Item 8.01 Other Events.

On November 30, 2004, Matrix Service Company (Matrix) issued a press release announcing that it has not received approval from all of its senior lending institutions on the amended structure for the \$20 million Term Note B. Therefore, the effective interest rate on December 1, 2004 will be 18% payable monthly commencing on December 31, 2004. Matrix is optimistic that the amended debt structure will be approved by the lending institutions prior to the December 31, 2004 interest payment on the existing senior credit facility. Matrix anticipates reducing the interest rate on the \$20 million Term Note B to 12.5% effective December 1, 2004 through March 31, 2005. During this 120-day period, Matrix will be working with its senior lenders to provide for a more permanent refinancing solution to the total senior credit facility.

The full text of the press release issued in connection with the announcement is attached as Exhibit 99.1 to this Current Report on Form 8-K. The information in this Current Report on Form 8-K, and the Exhibit attached hereto is being furnished pursuant to Item 8.01 Form 8-K and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
