COMPANY CORPORATE GOVERNANCE

General

The Company's business is managed under the direction of its Board of Directors. The Board of Directors seeks to increase stockholder value and promote the Company's long-term growth. The Board of Directors establishes Company policies and strategies and regularly monitors the effectiveness of Company management in carrying out these policies and strategies. As part of the Board of Directors' commitment to these principles, the Board of Directors reviewed the Company's then current corporate governance policies and practices. This review included comparing the Company's then current policies and practices to policies and practices suggested by various groups and authorities active in corporate governance and policies and practices of public companies in general. Based upon this review, the Company adopted policies and practices that the Board of Directors believes represent the appropriate corporate governance policies and practices for the Company. The Board of Directors will continue to consider the adoption of changes, as appropriate, to enhance the Company's corporate governance policies and practices and to comply with any rule changes made by the SEC.

Board Organization and Operation

Members of the Board of Directors are kept informed of Company business through discussions with key members of the Company management team, by reviewing materials provided to the Board of Directors and by participating in meetings of the Board and its committees.

The Board of Directors has adopted standards for director independence that are in accordance with the standards adopted by the National Association of Securities Dealers, Inc. (the "NASD") and utilized by companies with securities quoted on Nasdaq. The Board of Directors is not required to adhere to the independence standards adopted by the NASD because the Common Stock is not quoted or listed on Nasdaq or any other quotation system or exchange. The Board of Directors believes, however, that a board with at least a majority of independent directors is an important part of good corporate governance principles. Based on the Board of Directors' adopted standards, the Board of Directors has determined that none of its members has a material relationship with the Company and that all of its members are independent directors, except for Messrs. Haskins and Paterakis who are not independent directors because each is an executive officer of the Company. As a result, a significant majority of the members of the Board of Directors is independent.

During 2003, the Board of Directors met 12 times. Each of the nominees and the other directors attended at least 75% of the total Board of Directors meetings and meetings of the board committees on which he or she served, with the exception of Messrs. Grasmick and Thomas who each attended 67% of these meetings. When necessary or appropriate, the Company's independent directors meet in executive sessions without the presence of Company management. This gives the independent directors the opportunity to discuss management's performance and any other matters that one or more independent directors would like to discuss.

Board Committees

Each director who serves on the Board of Directors is also a director on the Bank's Board of Directors. The Board of Directors has one standing committee: the Audit Committee (the Audit Committee). The Bank's Board of Directors has a Compensation Committee (the Compensation Committee) and an Executive Committee (the Executive Committee).

Audit Committee. The Audit Committee responsibilities include the appointment of the Company's independent accountants, the preapproval of all audit services and permitted non-audit services provided to the Company by the Company's independent accountants, reviews of the independence of the Company's independent accountants, and reviews of the adequacy of internal accounting and disclosure controls of the Company. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Exhibit A to this proxy statement. In 2003, the Audit Committee met four times. The current members of the Audit Committee are: Messrs. Vaeth, Chair, Gupta, Higgs, March, Scott and Tucker. Each member of the Audit Committee is an independent director as defined by the current NASD rules. Mr. Scott has the professional experience deemed necessary to qualify as an audit committee financial expert under the SEC's rules and regulations.

Compensation Committee. The Compensation Committee structures the compensation of the Company's executive officers and administers Company employee benefit plans. The Compensation Committee currently does not operate under a written charter. The Compensation Committee met once in 2003. The current members of the Compensation Committee are: Messrs. Grasmick, Chair, DeGraffenreidt and St. John. Each member of the Compensation Committee is an independent director as defined by the current NASD rules.

Executive Committee. The Executive Committee generally has the authority to exercise all of the powers of the Bank's Board of Directors in the management and direction of the business and affairs of the Bank, subject to specific directions of the Bank's Board of Directors and the limitations of Maryland law. The Executive Committee met 13 times in 2003. The current members of the Executive Committee are: Messrs. Paterakis, Chair, Haskins, DeGraffenreidt, Grasmick, March and Vaeth and Dr. Kelley. A majority of the members of the Executive Committee is independent as defined by the current NASD rules.

Nomination Process

The Board of Directors does not have a nominating committee. The full Board of Directors performs the functions of a nominating committee. The Board of Directors does not believe it needs a separate nominating committee because the full Board is comprised predominately of independent directors and has the time and resources to perform the function of selecting board nominees. When the Board of Directors performs its nominating function, the Board of Directors acts in accordance with the

Company's corporate charter and bylaws but does not have a separate charter related to the nomination process. Under the Company's charter, nominations for director may be made by the Board of Directors or by a stockholder of record who delivers notice along with the additional information and materials required by the Company charter to the Company Corporate Secretary not less than 30 days and no more than 60 days before the annual meeting date. For the Company's annual meeting in 2005, the Company must receive this notice on or after February 19, 2005 and on or before March 21, 2005. Company stockholders may obtain a copy of the Company charter by writing to the Company Corporate Secretary, Harbor Bankshares Corporation, 25 West Fayette Street, Baltimore, Maryland 21201.

The Company's directors have a critical role in guiding the Company's strategic direction and in overseeing Company management. The Board of Directors considers candidates for the Board based upon several criteria, including their broad-based business and professional skills and experiences, concern for the long-term interests of stockholders, and personal integrity and judgment. Candidates should have reputations, both personal and professional, consistent with the Company's image and reputation. Because diversity is important, the Board of Directors seeks to ensure that its directors reflect the gender and ethnic diversity of the Company's community. The majority of directors on the Board of Directors should be independent, not only as that term may be legally defined, but also without the appearance of any conflict in serving as a director. In addition, directors must have time available to devote to Board activities and to enhance their knowledge of the banking industry. Accordingly, the Board of Directors seeks to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

The Board of Directors utilizes the following process for identifying and evaluating nominees to the Board. In the case of incumbent directors whose terms of office are set to expire, the Board of Directors reviews such directors' overall service to the Company during their term, including the number of meetings attended, level of participation and quality of performance. In the case of new director candidates, the directors on the Board of Directors are polled for suggestions as to potential candidates that may meet the criteria above, discuss candidates suggested by Company stockholders and may also engage, if the Board of Directors deems appropriate, a professional search firm. To date, the Board of Directors has not engaged professional search firms to identify or evaluate potential nominees but may do so in the future, if necessary. The Board of Directors then meets to discuss and consider these candidates' qualifications and then chooses a candidate by majority vote.

Director Attendance at Company Annual Meetings

The Company does not have a formal policy regarding attendance by members of the Board of Directors at the Company's annual meetings of stockholders. The Company has always encouraged its directors to attend its annual meeting of stockholders and expects to continue this policy. In 2003, 15 Company directors attended the Company's annual meeting of stockholders. The Board of Directors will consider formalizing its policy of encouraging director attendance at the Company's annual meeting of stockholders.

Stockholder Communications with the Board

Historically, the Company has not had a formal process for stockholder communications with the Board of Directors. The Company has made an effort to ensure that the Board of Directors or individual directors, as applicable, hear the views of Company stockholders. The Company believes that its responsiveness to stockholder communications to the Board of Directors has been excellent. Nevertheless, during the upcoming year, the Board of Directors will give full consideration to the adoption of a formal process for stockholder communications with the Board.

Code of Ethics and Business Conduct

For years the Company has had policies regarding conflicts of interest and securities law compliance. The Company has recently adopted a Code of Ethics and Business Conduct that reflects these longstanding policies and contains additional policy initiatives. The Company requires all its directors, executive officers and employees to adhere to the Code of Ethics and Business Conduct in addressing the legal and ethical issues encountered in conducting their work. The Code of Ethics and Business Conduct requires that Company directors, executive officers and employees avoid conflicts of interest, comply with securities laws and other legal requirements and conduct business in an honest and ethical manner. The Company conveys to its directors, executive officers and employees both their obligations and responsibilities under and the importance of the Code of Ethics and Business Conduct.

Directors, executive officers and employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Ethics and Business Conduct. The Company has established procedures for receiving, retaining and treating complaints received regarding accounting, internal accounting controls or auditing matters and for the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters. Company stockholders may obtain a copy of the Code of Ethics and Business Conduct by writing to the Company Corporate Secretary, Harbor Bankshares Corporation, 25 West Fayette Street, Baltimore, Maryland 21201. A copy of the Code of Ethics and Business Conduct has been filed with the SEC as an exhibit to the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2003.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of six directors, all of whom are independent in accordance with current NASD rules. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Exhibit A to this proxy statement, and is responsible for overseeing the Company's financial reporting process on behalf of the Board of Directors.

Management is responsible for the Company's consolidated financial statements and the financial reporting process, including internal controls. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and Stegman & Company, the Company's independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with Stegman & Company the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). These matters included a discussion of Stegman & Company's judgments about the quality (not just the acceptability) of the Company's accounting principles as applied to financial reporting.

Stegman & Company also provided the Audit Committee with the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with Stegman & Company that firm's independence. The Audit Committee reviewed the audit and non-audit services provided by Stegman & Company to the Company.

Based upon the Audit Committee's discussion with management and the independent auditors and the Audit Committee's review of the representation of management and the disclosures by the independent auditors to the Audit Committee, the Audit Committee recommended that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2003, for filing with the SEC.

The Audit Committee has retained Stegman & Company as the Company's independent auditors for 2004.

Compensation of Directors

Directors of the Company receive a fee of \$400 for each board meeting attended (\$550 if the director is a member of the Company's Executive Committee), but do not receive a fee for attendance at committee meetings. Total fees paid to directors of the Company during 2003 were \$72,900. Directors who are not employed by the Company or the Bank are permitted to elect whether to receive their fees in the form of cash or in the form of options to purchase Common Stock of the Company under the 1995 Director Stock Option Plan which has been approved by the Company's stockholders. The exercise prices of the options will equal the market price of the Common Stock on the date of grant. The Company did not grant any options to its directors in 2003.

Mr. Haskins Employment Agreement and Retirement Benefit

Joseph Haskins, Jr. has an employment agreement with the Company and the Bank for a four-year term commencing as of January 1, 2000, which term may be automatically renewed for additional three-year terms unless earlier terminated. The employment agreement provides that Mr. Haskins will serve as Chairman of the Board, President and Chief Executive Officer of the Company and Chairman of the Board and Chief Executive Officer of the Bank at an annual salary of \$182,330, subject to annual increases approved by the Company and the Bank. Under the employment agreement, Mr. Haskins may also receive an annual incentive bonus based upon the attainment of goals and objectives set by the Company's Board of Directors. If the minimum level of such goals and objectives is not met,

Mr. Haskins will not be entitled to an incentive bonus. If the Company's Board of Directors awards Mr. Haskins an incentive bonus, the amount of the bonus will range from 60% to 100% of Mr. Haskins' then current salary, as determined by the Board of Directors. In addition to the benefit programs, plans, and arrangements of the Company and the Bank generally available to their employees and the normal perquisites provided to their senior executive officers, the employment agreement provides that Mr. Haskins will receive long-term disability insurance, life insurance, and an automobile allowance. Further, the Company must maintain a key man life insurance policy on the life of Mr. Haskins in order to provide the funds necessary to buy his shares of Company Common Stock from his estate or his heirs.

If the Company terminates Mr. Haskins' employment because he becomes disabled, the Company will continue to provide Mr. Haskins with long-term disability insurance and medical and group life insurance until he attains age 65. Upon termination without cause or resignation with good reason (as those terms are used in the employment agreement), Mr. Haskins would be entitled to (1) severance pay equal to three times his base salary at the time of termination, payable in three equal annual installments, the first of which is due within 30 days of termination, (2) a pro-rated bonus based upon the bonus paid in the year prior to termination or resignation, and (3) immediate vesting of his outstanding options. If Mr. Haskins voluntarily resigns without good reason or if the Company terminates his employment for cause, the Company would not have any further obligations to Mr. Haskins under his employment agreement.

The Company must pay a change of control benefit to Mr. Haskins if either (1) within 12 months after a change of control of the Company, the Company terminates Mr. Haskins' employment without cause or Mr. Haskins terminates his employment for good reason or (2) within 30 days after the expiration of six months after the change in control, Mr. Haskins terminates his employment for any reason. The change of control benefit would equal the greater of (1) 2.99 times the average of Mr. Haskins' gross compensation from the Company over the five-year period before the termination or (2) the amount Mr. Haskins would receive if he was terminated without cause, as described in the prior paragraph. Further, in such event, Mr. Haskins would be entitled to the immediate vesting of his options.

Mr. Haskins may be entitled to receive a retirement benefit under an executive supplemental retirement plan. Mr. Haskins will receive 15 annual payments of the greater of (1) 63% of his final base salary or (2) \$200,000, payable at the time of retirement, if he retires at or after age 62. Mr. Haskins will receive 15 annual payments, each payment being equal to 63% of his final base salary, payable at the time of retirement or termination (or in the case of a disability, at the age of 65), if before age 62:

Mr. Haskins terminates his employment for good reason or, within 30 days after the expiration of six months after a change of control of the Company, Mr. Haskins terminates his employment with or without good reason; or

the Company terminates Mr. Haskins' employment without cause or because of a disability.

If Mr. Haskins terminates his employment before age 62 without good reason, Mr. Haskins will be entitled to a prorated amount of 63% of his final base salary based upon the number of years he provided service to the Company from the year 2000 until such time as he retires. However, if the Company terminates Mr. Haskins' employment for cause, Mr. Haskins will forfeit his retirement benefit. In the event of Mr. Haskins' death, Mr. Haskins' beneficiaries would be entitled to receive the remainder of the retirement benefit should he die before receipt of the full retirement benefit.

Information Regarding Mr. Hernandez

Mr. Hernandez is 59 years old and has served as Vice President and Cashier of the Bank since 1982 and Vice President and Treasurer of the Company since its formation in 1992. He became a Senior Vice President of the Bank in 1998.

Transactions with Directors, Executive Officers, and Affiliates

During the past year the Bank has had loan transactions in the ordinary course of its banking business with directors and executive officers of the Bank and with their affiliates. Loans to such persons were made in the ordinary course of business and did not and do not currently involve more than the normal risk of collectibility or present other unfavorable features. All such loans were made on substantially the same terms, including interest rates and collateral requirements, as those prevailing at the time for comparable transactions with non-affiliates. The Bank expects to enter into such transactions in the future. As of December 31, 2003, loans to directors and executive officers of the Bank, and their affiliates, including loans guaranteed by such persons and unfunded commitments made in 2003, aggregated \$3,394,000 or approximately 17.9% of tangible stockholders' equity of the Bank.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely on the Company's review of the copies of the forms received by it, or written representations from certain reporting persons that they were not required to file Form 5, the Company believes that, with regard to the transactions required to have been reported in 2003 or on a Form 5 for the year ended December 31, 2003, all of the directors and executive officers of the Company have made the necessary filings in compliance with Section 16(a) of the Securities Exchange Act of 1934 and the rules and regulations promulgated thereunder by the SEC.

OTHER MATTERS

The management of the Company knows of no matters to be presented for action at the meeting other than those mentioned above; however, if any other matters properly come before the meeting, it is intended that the persons named in the accompanying proxy will vote on such other matters in accordance with their judgment of the best interest of the Company. Other than the election of directors, each matter to be submitted to the stockholders requires the affirmative vote of a majority of all the shares voted at the meeting or a majority of all the shares outstanding and entitled to be voted.

STOCKHOLDER PROPOSALS

The Company must receive any stockholder proposal intended to be presented at the 2005 Annual Meeting of Stockholders by November 15, 2004 for inclusion in the Company's proxy statement and proxy relating to that meeting. The Company will be able to use proxies given to it for next year's meeting to vote for or against any such proposal at the Company's discretion unless the proposal is submitted to the Company on or before March 21, 2005.
