KirchPayTV

By 8 February 2002, the Group considered that its relationship with KirchPayTV had irrevocably changed and that the Group had not exercised significant influence since that date. Therefore, the Group believed that, from 8 February 2002, it was no longer appropriate to account for its interest in KirchPayTV as a joint venture, and ceased accounting for KirchPayTV's losses using the gross equity method from that date.

As the Group has no intention of providing any future funding to KirchPayTV and the Group, on a consolidated basis, has no financial commitments, outstanding financial liabilities or contingent liabilities in respect of KirchPayTV, an amount of GBP13.5 million was released from the impairment provision made at 31 December 2001, in order to match the Group's share of KirchPayTV's losses for the period from 1 January 2002 to 8 February 2002.

2003

Exceptional operating items (i) ITV Digital

The Group provided in full against all unprovided balances owed by ITV Digital, following the announcement made on 30 April 2002 (see note (iv) below). During the year, the Group received GBP4.8m from ITV Digital's administrators and released GBP4.8 million of its exceptional operating provision accordingly.

Other exceptional items

(ii) Amounts written off fixed asset investments, net

At 31 December 2002, the Group made a further provision against its minority investments in football clubs, leading to a non-cash exceptional charge of GBP21.0 million. Subsequently, the Group reduced its provision against its investment in Chelsea Village plc at 30 June 2003 by GBP3.2 million, following the agreement to sell its minority investment in July 2003.

At 31 December 2002, the Group reduced its deferred revenue balance relating to minority investments in new media companies by GBP5.1 million, and reduced both its investment and its provision against the investment in these companies accordingly.

At 31 December 2002, the Group made a provision against its investment in Open TV shares, leading to a non-cash exceptional charge of GBP2.9 million, bringing the carrying value of the Group's investment in Open TV to GBP0.3 million. During February and March 2003, the Group disposed of its entire investment in Open TV shares, leading to a loss on disposal of GBP0.1 million.

(iii) Recognition of deferred tax asset

Following a review of the forecast utilisation of tax losses within the Group, and as a consequence of a planned reorganisation of certain assets within the Group, there is now sufficient evidence to support the recognition of a deferred tax asset arising on losses incurred in the Company. Accordingly, a deferred tax credit of GBP122.6 million has been recognised as an exceptional item.

2002

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

Exceptional operating items

(iv) ITV Digital

At 27 March 2002, the date on which the ITV Digital DTT platform was put into administration, the Group had balances owed to it and unprovided for, in respect of programming licensed to ITV Digital, of GBP22.3 million. On 30 April 2002, the joint administrators of ITV Digital announced the closure of pay television services on the platform and their intention to close the administration. Accordingly, the Group made an exceptional operating provision against the whole of this balance. (see note (i) above)

(v) Release of analogue termination provision

On 27 September 2001, the Group terminated its analogue operation. From the original exceptional operating provision of GBP41.0 million, taken at 30 June 2000, GBP4.1 million of provision had not been utilised at 30 June 2002, and was therefore released to the profit and loss account as an exceptional credit.

Other exceptional items

(vi) Joint ventures' goodwill amortisation, net

The exceptional item of GBP971.4 million of joint ventures' goodwill amortisation, net, relates to the impairment charge taken against the carrying value of the Group's interest in KirchPayTV of GBP984.9 million at 31 December 2001, net of an amount of GBP13.5 million released from the provision matching the Group's share of losses for the period from 1 January 2002 to 8 February 2002, at which date the Group ceased to gross equity account for KirchPayTV's results.

(vii) Profit on sale of fixed asset investment

On 2 July 2001, the Group disposed of its unlisted investment in Static 2358 Limited, realising a profit on disposal of GBP2.3 million.

(viii) Amounts written off fixed asset investments

At 31 December 2001, the Group made a provision against its minority investments in football clubs, leading to a non-cash exceptional charge of GBP60.0 million.

4. Exceptional items (continued)

(ix) Release of provision for loss on disposal of subsidiary

On 16 October 2001, the Group and Ladbrokes, the betting and gaming division of Hilton Group plc, announced that they had agreed not to pursue the proposed joint venture to offer a fixed odds betting service on Sky Sports channels and other media. As a result, the provision for loss on disposal of subsidiary, taken at 30 June 2001, was written back, resulting in a non-cash exceptional profit of GBP10.0 million. The Group continues to operate and develop interactive TV betting services through its wholly-owned bookmaker, Sky Bet (formerly known as Surrey Sports).

(x) Write-down of deferred tax asset

Following the impairment charge made in respect of the Group's investment in KirchPayTV at 31 December 2001 there was insufficient evidence to support the recognition of a deferred tax asset arising on losses incurred by certain UK companies. Accordingly, the deferred tax asset of GBP95.6 million was written off in full at 31 December 2001, although by 30 June 2002, GBP12.3 million of this amount had been written back due to the utilisation of tax losses.

6. Taxation

Deferred tax:				
Origination and reversal of timing differences	(26.6)	(122.6)	(149.2)	27.3

Share of joint ventures' tax charge	2.1	-	2.1	1.3
	58.7	(121.2)	(62.5)	28.6

(i) During the year the Group recorded a deferred tax credit of GBP163.3 million relating to deferred tax assets not previously recognised. The Directors consider that there is now sufficient evidence to support the recognition of these deferred tax assets on the basis that it is more likely than not there will be suitable taxable profits against which these assets can be utilised. GBP122.6 million of the deferred tax credit has been treated as an exceptional item.

(ii) An exceptional deferred tax charge of GBP95.6 million was made at 31 December 2001, against which GBP12.3 million has been written back at 30 June 2002 as a result of the utilisation of tax losses. This was offset by a GBP5.5 million tax credit on the provision against ITV Digital debtors and the release of the analogue termination provision, treated as exceptional operating items.

b) Factors affecting the current tax charge for the year

The current tax charge for the year is higher than the standard rate of corporation tax in the UK (30%). The differences are explained below:

Profit (loss) on ordinary activities before tax
Less: Share of joint ventures' (profit) loss before tax
Group profit (loss) on ordinary activities before tax

Group profit (loss) on ordinary activities multiplied by standard rate of corporation tax in the UK of 30% (2002: 30%)

Effects of:

Write-down of KirchPayTV not deductible for tax purposes
Other expenses not deductible for tax purposes (primarily goodwill amortisation)
Other timing differences
Utilisation of tax losses
Consortium relief
Current tax charge for the year

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

c) Factors that may affect future tax charges

At 30 June 2003, a deferred tax asset of GBP12.5 million (2002: GBP149.6 million) arising from UK losses in the Group, has not been recognised. These losses can be offset only against taxable profits generated in the entities concerned. Although Directors ultimately expect sufficient profits to arise, there is currently insufficient evidence to support recognition of a deferred tax asset relating to these losses. The losses are available to be carried forward indefinitely under current law.

Deferred tax assets of GBP63.7 million (2002: GBP63.7 million) have not been recognised in respect of trading losses in the Group's German holding companies of KirchPayTV, and GBP450.0 million (2002: GBP450.0 million) have not been recognised in respect of potential capital losses related to the Group's holding of KirchPayTV. A deferred tax asset of GBP4.6 million (2002: GBP18.0 million) arising principally on other timing differences has not been recognised on the basis that these timing differences are not more likely than not to reverse.

7. Earnings (loss) per share

Basic earnings (loss) per share represents the profit (loss) on ordinary activities after taxation attributable to the equity shareholders, divided by the weighted average number of Ordinary Shares in issue during the year of 1,921.2 million (2002: 1,891.2 million), less the weighted average number of shares held in the Group's ESOP trust of 6.2 million (2002: 3.8 million).

Diluted earnings (loss) per share represents the profit (loss) on ordinary activities after taxation attributable to the equity shareholders divided by the weighted average number of Ordinary Shares in issue during the year of 1,921.2 million (2002: 1,891.2 million), less the weighted average number of shares held in the Group's ESOP trust of 6.2 million (2002: 3.8 million), plus the weighted average number of dilutive shares resulting from share options and other potential shares outstanding of 27.2 million (2002: nil).

8. Intangible fixed assets

The movement in the year was as follows:

	Goodwill (i), (ii) GBPm (audited)	Other intangible fixed assets GBPm (audited)	Total GBPm (audited)
Net book value at 1 July 2002	657.2	0.2	657.4

Impairment losses (ii)	(5.2)	-	(5.2)
Net book value at 30 June 2003	535.7	0.2	535.9

(i) Goodwill of GBP272.4 million, GBP542.1 million and GBP5.2 million, arising on the acquisitions of Sports Internet Group ("SIG"), British Interactive Broadcasting ("BIB") and WAPTV respectively, is being amortised over periods of seven years on a straight-line basis.

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

In accordance with FRS 11, impairment reviews were performed on the carrying values of BiB and SIG goodwill balances at the end of the first full financial year after acquisition, at 30 June 2002. These reviews showed that no impairment was identified in either case. Consistent with the Group strategy, the business plans on which these reviews were based reflected significant projected increases in betting and other interactive revenues over the subsequent five years. Since the time of these reviews the performance of these operations has been broadly in line with the forecasts in the business plans used for these reviews, and no indications of impairment have arisen.

(ii) At 31 December 2002, the Group made a provision of GBP5.2 million, included within amortisation, against goodwill which arose on the acquisition of Opta Index Limited ("Opta") (a subsidiary of SIG, which provides statistics on the sports industry), reducing the carrying value of the goodwill to nil. The provision was made as a result of the Group's announcement in December 2002 that it would close Opta. The Group is currently in negotiations to sell or license some or all of Opta's assets to a third party.

In March 2003 the Group entered into a new GBP600 million RCF. This facility was used to cancel the GBP750 million RCF, which was entered into in July 1999, and will be used for general corporate purposes. The new GBP600 million RCF has a maturity date of March 2008 and interest accrues at a margin of between 0.600% and 1.125% above the London Inter-Bank Offer Rate ("LIBOR"), dependent on the Group's Net debt:EBITDA leverage ratio (as defined in the loan agreement). Until June 2004, the margin is fixed at 1.125% and shall not fall below 0.700% per annum above LIBOR prior to March 2006.

Also in March 2003, the Group voluntarily cancelled GBP100 million of the GBP300 million March 2001 RCF. The maturity date of the resultant GBP200m RCF is still June 2004 and should it be drawn upon, accrues interest at a rate (presently 1.250%) above LIBOR dependent on the Group's credit rating. This facility reduction, together with the replacement of the Group's GBP750 million RCF as described above, reduced the Group's aggregate available facilities from GBP1,050 million to GBP800 million. In June 2004, when the GBP200 million RCF matures, the aggregate facilities available to the Group will be reduced to GBP600 million. These reductions in committed bank facilities are consistent with the Group's anticipated liquidity requirements.

On 5 December 2000 the UK Office of Fair Trading, or the OFT, announced that it was to conduct an inquiry into the affairs of British Sky Broadcasting Limited ("BSkyB Limited"), under the UK Competition Act 1998 ("Competition Act"), in particular the wholesale supply by BSKyB Limited of certain of its channels to third party distributors in the UK.[1] BSKyB Limited maintained that it had not infringed the Competition Act and, on 17 December 2002, following submission by BSKyB Limited of written and oral representations, the OFT announced that BSKyB Limited had not been found in breach of competition law in respect of its investigation. Such findings by the OFT may be appealed by third parties who have a "sufficient interest" in accordance with the provisions of the Competition Act.

On 20 December 2002, the EC Commission issued a Statement of Objections to the FAPL outlining certain concerns in respect of the FAPL's joint selling of broadcast rights to Premier League football. On 30 July 2003, the Group received a request for information from the EC Commission concerning the current bidding process being undertaken by the FAPL. The Group is currently unable to assess whether this EC investigation will have a material effect on the Group.

EC Investigation - Movie Contracts

The EC Commission is investigating the terms on which movies produced by major US movie studios are supplied to distributors, including pay TV operators, throughout the European Union. The Group has co-operated with this investigation. At this stage, the Group is unable to determine whether it will have a material effect on the Group.
