REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Trustees and Participants of the Amended and Restated Crane Co. Savings and Investment Plan:

We have audited the accompanying statements of net assets available for benefits of the Amended and Restated Crane Co. Savings and Investment Plan (the Plan) as of December 31, 2003 and December 31, 2002, and the related statements of changes in net assets available for benefits for the transition periods from December 30, 2003 and 2002 to December 31, 2003 and 2002 and years ended December 30, 2003 and 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2003 and December 31, 2002, and the changes in net assets available for benefits for the transition periods from December 30, 2003 and 2002 to December 31, 2003 and 2002 and for the years ended December 30, 2003 and 2002 in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental schedule of assets held for investment purposes at December 31, 2003 is presented for the purpose of additional analysis and are not a required part of the basic 2003 financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This schedule is the responsibility of the Plan's management. Such schedule has been subjected to the auditing procedures applied in our audit of the basic 2003 financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the basic 2003 financial statements taken as a whole.

AMENDED AND RESTATED CRANE CO. SAVINGS AND INVESTMENT PLAN

Notes to Financial Statements

1. CHANGE OF PLAN YEAR

Effective December 31, 2003, the Plan was changed to a calendar year plan.

2. DESCRIPTION OF THE PLAN

The following is a brief description of the Amended and Restated Crane Co. Savings and Investment Plan (the "Plan"). Participants should refer to the Plan document and amendments for more complete information.

B. **General** The Plan is a defined contribution plan covering certain United States of America ("U.S.") employees of Crane Co. and its subsidiaries (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

B. **Plan Amendments** The Plan was amended effective January 1, 1997 designating the portion of the Plan invested in the Crane Co. Stock Fund consisting of (a) Company matching contributions, and (b) participants' deferred savings contributions that participants have elected to invest in the Crane Co. Stock Fund, as an Employee Stock Ownership Plan, as defined in Section 4975 of the Internal Revenue Code (the "Code"). Effective June 1, 1997, employees are eligible to participate in the Plan on the first day of the month coinciding with or following their date of hire. The Plan was amended and restated effective December 31, 2002. Effective December 22, 2003, an amendment was made to the Plan to allow any participant who has a fully vested interest in the participant's account to be permitted to direct the Plan as to the investment of all or any portion of the participant's account balance attributable to Company Stock and allocated to the Company Matching Contribution Stock Fund or the Crane Co. Stock Fund, or any successor fund.

C. **Administration of the Plan** The authority to manage, control and interpret the Plan is vested in the Administrative Committee (the "Committee") of the Company. The Committee, which is appointed by the Board of Directors of the Company, appoints the Plan Administrator and is the named fiduciary within the meaning of ERISA.

D. **Participation** Subject to certain conditions, U.S. employees of Crane Co. are eligible to participate in the Plan upon completing the enrollment process following their date of hire.

E. **Contributions and Funding Policy** Participants may elect to contribute to the Plan from one to twenty-five percent of their annual compensation. The contribution limit for highly compensated employees, those whose earnings equal or exceed \$90,000, is limited to seven percent. Participants who have attained age 50 before the close of the Plan Year will be eligible to make Catch-Up Contributions in accordance

Edgar Filing: CRANE CO /DE/ - Form 11-K

with, and subject to the limits of, Section 414(v) of the Code. Contributions are invested in funds selected by the participant. The Company contributes on a matching basis an amount equal to 50 percent, of up to the first six percent of each participant's deferred savings, which is invested in the Crane Co. Stock Fund. In accordance with the Code, participant pretax contributions could not exceed \$12,000 in 2003 and \$11,000 in 2002. Discrimination tests are performed annually; any test discrepancies would result in refunds to the participants.

F. Expenses Plan administrative expenses (except those associated with the Crane Co. Stock Fund and the Huttig Stock Fund) are paid by the Employer. In addition, personnel and facilities of the Employer used by the Plan for its accounting and other activities are provided at no charge to the Plan. Commission fees and administrative expenses incurred by the Crane Co. Stock Fund and the Huttig Stock Fund are paid by the respective funds through automatic unit deductions. Participant loan fees are paid by the participant through automatic deductions.

Table of Contents

G. Vesting Employee contributions are 100 percent vested. Vesting for employer contributions are as follows:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 1 year	None
1 year but fewer than 2	20%
2 years but fewer than 3	40%
3 years but fewer than 4	60%
4 years but fewer than 5	80%
5 years or more	100%

Participants whose employment terminates by reason of death, permanent disability or retirement are fully vested. Participants are fully vested upon the attainment of age sixty-five (65).

H. Distributions Upon retirement, disability, termination of employment or death, a participant or designated beneficiary will receive a lump sum payment equal to the participant's account balance. If the participant's account balance is greater than \$5,000, the participant may elect to defer the withdrawal until reaching the age of 65. A participant may apply to the Committee for a distribution in cases of hardship. The Committee has the sole discretion to approve or disapprove hardship withdrawal requests, in accordance with the Internal Revenue Code. Any part of a participant's unvested Company contribution at the time of termination of employment is forfeited and used to reduce future Company contributions.

I. Plan Termination The Company expects to continue the Plan indefinitely, but reserves the right to modify, suspend or terminate the Plan at any time, which includes the right to vary the amount of, or to terminate, the Company's contributions to the Plan. In the event of the Plan's termination or discontinuance of contributions thereunder, the interest of each participant in benefits earned to such date, to the extent then funded, is fully vested and non-forfeitable. Subject to the requirements of the Code, the Board of Directors shall thereupon direct either (i) The Prudential Trust Company (Trustee) to hold the accounts of participants in accordance with the provisions of the Plan without regard to such termination until all funds in such accounts have been distributed in accordance with such provisions, or (ii) the Trustee immediately distribute to each participant all amounts then credited to their account as a lump sum.

J. Tax Status The Internal Revenue Service has determined and informed the Company by letter dated November 14, 2003 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

K. Rollovers and Transfers from Other Plans Rollovers and transfers from other qualified plans are accepted by the Plan. Rollovers and transfers represent contributions of assets from other qualified plans of companies acquired by Crane Co. and participant account balances of new employees from other non-company qualified plans.

On December 30, 2003 the ELDEC Corporation and Interpoint Corporation Deferred Income Plan (ELDEC Plan) merged into the Plan. The total assets transferred were \$58,780,839. The funds existing in the ELDEC Plan were transferred to the comparable investment options of the Plan. The funds in both plans were the same with the exception of the following: the Mutual Qualified Fund CL I was transferred 50% to the Lord Abbett Mid Cap Value Fund and 50% to the MFS Mid-Cap Growth Fund A, and the AIM Balanced Fund CL A was transferred to the

American Balanced Fund.

L. Participant Loan Fund Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as transfers between the investment fund and the Loan Fund. Loan terms range from one to five years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prevailing prime lending rate on the first day of the Plan year plus two percent. Principal and interest are paid ratably through regular payroll deductions.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the significant accounting and reporting policies followed in preparation of the financial statements of the Plan.

A. Investment Valuation Investments in mutual funds are valued at the closing composite price published for the last business day of the year. The Wells Fargo Stable Value Fund A is a collective trust fund that is administered by Wells Fargo Bank, N.A. (the Bank). The value of this investment is based on the underlying unit value reported by the Bank. The Crane Co. Stock Fund and Huttig Stock Fund are valued at the quoted market price of the respective company's common stock. Participant loans are valued at cost, which approximates fair value.

Below are the investments whose fair value individually represented 5% or more of the Plan's net assets as of December 31, 2003 and December 31, 2002:

Table of Contents**B. Nonparticipant-Directed Investments**

A portion of the Crane Co. Stock Fund is considered a nonparticipant-directed investment for the Plan. Information about the net assets and the significant components of the changes in net assets relating to this investment are as follows:

	December 31,	
	2003	2002

C. Investment Transactions and Investment Income Investment transactions are accounted for on the date purchases or sales are executed. Dividend income is accounted for on the ex-dividend date. Interest income is recorded on the accrual basis as earned. Total income of each fund is allocated monthly to participants' accounts within the fund based on the participant's relative beginning balance. In accordance with Department of Labor requirements, realized and unrealized gains and losses are determined based on the fair market value of assets at the beginning of the plan year.

D. Distributions to Participants Benefit payments are recorded when paid.

E. Use of Estimates The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates. The Plan utilizes various investment instruments, including mutual funds and investment contracts. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

4. RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Prudential Financial. Prudential Financial is the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred for investment management services, if any, were paid by the Employer.

At December 31, 2003 and 2002, the Plan held 2,192,141 and 1,809,046 shares, respectively, of common stock of Crane Co., the sponsoring employer, with a cost basis of \$44,607,705 and \$32,249,760, respectively. During the periods ended December 31, 2003 and 2002, the Plan did not record any dividend income. During the years ended December 30, 2003 and 2002, the Plan recorded dividend income of \$752,761 and \$708,737, respectively, related to its investment in the common stock of Crane Co.
