Dear Stockholder:

The board of directors of TheraSense, Inc. has approved a merger combining Abbott Laboratories and TheraSense.

If the merger is completed, holders of TheraSense's common stock will receive \$27.00 in cash, without interest, for each share of TheraSense's common stock they own.

Stockholders of TheraSense will be asked, at a special meeting of TheraSense's stockholders, to approve and adopt the merger agreement and the merger. The board of directors has approved and declared the merger, the merger agreement and the transactions contemplated by the merger agreement advisable, and has declared that it is in the best interests of TheraSense's stockholders that TheraSense enter into the merger agreement and consummate the merger on the terms and conditions set forth in the merger agreement. **The board of directors recommends that TheraSense's stockholders vote FOR approval and adoption of the merger agreement and the merger.**

The time, date and place of the special meeting to consider and vote upon a proposal to approve and adopt the merger agreement and the merger are as follows:

10:00 a.m. local time, April 5, 2004

Waterfront Plaza Hotel

10 Washington Street

Jack London Square

Oakland, California 94607

The proxy statement attached to this letter provides you with information about the proposed merger and the special meeting of TheraSense's stockholders. We encourage you to read the entire proxy statement carefully. You may also obtain more information about TheraSense from documents we have filed with the Securities and Exchange Commission.

YOUR VOTE IS IMPORTANT REGARDLESS OF THE NUMBER OF SHARES OF THE COMPANY'S COMMON STOCK YOU OWN. BECAUSE APPROVAL AND ADOPTION OF THE MERGER AGREEMENT AND THE MERGER REQUIRES THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF OUR ISSUED AND OUTSTANDING SHARES OF COMMON STOCK ENTITLED TO VOTE THEREON, A FAILURE TO VOTE WILL COUNT AS A VOTE AGAINST THE MERGER. ACCORDINGLY, YOU ARE REQUESTED TO PROMPTLY VOTE YOUR SHARES BY COMPLETING, SIGNING AND DATING THE ENCLOSED PROXY CARD AND RETURNING IT IN THE ENVELOPE PROVIDED, WHETHER OR NOT YOU PLAN TO ATTEND THE SPECIAL MEETING.

Edgar Filing: THERASENSE INC - Form DEFM14A

Voting by proxy will not prevent you from voting your shares in person if you subsequently choose to attend the special meeting.

Thank you for your cooperation and continued support.

Very truly yours,

W. Mark Lortz

Chairman, President and Chief Executive Officer

NOTICE OF SPECIAL MEETING OF STOCKHOLDERS

TO BE HELD APRIL 5, 2004

To the stockholders of TheraSense, Inc.:

A special meeting of stockholders of TheraSense, Inc., a Delaware corporation, will be held on April 5, 2004, at 10:00 a.m., local time, at the Waterfront Plaza Hotel, 10 Washington Street, Jack London Square, Oakland, California 94607, for the following purposes:

1. To consider and vote on a proposal to approve and adopt the Agreement and Plan of Merger dated as of January 12, 2004, by and among the Company, Abbott Laboratories and Corvette Acquisition Corp., a wholly-owned subsidiary of Abbott, and the merger contemplated thereby, pursuant to which, upon the merger becoming effective, each share of common stock, par value \$0.001 per share, of TheraSense, Inc. will be converted into the right to receive \$27.00 in cash, without interest; and
2. To transact such other business as may properly come before the special meeting or any adjournment or postponement thereof.

Only stockholders of record on February 29, 2004, are entitled to notice of and to vote at the special meeting and at any adjournment or postponement of the special meeting. All stockholders of record are cordially invited to attend the special meeting in person. To assure your representation at the meeting in case you cannot attend, however, you are urged to vote your shares by marking, signing, dating and returning the enclosed proxy card as promptly as possible in the postage prepaid envelope enclosed for that purpose. Any stockholder attending the special meeting may vote in person even if he or she has returned a proxy card.

Holders of TheraSense's common stock have the right to dissent from the merger and obtain payment in cash of the fair value of their common stock as appraised by the Delaware Court of Chancery under applicable provisions of Delaware law. This amount could be more, the same or less than the value a stockholder would be entitled to receive under the terms of the merger agreement. In order to perfect and exercise their appraisal rights, stockholders must give written demand for appraisal of their shares before the taking of the vote on the merger at the special meeting and must not vote in favor of the merger. A copy of the applicable Delaware statutory provisions is included as Annex D to the accompanying proxy statement, and a summary of these provisions can be found under "Dissenters' Rights of Appraisal" in the accompanying proxy statement.

Edgar Filing: THERASENSE INC - Form DEFM14A

The approval and adoption of the merger agreement and the merger requires the approval of the holders of a majority of the outstanding shares of the Company's common stock entitled to vote thereon. **Even if you plan to attend the special meeting in person, we request that you complete, sign, date and return the enclosed proxy and thus ensure that your shares will be represented at the special meeting if you are unable to attend.** If you sign, date and mail your proxy card without indicating how you wish to vote, your vote will be counted as a vote in favor of approval and adoption of the merger agreement and the merger. If you fail to return your proxy card, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the special meeting and will effectively be counted as a vote against approval and adoption of the merger agreement and the merger. If you do attend the special meeting and wish to vote in person, you may withdraw your proxy and vote in person.

By order of the board of directors,

Robert D. Brownell

Vice President, General Counsel and Secretary

QUESTIONS AND ANSWERS ABOUT THE MERGER

Q: What is the proposed transaction?

A: The proposed transaction is the acquisition of TheraSense, Inc. (**TheraSense** or the **Company**) by Abbott Laboratories (**Abbott**) pursuant to an Agreement and Plan of Merger (the **merger agreement**) dated as of January 12, 2004 among TheraSense, Abbott and Corvette Acquisition Corp., a wholly-owned subsidiary of Abbott (**merger sub**). Once the merger agreement has been approved and adopted by TheraSense's stockholders and the other closing conditions under the merger agreement have been satisfied or waived, merger sub will merge with and into TheraSense. TheraSense will be the surviving corporation in the merger (the **surviving corporation**) and will become a wholly-owned subsidiary of Abbott.

Q: What will TheraSense's stockholders receive in the merger?

A: Upon completion of the merger, TheraSense's stockholders will receive \$27.00 in cash, without interest, for each share of our common stock that they own. For example, if you own 100 shares of our common stock, you will receive \$2,700.00 in cash in exchange for your TheraSense shares.

Q: Where and when is the special meeting?

A: The special meeting will take place at the Waterfront Plaza Hotel, 10 Washington Street, Jack London Square, Oakland, California 94607, on April 5, 2004, at 10:00 a.m. local time.

Q: What vote of our stockholders is required to approve and adopt the merger agreement and the merger?

A: For us to complete the merger, stockholders holding at least a majority of the shares of our common stock outstanding at the close of business on the record date must vote **FOR** the approval and adoption of the merger agreement and the merger.

Q: How does the TheraSense board of directors recommend that I vote?

A: Our board of directors unanimously recommends that our stockholders vote **FOR** the proposal to approve and adopt the merger agreement and the merger. You should read *The Merger The Company's Reasons for the Merger* for a discussion of the factors that our board of directors considered in deciding to recommend the approval and adoption of the merger agreement and the merger.

Q: What do I need to do now?

A: We urge you to read this proxy statement carefully, including its annexes, and to consider how the merger affects you. Then just mail your completed, dated and signed proxy card in the enclosed return envelope as soon as possible so that your shares can be voted at the special meeting of our stockholders.

Q: What happens if I do not return a proxy card?

Edgar Filing: THERASENSE INC - Form DEFM14A

A: Because the required vote of our stockholders is based upon the number of outstanding shares of our common stock, rather than upon the shares actually voted, the failure to return your proxy card will have the same effect as voting against the merger.

Q: If my shares are held in street name by my broker, will my broker vote my shares for me?

A: Yes, but only if you provide instructions to your broker on how to vote. You should follow the directions provided by your broker regarding how to instruct your broker to vote your shares. Without such instructions, your shares will not be voted, which will have the same effect as voting against the merger. See *The Special Meeting of the Company's Stockholders Voting by Proxy* .

Table of Contents

Q: May I vote in person?

A: Yes. If your shares are not held in street name through a broker, you may attend the special meeting of our stockholders and vote your shares in person, rather than signing and returning your proxy card. If your shares are held in street name, you must first get a proxy card from your broker in order to attend the special meeting and vote.

Q: Am I entitled to appraisal rights?

A: Yes. Under the General Corporation Law of the State of Delaware, holders of our common stock who do not vote in favor of approving and adopting the merger agreement and the merger will have the right to seek appraisal of the fair value of their shares as determined by the Delaware Court of Chancery if the merger is completed, but only if they submit a written demand for an appraisal prior to the vote on the approval and adoption of the merger agreement and the merger and they comply with the Delaware law procedures explained in this proxy statement.

Q: Is the merger expected to be taxable to me?

A: Generally, yes. The receipt of \$27.00 in cash for each share of our common stock pursuant to the merger will be a taxable transaction for U.S. federal income tax purposes. For U.S. federal income tax purposes, generally you will recognize gain or loss as a result of the merger measured by the difference, if any, between \$27.00 per share and your adjusted tax basis in that share. You should read *The Merger Material United States Federal Income Tax Consequences* for a more complete discussion of the federal income tax consequences of the merger. Tax matters can be complicated and the tax consequences of the merger to you will depend on your particular tax situation. You should also consult your tax advisor on the tax consequences of the merger to you.

Q: When do you expect the merger to be completed?

A: We are working toward completing the merger as quickly as possible, and we anticipate that it will be completed in the second quarter of 2004. In order to complete the merger, we must obtain stockholder approval and satisfy a number of other closing conditions under the merger agreement. See *The Merger Agreement General* and *The Merger Agreement Conditions to the Merger*.

Q: Should I send in my stock certificates now?

A: No. Shortly after the merger is completed, you will receive a letter of transmittal with instructions informing you how to send in your stock certificates to Abbott's paying agent in order to receive the merger consideration. You should use the letter of transmittal to exchange stock certificates for the merger consideration to which you are entitled as a result of the merger. **DO NOT SEND ANY STOCK CERTIFICATES WITH YOUR PROXY.**

Q: Who can help answer my other questions?

A: If you have more questions about the merger, you should contact our proxy solicitation agent:

SUMMARY

This summary does not contain all of the information that is important to you. You should carefully read the entire proxy statement to fully understand the merger. The merger agreement is attached as Annex A to this proxy statement. We encourage you to read the merger agreement because it is the legal document that governs the merger.

The Proposed Transaction

Stockholder Vote. You are being asked to vote to approve and adopt a merger agreement with respect to a merger in which the Company will be acquired by Abbott.

Price for Your Stock. Upon completion of the merger, you will receive \$27.00 in cash, without interest, for each of your shares of the Company's common stock.

The Acquiror. Abbott, an Illinois corporation, is engaged in the discovery, development, manufacture and sale of a broad and diversified line of health care products.

Board Recommendation

The Company's board of directors, by the unanimous vote of the directors, has determined that the merger agreement is advisable, has approved and adopted the merger agreement and the merger and unanimously recommends that the Company's stockholders vote FOR approval and adoption of the merger agreement and the merger. See *The Merger Recommendation of the Company's Board of Directors*.

Reasons for the Merger

Our board of directors carefully considered the terms of the proposed transaction and approved the merger based on a number of factors, including the following:

the merger consideration of \$27.00 per share in cash was higher than any price at which the Company's common stock has ever traded and represents a 33.0% premium to the closing price of \$20.30 on January 12, 2004, the last trading day prior to the public announcement of the execution of the merger agreement;

a review of the Company's financial condition, results of operations and business and earnings prospects in remaining independent and the potential for alternative transactions;

Edgar Filing: THERASENSE INC - Form DEFM14A

the financial presentation of Piper Jaffray & Co. (**Piper Jaffray**) on January 12, 2004, and the written opinion of Piper Jaffray delivered to the board of directors as of the same date, to the effect that, as of that date and based upon and subject to the matters and assumptions stated in the opinion, the merger consideration was fair, from a financial point of view, to the Company's stockholders;

the terms of the merger agreement and the stockholder agreement, including the termination fee payable under the merger agreement and the ability of the Company and the board of directors to respond to a superior proposal;

the likelihood of closing in light of the limited closing conditions contained in the merger agreement;

compensation and benefits to our employees, including the extent to which the interests of our directors and executive officers in the merger may differ from those of our stockholders; and

taxability of the merger to TheraSense stockholders and our stockholders' lack of participation in future growth as a result of receiving cash for their stock.

See *The Merger*, *The Company's Reasons for the Merger*.

Table of Contents

Fairness Opinion

Piper Jaffray delivered to the Company's board of directors its written opinion, dated January 12, 2004, to the effect that, as of that date and based upon and subject to the matters and assumptions stated in that opinion, the merger consideration of \$27.00 in cash per share was fair from a financial point of view to the Company's stockholders. See *The Merger Fairness Opinion Delivered to the Company's Board of Directors* .

The full text of Piper Jaffray's written opinion, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Annex C to this proxy statement. We urge you to read it carefully in its entirety. **Piper Jaffray's opinion is directed to our board of directors and relates only to the fairness of the merger consideration from a financial point of view as of the date of the opinion. The opinion does not address any other aspect of the proposed transaction and is not a recommendation as to how any of our stockholders should vote with respect to the merger agreement or the merger.**

Stockholder Agreement

As a condition to its entering into the merger agreement, Abbott required certain of our stockholders to enter into a stockholder agreement under which they have agreed to vote in favor of approval and adoption of the merger agreement and related matters, and against any competing transaction or proposal or any proposal or transaction that could reasonably be expected to prevent or impede the completion of the merger. The stockholder agreement terminates upon the earlier of the effective time of the merger and the termination of the merger agreement in accordance with its terms. As of the record date, the parties to the stockholder agreement held an aggregate of 6,256,163 shares of the Company's common stock, representing approximately 14.7% of the votes eligible to be cast at the special meeting. See *The Merger Stockholder Agreement* and the stockholder agreement attached as Annex B to this proxy statement.

Material United States Federal Income Tax Consequences

The merger will be a taxable transaction to you. For United States federal income tax purposes, your receipt of cash in exchange for your shares of the Company's common stock generally may cause you to recognize a gain or loss measured by the difference, if any, between the cash you receive in the merger and your tax basis in your shares of the Company's common stock. You should consult your own tax advisor for a full understanding of how the merger will affect your taxes. See *The Merger Material United States Federal Income Tax Consequences* .

The Special Meeting of the Company's Stockholders

Place, Date and Time. The special meeting will be held at 10:00 A.M., local time, on April 5, 2004 at the Waterfront Plaza Hotel, 10 Washington Street, Jack London Square, Oakland, California 94607.

What Vote is Required for Approval and Adoption of the Merger Agreement and the Merger. The approval and adoption of the merger agreement and the merger requires the approval of the holders of a majority of the outstanding shares of the Company's common stock entitled to vote at the special meeting. The failure to vote has the same effect as a vote against approval and adoption of the merger agreement and the merger. Stockholders who together own approximately 14.7% of the outstanding shares of the Company's common stock have already agreed to vote in favor of approval and adoption of the merger agreement and the merger. See *The*

Edgar Filing: THERASENSE INC - Form DEFM14A

Merger Stockholder Agreement

Who Can Vote at the Meeting. You can vote at the special meeting all of the shares of the Company's common stock you own of record as of February 29, 2004, which is the record date for the special meeting. If you own shares that are registered in someone else's name, for example, a broker, you need to direct that person to vote those shares or obtain an authorization from them and vote the shares yourself at the meeting. As of February 29, 2004, there were 42,509,491 shares of the Company's common stock outstanding held by approximately 147 holders of record.

Table of Contents

Procedure for Voting. You can vote shares you hold of record by attending the special meeting and voting in person or by mailing the enclosed proxy card. If your shares are held in street name by your broker, you should instruct your broker on how to vote your shares using the instructions provided by your broker. If you do not instruct your broker to vote your shares, your shares will not be voted, which will have the same effect as a vote AGAINST approval and adoption of the merger agreement and the merger. See *The Special Meeting of the Company's Stockholders* .

How to Revoke Your Proxy. You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must either advise the Company's Secretary in writing, deliver a proxy dated after the date of the proxy you wish to revoke, or attend the meeting and vote your shares in person. Merely attending the special meeting will not constitute revocation of your proxy. If you have instructed your broker to vote your shares, you must follow the directions provided by your broker to change these instructions.

Dissenters' Rights of Appraisal

Delaware law provides you with appraisal rights in the merger. This means that if you are not satisfied with the amount you are receiving in the merger, you are entitled to have the value of your shares determined by the Delaware Court of Chancery and to receive payment based on that valuation. The ultimate amount you receive as a dissenting stockholder in an appraisal proceeding may be more or less than, or the same as, the amount you would have received under the merger agreement.

To exercise your appraisal rights, you must deliver a written objection to the merger to the Company at or before the special meeting and you must not vote in favor of approval and adoption of the merger agreement and the merger. Your failure to follow exactly the procedures specified under Delaware law will result in the loss of your appraisal rights. See *Dissenters' Rights of Appraisal* .

The Company's Stock Price

Shares of the Company's common stock are listed on The Nasdaq National Stock Market (**NASDAQ**) under the trading symbol THER . On January 12, 2004, which was the last trading day before we announced the merger, the Company's common stock closed at \$20.30 per share. On February 27, 2004, which was the last practicable trading day before this proxy statement was printed, the Company's common stock closed at \$26.81 per share. See *Market Price of the Company's Common Stock* .

When the Merger Will be Completed

We are working to complete the merger as soon as possible. We anticipate completing the merger in the second quarter of 2004, subject to receipt of stockholder approval and satisfaction of other requirements, including the conditions described below. See *The Merger Agreement - General* .

Non-Solicitation of Other Offers

Edgar Filing: THERASENSE INC - Form DEFM14A

The merger agreement contains restrictions on our ability to solicit or engage in discussions or negotiations with a third party regarding a proposal to acquire a significant interest in our Company. Notwithstanding these restrictions, under certain limited circumstances, our board of directors may respond to an unsolicited written bona fide proposal for an alternative acquisition or terminate the merger agreement and enter into an acquisition agreement with respect to a superior proposal. See *The Merger Agreement No Solicitation of Other Offers* .

Conditions to Completing the Merger

Our and Abbott's respective obligations to effect the merger are subject to the satisfaction or waiver of a number of conditions, including the following:

approval and adoption of the merger agreement and the merger by stockholders holding at least a majority of the shares of our common stock;

Table of Contents

expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 and expiration or termination of all applicable waiting periods (or the receipt of any required approvals) under pre-merger notification requirements in Germany and Ireland; and

the absence of any applicable law, court order, injunction or other legal restraint prohibiting the merger.

Abbott will not be obligated to effect the merger unless the following conditions have been satisfied or waived:

the Company's representations and warranties set forth in the merger agreement must be true and correct (disregarding any qualifications as to materiality or any company material adverse effect), in each case as of the date of the merger agreement and as of the closing date of the merger (or, if applicable, as of an earlier date), with only such exceptions as would not individually or in the aggregate have a company material adverse effect;

the Company must have performed in all material respects all of its obligations under the merger agreement;

the Company must have delivered to Abbott a certificate dated as of the closing date of the merger and signed by its Chief Executive Officer certifying that the conditions in the two preceding sentences have been satisfied;

the absence of any governmental litigation seeking to block the merger, seeking to obtain material damages from the Company, Abbott or merger sub, seeking to impose any limitations on Abbott's ownership of the Company or its common stock, seeking to prohibit Abbott from effectively controlling the business or operations of the Company or that is reasonably likely to have a company material adverse effect; and

the absence of any event that has had a company material adverse effect.

The Company will not be obligated to effect the merger unless the following conditions have been satisfied or waived:

Abbott's representations and warranties set forth in the merger agreement must be true and correct (disregarding any qualifications as to materiality or material adverse effect), in each case as of the date of the merger agreement and as of the closing date of the merger (or, if applicable, as of an earlier date), with only such exceptions as would materially impair Abbott's ability to perform its obligations under the merger agreement or would prevent or materially delay the closing of the merger;

Abbott must have performed in all material respects all of its obligations under the merger agreement; and

Abbott must have delivered to the Company a certificate dated as of the closing date of the merger and signed by its Chief Executive Officer or Chief Financial Officer certifying that the conditions in the two preceding sentences have been satisfied.

Either the Company or Abbott could choose to waive a condition to its obligation to complete the merger even though that condition has not been satisfied. See *The Merger Agreement Conditions to the Merger* .

Termination of the Merger Agreement

Abbott and TheraSense can terminate the merger agreement under certain circumstances, including:

by mutual written consent of Abbott and us;

by either Abbott or us, if the merger has not been completed by September 30, 2004 for any reason, provided, however, that this right to terminate the merger agreement will not be available to a party

Table of Contents

whose failure to fulfill in any material respect its obligations under the merger agreement caused or resulted in the failure of the merger to be completed by September 30, 2004;

by either Abbott or us, if there is any final court order, injunction or other legal restraint prohibiting the merger;

by either Abbott or us, if our stockholders do not approve and adopt the merger agreement and the merger at the special meeting;

by either Abbott or us, if the other party has breached any of its representations, warranties, covenants or obligations contained in the merger agreement, which breach would result in the failure to satisfy any of the conditions to the merger related to truth and correctness of the breaching party's representations and warranties or performance of the breaching party's obligations under the merger agreement and which breach has not been, or is incapable of being, cured within 30 days after written notice;

by Abbott, if our board of directors or any of its committees takes, or resolves to take, any action:

withdrawing or modifying in a manner adverse to Abbott or merger sub its recommendation of the merger agreement or the merger, or failing within 10 business days to reconfirm such recommendation if requested by Abbott; or

approving or recommending any alternative acquisition proposal, or failing to recommend against, or taking a neutral position with respect to, a tender or exchange offer related to an alternative acquisition proposal.

by Abbott, if we violate our non-solicitation obligations under the merger agreement;

by Abbott, if there has been a company material adverse effect that cannot be cured; and

by us, if prior to our stockholders approving and adopting the merger agreement and the merger, we receive a superior proposal and:

our board of directors determines in good faith after consultation with outside legal counsel that such termination is required by its fiduciary obligations under Delaware law;

before exercising our termination right, we send Abbott a written notice advising it that our board of directors has received a superior proposal and stating that our board of directors intends to withdraw its recommendation of the merger agreement and the merger;

we wait until after the fourth business day following Abbott's receipt of such written notice and Abbott has not during that time proposed adjustments to the terms and conditions of the merger agreement that would make it as financially favorable to us as the superior proposal; and

we pay a \$44,500,000 termination fee concurrently with termination of the merger agreement.

See *The Merger Agreement Termination of the Merger Agreement* and *The Merger Agreement Termination Fee; Expenses* .

Termination Fee

We have agreed to pay Abbott a termination fee of \$44,500,000 if the merger agreement is terminated:

by Abbott, in the event that:

our board of directors or any of its committees withdraws or modifies in a manner adverse to Abbott or merger sub its recommendation of the merger agreement or the merger, fails within 10 business days to reconfirm such recommendation if requested by Abbott, or resolves to take any such action;

our board or any of its committees approves or recommends any alternative acquisition proposal, fails to recommend against, or takes a neutral position with respect to, a tender or exchange offer related to an alternative acquisition proposal, or resolves to take any such action; or

Table of Contents

we violate our non-solicitation obligations under the merger agreement;

by us, in accordance with the terms of the merger agreement after our receipt of a superior proposal;

by any party, following a failure by us to hold the special meeting in violation of our obligations under the merger agreement, if within twelve months following termination of the merger agreement we either consummate an alternative acquisition or enter into an agreement providing for an alternative acquisition that is subsequently consummated; and

by any party, in the event that prior to the special meeting a proposal for an alternative acquisition is publicly announced and our stockholders do not vote to approve and adopt the merger agreement and the merger at the special meeting, if within twelve months following termination of the merger agreement we either consummate an alternative acquisition or enter into an agreement providing for an alternative acquisition that is subsequently consummated.

See *The Merger Agreement Termination Fee; Expenses* .

Employee Benefits Matters; Stock Options

The merger agreement contains a number of provisions relating to the benefits that our employees will receive in connection with and following the merger. In particular, under the merger agreement:

Abbott has agreed to provide our employees who continue to be employed by Abbott or the surviving corporation following the merger with compensation and benefits substantially comparable in the aggregate to those of similarly situated employees of Abbott, subject to certain limitations with respect to benefit accruals and Abbott's retiree health plans; and

we have agreed to cause the vested and unvested stock options held by our directors, executive officers, employees and consultants to be cashed out in connection with the merger, meaning that holders of those stock options will receive cash payments for each share underlying their options equal to the excess of \$27.00 per share over the exercise price per share of their options, subject to any required withholding of taxes.

THE SPECIAL MEETING OF THE COMPANY S STOCKHOLDERS

Time, Place and Purpose of the Special Meeting

The special meeting will be held on April 5, 2004, at 10:00 a.m. local time at the Waterfront Plaza Hotel, 10 Washington Street, Jack London Square, Oakland, California 94607. The purpose of the special meeting is to consider and vote on the proposal to approve and adopt the merger agreement and the merger. **The Company s board of directors has unanimously determined that the merger agreement is advisable, has approved and adopted the merger agreement and the merger and recommends that the Company s stockholders vote FOR approval and adoption of the merger agreement and the merger.**

Who Can Vote at the Special Meeting

Only holders of record of our common stock as of February 29, 2004, which is the record date for the special meeting, are entitled to receive notice of and to vote at the special meeting. If you own shares that are registered in someone else s name, for example, a broker, you need to direct that person to vote those shares or obtain an authorization from them and vote the shares yourself at the meeting. On February 29, 2004, there were 42,509,491 shares of the Company s common stock outstanding held by approximately 147 holders of record.

Vote Required; Quorum

The approval and adoption of the merger agreement and the merger requires the affirmative vote of the holders of a majority of the outstanding shares of the Company s common stock entitled to vote at the special meeting. Each share of common stock is entitled to one vote. Because the required vote of stockholders is based upon the number of outstanding shares of our common stock, rather than upon the shares actually voted, failure to submit a proxy or to vote in person will have the same effect as a vote AGAINST approval and adoption of the merger agreement and the merger.

If your shares are held in street name by your broker, you should instruct your broker how to vote your shares using the instructions provided by your broker. Under the rules of NASDAQ, brokers who hold shares in street name for customers may not exercise their voting discretion with respect to non-routine matters such as the approval and adoption of the merger agreement and the merger. As a result, if you do not instruct your broker to vote your shares, it will have the same effect as a vote AGAINST approval and adoption of the merger agreement and the merger.

Pursuant to the stockholder agreement, certain stockholders who together own approximately 14.7% of the outstanding shares of the Company s common stock as of the close of business on the record date have already agreed to vote in favor of approval and adoption of the merger agreement and the merger. The parties to the stockholder agreement include certain of our directors and executive officers. See *The Merger Stockholder Agreement* .

The holders of a majority of the outstanding shares of the Company s common stock entitled to be cast as of the record date, represented in person or by proxy, will constitute a quorum for purposes of the special meeting. A quorum is necessary to hold the special meeting. Once a

Edgar Filing: THERASENSE INC - Form DEFM14A

share is represented at the special meeting, it will be counted for the purpose of determining a quorum and any adjournment of the special meeting, unless the holder is present solely to object to the special meeting. However, if a new record date is set for an adjourned meeting, a new quorum will have to be established.

Voting By Proxy

This proxy statement is being sent to you on behalf of the board of directors of the Company for the purpose of requesting that you allow your shares of the Company's common stock to be represented at the special meeting by the persons named in the enclosed proxy card. All shares of the Company's common stock

Table of Contents

represented at the meeting by properly executed proxy cards will be voted in accordance with the instructions indicated on that proxy. If you sign and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's board of directors. **The board recommends a vote FOR approval and adoption of the merger agreement and the merger.**

The Company does not expect that any matter other than the proposal to approve and adopt the merger agreement and the merger will be brought before the special meeting. If, however, such a matter is properly presented at the special meeting, the persons named in the proxy card will use their own judgment to determine how to vote your shares.

You may revoke your proxy at any time before the vote is taken at the special meeting. To revoke your proxy, you must either advise the Company's Secretary in writing, deliver a proxy dated after the date of the proxy you wish to revoke or attend the special meeting and vote your shares in person. Attendance at the special meeting will not by itself constitute revocation of a proxy. If you have instructed your broker to vote your shares, you must follow the directions provided by your broker to change these instructions.

Solicitation of Proxies

The Company will pay the cost of this proxy solicitation. In addition to soliciting proxies by mail, directors, officers and employees of the Company may solicit proxies personally and by telephone, e-mail or otherwise. None of these persons will receive additional or special compensation for soliciting proxies. The Company will, upon request, reimburse brokers, banks and other nominees for their expenses in sending proxy materials to their customers who are beneficial owners and obtaining their voting instructions.

The Company has engaged The Altman Group to assist in the solicitation of proxies for the special meeting and will pay The Altman Group a fee of \$7,000, plus reimbursement of out-of-pocket expenses. The address of The Altman Group is 1275 Valley Brook Avenue, Lyndhurst, New Jersey 07071. The Altman Group's telephone number is (800) 249-7179.

THE MERGER

The discussion of the merger in this proxy statement is qualified by reference to the merger agreement and the stockholder agreement, which are attached to this proxy statement as Annexes A and B, respectively. You should read each agreement carefully.

Background of the Merger

Since 2001, our management has had discussions with various other participants in the pharmaceutical and medical device industries regarding potential collaborations in the insulin, insulin delivery and blood glucose monitoring businesses that would be complementary to our business.

Beginning in early 2001, members of our management engaged in discussions with representatives of a company, referred to in this proxy statement as Company A, regarding the distribution of FreeStyle Navigator, our continuous glucose monitoring system, which was then and is still now in development. We signed a confidentiality agreement with Company A in conjunction with these discussions. At the end of 2001 and in early 2002, these discussions centered upon the negotiation of a detailed non-binding term sheet that outlined the material terms of a distribution agreement. In April 2002, while we were preparing definitive agreements, these discussions ended when Company A's senior management determined that Company A would not go forward with the FreeStyle Navigator distribution agreement.

Beginning in early 2002, members of our management engaged in discussions with representatives of a company, referred to in this proxy statement as Company B, regarding a possible collaboration. We signed a confidentiality agreement with Company B in conjunction with these discussions and subsequently submitted a detailed term sheet to Company B with regard to the proposed collaboration. We received only limited comments on our term sheet and discussions ended in June 2002. Subsequent to the termination of our discussions, Company B entered into a similar collaboration with another company.

In December 2002 and early January 2003, members of our management and representatives of Abbott discussed various possible business relationships and scheduled a meeting in Bedford, Massachusetts for January 31, 2003, to engage in more detailed discussions. We signed a confidentiality agreement with Abbott relating to these discussions. During the January 31, 2003, meeting, we discussed the possibilities of Abbott's international distribution of our existing, approved FreeStyle products, the co-development with and distribution by Abbott of our FreeStyle Navigator system and incorporation of our existing, approved FreeStyle system into a hospital product application.

On January 28, 2003, members of our management approached Company A regarding Company A's international distribution of our FreeStyle products in certain countries. Company A expressed interest, but negotiations did not ensue.

On February 20, 2003, representatives of Abbott approached Piper Jaffray, the Company's financial advisor, regarding an acquisition of our company, and Piper Jaffray promptly communicated Abbott's indication of interest to us. On February 24 and 25, 2003, we held regularly scheduled meetings of our board of directors and its committees and a strategic planning session. During the strategic planning session our board of directors discussed our various strategic alternatives, including Abbott's interest in a potential acquisition and possible distribution and other business relationships with Abbott and other parties, including Company A and Company B. Our board determined that we would not consider a potential acquisition except at a price significantly in excess of the then-prevailing market price for our stock, which during the period from February 1 through 20, 2003, traded in a range of \$6.43 to \$7.54 per share. Our board of directors also determined that we should continue our discussions with Abbott regarding possible distribution and other business relationships.

Edgar Filing: THERASENSE INC - Form DEFM14A

On February 28, 2003, we communicated our board of directors' conclusions to Abbott. As a result, acquisition discussions with Abbott did not progress further at that time. However, we did continue our

Table of Contents

discussions with Abbott regarding possible distribution of our existing, approved FreeStyle products and our FreeStyle Navigator product. We were unable to settle upon mutually agreeable terms, and these discussions ended in June 2003.

On March 26, 2003, representatives of Company A approached us regarding a potential acquisition of our company. In accordance with the directive of our board of directors from the February 25, 2003, strategic planning session, our management informed Company A that our stock was substantially undervalued and that we would not consider a potential acquisition except at a price significantly in excess of the then-prevailing market price for our stock, which during the period from March 1 through 26, 2003, traded in a range of \$6.96 to \$8.40 per share. As a result, acquisition discussions with Company A did not progress further at that time.

In May and June 2003, we held several meetings with Company A regarding a possible collaboration with respect to our FreeStyle Navigator system. We ended these discussions in June 2003 following our determination that senior management of Company A had not demonstrated the appropriate commitment to proceed.

On June 11, 2003, representatives of Piper Jaffray met with representatives of Abbott to discuss Abbott's strategy for its blood glucose monitoring business. Representatives of Piper Jaffray and Abbott discussed whether Abbott would be willing to enter into a business combination with TheraSense.

On June 27, 2003, representatives of Company B and members of our management met at our offices in Alameda, California to reopen discussions regarding collaboration opportunities within the diabetes management industry. During those discussions, a representative of Company B indicated that Company B might have an interest in discussing a potential business combination transaction.

On July 22, 2003, W. Mark Lortz, our Chairman, President and Chief Executive Officer, informed a representative of Company B that in light of the trading price of our stock, any acquisition would need to be at a price significantly in excess of the then-prevailing market price for our stock and we would not be able to engage in discussions regarding a potential acquisition until Company B signed a confidentiality agreement that included acceptable standstill provisions. From July 1 through July 22, 2003, our stock had traded in a range of \$10.00 to \$11.64 per share. During the period from this discussion until the middle of October 2003, there were additional intermittent discussions between TheraSense and Company B concerning a new confidentiality agreement with standstill provisions.

In September 2003, our management and Piper Jaffray held further discussions with representatives of Abbott in which we reiterated our position that we would be unwilling to consider a potential acquisition except at a price significantly in excess of the then-prevailing market price for our stock.

On September 24, 2003, members of our management met with Abbott's senior management in Oakland, California. At that meeting Abbott expressed a willingness to pursue a potential acquisition at a price in excess of the then-prevailing market price of our stock. From September 1, 2003, through the September 24 meeting, our stock traded in a range of \$13.05 to \$15.75 per share. We reiterated to Abbott that, in light of the trading price of our stock, any acquisition would need to be at a price significantly in excess of the then-prevailing market price of our stock, and we indicated that we would not be able to engage in further discussions regarding a potential acquisition until Abbott signed a confidentiality agreement that included acceptable standstill provisions.

Edgar Filing: THERASENSE INC - Form DEFM14A

Between October 1 and October 13, 2003, we and Abbott negotiated the terms of a confidentiality agreement. During this negotiation period Abbott requested that we commit to exclusive negotiations with them and that the confidentiality agreement not include any standstill provision. We indicated that we would not agree to exclusive negotiations and that we would not enter into an acquisition-related confidentiality agreement with any party unless it included standstill provisions acceptable to us. On October 13, 2003, we and Abbott entered into a confidentiality agreement that included mutually acceptable standstill provisions.

On October 2, 2003, our management met with representatives of Piper Jaffray and Davis Polk & Wardwell, the Company's legal advisor, to discuss Abbott's interest in a potential acquisition and to structure a process for

Table of Contents

identifying other potential acquirors. Our management preliminarily identified three companies, Abbott, Company A and Company B, as the most likely potential acquirors of the Company with the assistance of Piper Jaffray and following a review of various participants in the medical device and pharmaceutical industries. Our management based this determination on an assessment of each potential acquiror's possible strategic rationale for an acquisition, the financial and regulatory impediments that might exist for certain acquirors and the anticipated willingness and ability of each of them to pursue and complete such a transaction.

On October 7, 2003, representatives of Piper Jaffray met with senior management of Company B to discuss Company B's interest in pursuing a potential acquisition, and Company B's senior management indicated that it was interested in further discussions. As a result, the negotiation of a confidentiality agreement with standstill provisions that began in July of 2003 intensified in mid-October and we signed a confidentiality agreement containing standstill provisions acceptable to us on November 13, 2003.

On October 16, 2003, our management had a day-long meeting with Abbott's senior management at the San Francisco offices of Piper Jaffray. During this meeting we presented our operating plans and strategy, product development efforts plans and financial position in detail and answered various questions from Abbott. We also discussed the potential synergies that could be realized in a business combination with Abbott.

In mid-October of 2003, Piper Jaffray approached Company A to explore whether it might be interested in pursuing an acquisition of our Company. Company A informed Piper Jaffray shortly thereafter that it was not interested in pursuing such a transaction.

On October 23, 2003, representatives of Piper Jaffray met with executive officers of Abbott and indicated that any further discussions would require that Abbott indicate in writing its willingness to pursue an acquisition of TheraSense at a specified price significantly in excess of the then-prevailing market price for our stock. From October 1 through October 23, 2003, our stock traded in a range of \$11.80 to \$16.82 per share.

On November 13, 2003, we received from Abbott a written, non-binding expression of interest in acquiring our Company at a price of \$25.00 to \$27.00 per share, subject to due diligence and the ability to negotiate a satisfactory agreement with us. In addition, Abbott repeated its request for an exclusive negotiation period.

On November 19, 2003, our board of directors held a special meeting that was attended by representatives of Piper Jaffray and Davis Polk. Our management reviewed the status of discussions with Abbott, Company A and Company B, its process for identifying potential acquirors of the Company and its assessment of the most likely potential acquirors. The board of directors determined that management should continue discussions with Abbott and Company B. Following the board of directors meeting we communicated to Abbott that we would be willing to continue discussions but that they would not be on an exclusive basis.

On November 21, 2003, our management gave representatives of Company B a detailed presentation on our operating plans and strategy, product development efforts and plans and financial position. Our presentation to Company B was substantially similar to the presentation our management delivered to Abbott on October 16, 2003. At the conclusion of the presentation, representatives of Company B indicated that Company B would not be able to pursue an acquisition due to an existing business relationship with another party.

Following the presentation to representatives of Company B through mid-December 2003, Piper Jaffray sought clarification from senior management of Company B regarding its previously expressed interest in pursuing an acquisition of our Company. During this period Piper Jaffray indicated that if Company B was interested in further discussions it would need to act quickly and would need to indicate in writing its

Edgar Filing: THERASENSE INC - Form DEFM14A

willingness to pursue an acquisition at a specified price significantly in excess of the then-prevailing market price for our stock.

From December 2 through December 5, 2003, representatives of Abbott, Morgan Stanley & Co. Incorporated, Abbott's financial advisors, and Skadden, Arps, Slate, Meagher and Flom LLP, Abbott's legal

Table of Contents

advisors, conducted documentary due diligence and met in due diligence sessions with our management team and representatives of Piper Jaffray and Davis Polk at Davis Polk's offices in Menlo Park, California. During the same period, representatives from Abbott also conducted due diligence at our offices in Alameda, California. On December 6 and 7, 2003, representatives of Mayer, Brown, Rowe & Maw LLP, additional legal advisors to Abbott, conducted further documentary due diligence of our intellectual property at Davis Polk's offices in Menlo Park. During the period thereafter and leading up to the January 12, 2004 signing of the merger agreement, Abbott continued its due diligence review of us.

On December 4, 2003, our board of directors held a regular meeting that was attended by representatives of Piper Jaffray and Davis Polk. Our Chief Executive Officer updated the board of directors on the status of discussions with Abbott and Company B. The board of directors determined that management should continue discussions with both Abbott and Company B.

On December 15, 2003, we received from Company B a written, non-binding expression of interest in acquiring our Company at a price of \$20.00 to \$24.00.

On December 16, 2003, Piper Jaffray informed senior management of Company B that its price range of \$20.00 to \$24.00 was not sufficient.

On December 19, 2003, we received from Company B a written, non-binding expression of interest in acquiring our Company at a price of \$20.00 to \$28.00 per share, subject to due diligence and the ability to negotiate a satisfactory agreement with us. Piper Jaffray indicated to Company B that we would be willing to continue discussions, but that Company B would need to proceed very quickly. Piper Jaffray further indicated to Company B that it would need to be at the high end of its \$20.00 to \$28.00 range to be competitive with respect to a potential acquisition of the Company, and Company B subsequently indicated its willingness to proceed with that understanding.

On December 24, 2003, Skadden delivered a draft of the merger agreement to us and our representatives.

On December 29 and for a brief period on the morning of December 30, 2003, representatives of Company B and its financial and legal advisors conducted documentary due diligence and met in due diligence sessions with our management team and representatives of Piper Jaffray and Davis Polk at Davis Polk's offices in Menlo Park. In addition, on December 29, 2003, representatives from Company B also conducted due diligence at our offices in Alameda, California. The agenda for the due diligence sessions with Company B was substantially similar to the due diligence agenda followed with Abbott, and the due diligence documents made available to Company B for its review were substantially similar to the due diligence documents made available to Abbott. Late in the morning of December 30, 2003, Company B's representatives ceased their due diligence and left Davis Polk's offices. Following their departure, from December 30, 2003 through January 2, 2004, we and our financial advisors engaged in discussions and exchanged correspondence with Company B and its financial advisors regarding opportunities for Company B to conduct additional due diligence. During this period, Company B indicated to us that it wished to conduct additional due diligence, and we and our financial advisors repeatedly emphasized to Company B that it needed to proceed very quickly. However, we received no subsequent requests for additional due diligence information from Company B until January 9, 2004.

On December 30, 2003, Davis Polk delivered a revised draft of the merger agreement to Skadden.

On January 3, 2004, Skadden delivered a revised draft of the merger agreement to Davis Polk.

Edgar Filing: THERASENSE INC - Form DEFM14A

On January 5, 2004, our board of directors held a special meeting that was attended by representatives of Piper Jaffray and Davis Polk. Our Chief Executive Officer updated our board of directors on the status of negotiations with Abbott and Company B. A representative of Davis Polk summarized the terms of the proposed transaction and merger agreement with Abbott and discussed key business issues remaining to be resolved in the negotiations between Abbott and the Company. Our board of directors authorized management and our advisors to continue negotiations with Abbott.

Table of Contents

On January 5, representatives of Company B indicated to Piper Jaffray that they would be sending a supplemental due diligence request list on approximately January 9. Piper Jaffray reiterated to Company B that it needed to proceed very quickly.

During the period beginning on January 5, 2004 and concluding early in the morning of January 12, 2004, we, Abbott and our respective representatives negotiated the terms of the merger agreement and stockholder agreement. During the same period, our management met telephonically with representatives of Abbott to discuss the communications plan for announcement of the transaction and integration issues.

On January 6, 2004, our Chief Executive Officer, Mr. Lortz, discussed the price range of the proposed transaction with Richard Gonzalez, the President and Chief Operating Officer of Abbott's Medical Products Group. Messrs. Lortz and Gonzalez agreed to continue these discussions later in that week.

On January 8, 2004, our Chief Executive Officer met with Mr. Gonzalez to continue their discussions regarding outstanding business issues remaining in the merger agreement other than the price to be paid by Abbott.

At the close of business on January 9, 2004, we received a supplemental due diligence request list from Company B.

During the afternoon of January 9, 2004, our and Abbott's respective financial advisors negotiated the price to be paid in the proposed transaction. Following the close of business on that day, Sean Murphy, Vice President, Global Licensing/New Business Development at Abbott, informed Piper Jaffray that Abbott's offer would be \$27.00 per share in cash.

On January 12, 2004, our board of directors held a special meeting that was attended by representatives of Piper Jaffray and Davis Polk. A representative of Davis Polk updated the board on the status of negotiations with both Abbott and Company B. Davis Polk then summarized the terms of the merger agreement with Abbott and the stockholder agreement, including the resolution of final issues related to each agreement. Davis Polk also provided an overview of the fiduciary duties applicable to the board of directors, both generally and within the specific context of a transaction involving the exchange of the Company's outstanding equity securities for cash. Representatives of Piper Jaffray then reviewed with our board of directors its financial analyses with respect to the proposed transaction. Following its presentation, Piper Jaffray delivered its written opinion to our board of directors that, as of January 12, 2004, and based upon and subject to the factors and assumptions set forth in its written opinion, the \$27.00 per share in cash to be received by the holders of our common stock pursuant to the merger agreement was fair to those holders from a financial point of view. See *The Merger Fairness Opinion Delivered to the Company's Board of Directors*. Our board of directors discussed the proposed transaction and posed various questions to our management and the Company's legal and financial advisors. Based on the prior course of dealing with Company B regarding a possible acquisition, the fact that we had not received a formal offer from Company B and the fact that Company B would require additional time for due diligence and the drafting and negotiation of acceptable agreements that had already been accomplished by Abbott, our board of directors determined that it was in the best interests of our stockholders to pursue a potential acquisition transaction with Abbott rather than with Company B. In its deliberations, our board of directors also specifically weighed, among other things, the benefits of the proposed transaction against the advantages and disadvantages of remaining independent and passing on the opportunity presented by Abbott. After extensive discussion, our board of directors unanimously (1) approved and declared the merger, the merger agreement and the transactions contemplated by the merger agreement advisable, (2) declared that it is in the best interests of our stockholders that we enter into the merger agreement and consummate the merger on the terms and conditions set forth in the merger agreement, (3) resolved to recommend that our stockholders approve and adopt the merger agreement and the merger, (4) approved the transactions contemplated by the stockholder agreement, (5) approved an amendment to our Rights Agreement dated March 7, 2003 with ComputerShare Investor Services rendering it inapplicable to the merger agreement, the stockholder agreement, the merger and the other transactions

contemplated by the merger agreement and the stockholder agreement, (6) approved the merger agreement and the agreements and transactions contemplated by the merger agreement and the stockholder agreement for purposes of Section 203 of the Delaware General Corporation Law and (7) authorized execution of the merger agreement.

After the close of trading on January 12, 2004, the parties executed the merger agreement.

Prior to the commencement of trading on January 13, 2004, we issued a joint press release with Abbott announcing the execution of the merger agreement.

On January 13, 2004, we sent a letter to Company B advising it that, pursuant to our obligations under the merger agreement with Abbott, we were immediately ceasing and terminating all discussions and negotiations regarding a potential transaction and that we would not be responding to its supplemental due diligence request list of January 9, 2004. Pursuant and subject to the terms of our mutual non-disclosure agreement with Company B, we also requested that Company B return or destroy all copies of our proprietary information in its or its representatives' possession.

Reasons for the Merger

The Company's board of directors consulted with senior management and the Company's financial and legal advisors and considered a number of factors, including those set forth below, in reaching its decision to approve the merger agreement and the transactions contemplated by the merger agreement, and to recommend that the Company's stockholders vote FOR approval and adoption of the merger agreement and the merger.

Merger Consideration. The Company's board of directors considered the \$27.00 per share cash consideration that the stockholders will receive if the merger is consummated and the likelihood that it will deliver greater value to the stockholders than might be expected if the Company remained independent. The board also considered that the \$27.00 per share price was higher than any price at which the Company's common stock has ever traded and represents a 33.0% premium to the closing price of \$20.30 on January 12, 2004, the last trading day prior to the public announcement of the execution of the merger agreement.

Review of Prospects in Remaining Independent. The Company's board of directors considered the Company's financial condition, results of operations and business and earnings prospects if it were to remain independent in light of the relevant factors, including consolidation and other developments occurring in the glucose self-monitoring systems industry, and also considered the potential availability of alternative transactions.

Fairness Opinion. The Company's board of directors considered the financial presentations made by Piper Jaffray on January 12, 2004 and the written opinion of Piper Jaffray delivered to the board of directors as of the same date, to the effect that, as of that date and subject to the matters and assumptions stated in the opinion, the merger consideration to be received by the Company's stockholders was fair, from a financial point of view, to such stockholders. The full text of Piper Jaffray's written opinion is attached to this proxy statement as Annex C.

Terms of the Merger Agreement. The Company's board of directors considered the terms of the merger agreement, including the parties' respective representations, warranties and covenants, the conditions to their respective obligations to complete the merger and the ability of the respective parties to terminate the merger agreement. The board of directors also considered the terms of the

Edgar Filing: THERASENSE INC - Form DEFM14A

stockholder agreement. The board of directors noted that the stockholder agreement and the termination fee provisions of the merger agreement could have the effect of discouraging alternative proposals for a business combination between the Company and a third party, but that such provisions are customary for transactions of this size and type. The board of directors also noted that the merger agreement permits the Company and its board to respond to a bona fide acquisition proposal that the board

Table of Contents

determines is a superior proposal, subject to certain restrictions imposed by the merger agreement and the requirement that the Company pay Abbott a \$44,500,000 termination fee in the event that the Company terminates the merger agreement to enter into an alternative acquisition with respect to such superior proposal.

Likelihood of Closing. The board of directors considered the limited nature of the closing conditions included in the merger agreement, including the likelihood that the merger would be approved by requisite regulatory authorities and that the merger agreement would be approved and adopted by the Company's stockholders.

Employee Compensation and Benefits. The board considered that certain directors and officers of the Company may receive certain benefits different from, and in addition to, those of other stockholders as described under *Interests of the Company's Directors and Executive Officers in the Merger*.

Taxability; No Participation in Future Growth. The board of directors also considered that the merger will be a taxable transaction to the Company's stockholders and that because the Company's stockholders are receiving cash for their stock, they will not participate in the future growth of either the Company or Abbott.

The foregoing discussion of the information and factors considered by the Company's board of directors, while not exhaustive, includes the material factors considered by the board of directors, and contains both factors that support the merger and factors that may weigh against it. In view of the variety of factors considered in connection with its evaluation of the merger, the Company's board of directors did not find it practicable to, and did not, quantify or otherwise assign relative or specific weight or values to any of these factors, and individual directors may have given different weights to particular factors. In addition, our board of directors did not make any specific determination of whether any particular factor, or any aspect of any particular factor, was favorable or unfavorable to its ultimate determination, and individual directors may have had different views on the favorability of particular factors.

Recommendation of the Company's Board of Directors

After careful consideration, the Company's board of directors, by the unanimous vote of the directors, has determined that the merger agreement is advisable, has approved and adopted the merger agreement and the merger and recommends that the Company's stockholders vote FOR approval and adoption of the merger agreement and the merger.

Interests of the Company's Directors and Executive Officers in the Merger

Stock Options

Under the terms of the merger agreement and our stock option agreements with our directors, officers, employees and consultants, all of the stock options granted to such individuals will be canceled immediately prior to the effective time of the merger. The merger agreement provides that in consideration for such cancellation Abbott will make a cash payment to the holder of each such option, regardless of whether such option is vested or unvested, equal to the product of (i) the total number of shares that are subject to such option immediately prior to the effective time of the merger and (ii) the excess of \$27.00 per share over the exercise price per share subject to such option, subject to any required withholding of taxes.

Edgar Filing: THERASENSE INC - Form DEFM14A

Because all of the Company's outstanding options are in the money, meaning that they have exercise prices below \$27.00 per share, all holders of our options immediately prior to the effective time of the merger will be entitled to receive such cash payments. This includes our executive officers and our non-employee directors, each of whom holds outstanding options. The following table summarizes the vested and unvested

options held by our executive officers and directors as of the record date, and the consideration that each of them will receive pursuant to the merger agreement in connection with the cancellation of their options:

Change of Control Severance Agreements

The Company has change of control severance agreements with each of its executive officers that contain provisions that will be triggered by the merger and that were amended in July 2003. Abbott will assume the obligations of the Company under these agreements if the merger is completed.

W. Mark Lortz, our Chairman, President and Chief Executive Officer, is entitled to the following severance benefits under his change of control severance agreement:

in the event of an involuntary termination between the signing of the merger agreement and the date 12 months after the effective date of the merger, all of Mr. Lortz's unvested stock options will immediately vest and become exercisable;

in the event of an involuntary termination between the signing of the merger agreement and the date 12 months after the effective date of the merger, a lump sum severance payment of 200% of Mr. Lortz's then-current base salary and a lump sum payment equal to the cost of 24 months' health care coverage after payment of any applicable taxes;

Edgar Filing: THERASENSE INC - Form DEFM14A

in the event of a termination without cause at any time other than the period between the signing of the merger agreement and the date 12 months after the effective date of the merger, a lump sum severance payment of 150% of Mr. Lortz's then-current annual base salary and a lump sum payment equal to the cost of 18 months' health care coverage after payment of any applicable taxes; and

in the event that any compensation to Mr. Lortz is deemed to be an excess parachute payment and is therefore subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, which we refer to as the Code, a lump sum gross-up payment in an amount such that Mr. Lortz's after-tax compensation is equal to what it would have been had no such excise tax been imposed.

Table of Contents

Under both Mr. Lortz's change of control severance agreement and those of our other executive officers, involuntary termination means (i) without the employee's written consent, a significant reduction of the employee's duties, position or responsibilities relative to the employee's duties, position or responsibilities in effect immediately prior to such reduction, or the removal of the employee from such position, duties and responsibilities; provided, however, that a reduction in duties, position or responsibilities solely by virtue of the Company being acquired and made part of a larger entity (as, for example, when the Chief Financial Officer of the Company remains as such following a change of control but is not made the Chief Financial Officer of the acquiring corporation) shall not constitute an involuntary termination, (ii) without the employee's written consent, a substantial reduction, without good business reasons, of the facilities and perquisites (including office space and location) available to the employee immediately prior to such reduction, (iii) without the employee's express written consent, a reduction by the Company of the employee's base salary as in effect immediately prior to such reduction, (iv) without the employee's express written consent, a material reduction by the Company in the kind or level of employee benefits (including cash and stock bonus plans) to which the employee is entitled immediately prior to such reduction with the result that the employee's overall benefits package is significantly reduced, (v) without the employee's express written consent, the relocation of the employee to a facility or a location that increases the employee's one-way commute from the employee's residence at the time of the change of control by more than 30 miles, (vi) any purported termination of the employee by the Company that is not effected for cause, or (vii) the failure of the Company to obtain the assumption of the employee's change of control severance agreement by any successors.

Mr. Lortz's change of control severance agreement and those of our other executive officers also provide that cause means (i) any act of personal dishonesty taken by the employee in connection with his responsibilities as an employee that is intended to result in substantial personal enrichment of the employee, (ii) the employee's conviction of a felony that the Company's board of directors reasonably believes has had or will have a material detrimental effect on the Company's reputation or business, (iii) a willful act by the employee that constitutes misconduct and is injurious to the Company, or (iv) continued willful violations by the employee of the employee's obligations to the Company after there has been delivered to the employee a written demand for performance from the Company that describes the basis for the Company's belief that the employee has not substantially performed his duties.

Charles T. Liamos, our Chief Operating Officer and Chief Financial Officer, is entitled to the following severance benefits under his change of control severance agreement:

in the event of an involuntary termination between the signing of the merger agreement and the date 12 months after the effective date of the merger, all of Mr. Liamos' unvested stock options will immediately vest and become exercisable;

in the event of an involuntary termination between the signing of the merger agreement and the date 12 months after the effective date of the merger, a lump sum severance payment of 150% of Mr. Liamos' then-current base salary and a lump sum payment equal to the cost of 18 months' health care coverage after payment of any applicable taxes;

in the event of a termination without cause at any time other than the period between the signing of the merger agreement and the date 12 months after the effective date of the merger, a lump sum severance payment of 100% of Mr. Liamos' then-current annual base salary and a lump sum payment equal to the cost of 12 months' health care coverage after payment of any applicable taxes; and

in the event that any compensation to Mr. Liamos is deemed to be an excess parachute payment and is therefore subject to the excise tax imposed by Section 4999 of the Code, a lump sum gross-up payment in an amount such that Mr. Liamos' after-tax compensation is equal to what it would have been had no such excise tax been imposed.

Table of Contents

The Company's 13 vice presidents, a number of whom are executive officers, are each entitled to the following severance benefits under their respective change of control severance agreements:

in the event of an involuntary termination between the signing of the merger agreement and the date 12 months after the effective date of the merger, all of such employee's unvested stock options will immediately vest and become exercisable;

in the event of an involuntary termination between the signing of the merger agreement and the date 12 months after the effective date of the merger, a lump sum severance payment of 100% of such employee's then-current base salary and a lump sum payment equal to the cost of 12 months' health care coverage after payment of any applicable taxes; and

in the event that any compensation to such employee is deemed to be an excess parachute payment and is therefore subject to the excise tax imposed by Section 4999 of the Code, the Company must either pay such compensation in full or reduce it to an amount at which none of it would be subject to such excise tax, whichever results in greater after-tax compensation to the employee.

Each of the Company's change of control severance agreements, including those of Mr. Lortz and Mr. Lianos, also provides for varying degrees of accelerated vesting of unvested options upon the effective date of the merger. However, because the merger agreement provides that all vested and unvested stock options will be accelerated and cashed out on the effective date of the merger, these provisions of the Company's change of control severance agreements will be of no effect if the merger is completed.

Indemnification and Insurance

The merger agreement provides that all rights to indemnification for acts or omissions prior to the effective time of the merger existing in favor of our directors or officers as provided in our organizational documents and as of the date of the merger agreement will be assumed by the surviving corporation in the merger, and will continue in full force and effect in accordance with their terms for a period of six years after the effective time of the merger. The merger agreement further provides that, for six years after the effective time of the merger, Abbott or the surviving corporation will maintain our current directors' and officers' liability insurance or substitute policies of substantially similar coverage and amounts. In the event that our current directors' and officers' liability insurance is cancelled during this six-year period, Abbott or the surviving corporation must use all commercially reasonable efforts to obtain substantially similar insurance. Abbott's obligation to provide this insurance coverage is subject to its not being required to pay an annual premium in excess of 250% of the last annual premium paid by us prior to the date of the merger agreement. If Abbott cannot maintain the existing or equivalent insurance coverage without exceeding this 250% cap, Abbott is required to maintain as much insurance coverage as can be obtained by paying an annual premium equal to 250% of the cap.

Employment Arrangements

Certain of the Company's executive officers, two of whom are also directors, have held discussions with Abbott regarding future employment and may be employed in management roles by Abbott or one of its subsidiaries following the effective date of the merger. However, as of the date of the mailing of this proxy, none of the Company's directors or executive officers has signed an employment agreement or entered into any similar obligation under which Abbott would be required to employ them after the completion of the merger.

Fairness Opinion Delivered to the Company's Board of Directors

Our board of directors retained Piper Jaffray to act as our financial advisor in connection with the proposed merger. In 2001, our board of directors retained Piper Jaffray to serve as the lead underwriter for our initial public offering in October 2001. In 2002, our board of directors retained Piper Jaffray to advise us in connection with our analysis of various anti-takeover strategies, including the advisability of adopting a stockholder rights plan, which we adopted in February 2003.

Table of Contents

In connection with the proposed merger engagement, our board of directors requested that Piper Jaffray evaluate the fairness, from a financial point of view, to our stockholders of the consideration to be received by these stockholders in connection with the merger. On January 12, 2004, our board of directors met to review the proposed merger. During this meeting, Piper Jaffray reviewed with our board of directors certain financial analyses that are summarized below. Also at this meeting, Piper Jaffray delivered a written fairness opinion to our board of directors to the effect that, as of January 12, 2004, and based upon and subject to the factors, assumptions and limitations set forth in its opinion, the \$27.00 cash per share of TheraSense common stock merger consideration to be paid pursuant to the merger agreement was fair, from a financial point of view, to our stockholders.

The full text of the Piper Jaffray written opinion dated January 12, 2004, which sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations on the scope of the review undertaken by Piper Jaffray in rendering its opinion, is attached as Annex C to this proxy statement and is incorporated in its entirety herein by reference. You are urged to, and should, carefully read the Piper Jaffray opinion in its entirety. The Piper Jaffray opinion addresses only the fairness, from a financial point of view and as of the date of the opinion, of the consideration to be received by holders of TheraSense common stock pursuant to the merger agreement. The Piper Jaffray opinion was directed solely to our board of directors and was not intended to be, and does not constitute, a recommendation to any TheraSense stockholder as to how any stockholder should vote or act on any matter relating to the proposed merger.

In arriving at its opinion, Piper Jaffray, among other things:

reviewed the financial terms of a draft of the merger agreement dated January 9, 2004;

reviewed and analyzed certain publicly available business and financial information relating to TheraSense;

reviewed and analyzed certain other financial information relating to TheraSense prepared by the Company's management, including projected financial data for the fiscal years ending December 31, 2004 through 2008, which was consistent with the projected financial data provided by the Company to Abbott;

visited the TheraSense corporate headquarters in Alameda, California and met with members of TheraSense's management to discuss the financial condition, current operating results and business outlook for TheraSense and the background and rationale of the proposed merger;

participated in discussions with members of TheraSense's legal counsel and independent auditor;

participated in discussions with members of Abbott's senior management, as well as representatives of Abbott's financial advisor;

considered, to the extent publicly available, the financial terms of certain other recent merger and acquisition transactions; and

considered other information, financial studies and analyses and investigations and financial, economic and market criteria that Piper Jaffray deemed relevant for the purpose of rendering its opinion.

Piper Jaffray relied upon and assumed the accuracy, completeness and fairness of the financial and other information provided to it by us or otherwise made available to it, and did not attempt to, or assume the

responsibility to, independently verify this information. Piper Jaffray also assumed, in reliance upon the assurances of our management, that the information provided to Piper Jaffray by us was prepared on a reasonable basis in accordance with industry practice and, with respect to financial planning data and other business outlook information, reflected the best currently available estimates and judgments of our management as to our expected future financial performance, and that our management was not aware of any information or facts that would make the information provided to Piper Jaffray incomplete or misleading. Piper Jaffray assumed that we were not a party to any pending transaction, including external financing, recapitalizations, acquisitions or merger discussions, other than the proposed merger or in the ordinary course of business. Piper Jaffray assumed that all necessary regulatory approvals and consents required for the proposed merger would be attained in a manner that would not change the purchase price to be paid for TheraSense in the merger, and that the merger would be completed on substantially the terms set forth in the draft merger agreement dated January 9, 2004, reviewed by Piper Jaffray, without modification or waiver of material terms or conditions. In addition, Piper Jaffray assumed that there were no material changes in our assets, financial condition, results of operations, business or prospects since the date of the last financial statements made available to Piper Jaffray.

Piper Jaffray did not assume responsibility for performing, and did not perform, any appraisals or valuations of specific assets or liabilities of TheraSense and was not furnished with any appraisals or valuations, and made no physical inspection of the property or assets of TheraSense. Piper Jaffray's opinion was necessarily based on the information available to it, the facts and circumstances known by it on the date of the opinion and the economic, market or other conditions as they existed and were subject to evaluation as of the date of the opinion.

Piper Jaffray did not undertake any independent analysis of any outstanding, pending or threatened litigation, material claims or other contingent liabilities to which we or any of our affiliates is a party or may be subject. Piper Jaffray also did not undertake any independent analysis of any other governmental investigation or possible unasserted claims to which we or any of our affiliates is a party or may be subject. At the direction of our board of directors, and with its consent, Piper Jaffray's opinion made no assumption concerning, and therefore did not consider, the potential effects of litigation, claims, investigations, or possible assertions of claims, or the outcomes or damages arising out of any such matters.

In connection with its engagement, Piper Jaffray was requested to and did solicit indications of interest from, and hold discussions with, selected third parties regarding the possible acquisition of all or part of TheraSense. Piper Jaffray was not requested to opine as to, and the opinion does not address, the basic business decision to proceed with or effect the merger or the structure thereof, or the relative merits of the merger compared to any alternative business strategy or transaction in which TheraSense might engage.

The following is a summary of the material financial analyses performed by Piper Jaffray in connection with the preparation of its fairness opinion, which was reviewed with our board of directors at a meeting of the board held on January 12, 2004. The preparation of analyses and a fairness opinion is a complex analytic process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, this summary does not purport to be a complete description of the analyses performed by Piper Jaffray or of its presentation to our board of directors on January 12, 2004.

This summary includes information presented in tabular format, which tables must be read together with the text of each analysis summary, and considered as a whole, in order to fully understand the financial analyses presented by Piper Jaffray. The tables alone do not constitute a complete summary of the financial analyses. The order in which these analyses are presented below, and the results of those analyses, should not be taken as any indication of the relative importance or weight given to these analyses by Piper Jaffray or our board of directors. Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data as it existed on or before January 9, 2004, and is not necessarily indicative of current market conditions.

Table of Contents**Summary of Proposal**

Piper Jaffray reviewed the financial terms of the proposed transaction, including the cash consideration per share and the aggregate transaction value. Based on 46.69 million fully diluted shares of TheraSense common stock outstanding as of January 12, 2004, and an offer price per share of \$27.00, the transaction has an implied aggregate equity value of \$1.26 billion and an aggregate enterprise value of \$1.17 billion after subtracting approximately \$88 million of net cash and marketable securities of TheraSense as of December 31, 2003. The enterprise value is the sum of the fully diluted market value of any common equity and the value of any preferred stock at liquidation value, plus any short-term and long-term debt, minus cash and cash equivalents.

Selected Market and Financial Information Concerning TheraSense

Piper Jaffray reviewed selected market information concerning TheraSense's common stock. Among other things, Piper Jaffray noted the following with respect to the trading of TheraSense's common stock:

Market Price as of January 8, 2004	\$ 20.79
5-day prior close (January 5, 2004)	\$ 20.14
20-day prior close (December 11, 2003)	\$ 17.46
180-day trading average	\$ 13.74
1-year trading average	\$ 11.79
52 week (January 8, 2003 to January 8, 2004)	
High (January 8, 2004)	\$ 20.79
Low (January 27, 2003)	\$ 5.75

Piper Jaffray presented additional daily stock price and volume performance data for TheraSense common stock for the twelve-month period from January 8, 2003, to January 8, 2004, and weekly price and volume performance data for TheraSense common stock for the time period from October 12, 2001, the date that TheraSense's common stock commenced trading following its initial public offering, to January 8, 2004.

Piper Jaffray's analysis concerning TheraSense common stock was based on information concerning TheraSense and its common stock available as of January 8, 2004. Piper Jaffray did not and does not express any opinion as to the actual value of TheraSense common stock on January 8, 2004, or the prices at which TheraSense common stock may trade following the announcement of the transaction or at any time in the future.

Comparable Public Companies Analysis

Piper Jaffray reviewed selected financial data and ratios for TheraSense's historical actual results and TheraSense management's forecast for 2004 and compared them to corresponding historical actual data or consensus Wall Street forecasts, where applicable, for publicly traded companies that are engaged primarily in the medical technology industry and which Piper Jaffray believes are similar to TheraSense's business. Piper Jaffray selected these companies based on information obtained by searching Securities and Exchange Commission filings, public company disclosures, press releases, industry and popular press reports, databases and other sources and by applying the following criteria:

Edgar Filing: THERASENSE INC - Form DEFM14A

companies with medical technology Standard Industrial Classification codes;

companies not in the business of selling capital equipment;

companies with a market capitalization of between \$200 million and \$2 billion;

companies with a 3-year compound annual growth rate greater than 25%;

companies with expected 2003 revenue growth greater than 20%; and

companies with revenue greater than \$75 million during the last twelve months.

Based on these criteria, Piper Jaffray identified and analyzed eleven comparable companies: Advanced Neuromodulation Systems, Inc., Align Technologies, Inc., Biosite Diagnostics, Inc., The Cooper Companies, Inc., Cyberonics, Inc., Cytoc Corporation, Integra Lifesciences Holdings Corporation, Inverness Medical Innovations, Inc., Kyphon, Inc., Resmed Inc. and Wilson Greatbatch Technologies, Inc.

Table of Contents

The financial data compared as part of this analysis included, among other things:

	Merger Consideration	Comparable Companies Multiples			
		Low	Median	Mean	High
Enterprise value as a multiple of LTM revenue	5.5x	2.7x	5.1x	6.1x	10.1x
Enterprise value as a multiple of 2003 revenue	5.5x	2.2x	4.6x	5.6x	9.4x
Enterprise value as a multiple of 2004 revenue	3.9x	1.8x	4.0x	4.5x	7.4x
Price-to-earnings ratio LTM	NM	19.2x	36.3x	43.0x	76.5x
Price-to-earnings ratio 2003	NM	18.5x	34.8x	38.5x	73.5x
Price-to-earnings ratio 2004	41.2x	15.7x	27.5x	40.8x	93.4x

Piper Jaffray, among other things, compared the enterprise value of each of the comparable companies to their respective aggregate revenue for the last consecutive twelve months, otherwise referred to as LTM, as disclosed in publicly available financial statements and to their respective revenues for the calendar years 2003 and 2004 (projected) in order to determine the ratio between enterprise value and revenue for each comparable company. Piper Jaffray also calculated the price-to-earnings ratio for each comparable company for the same periods. Because the Company's LTM and 2003 earnings were negative, the price-to-earnings ratio of the proposed TheraSense merger consideration is not meaningful and is therefore designated as NM in the table above. The implication of this analysis is that the higher the ratio of enterprise value to revenue or price-to-earnings ratio, as applicable, for a given company, the greater the implied value of the company. This analysis showed that, based on the estimates and assumptions used in the analysis, (i) when comparing enterprise value to LTM revenue from publicly available financial statements, the proposed TheraSense merger consideration implied a value that was within the range of values of the comparable companies, (ii) when comparing the enterprise value to revenue for the calendar year 2003, the proposed TheraSense merger consideration implied a value that was within the range of values of the comparable companies, (iii) when comparing the projected enterprise value to revenue for the calendar year 2004, the proposed TheraSense merger consideration implied a value that was within the range of values of the comparable companies and (iv) when comparing the projected price-to-earnings ratio for the calendar year 2004, the proposed TheraSense merger consideration implied a value that was within the range of values of the comparable companies.

Comparable M&A Transactions Analysis

Piper Jaffray reviewed selected financial data and ratios for TheraSense and TheraSense management's forecast for 2004 and compared them to corresponding historical actual data or consensus Wall Street forecasts, where applicable, from a group of seventeen selected merger and acquisition transactions with values greater than \$500 million that were announced or completed in the last five years, or in the case of diabetes company transactions, after January 1, 1996, involving target companies operating in similar businesses and having Standard Industrial Classification code classifications similar to TheraSense's business. All of the comparable acquisitions analyzed involved: (i) targets which had aggregate revenues exceeding \$100 million for the 12 consecutive months prior to the announcement, (ii) acquiring companies which acquired a controlling interest of the target and (iii) target companies which were not in the business of selling capital equipment products. Based on these criteria, the following transactions were deemed similar to the proposed transaction:

Synthes-Stratec's acquisition of Mathys Medical;

Zimmer Holdings, Inc.'s acquisition of Centerpulse;

Roche Holdings AG's acquisition of Disetronic Holdings AG;

Medtronic, Inc. s acquisition of Minimed;

Johnson & Johnson s acquisition of Inverness Medical Innovations, Inc. s diabetes business;

Novartis s acquisition of Wesley Jessen;

Medtronic, Inc. s acquisition of Xomed Surgical Products;

Table of Contents

Kimberly-Clark's acquisition of Ballard Medical Products;

Medtronic, Inc.'s acquisition of Arterial Vascular Engineering, Inc.;

Medtronic, Inc.'s acquisition of Sofamor Danek;

Guidant's acquisition of Intermedics, Inc.;

Stryker Corporation's acquisition of Howmedica Osteonics;

Johnson & Johnson's acquisition of DePuy, Inc.;

Arterial Vascular Engineering, Inc.'s acquisition of C.R. Bard, Inc.'s coronary catheter business;

Boston Scientific Corporation's acquisition of Schneider Worldwide;

Tyco International Ltd's acquisition of U. S. Surgical; and

Abbott Laboratories' acquisition of MediSense.

Piper Jaffray calculated the ratio of enterprise value to LTM revenue and enterprise value to projected revenue for the twelve consecutive months following each transaction, or the forward period, as well as equity value to LTM net income and equity value to projected net income for the forward period of the targets in each transaction and compared the results of these calculations with the calculations for the proposed transaction. This analysis indicated the following multiples:

	Merger Consideration	Comparable Transaction Multiples			
		Low	Median	Mean	High
Enterprise value as a multiple of LTM revenue	5.5x	2.0x	4.9x	5.4x	10.1x
Equity value as a multiple of LTM net income	NM	18.0x	29.4x	38.3x	95.0x
Enterprise value as a multiple of forward period revenue	3.9x	1.7x	4.0x	4.4x	8.3x
Equity value as a multiple of forward period net income	41.2x	18.3x	24.6x	30.3x	63.0x

The analysis showed that, based on the estimates and assumptions used in the analysis, (i) the enterprise value implied by the proposed TheraSense merger consideration as a multiple of LTM revenue was within the range of multiples of the comparable transactions, (ii) the enterprise value implied by the proposed TheraSense merger consideration as a multiple of projected calendar year 2004 revenue was within the range of forward period multiples for the comparable transactions and (iii) the equity value implied by the proposed TheraSense merger consideration as a multiple of projected calendar year 2004 net income was within the range of forward period multiples for the comparable transactions.

Premium Analysis

Piper Jaffray compared the premium of the implied price per share of the merger consideration over the last sale price of the common stock of TheraSense one week and one month prior to January 12, 2004 to similar premiums for 70 comparable medical technology transactions with enterprise values of greater than \$100 million since January 1, 1995. Piper Jaffray observed that these premiums were as follows:

	<u>Merger Consideration</u>	<u>Comparable Premium (Discount)</u>			
		<u>Low</u>	<u>Median</u>	<u>Mean</u>	<u>High</u>
1-week premium (January 5, 2004 \$20.14)	34.1%	(10.3)%	28.0%	33.9%	91.5%
4-week premium (December 11, 2003 \$17.46)	54.6%	(9.3)%	39.5%	43.7%	114.1%

The analysis showed that the premium of the implied price per share of the proposed TheraSense merger consideration over the last sale price of the common stock of TheraSense as of January 5, 2004 and December 11, 2003 are both within the range of the premiums for the comparable transactions.

Discounted Cash Flow Analysis

Using a discounted cash flow analysis, Piper Jaffray calculated a range of theoretical per share values for TheraSense based on (1) the net present value of implied annual cash flows of TheraSense's business and (2) the net present value of a terminal value, which is an estimate of the future value of TheraSense's business at the end of the calendar year 2008 based upon a multiple of earnings before interest and taxes, or EBIT. Piper Jaffray used internal projected financial planning data prepared by management of TheraSense for the period from calendar year 2004 through calendar year 2008. Piper Jaffray calculated the range of net present values for TheraSense based on a range of discount rates of 30% to 35% (reflecting the uncertainties related to TheraSense's projections for periods after fiscal 2005) and a range of EBIT multiples for a terminal value of 10.0x to 14.0x applied to the projected fiscal year 2008 EBIT. This analysis yielded a range of estimated equity present values for TheraSense of between \$24.22 per share and \$36.39 per share.

Miscellaneous

Although the summary set forth above does not purport to be a complete description of the analyses performed by Piper Jaffray, the material analyses performed by Piper Jaffray in rendering its opinion have been summarized above. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Piper Jaffray believes that its analyses and the summary set forth above must be considered as a whole and that selecting portions of its analyses or of the summary, without considering the analyses as a whole or all of the factors included in its analyses, would create an incomplete view of the processes underlying the analyses set forth in the Piper Jaffray opinion. In arriving at its opinion, Piper Jaffray considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis considered by it. Instead, Piper Jaffray made its determination as to the fairness on the basis of its experience and financial judgment after considering the results of all of its analyses. The fact that any specific analysis has been referred to in the summary above is not meant to indicate that this analysis was given greater weight than any other analysis. No company or transaction used in the above analyses as a comparison is directly comparable to TheraSense or the proposed merger.

The analyses were prepared solely for purposes of Piper Jaffray providing its opinion to our board of directors that the consideration to be paid to our stockholders pursuant to the merger agreement was fair, from a financial point of view, to our stockholders as of January 12, 2004. These analyses do not purport to be appraisals or to reflect the prices at which TheraSense might actually be sold or the prices at which any securities may trade at the present time or at any time in the future. In performing its analyses, Piper Jaffray made numerous assumptions with respect to industry performance, general business and economic conditions and other matters. The analyses performed by Piper Jaffray are based upon TheraSense management's forecasts of future results, which are not necessarily indicative of actual values or actual future results and may be significantly more or less favorable than suggested by these analyses. These analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or their respective advisors. Piper Jaffray does not assume responsibility if future results are materially different from those forecasted.

As described above, Piper Jaffray's opinion to our board of directors was one of many factors taken into consideration by our board of directors in making its determination to approve the merger agreement. The above summary does not purport to be a complete description of the analyses performed by Piper Jaffray in connection with the opinion and is qualified by reference to the written opinion of Piper Jaffray set forth in Annex C.

Piper Jaffray is a nationally recognized investment banking firm and is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, underwritings and secondary distributions of securities, private placements and valuations for estate, corporate and other purposes. Our board of directors selected Piper Jaffray to render its fairness opinion in connection with the proposed merger on the basis of its experience and reputation in valuing securities in connection with mergers and acquisitions. Piper Jaffray currently makes a market in the common stock of TheraSense and Abbott. It has also from time to time provided research coverage and made recommendations on

the common stock of TheraSense and Abbott. In

addition, Piper Jaffray has performed certain investment banking services for TheraSense and Abbott from time to time, including acting as an underwriter in the October 2001 initial public offering of TheraSense's common stock, and may provide certain investment banking services to Abbott or TheraSense in the future. Piper Jaffray has received customary fees for these services. Piper Jaffray in the ordinary course of its business may actively trade securities of TheraSense and Abbott Laboratories for its own account or the accounts of its customers and, accordingly, may at any time hold long or short positions in these securities.

Piper Jaffray was retained by means of an engagement letter dated November 19, 2003 to serve as our financial advisor. Under the terms of this engagement letter, we have agreed to pay Piper Jaffray a \$100,000 retainer fee and a \$750,000 fee for providing its opinion, each of which is not contingent upon consummation of the proposed merger. We have also agreed to pay Piper Jaffray an additional fee equal to 0.8% of the aggregate value of the proposed transaction in the event that the merger is consummated, against which amount the \$100,000 retainer fee and \$750,000 opinion fee will be credited. Whether or not the proposed merger is consummated, we have also agreed to reimburse Piper Jaffray for its reasonable out-of-pocket expenses and to indemnify it against certain liabilities relating to or arising out of services performed by Piper Jaffray in rendering its opinion to our board of directors.

Financial Projections

In connection with Abbott's due diligence review and during the course of our negotiations with Abbott in connection with the proposed merger, we provided Abbott with our fiscal year 2004 budget, which is consistent with consensus Wall Street forecasts, and with internal projections of our future operating performance. These projections, which we do not ordinarily make available to the public, included the following forecasts of the Company's total revenue, gross profit, operating income, net income, and earnings per share, respectively (in thousands, except per share data): \$303,607, \$192,470, \$45,616, \$29,522 and \$0.66 for fiscal year 2004; \$455,648, \$293,352, \$60,680, \$38,986 and \$0.86 for fiscal year 2005; \$820,330, \$591,692, \$179,761, \$113,188 and \$2.46 for fiscal year 2006; \$1,109,456, \$827,198, \$274,625, \$172,686 and \$3.71 for fiscal year 2007; and \$1,458,953, \$1,106,811, \$386,201, \$241,863 and \$5.15 for fiscal year 2008.

These projections are included in this proxy statement only because we made them available to Abbott, and both we and Abbott wish to make the same information available to our stockholders. The inclusion of the projections should not be interpreted as suggesting that Abbott considered the projections reliable or relied on the projections in evaluating the merger. The projections involve risks and are based upon a variety of assumptions relating to our business, industry performance, general business and economic conditions and other matters and are subject to significant uncertainties and contingencies, many of which are beyond our and Abbott's control. Projections of this nature are inherently imprecise, and there can be no assurances that they will be realized or that actual results will not differ significantly from those described above. We consider our projections with respect to periods after fiscal year 2005, in particular, to be speculative, especially insofar as they incorporate favorable assumptions regarding our current products and reflect revenues from a product that has not yet been approved for sale by the FDA. The projections should be read together with our financial statements that can be obtained from the Securities and Exchange Commission, as described in *Where You Can Find More Information*.

The projections were prepared by us for internal use only and were not prepared with a view to public disclosure or compliance with published guidelines of the Securities and Exchange Commission or the guidelines established by the American Institute of Certified Public Accountants regarding projections and forecasts. The projections were not intended to be a forecast of financial results and are not guarantees of performance. The projections do not purport to present operations in accordance with generally accepted accounting principles, and our independent auditors have not examined or compiled the projections.

Our projections are subjective in many respects and thus susceptible to interpretations and periodic revision based on actual experience and business developments. There can be no assurance that the assumptions made in preparing the projections will prove accurate. It is expected that there will be differences between actual and

projected results, and actual results may be materially greater or less than those contained in the projections. None of us, Abbott, or any of our or their affiliates or representatives has made or makes any representation to any person regarding our ultimate performance compared to the information contained in the projections, and none of them has updated or otherwise revised or intends to update or otherwise revise the projections to reflect circumstances existing after the date when made or to reflect the occurrence of future events even in the event that any or all of the assumptions underlying the projections are shown to be in error.

Stockholder Agreement

As a condition to its entering into the merger agreement, Abbott required certain of our stockholders, including certain of our directors and executive officers, to enter into a stockholder agreement under which they have agreed, among other things:

to vote in favor of approval and adoption of the merger agreement and related matters and against any frustrating transactions;

to irrevocably grant and to appoint Abbott, merger sub and any individual designated by Abbott their proxy to vote their shares in favor of the approval and adoption of the merger agreement and related matters and against any frustrating transactions;

not to sell, transfer or otherwise dispose of their shares of the Company's common stock or enter into any voting agreement with respect to such shares;

not to and not to permit any representative to in any way solicit, initiate or facilitate any inquiries or efforts relating to any frustrating transaction, provide information with respect to the Company relating to a possible alternative acquisition or enter into any agreement with respect to any proposal for an alternative acquisition or other frustrating transaction; and

not to take any other action that would in any way restrict, limit or interfere with the performance of the stockholder's obligations under the stockholder agreement.

The stockholder agreement provides that "frustrating transactions" means (i) any merger agreement or merger (other than the merger agreement among the Company, Abbott and merger sub and the merger contemplated thereby), consolidation, combination, sale of substantial assets, reorganization, recapitalization, dissolution, liquidation or winding up of or by the Company, (ii) any alternative acquisition proposal or (iii) any amendment of the Company's certificate of incorporation or by-laws or other proposal, action or transaction that would in any manner impede, frustrate, prevent or delay the consummation of the merger or the other transactions contemplated by the merger agreement or the stockholder agreement or change in any manner the voting rights of the holders of the Company's common stock.

The parties to the stockholder agreement include:

W. Mark Lortz, Charles T. Lamos, Robert D. Brownell, Eve A. Connor, Timothy T. Goodnow and Lawrence W. Huffman, each of whom is an executive officer of the Company;

Ross A. Jaffe, Robert R. Momsen, Richard P. Thompson and Rod F. Dammeyer, each of whom is a member of our board of directors;

Edgar Filing: THERASENSE INC - Form DEFM14A

certain partnerships and trusts associated with the foregoing individuals; and

certain venture capital funds associated with Messrs. Jaffe and Momsen.

The stockholder agreement terminates upon the earlier of the effective time of the merger and the termination of the merger agreement in accordance with its terms. As of the record date, the parties to the stockholder agreement held an aggregate of 6,256,163 shares of the Company's common stock, representing approximately 14.7% of the votes eligible to be cast at the special meeting. For additional information, see the complete copy of the stockholder agreement attached to this proxy statement as Annex B.

Amendment to the Rights Agreement

The Company is a party to a Rights Agreement dated March 7, 2003 with ComputerShare Investor Services, which we refer to as the rights agreement. The rights agreement has the effect of making an acquisition of our Company prohibitively expensive for any potential acquiror not approved by our board of directors. As a condition to its entering into the merger agreement, Abbott required us to amend the rights agreement to render it inapplicable to the merger, the merger agreement, the stockholder agreement and other transactions contemplated by the merger agreement and the stockholder agreement. On January 12, 2004, we amended the rights agreement in accordance with the merger agreement.

Material United States Federal Income Tax Consequences

The following describes the material U.S. federal income tax consequences to holders of the Company's common stock whose shares are converted to cash in the merger, but does not purport to be a complete analysis of all potential tax considerations for all holders. This summary does not address the consequences of the merger under the tax laws of any state, local, or foreign jurisdiction and does not address tax considerations applicable to holders of stock options or restricted stock. In addition, this summary does not describe all of the tax consequences that may be relevant to particular classes of taxpayers, including persons who are not citizens or residents of the United States, who acquired their shares of the Company's common stock through the exercise of an employee stock option or otherwise as compensation, who hold their shares as part of a hedge, straddle or conversion transaction, whose shares are not held as a capital asset for tax purposes or who are otherwise subject to special tax treatment under the Code.

This discussion is based on the Code, administrative pronouncements, judicial decisions and final, temporary and proposed Treasury regulations, all as currently in effect. These laws are subject to change, possibly on a retroactive basis. Any such change could alter the tax consequences to you as described herein.

The receipt of cash for the Company's common stock pursuant to the merger will be a taxable transaction for federal income tax purposes. In general, if you receive cash in exchange for your shares of the Company's common stock pursuant to the merger, you will recognize capital gain or loss equal to the difference between the cash received and your adjusted tax basis in the shares surrendered. Such gain or loss will be long-term capital gain or loss if your holding period for such shares is more than one year at the time of the consummation of the merger.

You may be subject to backup withholding tax at a 28% rate on the receipt of cash pursuant to the merger. In general, backup withholding will only apply if you fail to furnish a correct taxpayer identification number, or otherwise fail to comply with applicable backup withholding rules and certification requirements. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be allowable as a refund or credit against your U.S. federal income tax liability provided you furnish the required information to the Internal Revenue Service.

THE FOREGOING TAX DISCUSSION IS INCLUDED FOR GENERAL INFORMATION ONLY AND IS BASED UPON PRESENT LAW. DUE TO THE INDIVIDUAL NATURE OF TAX CONSEQUENCES, YOU SHOULD CONSULT YOUR OWN TAX ADVISOR AS TO THE SPECIFIC TAX CONSEQUENCES OF THE MERGER TO YOU, INCLUDING THE EFFECT OF APPLICABLE STATE, LOCAL, AND OTHER TAX LAWS.

Required Regulatory Approvals and Other Matters

Edgar Filing: THERASENSE INC - Form DEFM14A

Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the **HSR Act**), and the rules promulgated thereunder, Abbott and the Company cannot complete the merger until they notify and furnish information to the Federal Trade Commission and the Antitrust Division of the U.S. Department of Justice, and specified waiting period requirements are satisfied. Abbott and the Company filed notification and report forms

Table of Contents

under the HSR Act with the Federal Trade Commission and the Antitrust Division on January 23, 2004, and the waiting period expired on February 23.

In addition to filings and the expiration or termination of the waiting period under the HSR Act, Abbott and the Company also cannot complete the merger until all applicable waiting periods, and any extensions thereof, have expired or terminated under the pre-merger notification requirements in Germany and Ireland or, to the extent applicable, any necessary approvals under such notification requirements have been obtained. Abbott and the Company filed notification and report forms in Germany and Ireland on January 15 and January 26, 2004, respectively. The merger was approved by the German and Irish authorities on January 29 and February 26, respectively.

While the Company believes that these regulatory approvals have been satisfied by the expiration of the applicable waiting periods, at any time before or after completion of the merger, the Federal Trade Commission, the Antitrust Division or others could take such action under the antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the consummation of the merger or seeking divestiture of substantial assets of Abbott or the Company. Private parties may also bring actions under the antitrust laws under certain circumstances.

Under the merger agreement, both we and Abbott have each agreed to use commercially reasonable efforts to take all actions to obtain all necessary regulatory and governmental approvals necessary to complete the merger. However, we may not commit to any divestitures, licenses, hold separate arrangements or similar matters without Abbott's prior written consent, and Abbott is not required to agree to any divestitures, licenses, hold separate arrangements or similar matters, either with respect to itself or with respect to the Company.

Litigation Relating to the Merger

On February 9, 2004, a purported stockholder class action lawsuit was filed in Alameda County Superior Court against the Company, its directors, certain of its officers and 25 unnamed Doe defendants. The lawsuit, Alaska U.F.C.W. Pension Trust v. TheraSense, Inc., et al. (Case No. RG04140525), alleges that the defendants breached their fiduciary duties to the Company's stockholders in connection with the merger by failing to institute procedures to maximize stockholder value and by advancing their individual interests at the expense of the Company's stockholders. The complaint also alleges that the Company's directors breached their fiduciary duties to act reasonably and establish a level playing field for all potential bidders for the Company. The complaint seeks certain declaratory and injunctive relief, including: (1) a declaration that the lawsuit is properly maintainable as a class action; (2) a declaration and decree that the merger agreement was entered into in breach of the defendants' fiduciary duties and that it is therefore unlawful and unenforceable; (3) an injunction prohibiting the Company and the other defendants from proceeding with any merger until the Company's Rights Agreement is revoked; (4) an injunction prohibiting the Company and the other defendants from consummating the merger or a business combination with any third party unless a procedure or process is adopted to protect the interests of the Company's stockholders; (5) an order directing the individual defendants to exercise their fiduciary duties to obtain a transaction in the best interests of the Company's stockholders; (6) an award of costs and disbursements, including attorneys' and experts' fees; and (7) such other equitable relief as the court may deem appropriate.

The time for the defendants to respond to the complaint has not yet expired and, to date, no motions have been filed by any of the parties in this lawsuit. The plaintiff has served discovery requests on certain of the defendants and a third party. The Company believes that this lawsuit is without merit and intends to defend against it vigorously.

THE MERGER AGREEMENT

The following is a summary of the material terms of the merger agreement. This summary is qualified in its entirety by reference to the merger agreement, which is attached to this proxy statement as Annex A and incorporated by reference in this section of the proxy statement. We urge you to read carefully the full text of the merger agreement.

General

The merger agreement provides that, following its approval and adoption by our stockholders and the satisfaction or waiver of the other conditions to the merger, merger sub will be merged with and into TheraSense, and the surviving corporation will be a wholly-owned subsidiary of Abbott. The effective time of the merger will occur following the satisfaction or waiver of these conditions upon the filing of a certificate of merger with the Secretary of State of the State of Delaware, or at such other time as we and Abbott may agree should be specified in the certificate of merger.

The merger agreement also provides that the directors of merger sub immediately prior to the effective time will be the directors of the surviving corporation, until the earlier of their resignation or removal or until their respective successors are duly elected and qualified. Our officers immediately prior to the effective time will be the officers of the surviving corporation, until the earlier of their resignation or removal or until their respective successors are duly elected and qualified.

Consideration to be Received by Our Stockholders

At the effective time of the merger, each issued and outstanding share of our common stock will be converted into the right to receive \$27.00 in cash, without interest, except for shares held by us, Abbott or any of our respective subsidiaries or shares held by stockholders properly exercising dissenters' rights. As a result, after the merger is completed, our stockholders will have only the right to receive this consideration, and will no longer have any rights as our stockholders, including voting or other rights with respect to the shares. Shares of common stock held as treasury stock or owned by TheraSense, Abbott or their respective subsidiaries will be cancelled at the effective time of the merger.

Dissenting shares for which a stockholder has properly exercised dissenters' rights will not be converted into a right to receive the merger consideration, but will instead entitle their holders to receive such consideration as shall be determined pursuant to the Delaware General Corporation Law. However, if after the effective time a holder of dissenting shares fails to perfect or withdraws or loses its right to appraisal, such shares will be treated as if they had converted as of the effective time into a right to receive the merger consideration, without interest, and will no longer be dissenting shares.

Exchange of Certificates

Prior to the effective time, Abbott will select a paying agent reasonably acceptable to TheraSense for the payment of the merger consideration upon surrender of certificates representing our common stock. As soon as reasonably practicable after the effective time, the paying agent will

Edgar Filing: THERASENSE INC - Form DEFM14A

mail to each former holder of record of our common stock a letter of transmittal and instructions on how to exchange stock certificates for payment of the merger consideration. Upon surrender of a certificate to the paying agent for cancellation, together with the letter of transmittal and such other documents as may reasonably be required by the paying agent, the holder of such certificate will be entitled to receive the merger consideration for each share of our common stock represented by such certificate, and the certificate will be cancelled. The paying agent, the surviving corporation and Abbott are entitled to deduct and withhold any applicable taxes from the merger consideration that would otherwise be payable.

If payment of the merger consideration is to be made to a person other than the person in whose name a surrendered certificate is registered, the certificate surrendered must be properly endorsed or otherwise in proper form for transfer and the person requesting such payment must have paid any transfer and other taxes required by

Table of Contents

reason of the payment of the merger consideration to a person other than the registered holder of the certificate surrendered, or must establish to the satisfaction of the surviving corporation that such tax either has been paid or is not required to be paid.

If your TheraSense stock certificates have been lost, stolen or destroyed, upon the making of an affidavit of that fact and, if required by the surviving corporation, posting a bond in such reasonable amount as indemnity against any claim with respect to your certificates, the paying agent will issue merger consideration in exchange for your lost, stolen or destroyed certificates.

Representations and Warranties

The merger agreement contains various representations and warranties with respect to us. The representations and warranties are subject, in some cases, to specified exceptions and qualifications. All of the representations and warranties will expire at the effective time of the merger. These representations and warranties relate to, among other things:

We have also agreed that during the same time period, and again subject to certain exceptions, we and our subsidiaries will not:

No Solicitation of Other Offers

Upon signing the merger agreement we agreed that we, our subsidiaries and representatives would immediately cease and terminate all existing discussions or negotiations with respect to any proposal that constitutes, or may reasonably be expected to lead to, an alternative acquisition proposal and to obtain the return of all information provided to any third party pursuant to a confidentiality agreement or otherwise in connection with such discussions or negotiations. We have also agreed that neither we nor our subsidiaries or representatives will, directly or indirectly:

solicit, initiate, facilitate, encourage, engage in discussions or negotiate with any person or take any other action intended or designed to facilitate any inquiry or effort of any person relating to any possible alternative acquisition;

Table of Contents

provide information with respect to us or any of our subsidiaries to any person relating to any possible alternative acquisition; or

enter into any agreement with respect to any proposal for any possible alternative acquisition.

The merger agreement provides that the term *alternative acquisition* means any direct or indirect acquisition, in one transaction or a series of transactions, including any merger, tender offer, exchange offer, stock acquisition, asset acquisition, statutory share exchange, business combination, recapitalization, liquidation, dissolution, joint venture or similar transaction, of (i) assets or businesses that constitute or represent 20% or more of the total revenue or assets of us and our subsidiaries, taken as a whole, (ii) 20% or more of the outstanding shares of our common stock or (iii) 20% or more of the outstanding shares of capital stock of, or other equity or voting interests in, any of our subsidiaries directly or indirectly holding, individually or taken together, the assets or businesses referred to in clause (i) above, in each case other than the transactions contemplated by the merger agreement.

The merger agreement also provides that, notwithstanding the prohibitions described above, at any time prior to obtaining stockholder approval, our board of directors may, to the extent necessary to inform itself with respect to an unsolicited written bona fide proposal for an alternative acquisition that did not result from a breach of our obligations under the merger agreement and that our board of directors determines in good faith after consultation with outside legal counsel is a superior company proposal (as defined below), after providing Abbott with prior written notice of its decision to take such action:

furnish information with respect to us and our subsidiaries to the person making such alternative acquisition proposal and its representatives pursuant to a confidentiality agreement with terms no more favorable to the person making the alternative acquisition proposal than those applicable to Abbott under the confidentiality agreement between Abbott and us; and

participate in discussions with such person and its representatives regarding such alternative acquisition proposal.

We have further agreed that, except as expressly permitted by the merger agreement, neither our board of directors nor any committee of our board of directors will:

withdraw or modify, or propose to withdraw or modify, in a manner adverse to Abbott or merger sub, the approval or recommendation by our board of directors or any such committee of the merger agreement or the merger;

approve, recommend, propose to approve or recommend, or cause or permit us or any of our subsidiaries to enter into any letter of intent, agreement in principle, definitive agreement or similar agreement constituting or relating to, or which is intended to or is reasonably likely to lead to, an alternative acquisition;

approve or recommend, or propose to approve or recommend, any proposal for an alternative acquisition; or

agree or resolve to take of the actions set forth above.

Notwithstanding the foregoing, if at any time prior to our stockholders' approval and adoption of the merger agreement and the merger our board of directors receives a superior company proposal that did not result from a breach of our obligations under the merger agreement, our board of directors may, during such period, in response to such superior company proposal, withdraw or modify its recommendation of the merger

agreement and the merger at any time after the fourth business day following Abbott's receipt of written notice advising Abbott that the our board of directors has received a superior company proposal and intends to withdraw or modify its recommendation, identifying the person making such superior company proposal and specifying the financial and other material terms and conditions of such superior company proposal. If the price or material terms of such superior company proposal are then amended, we are required to provide Abbott with another such

written notice and wait an additional two business days before our board of directors withdraws or modifies its recommendation of the merger agreement and the merger.

In addition, at any time prior to our stockholders' approval and adoption of the merger agreement and the merger, our board of directors, to the extent required by its fiduciary obligations under Delaware law, as it determines in good faith after consultation with outside legal counsel, may cause us to terminate the merger agreement and enter into an acquisition agreement with respect to a superior company proposal. However, we may not exercise this right to terminate the merger agreement unless we comply with the provisions described above and pay to Abbott a \$44,500,000 termination fee prior to or concurrently with such termination as described in the section entitled *Termination Fee; Expenses*. We also may not exercise this right to terminate the merger agreement:

until after the fourth business day following Abbott's receipt of the written notice described above; and

unless within the four business day period following the delivery of the notice of superior company proposal (or any additional two business day period resulting from an amendment to the price or material terms of the superior company proposal), Abbott has not proposed adjustments in the terms and conditions of the merger agreement as favorable from a financial point of view to our stockholders as the superior company proposal.

The merger agreement provides that the term "superior company proposal" means any written bona fide proposal made by a third party to acquire all the equity securities or assets of us and our subsidiaries through a tender or exchange offer, a merger, a consolidation or other similar transaction that is (i) not subject to a financing contingency and (ii) on terms that our board of directors determines in its good faith judgment (after consultation with a financial advisor of nationally recognized reputation, with only customary qualifications, and independent legal counsel) to be superior for the holders of our common stock, from a financial point of view, to the merger, taking into account (x) all the terms and conditions of such proposal and the merger agreement (including any proposal by Abbott to amend the terms of the merger agreement and the merger) and (y) the likelihood of consummation in light of all financial, regulatory, legal and other aspects of such proposal (including, without limitation, any antitrust or competition law approvals or non-objections), provided, that such a proposal will no longer be deemed a superior company proposal if, prior to any termination of the merger agreement by us pursuant to our fiduciary obligations under Delaware law to enter into an acquisition agreement with respect to a superior company proposal, Abbott proposes adjustments in the terms and conditions of the merger agreement and the merger as favorable from a financial point of view to our stockholders as such proposal.

In addition to the obligations set forth above, the merger agreement provides that we must promptly, and in any event within twenty-four hours:

advise Abbott in writing of receipt by us or our representatives of any alternative acquisition proposal or any inquiry indicating that any person is considering making or wishes to make an alternative acquisition proposal, identifying such person and the financial and other material terms and conditions of any alternative acquisition proposal or potential alternative acquisition proposal; and

notify Abbott after receipt of any request for nonpublic information relating to us or any of our subsidiaries or for access to our or any of our subsidiaries' properties, books or records by any person that may be considering making, or has made, an alternative acquisition proposal, identifying such person and the information requested by such person, and provide Abbott with any nonpublic information that is given to such person.

The merger agreement also requires us to keep Abbott reasonably informed as to the status and the financial and other material terms and conditions of any such alternative acquisition proposal, indication or request and provide to Abbott as promptly as practicable any applicable written agreement that describes any of the terms or conditions of any alternative acquisition proposal.

Table of Contents

The merger agreement additionally provides that nothing contained within it will prevent our board of directors from complying with Rule 14e-2(a) under the Securities Exchange Act of 1934, as amended, with regard to any alternative acquisition proposal. However, except as provided in the merger agreement, neither our board of directors nor any committee thereof may withdraw or modify, or propose to withdraw or modify, its position with respect to the merger agreement or the merger or adopt, approve or recommend, or propose to adopt, approve or recommend, any alternative acquisition proposal.

Additional Agreements

In addition to our agreement to conduct our business in accordance with the covenants described above in the section entitled *Covenants Relating to the Conduct of Our Business*, we and Abbott have agreed to take various other actions in anticipation of the merger, as described below.

Special Meeting; Proxy Statement

We have agreed to call and hold the special meeting described above and to recommend through our board of directors that our stockholders approve and adopt the merger agreement and the merger at the special meeting. We have further agreed to include such recommendation in this proxy statement and to solicit proxies from our stockholders in favor of approval and adoption of the merger agreement and the merger. We have agreed to include any comments reasonably proposed by Abbott within this proxy statement and to cooperate with Abbott with respect to any necessary amendments or supplements to this proxy statement. Furthermore, we have agreed to promptly notify Abbott of the receipt of any comments or requests for further information with respect to this proxy statement that may be made by the Securities and Exchange Commission.

Access to Information

We have agreed to afford to Abbott and to Abbott's subsidiaries and their respective employees, advisors and representatives full and complete access during normal business hours prior to the effective time of the merger or the termination of the merger agreement to our properties, assets, books, contracts, commitments, personnel and representatives and records. During such period, we will make available to Abbott on a prompt basis a copy of each report, schedule, form, registration statement and other document we file or receive pursuant to the requirements of domestic or foreign laws and all other information concerning our business, properties and personnel that Abbott reasonably requests.

Reasonable Efforts

We, Abbott and merger sub have agreed that each of us will use commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other parties in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the merger and the other transactions contemplated by the merger agreement and the stockholder agreement, including the following:

Edgar Filing: THERASENSE INC - Form DEFM14A

the obtaining of all necessary actions or nonactions, waivers, consents and approvals from governmental entities and the making of all necessary registrations and filings, including filings with governmental entities pursuant to the HSR Act and any pre-merger notification requirements in Austria, Germany, Ireland, Italy and the Czech Republic, and the taking of all reasonable steps as may be necessary to obtain any necessary approval or waiver from, or to avoid an action or proceeding by, any governmental entity;

the obtaining of all necessary consents, approvals or waivers from third parties;

the defending of any lawsuits or other legal proceedings, whether judicial or administrative, challenging the merger agreement, the stockholders agreement or the consummation of the transactions contemplated hereby and thereby, including seeking to have any stay or temporary restraining order entered by any court or other governmental entity vacated or reversed; and

the execution and delivery of any additional instruments necessary to consummate the transactions contemplated by, and to fully carry out the purposes of, the merger agreement.

In using our commercially reasonable efforts to consummate the merger, we may not commit to any divestitures, licenses, hold separate arrangements or similar matters without Abbott's prior written consent, and Abbott is not required to agree to any divestitures, licenses, hold separate arrangements or similar matters, either with respect to itself or with respect to the Company.

Publicity

Abbott and merger sub, on the one hand, and we, on the other hand, have agreed to consult with each other and mutually agree upon any press release or other public statements with respect to the transactions contemplated by the merger agreement, except as may be required by applicable law, court process or by obligations pursuant to any listing agreement with any national securities exchange or national securities quotation system, in which case the party proposing to issue such press release will use all reasonable efforts to give as much advance notice to the other party as possible and to consult in good faith with the other party before issuing such press release or making any such public announcement.

Indemnification and Insurance

The merger agreement provides that all rights to indemnification for acts or omissions prior to the effective time of the merger existing in favor of our directors or officers as provided in our organizational documents and as of the date of the merger agreement will be assumed by the surviving corporation, and will continue in full force and effect in accordance with their terms for a period of six years after the effective time of the merger. The merger agreement further provides that, for six years after the effective time of the merger, Abbott or the surviving corporation will maintain our current directors' and officers' liability insurance or substitute policies of substantially similar coverage and amounts. In the event that our current directors' and officers' liability insurance is cancelled during this six-year period, Abbott or the surviving corporation must use all commercially reasonable efforts to obtain substantially similar insurance. Abbott's obligation to provide this insurance coverage is subject to its not being required to pay an annual premium in excess of 250% of the last annual premium paid by us prior to the date of the merger agreement. If Abbott cannot maintain the existing or equivalent insurance coverage without exceeding this 250% cap, Abbott is required to maintain as much insurance coverage as can be obtained by paying an annual premium equal to 250% of the cap.

Employee Benefits Matters

Under the merger agreement, Abbott has agreed to:

assume our change in control severance agreements as of the effective time of the merger and to perform our obligations under those agreements;

provide our employees who continue to be employed by Abbott or the surviving corporation following the merger with compensation and benefits substantially comparable in the aggregate to those of similarly situated employees of Abbott, based on Abbott's evaluation of the nature and scope of each employee's duties, the principal location where those duties are performed, grade level and performance; and

Edgar Filing: THERASENSE INC - Form DEFM14A

provide our employees who continue to be employed by Abbott or the surviving corporation following the merger with full credit for periods of service with us or any of our subsidiaries prior to the effective time for purposes of determining eligibility and vesting under the surviving corporation benefit plans, provided that credit will not be given for purposes of benefit accruals (other than vacation policies) or for eligibility, vesting or benefit accruals under retiree health plans.

In addition, under the merger agreement, we have agreed to:

cause each unexpired and unexercised stock option under our option plans or otherwise granted by us outside the option plans, whether vested or unvested, to be canceled immediately prior to the effective

time, in consideration for which Abbott will make a cash payment to the holder of each such option equal to the product of (i) the total number of shares that are subject to such option immediately prior to the effective time of the merger, whether such option was vested or unvested, and (ii) the excess of \$27.00 per share over the exercise price per share subject to such option, subject to any required withholding of taxes; and

terminate our employee stock purchase program, or ESPP, as of or prior to the effective time of the merger, to prohibit any participant in our ESPP from increasing his or her payroll deduction rate prior to the effective time of the merger and not to commence any new ESPP purchase periods or offering periods following the date of the merger agreement.

Stockholder Litigation

We have agreed to give Abbott the opportunity to participate in the defense or settlement of any stockholder litigation against us and/or our directors relating to the transactions contemplated by the merger agreement and the stockholder agreement, and not to agree to settle any such litigation without Abbott's prior written consent.

Conditions to the Merger

Our and Abbott's respective obligations to effect the merger are subject to the satisfaction or waiver of the following conditions:

approval and adoption of the merger agreement and the merger by our stockholders in accordance with Delaware law;

the expiration or termination of the waiting period under the HSR Act and all applicable waiting periods under per-merger notification requirements in Germany and Ireland; and

the absence of any applicable law, court order, injunction or other legal restraint prohibiting the merger.

Abbott and merger sub are not obligated to complete the merger unless a number of additional conditions are satisfied or waived, including:

the Company's representations and warranties must be true and correct (disregarding any qualifications as to materiality or any company material adverse effect), in each case as of the date of the merger agreement and as of the closing date of the merger (except to the extent that any representations and warranties relate to an earlier date, in which case as of that earlier date), with only such exceptions as would not individually or in the aggregate have a company material adverse effect;

the Company must have performed in all material respects all of its obligations under the merger agreement;

the Company must have delivered to Abbott a certificate dated as of the closing date of the merger and signed by its Chief Executive Officer certifying that the conditions in the two preceding sentences have been satisfied;

Edgar Filing: THERASENSE INC - Form DEFM14A

there must not be pending any litigation by any governmental entity (i) seeking to restrain or prohibit the consummation of the merger or seeking to obtain from us, Abbott or the merger sub any damages that are material in relation to us and our subsidiaries, taken as a whole, (ii) seeking to prohibit or impose any limitations on Abbott's or merger sub's ownership or operation (or that of any of their respective subsidiaries or affiliates) of any portion of their or our businesses or assets, or to compel any such person to dispose of or hold separate any portion of the business or assets of us or Abbott and their respective subsidiaries, (iii) seeking to impose limitations on the ability of Abbott or any of its affiliates to acquire or hold, or exercise full rights of ownership of, any shares of our common stock, (iv) seeking to prohibit Abbott or any of its affiliates from effectively controlling the business or operations of us and our subsidiaries or (v) that otherwise is reasonably likely to have a company material adverse effect;

and no court, arbitrator or governmental entity shall have issued any order, and there shall not be any applicable law, that is likely, directly or indirectly, to result in any of the consequences referred to in the preceding clauses; and

the absence of any company material adverse effect that has not been cured to Abbott's reasonable satisfaction.

TheraSense is not obligated to effect the merger unless the following conditions have been satisfied or waived:

Abbott's representations and warranties must be true and correct (disregarding any qualifications as to materiality), in each case as of the date of the merger agreement and as of the closing date of the merger (except to the extent that any representations and warranties relate to an earlier date, in which case as of that earlier date), with only such exceptions as would materially impair Abbott's ability to perform its obligations under the merger agreement or would prevent or materially delay the closing of the merger;

Abbott must have performed in all material respects all of its obligations under the merger agreement; and

Abbott must have delivered to the Company a certificate dated as of the closing date of the merger and signed by its Chief Executive Officer or Chief Financial Officer certifying that the conditions in the two preceding sentences have been satisfied.

The merger agreement provides that a company material adverse effect means any change or effect that is, or is reasonably likely to be, materially adverse to the business, assets and liabilities (taken together), financial condition or operations or results of operations of us and our subsidiaries, taken as a whole, provided, however, that none of the following will be deemed (either alone or in combination) to constitute such a change or effect:

any adverse change attributable to the announcement or pendency of the transactions contemplated by the merger agreement;

any adverse change attributable to or conditions generally affecting the medical diagnostics products industry as a whole, the United States economy or financial markets in general or any foreign economy or financial markets in any location where we or any of our subsidiaries has material operations or sales;

any act or threat of terrorism or war anywhere in the world, any act, threat or escalation of armed hostilities or terrorist activities anywhere in the world or any governmental or other response or reaction to any of the foregoing; or

any action by us or any of our subsidiaries that has been approved or consented to in writing by Abbott or merger sub.

Termination of the Merger Agreement

The merger agreement may be terminated, and the merger contemplated thereby may be abandoned, at any time prior to the effective time, whether before or after our stockholders have approved and adopted the merger agreement and the merger:

Edgar Filing: THERASENSE INC - Form DEFM14A

by mutual written consent of us and Abbott;

by either Abbott or us if:

the merger has not have been completed by September 30, 2004, provided, however, that this right to terminate the merger agreement will not be available to any party whose failure to fulfill in any material respect its obligations under the merger agreement caused or resulted in the failure of the merger to be completed by September 30, 2004;

there is any final court order, injunction or other legal restraint prohibiting the merger;

Table of Contents

our stockholders do not approve and adopt the merger agreement and the merger at the special meeting or at any adjournment or postponement of the special meeting; or

the other party has breached any of its representations, warranties, covenants or obligations contained in the merger agreement, which breach would result in the failure to satisfy any of the conditions to the merger related to the truth and correctness of the breaching party's representations and warranties or the performance of the breaching party's obligations under the merger agreement and which breach has not been, or is incapable of being, cured within 30 days after written notice.

by Abbott if:

our board of directors or any of its committees withdraws or modifies in a manner adverse to Abbott or merger sub its recommendation of the merger agreement or the merger, fails within 10 business days to reconfirm such recommendation if requested by Abbott, or resolves to take any such action;

our board of directors or any of its committees approves or recommends any alternative acquisition proposal, or fails to recommend against, or takes a neutral position with respect to, a tender or exchange offer related to an alternative acquisition proposal, or resolves to take any such action;

we violate our obligations under the merger agreement not to solicit other offers;

changes or developments occur that, individually or in the aggregate, have resulted in a company material adverse effect that cannot be cured; and

by us, in accordance with the terms of the merger agreement after our receipt of a superior company proposal.

In the event that the merger agreement terminates, it will become void and have no effect, without any liability or obligation on the part of Abbott, merger sub or us, except with respect to certain provisions that will survive such termination. However, no such termination will relieve any party from any liability for damages resulting from a willful and material breach by any party of any of its representations, warranties or covenants under the merger agreement.

Termination Fee; Expenses

We have agreed to pay Abbott a termination fee of \$44,500,000 if the merger agreement is terminated:

by Abbott, in the event that:

our board of directors or any of its committees withdraws or modifies in a manner adverse to Abbott or merger sub its recommendation of the merger agreement or the merger, fails within 10 business days to reconfirm such recommendation if requested by Abbott, or resolves to take any such action;

Edgar Filing: THERASENSE INC - Form DEFM14A

we violate our obligations under the merger agreement not to solicit other offers;

by us, in accordance with the terms of the merger agreement after our receipt of a superior company proposal;

by any party, following a failure by us to hold the special meeting in violation of our obligations under the merger agreement, if within twelve months following termination of the merger agreement we either consummate an alternative acquisition or enter into an agreement providing for an alternative acquisition that is subsequently consummated; and

by any party, in the event that prior to the special meeting a proposal for an alternative acquisition is publicly announced and our stockholders do not vote to approve and adopt the merger agreement and the merger at the special meeting, if within twelve months following termination of the merger agreement we either consummate an alternative acquisition or enter into an agreement providing for an alternative acquisition that is subsequently consummated.

Except as described above, each party will bear all fees and expenses that it incurs in connection with the merger, the merger agreement and the transactions contemplated by the merger agreement, whether or not the merger is consummated.

Amendment; Extension and Waiver

The merger agreement may be amended by the parties thereto at any time, whether before or after stockholder approval is obtained, but only by a written instrument signed on behalf of each of the parties. The merger agreement also provides that, at any time prior to the effective time of the merger, the parties may extend the time for the performance of any of the obligations or other acts of the other parties, waive any inaccuracies in the parties' representations and warranties or in any document delivered pursuant to the merger agreement or waive compliance with any of the agreements or conditions contained in the merger agreement.

- (1) This table is based on information supplied by directors, all executive officers and principal stockholders of the Company and on any Schedules 13D or 13G filed with the Securities and Exchange Commission. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to options or warrants held by that person that are currently exercisable or will become exercisable within 60 days after the record date are deemed outstanding, while such shares are not deemed outstanding for purposes of computing percentage ownership of any other person.
- (2) The column labeled *Additional Shares Underlying Unvested Options* represents shares of common stock subject to options or warrants that are not currently exercisable and that would not become exercisable within 60 days after the record date except in connection with the merger. Under the terms of the merger agreement and our stock option agreements, our directors, executive officers, employees and consultants will have their unvested stock options effectively accelerated and their vested and unvested options *cash out* in connection with the merger, meaning that they will receive cash payments for each share underlying their options equal to the excess of \$27.00 per share over the exercise price per share of their options. Accordingly, the column labeled *additional shares underlying unvested options* is intended to represent shares underlying options that are not represented elsewhere in the above table and for which our directors, executive officers or principal stockholders will receive consideration pursuant to the merger agreement. See *The Merger Interests of the Company's Directors and Executive Officers in the Merger*.
- (3) Each of these Company securities indicated as beneficially owned by Abbott Laboratories or Covette Acquisition Corp. is also indicated as being beneficially owned in the table above by InterWest Partners or one or more of the Company's directors or executive officers. As a condition to its entering into the merger agreement, Abbott required that such stockholders enter into a stockholder agreement under which they have agreed to vote all of the Company securities they beneficially own in favor of approval and adoption of the merger agreement and related matters, and against any competing transaction or proposal or any proposal or transaction that could reasonably be expected to prevent or impede the completion of the merger. A copy of the stockholder agreement is attached to this proxy statement as Annex B. The following Company securities held by the parties to the stockholder agreement are subject to the restrictions set forth in the stockholder agreement: (i) an aggregate of 6,256,163 shares of the Company's common stock; and (ii) an aggregate of 1,628,976 options to purchase shares of the Company's common stock. Abbott Laboratories or Corvette Acquisition Corp. may be deemed to have beneficial ownership of these Company securities. Neither Abbott Laboratories nor Corvette Acquisition Corp. admits that it is the beneficial owner of any of the Company securities referred to herein for purposes of Section 13(d) of the Securities Exchange Act of 1934, as amended, or for any other purpose, and such beneficial ownership is expressly disclaimed. DISSENTERS RIGHTS OF APPRAISAL

Under the Delaware General Corporation Law, if you do not wish to accept the cash payment provided for in the merger agreement, you have the right to dissent from the merger and to receive payment in cash for the fair value of your common stock of the Company. The Company's stockholders electing to exercise appraisal rights must comply with the provisions of Section 262 of the Delaware General Corporation Law in order to perfect their rights. The Company will require strict compliance with the statutory procedures.

The following is intended as a brief summary of the material provisions of the Delaware statutory procedures required to be followed by a stockholder in order to dissent from the merger and perfect appraisal rights. This summary, however, is not a complete statement of all applicable requirements and is qualified in its entirety by reference to Section 262 of the Delaware General Corporation Law, the full text of which appears in Annex D of this proxy statement.

Section 262 requires that stockholders be notified that appraisal rights will be available not less than 20 days before the special meeting to vote on the merger. A copy of Section 262 must be included with such notice. This proxy statement constitutes the Company's notice to its stockholders of the availability of appraisal rights in connection with the merger in compliance with the requirements of Section 262. If you wish to consider exercising your appraisal rights, you should carefully review the text of Section 262 contained in Annex D since failure to timely and properly comply with the requirements of Section 262 will result in the loss of your appraisal rights under Delaware law.

If you elect to demand appraisal of your shares, you must satisfy each of the following conditions:

You must deliver to the Company a written demand for appraisal of your shares before the vote with respect to the merger is taken. This written demand for appraisal must be in addition to and separate from any proxy or vote abstaining from or voting against approval and adoption of the merger agreement and the merger. Voting against or failing to vote for approval and adoption of the merger agreement and the merger by itself does not constitute a demand for appraisal within the meaning of Section 262.

You must not vote in favor of approval and adoption of the merger agreement and the merger. A vote in favor of the approval and adoption of the merger agreement and the merger, by proxy or in person, will constitute a waiver of your appraisal rights in respect of the shares so voted and will nullify any previously filed written demands for appraisal. If you fail to comply with either of these conditions and the merger is completed, you will be entitled to receive the cash payment for your shares of the Company's common stock as provided for in the merger agreement, but you will have no appraisal rights with respect to your shares of the Company's common stock.

All demands for appraisal should be addressed to TheraSense, Inc., 1360 South Loop Road, Alameda, California 94502, Attention: Secretary and General Counsel, before the vote on the merger is taken at the special meeting, and should be executed by, or on behalf of, the record holder of the shares of the Company's common stock. The demand must reasonably inform the Company of the identity of the stockholder and the intention of the stockholder to demand appraisal of his, her or its shares.

To be effective, a demand for appraisal by a holder of the Company's common stock must be made by, or in the name of, such registered stockholder, fully and correctly, as the stockholder's name appears on his or her stock certificate(s). **Beneficial owners who do not also hold the shares of record may not directly make appraisal demands to the Company. The beneficial holder must, in such cases, have the registered owner submit the required demand in respect of those shares.** If shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of a demand for appraisal should be made in that capacity; and if the shares are owned of record by

Edgar Filing: THERASENSE INC - Form DEFM14A

more than one person, as in a joint tenancy or tenancy in common, the demand should be executed by or for all joint owners. An authorized agent, including an authorized agent for two

Table of Contents

or more joint owners, may execute the demand for appraisal for a stockholder of record; however, the agent must identify the record owner or owners and expressly disclose the fact that, in executing the demand, he or she is acting as agent for the record owner. A record owner, such as a broker, who holds shares as a nominee for others, may exercise his or her right of appraisal with respect to the shares held for one or more beneficial owners, while not exercising this right for other beneficial owners. In that case, the written demand should state the number of shares as to which appraisal is sought. Where no number of shares is expressly mentioned, the demand will be presumed to cover all shares held in the name of the record owner.

If you hold your shares of the Company's common stock in a brokerage account or in other nominee form and you wish to exercise appraisal rights, you should consult with your broker or the other nominee to determine the appropriate procedures for the making of a demand for appraisal by the nominee.

Within 10 days after the effective time of the merger, the surviving corporation must give written notice that the merger has become effective to each Company stockholder who has properly filed a written demand for appraisal and who did not vote in favor of the merger. At any time within 60 days after the effective time, any stockholder who has demanded an appraisal has the right to withdraw the demand and to accept the cash payment specified by the merger agreement for his or her shares of the Company's common stock. Within 120 days after the effective time, either the surviving corporation or any stockholder who has complied with the requirements of Section 262 may file a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares held by all stockholders entitled to appraisal. The surviving corporation has no obligation to file such a petition in the event there are dissenting stockholders. Accordingly, the failure of a stockholder to file such a petition within the period specified could nullify the stockholder's previously written demand for appraisal.

If a petition for appraisal is duly filed by a stockholder and a copy of the petition is delivered to the surviving corporation, the surviving corporation will then be obligated, within 20 days after receiving service of a copy of the petition, to provide the Chancery Court with a duly verified list containing the names and addresses of all stockholders who have demanded an appraisal of their shares. After notice to dissenting stockholders, the Chancery Court is empowered to conduct a hearing upon the petition, and to determine those stockholders who have complied with Section 262 and who have become entitled to the appraisal rights provided thereby. The Chancery Court may require the stockholders who have demanded payment for their shares to submit their stock certificates to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with that direction, the Chancery Court may dismiss the proceedings as to that stockholder.

After determination of the stockholders entitled to appraisal of their shares of the Company's common stock, the Chancery Court will appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest. When the value is determined, the Chancery Court will direct the payment of such value, with interest thereon accrued during the pendency of the proceeding, if the Chancery Court so determines, to the stockholders entitled to receive the same, upon surrender by such holders of the certificates representing those shares.

In determining fair value, the Chancery Court is required to take into account all relevant factors. **You should be aware that the fair value of your shares as determined under Section 262 could be more, the same, or less than the value that you are entitled to receive under the terms of the merger agreement.**

Costs of the appraisal proceeding may be imposed upon the surviving corporation and the stockholders participating in the appraisal proceeding by the Chancery Court as the Chancery Court deems equitable in the circumstances. Upon the application of a stockholder, the Chancery Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts, to be charged pro rata against the value of all shares entitled to appraisal. Any stockholder who had demanded appraisal rights will not, after the effective time, be entitled to vote shares subject to that demand for any

purpose or to receive payments of dividends or any other

distribution with respect to those shares, other than with respect to payment as of a record date prior to the effective time; however, if no petition for appraisal is filed within 120 days after the effective time of the merger, or if the stockholder delivers a written withdrawal of his or her demand for appraisal and an acceptance of the terms of the merger within 60 days after the effective time of the merger, then the right of that stockholder to appraisal will cease and that stockholder will be entitled to receive the cash payment for shares of his, her or its Company common stock pursuant to the merger agreement. Any withdrawal of a demand for appraisal made more than 60 days after the effective time of the merger may only be made with the written approval of the surviving corporation and must, to be effective, be made within 120 days after the effective time.

In view of the complexity of Section 262, the Company's stockholders who may wish to dissent from the merger and pursue appraisal rights should consult their legal advisors.

(a) From the date of this Agreement until the earlier of the Effective Time or the termination of this Agreement, the Company and the Company Subsidiaries shall not (and the Company will not permit any of its or any of the Company Subsidiaries' officers, directors or employees or any investment banker, financial advisor, attorney, accountant or other representative retained by it or any of the Company Subsidiaries (collectively, *Company Representatives*) to) directly or indirectly (i) solicit, initiate, facilitate, encourage, engage in discussions or negotiate with any Person or take any other action intended or designed to facilitate any inquiry or effort of any Person relating to any possible Alternative Acquisition, (ii) provide information with respect to the Company or any Company Subsidiary to any Person relating to any possible Alternative Acquisition or (iii) enter into any agreement with respect to any proposal for any possible Alternative Acquisition. In addition, at any time prior to obtaining Stockholder Approval, the Company Board, to the extent required by the fiduciary obligations of the Company Board under Delaware Law, as determined in good faith by the Company Board (after consultation with outside legal counsel), may cause the Company to terminate this Agreement in accordance with Section 9.1(e) (and concurrently with or after such termination, cause the Company to enter into an Acquisition Agreement with respect to a Superior Company Proposal); *provided, however*, that the Company shall not terminate this Agreement pursuant to Section 9.1(e), and any purported termination pursuant to Section 9.1(e) shall be void and of no force or effect, unless the Company shall have complied with the provisions of this Section 6.2 and the Company shall have paid to Parent the Termination Fee prior to or concurrently with such termination; and *provided further, however*, that the Company shall not be entitled to exercise its right to terminate this Agreement pursuant to Section 9.1(e), (A) until after the fourth Business Day following Parent's receipt of a Notice of Superior Company Proposal (it being understood that any amendment to the price or any other material term of a Superior Company Proposal shall require a new Notice of Superior Company Proposal and an additional two (2) Business Day period) and (B) unless within the four (4) Business Day period following the delivery of the Notice of Superior Company Proposal (or the two (2) Business Day period following the delivery of a new Notice of Superior Company Proposal due to an amendment of a Superior Company Proposal), Parent has not proposed adjustments in the terms and conditions of this Agreement as favorable from a financial point of view to the Company's stockholders as such Superior Company Proposal.

(c) In addition to the obligations of the Company set forth in paragraphs (a) and (b) of this Section 6.2, the Company promptly, and in any event within twenty-four (24) hours, shall (i) advise Parent in writing of receipt by it (or any Company Representatives) of any Alternative Acquisition Proposal or any inquiry indicating that any Person is considering making or wishes to make an Alternative Acquisition Proposal, identifying such Person and the financial and other material terms and conditions of any Alternative Acquisition Proposal or potential Alternative Acquisition Proposal and (ii) notify Parent after receipt of any request for nonpublic information relating to the Company or any of the Company Subsidiaries or for access to the Company's or any of the Company Subsidiaries' properties, books or records by any Person that may be considering making, or has made, an Alternative Acquisition Proposal, identifying such Person and the information requested by such Person, and provide Parent with any nonpublic information that is given to such Person pursuant to this Section 6.2(c). The Company shall (i) keep Parent reasonably informed as to the status and the financial and other material terms and conditions of any such Alternative Acquisition Proposal, indication or request and (ii) provide to Parent as promptly as practicable any applicable written agreement that describes any of the terms or conditions of any Alternative Acquisition Proposal.

(d) Nothing contained within this Section 6.2 shall prevent the Company Board from complying with Rule 14e-2(a) under the Exchange Act with regard to any Alternative Acquisition Proposal; *provided, however*, that except as set forth in Section 6.2(b), in no event shall the Company Board or any committee thereof withdraw or modify, or propose to withdraw or modify, its position with respect to this Agreement or the Merger or adopt, approve or recommend, or propose to adopt, approve or recommend, any Alternative Acquisition Proposal.

(e) The parties agree that if any Company Representative takes any action which may not be taken by the Company or any Company Subsidiary under this Section 6.2, such action shall be deemed a material breach of this Agreement by the Company.

The Company shall use all commercially reasonable efforts to respond as promptly as practicable to any comments of the SEC with respect to the Proxy Statement and to cause the definitive Proxy Statement to be mailed to the Company's stockholders as promptly as reasonably practicable after the date of this Agreement. The Company shall promptly notify Parent upon the receipt of any comments from the SEC or its staff or any request from the SEC or its staff for amendments or supplements to the Proxy Statement or for additional information and shall provide Parent with copies of all correspondence between the Company and its representatives, on the one hand, and the SEC and its staff, on the other hand. If at any time prior to the Effective Time any information relating to the Company or Parent, or any of their respective directors, officers or Affiliates, should be discovered by the Company or Parent which should be set forth in an amendment or supplement to the Proxy Statement, so that the Proxy Statement would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other parties, and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by Applicable Law, disseminated to the stockholders of the Company. Notwithstanding anything to the contrary stated above, prior to filing or mailing the Proxy Statement (or any amendment or supplement thereto) or responding to any comments of the SEC with respect thereto, the Company shall (i) provide Parent an opportunity to review and comment on such document or response, (ii) include in such document or response all comments reasonably proposed by Parent and (iii) not file or mail such document or respond to the SEC prior to receiving Parent's approval, which approval shall not be unreasonably withheld or delayed.

(b) The Company shall, as soon as reasonably practicable following the date of this Agreement, establish a record date (which will be as soon as reasonably practicable following the date of this Agreement) for, duly call, give notice of, convene and hold a meeting of its stockholders (the *Stockholders Meeting*) for the purpose of obtaining the Stockholder Approval. The Company shall cause the Stockholders Meeting to be held as promptly as reasonably practicable after the date of this Agreement. The Company shall, through the Company Board, recommend to its stockholders that they approve and adopt this Agreement and the Merger and include such recommendation in the Proxy Statement, except to the extent that the Company Board shall have withdrawn its recommendation of this Agreement or the Merger as permitted by Section 6.2. Unless the Company Board has withdrawn its recommendation in compliance with this Agreement, the Company shall use its reasonable best efforts to solicit from its stockholders proxies in favor of the approval and adoption of this Agreement and the Merger and to secure the Stockholder Approval.

Section 7.2 *Access to Information; Confidentiality.* The Company shall, and shall cause each of the Company's Subsidiaries to, afford to Parent, and to Parent's officers, employees, accountants, legal counsel, financial advisors and other representatives, full and complete access upon reasonable notice during normal business hours during the period prior to the Effective Time or the termination of this Agreement to all their respective properties, books, contracts, commitments, personnel and records and, during such period, the Company shall furnish promptly to Parent (i) a copy of each report, schedule, registration statement and other document filed by it during such period pursuant to the requirements of federal or state securities laws and (ii) all other information concerning its business, properties and personnel as Parent may reasonably request. Except as

required by Applicable Law, Parent shall hold, and shall cause its officers, employees, accountants, legal counsel, financial advisors and other representatives and Affiliates to hold, any and all information received from the Company, directly or indirectly, in confidence, in accordance with the Confidentiality Agreement. No investigation pursuant to this Section 7.2 shall affect any representation or warranty in this Agreement of any party hereto or any condition to the obligations of the parties hereto.

Section 7.3 *Reasonable Efforts; Notification.*

(a) Upon the terms and subject to the conditions set forth in this Agreement, each of the parties agrees to use all commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other parties in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the Merger and the other transactions contemplated by this Agreement and the Stockholder Agreement, including, but not limited to, (i) the obtaining of all necessary actions or nonactions, waivers, consents and approvals from Governmental Entities and the making of all necessary registrations and filings (including filings with Governmental Entities pursuant to the HSR Act and any pre-merger notification requirements in Austria, Germany, Ireland, Italy and the Czech Republic) and the taking of all reasonable steps as may be necessary to obtain any necessary approval or waiver from, or to avoid an action or Proceeding by, any Governmental Entity, (ii) the obtaining of all necessary consents, approvals or waivers from third parties, (iii) the defending of any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement, the Stockholder Agreement or the consummation of the transactions contemplated hereby and thereby, including seeking to have any stay or temporary restraining order entered by any court or other Governmental Entity vacated or reversed and (iv) the execution and delivery of any additional instruments necessary to consummate the transactions contemplated by, and to fully carry out the purposes of, this Agreement. The Company and the Company Board shall, if any state takeover statute or similar statute or regulation is or becomes applicable to this Agreement, the Stockholder Agreement, the Merger or any other transactions contemplated by this Agreement or the Stockholder Agreement, use all their commercially reasonable efforts to ensure that the Merger and the other transactions contemplated by this Agreement or the Stockholder Agreement may be consummated as promptly as practicable on the terms contemplated by this Agreement or the Stockholder Agreement, as applicable, and otherwise to minimize the effect of such statute or regulation on the Merger, this Agreement, the Stockholder Agreement and the other transactions contemplated hereby and thereby.

(b) The Company and Parent shall make appropriate filings under each of the HSR Act and the pre-merger notification requirements in Austria, Germany, Ireland, Italy and the Czech Republic with respect to the transactions contemplated hereby within ten (10) Business Days of the date hereof and respond as promptly as practicable to any inquiries received from the Federal Trade Commission and the Antitrust Division of the Department of Justice for additional information or documentation and respond as promptly as practicable to all inquiries and requests received from any other Governmental Entity in connection with antitrust matters. Concurrently with the filing of notifications under the HSR Act or as soon thereafter as practicable, the Company and Parent shall each request early termination of the HSR Act waiting period.

(c) In furtherance of the agreements of the parties contained in this Section 7.3 and not in limitation thereof, if any objections are asserted with respect to the Merger under the HSR Act, or if any suit is instituted (or threatened to be instituted) by the Federal Trade Commission, the Antitrust Division of the Department of Justice or any other Governmental Entity or any third party challenging any of the transactions contemplated by this Agreement, or which would otherwise prohibit or materially impair or materially delay the consummation of the Merger, each of Parent and the Company shall use all commercially reasonable efforts to resolve any such objections or suits so as to permit consummation of the Merger; *provided, however*, that notwithstanding anything to the contrary in this Agreement, (i) the Company shall not, without Parent's prior written consent, commit to any divestitures, licenses, hold separate arrangements or similar matters, including covenants affecting business operating practices (or allow any of the Company Subsidiaries to commit to any divestitures, licenses, hold separate arrangements or similar matters), and the Company shall commit to, and shall use all commercially reasonable efforts to

effect (and shall cause each of the Company Subsidiaries to commit to and use all their commercially reasonable efforts to effect), any such divestitures, licenses, hold separate arrangements or similar matters as Parent shall request, but solely if such divestitures, licenses, hold separate arrangements or similar matters are contingent on consummation of the Merger and (ii) neither Parent nor any of its Subsidiaries shall be required to agree (with respect to (A) Parent or its Subsidiaries or (B) the Company or the Company Subsidiaries) to any divestitures, licenses, hold separate arrangements or similar matters, including covenants affecting business operating practices.

(d) The Company and Parent each shall use all commercially reasonable efforts to keep the other apprised of the status of matters relating to completion of the transactions contemplated hereby, including promptly furnishing the other with copies of notices or other communications received by Parent, Sub or the Company, as the case may be, or any of their respective Subsidiaries, from any third party and/or any Governmental Entity with respect to the transactions contemplated by this Agreement.

Section 7.4 Public Announcements. Parent and Sub, on the one hand, and the Company, on the other hand, shall consult with each other and shall mutually agree upon any press release or other public statements with respect to the transactions contemplated by this Agreement, except as may be required by Applicable Law, court process or by obligations pursuant to any listing agreement with any national securities exchange or national securities quotation system, in which case the party proposing to issue such press release shall use all reasonable efforts to give as much advance notice to the other party as possible and to consult in good faith with the other party before issuing such press release or making any such public announcement. The parties agree that the initial press release to be issued with respect to the transactions contemplated by this Agreement shall be in the form heretofore agreed to by the parties.

Section 7.5 Indemnification and Insurance.

(a) Parent and Sub agree that all rights to indemnification for acts or omissions occurring prior to the Effective Time now existing in favor of the directors or officers of the Company (each an *Indemnified Party*) as provided in its certificate of incorporation or bylaws shall survive the Merger and shall continue in full force and effect in accordance with their terms for a period of six (6) years following the Effective Time, and accordingly, during such period, the Surviving Corporation shall indemnify the Indemnified Parties to the same extent as such Indemnified Parties currently are entitled to indemnification.

(b) Parent shall, or shall cause the Surviving Corporation to, maintain the Company's existing D&O Insurance for a period of not less than six (6) years after the Effective Time; *provided, however*, that Parent or the Surviving Corporation may substitute therefor policies of substantially similar coverage and amounts; *provided further*, that if the existing D&O Insurance expires or is cancelled during such period, Parent or the Surviving Corporation shall use all commercially reasonable efforts to obtain substantially similar D&O Insurance; and *provided further*, that neither Parent nor the Surviving Corporation shall be required to expend, in order to maintain or procure an annual D&O Insurance policy, an amount for annual premiums in excess of two hundred fifty percent (250%) of the last annual premium paid prior to the date hereof, but in such case shall purchase as much coverage as possible for such amount.

(c) The provisions of this Section 7.5 are intended to be for the benefit of, and shall be enforceable by, each Indemnified Party and his or her heirs and representatives.

Section 7.6 Benefits and Employment.

Edgar Filing: THERASENSE INC - Form DEFM14A

(a) As of the Effective Time, Parent agrees to assume the Change in Control Severance Agreements listed in Section 7.6 of the Company Disclosure Schedule and to perform the Company's obligations thereunder in the same manner and to the same extent as the Company would be required thereunder to perform such obligations in the absence of such assumption.

(b) As soon as commercially practicable after the Effective Time, the Continuing Employees shall receive compensation and benefits substantially comparable in the aggregate to those of similarly situated employees of Parent based on Parent's evaluation of the nature and scope of the employee's duties;

principal location where those duties are performed; grade level; and performance. Benefits provided to Continuing Employees following the Effective Time may be provided through continuation of the Plans or through employee benefit plans of the Surviving Corporation (or of Parent or the Surviving Corporation's Subsidiaries, as the case may be), including, but not limited to, retiree health plans, maintained, established or contributed to by Parent, the Surviving Corporation or any of the Surviving Corporation's Subsidiaries at or subsequent to the Effective Time (collectively, the *Surviving Corporation Plans*). The Continuing Employees shall receive full credit for periods of service with the Company or any Company Subsidiary prior to the Effective Time for purposes of determining eligibility and vesting under the Surviving Corporation Plans; *provided*, that credit will not be given for purposes of benefit accruals (other than vacation policies), and *provided further*, that as to any retiree health plan, Continuing Employees will not receive credit for purposes of eligibility, vesting and benefit accrual with respect to service for Parent, the Surviving Corporation or the Surviving Corporation's Subsidiaries before the Effective Time. Any amounts previously expended by Continuing Employees for purposes of satisfying deductibles under any Plan for the applicable current plan year shall be credited for purposes of satisfying any corresponding deductibles under the Surviving Corporation Plans. No pre-existing condition limitations not applicable under the Plans shall be imposed on Continuing Employees upon admittance into any Surviving Corporation Plan. Nothing contained in this Section 7.6 shall require Parent, the Surviving Corporation, or any of their Affiliates to continue to employ or to continue any level of compensation and benefits of any Company Employee for any period following the Effective Time or create any third party rights.

(c) Except as set forth in Section 7.6(a) and Section 7.6(b), none of Parent, the Surviving Corporation or any of the Surviving Corporation's Subsidiaries shall have any obligation to continue any Plan as of or subsequent to the Effective Time; and each of Parent and the Surviving Corporation shall have the right to amend, modify, or terminate any Plan at or subsequent to the Effective Time.

Section 7.7 *Stock Options/ESPP.*

(a) Prior to the Effective Time, the Company shall take all action, including obtaining consents from holders of Options (as defined below), necessary to cause each unexpired and unexercised stock option under the Option Plans or otherwise granted by the Company outside the Option Plans (each an *Option*), whether vested or unvested, to be canceled immediately prior to the Effective Time. In consideration for such cancellation, the holder of each such Option shall receive, as soon as reasonably practicable at or after the Effective Time, a cash payment from the Parent or the Surviving Corporation equal to the product of (i) the total number of shares that were subject to such Option immediately prior to the Effective Time, whether such Option was vested or unvested, and (ii) the excess (if any) of (A) the Merger Consideration over (B) the exercise price per share subject to such Option, such cash payment to be reduced by any required withholding of Taxes.

(b) The Company shall take all such steps as may be required to cause any dispositions of Company Common Stock (including derivative securities with respect to the Company Common Stock) resulting from the transactions contemplated by this Agreement by each officer or director of the Company who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act, such steps to be taken in accordance with the No-Action Letter, dated January 12, 1999, issued by the SEC to Skadden, Arps, Slate, Meagher & Flom LLP.

(c) As of or prior to the Effective Time, the ESPP shall be terminated. The rights of participants in the ESPP with respect to any offering period then underway under the ESPP shall be determined in accordance with Section 19(c) of the ESPP by the Company Board setting a new exercise date under the ESPP to occur immediately following the final payroll date prior to the Effective Time, on which date all purchase periods and offering periods shall terminate. Immediately following the date of this Agreement, the Company shall cause the administrator of the ESPP to prohibit any participant in the ESPP from increasing his or her payroll deduction rate prior to the Effective Time. The Company shall not commence any new purchase periods or offering periods pursuant to the ESPP following the date of this Agreement.

Prior to the Effective Time, the Company shall take all actions that are necessary to give effect to the transactions contemplated by this Section 7.7(c).

(d) By adopting or approving this Agreement, the Company Board shall be deemed to have approved and authorized, and the stockholders of the Company shall be deemed to have approved and ratified, each and every amendment to (and such other actions in respect of) the Option Plans and the ESPP (and any other plan) and the agreements evidencing awards under the Option Plans and the ESPP (and any other plan) as the officers of the Company may deem necessary or appropriate to give effect to the provisions of this Section 7.7.

(e) The Company shall deliver to Parent no later than three (3) days prior to the new exercise date under Section 7.7(c) a list of amounts allocated to the ESPP accounts of each participant in the ESPP on such date with respect to each offering period then underway.

(f) Prior to the Effective Time, the Company and each Company Subsidiary, as applicable, shall take any and all actions necessary to ensure that each Incentive Plan is amended and/or interpreted to provide that such plan shall not permit the payment or settlement of awards thereunder in Company Common Stock or Options (or any other stock or derivative security of the Company or any Company Subsidiary). No amendment or interpretation adopted in accordance with the preceding sentence shall increase the aggregate payments made with respect to any award granted pursuant to an Incentive Plan.

Section 7.8 *Stockholder Litigation.* The Company shall give Parent the opportunity to participate in the defense or settlement of any stockholder litigation against the Company and/or its directors relating to the transactions contemplated by this Agreement or the Stockholder Agreement, and no such settlement shall be agreed to without Parent's prior written consent, which consent shall not be unreasonably withheld.

ARTICLE IX

Termination, Amendment and Waiver

Section 9.1 *Termination.* This Agreement may be terminated, and the Merger contemplated hereby may be abandoned, at any time prior to the Effective Time, whether before or after the Stockholder Approval has been obtained:

(a) by mutual written consent of Parent and the Company;

(b) by either Parent or the Company if:

(i) the Merger shall not have been consummated by September 30, 2004 (the *End Date*); *provided, however*, that the right to terminate this Agreement under this Section 9.1(b)(i) shall not be available to any party whose failure to fulfill in any material respect any obligation under this Agreement has caused or resulted in the failure of the Merger to occur on or before the End Date;

(ii) any Legal Restraint having the effect set forth in Section 8.1(c) shall be in effect and be final and not subject to further appeal;

(iii) the Stockholder Approval shall not have been obtained by reason of the failure to obtain the required vote at the Stockholders Meeting duly convened therefor or at any adjournment or postponement thereof; or

(iv) there shall have been a breach by the other of any of its respective representations, warranties, covenants or obligations contained in this Agreement, which breach would result in the failure to satisfy one or more of the conditions set forth in Section 8.2(a) or (b) (in the case of the Company) or Section 8.3(a) or (b) (in the case of Parent), and in any such case, such breach shall be incapable of being cured or, if capable of being cured, shall not have been cured within thirty (30) days after written notice thereof shall have been received by the party alleged to be in breach.

(c) by Parent if:

(i) the Company Board or any committee thereof withdraws or modifies in a manner adverse to Parent or Sub its recommendation of this Agreement or the Merger, or fails to reconfirm such recommendation if so requested by Parent within ten (10) Business Days following such request, or if the Company Board or any committee thereof resolves to take any of the foregoing actions;

Edgar Filing: THERASENSE INC - Form DEFM14A

(ii) the Company Board or any committee thereof approves or recommends any Alternative Acquisition Proposal, or fails to recommend against, or takes a neutral position with respect to, a tender or exchange offer related to an Alternative Acquisition Proposal, or the Company Board or any committee thereof resolves to take any of the foregoing actions; or

(iii) the Company shall have violated or breached any of its obligations under Section 6.2;

(d) by Parent in the event that changes or developments occur which, individually or in the aggregate, have resulted in a Company Material Adverse Effect, and in any such case, such Company Material Adverse Effect shall be incapable of being cured; and

(e) by the Company in accordance with the terms and subject to the conditions of Section 6.2(b).

Section 9.2 *Effect of Termination.* In the event of termination of this Agreement by either the Company or Parent as provided in Section 9.1, this Agreement shall forthwith become void and have no effect, and, except to the extent that such termination results from fraud or the willful and material breach by a party of any of its representations, warranties, covenants or agreements set forth in this Agreement, there shall be no liability or obligation on the part of Parent, Sub or the Company, other than with respect to Section 4.21, Section 5.4, this Section 9.2, Section 9.3 and Article X, which provisions shall survive such termination.

Section 9.3 *Fees and Expenses.*

(a) All fees and expenses incurred in connection with the Merger, this Agreement and the transactions contemplated by this Agreement shall be paid by the party incurring such fees or expenses, whether or not the Merger is consummated.

(b) If this Agreement is terminated: (i) by Parent pursuant to Section 9.1(c) or (ii) by the Company pursuant to Section 9.1(e), then the Company shall immediately prior to any such termination by the Company or, in the event of a termination by Parent, promptly, but in no event later than two (2) days after the date of such termination, pay Parent a fee equal to \$44,500,000 (the *Termination Fee*). If this Agreement is terminated by any party hereto: (x) pursuant to Section 9.1(b)(i) following a failure by the Company to hold the Stockholders Meeting in breach of its obligations under Section 7.1(b) or (y) pursuant to Section 9.1(b)(iii) and at or prior to the time of the Stockholders Meeting an Alternative Acquisition Proposal shall have been publicly announced and, prior to the date twelve (12) months following the date of the termination of this Agreement, the Company shall either (A) consummate an Alternative Acquisition or (B) enter into an Acquisition Agreement providing for an Alternative Acquisition, which Alternative Acquisition is subsequently consummated, then the Company shall pay the Termination Fee in the case of clause (A) concurrently with the consummation of such Alternative Acquisition or in the case of clause (B) concurrently with the consummation of the transaction subject to such Acquisition Agreement (whether or not such transaction is consummated prior to the date twelve (12) months following the date of the termination of this Agreement). All payments made pursuant to this Section 9.3(b) shall be made by wire transfer of immediately available funds to an account designated by Parent.

(c) The Company acknowledges that the agreements contained in Section 9.3(b) are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, Parent would not enter into this Agreement. If the Company shall fail to pay the Termination Fee when due, the Termination Fee shall be deemed to include the costs and expenses incurred by Parent (including, without limitation, fees and expenses of counsel) in connection with the collection under and enforcement of this Section 9.3, together with interest on such unpaid Termination Fee, commencing on the date that the Termination Fee became due, at a rate equal to the rate of interest publicly announced by Citibank, N.A., from time to time, in the City of New York, as such bank's Base Rate plus one percent (1%).

Section 9.4 *Amendment.* This Agreement may be amended by the parties hereto at any time, whether before or after the Stockholder Approval is obtained. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties.

Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights.

Section 10.5 *Entire Agreement; No Third-Party Beneficiaries*. This Agreement, the Company Disclosure Schedules, the Stockholder Agreement and the Confidentiality Agreement constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among the parties with respect to transactions contemplated by this Agreement. Any purported assignment without such consent shall be void. Subject to the preceding sentences, this Agreement shall be binding upon, inure to the benefit of and be enforceable by, the parties and their respective successors and assigns.

Section 10.8 *Enforcement*. Capitalized terms used and not otherwise defined herein have the meanings given to them in the Agreement and Plan of Merger, dated as of the date hereof, by and among Parent, Sub and the Company (as the same may be amended or supplemented, the *Merger Agreement*).

WHEREAS, Parent, Sub and the Company propose to enter into the Merger Agreement providing for the merger of Sub with and into the Company (the *Merger*) upon the terms and subject to the conditions set forth in the Merger Agreement;

WHEREAS, each Stockholder owns (of record or beneficially), or is the trustee of one or more trusts that are the record holder of, and whose beneficiaries are the beneficial owners of, the number of shares of capital stock of the Company set forth opposite their respective names on Schedule A hereto (such shares of capital stock of the Company being referred to herein as the Stockholder's *Original Shares* and the Original Shares, together with any other shares of capital stock of the Company or other voting securities of the Company acquired (of record or beneficially) by the respective Stockholder or the trusts, if any, of which the respective Stockholder is a trustee, after the date hereof and during the term of this Agreement (including through the exercise of any warrants, stock options or similar instruments), being collectively referred to herein as the Stockholder's *Subject Shares* ; *provided, however*, that the Original Shares and the Subject Shares of a Stockholder shall not be deemed to include any shares owned of record by an Affiliate of such Stockholder to the extent such Stockholder has disclaimed beneficial ownership thereof in Schedule A hereto);

WHEREAS, the Company Board has unanimously adopted resolutions approving and declaring advisable the Merger Agreement, this Agreement and the transactions contemplated thereby and hereby (such approvals having been made in accordance with the DGCL, including for purposes of Section 203 thereof) and has amended the Rights Agreement; and

WHEREAS, as a condition to the willingness of Parent and Sub to enter into the Merger Agreement, and as inducement and in consideration therefor, each Stockholder has agreed to enter into this Agreement.

SECTION 3. *Covenants of the Stockholders.* Each Stockholder covenants and agrees as follows:

(a) At any meeting of the stockholders of the Company called to vote upon the Merger Agreement, the Merger, any of the other transactions contemplated by the Merger Agreement or any other transaction pursuant to which Parent or Sub proposes to acquire the Company, whether by merger or otherwise, in which stockholders of the Company would receive consideration per share of Company Common Stock in cash equal to or greater than the consideration to be received by such stockholders in the Merger (an *Increased Acquisition Proposal*), or at any adjournment thereof, or in any other circumstances upon which a vote or other approval with respect to the Merger Agreement, the Merger, any of the other transactions contemplated by the Merger Agreement or any Increased Acquisition Proposal is sought, the Stockholder shall vote (or cause to be voted) all of the Subject Shares in favor of the approval and adoption of the Merger Agreement, the Merger and the terms thereof, each of the other transactions contemplated by the Merger Agreement or any Increased Acquisition Proposal.

(b) At any meeting of the stockholders of the Company or at any adjournment thereof or in any other circumstances upon which a vote or other approval is sought, the Stockholder shall vote (or cause to be voted) all of the Subject Shares against any of the following: (i) any merger agreement or merger (other than the Merger Agreement and the Merger), consolidation, combination, sale of substantial assets, reorganization, recapitalization, dissolution, liquidation or winding up of or by the Company, (ii) any Alternative Acquisition Proposal or (iii) any amendment of the Company's certificate of incorporation or by-laws or other proposal, action or transaction involving the Company or any of the Company Subsidiaries or any of its stockholders, which amendment or other proposal, action or transaction would in any manner impede, frustrate, prevent or delay the consummation of the Merger or the other transactions contemplated

by the Merger Agreement or this Agreement or change in any manner the voting rights of the holders of Company Common Stock (collectively, *Frustrating Transactions*). The Stockholder shall not commit to or agree to take any action inconsistent with the foregoing or that would otherwise facilitate a Frustrating Transaction. Notwithstanding the foregoing, nothing herein shall preclude a Stockholder from voting for or otherwise approving an Increased Acquisition Proposal as set forth in Section 3(a) of this Agreement.

(c) The Stockholder shall not (i) sell, transfer, pledge, assign or otherwise dispose of (including by gift) (collectively, *Transfer*), or consent to or permit any Transfer of, any Subject Shares or any interest therein, or enter into any loan or credit agreement, bond, debenture, note, mortgage, indenture, lease or other contract, commitment, agreement, option, instrument, arrangement, understanding, obligation or undertaking, with respect to the Transfer (including any profit sharing or other derivative arrangement) of any Subject Shares or any interest therein, to any Person other than pursuant to this Agreement or the Merger Agreement, (ii) enter into any voting arrangement, whether by proxy, voting agreement or otherwise, with respect to any Subject Shares and shall not commit or agree to take any of the foregoing actions, other than pursuant to this Agreement or (iii) take any other action that would in any way restrict, limit or interfere with the performance of the Stockholder's obligations under this Agreement or the transactions contemplated hereby. The Stockholder shall not, nor shall the Stockholder permit any entity under the Stockholder's control to, deposit any Subject Shares in a voting trust.

(d) The Stockholder shall not, nor shall the Stockholder authorize or permit any investment banker, attorney, accountant or other advisor or representative of the Stockholder to, directly or indirectly, (i) solicit, initiate, facilitate, encourage, engage in discussions or negotiate with any Person or take any other action intended or designed to facilitate any inquiry or effort of any Person relating to any Alternative Acquisition or other Frustrating Transaction, (ii) provide information with respect to the Company or any Company Subsidiary to any Person relating to a possible Alternative Acquisition or (iii) enter into any agreement with respect to any proposal for an Alternative Acquisition or other Frustrating Transaction. The Stockholder shall promptly advise Parent and Sub orally and in writing of any Alternative Acquisition Proposal or inquiry made to the Stockholder with respect to, or that could reasonably be expected to lead to, any Alternative Acquisition Proposal or other Frustrating Transaction. The Stockholder shall immediately cease participating in any discussions or negotiations with any parties that may be ongoing with respect to any proposal that constitutes, or reasonably may be expected to lead to, an Alternative Acquisition Proposal.

(e) The Stockholder hereby consents to and approves the actions taken by the Company Board in approving the Merger Agreement and this Agreement, the Merger and the other transactions contemplated by the Merger Agreement.

SECTION 4. *Grant of Irrevocable Proxy; Appointment of Proxy.*

(a) Each Stockholder hereby irrevocably grants to, and appoints, Parent, Sub and any individual designated in writing by Parent, the Stockholder's proxy and attorney-in-fact (with full power of substitution), for and in the name, place and stead of the Stockholder, to vote all of his, her or its Subject Shares, or grant any approval in respect of such Subject Shares, (i) in favor of the adoption of the Merger Agreement and the approval of the terms thereof and of the Merger and each of the other transactions contemplated by the Merger Agreement or any Increased Acquisition Proposal, (ii) against any Alternative Acquisition Proposal or other Frustrating Transaction and (iii) otherwise in accordance with Section 3 of this Agreement. The Stockholder understands and acknowledges that Parent and Sub are entering into the Merger Agreement in reliance upon the Stockholder's execution and delivery of this Agreement.

(b) Each Stockholder represents that any proxies heretofore given in respect of his, her or its Subject Shares are not irrevocable and that all such proxies are hereby revoked.

Edgar Filing: THERASENSE INC - Form DEFM14A

(c) Each Stockholder hereby affirms that the irrevocable proxy set forth in this Section 4 is given in connection with the execution of the Merger Agreement and that such irrevocable proxy is given to secure the performance of the duties of the Stockholder under this Agreement. The Stockholder hereby further affirms that the irrevocable proxy is coupled with an interest and, except as set forth in Section 9 hereof, is

intended to be irrevocable in accordance with the provisions of Section 212(e) of the DGCL. If for any reason the proxy granted herein is not irrevocable, then the Stockholder agrees to vote his, her or its Subject Shares as instructed by Parent in writing. The Stockholder hereby ratifies and confirms all that such irrevocable proxy may lawfully do or cause to be done by virtue hereof.

SECTION 5. *Further Assurances.* Each Stockholder shall use his, her or its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other parties in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated by this Agreement and the Merger Agreement. The Stockholder shall not commit or agree to take any action inconsistent with the transactions contemplated by this Agreement or the transactions contemplated by the Merger Agreement. Without limiting the generality of the foregoing, the Stockholder shall, from time to time, execute and deliver, or cause to be executed and delivered, such additional or further consents, documents and other instruments as Parent or Sub may request for the purpose of effectuating the matters covered by this Agreement, including with respect to the grant of the proxy set forth in Section 4.

SECTION 6. *Conditions to Obligations of Parent and Sub.* Each Stockholder acknowledges and agrees that the obligations of Parent and Sub to consummate the Merger are subject to the satisfaction of each of the conditions set forth in the Merger Agreement.

SECTION 7. *Certain Events.* Each Stockholder agrees that this Agreement and the obligations hereunder shall attach to his, her or its Subject Shares and shall be binding upon any Person to which legal or beneficial ownership of the Subject Shares shall pass, whether by operation of law or otherwise, including the Stockholder's heirs, guardians, administrators or successors. If requested by Parent, a Stockholder shall cause each certificate representing his, her or its Subject Shares to be inscribed with a legend to such effect. In the event of any stock split, stock dividend, reclassification, merger, reorganization, recapitalization or other change in the capital structure of the Company affecting the capital stock of the Company, the number of Original Shares and the number of Subject Shares listed on Schedule A hereto shall be adjusted appropriately. In addition, in the event that the Stockholder acquires any additional shares of capital stock of the Company or other voting securities of the Company (including through the exercise of any warrants, stock options or similar instruments), the number of Subject Shares listed on Schedule A hereto shall be adjusted appropriately. This Agreement and the representations, warranties, covenants, agreements and obligations hereunder shall attach to any additional shares of capital stock of the Company or other voting securities of the Company issued to or acquired by the Stockholder (including through the exercise of any warrants, stock options or similar instruments).

SECTION 8. *Assignment.* Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of law or otherwise, by either of the parties hereto without the prior written consent of the other party hereto, except that each of Parent and Sub may assign, in its sole discretion, any of or all its rights, interests and obligations under this Agreement to any direct or indirect wholly-owned subsidiary of Parent or Sub, as applicable. Any purported assignment in violation of this Section 8 shall be null and void. Subject to the preceding sentences of this Section 8, this Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns.

SECTION 9. *Termination.* This Agreement shall terminate upon the earlier to occur of (a) the Effective Time or (b) the termination of the Merger Agreement in accordance with its terms; *provided, however*, that termination of this Agreement shall not prevent any party hereunder from seeking any remedies (at law or in equity) against any other party hereto for such party's breach of any of the terms of this Agreement prior to termination.

SECTION 10. *General Provisions.*

(c) *Interpretation.* When a reference is made in this Agreement to a party or to a Section or Schedule, such reference shall be to a party to, or a Section of or a Schedule to, this Agreement unless otherwise indicated. Whenever the words include, includes or including are used in this Agreement, they shall be deemed to be followed by the words without limitation. The words hereof, herein, hereunder and words of similar import, when used in this Agreement, shall refer to this Agreement as a whole and not to any particular provision of this Agreement. The effectiveness of this Agreement shall be conditioned upon the execution and delivery of the Merger Agreement by each of the parties thereto.

(e) *Entire Agreement; No Third-Party Beneficiaries.* This Agreement (including the documents and instruments referred to herein) (i) constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof; and (ii) other than with respect to the persons specified as proxies in Section 4, is not intended to confer upon any Person other than the parties any rights or remedies hereunder.

(f) *Governing Law.* This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to any principles of conflicts of law of such state.

(g) *Severability.* If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. ANNEX D

SECTION 262 OF THE DELAWARE GENERAL CORPORATION LAW

Section 262. Appraisal Rights.

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to §228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to §251 (other than a merger effected pursuant to §251(g) of this title), §252, §254, §257, §258, §263 or §264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of §251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under §253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to §228 or §253 of this title, then, either a constituent corporation before the effective date of the merger or consolidation, or the surviving or resulting corporation within ten days thereafter, shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is

Table of Contents

given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the

Table of Contents

Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation
