director of other companies.

The key experiences, skills, qualifications and skills of each of the nominees are included in their individual biographies below.

Consideration is also given to each nominee's independence, financial literacy, personal and professional accomplishments and experience in light of the needs of the Company. For incumbent directors, past performance on the Board and contributions to their respective committees are also considered. The Governance and Strategy Committee and the Board seek directors with qualities that will contribute to the goal of having a well-rounded, diverse Board that functions well as a unit and is able to satisfy its oversight responsibilities effectively. The Governance and Strategy Committee expects each of the directors to have proven leadership, sound judgment, high ethical standards and a commitment to the success of the Company.

The Governance and Strategy Committee does not have a specific diversity policy with respect to Board candidates, but it strongly believes that the Board should have a variety of differences in viewpoints, professional experiences, educational background, skills, race, gender and age, and considers issues of diversity and background in its process of selecting candidates for the Board.

Board Nominees

The Governance and Strategy Committee engaged a third-party search firm to identify, assist in the evaluation of, and recommend potential Board candidates. After considering the candidates identified through that process, the Governance and Strategy Committee recommended that Ms. Brown be a nominee for election to the Board at the Annual Meeting.

Should any of the nominees become unable to accept election, the persons named in the proxy will have the right to exercise their voting power in favor of such person or persons as the Board may recommend. All of the nominees have consented to being named in this Proxy Statement and to serve if elected. The Board knows of no reason why any of its nominees would be unable to accept election.

The Governance and Strategy Committee will consider candidates for director nominees put forward by shareholders. See [Shareholder Proposals for 2013 Annual Meeting](#) for a description of the advance notice procedures for shareholder nominations for directors.

After the acquisition, he became vice chairman and a member of the executive committee of ING Americas until his retirement in 2002. Mr. Turner served as a director of Hormel Foods Corporation from 2000 to 2011, a director of Shopko Stores, Inc. from 1999 to 2005 and a director of ING funds from 2000 to 2007. Mr. Turner is a Fellow of the Society of Actuaries and a member of the American Academy of Actuaries. With respect to Mr. Turner's nomination, the Board and the Governance and Strategy Committee considered his extensive insurance industry, executive management, investment management, actuarial and regulatory experience.

Voting for Directors ; Required Vote

The election of each director will be determined by the vote of the majority of the votes cast (where the number of votes cast for a director exceeds the number of votes cast against that director) by the holders of shares of common stock present in person, or represented by proxy, and entitled to vote on the proposal at the Annual Meeting.

In an uncontested election of directors at which a quorum is present, any incumbent director who fails to receive a majority of the votes cast (where the number of votes cast for a director exceeds the number of votes cast against that director) shall offer to tender his or her resignation to the Board. In such event, the

9

Governance and Strategy Committee will consider the offer and make a recommendation to the Board whether to accept or reject the resignation or whether other action should be taken. The Board will publicly disclose its decision and rationale within 90 days from the certification of the election results.

Recommendation of our Board of Directors

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION TO THE BOARD OF EACH OF THE COMPANY'S DIRECTOR NOMINEES LISTED ABOVE.

Director Compensation

Our non-employee directors currently receive an annual cash retainer of \$75,000, with the exception of Mr. Murphy, who has declined any director fees. Our non-executive chairman receives a fee equal to 175% of the base cash fees and equity awards paid to the other non-employee directors. The chairs of the Audit and Enterprise Risk Committee and the Human Resources and Compensation Committee each currently receive an additional annual cash fee of \$30,000, and directors who chair one of our other Board committees receive an additional annual cash fee of \$20,000. Each member of the Audit and Enterprise Risk Committee (including the chairman) receives an additional annual cash retainer of \$15,000. Cash fees are paid quarterly in advance. In addition to the cash payments, our non-employee directors currently receive \$75,000 in annual equity awards, which vest immediately upon grant. The Board's policy is to review and set the compensation of the non-employee directors each year at the Board meeting that follows the Annual Meeting and to make equity awards to those directors at that time. Directors are reimbursed for out-of-pocket expenses, including first-class airfare, incurred in connection with the performance of their responsibilities as directors. Board Leadership Structure

CNO has a non-executive, independent director, who serves as chairman of the Board. Mr. Schneider was elected Chairman in 2011 and currently serves in that capacity. The Board believes that its leadership structure, with a non-executive chairman position separate from the chief executive officer, provides appropriate, independent oversight of management and the Company. The non-executive chairman of the Board (1) presides at all meetings of the Board and shareholders; (2) presides during regularly held sessions with only the independent directors; (3) encourages and facilitates active participation of all directors; (4) develops the calendar of and agendas for Board meetings in consultation with the chief executive officer and other members of the Board; (5) determines, in consultation with the chief executive officer, the information that should be provided to the Board in advance of the meeting; and (6) performs any other duties requested by the other members of the Board.

As discussed below, all members of our Board are independent other than Mr. Bonach, our chief executive officer. As CEO, Mr. Bonach, subject to the direction of the Board, is in charge of the business and affairs of CNO and is our chief policy making officer. Our Board and its committees play an active role in overseeing the Company's business. The directors bring a broad range of leadership, business and professional experience to the Board and actively participate in Board discussions. The Board believes that having a non-executive chairman and a Board comprised almost entirely of independent, non-employee directors best serves the interests of our shareholders and the Company.

Board Meetings and Attendance

During 2011, the Board met on nine occasions. Each director attended at least 75% of the aggregate of the meetings of the Board and Board committees on which he served. The independent directors regularly meet in executive session without the chief executive officer or any other member of management. The non-executive chairman presides at such executive sessions.

In addition, CNO has a policy that all directors attend the annual meeting of shareholders. All of our directors attended the annual meeting of shareholders held in 2011.

Director Independence

The Board annually determines the independence of directors based on a review by the directors. Although the Board has not adopted categorical standards of materiality for independence purposes, no director is considered independent unless the Board has determined that he or she has no material relationship

with CNO, either directly or as an officer, shareholder or partner of an organization that has a material relationship with CNO. Material relationships can include commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, among others. The Board considers the New York Stock Exchange guidelines in making its determination regarding independence and the materiality of any relationships with CNO. Under the New York Stock Exchange corporate governance standards, a director is not independent if he or she has been an employee or executive officer of the Company within the last three years. The Board has determined that all current directors other than Mr. Bonach are independent.

Board's Role in Risk Oversight

Enterprise risk management is integral to our business. The Board is responsible for overseeing the Company's risk profile and management's processes for managing risk. The oversight of certain risks, including those relating to the Company's capital structure and capital management is done by the full Board. The Board has delegated primary responsibility for many aspects of the Board's risk oversight to the Audit and Enterprise Risk Committee. The Audit and Enterprise Risk Committee receives reports at its meetings and oversees management's processes for managing enterprise risk, including the risk management process associated with financial controls, insurance reserves, legal, regulatory and compliance risks, and the overall risk management structure, process and function. Other Board committees oversee risk management related to specific functions. The Investment Committee oversees investment and asset-liability management risk. The Human Resources and Compensation Committee oversees risks associated with our compensation programs so that incentives are not provided for inappropriate risk taking, as further discussed below.

Our leadership strongly supports an active and engaged risk management process. CNO has established an enterprise risk management committee comprised of senior management from business units and functions throughout the Company. This enterprise risk management committee meets at least once each quarter and is co-chaired by the chief executive officer and the chief financial officer. The Company has a vice president who is responsible for the coordination of enterprise risk management activities. Reports on different aspects of the Company's enterprise risk management are provided to the Board, to the Audit and Enterprise Risk Committee and to other Board committees, as appropriate, on a regular basis.

As part of its risk oversight responsibilities, the Board and its committees review policies and processes that senior management uses to manage the Company's risk exposure. In doing so, the Board and its committees review the Company's overall risk function and senior management's establishment of appropriate systems and processes for managing insurance risk, interest rate and asset-liability management risk, credit and counterparty risk, liquidity risk, operational risk and reputational risk.

Relationship of Compensation Policies and Practices to Risk Management

The Human Resources and Compensation Committee has reviewed our compensation programs and believes that they carefully balance risks and rewards and do not incentivize inappropriate risk taking. Our incentive plans include multiple performance measures, most of which are financial in nature, and are designed to hold employees accountable for sustained improvement in the core operating performance of the Company. We structure our pay to include both fixed and variable compensation and our variable compensation is capped at no more than two times the target opportunities. In addition, our officers' compensation aligns them with shareholder interests through equity-based awards with multiple year vesting.

Approval of Related Party Transactions

Transactions and agreements with related persons (directors, director nominees and executive officers or members of their immediate families, or shareholders owning five percent or more of the Company's outstanding stock) that meet the minimum threshold for disclosure in the proxy statement under applicable SEC rules (generally transactions involving amounts exceeding \$120,000 in which a related person has a

13

direct or indirect material interest) must be approved by the Board or a committee comprised solely of independent directors. In considering the transaction or agreement, the Board or committee will consider all relevant factors including the business reason for the transaction, available alternatives on comparable terms, actual or apparent conflicts of interest and the overall fairness of the transaction to the Company. Any proposed transactions that might be considered a related person transaction are to be raised with the chairman of the Board or the chairman of the Governance and Strategy Committee. They will jointly determine whether the proposed transaction should be considered by the full Board (recusing any directors with conflicts) or by a Board committee of independent directors. Related person transactions are to be approved in advance whenever practicable, but if not approved in advance are to be ratified (if the Board or committee considers it appropriate to do so) as soon as practicable after the transaction.

Various Company policies and procedures, including the Code of Business Conduct and Ethics and annual questionnaires completed by all company directors, officers and employees, require disclosure of transactions or relationships that may constitute conflicts of interest or otherwise require disclosure under applicable SEC rules. Any related person transactions that are identified under these additional policies and procedures are to be considered under the process described above.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all officers, directors and employees regarding their obligations in the conduct of the Company's affairs. A copy of the Code of Business Conduct and Ethics is available on our website at www.CNOinc.com. Within the time period specified, and to the extent required, by the SEC and the New York Stock Exchange, we will post on our website any amendment to our Code of Business Conduct and Ethics and any waiver applicable to our principal executive officer, principal financial officer or principal accounting officer (there have been no such waivers).

Corporate Governance Guidelines

CNO is committed to best practices in corporate governance. Upon the recommendation of the Governance and Strategy Committee, the Company adopted a set of Board Governance Operating Guidelines. A copy of the CNO Board Governance Operating Guidelines is available on our website at www.CNOinc.com.

Director Stock Ownership Guidelines

The Board has adopted guidelines regarding ownership of CNO common stock by the directors. These guidelines provide for each director to own shares of common stock with a value of at least three times their annual base cash compensation, and directors are given five years from the date of their initial election to reach that level of ownership. Based on the current base cash compensation for directors of \$75,000 per year, the ownership guidelines call for each director to own shares with a value of at least \$225,000. As of March 12, 2012, all directors who have served on the Board for at least five years met these stock ownership guidelines.

Succession Planning

The Board is actively involved with the Company's talent management process. Annually, the Board reviews the Company's leadership team, which includes a detailed discussion of succession plans for the chief executive officer and other members of executive and senior management. In addition, the Board regularly discusses the Company's plans for talent development, with a focus on high potential individuals who are in the position to make the most significant contributions to the Company and to serve as its future leaders.

Communications with Directors

Shareholders and other interested parties wishing to communicate directly with the Board or any one or more individual members (including the chairman of the Board or the non-management directors as a group) are welcome to do so by writing to the CNO Corporate Secretary, 11825 North Pennsylvania Street, Carmel,

14

Indiana, 46032. The Corporate Secretary will forward any communications to the director or directors specified by the shareholder or other interested party.

Compensation Committee Interlocks and Insider Participation

During 2011, directors who served on the Human Resources and Compensation Committee included the current members (Messrs. Turner, Sievert and Tokarz), Ms. James and Ms. Perry. None of the members of the Human Resources and Compensation Committee during 2011 is or has been one of our officers or employees. None of our executive officers serves, or served during 2011, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board or Human Resources and Compensation Committee.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Executive Summary

CNO Financial Group, Inc. is a Fortune 1000 insurance holding company, with more than \$4 billion in annual revenues. CNO's insurance companies are leading providers of supplemental health insurance, life insurance and annuities to working American families and seniors.

Edgar Filing: CNO Financial Group, Inc. - Form DEF 14A

CNO delivered very positive financial results in 2011. Net operating income* was up 19% over the previous year, driven in part by increases in our Bankers Life and Other CNO Business segments. The consolidated statutory risk-based capital ratio of our insurance subsidiaries increased 26 percentage points to 358%, and book value per common share, excluding accumulated other comprehensive income (loss),* increased to \$18.26 from \$16.28. Our results were achieved despite several external factors and internal factors impacting our ability to deliver on our performance goals. In 2011, the capital markets experienced low interest rates, and this is a trend that may continue for the near- and intermediate-term. Like other insurance companies, our financial performance is impacted by low-interest rates. Sustained low rates impact investment income, new sales of annuities, and assessments of reserve adequacy. In terms of our balance sheet, in 2011 we pre-paid \$50 million of our senior secured credit agreement, amended our senior secured credit agreement to allow for more flexibility and a reduced rate, and began buying back stock under a \$100 million share repurchase plan.

Organizational changes impacted the compensation of three of our Named Executive Officers in 2011. Our Chief Executive Officer, James Prieur, retired in 2011, and Edward Bonach, who had served as our Chief Financial Officer since 2007, became CEO on October 1. Scott Perry, President of Bankers Life, was promoted to the additional position of Chief Operating Officer in July. The next sections address the compensation of the Named Executive Officers other than Mr. Prieur, whose 2011 compensation is addressed in a separate section.

Our mission is to be a premier provider of life insurance, supplemental health products and annuities to America's middle-income consumers with a focus on the retirement ages, while providing value to our shareholders. We believe that our focus on middle-income families and retirees will position us favorably to capitalize on the future growth in these markets. We believe we can accomplish this mission through the effective execution of the following strategies:

remain focused on the needs of our retirement age and middle income market customers;

expand and improve the efficiency of our distribution channels;

seek profitable growth;

pursue operational efficiencies and cost reduction opportunities;

continue to manage and where possible reduce the risk profile of our business;

effectively deploy excess capital; and

develop and incentivize our management team to ensure that we retain the executive talent needed to achieve our strategic objectives.

We highlight below a number of key actions and decisions with respect to our executive compensation programs taken in 2011 to support our compensation objectives.

* For a definition of net operating income and for reconciliations of this measure to the corresponding measure under generally accepted accounting principles (GAAP), see Information Related to Certain Non-GAAP Financial Measures on page 54 of this Proxy Statement.

Summary of Key Actions, Decisions and Results in 2011

Utilized a one-time restricted stock grant for retention of key executive talent: Three of the Named Executive Officers were awarded a special restricted stock grant to retain critical skills.

Edgar Filing: CNO Financial Group, Inc. - Form DEF 14A

Resumed merit (base salary) increases for the majority of officers (vice president level and above), including the Named Executive Officers: Reflecting general market trends, the Human Resources and Compensation Committee (the Committee) decided to award base salary increases to three of the five Named Executive Officers in 2011.

Reintroduced Operating ROE as a metric for the Washington National (WN) business segment for Annual Cash Incentive Plan. This action followed our decision in 2010 to split the former Conesco Insurance Group segment into Washington National, a growing business which markets and distributes supplemental health and life insurance products, and Other CNO Business, which is comprised primarily of products we no longer sell actively.

Continued to include a mix of stock options, performance shares and restricted stock: Prior to 2010, our annual equity grant consisted of stock options and performance shares (P-Shares). Beginning with the 2010 equity grant, we provided restricted shares in addition to stock options and P-Shares. The addition of restricted shares in the annual equity grant was intended to promote retention and to balance the mix of our equity vehicles; however, the performance-related vehicles (stock options and P-Shares) still constitute a majority of the annual equity grant.

Chief Financial Officer appointed Chief Executive Officer: Mr. Bonach was appointed CEO, effective October 1, 2011. He received commensurate adjustments to his base pay and annual incentive target and maximum opportunities, which were prorated for the months served as CEO. Additional information can be found in the Compensation of Chief Executive Officer on page 30.

Created Chief Operating Officer position: Mr. Perry, President of Bankers Life, was promoted to the additional role of Chief Operating Officer, effective July 6, 2011. He received a base pay increase commensurate with the expanded scope of the position and the term of his employment agreement was extended for three years.

Changed the treatment upon retirement for the annual incentive program (Pay for Performance or P4P) and LTI program consistent with competitive compensation practices: We changed the treatment of equity and P4P awards upon retirement to provide for continued vesting of equity awards and pro rata payment of P4P awards for those who voluntarily terminate their employment on or after age 62 years (or age 60 with 10 years of employment with CNO).

Strong 2011 P4P results: Driven by strong financial results of the Company and our operating segments, including a 17% increase in net operating income per diluted share, P4P payouts ranged from 121% to 172% of target for the Named Executive Officers.

2009-2011 P-Shares not earned: At the end of the performance period (December 31, 2011), the performance goals for the 2009-2011 P-Share grant were not achieved. Accordingly, no P-Shares vested from this grant.

These key actions, decisions and results delivered the following compensation for our Named Executive Officers in 2011:

Summary of Compensation Governance Practices

The Committee strives to maintain good governance standards in our compensation practices. They include:

Implemented Stock Ownership Guidelines: In May 2011, the Committee approved stock ownership guidelines for the Chief Executive Officer and the senior executive officers who report to him.

No significant perquisites offered: Our executives participate in broad-based Company-sponsored benefits programs on the same basis as other full-time associates.

Change in control agreements are governed by double trigger arrangements: All employment agreements and equity award agreements for Named Executive Officers and other senior executives require a termination of employment in addition to a change in control of the Company before change in control benefits are triggered.

No Supplemental Executive Retirement Programs (SERPs) offered: We do not offer SERPs to our current executives.

Independence of executive compensation consultant: The executive compensation advisor to the Committee continues to meet the SEC's requirements for independence. Aon Hewitt does not provide any compensation-related services to management and had no prior relationship with our Chief Executive Officer or other Named Executive Officers.

Independence of Committee Members: All Committee members are independent.

Percent of Variable and Performance-Based Pay: Variable pay comprises between 68% and 75% of Total Direct Compensation (as described below) for our Named Executive Officers, with the majority of variable pay coming in long-term incentives.

Continued to utilize a Governor in the Annual Incentive Plan: In 2011, we continued a policy adopted in 2009 which limits P4P payments on non-income-related metrics when we do not achieve overall threshold operating earnings.

Strong Clawback Rights: Our P4P and LTI plans have clawback provisions that include recapture rights of any incentive amount paid or vested in the event that the Committee determines that the achievement of performance goals was based on incorrect data.

Assessing level of risk: The Committee annually assesses the level of risk associated with our incentive plans.

Ongoing succession planning: The Committee regularly engages throughout the year in in-depth discussions regarding succession planning and talent development of our executives.

Philosophy, Objectives and Role of Human Resources and Compensation Committee

Philosophy

The Committee, which is comprised solely of independent, non-employee Directors, has developed a philosophy and a comprehensive compensation and benefits strategy to reward overall and individual performance that drives long-term success for our shareholders.

Our compensation philosophy consists of the following guiding principles:

Pay for Performance: Rewards will vary based on company, business segment and individual performance.

Target Total Rewards Position: The overall rewards will be competitive by targeting compensation at approximately the median of the relevant comparator group with additional compensation for achieving superior performance.

Relevant Comparator Group: We will utilize a relevant comparator group of companies in the insurance/financial services industry and general industry where appropriate, taking both asset size and revenue into consideration, which includes the best available data for comparison with our peers and companies with which we compete for executive talent.

Pay for Performance Objectives

The Committee strives to provide a clear reward program that allows us to attract, incentivize and retain seasoned executive talent with the significant industry experience required to continue to improve our performance and build long-term shareholder value. To achieve this, our programs are designed to:

Reward sustainable operational and productivity improvements. This means that (1) we set performance goals under our P4P plan at targeted performance levels for key financial metrics and (2) we set multi-year performance goals for our P-Share (performance share) awards;

Align the interests of our executives with those of our shareholders by rewarding shareholder value creation;

Integrate with the Company-wide annual performance management program of goal setting and formal evaluation;

Provide for discretion to make adjustments and modifications based upon how well individual associates meet our performance standards for expected achievement of business results, as well as uphold our values and critical behaviors; and

19

Offer the opportunity to earn above-market compensation when overall and individual performances exceed expectations.

Target Total Rewards and Selection of the Comparator Groups

In setting target executive compensation opportunities, our Committee looks at Total Annual Cash (which is comprised of base salary and target cash incentives) and Total Direct Compensation (which is the sum of Total Annual Cash and long-term incentives). Our long-term incentives may include annual stock option awards as well as restricted shares and P-Share awards. The Committee intends to compensate our executives at approximately the 50th percentile (meaning within a range of +/- 15% of the 50th percentile dollar value) for total compensation, for the achievement of target performance, with additional compensation opportunities for the achievement of superior results.

The Committee assesses competitive market compensation annually using a number of sources. Historically, the Company has used the suite of surveys from Towers Watson and compared our executives to the Insurance/Financial Services Industry participants with assets between \$15 \$60 Billion, the General Industry participants with revenues between \$2 \$8 Billion and the Life Office Management Associate (LOMA) Executive Survey participants. We continued to use these surveys in 2011. In addition, in determining the compensation for the new CEO and COO, at the recommendation of the independent compensation consultant, the Committee elected to begin reviewing targeted proxy data from a select group

Edgar Filing: CNO Financial Group, Inc. - Form DEF 14A

of peer companies identified below for the Named Executive Officers and also comparing our other executives to the Diversified Insurance Study published by Towers Watson. Both of these sources provide a much more focused analysis of very specific industry peers with whom the Company competes for talent. We will continue to use our peer companies for the Named Executive Officers as the relevant comparator group and all other executives will be compared to the Towers Watson Diversified Industry Study in 2012.

Although aggregate pay levels are generally consistent with our compensation philosophy, it is possible that pay levels for specific individuals may be above or below the targeted competitive benchmark levels based on a number of factors, including each individual's role and responsibilities within our Company, the individual's experience and expertise, the pay levels for peers within the Company, and the pay levels for similar job functions in the marketplace. The Committee is responsible for approving all compensation programs for our senior executive officers. In determining executive compensation, the Committee considers all forms of compensation and benefits, and uses appropriate tools such as tally sheets and market studies to review the value delivered to each executive through each component of compensation.

Tally sheets provide a vehicle for the Committee to examine external market practices and compare them to our internal evaluations and decisions. Our tally sheets capture and report:

Competitive external market data on a base salary, Total Annual Cash and Total Direct Compensation basis;

Individual Total Annual Cash compensation including annual salary, target bonus opportunity, and actual bonus paid;

20

Long-term equity grants and their vesting status and value at a hypothetically established share price; and

Employment agreement terms and conditions.

Competitive market data is used as a reference point, and we avoid automatic adjustments based on annual competitive benchmarking data, since we believe a given executive's compensation should also reflect Company-specific factors such as the relative importance of the role within the organization, the compensation for other positions at the same level, and individual factors such as experience, expertise, and individual performance.

In addition to the objective review of external factors, the Committee also considers internal equity among colleagues when determining executive compensation levels. This means that, although the Committee examines competitive pay data for specific positions, market data is not the sole factor considered in setting pay levels. The Committee also considers factors such as our organizational structure and the relative roles and responsibilities of individuals within that structure. The Committee believes that this approach fosters an environment of cooperation among executives that improves sales growth, profitability and customer satisfaction.

Realized total compensation in any year may be significantly above or below the target compensation levels depending on whether our incentive goals were attained and whether shareholder value was created. In some cases, the amount and structure of compensation results from negotiations with executives at the time they were hired, which may reflect competitive pressures to attract and hire quality executive talent in the insurance industry. To help attract and retain such talent, the Committee also seeks to provide a level of benefits in line with those of comparable publicly traded companies without matching such benefits item by item.

Role of the Human Resources and Compensation Committee

The Committee determines the components and amount of compensation for our executive officers and provides overall guidance for our employee compensation policies and programs. In addition, the Committee actively monitors our executive development and succession planning activities related to our senior executives and other members of management. Currently, there are three members of our Board of Directors who sit on the Committee, each of whom is an independent director under the New York Stock Exchange listing requirements, the exchange upon which our stock trades. From time to time, other Board members may also participate in the Committee's meetings. The full Board of Directors receives regular reports of Committee deliberations and decisions and, at least once annually, the full Board reviews the Committee's written evaluation of the Chief Executive Officer's performance evaluation and compensation. The Committee's functions are more fully described in its charter, which can be found on our website at www.CNOinc.com.

In making executive compensation decisions, the Committee receives advice from its independent compensation consultant, Aon Hewitt. As an independent consultant, any services performed by Aon Hewitt for our Company are at the Committee's direction. Aon Hewitt did not have a prior relationship with the Chief Executive Officer or any of our executive officers at the time the Committee initially engaged Aon Hewitt in October 2008. Other than its services to the Committee, Aon Hewitt does not provide any other compensation-related services to our management.

Although Aon Hewitt is retained directly by the Committee, Aon Hewitt personnel interact with our executive officers as needed, specifically the Chief Executive Officer, Executive Vice President of Human Resources, Executive Vice President and General Counsel, and Chief Financial Officer, and their staffs to provide the Committee with relevant compensation and performance data for our executives and the Company. In addition, Aon Hewitt personnel may interact with management to confirm information, identify data questions, and/or exchange ideas.

As requested by the Committee, Aon Hewitt's services to the Committee in 2011 included:

Providing competitive analysis of total compensation components for our senior executive officers, including our Named Executive Officers;

21

Researching competitive and emerging compensation practices;

Attending Committee meetings, in person and telephonically;

Reviewing and evaluating changes to the executive compensation philosophy and proposed plan changes; and

Assisting with the assessment of the risk taking incentives of our compensation plans.

In making its decisions, the Committee collects and considers input from multiple sources. The Committee may ask senior executive officers to attend Committee meetings where executive compensation, overall and individual performance are discussed and evaluated. During these meetings, executives provide insight, suggestions or recommendations regarding executive compensation. Deliberations generally occur with input from Aon Hewitt, members of management and other Board members. However, only the members of the Committee make decisions regarding executive compensation. In the case of Chief Executive Officer compensation, these decisions are submitted to the full Board for its review and approval.

The Compensation Committee reviewed the results of the shareholder vote on the Say on Pay proposal from the 2011 Annual Meeting, at which approximately 89% of the votes cast were for approval of the Company's 2010 executive compensation as described last year's proxy statement. After consideration of the positive voting results and its discussion with Aon Hewitt, the Committee determined that its approach to compensation is balanced and effective and made no fundamental changes to the program for fiscal year 2011.

Compensation Components

Our compensation program is composed of the following components:

Base salary;

Annual cash incentives (P4P);

Long-term equity incentives (stock options, P-Shares and restricted shares); and

Benefits.

Table 1 summarizes information about the target level of 2011 Total Annual Cash (TAC) and Total Direct Compensation (TDC) for our Named Executive Officers. This table differs from the Summary Compensation Table on page 35 in that values generally represent target amounts and equity grants which are part of our normal long-term incentive program for 2011 only. Further discussion about these compensation components can be found later in this section. Each component is discussed with a brief description of the strategy, plan design and plan performance. This table does not reflect the grant date fair values of the special retention restricted share awards granted in 2011, details of which can be found in the Special Retention Awards section below.

Compensation Mix

In delivering compensation to our Named Executive Officers, the mix of pay is heavily weighted to variable, performance-based pay (currently between 68% and 75% of TDC, with the majority of variable pay coming in long-term incentives) with base salary comprising a relatively small portion of TDC (between 25% and 32%) for the Named Executive Officers. The focus of the pay mix on variable pay elements continues to support our objectives of pay for performance and shareholder value creation.

Base Salaries

Strategy

In establishing base salaries, the Committee begins by targeting the 50th percentile of the competitive market and adjusts upwards or downwards as appropriate to reflect each position's responsibilities and each individual's experience level, unique skills or competencies. Base salaries generally range from the 25th

percentile (for recently promoted employees or those who otherwise lack experience) to the 75th percentile (for high performers with significant industry experience) of the competitive market data. Annual reviews of executives' base salaries consider numerous factors, including:

Job responsibilities;

Impact on the development and achievement of our strategic initiatives;

Competitive labor market pressures;

Company performance for the prior 12 months;

Individual performance for the prior 12 months, as expressed in the executive's performance review; and

Salaries paid for comparable positions within our relevant comparator group.

No specific weighting of these factors is used. However, given our desire for a performance-based culture, the Committee's use of discretion generally results in increases for our top performers and little or no increases in base salary for average or lower performing employees.

2011 Merit Increases

Based on Company performance, a review of general trends, and an analysis of positioning relative to the comparator market data the Committee awarded cash base salary increases to three of the Named Executive Officers in addition to most of the other executives in February 2011. Mr. Bonach received an increase of 7.8%, Mr. Perry received an increase of 7.6% and Mr. Stecher received an increase of 3.2% due to their respective individual performances and contributions and the market data for their respective positions.

Edgar Filing: CNO Financial Group, Inc. - Form DEF 14A

The Board appointed Mr. Perry to the position of Chief Operating Officer of the Company in addition to his role as President of Bankers Life. On August 16, 2011, the Committee approved an increase to Mr. Perry's base annual salary from \$475,000 to \$525,000 effective July 6, 2011, the date of his appointment. No equity grants were awarded for his appointment to Chief Operating Officer.

The Board appointed Mr. Bonach to the position of Chief Executive Officer effective October 1, 2011 and increased his base annual salary from \$550,000 to \$800,000. Further discussion on the increase is included under Compensation of the Chief Executive Officer on page 31.

Annual Cash Incentives

Strategy

Our annual incentive plan, the Pay for Performance Plan (P4P), is designed to focus on and reward achievement of annual performance goals. It is the broadest of our management incentive programs, covering our Named Executive Officers and other key employees. All participants in the P4P plan, including our Named Executive Officers, are assigned target incentive opportunities expressed as a percentage of base salary.

2011 Pay for Performance (P4P) Plan Design

During February 2011, the Committee reviewed the P4P plan design for 2011 in order to ensure alignment between shareholder and participant interests, to keep senior executives focused on the financial performance of the enterprise, to improve alignment with financial metrics that participants influence and to select operational/business metrics that drive financial success. This review was accomplished by focusing on the selection of appropriate performance metrics and the determination of performance levels which would contribute to financial success. As a result of this review, most performance metrics and weightings remained the same, except that Operating Return on Equity for the Washington National business segment (Earnings Before Interest and Taxes less Washington National's proportional share of corporate expense and interest on

24

debt, after tax) was reintroduced. Additional metrics which continued to be part of 2011 incentive plans applicable to Named Executive Officers include:

Operating Earnings Per Share (EPS), defined as net operating income, after taxes and preferred stock dividends but excluding the impact of realized gains/losses, divided by the diluted average number of shares outstanding. The Committee believes Operating EPS is a key measure of our operating performance, is less impacted by the volatility of the market and is directly impacted by management during the calendar year.

Combined and Business Segment Earnings Before Interest and Taxes (EBIT), where Combined EBIT is a corporate roll-up of individual business segment EBIT. In the Committee's view, this metric enhances line of sight for our operating management and increases their focus on improving the longer-term core profitability of our operations.

Combined and Business Segment Value of New Business (VNB), which calculates the present value of expected profits from product sales. The selection of VNB is based on the Committee's desire to have an increased focus on growing the economic value of sales from the most profitable products as opposed to top-line sales.

Combined Operating Expense, which is the total amount of expense incurred to operate the business excluding claims costs and benefits paid to policyholders. The selection of this metric represents the Committee's belief that managing operating expenses contributes to our long-term profitability and operating efficiency.

Business Segment Operating ROE, which is net operating income (EBIT less each segment's proportional share of corporate expenses and interest on debt, after tax) divided by GAAP Equity. This metric represents the Committee's desire to encourage efficient use of capital at the business segment level.

GAAP Yield, which is period investment income (net of expenses), divided by average invested assets for the same period.

GAAP Investment Income, which is the income earned on general account invested assets, net of expenses.

Limiting the number of metrics to no more than four for any individual participant enhances the simplicity and effectiveness of the P4P plan. The program is designed to pay additional compensation when the Company achieves superior performance.

Our plan design rewards a threshold level of financial performance which corresponds to 25% of target payout; target level of performance which provides 100% of target payout; and a maximum level of performance and payout of 200% of target. Any payout between these financial performance goals is determined through straight line interpolation between the appropriate levels of performance. Consistent with our compensation philosophy, target annual incentive levels are established to generate Total Annual Cash compensation at competitive market median levels. Further, in 2011, we continued a policy that the threshold level of performance for combined EBIT must be achieved before there can be any above-target payouts with respect to other financial and operational metrics. This policy limits incentive payments on non-income-related metrics when threshold operating earnings are not achieved by the enterprise.

Although we have a large net operating loss carry-forward (as a result of our emergence from bankruptcy in 2003), the Committee continues to administer the P4P and long-term incentive plans so that payments qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code. However, the Committee does reserve the right to make discretionary awards that do not qualify as performance-based compensation under Section 162(m) to the extent it deems it necessary or advisable to do so.

Change to Treatment of Retirement

Based on the independent consultant review of competitive compensation practices, effective September 30, 2011 the Committee approved changes to the treatment of P4P awards upon retirement. For this purpose, Retirement means voluntary termination of employment after achieving either (a) 62 years of age or (b) 60 years of age with at least 10 years of employment with the Company. Those who voluntarily terminate under these conditions after September 30, 2011, will receive a pro rata portion of any pay for performance award (based on the number of days from the beginning of the performance period until the date of Retirement divided by the total number of days in the performance period) and, to the extent the performance criteria are met, such pro rata amount will be paid at the same time as others receive payments under such P4P award. Prior to the approved change, there were no pro rata payments for any pay for performance award upon retirement. We believe that this new policy will help attract mid-career hires and makes the treatment of compensation at retirement more competitive with peer companies.

Long-Term Equity Incentives

Design and Strategy

The Committee uses long-term equity incentives to balance the short-term focus of the P4P program by tying rewards to performance achieved over multi-year periods. Under the Amended and Restated Long-Term Incentive Plan, the Committee may grant a variety of long-term incentive awards, including stock options, stock appreciation rights, restricted stock or restricted stock units, and performance shares or units, settled in cash or stock. We use stock options, performance shares, and restricted shares as our long-term compensation vehicles.

To focus executives’ efforts on longer-term results, we have historically granted awards of stock options that generally vest over three years, performance shares that vest at the end of a three-year period, and restricted stock awards that vest after no less than two years. Recent stock option grants vest in equal installments in the second and third years from the anniversary date of grant, and performance shares are measured over a three-year performance period at which time they will vest only if the financial goals have been achieved. Unless otherwise noted, grants to our Named Executive Officers have vesting schedules identical to those for other executives. To vest in long-term equity incentive awards, employees must generally continue to work for us through the vesting dates or satisfy the definition of Retirement adopted in 2011.

Our current granting process involves developing long-term incentive grant values (by position level) for groups of executives, including our Named Executive Officers. Within these general grant guidelines, individual awards may be adjusted up or down to reflect the performance of the executive and his or her potential to contribute to the success of our initiatives to create shareholder value, as well as other individual considerations. The Committee also assesses aggregate share usage and dilution levels in comparison to general industry norms. Through this method, the Committee believes it is mindful of total cost, grants awards that are competitive within the market, promotes internal equity and reinforces our philosophy of pay for performance.

The Committee reviews and approves individual grants for the Named Executive Officers as well as all stock option, performance share (P-Share) and restricted share (R-Share) grants made to other executives under the purview of the Committee. Annual grants for all officers are reviewed and approved at the Committee’s scheduled meeting at approximately the same time each year and may be granted only with an exercise price at or above the closing market price of our common stock on the date of grant (Fair Market Value). Interim or off-cycle grants are

reviewed and approved by the Committee and granted at the closing market price of our common stock on the date of approval for executives under the purview of the Committee. The Chief Executive Officer has been authorized by the Committee to utilize a designated number of shares each year to grant equity awards to non-Section 16 executives to reward, motivate and/or retain such employees, as deemed necessary by the CEO. Such awards are periodically reviewed by the Committee.

In past years, we delivered stock option grants to approximate the 50th percentile of the relevant comparator group and P-Shares, if earned, to approximate the 75th percentile of the relevant comparator group. In 2011, as in 2010, the Committee decided that Total Direct Compensation, comprised of base salary, target annual cash incentives and target long-term equity incentive awards, should approximate the median of our relevant comparator group.

Change to Treatment of Retirement

Based on the independent consultant review of competitive compensation practices, effective September 30, 2011 the Compensation Committee approved changes to the treatment upon retirement of stock options, restricted stock and performance share awards made under the LTI Plan. For this purpose, Retirement means voluntary termination of employment after achieving either (a) 62 years of age or (b) 60 years of age with at least 10 years of employment with the Company. The awards outstanding under the LTIP Plan will be treated as follows upon an individual's Retirement:

the stock options granted which remain outstanding at the date of Retirement will continue to vest on the dates included in the award agreements relating to the options and for each such option award the recipient may exercise the options until the earlier of (x) the expiration date for such options or (y) five years after the date of Retirement;

any unvested restricted stock granted will continue to vest after Retirement on the same vesting schedule as if the employee had remained employed; and

a pro rata portion of any performance shares granted will vest (based on the number of days from the beginning of the performance period until the date of Retirement divided by the total number of days in the performance period) and, to the extent the performance criteria are met, such pro rata portion shall be paid at the same time as others receive payments under such performance share award.

Prior to this change, all vesting ceased on the date of retirement for outstanding equity grants, and vested stock options continued to be exercisable for 90 days after termination date.

Equity Grants in 2011

The Committee established the annual target for all long-term equity incentive grants based on competitive market data. The approach was intended to deliver median Total Direct Compensation using a combination of stock options, P-Shares and R-Shares. In 2011, the Committee reinstated its practice of using a 15-day average of our stock price to calculate the number of shares granted to each executive. We continued to use a Black-Scholes valuation model as in previous years to determine option values.

In 2011, we delivered mix of stock options (50%), P-Shares (25%) and R-Shares (25%). This mix was designed to address retention concerns and balance the mix of equity vehicles used, although the performance elements (stock options and P-Shares) make up the majority of total long-term equity incentives. The P-Shares awarded in 2011 vest based on our average Pre-Tax Operating Income (as defined below) over the course of the three-year performance period ending December 31, 2013 and have up-side opportunity of 150% of the target award.

Table 6 shows the annual equity awards granted to our Named Executive Officers in 2011 (excluding the special equity retention awards).

Long-Term Incentive Program Performance for Awards Granted in 2009, 2010 and 2011

2009 2011 P-Share Performance

P-Share vesting for the 2009 2011 grant was based on the achievement of one-year Operating Return on Equity in year three (2011) of the performance period. We believed that increased Operating Return on Equity was a good measure of fundamental operating improvement in our Company that would drive shareholder value. For the 2009 2011 grant, we intended to deliver compensation at the 50th percentile of the relevant comparator group. At the end of the performance period (December 31, 2011), the performance goal indicated above was not achieved. Accordingly, no P-Shares vested from this grant.

2010 2012 and 2011 2013 P-Share Performance Metrics and Targets

P-Share vesting for the 2010 2012 and 2011 2013 grants is based on three year averages of Pre-Tax Operating Income, \$270.0 million and \$315.7 million at target, respectively. Both grants are tracking towards an above target payout.

Table 7 shows the opportunities for Named Executive Officers related to P-Share vesting, depending on the level of performance achieved in relation to the associated grant metrics.

Special Retention Awards

In January 2011 a special equity retention grant of restricted shares was awarded to Mr. Bonach, Chief Financial Officer at the time, Mr. Perry, President Bankers Life at the time, and Mr. Stecher, President Washington National. The vesting of the restricted shares is subject to their continued employment with one-half of the restrictions lapsing in December 2012 and the remaining one-half lapsing in December 2013. These awards were made to recognize Mr. Bonach's, Mr. Perry's, and Mr. Stecher's individual performance, critical skill set, and leadership, and to ensure continued employment through critical milestones.

Table 8 sets forth these special restricted share awards made to Named Executive Officers in 2011.

Other Benefits

Our Named Executive Officers are eligible to participate in all of the broad-based Company-sponsored benefits programs on the same basis as other full-time employees. These include our health and welfare benefits, such as our medical/dental plans, disability plans and life insurance. We do not offer any supplemental executive health and welfare programs. Executives may also participate in our 401(k) Plan. The Company also has a non-qualified deferred compensation plan. This plan is primarily intended as a restoration plan, giving participants the ability to defer their own compensation above the Internal Revenue Service limits imposed on the 401(k) Plan. At present, we do not make regular contributions to the non-qualified deferred compensation plan in addition to the amounts contributed by our executives.

Compensation of the Chief Executive Officer

Effective October 1, 2011, Mr. Bonach was appointed Chief Executive Officer and retained the responsibilities of the Chief Financial Officer while the Company underwent a search for a new Chief Financial Officer. Mr. Bonach continued to be the Chief Financial Officer until January 23, 2012.

As Chief Executive Officer, Mr. Bonach's total compensation components were determined in accordance with the compensation philosophy described above, including the policy of targeting our compensation within our competitive market. In setting his salary, target incentive and equity compensation, the Committee relied on market competitive pay data and the strong belief that the Chief Executive Officer significantly and directly influences our overall performance.

On August 17, 2011, the Board approved the following changes to the employment agreement with Mr. Bonach in connection with his promotion to Chief Executive Officer:

An increase in his annual base salary from \$550,000 to \$800,000 effective October 1, 2011;

An increase under the Company's pay for performance plan of his target and maximum bonuses to 125% and 250%, respectively, of his annual salary, effective October 1, 2011 (through September 30, 2011, his target bonus was 100% of his annual salary and his maximum bonus was 200% of his annual salary); and

An extension of the expiration date of his employment agreement to October 1, 2014.

An equity grant was not awarded in connection to his appointment to Chief Executive Officer.

Based on the achievement of Operating EPS at \$0.76 per share, Combined EBIT of \$419.4 million, Combined VNB of \$68.0 million and Combined Operating Expense of \$595.1 million for the year ended December 31, 2011, Mr. Bonach's P4P payment for 2011 was \$1,043,276.

Compensation of the Former Chief Executive Officer

Edgar Filing: CNO Financial Group, Inc. - Form DEF 14A

Mr. Prieur's base salary, target incentive, and equity compensation awards for fiscal 2011 were determined in accordance with the compensation philosophy described above, including the policy of targeting our compensation within our competitive market.

In March 2011, based on the competitive placement of his base salary relative to his peers in the market, Mr. Prieur did not receive a base salary increase or change to his target annual incentive opportunity in 2011. Through the delivery of equity, the Committee strengthened the alignment of Mr. Prieur's compensation with the interests of our shareholders.

On July 6, 2011, the Company announced that Mr. Prieur had decided to retire as of September 30, 2011. On August 17, 2011, the Board approved the following items relating to his retirement:

Mr. Prieur was entitled to receive a pro rata portion (through the date of his retirement) of his pay for performance bonus based on the Company's results for the year ending December 31, 2011 under previously established performance measures;

Based on the achievement of Operating EPS at \$0.76 per share, Combined EBIT of \$419.4 million, Combined VNB of \$68.0 million and Combined Operating Expense of \$595.1 million for the year ending December 31, 2011, Mr. Prieur's prorated incentive payment for 2011 was \$1,335,568.

The shares of restricted stock previously awarded to Mr. Prieur and scheduled to vest in 2012 vested on September 30, 2011 (a total of 74,559 shares). The shares of restricted stock scheduled to vest in 2013 and subsequent years were cancelled.

In addition, all of the P-Shares grants were cancelled upon Mr. Prieur's retirement.

Additional Information

Stock Ownership Guidelines

After a comprehensive review of peer companies, the Committee adopted Stock Ownership Guidelines for our Chief Executive Officer and the executives who report to him in May 2011. The Guidelines align management's interests with those of our shareholders and provides a continuing incentive for management to focus on long-term growth. The individuals covered by the guidelines have until the fifth anniversary of their adoption (or the fifth anniversary of the date of the executive's appointment to the covered position, whichever is later) to meet those guidelines and until such time as the individual meets the guidelines he or she shall retain ownership of not less than one-half of the net shares of common stock received, after payment of

32

applicable taxes, upon the vesting or exercise, as applicable, of any equity award under the company's Long-Term Incentive Plan or any other similar plan adopted by the Company.

The guidelines are as follows: for the CEO, five times the base salary; for President/EVP, two times the base salary; and for select SVPs, one times the base salary.

The Committee will review adherence to the guidelines each year.

Clawback Rights

Our Amended and Restated Long-Term Incentive Plan contains a clawback provision relating to our long-term equity awards: stock options, P-Shares and restricted shares. Under this clawback provision, if our financial statements are required to be restated as a result of errors, omissions, or fraud, the Committee may, at its discretion, based on the facts and circumstances surrounding the restatement, direct the recovery of all or a portion of an equity award from one or more executives with respect to any fiscal year in which our financial results are negatively affected by such restatement. To do this, we may pursue various ways to recover awards from one or more executives: (1) seek repayment from the executive; (2) reduce the amount that would otherwise be payable to the executive under another benefit plan; (3) withhold future equity grants, bonus awards, or salary increases; or (4) take any combination of these actions.

Our Pay for Performance (P4P) Plan contains recapture rights of any incentive amount paid or vested in the event that the Committee determines that the achievement of performance goals was based on incorrect data.

Impact of Tax and Accounting on Compensation Decisions

As a general matter, the Committee considers the various tax and accounting implications of our compensation vehicles.

When determining amounts of long-term equity incentive grants to executives and employees, the Committee considers the accounting cost associated with the grants. Under FASB ASC Topic 718, grants of stock options, restricted stock, restricted stock units and other share-based payments result in an accounting charge that is reflected in our financial statements.

Section 162(m) of the Internal Revenue Code generally prohibits any publicly held corporation from taking a federal income tax deduction for compensation paid in excess of \$1 million in any taxable year to the chief executive officer and the next four highest compensated officers. Exceptions are made for qualified performance-based compensation, among other things. It is the Committee's policy to maximize the effectiveness of our executive compensation plans in this regard. However, the Committee believes that compensation and benefits decisions should be primarily driven by the needs of the business, rather than by tax policy. Therefore, the Committee may make pay decisions (such as the determination of the Chief Executive Officer's base salary) that result in compensation expense that is not fully deductible under Section 162(m). Despite our large net operating loss carry-forward (related to our emergence from bankruptcy in 2003), the Committee continues to administer our incentive plans so that payments qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code.

Termination and Change in Control Arrangements

Under the terms of award agreements under our equity-based compensation plans and under our employment agreements, the Named Executive Officers are entitled to payments and benefits upon the occurrence of specified events including termination of employment for various reasons. The specific terms of these arrangements, as well as an estimate of the compensation that would have been payable had they been triggered as of fiscal year-end, are described in the section entitled "Potential Payments Upon Termination or Change in Control" on page 43. The terms of these arrangements were set through the course of employment.

agreement negotiations with each of the Named Executive Officers, with an emphasis on internal consistency. In addition, as part of these negotiations, the Committee also analyzed the terms of the same or similar arrangements for comparable executives employed by companies similar to our own.

The termination of employment provisions of the employment agreements were entered into in order to address competitive concerns when the Named Executive Officers were recruited. Providing those individuals with a fixed amount of compensation offset the potential risk of leaving their prior employer or foregoing other opportunities in order to work for us. At the time of entering into these arrangements, the Committee considered our aggregate potential obligations in the context of the desirability of hiring the individual and the expected compensation upon joining us.

Prohibition against Trading in Derivatives

It violates our policy for any senior personnel to purchase, sell or engage in any other transaction involving any derivative securities or hedging related to any of our equity securities. This prohibition does not, however, apply to any exercise of our stock options pursuant to our Amended and Restated Long-Term Incentive Plan or any other benefit plans that we may adopt from time to time, any sale of our stock in connection with any cashless exercise (if otherwise permitted), or payment of withholding tax upon the exercise, of any such stock option.

Report of the Human Resources and Compensation Committee

- (1) The amount shown in this column is a bonus payment specified by the terms of the individual's employment agreement. Amounts paid under the Company's Pay for Performance Incentive Plan are included in the column Non-Equity Incentive Plan Compensation.
- (2) This column represents the aggregate grant date fair value of restricted stock and performance share awards, in accordance with ASC 718, excluding the impact of estimated forfeitures related to service-based vesting conditions. For restricted stock, fair value is calculated using the closing price of CNO common stock on the date of grant. For additional information, see Note 9 to the CNO financial statements in the Form 10-K for the year ended December 31, 2011, as filed with the SEC. See the Grants of Plan-Based Awards table for information on awards made in 2011. The amounts in this column do not necessarily correspond to the actual value that will be recognized by the Named Executive Officers. The amounts in this column for 2011 include the grant date value of performance share awards based on the targeted amounts for each of the Named Executive Officers. Under the terms of those performance share awards, the officers are entitled to receive 150% of the targeted number of shares if the Company equals or exceeds the maximum levels set forth in those awards. If the maximum levels are achieved for the performance share awards made in 2011, the aggregate grant date value of the awards shown in this column would be as follows: Mr. Prieur, \$0; Mr. Bonach, \$349,812; Mr. Perry, \$305,532; Mr. Johnson, \$305,532; and Mr. Stecher, \$305,532.
- (3) This column represents the aggregate grant date fair value of stock options granted to each of the Named Executive Officers, in accordance with ASC 718, excluding the impact of estimated forfeitures related to service-based vesting conditions. Terms of Equity-Based Awards

Vesting Schedule

Unless otherwise provided in the footnote disclosure to the table of Outstanding Equity Awards at 2011 Fiscal Year-End on pages 40 and 41 of this Proxy Statement, one-half of each option award vests on the second anniversary of the date of grant and the other one-half vests on the third anniversary of the date of grant. Options granted in 2006 and prior years expire ten years from the date of grant; options granted in 2007-2009 expire five years from the date of grant; and options granted in 2010 and subsequent years expire seven years from the date of grant.

Annual awards of restricted stock vest in three equal annual installments beginning one year after the grant. The vesting schedule for special awards of restricted stock is generally over a period of two or three years. For the special retention awards of restricted stock made to Mr. Bonach, Mr. Perry and Mr. Stecher in January 2011, one-half of the award vests in December 2012 and the other one-half vests in December 2013. Performance share awards are measured over a three-year performance period at which time they will vest only if the financial goals have been achieved. Unless otherwise noted, grants to the Named Executive Officers have vesting schedules identical to other officers.

Forfeiture and Post-Employment Treatment

Holders of stock options generally have 90 days after termination of employment to exercise options to the extent they were vested on the date of termination. Unvested restricted stock and performance shares are generally forfeited upon termination of employment except upon retirement. See *Change to Treatment of Retirement* on page 29 for a description of the treatment of equity awards upon retirement.

Option Exercise Price

Options granted under the Company's Amended and Restated Long-Term Incentive Plan have an exercise price equal to the closing price on the date of grant.

Dividends

Holders of restricted stock are entitled to receive any cash dividends at the same times and in the same amounts per share as holders of the Company's common stock. Holders of performance share awards are entitled to dividend equivalents on any performance shares that vest. Such dividend equivalents are payable in cash at the time of vesting of the performance shares to the extent that cash dividends are paid on the common stock underlying the performance shares after the award date and prior to the issuance of shares upon vesting. The Company does not currently pay dividends on its common stock.

- (1) All options in this table that were granted in 2006 or prior years have a 10 year expiration date, while options granted in 2007-2009 have a five year expiration date and options granted in 2010-2011 have a seven year expiration date. All options are subject to acceleration for certain events.
- (2) Based on the closing sales price of CNO common stock (\$6.31) on December 30, 2011, the last trading day of the year.
- (3) In accordance with SEC rules, the amounts included in this column represent the number of shares of CNO common stock to which the Named Executive Officer will be entitled if the Company achieves the threshold performance level with respect to the performance share awards made in 2010 and 2011. The performance share awards made in 2010 and 2011 are tied to the Company's average pre-tax operating earnings for the three-year periods ending December 31, 2012 and December 31, 2013, respectively. For purposes of these awards, pre-tax operating earnings are defined as pre-tax income before (i) gain or loss on extinguishment or modification of debt; (ii) net realized investment gains or losses, net of amortization; (iii) discontinued operations; (iv) the cumulative effect of changes in accounting principles; (v) dividends on preferred stock; and (vi) unusual income or expense items that are unlikely to recur as determined by the Human Resources and Compensation Committee. For the 2010 performance share award, no portion will be earned if the Company's average pre-tax operating income for the three-year period is less than \$250.0 million, and payouts begin with a 25% payout at the threshold level of \$250.0 million. For the 2011 performance share award, no portion will be earned if the Company's average pre-tax operating income for the three-year period is less than \$276.6 million, and payouts begin with a 25% payout at the threshold level of \$276.6 million. Accordingly, the number of shares in this column includes 25% of the number of performance shares granted to the named executive officer in 2010 and 2011.
- (4) The dollar amounts in this column equal the number of threshold level performance shares, calculated as described in footnote (3) above, multiplied by the closing sales price of CNO common stock on December 30, 2011 (\$6.31).
- (5) Mr. Prieur retired on September 30, 2011 and held no awards as of December 31, 2011.
- (6) One-half of these options vested on April 2, 2011 and the balance vests on April 2, 2012. The remaining shares from this restricted stock award vest on March 31, 2012.
- (7) One-half of these options vested on May 12, 2011 and the balance vests on May 12, 2012.
- (8) The balance of this restricted stock award vests on March 2, 2012.
- (9) One-half of these options vested on March 18, 2012 and the balance vests on March 18, 2013. The remaining shares from this restricted stock award vest in equal annual installments commencing March 18, 2012.
- (10) One-half of this restricted stock award vests on December 28, 2012 and the balance vests on December 30, 2013.

- (11) One-half of these options vest on March 8, 2013 and the balance vests on March 8, 2014. The restricted stock award vests in three equal annual installments commencing March 8, 2012.

The amount for Mr. Perry in this column includes a \$3,873 balance in a separate deferred compensation plan for certain field managers of Bankers Life and Casualty Company,

to which no further contributions are being made.

The 2011 Nonqualified Deferred Compensation table presents amounts deferred under our Deferred Compensation Plan. Participants may defer up to 100% of their base salary and annual incentive plan payments under the Deferred Compensation Plan. Deferred Amounts are credited with earnings or losses based on the return of mutual funds selected by the executive, which the executive may change at any time. We do not make matching contributions to participants' accounts under the Deferred Compensation Plan. Distributions are made in either a lump sum or an annuity as chosen by the executive at the time of deferral.

PROPOSAL 2

APPROVAL OF AMENDED AND RESTATED SECTION 382 SHAREHOLDERS RIGHTS PLAN

Introduction

On December 6, 2011, the Board adopted an Amended and Restated Section 382 Rights Agreement (the Amended Rights Plan). The Board had previously declared a dividend of one preferred share purchase right (a Right) for each outstanding share of common stock, par value \$0.01 per share, of the Company (the Common Stock) that was paid to the share holders of record as of the close of business on January 30, 2009 pursuant to the Company's original Section 382 Rights Agreement, dated as of January 20, 2009 (the Original Rights Plan).

The Original Rights Plan, which the Company's shareholders approved at the Company's 2009 Annual Meeting, had been scheduled to expire on January 20, 2012. In order to extend the term of the Original Rights Plan, and to amend certain other provisions therein, the Original Rights Plan was amended and restated in its entirety. The amendments, among other things:

extended the final expiration date of the Amended Rights Plan to December 6, 2014;

updated the purchase price of the Rights;

provided for a new series of preferred stock relating to the Rights that is substantially identical to the prior series of preferred stock;

provided for a 4.99% ownership threshold relating to any Company 382 Securities (as defined below); and

amended certain other provisions to reflect best practices for tax benefit preservation plans, including updates to certain definitions.

The Amended Rights Plan approval proposal is an opportunity for shareholders to approve the decision by the Board to adopt the Amended Rights Plan. If the shareholders do not approve the Amended Rights Plan at the Annual Meeting, the Amended Rights Plan will expire upon the adjournment of the Annual Meeting.

Purpose of the Amended Rights Plan

The Amended Rights Plan is designed to prevent certain transfers of our Common Stock or other securities interests (collectively, Company 382 Securities) that would be treated as our stock for purposes of Section 382 (Section 382) of the Internal Revenue Code of 1986, as amended (the Code), which could adversely affect our ability to utilize tax net operating losses (NOLs) and certain other tax losses (collectively, Tax Benefits) to offset our taxable income for U.S. federal income tax purposes. As of December 31, 2011, we had approximately \$4.1 billion of federal tax NOLs and \$1.0 billion of capital loss carry-forwards, resulting in deferred tax assets of approximately \$1.8 billion, expiring in years 2013 through 2029. Generally, the unexpired balance of our NOLs can be used to offset tax on income (if any). However, as discussed further below, the utilization of Tax Benefits to offset taxable income can be limited in certain circumstances. Because the amount and timing of our future taxable income cannot be accurately predicted, we cannot predict the amount of Tax Benefits that will ultimately be used to reduce our income tax liability. Although we are unable to quantify an exact value, we believe that the Tax Benefits are a very valuable asset and the Board believes it is in the Company s best interests to attempt to prevent the imposition of limitations on their use by adopting the Amended Rights Plan.

The benefit of the Tax Benefits to the Company could be significantly reduced or eliminated if we experience an ownership change within the meaning of Section 382 of the Code (an Ownership Change).

An Ownership Change can occur through one or more acquisitions of our stock, whether or not occurring pursuant to a single plan, by which shareholders or groups of shareholders, each of whom owns or is deemed to own directly or indirectly at least 5% of our stock, increase their aggregate ownership of our stock by more than 50 percentage points over their lowest aggregate percentage interest within a rolling three-year period. See Section 382 Ownership Shift Calculations below for additional detail. If that were to happen, we would only be allowed to use a limited amount of Tax Benefits to offset our taxable income subsequent to an Ownership Change (the Annual 382 Limitation).

The Annual 382 Limitation is obtained by multiplying (i) the aggregate value of our outstanding equity immediately prior to the Ownership Change (reduced by certain capital contributions made during the immediately preceding two years and certain other items) by (ii) the federal long-term tax-exempt rate (as defined by Section 382 of the Code and regularly published by the Internal Revenue Service (the IRS)) in effect for the month of the Ownership Change. The Annual 382 Limitation is subject to certain adjustments and limitations. If we were to experience an Ownership Change at our current stock price levels, we believe we would be subject to an annual Tax Benefits limitation which would result in a material amount of NOLs expiring unused, resulting in a significant impairment to the Company s deferred tax assets. Additionally, the writedown of our deferred tax assets that would occur in the event of an Ownership Change for purposes of Section 382 could cause us to breach the debt to total capitalization covenant in our senior secured credit facility.

If the Company were to have taxable income in excess of the Annual 382 Limitation following an Ownership Change, it would not be able to utilize Tax Benefits to offset the tax liability on the excess of taxable income over the Annual 382 Limitation. Although any Tax Benefits not used as a result of the Annual 382 Limitation would remain available to offset taxable income in future years (subject to the Annual 382 Limitation) until the expiration of such Tax Benefits, an Ownership Change could (i) significantly defer the utilization of such Tax Benefits, (ii) accelerate payment of tax liabilities and (iii) result in the expiration of certain Tax Benefits prior to their utilization. Because the aggregate value of our outstanding Common Stock and the federal long-term tax-exempt interest rate fluctuate, it is impossible to predict with any accuracy the Annual 382 Limitation which would apply upon an Ownership Change, but such limitation could be material.

Currently, we do not believe that we have experienced an Ownership Change, but calculating whether an Ownership Change has occurred is subject to inherent uncertainty. This uncertainty results from the complexity of the Section 382 provisions, as well as limitations on the knowledge that any publicly traded company can have about the ownership of and transactions in its securities. However, we and our advisors have analyzed the information available, along with various scenarios of possible future changes of ownership. Taking into account, among other things, the issuance and sale of shares of common stock and warrants to Paulson & Co. Inc. and our public offering of common stock in December 2009, as well as our current stock price and daily trading volume, among other factors, we believe that if no actions were taken it is possible that we would undergo an Ownership Change.

In April 2010, the Company's shareholders approved an amendment to the Company's Amended and Restated Certificate of Incorporation (the NOL Protective Amendment). Although the NOL Protective Amendment is designed to assist in protecting the NOLs by preventing certain transfers of stock which would otherwise adversely affect our ability to use the Tax Benefits, there still remains a risk that certain changes in relationships among shareholders or other events would cause an Ownership Change. We also cannot assure you that the NOL Protective Amendment is enforceable under all circumstances, particularly against shareholders who did not vote in favor of the NOL Protective Amendment proposal at our 2010 Annual Meeting.

The Amended Rights Plan is not designed to protect shareholders against the possibility of a hostile takeover. Instead, it is meant to protect shareholder value by attempting to preserve our ability to use the Tax Benefits. Because of the significant value of the Tax Benefits to the Company, the Board believes it is in the best interest of the Company and its shareholders to approve the adoption of the Amended Rights Plan. Our Board has unanimously approved the Amended Rights Plan and unanimously recommends that shareholders approve the Amended Rights Plan at the Annual Meeting.

46

The description of the Amended Rights Plan in this proxy statement is qualified in its entirety by reference to the text of the Amended Rights Plan, which is attached hereto as Annex A and is incorporated by reference herein. **You are urged to read carefully the Amended Rights Plan in its entirety as the discussion in this proxy statement is only a summary.**

Section 382 Ownership Change Calculations

Generally, an Ownership Change can occur through one or more acquisitions by which one or more shareholders, each of whom owns or is deemed to own directly or indirectly 5% or more in value of a corporation's stock, increase their aggregate percentage ownership by more than 50 percentage points over the lowest percentage of stock owned by such shareholders at any time during the preceding rolling three-year period. The amount of the increase in the percentage of stock ownership (measured as a percentage of the value of the company's outstanding shares rather than voting power) of each 5-percent shareholder (within the meaning of Section 382) is computed separately, and each such increase is then added together with any other such increases to determine whether an Ownership Change has occurred.

For example, if a single investor acquired 50.1% of our stock in a three-year period, an Ownership Change would occur. Similarly, if ten persons, none of whom owned our stock, each acquired slightly over 5% of our stock within a three-year period (so that such persons owned, in the aggregate, more than 50%), an Ownership Change would occur.

In determining whether an Ownership Change has occurred, the rules of Section 382 are very complex and are beyond the scope of this summary discussion. Some of the factors that must be considered in determining whether an Ownership Change has occurred include the following:

All holders who each own less than 5% of a company's Company 382 Securities are generally (but not always) treated as a single 5-percent shareholder. Transactions in the public markets among stockholders who are not 5-percent shareholders are generally (but not always) excluded from the calculation.

There are several rules regarding the aggregation and segregation of stockholders who otherwise do not qualify as 5-percent shareholders.

Acquisitions by a person which cause that person to become a 5-percent shareholder generally result in a five percentage (or more) point change in ownership, regardless of the size of the final purchase(s) that caused the threshold to be exceeded.

Certain constructive ownership rules, which generally attribute ownership of Company 382 Securities owned by estates, trusts, corporations, partnerships or other entities to the ultimate indirect individual owner thereof, or to related individuals, are applied in determining the level of Company 382 Securities ownership of a particular holder. Special rules can result in the treatment of options (including warrants) or

other similar interests as having been exercised if such treatment would result in an Ownership Change.

The redemption or buyback of shares by an issuer will increase the ownership of any 5-percent shareholders (including groups of stockholders who are not themselves 5-percent shareholders) and can contribute to an Ownership Change. In addition, it is possible that a redemption or buyback of shares could cause a holder of less than 5% to become a 5-percent shareholder, resulting in a five percentage (or more) point change in ownership.

Shareholders are advised to carefully monitor their ownership of our Company 382 Securities and consult with their own legal advisors to determine whether their ownership of our Company 382 Securities approaches the proscribed level.

Description of Amended Rights Plan

The Amended Rights Plan is intended to act as a deterrent to any person or group acquiring 4.99% or more of our outstanding Common Stock or any other class of Company 382 Securities then outstanding (an Acquiring Person) without the approval of our Board of Directors. Shareholders who owned 4.99% or more of the Company's outstanding Common Stock as of the close of business on December 6, 2011 will not trigger the Amended Rights Plan so long as they do not (i) acquire additional shares of Common Stock or other interests in Company 382 Securities representing more than 1% of the Company 382 Securities then outstanding or (ii) fall under 4.99% ownership of the shares of Common Stock or any other class of Company 382 Securities and then re-acquire 4.99% or more of the Common Stock or any other class of Company 382 Securities. Any Rights held by a person who is or becomes an Acquiring Person are void and may not be exercised or transferred. The Board of Directors may, in its sole discretion, exempt any person or group from being deemed an Acquiring Person for purposes of the Amended Rights Plan.

The Rights. Subject to the terms, provisions and conditions of the Amended Rights Plan, if the Rights become exercisable, each Right would initially represent the right to purchase from us one one-thousandth of a share of our Series B Junior Participating Preferred Stock, par value \$0.01 per share (the Series B Preferred Stock) for a purchase price of \$25.00 (the Purchase Price). If issued, each fractional share of Series B Preferred Stock would give the shareholder approximately the same dividend, voting and liquidation rights as does one share of Common Stock. However, prior to exercise or exchange as provided in the Amended Rights Plan, a Right does not give its holder any rights as a shareholder, including without limitation any dividend, voting or liquidation rights.

Exercisability. The Rights will not be exercisable until the earlier of (i) 10 business days after the first date of a public announcement that a person or group (other than an Exempted Person within the meaning the Amended Rights Plan) has become an Acquiring Person and (ii) 10 business days (or such later date as may be determined by the Board by action prior to such person or group becoming an Acquiring Person) after the date of commencement of, or the first public announcement of an intention to commence, a tender offer or exchange offer, the consummation of which would result in any person (other than an Exempted Person) becoming an Acquiring Person. We refer to the date that the Rights become exercisable as the Distribution Date. Until the Distribution Date, Common Stock certificates will evidence the Rights and may contain a notation to that effect. Any transfer of shares of Common Stock prior to the Distribution Date will constitute a transfer of the associated Rights. After the Distribution Date, the Rights may be transferred other than in connection with the transfer of the underlying shares of Common Stock.

After the Distribution Date, each holder of a Right, other than Rights beneficially owned by any Acquiring Person (which will thereupon become void), will thereafter have the right to receive upon exercise of a Right and payment of the Purchase Price, that number of shares of Common Stock and/or other securities or property having a market value of two times the Purchase Price.

Exchange. After the Distribution Date, subject to certain limitations, the Board may exchange the Rights (other than Rights owned by an Acquiring Person which will have become void), in whole or in part, at an exchange ratio of one share of Common Stock or a fractional share of Series B Preferred Stock (or of a share of a similar class or series of our preferred stock having similar rights, preferences and privileges) of equivalent value, per Right (subject to adjustment).

Expiration. The Rights and the Amended Rights Plan will expire on the earliest of (i) the close of business on December 6, 2014, (ii) the close of business on December 6, 2012 if shareholder approval of the Amended Rights Plan has not been received by or on such date, (iii) the adjournment of the 2012 Annual Meeting if shareholder approval of the Amended Rights Plan has not been received prior to such time, (iv) the repeal of Section 382 or any successor statute if the Board determines that the Amended Rights Plan is no longer necessary for the preservation of Tax Benefits or (v) the beginning of a taxable year of the Company to which the Board determines that no Tax Benefits may be carried forward.

Redemption. At any time prior to the time an Acquiring Person becomes such, the Board may redeem the Rights in whole, but not in part, at a price of \$0.01 per Right, subject to adjustment to reflect stock splits,

stock dividends or similar transactions (the Redemption Price) payable, at the option of the Company, in cash, shares of Common Stock or such other form of consideration as the Board may determine. The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the Board in its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

Anti-Dilution Provisions. The Purchase Price payable, and the number of shares of Series B Preferred Stock or other securities or property issuable, upon exercise of the Rights are subject to adjustment from time to time to prevent dilution that may occur as a result of certain events, including among others, a stock dividend, a stock split or a reclassification. Subject to certain exceptions, no adjustment in the Purchase Price will be required until cumulative adjustments require an adjustment of at least 1% in such Purchase Price.

Amendments. Before the Distribution Date, the Company may, except with respect to the Redemption Price, amend or supplement the Amended Rights Plan without the consent of the holders of the Rights. After the Distribution Date, the Company may amend, except with respect to the Redemption Price, the Amended Rights Plan in any manner that does not adversely affect the interests of holders of the Rights.

Certain Considerations Relating to the Amended Rights Plan

Our Board believes that attempting to protect the Tax Benefits described above is in the best interests of the Company and our shareholders. Nonetheless, we cannot eliminate the possibility that an Ownership Change will occur even if the Amended Rights Plan is approved. You should consider the factors below when making your decision.

Continued Risk of Ownership Change. We cannot assure you that the Amended Rights Plan will be effective in deterring all acquisitions that could result in an Ownership Change. In particular, it will not protect against an Ownership Change resulting from purchasers of shares who become 5-percent shareholders notwithstanding the Amended Rights Plan, either because the purchaser is unaware of the Amended Rights Plan or makes a conscious decision to discount the potential consequences under the Amended Rights Plan.

Potential IRS Challenge to the Tax Benefits. The amount of the Tax Benefits has not been audited or otherwise validated by the IRS. The IRS could challenge the amount of the Tax Benefits, which could result in an increase in our liability in the future for income taxes. As discussed above, determining whether an Ownership Change has occurred is subject to uncertainty, both because of the complexity of the Section 382 provisions and because of limitations on the knowledge that any publicly traded company can have about the ownership of, and transactions in, its securities on a timely basis. Therefore, we cannot assure you that the IRS or other taxing authority will not claim that we experienced an Ownership Change and attempt to reduce or eliminate our utilization of Tax Benefits even if the Amended Rights Plan is in place.

Potential Effects on Liquidity. The Amended Rights Plan is intended to deter persons or groups of persons from acquiring beneficial ownership of shares of our Common Stock in excess of the specified limitations. A shareholder's ability to dispose of our Common Stock may be limited if the Amended Rights Plan reduces the number of persons willing to acquire our Common Stock or the amount they are willing to acquire.

Potential Impact on Value. It is possible that the Amended Rights Plan could deter certain buyers, including persons who wish to acquire more than 4.99% of our Common Stock, and that this could result in diminished demand for and, therefore, potentially decrease the value of our Common Stock. We believe, however, the value protected as a result of the preservation of the Tax Benefits would outweigh any such potential decrease in the value of our Common Stock.

Potential Anti-Takeover Effect. The Amended Rights Plan is designed to preserve the long-term value of our accumulated Tax Benefits and is not intended to prevent a takeover of the Company. However, it could be

deemed to have an anti-takeover effect because, among other things, it restricts the ability of a person, entity or group to accumulate our

Common Stock above the applicable thresholds, without the approval of our Board. The Amended Rights Plan approval proposal is not part of a plan by us to adopt a series of anti-takeover measures, and we are not presently aware of any potential takeover transaction.

Required Vote

Approval of the Amended Rights Plan requires the affirmative vote of the majority of shares of Common Stock present in person, or represented by proxy, and entitled to vote on the proposal at the Annual Meeting.

Recommendation of our Board of Directors

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE AMENDED RIGHTS PLAN.

In 2010 and 2011, all new engagements of PwC were pre-approved by the Audit and Enterprise Risk Committee for all audit, audit-related, tax and other services.

Report of the Audit and Enterprise Risk Committee

The Audit and Enterprise Risk Committee (the Audit Committee) provides assistance to the Board in fulfilling its responsibilities for oversight of the integrity of the financial statements, public disclosures and financial reporting practices of the Company, including the systems of internal controls. The Audit Committee has sole authority to appoint or replace the Company's independent registered public accounting firm. The independent registered public accounting firm reports directly to the Audit Committee.

In overseeing the preparation of the Company's audited financial statements for the year ended December 31, 2011, the Audit Committee met with management and with PwC, the Company's independent registered public accounting firm. The Audit Committee also discussed with PwC the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee has received from PwC the written disclosure and letter required by applicable requirements of the Public Company Accounting Oversight Board regarding PwC's communications with the Audit Committee concerning independence, and the Audit Committee has discussed the independence of PwC with that firm.

Based on the reviews and discussions referenced above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2011 for filing with the Securities and Exchange Commission.

PROPOSAL 4 NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

General

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act) and the related rules of the SEC, we are including in these proxy materials a separate resolution subject to shareholder

vote to approve, in a non-binding advisory vote, the compensation paid to our Named Executive Officers as discussed on pages 16-44. While the results of the vote are non-binding and advisory in nature, the Board intends to carefully consider the results of this vote. The current frequency of non-binding advisory votes on executive compensation is an annual vote and we anticipate that the next vote will be at the next Annual Meeting. The language of the resolution is as follows:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in this proxy statement pursuant to the rules of the SEC, including the Compensation Discussion and Analysis, compensation tables and any related narrative discussion, is hereby approved.

The compensation of our executive officers is based on a philosophy and a comprehensive compensation and benefits strategy developed by the Human Resources and Compensation Committee designed to reward overall and individual performance that drives long-term success for our shareholders. The committee strives to provide a clear award program that allows us to attract, incentivize and retain seasoned executive talent with significant industry experience required to continue to improve our performance and build long-term shareholder value. In considering their vote, shareholders are urged to read the section of this proxy statement entitled "Executive Compensation", including the Compensation Discussion and Analysis, for a detailed discussion of how our compensation policies and practices implement our compensation philosophy.

Required Vote

The affirmative vote of the majority of shares of common stock present in person or represented by proxy and entitled to vote on the subject matter is required to approve the compensation paid to our Named Executive Officers. Abstentions will have the effect of a vote against this proposal. Broker non-votes will have no effect on the outcome of the vote with respect to this proposal because the shares subject to the broker non-vote will not be entitled to vote on this matter.

Recommendation of our Board of Directors

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE COMPENSATION PAID TO OUR NAMED EXECUTIVE OFFICERS.

RELATED PARTY TRANSACTIONS

On July 1, 2011, we invested \$25 million in limited partnership interests of Paulson Advantage, L.P. (the Fund). The Fund is managed by Paulson & Co. Inc. (Paulson). The Fund and other funds managed by Paulson collectively own approximately 9.7% of our outstanding shares of common stock. In addition, Paulson, on behalf of several investment funds and accounts it manages, also holds warrants to purchase five million shares of our common stock and approximately \$200 million aggregate principal amount of our 7.0% Convertible Senior Debentures due 2016. Charles Murphy, a Partner with Paulson, has been one of our directors since February 2010. Our \$25 million investment was made as part of a program to invest funds at the holding company level to generate additional non-life income and further utilize our tax loss carryforwards. The investment was approved by the Board, as required by our policy regarding related party transactions. See "Approval of Related Party Transactions" on page 13 of this Proxy Statement.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires CNO's directors and executive officers, and each person who is the beneficial owner of more than 10 percent of any class of CNO's outstanding equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of CNO. Specific due dates for these reports have been established by the SEC, and CNO is required to disclose any failure by such persons to file such reports for fiscal year 2011 by the prescribed dates. Officers, directors and greater than 10 percent beneficial owners are required to furnish CNO with copies of all reports filed with the SEC pursuant to Section 16(a). To CNO's knowledge, based solely on review of the copies of the reports furnished to CNO and written representations that no other reports were required, all filings required pursuant to Section 16(a) of the Securities Exchange Act of 1934 applicable to CNO's officers, directors and greater than 10 percent beneficial owners were timely made by each such person during the year ended December 31, 2011.

SHAREHOLDER PROPOSALS FOR 2013 ANNUAL MEETING

Any proper proposal which a shareholder wishes to have included in the Board's proxy statement and form of proxy for the 2013 Annual Meeting must be received by CNO by November 30, 2012. Such proposals must meet the requirements set forth in the rules and regulations of the SEC in order to be eligible for inclusion in the proxy statement for the 2013 Annual Meeting. In addition to the SEC rules concerning

shareholder proposals, the Company's Bylaws establish advance notice procedures with regard to certain matters, including shareholder nominations for directors, to be brought before a meeting of shareholders at which directors are to be elected. In the case of an annual meeting, notice must be received by the Secretary of the Company not less than 60 days nor more than 90 days prior to the first anniversary of the preceding year's annual meeting. In the case of a special meeting of share holders at which directors are to be elected, notice of a share holder nomination must be received by the Secretary of the Company no later than the close of business on the 10th day following the earlier of the day on which notice of the date of the meeting was mailed or public disclosure of the meeting was made. A nomination will not be considered if it does not comply with these notice procedures and the additional requirements set forth in our Bylaws. Please note that these bylaw requirements are separate from the SEC's requirements to have a shareholder nomination or other proposal included in our proxy statement. Any shareholder who wishes to submit a proposal to be acted upon at the 2013 Annual Meeting or who wishes to nominate a candidate for election as director should obtain a copy of these bylaw provisions and may do so by written request addressed to the Secretary of CNO Financial Group, Inc. at 11825 North Pennsylvania Street, Carmel, Indiana 46032.

ANNUAL REPORT

Access to CNO's Annual Report for 2011 (which includes its annual report on Form 10-K as filed with the SEC) is being provided with this proxy statement to all holders of common stock as of March 12, 2012. The Annual Report is not part of the proxy solicitation material. **If you wish to receive an additional copy of the Annual Report for 2011, the Form 10-K, this Proxy Statement or the Notice without charge, please contact CNO Financial Group, Inc. INFORMATION RELATED TO CERTAIN NON-GAAP FINANCIAL MEASURES

Net operating income is defined as net income before: (i) loss on extinguishment of debt, net of income taxes; (ii) net realized investment gains or losses, net of related amortization and income taxes; (iii) fair value changes due to fluctuations in the interest rates used to discount embedded derivative liabilities related to our fixed index annuities, net of related amortization and income taxes; and (iv) increases or decreases to our valuation allowance for deferred tax assets. Management uses this measure to evaluate performance because the items excluded from net operating income can be affected by events that are unrelated to the Company's underlying fundamentals.

54

The calculation of book value per common share excludes accumulated other comprehensive income (loss) from the value of capital used to determine this measure. Management believes this non-GAAP measure is useful because it removes the volatility that arises from changes in the unrealized appreciation (depreciation) of our investments, which is primarily related to changes in interest rates and is unrelated to the Company's business operations.

Reconciliations of these non-GAAP measures to the corresponding GAAP measures are presented below (dollars in millions, except share and per share amounts):

	Year ended December 31,	
	2011	2010
Net income	\$ 382.5	\$ 284.6
Net realized investment (gains) losses, net of related amortization and taxes	(35.5)	(12.1)
Fair value changes in embedded derivative liabilities, net of related amortization and taxes	9.8	
Valuation allowance for deferred tax assets	(143.0)	(95.0)
Loss on extinguishment of debt	2.2	4.4
Net operating income (a non-GAAP financial measure)	\$ 216.0	\$ 181.9
Total shareholders' equity	\$ 5,032.6	\$ 4,325.3
Less accumulated other comprehensive income	625.5	238.3

	<u>Year ended December 31,</u>	
Total shareholders' equity excluding accumulated other comprehensive income (a non-GAAP financial measure)	\$ 4,407.1	\$ 4,087.0
Shares outstanding for the period	241,304,503	251,084,174
Book value per share	\$ 20.86	\$ 17.23
Less accumulated other comprehensive income	2.60	.95
Book value, excluding accumulated other comprehensive income, per share (a non-GAAP financial measure)	\$ 18.26	\$ 16.28

OTHER MATTERS

Management knows of no other matters which may be presented at the Annual Meeting. If any other matters should properly come before the meeting, the persons named in the form of proxy will vote in accordance with their best judgment on such matters.

AMENDED AND RESTATED SECTION 382 RIGHTS AGREEMENT

This Amended and Restated Section 382 Rights Agreement, dated as of December 6, 2011 (as amended, supplemented or otherwise modified from time to time, the Rights Agreement) between CNO Financial Group, Inc., a Delaware corporation (the Company), and American Stock Transfer & Trust Company, LLC, as rights agent (the Rights Agent), amends and restates that certain Section 382 Rights Agreement, dated January 20, 2009 (the Original Rights Agreement) between the Company and the Rights Agent.

WHEREAS, (a) the Company and certain of its Subsidiaries (as defined below) have generated net operating losses for United States federal income tax purposes (NOLs); (b) such NOLs may potentially provide valuable Tax Benefits (as defined below) to the Company; (c) the Company desires to avoid an ownership change within the meaning of Section 382 (as defined below), and thereby preserve the ability to utilize such Tax Benefits; and (d) in furtherance of such objective, the entered into the Original Rights Agreement;

WHEREAS, in connection with the adoption of the Original Rights Agreement, the Board of Directors of the Company on January 20, 2009 authorized and declared a dividend of one preferred share purchase right (a Right) for each share of Common Stock (as defined below) of the Company outstanding as of the Close of Business (as defined below) on January 30, 2009 (the Record Date), each Right representing the right to purchase one one-thousandth (subject to adjustment) of a share of Preferred Stock (as defined below), upon the terms and subject to the conditions set forth in the Original Rights Agreement, and the Board of Directors further authorized and directed the issuance of one Right (subject to adjustment as provided herein) with respect to each share of Common Stock that shall become outstanding between the Record Date and the earlier of the Distribution Date and the Expiration Date (as such terms are hereinafter defined); provided, however, that Rights may be issued with respect to shares of Common Stock that shall become outstanding after the Distribution Date and prior to the Expiration Date in accordance with Section 22;

WHEREAS, the Board of Directors has determined it is in the best interests of the Company and its stockholders to extend the term of the Original Rights Agreement and to amend certain other provisions therein; and

WHEREAS, pursuant to Section 27 of the Original Rights Agreement, the Board of Directors has authorized and approved the amendment and restatement of the Original Rights Agreement, and an appropriate officer of the Company has delivered a certificate to the Rights Agent in accordance with Section 27 of the Original Rights Agreement.

NOW THEREFORE, in consideration of the premises and the mutual agreements herein set forth, the parties hereby agree as follows:

Section 1. Certain Definitions. For purposes of this Rights Agreement, the following terms have the meaning indicated:

(a) Acquiring Person shall mean any Person (as defined below) who is or shall have become a Threshold Holder (as defined below), whether or not such Person continues to be a Threshold Holder, but shall not include (i) an Exempted Person (as defined below), or (ii) any Grandfathered Person (as defined below); provided, however, that a Person will not be deemed to have become an Acquiring Person solely as a result of (x) a reduction in the number of shares of Common Stock or any other class of Company 382 Securities outstanding, (y) the exercise of any options, warrants, rights or similar interests (including restricted stock) granted by the Company to its directors, officers and employees, or (z) any unilateral grant of any security by the Company, unless and until such time as such Person thereafter acquires beneficial ownership of any additional shares of Common Stock or additional shares of any class of Company 382 Securities (other than Common Stock), as applicable. Notwithstanding the foregoing, the Board of Directors may, in its sole discretion, determine that any Person shall not be deemed to be an

Acquiring Person for any purposes of this Rights Agreement.

A-1

- (b) Affiliate and Associate shall mean, with respect to any Person, any other Person whose common stock would be deemed to be (i) constructively owned by such first Person, or (ii) otherwise aggregated with the shares owned by such first Person (other than aggregation solely by reason of such shares being part of the same public group as defined under Treasury Regulation Section 1.382-2T(f)(13), in each case pursuant to the provisions of Section 382, or any successor or replacement provision, and the Treasury Regulations promulgated thereunder.
- (c) Approved Acquisition shall mean (i) any acquisition of Company 382 Securities that would cause a Person to qualify as a Threshold Holder and that is approved in advance by the Board of Directors, or (ii) a conversion (or other exchange) of Company 382 Securities for other Company 382 Securities where such conversion (or other exchange) does not increase the Beneficial Ownership in the Company by any Person for purposes of Section 382.

The Company hereby appoints the Rights Agent to act as agent for the Company and the holders of the Rights (who, in accordance with Section 3 hereof, shall prior to the Distribution Date also be the holders of Common Stock) in accordance with the terms and conditions hereof, and the Rights Agent hereby accepts such appointment. The Company may from time to time appoint such co-Rights Agents as it may deem necessary or desirable upon 10 days' prior notice to the Rights Agent. The Rights Agent shall have no duty to supervise, and shall in no event be liable for the acts or omissions of any such co-Rights Agent.

Section 3. Issuance of Right Certificates. (a) Until the Close of Business on the earlier of (i) the tenth Business Day after the Stock Acquisition Date (or, if the Stock Acquisition Date occurs before the Record Date, the Close of Business on the Record Date) or (ii) the tenth Business Day (or such later date as may be determined by action of the Board of Directors prior to such time as any Person becomes an Acquiring Person) after the date of the commencement by any Person (other than an Exempted Person) of, or of the first public announcement of the intention of such Person (other than an Exempted Person) to commence, a tender or exchange offer the consummation of which would result in any Person (other than an Exempted Person) becoming an Acquiring Person (irrespective of whether any shares are actually purchased pursuant to any such offer) (including, in the case of both clause (i) and (ii), any such date which is after the date of this Rights Agreement and prior to the issuance of the Rights) (the earlier of such dates being herein referred to as the Distribution Date), (x) the Rights will be evidenced (subject to the provisions of Section 3(b) hereof) by the certificates representing the Common Stock registered in the names of the holders thereof (or by Book Entry shares in respect of such Common Stock) and not by separate Right Certificates (as defined below), and (y) the Rights will be transferable only in connection with the transfer of Common Stock. As soon as practicable after the Distribution Date, the Company will prepare and execute, the Rights Agent will countersign, and the Company will send or cause to be sent (and the Rights Agent will, if requested, send) by first-class, postage-prepaid mail, to each record holder of Common Stock as of the Close of Business on the Distribution Date (other than any Acquiring Person or any Associate or Affiliate of an Acquiring Person), at the address of such holder shown on the records of the Company, a Right Certificate, in substantially the form of Exhibit B hereto (a Right Certificate), evidencing one Right (subject to adjustment as provided herein) for each share of Common Stock so held. In the event that an adjustment in the number of Rights per share of Common Stock has been made pursuant to Section 11 or 13 hereof, at the time of distribution of the Right Certificates, the Company shall make the necessary and appropriate rounding adjustments (in accordance with Section 14(a) hereof), so that Right Certificates representing only whole numbers of Rights are distributed and cash is paid in lieu of any fractional Rights. As of and after the Distribution Date, the Rights will be evidenced solely by such Right Certificates.

(b) In connection with the adoption of the Original Rights Agreement, the Company sent a copy of a Summary of Rights to Purchase Shares of Preferred Stock (the Summary of Rights), by first-class, postage-prepaid mail, to each record holder of Common Stock and holder of Book Entry shares as of the

A-4

Close of Business on the Record Date, at the address of such holder shown on the records of the Company as the address at which such holder has consented to receive notice. With respect to shares of Common Stock outstanding as of the Record Date, until the Distribution Date, the Rights associated with such shares will be evidenced by the share certificate for such shares of Common Stock registered in the names of the holders thereof or the Book Entry shares, in each case together with the Summary of Rights, in substantially the form of Exhibit C hereto. Until the Distribution Date (or, if earlier, the Expiration Date), the surrender for transfer of any certificate for Common Stock or Book Entry shares outstanding on the Record Date, with or without a copy of the Summary of Rights, shall also constitute the transfer of the Rights associated with the shares of Common Stock represented by such certificate or Book Entry shares.

(c) Rights shall be issued in respect of all shares of Common Stock issued or disposed of (including, without limitation, upon disposition of Common Stock out of treasury stock or issuance or reissuance of Common Stock out of authorized but unissued shares) after the Record Date but prior to the earlier of the Distribution Date and the Expiration Date, or in certain circumstances provided in Section 22 hereof, after the Distribution Date. Certificates issued for Common Stock (including, without limitation, upon transfer of outstanding Common Stock, disposition of Common Stock out of treasury stock or issuance or reissuance of Common Stock out of authorized but unissued shares) after the Record Date but prior to the earlier of the Distribution Date and the Expiration Date shall have impressed on, printed on, written on or otherwise affixed to them a legend substantially to the effect of the following:

This certificate also evidences and entitles the holder hereof to certain rights as set forth in the Amended and Restated Section 382 Rights Agreement between CNO Financial Group, Inc. and American Stock Transfer & Trust Company, LLC, as Rights Agent, dated as of December 6, 2011 as the same may be amended, supplemented or otherwise modified from time to time (the Rights Agreement), the terms of which are

hereby incorporated herein by reference and a copy of which is on file at the principal executive offices of CNO Financial Group, Inc. Under certain circumstances, as set forth in the Rights Agreement, such Rights will be evidenced by separate certificates and will no longer be evidenced by this certificate. CNO Financial Group, Inc. will mail to the holder of this certificate a copy of the Rights Agreement without charge after receipt of a written request therefor. Under certain circumstances, as set forth in the Rights Agreement, Rights owned by or transferred to any Person who is or becomes an Acquiring Person (as defined in the Rights Agreement) and certain transferees thereof will become null and void and will no longer be transferable.

With respect to any Book Entry shares of Common Stock, such legend shall be included in a notice to the registered holder of such shares in accordance with applicable law. With respect to such certificates containing the foregoing legend, or any notice of the foregoing legend delivered to holders of Book Entry shares, until the Distribution Date, the Rights associated with the Common Stock represented by such certificates or Book Entry shares shall be evidenced by such certificates or Book Entry shares alone, and the surrender for transfer of any such certificate or Book Entry share, except as otherwise provided herein, shall also constitute the transfer of the Rights associated with the Common Stock represented thereby. In the event that the Company purchases or otherwise acquires any Common Stock after the Record Date but prior to the Distribution Date, any Rights associated with such Common Stock shall be deemed cancelled and retired so that the Company shall not be entitled to exercise any Rights associated with the shares of Common Stock which are no longer outstanding.

Notwithstanding this Section 3(c), neither the omission of a legend nor the failure to deliver the notice of such legend required hereby shall affect the enforceability of any part of this Rights Agreement or the rights of any holder of the Rights.

Section 4. Form of Right Certificates. The Right Certificates (and the forms of election to purchase shares and of assignment to be printed on the reverse thereof) shall be substantially in the form set forth in

A-5

Exhibit B hereto and may have such marks of identification or designation and such legends, summaries or endorsements printed thereon as the Company may deem appropriate and as are not inconsistent with the provisions of this Rights Agreement, or as may be required to comply with any applicable law or with any rule or regulation made pursuant thereto or with any rule or regulation of the NYSE or of any other stock exchange or automated quotation system on which the Rights may from time to time be listed or quoted, or to conform to usage. Subject to the provisions of this Rights Agreement, the Right Certificates shall entitle the holders thereof to purchase such number of one one-thousandths of a share of Preferred Stock as shall be set forth therein at the Purchase Price (as determined pursuant to Section 7), but the amount and type of securities purchasable upon the exercise of each Right and the Purchase Price thereof shall be subject to adjustment as provided herein.

Section 5. Countersignature and Registration. (a) The Right Certificates shall be executed on behalf of the Company by the Chief Executive Officer, the President, any of the Vice Presidents or the Treasurer of the Company, either manually or by facsimile signature, shall have affixed thereto the Company's seal or a facsimile thereof and shall be attested by the Secretary or an Assistant Secretary of the Company, either manually or by facsimile signature. The Right Certificates shall be countersigned by the Rights Agent, either manually or by facsimile signature, and shall not be valid for any purpose unless countersigned. In case any officer of the Company who shall have signed any of the Right Certificates shall cease to be such officer of the Company before countersignature by the Rights Agent and issuance and delivery by the Company, such Right Certificates, nevertheless, may be countersigned by the Rights Agent and issued and delivered by the Company with the same force and effect as though the Person who signed such Right Certificates had not ceased to be such officer of the Company; and any Right Certificate may be signed on behalf of the Company by any Person who, at the actual date of the execution of such Right Certificate, shall be a proper officer of the Company to sign such Right Certificate, although at the date of the execution of this Rights Agreement any such Person was not such an officer.

(b) Following the Distribution Date, the Rights Agent will keep or cause to be kept, at an office or agency designated for such purpose, books for registration and transfer of the Right Certificates issued hereunder. Such books shall show the names and addresses of the respective holders of the Right Certificates, the number of Rights evidenced on its face by each of the Right Certificates and the date of each of the Right Certificates.

Section 6. Transfer, Split Up, Combination and Exchange of Right Certificates; Mutilated, Destroyed, Lost or Stolen Right Certificates. (a) Subject to the provisions of this Rights Agreement, at any time after the Close of Business on the Distribution Date, and prior to the Close of Business on the Expiration Date, any Right Certificate or Right Certificates may be transferred, split up, combined or exchanged for another Right Certificate or Right Certificates, entitling the registered holder to purchase a like number of one one-thousandths of a share of Preferred Stock (or, following such time, other securities, cash or assets as the case may be) as the Right Certificate or Right Certificates surrendered then entitled such holder to purchase. Any registered holder desiring to transfer, split up, combine or exchange any Right Certificate or Right Certificates shall make such request in writing delivered to the Rights Agent, and shall surrender the Right Certificate or Right Certificates to be transferred, split up, combined or exchanged at the office or agency of the Rights Agent designated for such purpose. Thereupon the Rights Agent, subject to the provisions of this Rights Agreement, shall countersign and deliver to the Person entitled thereto a Right Certificate or Right Certificates, as the case may be, as so requested. The Company may require payment of a sum sufficient to cover any tax or governmental

charge that may be imposed in connection with any transfer, split up, combination or exchange of Right Certificates.

(b) Subject to the provisions of this Rights Agreement, at any time after the Distribution Date and prior to the Expiration Date, upon receipt by the Company and the Rights Agent of evidence reasonably satisfactory to them of the loss, theft, destruction or mutilation of a Right Certificate, and, in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to them, and, at the Company's request, reimbursement to the Company and the Rights Agent of all reasonable expenses incidental thereto, and upon

A-6

surrender to the Rights Agent and cancellation of the Right Certificate if mutilated, the Company will make and deliver a new Right Certificate of like tenor to the Rights Agent for delivery to the registered holder in lieu of the Right Certificate so lost, stolen, destroyed or mutilated.

Section 7. Exercise of Rights, Purchase Price; Expiration Date of Rights. (a) Except as otherwise provided herein, the Rights shall become exercisable on the Distribution Date, and thereafter the registered holder of any Right Certificate may, subject to Section 11(a)(ii) hereof and except as otherwise provided herein, exercise the Rights evidenced thereby in whole or in part upon surrender of the Right Certificate, with the form of election to purchase on the reverse side thereof duly executed, to the Rights Agent at the office or agency of the Rights Agent designated for such purpose, together with payment of the Purchase Price for each one one-thousandth of a share of Preferred Stock (or other securities, cash or assets, as the case may be) as to which the Rights are exercised, at any time which is both after the Distribution Date and prior to the time (the Expiration Date) that is the earliest of (i) the Final Expiration Date, (ii) the time at which the Rights are redeemed as provided in Section 23 hereof (the Redemption Date) or (iii) the time at which such Rights are exchanged as provided in Section 24 hereof.

(b) The purchase price (the Purchase Price) shall be initially \$25.00 for each one one-thousandth of a share of Preferred Stock purchasable upon the exercise of a Right. The Purchase Price and the number of one one-thousandths of a share of Preferred Stock or other securities or property to be acquired upon exercise of a Right shall be subject to adjustment from time to time as provided in Sections 11 and 13 hereof and shall be payable in lawful money of the United States of America in accordance with paragraph (c) of this Section 7.

(c) Except as otherwise provided herein, upon receipt of a Right Certificate representing exercisable Rights, with the form of election to purchase properly completed and duly executed, accompanied by payment of the aggregate Purchase Price for the number of shares of Preferred Stock to be purchased and an amount equal to any applicable transfer tax or charge required to be paid by the holder of such Right Certificate in accordance with Section 6 hereof, in lawful money of the United States of America, in cash or by certified check, cashier's check or money order payable to the order of the Company, the Rights Agent shall thereupon promptly (i) either (A) requisition from any transfer agent of the Preferred Stock, or make available if the Rights Agent is the transfer agent for the Preferred Stock, certificates for the total number of shares of Preferred Stock to be purchased (and the Company hereby irrevocably authorizes its transfer agent to comply with all such requests), or (B) if the Company shall have elected to deposit the Preferred Stock with a depository agent under a depository arrangement, requisition from the depository agent appointed by the Company depository receipts representing interests in the number of one one-thousandths of a share of Preferred Stock as are to be purchased, in which case certificates for the Preferred Stock represented by such receipts shall be deposited by the transfer agent with the depository agent (and the Company hereby directs any such depository agent to comply with all such requests), (ii) when necessary to comply with this Rights Agreement (or otherwise when appropriate, as determined by the Company with notice to the Rights Agent) requisition from the Company the amount of cash, if any, to be paid in lieu of issuance of fractional shares in accordance with Section 14 hereof, (iii) promptly after receipt of such certificates or depository receipts, cause the same to be delivered to or upon the order of the registered holder of such Right Certificate, registered in such name or names as may be designated by such holder and (iv) when necessary to comply with this Rights Agreement (or otherwise when appropriate, as determined by the Company with notice to the Rights Agent), after receipt of the cash requisitioned from the Company, promptly deliver such cash, if any, to or upon the order of the registered holder of such Right Certificate.

(d) Except as otherwise provided herein, in case the registered holder of any Right Certificate shall exercise less than all of the Rights evidenced thereby, a new Right Certificate evidencing Rights equivalent to the exercisable Rights remaining unexercised shall be issued by the Rights Agent to the registered holder of such Right Certificate or to his, her or its duly authorized assigns, subject to the provisions of Section 14 hereof.

A-7

(e) Notwithstanding anything in this Rights Agreement to the contrary, neither the Rights Agent nor the Company shall be obligated to undertake any action with respect to a registered holder of Rights upon the occurrence of any purported transfer or exercise of Rights pursuant to

Section 6 hereof or this Section 7 unless such registered holder shall have (i) completed and signed the certificate contained in the form of assignment or form of election to purchase set forth on the reverse side of the Right Certificate surrendered for such transfer or exercise and (ii) provided such additional evidence of the identity of the Beneficial Owner (for the purposes of this Section 7(e), as such term is defined in Rule 13d-3 or 13d-5 of the General Rules and Regulations under the Exchange Act), former Beneficial Owner and/or Affiliates or Associates (for purposes of this Section 7(e), as such terms are respectively defined for purposes of Rule 12b-2 of the General Rules and Regulations under the Exchange Act) thereof as the Company shall reasonably request.

Section 8. Cancellation and Destruction of Right Certificates. All Right Certificates surrendered for the purpose of exercise, transfer, split up, combination or exchange shall, if surrendered to the Company or to any of its agents, be delivered to the Rights Agent for cancellation or in cancelled form, or, if surrendered to the Rights Agent, shall be cancelled by it, and no Right Certificates shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Rights Agreement. The Company shall deliver to the Rights Agent for cancellation and retirement, and the Rights Agent shall so cancel and retire, any other Right Certificate purchased or acquired by the Company otherwise than upon the exercise thereof. The Rights Agent shall deliver all cancelled Right Certificates to the Company, or shall, at the written request of the Company, destroy or cause to be destroyed such cancelled Right Certificates, and in such case shall deliver a certificate of destruction thereof to the Company.

Section 9. Availability of Shares of Preferred Stock. (a) The Company covenants and agrees that it will cause to be reserved and kept available out of its authorized and unissued shares of Preferred Stock or any shares of Preferred Stock held in its treasury, the number of shares of Preferred Stock that will be sufficient to permit the exercise in full of all outstanding Rights.

(b) So long as the shares of Preferred Stock (and, following the time that a Person becomes an Acquiring Person, shares of Common Stock and/or other securities) issuable upon the exercise of Rights may be listed or admitted to trading on the NYSE or listed on any other national securities exchange or quotation system, the Company shall use its best efforts to cause, from and after such time as the Rights become exercisable, all shares reserved for such issuance to be listed or admitted to trading on the NYSE or listed on any other national securities exchange or quotation system upon official notice of issuance upon such exercise.

(c) From and after such time as the Rights become exercisable, the Company shall use its best efforts, if then necessary to permit the issuance of shares of Preferred Stock (and following the time that a Person first becomes an Acquiring Person, shares of Common Stock and other securities) upon the exercise of Rights, to register and qualify such shares of Preferred Stock (and following the time that a Person first becomes an Acquiring Person, shares of Common Stock and/or other securities) under the Securities Act and any applicable state securities or Blue Sky laws (to the extent exemptions therefrom are not available), cause such registration statement and qualifications to become effective as soon as possible after such filing and keep such registration and qualifications effective until the earlier of (x) the date as of which the Rights are no longer exercisable for such securities and (y) the Expiration Date. The Company may temporarily suspend, for a period of time not to exceed 90 days, the exercisability of the Rights in order to prepare and file a registration statement under the Securities Act and permit it to become effective. Upon any such suspension, the Company shall issue a public announcement stating that the exercisability of the Rights has been temporarily suspended, as well as a public announcement at such time as the suspension is no longer in effect. Notwithstanding any provision of this Rights Agreement to the contrary, the Rights shall not be exercisable in any jurisdiction unless the requisite qualification or exemption in such jurisdiction shall have been obtained and until a registration statement under the Securities Act (if required) shall have been declared effective.

A-8

(d) The Company covenants and agrees that it will take all such action as may be necessary to ensure that all shares of Preferred Stock (and, following the time that a Person becomes an Acquiring Person, shares of Common Stock and other securities) delivered upon exercise of Rights shall, at the time of delivery of the certificates therefor (subject to payment of the Purchase Price), be duly and validly authorized and issued and fully paid and nonassessable shares.

(e) The Company further covenants and agrees that it will pay when due and payable any and all federal and state transfer taxes and charges which may be payable in respect of the issuance or delivery of the Right Certificates or of any shares of Preferred Stock (or shares of Common Stock or other securities) upon the exercise of Rights. The Company shall not, however, be required to pay any transfer tax or charge which may be payable in respect of any transfer or delivery of Right Certificates to a Person other than, or the issuance or delivery of certificates or depositary receipts for the Preferred Stock (or shares of Common Stock or other securities) in a name other than that of, the registered holder of the Right Certificate evidencing Rights surrendered for exercise or to issue or deliver any certificates or depositary receipts for Preferred Stock (or shares of Common Stock or other securities) upon the exercise of any Rights until any such tax or charge shall have been paid (any such tax or charge being payable by that holder of such Right Certificate at the time of surrender) or until it has been established to the Company's reasonable satisfaction that no such tax or charge is due.

Section 10. Preferred Stock Record Date. Each Person in whose name any certificate for Preferred Stock is issued upon the exercise of Rights shall for all purposes be deemed to have become the holder of record of the shares of Preferred Stock represented thereby on, and such certificate shall be dated, the date upon which the Right Certificate evidencing such Rights was duly surrendered and payment of the Purchase Price (and any applicable transfer taxes or charges) was made; provided, however, that if the date of such surrender and payment is a date upon which the Preferred Stock transfer books of the Company are closed, such Person shall be deemed to have become the record holder of such shares (fractional or otherwise) on, and such certificate shall be dated, the next succeeding Business Day on which such transfer books are open. Prior to the exercise of the Rights evidenced thereby, the holder of a Right Certificate shall not be entitled to any rights of a holder of Preferred Stock for which the Rights shall be exercisable, including, without limitation, the right to vote or to receive dividends or other distributions, and shall not be entitled to receive any notice of any proceedings of the Company, except as provided herein.

Section 11. Adjustment of Purchase Price, Number and Kind of Shares and Number of Rights. The Purchase Price, the number of shares of Preferred Stock or other securities or property purchasable upon exercise of each Right and the number of Rights outstanding are subject to adjustment from time to time as provided in this Section 11.

(a) (i) In the event the Company shall at any time after the date of this Rights Agreement (A) declare and pay a dividend on the Preferred Stock payable in shares of Preferred Stock, (B) subdivide the outstanding shares of Preferred Stock, (C) combine the outstanding shares of Preferred Stock into a smaller number of shares of Preferred Stock or (D) issue any shares of its capital stock in a reclassification of the shares of Preferred Stock (including any such reclassification in connection with a consolidation or merger in which the Company is the continuing or surviving corporation), except as otherwise provided in this Section 11(a), the Purchase Price in effect at the time of the record date for such dividend or of the effective date of such subdivision, combination or reclassification, as the case may be, and the number and kind of shares of capital stock issuable on such date, shall be proportionately adjusted so that the holder of any Right exercised after such time shall be entitled to receive the aggregate number and kind of shares of capital stock which, if such Right had been exercised immediately prior to such date and at a time when the Preferred Stock transfer books of the Company were open, the holder would have owned upon such exercise and been entitled to receive by virtue of such dividend, subdivision, combination or reclassification; provided, however, that in no event shall the consideration to be paid upon the exercise of one Right be less than the aggregate par value of the shares of capital stock of the Company issuable upon exercise of one Right.

A-9

(ii) Subject to Section 24 of this Rights Agreement and except as otherwise provided in this Section 11(a)(ii) and Section 11(a)(iii), in the event that any Person becomes an Acquiring Person, each holder of a Right shall thereafter have the right to receive, upon exercise thereof at a price equal to the then-current Purchase Price, in accordance with the terms of this Rights Agreement and in lieu of shares of Preferred Stock, such number of shares of Common Stock (or at the option of the Company, such number of one one-thousandths of a share of Preferred Stock) as shall equal the result obtained by (x) multiplying the then-current Purchase Price by the number of one one-thousandths of a share of Preferred Stock for which a Right is then exercisable and dividing that product by (y) 50% of the then-current per share market price of the Company's Common Stock (determined pursuant to Section 11(d) hereof) on the date of the occurrence of such event; provided, however, that the Purchase Price (as so adjusted) and the number of shares of Common Stock so receivable upon exercise of a Right shall thereafter be subject to further adjustment as appropriate in accordance with this Section 11. Notwithstanding anything in this Rights Agreement to the contrary, however, from and after the time (the Invalidation Time) when any Person first becomes an Acquiring Person, any Rights that are beneficially owned by (x) any Acquiring Person (or any Affiliate or Associate of any Acquiring Person), (y) a transferee of any Acquiring Person (or any such Affiliate or Associate) who becomes a transferee after the Invalidation Time or (z) a transferee of any Acquiring Person (or any such Affiliate or Associate) who became a transferee prior to or concurrently with the Invalidation Time pursuant to either (I) a transfer from the Acquiring Person to holders of its equity securities or to any Person with whom it has any continuing agreement, arrangement or understanding, written or otherwise, regarding the transferred Rights or (II) a transfer that the Board of Directors has determined is part of a plan, arrangement or understanding, written or otherwise, which has the purpose or effect of avoiding the provisions of this paragraph, and subsequent transferees of such Persons, shall be void without any further action and any holder of such Rights shall thereafter have no rights whatsoever with respect to such Rights under any provision of this Rights Agreement. The Company shall use all reasonable efforts to ensure that the provisions of this Section 11(a)(ii) are complied with, but shall have no liability to any holder of Right Certificates or other Person as a result of its failure to make any determinations with respect to an Acquiring Person or its Affiliates, Associates or transferees hereunder. From and after the Invalidation Time, no Right Certificate shall be issued pursuant to Section 3 or Section 6 hereof that represents Rights that are or have become void pursuant to the provisions of this paragraph, and any Right Certificate delivered to the Rights Agent that represents Rights that are or have become void pursuant to the provisions of this paragraph shall be cancelled. From and after the occurrence of an event specified in Section 13(a) hereof, any Rights that theretofore have not been exercised pursuant to this Section 11(a)(ii) shall thereafter be exercisable only in accordance with Section 13 and not pursuant to this Section 11(a)(ii).

(iii) The Company may at its option substitute for a share of Common Stock issuable upon the exercise of Rights in accordance with the foregoing subparagraph (ii) such number or fractions of shares of Preferred Stock having an aggregate current market value equal to the current per share market price of a share of Common Stock. In the event that there shall be an insufficient number of shares of Common Stock authorized but unissued (and unreserved) to permit the exercise in full of the Rights in accordance with the foregoing subparagraph (ii), the

Board of Directors shall, with respect to such deficiency, to the extent permitted by applicable law and any material agreements then in effect to which the Company is a party (A) determine the excess of (x) the value of the shares of Common Stock issuable upon the exercise of a Right in accordance with the foregoing subparagraph (ii) (the Current Value) over (y) the then-current Purchase Price multiplied by the number of one one-thousandths of a share of Preferred Stock for which a Right was exercisable immediately prior to the time that the Acquiring Person became such (such excess, the Spread), and (B) with respect to each Right (other than Rights which have become void pursuant to Section 11(a)(ii)), make adequate provision to substitute for the shares of Common Stock issuable in accordance with the foregoing subparagraph (ii) upon exercise of the Right and payment of the Purchase Price (as adjusted in accordance therewith), (1) cash, (2) a reduction in such Purchase Price, (3) shares of Preferred Stock or other equity securities of the

Company (including, without limitation, shares or fractions of shares of preferred stock which, by virtue of having dividend, voting and liquidation rights substantially comparable to those of the shares of Common Stock, are deemed in good faith by the Board of Directors to have substantially the same value as the shares of Common Stock (such shares of preferred stock and shares or fractions of shares of preferred stock are hereinafter referred to as Common Stock Equivalents), (4) debt securities of the Company, (5) other assets or (6) any combination of the foregoing, having a value which, when added to the value of the shares of Common Stock actually issued upon exercise of such Right, shall have an aggregate value equal to the Current Value (less the amount of any reduction in such Purchase Price), where such aggregate value has been determined by the Board of Directors upon the advice of a nationally recognized investment banking firm selected in good faith by the Board of Directors; provided, however, if the Company shall not make adequate provision to deliver value pursuant to clause (B) above within 30 days following the date that the Acquiring Person became such (the Section 11(a)(ii) Trigger Date), then the Company shall be obligated to deliver, to the extent permitted by applicable law and any material agreements then in effect to which the Company is a party, upon the surrender for exercise of a Right and without requiring payment of the Purchase Price, shares of Common Stock (to the extent available), and then, if necessary, such number or fractions of shares of Preferred Stock (to the extent available) and then, if necessary, cash, which shares and/or cash have an aggregate value equal to the Spread. If within the 30 day period referred to above the Board of Directors shall determine in good faith that it is likely that sufficient additional shares of Common Stock could be authorized for issuance upon exercise in full of the Rights, then, if the Board of Directors so elects, such 30 day period may be extended to the extent necessary, but not more than 90 days after the Section 11(a)(ii) Trigger Date, in order that the Company may seek stockholder approval for the authorization of such additional shares (such 30 day period, as it may be extended, is hereinafter called the Substitution Period). To the extent that the Company determines that some action need be taken pursuant to the second and/or third sentence of this Section 11(a)(iii), the Company (x) shall provide, subject to Section 11(a)(ii) hereof and the last sentence of this Section 11(a)(iii) hereof, that such action shall apply uniformly to all outstanding Rights and (y) may suspend the exercisability of the Rights until the expiration of the Substitution Period in order to seek any authorization of additional shares and/or to decide the appropriate form of distribution to be made pursuant to such second sentence and to determine the value thereof. In the event of any such suspension, the Company shall issue a public announcement stating that the exercisability of the Rights has been temporarily suspended, as well as a public announcement at such time as the suspension is no longer in effect. For purposes of this Section 11(a)(iii), the per share value of the shares of Common Stock shall be the current per share market price (as determined pursuant to Section 11(d)(i)) on the Section 11(a)(ii) Trigger Date and the per share or fractional value of any Common Stock Equivalent shall be deemed to equal the current per share market price of the Common Stock on such date. The Board of Directors of the Company may, but shall not be required to, establish procedures to allocate the right to receive shares of Common Stock upon the exercise of the Rights among the holders of Rights pursuant to this Section 11(a)(iii).

(b) In case the Company shall fix a record date for the issuance of rights, options or warrants to all holders of Preferred Stock entitling them (for a period expiring within 45 calendar days after such record date) to subscribe for or purchase Preferred Stock (or shares having similar rights, privileges and preferences as the Preferred Stock (Equivalent Preferred Shares)) or securities convertible into Preferred Stock or Equivalent Preferred Shares at a price per share of Preferred Stock or Equivalent Preferred Shares (or having a conversion price per share, if a security convertible into shares of Preferred Stock or Equivalent Preferred Shares) less than the then-current per share market price of the Preferred Stock (determined pursuant to Section 11(d) hereof) on such record date, the Purchase Price to be in effect after such record date shall be determined by multiplying the Purchase Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the number of shares of Preferred Stock and Equivalent Preferred Shares outstanding on such record date plus the number of shares of Preferred Stock and Equivalent Preferred Shares which the aggregate offering price of the total number of such shares so to be offered (and/or the aggregate

A-11

initial conversion price of the convertible securities so to be offered) would purchase at such current market price, and the denominator of which shall be the number of shares of Preferred Stock and Equivalent Preferred Shares outstanding on such record date plus the number of additional

shares of Preferred Stock and/or Equivalent Preferred Shares to be offered for subscription or purchase (or into which the convertible securities so to be offered are initially convertible); provided, however, that in no event shall the consideration to be paid upon the exercise of one Right be less than the aggregate par value of the shares of capital stock of the Company issuable upon exercise of one Right. In case such subscription price may be paid in a consideration part or all of which shall be in a form other than cash, the value of such consideration shall be as determined in good faith by the Board of Directors of the Company, whose determination shall be described in a statement filed with the Rights Agent and which shall be binding on the Rights Agent. Shares of Preferred Stock and Equivalent Preferred Shares owned by or held for the account of the Company shall not be deemed outstanding for the purpose of any such computation. Such adjustment shall be made successively whenever such a record date is fixed; and in the event that such rights, options or warrants are not so issued, the Purchase Price shall be adjusted to be the Purchase Price which would then be in effect if such record date had not been fixed.

(c) In case the Company shall fix a record date for the making of a distribution to all holders of the Preferred Stock (including any such distribution made in connection with a consolidation or merger in which the Company is the continuing or surviving corporation) of evidences of indebtedness or assets (other than a regular quarterly cash dividend or a dividend payable in Preferred Stock) or subscription rights or warrants (excluding those referred to in Section 11(b) hereof), the Purchase Price to be in effect after such record date shall be determined by multiplying the Purchase Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the then-current per share market price of the Preferred Stock (determined pursuant to Section 11(d) hereof) on such record date, less the fair market value (as determined in good faith by the Board of Directors of the Company whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent) of the portion of such assets or evidences of indebtedness so to be distributed or of such subscription rights or warrants applicable to one share of Preferred Stock, and the denominator of which shall be such current per share market price of the Preferred Stock (determined pursuant to Section 11(d) hereof); provided, however, that in no event shall the consideration to be paid upon the exercise of one Right be less than the aggregate par value of the shares of capital stock of the Company to be issued upon exercise of one Right. Such adjustments shall be made successively whenever such a record date is fixed; and in the event that such distribution is not so made, the Purchase Price shall again be adjusted to be the Purchase Price that would then be in effect if such record date had not been fixed.

(d) (i) Except as otherwise provided herein, for the purpose of any computation hereunder, the current per share market price of any security (a Security for the purpose of this Section 11(d)(i)) on any date shall be deemed to be the average of the daily closing prices per share of such Security for the 30 consecutive Trading Days (as such term is hereinafter defined) immediately prior to such date; provided, however, that in the event that the current per share market price of the Security is determined during a period following the announcement by the issuer of such Security of (A) a dividend or distribution on such Security payable in shares of such Security or securities convertible into such shares, or (B) any subdivision, combination or reclassification of such Security, and prior to the expiration of 30 Trading Days after the ex-dividend date for such dividend or distribution, or the record date for such subdivision, combination or reclassification, then, and in each such case, the current per share market price shall be appropriately adjusted to reflect the current market price per share equivalent of such Security. The closing price for each day shall be the last sale price, regular way, or, in case no such sale takes place on such day, the average of the closing bid and asked prices, regular way, in either case as reported by (w) the principal consolidated transaction reporting system with respect to securities listed or admitted to trading on the NYSE or, (x) if the Security is not listed or admitted to trading on the NYSE, as reported in the principal consolidated transaction reporting system with respect to securities listed on the principal national securities exchange on which the Security is listed or admitted to trading or, (y) if the Security is not listed or admitted to trading on any national securities exchange, the last quoted price or, if not so quoted, the average of the high bid and low asked

A-12

prices in the over-the-counter market, as reported by the system then in use, or, (z) if on any such date the Security is not so quoted or reported, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the Security selected by the Board of Directors of the Company. The term Trading Day shall mean a day on which the principal national securities exchange on which the Security is listed or admitted to trading is open for the transaction of business or, if the Security is not listed or admitted to trading on any national securities exchange, a Business Day.

(ii) For the purpose of any computation hereunder, if the Preferred Stock is publicly traded, the current per share market price of the Preferred Stock shall be determined in accordance with the method set forth in Section 11(d)(i). If the Preferred Stock is not publicly traded but the Common Stock is publicly traded, the current per share market price of the Preferred Stock shall be conclusively deemed to be the current per share market price of the Common Stock, as determined pursuant to Section 11(d)(i), multiplied by one thousand (appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date hereof). If neither the Common Stock nor the Preferred Stock is publicly traded, current per share market price shall mean the fair value per share as determined in good faith by the Board of Directors of the Company, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent.

(e) No adjustment in the Purchase Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Purchase Price; provided, however, that any adjustments which by reason of this Section 11(e) are not required to be made shall be carried

forward and taken into account in any subsequent adjustment. All calculations under this Section 11 shall be made to the nearest cent or to the nearest one ten-thousandth of a share of Preferred Stock or share of Common Stock or other share or security as the case may be. Notwithstanding the first sentence of this Section 11(e), any adjustment required by this Section 11 shall be made no later than the earlier of (i) three years from the date of the transaction which requires such adjustment or (ii) the Expiration Date. If as a result of an adjustment made pursuant to Section 11(a) hereof, the holder of any Right thereafter exercised shall become entitled to receive any shares of capital stock of the Company other than the Preferred Stock, thereafter the Purchase Price and the number of such other shares so receivable upon exercise of a Right shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the Preferred Stock contained in Sections 11(a), 11(b), 11(c), 11(e), 11(h), 11(i) and 11(m) hereof, as applicable, and the provisions of Sections 7, 9, 10, 13 and 14 hereof with respect to the Preferred Stock shall apply on like terms to any such other shares.

(f) All Rights originally issued by the Company subsequent to any adjustment made to the Purchase Price hereunder shall evidence the right to purchase, at the adjusted Purchase Price, the number of one one-thousandths of a share of Preferred Stock purchasable from time to time hereunder upon exercise of the Rights, all subject to further adjustment as provided herein.

(g) Unless the Company shall have exercised its election as provided in Section 11(i), upon each adjustment of the Purchase Price as a result of the calculations made in Sections 11(b) and 11(c), each Right outstanding immediately prior to the making of such adjustment shall thereafter evidence the right to purchase, at the adjusted Purchase Price, that number of one one-thousandths of a share of Preferred Stock (calculated to the nearest ten-thousandth of a share of Preferred Stock) obtained by (i) multiplying (x) the number of one one-thousandths of a share of Preferred Stock purchasable upon the exercise of a Right immediately prior to such adjustment by (y) the Purchase Price in effect immediately prior to such adjustment of the Purchase Price and (ii) dividing the product so obtained by the Purchase Price in effect immediately after such adjustment of the Purchase Price.

(h) The Company may elect on or after the date of any adjustment of the Purchase Price or any adjustment to the number of shares of Preferred Stock for which a Right may be exercised made pursuant to Sections 11(a)(i), 11(b) or 11(c) hereof to adjust the number of Rights, in substitution for any adjustment in the number of one one-thousandths of a share of Preferred Stock purchasable upon the exercise of a Right.

A-13

Each of the Rights outstanding after such adjustment of the number of Rights shall be exercisable for the number of one one-thousandths of a share of Preferred Stock for which a Right was exercisable immediately prior to such adjustment. Each Right held of record prior to such adjustment of the number of Rights shall become that number of Rights (calculated to the nearest ten-thousandth) obtained by dividing the Purchase Price in effect immediately prior to adjustment of the Purchase Price by the Purchase Price in effect immediately after adjustment of the Purchase Price. The Company shall make a public announcement of its election to adjust the number of Rights, indicating the record date for the adjustment, and, if known at the time, the amount of the adjustment to be made. Such record date may be the date on which the Purchase Price is adjusted or any day thereafter, but, if the Right Certificates have been issued, shall be at least 10 days later than the date of the public announcement. If Right Certificates have been issued, upon each adjustment of the number of Rights pursuant to this Section 11(i), the Company may, as promptly as practicable, cause to be distributed to holders of record of Right Certificates on such record date Right Certificates evidencing, subject to Section 14 hereof, the additional Rights to which such holders shall be entitled as a result of such adjustment, or, at the option of the Company, shall cause to be distributed to such holders of record in substitution and replacement for the Right Certificates held by such holders prior to the date of adjustment, and upon surrender thereof, if required by the Company, new Right Certificates evidencing all the Rights to which such holders shall be entitled as a result of such adjustment. Right Certificates so to be distributed shall be issued, executed and countersigned in the manner provided for herein and shall be registered in the names of the holders of record of Right Certificates on the record date specified in the public announcement.

(i) Irrespective of any adjustment or change in the Purchase Price or the number of one one-thousandths of a share of Preferred Stock issuable upon the exercise of the Rights, the Right Certificates theretofore and thereafter issued may continue to express the Purchase Price and the number of one one-thousandths of a share of Preferred Stock which were expressed in the initial Right Certificates issued hereunder.

(j) Before taking any action that would cause an adjustment reducing the Purchase Price below the then par value, if any, of the shares of Preferred Stock or other shares of capital stock issuable upon exercise of the Rights, the Company shall take any corporate action which may, in the opinion of its counsel, be necessary in order that the Company may validly and legally issue fully paid and nonassessable shares of Preferred Stock or other such shares at such adjusted Purchase Price.

(k) In any case in which this Section 11 shall require that an adjustment in the Purchase Price be made effective as of a record date for a specified event, the Company may elect to defer until the occurrence of such event the issuing to the holder of any Right exercised after such record date the Preferred Stock, Common Stock or other capital stock or securities of the Company, if any, issuable upon such exercise over and above the Preferred Stock, Common Stock or other capital stock or securities of the Company, if any, issuable upon such exercise on the basis of

the Purchase Price in effect prior to such adjustment; provided, however, that the Company shall deliver to such holder a due bill or other appropriate instrument evidencing such holder's right to receive such additional shares upon the occurrence of the event requiring such adjustment.

(l) Notwithstanding anything in this Section 11 to the contrary, the Company shall be entitled to make such adjustments in the Purchase Price, in addition to those adjustments expressly required by this Section 11, as and to the extent that the Board of Directors in its sole discretion shall determine to be advisable in order that any consolidation or subdivision of the Preferred Stock, issuance (wholly for cash) of any shares of Preferred Stock at less than the current market price, issuance (wholly for cash) of Preferred Stock or securities which by their terms are convertible into or exchangeable for Preferred Stock, dividends on Preferred Stock payable in shares of Preferred Stock or issuance of rights, options or warrants referred to hereinabove in Section 11(b), hereafter made by the Company to holders of its Preferred Stock shall not be taxable to such stockholders.

A-14

(m) Notwithstanding anything in this Rights Agreement to the contrary, in the event that at any time after the date of this Rights Agreement and prior to the Distribution Date, the Company shall (i) declare and pay any dividend on the Common Stock payable in Common Stock, or (ii) effect a subdivision, combination or consolidation of the Common Stock (by reclassification or otherwise than by payment of a dividend payable in Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case, the number of Rights associated with each share of Common Stock then outstanding, or issued or delivered thereafter, shall be proportionately adjusted so that the number of Rights thereafter associated with each share of Common Stock following any such event shall equal the result obtained by multiplying the number of Rights associated with each share of Common Stock immediately prior to such event by a fraction the numerator of which shall be the total number of shares of Common Stock outstanding immediately prior to the occurrence of the event and the denominator of which shall be the total number of shares of Common Stock outstanding immediately following the occurrence of such event.

(n) The Company agrees that, after the earlier of the Distribution Date or the Stock Acquisition Date, it will not, except as permitted by Sections 23, 24 or 27 hereof, take (or permit any Subsidiary to take) any action if at the time such action is taken it is reasonably foreseeable that such action will diminish substantially or eliminate the benefits intended to be afforded by the Rights.

Section 12. Certificate of Adjusted Purchase Price or Number of Shares. Whenever an adjustment is made as provided in Section 11 or 13 hereof, the Company shall promptly (a) prepare a certificate setting forth such adjustment, and a brief statement of the facts accounting for such adjustment, (b) file with the Rights Agent and with each transfer agent for the Common Stock and the Preferred Stock a copy of such certificate and (c) mail a brief summary thereof to each holder of a Right Certificate (or if prior to the Distribution Date, to each holder of a certificate representing shares of Common Stock) in accordance with Section 26 hereof (if so required under Section 25 hereof). Notwithstanding the foregoing sentence, the failure of the Company to give such notice shall not affect the validity of or the force or effect of or the requirement for such adjustment. The Rights Agent shall be fully protected in relying on any such certificate and on any adjustment therein contained and shall not be deemed to have knowledge of any such adjustment unless and until it shall have received such certificate. Any adjustment to be made pursuant to Sections 11 or 13 hereof shall be effective as of the date of the event giving rise to such adjustment.

Section 13. Consolidation, Merger or Sale or Transfer of Assets or Earning Power. (a) In the event, directly or indirectly, at any time after any Person has become an Acquiring Person, (i) the Company shall merge with and into any other Person (other than one or more of its wholly-owned Subsidiaries), (ii) any Person (other than one or more of its wholly-owned Subsidiaries) shall consolidate with the Company, or any Person (other than one or more of its wholly-owned Subsidiaries) shall merge with and into the Company and the Company shall be the continuing or surviving corporation of such merger and, in connection with such merger, all or part of the Common Stock shall be changed into or exchanged for stock or other securities of any other Person (or of the Company) or cash or any other property, or (iii) the Company shall sell or otherwise transfer (or one or more of its Subsidiaries shall sell or otherwise transfer), in one or more transactions, assets or earning power aggregating to 50% or more of the assets or earning power of the Company and its Subsidiaries (taken as a whole) to any other Person (other than the Company or one or more of its wholly-owned Subsidiaries), then, and in each such case, proper provision shall be made so that:

(A) each holder of record of a Right (other than Rights which have become void pursuant to Section 11(a)(ii)) shall thereafter have the right to receive, upon the exercise thereof at a price equal to the then-current Purchase Price multiplied by the number of one one-thousandths of a share of Preferred Stock for which a Right was exercisable (whether or not such Right was then exercisable) immediately prior to the time that any Person first became an Acquiring Person (each as subsequently adjusted thereafter pursuant to Sections 11(a)(i), 11(b), 11(c), 11(f), 11(h), 11(i) and 11(m)), in accordance with the terms of this Rights Agreement and in lieu of Preferred Stock, such number of validly issued, fully paid and non-assessable and freely tradeable shares of Common Stock of the Principal Party (as defined below) not subject to any liens, encumbrances, rights of first refusal or other adverse claims, as shall be equal to the result obtained by (1)

A-15

multiplying the then-current Purchase Price by the number of one one-thousandths of a share of Preferred Stock for which a Right was exercisable immediately prior to the time that any Person first became an Acquiring Person (as subsequently adjusted thereafter pursuant to Sections 11(a)(i), 11(b), 11(c), 11(f), 11(h), 11(i) and 11(m)) and (2) dividing that product by 50% of the then-current per share market price of the Common Stock of such Principal Party (determined pursuant to Section 11(d)(i) hereof) on the date of consummation of such consolidation, merger, sale or transfer; provided, that the Purchase Price and the number of shares of Common Stock of such Principal Party issuable upon exercise of each Right shall be further adjusted as provided in Section 11(f) of this Rights Agreement to reflect any events occurring in respect of such Principal Party after the date of such consolidation, merger, sale or transfer;

(B) such Principal Party shall thereafter be liable for, and shall assume, by virtue of such consolidation, merger, sale or transfer, all the obligations and duties of the Company pursuant to this Rights Agreement;

(C) the term Company as used herein shall thereafter be deemed to refer to such Principal Party; and

(D) such Principal Party shall take such steps (including, but not limited to, the reservation of a sufficient number of its shares of its Common Stock) in connection with such consummation of any such transaction as may be necessary to assure that the provisions hereof shall thereafter be applicable, as nearly as reasonably may be, in relation to the shares of its Common Stock thereafter deliverable upon the exercise of the Rights; provided, that upon the subsequent occurrence of any consolidation, merger, sale or transfer of assets or other extraordinary transaction in respect of such Principal Party, each holder of a Right shall thereupon be entitled to receive, upon exercise of a Right and payment of the Purchase Price as provided in this Section 13(a), such cash, shares, rights, warrants and other property which such holder would have been entitled to receive had such holder, at the time of such transaction, owned the Common Stock of the Principal Party receivable upon the exercise of a Right pursuant to this Section 13(a), and such Principal Party shall take such steps (including, but not limited to, reservation of shares of stock) as may be necessary to permit the subsequent exercise of the Rights in accordance with the terms hereof for such cash, shares, rights, warrants and other property.

(b) Principal Party shall mean:

(i) in the case of any transaction described in clauses (i) or (ii) of the first sentence of Section 13(a) hereof: (A) the Person that is the issuer of the securities into which the shares of Common Stock are converted in such merger or consolidation, or, if there is more than one such issuer, the issuer of the shares of Common Stock of which have the greatest aggregate market value of shares outstanding, or (B) if no securities are so issued, (x) the Person that is the other party to the merger, if such Person survives said merger, or, if there is more than one such Person, the Person the shares of Common Stock of which have the greatest aggregate market value of shares outstanding or (y) if the Person that is the other party to the merger does not survive the merger, the Person that does survive the merger (including the Company if it survives) or (z) the Person resulting from the consolidation; and

(ii) in the case of any transaction described in clause (iii) of the first sentence in Section 13(a) hereof, the Person that is the party receiving the greatest portion of the assets or earning power transferred pursuant to such transaction or transactions, or, if each Person that is a party to such transaction or transactions receives the same portion of the assets or earning power so transferred or if the Person receiving the greatest portion of the assets or earning power cannot be determined, whichever of such Persons is the issuer of Common Stock having the greatest aggregate market value of shares outstanding;

provided, however, that in any such case described in the foregoing clause (b)(i) or (b)(ii), if the Common Stock of such Person is not at such time or has not been continuously over the preceding 12-month period registered under Section 12 of the Exchange Act, then (1) if such Person is a direct or indirect Subsidiary of

another Person the Common Stock of which is and has been so registered, the term Principal Party shall refer to such other Person, or (2) if such Person is a Subsidiary, directly or indirectly, of more than one Person, and the Common Stock of all of such Persons have been so registered, the term Principal Party shall refer to whichever of such Persons is the issuer of Common Stock having the greatest aggregate market value of shares outstanding, or (3) if such Person is owned, directly or indirectly, by a joint venture formed by two or more Persons that are not owned, directly or indirectly, by the same Person, the rules set forth in clauses (1) and (2) above shall apply to each of the owners having an interest in the

Edgar Filing: CNO Financial Group, Inc. - Form DEF 14A

venture as if the Person owned by the joint venture was a Subsidiary of both or all of such joint venturers, and the Principal Party in each such case shall bear the obligations set forth in this Section 13 in the same ratio as its interest in such Person bears to the total of such interests.

(c) The Company shall not consummate any consolidation, merger, sale or transfer referred to in Section 13(a) hereof unless prior thereto the Company and the Principal Party involved therein shall have executed and delivered to the Rights Agent an agreement confirming that the requirements of Sections 13(a) and (b) hereof shall promptly be performed in accordance with their terms and that such consolidation, merger, sale or transfer of assets shall not result in a default by the Principal Party under this Rights Agreement as the same shall have been assumed by the Principal Party pursuant to Sections 13(a) and (b) hereof and providing that, as soon as practicable after executing such agreement pursuant to this Section 13, the Principal Party will:

(i) prepare and file a registration statement under the Securities Act, if necessary, with respect to the Rights and the securities purchasable upon exercise of the Rights on an appropriate form, use its best efforts to cause such registration statement to become effective as soon as practicable after such filing and use its best efforts to cause such registration statement to remain effective (with a prospectus at all times meeting the requirements of the Securities Act) until the Expiration Date, and similarly comply with applicable state securities laws;

(ii) use its best efforts, if the Common Stock of the Principal Party shall be listed or admitted to trading on the NYSE or on another national securities exchange, to list or admit to trading (or continue the listing of) the Rights and the securities purchasable upon exercise of the Rights on the NYSE or such securities exchange, or, if the Common Stock of the Principal Party shall not be listed or admitted to trading on the NYSE or a national securities exchange, to cause the Rights and the securities receivable upon exercise of the Rights to be reported by such other system then in use;

(iii) deliver to holders of the Rights historical financial statements for the Principal Party which comply in all respects with the requirements for registration on Form 10 (or any successor form) under the Exchange Act; and

(iv) obtain waivers of any rights of first refusal or preemptive rights in respect of the Common Stock of the Principal Party subject to purchase upon exercise of outstanding Rights.

In the event that any of the transactions described in Section 13(a) hereof shall occur at any time after the occurrence of a transaction described in Section 11(a)(ii) hereof, the Rights which have not theretofore been exercised shall thereafter be exercisable in the manner described in Section 13(a).

(d) In case the Principal Party has a provision in any of its authorized securities or in its certificate of incorporation or by-laws or other instrument governing its affairs, which provision would have the effect of (i) causing such Principal Party to issue (other than to holders of Rights pursuant to this Section 13), in connection with, or as a consequence of, the consummation of a transaction referred to in this Section 13, shares of Common Stock or Common Stock Equivalents of such Principal Party at less than the then-current market price per share thereof (determined pursuant to Section 11(d) hereof) or securities exercisable for, or convertible into, Common Stock or Common Stock Equivalents of such Principal Party at less than such then-current market price, or (ii) providing for any special payment, tax or similar provision in connection with the issuance of the Common Stock of such Principal Party pursuant to the provisions of Section 13, then,

A-17

in such event, the Company hereby agrees with each holder of Rights that it shall not consummate any such transaction unless prior thereto the Company and such Principal Party shall have executed and delivered to the Rights Agent a supplemental agreement providing that the provision in question of such Principal Party shall have been canceled, waived or amended, or that the authorized securities shall be redeemed, so that the applicable provision will have no effect in connection with, or as a consequence of, the consummation of the proposed transaction.

(e) The Company covenants and agrees that it shall not, at any time after a Person first becomes an Acquiring Person, enter into any transaction of the type contemplated by Sections 13(a)(i)-(iii) hereof if (x) at the time of or immediately after such consolidation, merger, sale, transfer or other transaction there are any rights, warrants or other instruments or securities outstanding or agreements in effect which would substantially diminish or otherwise eliminate the benefits intended to be afforded by the Rights, (y) prior to, simultaneously with or immediately after such consolidation, merger, sale, transfer or other transaction, the stockholders of the Person who constitutes, or would constitute, the Principal Party for purposes of Section 13(b) hereof shall have received a distribution of Rights previously owned by such Person or any of its Affiliates or Associates or (z) the form or nature of organization of the Principal Party would preclude or limit the exercisability of the Rights.

Section 14. Fractional Rights and Fractional Shares. (a) The Company shall not be required to issue fractions of Rights (except prior to the Distribution Date in accordance with Section 11(n) hereof) or to distribute Right Certificates which evidence fractional Rights. In lieu of such

fractional Rights, there shall be paid to the registered holders of the Right Certificates with regard to which such fractional Rights would otherwise be issuable, an amount in cash equal to the same fraction of the current market value of a whole Right. For the purposes of this Section 14(a), the current market value of a whole Right shall be the closing price of the Rights for the Trading Day immediately prior to the date on which such fractional Rights would have been otherwise issuable. The closing price for any day shall be the last sale price, regular way, or, in case no such sale takes place on such day, the average of the closing bid and asked prices, regular way, in either case as reported by (w) the principal consolidated transaction reporting system with respect to securities listed or admitted to trading on the NYSE or, (x) if the Rights are not listed or admitted to trading on the NYSE, as reported in the principal consolidated transaction reporting system with respect to securities listed on the principal national securities exchange on which the Rights are listed or admitted to trading or, (y) if the Rights are not listed or admitted to trading on any national securities exchange, the last quoted price or, if not so quoted, the average of the high bid and low asked prices in the over-the-counter market, as reported by such system then in use or, (z) if on any such date the Rights are not so quoted or reported, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the Rights selected by the Board of Directors of the Company. If on any such date no such market maker is making a market in the Rights, the fair value of the Rights on such date as determined in good faith by the Board of Directors of the Company shall be used.

(b) The Company shall not be required to issue fractions of shares of Preferred Stock (other than fractions which are integral multiples of one one-thousandth of a share of Preferred Stock) upon exercise of the Rights or to distribute certificates which evidence fractional shares of Preferred Stock (other than fractions which are integral multiples of one one-thousandth of a share of Preferred Stock). Interests in fractions of Preferred Stock in integral multiples of one one-thousandth of a share of Preferred Stock may, at the election of the Company, be evidenced by depositary receipts, pursuant to an appropriate agreement between the Company and a depositary selected by it; provided, that such agreement shall provide that the holders of such depositary receipts shall have all the rights, privileges and preferences to which they are entitled as beneficial owners (for the purposes of this Section 14(b), as such term is defined in Rule 13d-3 or 13d-5 of the General Rules and Regulations under the Exchange Act) of the Preferred Stock represented by such depositary receipts. In lieu of fractional shares of Preferred Stock that are not integral multiples of one one-thousandth of a share of Preferred Stock, the Company shall pay to the registered holders of Right Certificates at the time such Rights are exercised or exchanged as herein provided an amount in cash equal to the same fraction of

A-18

the current market value of one share of Preferred Stock. For the purposes of this Section 14(b), the current market value of a share of Preferred Stock shall be the closing price of a share of Preferred Stock (as determined pursuant to Section 11(d)(ii) hereof) for the Trading Day immediately prior to the date of such exercise or exchange.

(c) The Company shall not be required to issue fractions of shares of Common Stock or to distribute certificates which evidence fractional shares of Common Stock upon the exercise or exchange of Rights. In lieu of such fractional shares of Common Stock, the Company shall pay to the registered holders of the Right Certificates with regard to which such fractional shares of Common Stock would otherwise be issuable an amount in cash equal to the same fraction of the current market value of a whole share of Common Stock. For purposes of this Section 14(c), the current market value of one share of Common Stock for which a Right is exercisable shall be deemed to be the closing price of one share of Common Stock (as determined in accordance with Section 11(d)(i) hereof), for the Trading Day immediately prior to the date of such exercise or exchange.

(d) The holder of a Right by the acceptance of the Right expressly waives the right to receive any fractional Rights or any fractional shares upon exercise or exchange of a Right (except as provided above).

Section 15. Rights of Action. All rights of action in respect of this Rights Agreement, excepting the rights of action given to the Rights Agent under Section 18 hereof, are vested in the respective registered holders of the Right Certificates (and, prior to the Distribution Date, the registered holders of the Common Stock); and any registered holder of any Right Certificate (or, prior to the Distribution Date, of the Common Stock), without the consent of the Rights Agent or of the holder of any other Right Certificate (or, prior to the Distribution Date, of the Common Stock), on such holder's own behalf and for such holder's own benefit, may enforce, and may institute and maintain any suit, action or proceeding against the Company to enforce, or otherwise act in respect of, such holder's right to exercise the Rights evidenced by such Right Certificate (or, prior to the Distribution Date, such Common Stock) in the manner provided in such Right Certificate and in this Rights Agreement. Without limiting the foregoing or any remedies available to the holders of Rights, it is specifically acknowledged that the holders of Rights would not have an adequate remedy at law for any breach of this Rights Agreement and will be entitled to specific performance of the obligations under, and injunctive relief against actual or threatened violations of the obligations of any Person subject to, this Rights Agreement.

Section 16. Agreement of Right Holders. Every holder of a Right, by accepting the same, consents and agrees with the Company and the Rights Agent and with every other holder of a Right that:

- (i) prior to the Distribution Date, the Rights will not be evidenced by a Right Certificate and will be transferable only in connection with the transfer of the Common Stock;
- (ii) after the Distribution Date, the Right Certificates are transferable only on the registry books of the Rights Agent if surrendered at the office or agency of the Rights Agent designated for such purpose, duly endorsed or accompanied by a proper instrument of transfer;
- (iii) the Company and the Rights Agent may deem and treat the Person in whose name the Right Certificate (or, prior to the Distribution Date, the Common Stock certificate (or Book Entry shares in respect of Common Stock)) is registered as the absolute owner thereof and of the Rights evidenced thereby (notwithstanding any notations of ownership or writing on the Right Certificates or the Common Stock certificate (or notices provided to holders of Book Entry shares of Common Stock) made by anyone other than the Company or the Rights Agent) for all purposes whatsoever, and neither the Company nor the Rights Agent, subject to Section 7(e) hereof, shall be affected by any notice to the contrary; and
- (iv) notwithstanding anything in this Rights Agreement to the contrary, neither the Company nor the Rights Agent shall have any liability to any holder of a Right or other Person as a result of its inability to perform any of its obligations under this Rights Agreement by reason of any preliminary or permanent

A-19

injunction or other order, judgment, decree or ruling (whether interlocutory or final) issued by a court or by a governmental, regulatory, self-regulatory or administrative agency or commission, or any statute, rule, regulation or executive order promulgated or enacted by any governmental authority, prohibiting or otherwise restraining performance of such obligation; provided, however, that the Company must use its reasonable best efforts to have any such injunction, order, judgment, decree or ruling lifted or otherwise overturned as soon as possible.

Section 17. Right Certificate Holder Not Deemed a Stockholder. No holder, as such, of any Right Certificate shall be entitled to vote, receive dividends or be deemed for any purpose the holder of the Preferred Stock or any other securities of the Company which may at any time be issuable on the exercise or exchange of the Rights represented thereby, nor shall anything contained herein or in any Right Certificate be construed to confer upon the holder of any Right Certificate, as such, any of the rights of a stockholder of the Company or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, or to give or withhold consent to any corporate action, or to receive notice of meetings or other actions affecting stockholders (except as provided in this Rights Agreement), or to receive dividends or subscription rights, or otherwise, until the Rights evidenced by such Right Certificate shall have been exercised or exchanged in accordance with the provisions hereof.

Section 18. Concerning the Rights Agent. (a) The Company agrees to pay to the Rights Agent reasonable compensation for all services rendered by it hereunder and, from time to time, on demand of the Rights Agent, its reasonable expenses and counsel fees and other disbursements incurred in the administration and execution of this Rights Agreement and the exercise and performance of its duties hereunder. The Company also agrees to indemnify the Rights Agent for, and to hold it harmless against, any loss, liability or expense, incurred without gross negligence, bad faith or willful misconduct on the part of the Rights Agent, for anything done or omitted by the Rights Agent in connection with the acceptance and administration of this Rights Agreement, including the costs and expenses of defending against any claim of liability arising therefrom, directly or indirectly.

(b) The Rights Agent shall be protected and shall incur no liability for, or in respect of any action taken, suffered or omitted by it in connection with, its administration of this Rights Agreement in reliance upon any Right Certificate or certificate representing the Preferred Stock, the Common Stock or any other securities of the Company, instrument of assignment or transfer, power of attorney, endorsement, affidavit, letter, notice, direction, consent, certificate, statement, or other paper or document reasonably believed by it to be genuine and to be signed, executed and, where necessary, verified or acknowledged, by the proper Person or Persons, or otherwise upon the advice of counsel as set forth in Section 20 hereof.

Section 19. Merger or Consolidation or Change of Name of Rights Agent. (a) Any corporation or entity into which the Rights Agent or any successor Rights Agent may be merged or with which it may be consolidated, or any corporation or entity resulting from any merger or consolidation to which the Rights Agent or any successor Rights Agent shall be a party, or any corporation or entity succeeding to the stock transfer or corporate trust powers of the Rights Agent or any successor Rights Agent, shall be the successor to the Rights Agent under this Rights Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto; provided, that such corporation or entity would be eligible for appointment as a successor Rights Agent under the provisions of Section 21 hereof. In case at the time such successor Rights Agent shall succeed to the agency created by this Rights Agreement, any of the Right Certificates shall have been countersigned but not delivered, any such successor Rights Agent may adopt the countersignature of the predecessor Rights Agent and deliver such Right Certificates so countersigned; and in case at that time any of the Right Certificates shall not have been countersigned, any successor

Rights Agent may countersign such Right Certificates either in the name of the predecessor Rights Agent or in the name of such successor Rights Agent; and in all such cases such Right Certificates shall have the full force provided in the Right Certificates and in this Rights Agreement.

A-20

(b) In case at any time the name of the Rights Agent shall be changed and at such time any of the Right Certificates shall have been countersigned but not delivered the Rights Agent may adopt the countersignature under its prior name and deliver Right Certificates so countersigned; and in case at that time any of the Right Certificates shall not have been countersigned, the Rights Agent may countersign such Right Certificates either in its prior name or in its changed name and in all such cases such Right Certificates shall have the full force provided in the Right Certificates and in this Rights Agreement.

Section 20. Duties of Rights Agent. The Rights Agent undertakes the duties and obligations imposed by this Rights Agreement upon the following terms and conditions, by all of which the Company and the holders of Right Certificates, by their acceptance thereof, shall be bound:

(a) The Rights Agent may consult with legal counsel (who may be legal counsel for the Company), and the opinion of such counsel shall be full and complete authorization and protection to the Rights Agent as to any action taken or omitted by it in good faith and in accordance with such opinion.

(b) Whenever in the performance of its duties under this Rights Agreement the Rights Agent shall deem it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by any one of the Chief Executive Officer, President, any Vice President, the Treasurer or the Secretary of the Company (each, an Authorized Officer) and delivered to the Rights Agent; and such certificate shall be full authorization to the Rights Agent for any action taken or suffered in good faith by it under the provisions of this Rights Agreement in reliance upon such certificate.

(c) The Rights Agent shall be liable hereunder to the Company and any other Person only for its own gross negligence, bad faith or willful misconduct.

(d) The Rights Agent shall not be liable for or by reason of any of the statements of fact or recitals contained in this Rights Agreement or in the Right Certificates (except its countersignature thereof) or be required to verify the same, but all such statements and recitals are and shall be deemed to have been made by the Company only.

(e) The Rights Agent shall not be under any responsibility in respect of the validity of this Rights Agreement or the execution and delivery hereof (except the due execution hereof by the Rights Agent) or in respect of the validity or execution of any Right Certificate (except its countersignature thereof); nor shall it be responsible for any breach by the Company of any covenant or condition contained in this Rights Agreement or in any Right Certificate; nor shall it be responsible for any change in the exercisability of the Rights (including the Rights becoming void pursuant to Section 11(a)(ii) hereof) or any adjustment in the terms of the Rights (including the manner, method or amount thereof) provided for in Sections 3, 11, 13, 23 and 24, or the ascertaining of the existence of facts that would require any such change or adjustment (except with respect to the exercise of Rights evidenced by Right Certificates after receipt of a certificate furnished pursuant to Section 12, describing such change or adjustment); nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any shares of Preferred Stock or other securities to be issued pursuant to this Rights Agreement or any Right Certificate or as to whether any shares of Preferred Stock or other securities will, when issued, be validly authorized and issued, fully paid and nonassessable.

(f) The Company agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performing by the Rights Agent of the provisions of this Rights Agreement.

(g) The Rights Agent is hereby authorized and directed to accept instructions with respect to the performance of its duties hereunder from any person reasonably believed by the Rights Agent to be one of the Authorized Officers, and to apply to such Authorized Officers for advice or instructions in connection with

A-21

its duties, and it shall not be liable for any action taken or suffered by it in good faith in accordance with instructions of any such Authorized Officer or for any delay in acting while waiting for those instructions. Any application by the Rights Agent for written instructions from the Company may, at the option of the Rights Agent, set forth in writing any action proposed to be taken or omitted by the Rights Agent under this Rights Agreement and the date on and/or after which such action shall be taken or such omission shall be effective. The Rights Agent shall not be liable for any action taken by, or omission of, the Rights Agent in accordance with a proposal included in any such application on or after the date specified in such application (which date shall not be less than five Business Days after the date any Authorized Officer of the Company actually receives such application, unless any such Authorized Officer shall have consented in writing to an earlier date) unless, prior to taking any such action (or the effective date in the case of an omission), the Rights Agent shall have received written instructions in response to such application specifying the action to be taken or omitted.

(h) The Rights Agent and any stockholder, director, officer or employee of the Rights Agent may buy, sell or deal in any of the Rights or other securities of the Company or become pecuniarily interested in any transaction in which the Company may be interested, or contract with or lend money to the Company or otherwise act as fully and freely as though it were not Rights Agent under this Rights Agreement. Nothing herein shall preclude the Rights Agent from acting in any other capacity for the Company or for any other legal entity.

(i) The Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, and the Rights Agent shall not be answerable or accountable for any act, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company resulting from any such act, default, neglect or misconduct, provided, that reasonable care was exercised in the selection and continued employment thereof.

(j) If, with respect to any Right Certificate surrendered to the Rights Agent for exercise or transfer, the certificate contained in the form of assignment or the form of election to purchase set forth on the reverse thereof, as the case may be, has not been completed to certify the holder is not an Acquiring Person (or an Affiliate or Associate thereof) or a transferee thereof, the Rights Agent shall not take any further action with respect to such requested exercise or transfer without first consulting with the Company.

Section 21. Change of Rights Agent. The Rights Agent or any successor Rights Agent may resign and be discharged from its duties under this Rights Agreement upon 30 days' notice in writing mailed to the Company and, in the event that the Rights Agent or one of its affiliates is not also the transfer agent for the Company, to each transfer agent of the Common Stock or Preferred Stock by registered or certified mail, and, following the Distribution Date, to the holders of the Right Certificates by first-class mail. The Company may remove the Rights Agent or any successor Rights Agent upon 30 days' notice in writing, mailed to the Rights Agent or successor Rights Agent, as the case may be, and to each transfer agent of the Common Stock or Preferred Stock by registered or certified mail, and, following the Distribution Date, to the holders of the Right Certificates by first-class mail. If the Rights Agent shall resign or be removed or shall otherwise become incapable of acting, the Company shall appoint a successor to the Rights Agent. If the Company shall fail to make such appointment within a period of 30 days after giving notice of such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent or by the holder of a Right Certificate (who shall, with such notice, submit his, her or its Right Certificate for inspection by the Company), then the registered holder of any Right Certificate may apply to any court of competent jurisdiction for the appointment of a new Rights Agent. Any successor Rights Agent, whether appointed by the Company or by such a court, shall be (A) a corporation or other entity organized and doing business under the laws of the United States or any State thereof, which is authorized under such laws to exercise corporate trust or stock transfer powers and is subject to supervision or examination by federal or state authority and which has at the time of its appointment as Rights Agent a combined capital and surplus of at least \$50 million or (B) an affiliate of a corporation or entity described in clause (A) of this sentence. After appointment, the successor Rights Agent shall be vested with the same powers, rights, duties and

A-22

responsibilities as if it had been originally named as Rights Agent without further act or deed; but the predecessor Rights Agent shall deliver and transfer to the successor Rights Agent any property at the time held by it hereunder, and execute and deliver any further assurance, conveyance, act or deed necessary for the purpose. Not later than the effective date of any such appointment the Company shall file notice thereof in writing with the predecessor Rights Agent and each transfer agent of the Common Stock or Preferred Stock, and, following the Distribution Date, mail a notice thereof in writing to the registered holders of the Right Certificates. Failure to give any notice provided for in this Section 21, however, or any defect therein, shall not affect the legality or validity of the resignation or removal of the Rights Agent or the appointment of the successor Rights Agent, as the case may be.

Section 22. Issuance of New Right Certificates. Notwithstanding any of the provisions of this Rights Agreement or of the Rights to the contrary, the Company may, at its option, issue new Right Certificates evidencing Rights in such forms as may be approved by its Board of Directors to reflect any adjustment or change in the Purchase Price and the number or kind or class of shares or other securities or property purchasable under the Right Certificates made in accordance with the provisions of this Rights Agreement. In addition, in connection with the issuance or sale of

Common Stock following the Distribution Date and prior to the Expiration Date, the Company may with respect to shares of Common Stock so issued or sold (i) pursuant to the exercise of stock options, (ii) under any employee plan or arrangement, (iii) upon the exercise, conversion or exchange of securities, notes or debentures issued by the Company or (iv) pursuant to a contractual obligation of the Company, in each case existing prior to the Distribution Date, issue Right Certificates representing the appropriate number of Rights in connection with such issuance or sale.

Section 23. Redemption. (a) The Board of Directors of the Company may, at its option at any time prior to such time as any Person first becomes an Acquiring Person, redeem all but not less than all the then-outstanding Rights at a redemption price of \$0.01 per Right, appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring in respect of the Common Stock of the Company after the date hereof (the redemption price hereinafter referred to as the Redemption Price). The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the Board of Directors in its sole discretion may establish. The Company may, at its option, pay the Redemption Price in cash, shares of Common Stock (based on the current market price of the Common Stock at the time of redemption as determined pursuant to Section 11(d)(i) hereof) or any other form of consideration deemed appropriate by the Board of Directors.

(b) Immediately upon the action of the Board of Directors ordering the redemption of the Rights pursuant to paragraph (a) of this Section 23 (or at such later time as the Board of Directors may establish for the effectiveness of such redemption), and without any further action and without any notice, the right to exercise the Rights will terminate and the only right thereafter of the holders of Rights shall be to receive the Redemption Price. The Company shall promptly give public notice of any such redemption; provided, however, that the failure to give, or any defect in, any such notice shall not affect the validity of such redemption. Within 10 days after such action of the Board of Directors ordering the redemption of the Rights (or such later time as the Board of Directors may establish for the effectiveness of such redemption), the Company shall mail a notice of redemption to all the holders of the then-outstanding Rights at their last addresses as they appear upon the registry books of the Rights Agent or, prior to the Distribution Date, on the registry books of the transfer agent for the Common Stock. Any notice which is mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. Each such notice of redemption shall state the method by which the payment of the Redemption Price will be made. The failure to give notice required by this Section 23(b) or any defect therein shall not affect the validity of the action taken by the Company.

(c) In the case of a redemption under Section 23(a) hereof, the Company may, at its option, discharge all of its obligations with respect to the Rights by (i) issuing a press release announcing the manner of redemption of the Rights and (ii) mailing payment of the Redemption Price to the registered holders of the Rights at their last addresses as they appear on the registry books of the Rights Agent or, prior to the

A-23

Distribution Date, on the registry books of the transfer agent of the Common Stock, and upon such action, all outstanding Right Certificates shall be void without any further action by the Company.

Section 24. Exchange. (a) The Board of Directors of the Company may, at its option, at any time after any Person first becomes an Acquiring Person, exchange all or part of the then-outstanding Rights (which shall not include Rights that have not become effective or that have become void pursuant to the provisions of Section 11(a)(ii) hereof) for shares of Common Stock at an exchange ratio of one share of Common Stock (or one one-thousandth of a share of Preferred Stock) per Right, appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date hereof (such amount per Right being hereinafter referred to as the Exchange Ratio). Notwithstanding the foregoing, the Board of Directors shall not be empowered to effect such exchange at any time after an Acquiring Person becomes the Beneficial Owner of shares of Common Stock aggregating 50% or more of the shares of Common Stock then outstanding. From and after the occurrence of an event specified in Section 13(a) hereof, any Rights that theretofore have not been exchanged pursuant to this Section 24(a) shall thereafter be exercisable only in accordance with Section 13 and may not be exchanged pursuant to this Section 24(a). The exchange of the Rights by the Board of Directors may be made effective at such time, on such basis and with such conditions as the Board of Directors in its sole discretion may establish. Prior to effecting an exchange pursuant to this Section 24, the Board of Directors may direct the Company to enter into a Trust Agreement in such form and with such terms as the Board of Directors shall then approve (the Trust Agreement). If the Board of Directors so directs, the Company shall enter into the Trust Agreement and shall issue to the trust created by such agreement (the Trust) all of the shares of Common Stock issuable pursuant to the exchange, and all stockholders entitled to receive shares pursuant to the exchange shall be entitled to receive such shares (and any dividends or distributions made thereon after the date on which such shares are deposited in the Trust) only from the Trust and solely upon compliance with the relevant terms and provisions of the Trust Agreement.

(b) Immediately upon the effectiveness of the action of the Board of Directors of the Company ordering the exchange of any Rights pursuant to paragraph (a) of this Section 24 and without any further action and without any notice, the right to exercise such Rights shall terminate and the only right thereafter of a holder of such Rights shall be to receive that number of shares of Common Stock equal to the number of such Rights held by such holder multiplied by the Exchange Ratio. The Company shall promptly give public notice of any such exchange and shall promptly mail a notice of any such exchange to all of the holders of the Rights so exchanged at their last addresses as they appear upon the registry books

of the Rights Agent; provided, however, that the failure to give, or any defect in, such notice shall not affect the validity of such exchange. Any notice which is mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. Each such notice of exchange will state the method by which the exchange of the shares of Common Stock for Rights will be effected and, in the event of any partial exchange, the number of Rights which will be exchanged. Any partial exchange shall be effected pro rata based on the number of Rights (other than Rights which have become void pursuant to the provisions of Section 11(a)(ii) hereof) held by each holder of Rights.

(c) The Company may at its option substitute and, in the event that there shall not be sufficient shares of Common Stock issued but not outstanding or authorized but unissued (and unreserved) to permit an exchange of Rights for Common Stock as contemplated in accordance with this Section 24, the Company shall substitute to the extent of such insufficiency, for each share of Common Stock that would otherwise be issuable upon exchange of a Right, a number of shares of Preferred Stock or fractions thereof (or Equivalent Preferred Shares as such term is defined in Section 11(b)) such that the current per share market price (determined pursuant to Section 11(d) hereof) of one share of Preferred Stock (or Equivalent Preferred Share) multiplied by such number or fraction is equal to the current per share market price of one share of Common Stock (determined pursuant to Section 11(d) hereof) as of the date of such exchange.

Section 25. Notice of Certain Events. (a) In case the Company shall at any time after the earlier of the Distribution Date or the Stock Acquisition Date propose (i) to pay any dividend payable in stock of any

A-24

class to the holders of its Preferred Stock or to make any other distribution to the holders of its Preferred Stock (other than a regular quarterly cash dividend), (ii) to offer to the holders of its Preferred Stock rights or warrants to subscribe for or to purchase any additional shares of Preferred Stock or shares of stock of any class or any other securities, rights or options, (iii) to effect any reclassification of its Preferred Stock (other than a reclassification involving only the subdivision or combination of outstanding Preferred Stock), (iv) to effect the liquidation, dissolution or winding up of the Company, or (v) to pay any dividend on the Common Stock payable in Common Stock or to effect a subdivision, combination or consolidation of the Common Stock (by reclassification or otherwise than by payment of dividends in Common Stock), then, in each such case, the Company shall give to each holder of a Right Certificate, in accordance with Section 26 hereof, a notice of such proposed action, which shall specify the record date for the purposes of such stock dividend, or distribution or offering of rights or warrants, or the date on which such liquidation, dissolution, reclassification, subdivision, combination, consolidation or winding up is to take place and the date of participation therein by the holders of the Common Stock and/or Preferred Stock, if any such date is to be fixed, and such notice shall be so given in the case of any action covered by clause (i) or (ii) above at least 10 days prior to the record date for determining holders of the Preferred Stock for purposes of such action, and in the case of any such other action, at least 10 days prior to the date of the taking of such proposed action or the date of participation therein by the holders of the Common Stock and/or Preferred Stock, whichever shall be the earlier.

(b) In case any event described in Section 11(a)(ii) or Section 13 shall occur then the Company shall as soon as practicable thereafter give to each holder of a Right Certificate (or if occurring prior to the Distribution Date, the holders of the Common Stock) in accordance with Section 26 hereof, a notice of the occurrence of such event, which notice shall describe such event and the consequences of such event to holders of Rights under Section 11(a)(ii) and Section 13 hereof.

(c) The failure to give notice required by this Section 25 or any defect therein shall not affect the validity of the action taken by the Company or the vote upon any such action.

Section 26. Notices. Notices or demands authorized by this Rights Agreement to be given or made by the Rights Agent or by the holder of any Right Certificate to or on the Company shall be sufficiently given or made if sent by overnight delivery service or first-class mail, postage prepaid, addressed (until another address is filed in writing with the Rights Agent) as follows:

Notices or demands authorized by this Rights Agreement to be given or made by the Company or the Rights Agent to the holder of any Right Certificate shall be sufficiently given or made if sent by first-class mail, postage prepaid, addressed to such holder at the address of such holder as shown on the registry books of the Company.

Section 27. Supplements and Amendments. Except as otherwise provided in this Section 27, for so long as the Rights are then redeemable, the Company may in its sole and absolute discretion, and the Rights Agent shall if the Company so directs, supplement or amend any provision of this Rights Agreement in any respect without the approval of any holders of the Rights. At any time when the Rights are no longer redeemable, except as otherwise provided in this Section 27, the Company may, and the Rights Agent shall, if the Company so directs, supplement or amend this Rights Agreement without the approval of any holders of Rights in order to (i) cure any ambiguity, (ii) correct or supplement any provision contained herein which may be defective or inconsistent with any other provisions herein, (iii) shorten or lengthen any time period hereunder, or (iv) change or supplement the provisions hereunder in any manner which the Company may deem necessary or desirable; provided, however, that no such supplement or amendment shall adversely affect the interests of the holders of Rights as such (other than an Acquiring Person or an Affiliate or Associate of an Acquiring Person), and no such amendment may cause the Rights again to become redeemable or cause this Rights Agreement again to become amendable other than in accordance with this sentence. Notwithstanding anything contained in this Rights Agreement to the contrary, no supplement or amendment shall be made which decreases the Redemption Price. Upon the delivery of a certificate from an appropriate officer of the Company which states that the supplement or amendment is in compliance with the terms of this Section 27, the Rights Agent shall execute such supplement or amendment; provided, that any supplement or amendment that does not amend Section 18, 19, 20 or 21 hereof or this Section 27 in a manner adverse to the Rights Agent shall become effective immediately upon execution by the Company, whether or not also executed by the Rights Agent.

Section 28. Process to Seek Exemption. Any Person who desires to effect any acquisition of Company 382 Securities that might, if consummated, result in such Person (together with its Affiliates and Associates) Beneficially Owning 4.99% or more of any class of Company 382 Securities then outstanding (or, in the case of a Grandfathered Person, additional shares of Company 382 Securities in excess of those permitted by the definition of Grandfathered Person) (a Requesting Person) may, prior to the Stock Acquisition Date and in accordance with this Section 28, request that the Board of Directors grant an exemption with respect to such acquisition under this Agreement so that such Person would be deemed to be an Exempted Person under subsections (v) or (vi) of Section 1(l) hereof for purposes of this Agreement (an Exemption Request). An Exemption Request shall be in proper form and shall be delivered by registered mail, return receipt requested, to the Secretary of the Company at the principal executive office of the Company. To be in proper form, an Exemption Request shall set forth (i) the name and address of the Requesting Person, (ii) the number and percentage of shares of Company 382 Securities then Beneficially Owned by the Requesting Person, together with all Affiliates and Associates of the Requesting Person, and (iii) a reasonably detailed description of the transaction or transactions by which the Requesting Person would propose to acquire Beneficial Ownership of Company 382 Securities aggregating 4.99% or more of any class of the then outstanding Company 382 Securities (or, in the case of a Grandfathered Person, additional shares of Company 382 Securities in excess of those permitted by the definition of Grandfathered Person) and the maximum number and percentage of shares of Company 382 Securities that the Requesting Person proposes to acquire. The Board of Directors shall endeavor to respond to an Exemption Request within 30 Business Days after receipt of such Exemption Request; provided, that the failure of the Board of Directors to make a determination within such period shall be deemed to constitute the denial by the Board of Directors of the Exemption Request. The Requesting Person shall respond promptly to reasonable and appropriate requests for additional information from the Company or the Board of Directors and its advisors to assist the Board of Directors in making its determination. The Board of Directors shall only grant an exemption in response to an Exemption Request if the Board of Directors determines in its sole discretion that the acquisition of Beneficial Ownership of Company 382 Securities by the Requesting Person will not jeopardize or endanger the

A-26

availability to the Company of its NOL carryforwards. Any exemption granted hereunder may be granted in whole or in part, and may be subject to limitations or conditions (including a requirement that the Requesting Person agree that it will not acquire Beneficial Ownership of shares of Company 382 Securities in excess of the maximum number and percentage of shares approved by the Board of Directors), in each case as and to the extent the Board shall determine necessary or desirable to provide for the protection of the Company's NOLs.

Section 29. Successors. All the covenants and provisions of this Rights Agreement by or for the benefit of the Company or the Rights Agent shall bind and inure to the benefit of their respective successors and assigns hereunder.

Section 30. Benefits of this Rights Agreement. Nothing in this Rights Agreement shall be construed to give to any Person other than the Company, the Rights Agent and the registered holders of the Right Certificates (and, prior to the Distribution Date, the Common Stock) any legal or equitable right, remedy or claim under this Rights Agreement; but this Rights Agreement shall be for the sole and exclusive benefit of the Company, the Rights Agent and the registered holders of the Right Certificates (and, prior to the Distribution Date, the Common Stock).

Section 31. Determinations and Actions by the Board of Directors. The Board of Directors of the Company shall have the exclusive power and authority to administer this Rights Agreement and to exercise the rights and powers specifically granted to the Board of Directors of the Company or to the Company, or as may be necessary or advisable in the administration of this Rights Agreement, including, without limitation, the right and power to (i) interpret the provisions of this Rights Agreement and (ii) make all determinations deemed necessary or advisable for the administration of this Rights Agreement (including, without limitation, a determination to redeem or exchange or not redeem or exchange the Rights or to amend or not amend this Rights Agreement). All such actions, calculations, interpretations and determinations that are done or made by the Board of Directors of the Company in good faith, shall be final, conclusive and binding on the Company, the Rights Agent, the holders of the Rights, as such, and all other parties.

Section 32. Severability. If any term, provision, covenant or restriction of this Rights Agreement or applicable to this Rights Agreement is held by a court of competent jurisdiction or other authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Rights Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated; provided, however, that notwithstanding anything in this Rights Agreement to the contrary, if any such term, provision, covenant or restriction is held by such court or authority to be invalid, void or unenforceable and the Board of Directors determines in its good faith judgment that severing the invalid language from this Rights Agreement would adversely affect the purpose or effect of this Rights Agreement, the right of redemption set forth in Section 23 hereof shall be reinstated (with prompt notice to the Rights Agent) and shall not expire until the Close of Business on the tenth Business Day following the date of such determination by the Board. Without limiting the foregoing, if any provision requiring a specific group of Directors of the Company to act is held by any court of competent jurisdiction or other authority to be invalid, void or unenforceable, such determination shall then be made by the Board of Directors in accordance with applicable law and the Company's Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws.

Section 33. Governing Law. This Rights Agreement and each Right Certificate issued hereunder shall be deemed to be a contract made under the laws of the State of Delaware and for all purposes shall be governed by and construed in accordance with the laws of such State applicable to contracts to be made and performed entirely within such State.

Section 34. Counterparts. This Rights Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument. A signature to this Rights Agreement transmitted electronically shall have the same authority, effect and enforceability as an original signature.

A-27

Section 35. Descriptive Headings. Descriptive headings of the several sections of this Rights Agreement are inserted for convenience only and shall not control or affect the meaning or construction of any of the provisions hereof.

Section 36. Prior Agreement. This Rights Agreement amends and restates in its entirety the Original Rights Agreement and the terms and provisions of the Original Rights Agreement are superseded hereby.

A-28

IN WITNESS WHEREOF, the parties hereto have caused this Amended and Restated Rights Agreement to be duly executed and attested, all as of the day and year first above written.

**FORM
OF
CERTIFICATE OF DESIGNATIONS
OF
SERIES B JUNIOR PARTICIPATING PREFERRED STOCK
OF
CNO FINANCIAL GROUP, INC.**

**(Pursuant to Section 151 of the
General Corporation Law of the State of Delaware)**

CNO Financial Group, Inc., a corporation organized and existing under the General Corporation Law of the State of Delaware (the Company), hereby certifies that the following resolution was duly adopted by the Board of Directors of the Company (hereinafter being referred to as the Board of Directors or the Board) as required by Section 151 of the General Corporation Law of the State of Delaware on December 6, 2011:

RESOLVED, that pursuant to the authority vested in the Board of Directors of the Company in accordance with the provisions of the Company's Amended and Restated Certificate of Incorporation, (hereinafter being referred to as the Certificate of Incorporation), the Board of Directors hereby creates a series of preferred stock, par value \$0.01 per share, of the Company, to be designated the Series B Junior Participating Preferred Stock and hereby adopts the resolution establishing the designations, number of shares, preferences, voting powers and other rights, and the restrictions and limitations thereof, of the shares of such series as set forth below:

Section 1. Designation and Amount. The shares of such series shall be designated as Series B Junior Participating Preferred Stock (the Series B Preferred Stock) and the number of shares constituting the Series B Preferred Stock shall be 2,000,000. Such number of shares may be increased or decreased by resolution of the Board of Directors; provided, that no decrease shall reduce the number of shares of Series B Preferred Stock to a number less than the number of shares then outstanding plus the number of shares reserved for issuance upon the exercise of outstanding options, rights or warrants or upon the conversion of any outstanding securities issued by the Company convertible into Series B Preferred Stock.

Section 2. Dividends and Distributions

(A) Subject to the rights of the holders of any shares of any series of Preferred Stock of the Company (the Preferred Stock) (or any similar stock) ranking prior and superior to the Series B Preferred Stock with respect to dividends, the holders of shares of Series B Preferred Stock, in preference to the holders of Common Stock, par value \$0.01 per share, of the Company (the Common Stock) and of any other stock of the Company ranking junior to the Series B Preferred Stock, shall be entitled to receive, when, as and if declared by the Board of Directors out of funds legally available for the purpose, quarterly dividends payable in cash on the last day of January, April, July, and October in each year (each such date being referred to herein as a Dividend Payment Date), commencing on the first Dividend Payment Date after the first issuance of a share or fraction of a share of Series B Preferred Stock (the Issue Date), in an amount per share (rounded to the nearest cent) equal to the greater of (a) \$1 or (b) subject to the provision for adjustment hereinafter set forth, 1,000 times the aggregate per share amount of all cash dividends, and 1,000 times the

A-30

aggregate per share amount (payable in kind) of all non-cash dividends or other distributions other than a dividend payable in shares of Common Stock, declared on the Common Stock since the immediately preceding Dividend Payment Date or, with respect to the first Dividend Payment Date, since the first issuance of any share or fraction of a share of Series B Preferred Stock. In the event the Company shall at any time after the Issue Date declare and pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount to which holders of shares of Series B Preferred Stock were entitled immediately prior to such event under clause (b) of the preceding sentence shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) The Company shall declare a dividend or distribution on the Series B Preferred Stock as provided in paragraph (A) of this Section immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock); provided that, in the event no dividend or distribution shall have been declared on the Common Stock during the period between any Dividend Payment Date and the next subsequent Dividend Payment Date, a dividend of \$1 per share on the Series B Preferred Stock shall nevertheless be payable, when, as and if declared, on such subsequent Dividend Payment Date.

(C) Dividends shall begin to accrue and be cumulative, whether or not declared, on outstanding shares of Series B Preferred Stock from the Dividend Payment Date next preceding the date of issue of such shares, unless the date of issue of such shares is prior to the record date for the first Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series B Preferred Stock entitled to receive a quarterly dividend and before such Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Series B Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board of Directors may fix a record date for the determination of holders of shares of Series B Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be not more than 60 days prior to the date fixed for the payment thereof.

Section 3. Voting Rights. The holders of shares of Series B Preferred Stock shall have the following voting rights:

(A) Subject to the provision for adjustment hereinafter set forth and except as otherwise provided in the Certificate of Incorporation or required by law, each share of Series B Preferred Stock shall entitle the holder thereof to 1,000 votes on all matters upon which the holders of the Common Stock of the Company are entitled to vote. In the event the Company shall at any time after the Issue Date declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the number of votes per share to which holders of shares of Series B Preferred Stock were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) Except as otherwise provided herein, in the Certificate of Incorporation or in any other certificate of designations creating a series of Preferred Stock or any similar stock, and except as otherwise

required by law, the holders of shares of Series B Preferred Stock and the holders of shares of Common Stock and any other capital stock of the Company having general voting rights shall vote together as one class on all matters submitted to a vote of stockholders of the Company.

(C) Except as set forth herein, or as otherwise provided by law, holders of Series B Preferred Stock shall have no special voting rights and their consent shall not be required (except to the extent they are entitled to vote with holders of Common Stock as set forth herein) for taking any corporate action.

(D) If, at the time of any annual meeting of stockholders for the election of directors, the equivalent of six quarterly dividends (whether or not consecutive) payable on any share or shares of Series B Preferred Stock are in default, the number of directors constituting the Board of Directors of the Company shall be increased by two. In addition to voting together with the holders of Common Stock for the election of other directors of the Company, the holders of record of the Series B Preferred Stock, voting separately as a class to the exclusion of the holders of Common Stock shall be entitled at said meeting of stockholders (and at each subsequent annual meeting of stockholders), unless all dividends in arrears on the Series B Preferred Stock have been paid or declared and set apart for payment prior thereto, to vote for the election of two directors of the Company, the holders of any Series B Preferred Stock being entitled to cast a number of votes per share of Series B Preferred Stock as is specified in paragraph (A) of this Section 3. Each such additional director shall serve until the next annual meeting of stockholders for the election of directors, or until his or her successor shall be elected and shall qualify, or until his or her right to hold such office terminates pursuant to the provisions of this Section 3(D). Until the default in payments of all dividends which permitted the election of said directors shall cease to exist, any director who shall have been so elected pursuant to the provisions of this Section 3(D) may be removed at any time, without cause, only by the affirmative vote of the holders of the shares of Series B Preferred Stock at the time entitled to cast a majority of the votes entitled to be cast for the election of any such director at a special meeting of such holders called for that purpose, and any vacancy thereby created may be filled by the vote of such holders. If and when such default shall cease to exist, the holders of the Series B Preferred Stock shall be divested of the foregoing special voting rights, subject to reversion in the event of each and every subsequent like default in payments of dividends. Upon the termination of the foregoing special voting rights, the terms of office of all persons who may have been elected directors pursuant to said special voting rights shall forthwith terminate, and the number of directors constituting the Board of Directors shall be reduced by two. The voting rights granted by this Section 3(D) shall be in addition to any other voting rights granted to the holders of the Series B Preferred Stock in this Section 3.

Section 4. Certain Restrictions.

(A) Whenever quarterly dividends or other dividends or distributions payable on the Series B Preferred Stock as provided in Section 2 are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not earned or declared, on shares of Series B Preferred Stock outstanding shall have been paid in full, the Company shall not:

(i) declare or pay dividends, or make any other distributions, on any shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series B Preferred Stock;

(ii) declare or pay dividends, or make any other distributions, on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series B Preferred Stock, except dividends paid ratably on the Series B Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled;

(iii) redeem or purchase or otherwise acquire for consideration shares of any stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series B Preferred Stock, provided that the Company may at any time redeem, purchase or otherwise acquire

shares of any such junior stock in exchange for shares of any stock of the Company ranking junior (as to dividends and upon dissolution, liquidation or winding up) to the Series B Preferred Stock or rights, warrants or options to acquire such junior stock; or

(iv) redeem or purchase or otherwise acquire for consideration any shares of Series B Preferred Stock, or any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series B Preferred Stock, except in accordance with a purchase offer made in writing or by publication (as determined by the Board of Directors) to all holders of such shares upon such terms as the Board of Directors, after consideration of the respective annual dividend rates and other relative rights and preferences of the respective series and classes, shall determine in good faith will result in fair and equitable treatment among the respective series or classes.

(B) The Company shall not permit any subsidiary of the Company to purchase or otherwise acquire for consideration any shares of stock of the Company unless the Company could, under paragraph (A) of this Section 4, purchase or otherwise acquire such shares at such time and in such manner.

Section 5. Reacquired Shares. Any shares of Series B Preferred Stock purchased or otherwise acquired by the Company in any manner whatsoever shall be retired and cancelled promptly after the acquisition thereof. All such shares shall upon their retirement become authorized but unissued shares of Preferred Stock and may be reissued as part of a new series of Preferred Stock to be created by resolution or resolutions of the Board of Directors, subject to any conditions and restrictions on issuance set forth herein.

Section 6. Liquidation, Dissolution or Winding Up. Upon any liquidation, dissolution or winding up of the Company, no distribution shall be made (A) to the holders of the Common Stock or of shares of any other stock of the Company ranking junior, upon liquidation, dissolution or winding up, to the Series B Preferred Stock unless, prior thereto, the holders of shares of Series B Preferred Stock shall have received \$1,000 per share, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not earned or declared, to the date of such payment, provided that the holders of shares of Series B Preferred Stock shall be entitled to receive an aggregate amount per share, subject to the provision for adjustment hereinafter set forth, equal to 1,000 times the aggregate amount to be distributed per share to holders of shares of Common Stock, or (B) to the holders of shares of stock ranking on a parity upon liquidation, dissolution or winding up with the Series B Preferred Stock, except distributions made ratably on the Series B Preferred Stock and all such parity stock in proportion to the total amounts to which the holders of all such shares are entitled upon such liquidation, dissolution or winding up. In the event, however, that there are not sufficient assets available to permit payment in full of the Series B liquidation preference and the liquidation preferences of all other classes and series of stock of the Company, if any, that rank on a parity with the Series B Preferred Stock in respect thereof, then the assets available for such distribution shall be distributed ratably to the holders of the Series B Preferred Stock and the holders of such parity shares in the proportion to their respective liquidation preferences. In the event the Company shall at any time after the Issue Date declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the aggregate amount to which holders of shares of Series B Preferred Stock were entitled immediately prior to such event under the proviso in clause (A) of the preceding sentence shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Neither the merger or consolidation of the Company into or with another entity nor the merger or consolidation of any other entity into or with the Company (nor the sale of all or substantially all of the assets of the Company) shall be deemed to be a liquidation, dissolution or winding up of the Company within the meaning of this Section 6.

A-33

Section 7. Consolidation, Merger, etc. In case the Company shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are converted into, exchanged for or changed into other stock or securities, cash and/or any other property, then in any such case each share of Series B Preferred Stock shall at the same time be similarly converted into, exchanged for or changed into an amount per share (subject to the provision for adjustment hereinafter set forth) equal to 1,000 times the aggregate amount of stock, securities, cash and/or any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is converted, exchanged or converted. In the event the Company shall at any time after the Issue Date declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount set forth in the preceding sentence with respect to the conversion, exchange or change of shares of Series B Preferred Stock shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Section 8. No Redemption. The shares of Series B Preferred Stock shall not be redeemable from any holder.

Edgar Filing: CNO Financial Group, Inc. - Form DEF 14A

Section 9. Rank. The Series B Preferred Stock shall rank, with respect to the payment of dividends and the distribution of assets upon liquidation, dissolution or winding up of the Company, junior to all other series of Preferred Stock and senior to the Common Stock.

Section 10. Amendment. If any proposed amendment to the Certificate of Incorporation (including this Certificate of Designations) would alter, change or repeal any of the preferences, powers or special rights given to the Series B Preferred Stock so as to affect the Series B Preferred Stock adversely, then the holders of the Series B Preferred Stock shall be entitled to vote separately as a class upon such amendment, and the affirmative vote of two-thirds of the outstanding shares of the Series B Preferred Stock, voting separately as a class, shall be necessary for the adoption thereof, in addition to such other vote as may be required by the General Corporation Law of the State of Delaware.

Section 11. Fractional Shares. Series B Preferred Stock may be issued in fractions of a share that shall entitle the holder, in proportion to such holder's fractional shares, to exercise voting rights, receive dividends, participate in distributions and to have the benefit of all other rights of holders of Series B Preferred Stock.

UNDER CERTAIN CIRCUMSTANCES, AS SET FORTH IN THE RIGHTS AGREEMENT, RIGHTS OWNED BY OR TRANSFERRED TO ANY PERSON WHO IS OR BECOMES AN ACQUIRING PERSON (AS DEFINED IN THE RIGHTS AGREEMENT) AND CERTAIN TRANSFEREES THEREOF WILL BECOME NULL AND VOID AND WILL NO LONGER BE TRANSFERABLE.

SUMMARY OF RIGHTS TO PURCHASE
SHARES OF PREFERRED STOCK OF
CNO FINANCIAL GROUP, INC.

On December 6, 2011, CNO Financial Group, Inc. (the Company) entered into an Amended and Restated Section 382 Rights Agreement dated as of December 6, 2011 (as the same may be amended from time to time, the Rights Agreement) with American Stock Transfer & Trust Company, LLC, as rights agent (the Rights Agent). The Board of Directors of the Company had previously declared a dividend of one preferred share purchase right (a Right) for each outstanding share of common stock, par value \$0.01 per share, of the Company (the Common Stock) that was paid to the stockholders of record as of the close of business on January 30, 2009 (the Record Date). Each Right entitles the registered holder to purchase from the Company one one-thousandth of a share of Series B Junior Participating Preferred Stock, par value \$0.01 per share (the Preferred Stock) of the Company at a price of \$25.00 per one one-thousandth of a share of Preferred Stock (as the same may be adjusted, the Purchase Price). The description and terms of the Rights are as set forth in the Rights Agreement.

The Rights Agreement is intended to help protect the Company's tax net operating loss carryforwards. The Board of Directors may redeem the Rights, as discussed more fully below. The Rights Agreement is intended to act as a deterrent to any person (other than an Exempted Person (as defined below) or any person who has the status of a Threshold Holder (as defined below) on the date of the Rights Agreement so long as such person does not increase its ownership above an additional 1% of Company 382 Securities (as defined below) then outstanding) from becoming or obtaining the right to become, a person who or which, together with all affiliates and associates of such person, is the beneficial owner of 4.99% or more of the shares of Common Stock or any other class of Company 382 Securities then outstanding (each such person, a Threshold Holder), without the approval of the Board of Directors.

Until the close of business on the earlier of (i) the tenth business day after the first date of a public announcement that a person (other than an Exempted Person (as defined below) or Grandfathered Person (as defined below)) or group of affiliated or associated persons (an Acquiring Person) has become a Threshold Holder or (ii) the tenth business day (or such later date as may be determined by action of the Board of Directors prior to such time as any person or group of affiliated persons becomes an Acquiring Person) after the date of commencement of, or the first public announcement of an intention to commence, a tender offer or exchange offer, the consummation of which would result in any person (other than an Exempted Person) becoming an Acquiring Person (the earlier of such dates being herein referred to as the Distribution Date), the Rights will be evidenced by the shares of Common Stock represented by the certificates for Common Stock or uncertificated book entry shares outstanding as of the Record Date, together with a copy of the summary of rights disseminated in connection with the original dividend of Rights.

Approved Acquisition shall mean (i) any acquisition of Company 382 Securities that would cause a person to qualify as a Threshold Holder and that is approved in advance by the Board of Directors, or (ii) a conversion (or other exchange) of Company 382 Securities for other Company 382 Securities where such conversion (or other exchange) does not increase the beneficial ownership in the Company by any person for purposes of Section 382 of the Internal Revenue Code of 1986, as amended.

Company 382 Securities shall mean the Common Stock of the Company and any other interest that would be treated as stock of the Company for purposes of Section 382 of the Internal Revenue Code of 1986, as amended (including pursuant to Treasury Regulation Section 1.382-2T(f)(18)).

Exempted Person shall mean (i) the Company, (ii) any subsidiary of the Company, (in the case of subclauses (i) and (ii) including, without limitation, in its fiduciary capacity), (iii) any employee benefit plan or compensation arrangement of the Company or of any subsidiary of the Company (iv) any entity or trustee holding (or acting in a fiduciary capacity in respect of) Company 382 Securities to the extent organized, appointed or established by the Company or any subsidiary of the Company for or pursuant to the terms of any such plan or for the purpose of funding any such employee benefit plan or compensation arrangement, (v) any person (together with its affiliates and associates) whose status as a Threshold Holder will, in the sole judgment of the Board of Directors, not jeopardize or endanger the availability to the Company of its net operating loss carryforwards to be used to offset its taxable income in such year or future years (but in the case of any person determined by the Board of Directors to be an Exempted Person pursuant to this subparagraph (v) only for so long as such person's status as a Threshold Holder continues not to jeopardize or endanger the availability of such net operating loss carryforwards, as determined by the Board of Directors in its good faith discretion), or (vi) any person who or which would qualify as a Threshold Holder as a result of an Approved Acquisition and, to the extent approved by the Board of Directors, any person who or which acquires Company 382 Securities from any such person.

Grandfathered Person shall mean any person who or which, together with all affiliates and associates of such person, was as of the date of the Amended and Restated Rights Agreement, the beneficial owner of 4.99% or more of the Company 382 Securities outstanding on such date, unless and until such time as such person after the date of the Rights Agreement acquires beneficial ownership of additional shares or other interests in Company 382 Securities representing more than 1% of the Company 382 Securities then outstanding. Any Grandfathered Person who, together with all of its affiliates and associates, subsequently becomes the beneficial owner of less than 4.99% of the Company 382 Securities shall cease to be a Grandfathered Person.

The Rights Agreement provides that, until the Distribution Date (or earlier expiration of the Rights), new Common Stock certificates issued after the Record Date will contain a notation incorporating the Rights Agreement by reference and, with respect to any uncertificated book entry shares issued after the Record Date, proper notice will be provided that incorporates the Rights Agreement by reference. Until the Distribution Date (or earlier redemption or expiration of the Rights), the Rights will be transferable only in connection with the transfer of Common Stock. Until the Distribution Date (or earlier redemption or expiration of the Rights), the surrender for transfer of any certificates for shares of Common Stock (or uncertificated book entry shares) outstanding as of the Record Date, even without a notation incorporating the Rights Agreement by reference (or such notice, in the case of uncertificated book entry shares) or a copy of this Summary of Rights, will also constitute the transfer of the Rights associated with the shares of Common Stock represented by such certificate or uncertificated book entry shares, as the case may be. As soon as practicable following the Distribution Date, separate certificates evidencing the Rights (Right Certificates) will be mailed to holders of record of the Common Stock as of the close of business on the Distribution Date and such separate Right Certificates alone will evidence the Rights.

The Rights are not exercisable until the Distribution Date and will expire at the earlier of (i) the close of business on December 6, 2014, (ii) the close of business on December 6, 2012 if shareholder approval of the Rights Agreement has not been received by or on such date, (iii) at the adjournment of the first annual meeting of the stockholders of the Company following the date hereof if stockholder approval of the Rights Agreement has not been received prior to such time, (iv) the repeal of Section 382 or any successor statute if the Board of Directors determines that the Rights Agreement is no longer necessary for the preservation of tax benefits or (v) the beginning of a taxable year of the Company to which the Board of Directors determines that no tax benefits may be carried forward (the Final Expiration Date), subject to (x) the extension

of Rights Agreement by the Board of Directors by the amendment of the Rights Agreement or (y) the redemption or exchange of the Rights by the Company, as described below.

The Purchase Price payable, and the number of shares of Preferred Stock or other securities or property issuable, upon exercise of the Rights are subject to adjustment from time to time to prevent dilution (i) in the event of a stock dividend on, or a subdivision, combination or reclassification of, the Preferred Stock, (ii) upon the grant to holders of the Preferred Stock of certain rights or warrants to subscribe for or purchase Preferred Stock at a price, or securities convertible into Preferred Stock with a conversion price, less than the then-current market price of the Preferred Stock or (iii) upon the distribution to holders of the Preferred Stock of evidences of indebtedness or assets (excluding regular

periodic cash dividends or dividends payable in Preferred Stock) or of subscription rights or warrants (other than those referred to above).

The Rights are also subject to adjustment in the event of a stock dividend on the Common Stock payable in shares of Common Stock or subdivisions, consolidations or combinations of the Common Stock occurring, in any such case, prior to the Distribution Date.

Shares of Preferred Stock purchasable upon exercise of the Rights will not be redeemable. Each share of Preferred Stock will be entitled, when, as and if declared, to a minimum preferential quarterly dividend payment of the greater of (a) \$1 per share and (b) an amount equal to 1,000 times the dividend declared per share of Common Stock. In the event of liquidation, dissolution or winding up of the Company, the holders of the Preferred Stock will be entitled to a minimum preferential liquidation payment of \$1,000 per share (plus any accrued but unpaid dividends) but will be entitled to an aggregate 1,000 times the payment made per share of Common Stock. Each share of Preferred Stock will have 1,000 votes, voting together with the Common Stock. Finally, in the event of any merger, consolidation or other transaction in which shares of Common Stock are converted or exchanged, each share of Preferred Stock will be entitled to receive 1,000 times the amount received per share of Common Stock. These rights are protected by customary antidilution provisions.

Because of the nature of the Preferred Stock's dividend, liquidation and voting rights, the value of the one one-thousandth interest in a share of Preferred Stock purchasable upon exercise of each Right should approximate the value of one share of Common Stock.

In the event that any person or group of affiliated or associated persons becomes an Acquiring Person, each holder of a Right, other than Rights beneficially owned by the Acquiring Person (which will thereupon become void), will thereafter have the right to receive upon exercise of a Right and payment of the Purchase Price, that number of shares of Common Stock and/or other securities or property having a market value of two times the Purchase Price.

In the event that, after a person or group has become an Acquiring Person, the Company is acquired in a merger or other business combination transaction or 50% or more of its consolidated assets or earning power are sold, proper provision will be made so that each holder of a Right (other than Rights beneficially owned by an Acquiring Person which will have become void) will thereafter have the right to receive, upon the exercise thereof at the then-current exercise price of the Right, that number of shares of common stock of the person with whom the Company has engaged in the foregoing transaction (or its parent), which number of shares at the time of such transaction will have a market value of two times the Purchase Price.

At any time after any person or group becomes an Acquiring Person and prior to the acquisition by such person or group of 50% or more of the outstanding shares of Common Stock or the occurrence of an event described in the prior paragraph, the Board of Directors of the Company may exchange the Rights (other than Rights owned by such person or group which will have become void), in whole or in part, at an exchange ratio of one share of Common Stock, or a fractional share of Preferred Stock (or of a share of a similar class or series of the Company's preferred stock having similar rights, preferences and privileges) of equivalent value, per Right (subject to adjustment).

A-44

With certain exceptions, no adjustment in the Purchase Price will be required until cumulative adjustments require an adjustment of at least 1% in such Purchase Price. No fractional shares of Preferred Stock or Common Stock will be issued (other than fractions of Preferred Stock which are integral multiples of one one-thousandth of a share of Preferred Stock, which may, at the election of the Company, be evidenced by depositary receipts) and in lieu thereof, an adjustment in cash will be made based on the market price of the Preferred Stock or the Common Stock on the last trading day prior to the date of exercise.

At any time prior to the time an Acquiring Person becomes such, the Board of Directors of the Company may redeem the Rights in whole, but not in part, at a price of \$0.01 per Right, appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date of adoption of the Rights Agreement (the Redemption Price) payable, at the option of the Company, in cash, shares of Common Stock or such other form of consideration as the Board of Directors of the Company shall determine. The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the Board of Directors in its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

For so long as the Rights are then redeemable, the Company may, except with respect to the Redemption Price, amend the Rights Agreement in any manner. After the Rights are no longer redeemable, the Company may, except with respect to the Redemption Price, amend the Rights Agreement in any manner that does not adversely affect the interests of holders of the Rights.

Until a Right is exercised or exchanged, the holder thereof, as such, will have no rights as a stockholder of the Company, including, without limitation, the right to vote or to receive dividends.
