**Item 2.02 Results of Operations and Financial Condition.**

Reference is made to the information contained in Item 4.02 of this Form 8-K.

**Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

On February 25, 2005, the Audit Committee of the Board of Directors of SBA Communications Corporation (the Company) concluded that the Company's previously issued financial statements for the fiscal years ended December 31, 2002 and 2003 and for the first three fiscal quarters of 2004 should no longer be relied upon as a result of certain errors contained therein. The Audit Committee reached this conclusion based on the Company's review, in consultation with its external auditors, of its method of accounting for certain types of ground leases in light of the February 7, 2005 SEC statement issued by the Staff of the Office of the Chief Accountant and consistent with other public companies in the tower and other industries, and the Company's determination to adjust its method of accounting for certain types of ground leases underlying its tower sites. Based on its review, the Company, in consultation with its external auditors, determined that the impact of the change in ground lease accounting will have a material effect on the Company's previously issued financial statements for the first three fiscal quarters of 2004, the fiscal years ended December 31, 2003 and 2002 as well as prior periods. The accounting adjustments will increase reported ground rent expense and reported depreciation expense. These adjustments are not anticipated to have any impact on revenue, cash flow from operations, compliance with any financial covenant or debt instrument, cash balances or the current economic value of the Company's leaseholds and its tower assets. The Company will amend the appropriate filings with the SEC to include restated financial statements for the fiscal years ended December 31, 2002 and 2003 and for the first three fiscal quarters of 2004.

The Company is unaware of any evidence that the restatement is due to any material noncompliance by the Company, as a result of misconduct, with any financial reporting requirement under the securities laws. The Audit Committee and the executive officers of the Company discussed with the Company's external auditors the matters disclosed pursuant to Item 4.02(a) of this Form 8-K.
