The Trust has no retirement or pension plan for its Trustees. None of the Trustees who is not an "interested person" of the Trust, and none of their respective immediate family members (spouse, child residing in household, and dependents), owns any security of AFC or any of its affiliates. The Trust does not have a compensation committee; such matters are considered by the Trust's Governance Committee.

5

The Trust's Fund Operations Committee is composed entirely of Trustees who are not interested persons of the Trust. Currently, Dr. Ott (Chairman), Mr. Condron, Ms. Davis, Ms. Hargadon, Mr. Holmes and Ms. Warner comprise the Committee. The Committee separately reviews and makes recommendations to the Trustees on a variety of matters, including the various contractual arrangements between the Trust and its investment adviser and transfer and shareholder servicing agent, proposals to continue or modify the terms of such agreements, and certain matters where there may be a possible conflict of interest between the interests of the Trust and AFC or its affiliates. During the fiscal year ended December 31, 2004, the Committee had two meetings relating to the Trust.

The Trust's Audit Committee is composed entirely of Trustees who are not interested persons of the Trust. Currently, Mr. Holmes (Chairman), Mr. Condron, Ms. Davis, Ms. Hargadon, Dr. Ott and Ms. Warner comprise the Committee. This Committee reviews and evaluates the audit function, including selecting the independent accountants for the Trust, reviewing all auditing procedures and arrangements and reviewing qualifications of key personnel performing audit work. During the fiscal year ended December 31, 2004, the Committee had five meetings.

The Trust's Investment Operations Committee is composed of six Trustees who are not interested persons of the Trust and two Trustees who are interested persons of the Trust. Currently, Mr. Kavanaugh (Chairman), Mr. Condron, Ms. Davis, Ms. Hargadon, Mr. Holmes, Dr. Ott, Mr. Parry and Ms. Warner serve on the Committee. The Committee monitors investment adviser performance and analyzes Fund data. During the fiscal year ended December 31, 2004, the Committee had five meetings relating to the Trust.

The Trust's Governance Committee is composed entirely of Trustees who are not interested persons of the Trust. Currently Ms. Warner (Chairman), Mr. Condron, Ms. Davis, Ms. Hargadon, Mr. Holmes, and Dr. Ott comprise the Committee. The Committee is charged with the duties of reviewing the composition and compensation of the Trustees, proposing additional non-interested Trustees for election to the Board and reviewing major personnel changes of the Trust. During the fiscal year ended December 31, 2004, the Committee had four meetings. As required by regulations promulgated by the SEC, a copy of the Governance Committee Charter was included as an appendix to the Trust's proxy statement for the annual meeting of shareholders held on April 21, 2004. The Trust currently does not make the Governance Committee Charter available to shareholders on its website.

When evaluating Trustee candidates, the Trust's Governance Committee takes into account a wide variety of factors including, but not limited to: (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board, (ii) relevant industry and related experience, (iii) educational background, (iv) financial expertise, (v) an assessment of the candidate's ability, judgment and expertise and (vi) reputation for ethical and honest dealings and behavior. The process of

Edgar Filing: ALLMERICA SECURITIES TRUST - Form DEF 14A

identifying nominees involves the consideration of candidates recommended by one or more of the following sources: (i) the Trust's current Trustees, (ii) the Trust's investment adviser, (iii) the Trust's shareholders and (iv) any other source the Committee deems to be appropriate. The Governance Committee may, but is not required to, retain an outside consulting firm at the Trust's expense to identify potential candidates.

The Governance Committee will review and consider nominees recommended by shareholders to serve as Trustee, provided that the recommending shareholder follows the procedures for submitting recommendations as set forth in Appendix I attached hereto. Among other requirements, these procedures provide that the

6

recommending shareholder must submit any recommendation in writing to the Trust, to the attention of the Trust's Secretary, at the address of the principal executive offices of the Trust and that such submission must be received at such offices not less than 45 days nor more than 75 days prior to the date of the Board or shareholder meeting at which the nominee would be elected. Any recommendation must include certain biographical and other information regarding the candidate and the recommending shareholder, and must include a written and signed consent of the candidate to be named as a nominee and to serve as a Trustee, if elected. The foregoing description of the requirements is only a summary. Please refer to Appendix I for details.

The Governance Committee has full discretion to reject nominees recommended by Shareholders, and there is no assurance that any such person properly recommended and considered by the Committee will be nominated for election to the Board of the Trust.

If any of the nominees for election as Trustees shall by reason of death or for any other reason become unavailable as a candidate at the Meeting, votes pursuant to the enclosed proxy will be cast for a substitute candidate in the discretion of the persons named as proxies therein, or their substitutes, present and acting at the Meeting, or the Trustees may reduce the size of the Board.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 and Section 30(h) of the 1940 Act require the Trust's Trustees and officers, its investment adviser and certain affiliated persons of the investment adviser and persons who own more than ten percent of the Trust's shares to file reports of initial ownership and changes in ownership with the Securities and Exchange Commission ("SEC") and the New York Stock Exchange ("NYSE"). These individuals are required by SEC regulations to furnish the Trust with copies of all Section 16(a) forms they file.

To the Trust's knowledge, based solely on review of the copies of such reports furnished to the Trust and written representations that no other reports were required, all Section 16(a) filing requirements applicable to its officers, Trustees, greater than ten percent beneficial owners and other persons subject to Section 16(a) reporting were complied with during the fiscal year ended December 31, 2004.

Recommended Shareholder Action and Required Vote

The Trustees recommend that the Shareholders vote for each nominee. A plurality of the votes properly cast in person or by proxy at the Meeting is required for the election of the Trustees.

Edgar Filing: ALLMERICA SECURITIES TRUST - Form DEF 14A

2. OTHER MATTERS AND DISCRETION OF PERSONS NAMED AS PROXIES

While the Meeting is called to act upon any business that may properly come before it, at the date of this Proxy Statement, the only business which management intends to present or knows that others will present is the business mentioned in the Notice of the Meeting. If any other matters lawfully come before the Meeting, and on all procedural matters at said Meeting, it is intended that the enclosed proxy shall be voted in accordance with the best judgment of the persons named as proxies therein, or their substitutes, present and acting at the Meeting. A proxy may confer discretionary authority to vote on matters brought before an annual meeting of shareholders if the Trust did not have notice of the matter at least 45 days before the date on which the Trust first mailed its proxy materials for the prior year's annual meeting of shareholders (or date specified by an advance notice provision).

7

Date for Receipt of Shareholder Proposals

No proposals were submitted by Shareholders for presentation at the Meeting. Shareholder proposals which are intended to be presented at the Annual Meeting in 2006 must be received at the principal executive offices of the Trust, 440 Lincoln Street, Worcester, MA 01653, on or before November 1, 2005, for inclusion in the proxy statement and proxy related to such meeting.

Quorum and Method of Tabulation

Thirty percent (30%) of the shares entitled to vote, present in person or represented by proxy, constitute a quorum for the transaction of business at the Meeting. Votes cast by proxy or in person at the Meeting will be counted by persons appointed by the Trust to act as tellers for the Meeting.

The tellers will count the total number of votes cast "for" approval of the proposals for purposes of determining whether sufficient affirmative votes have been cast. The tellers will count shares represented by proxies that withhold

Edgar Filing: ALLMERICA SECURITIES TRUST - Form DEF 14A

authority to vote for a nominee for election as a Trustee or that reflect abstentions or "broker nonvotes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have the discretionary voting power on a particular matter) as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. With respect to the election of Trustees, neither withholding authority to vote nor abstentions nor broker nonvotes have any effect on the outcome of the voting on the matter.

Independent Public Accountants

The following information describes the Trust's relationship with its independent public accountants, PricewaterhouseCoopers LLP ("PWC"), and certain fiscal year fees. The Audit Committee's Policy for Pre-Approval of Services Provided by Independent Auditors (the "Pre-Approval Policy") is attached as Appendix II.

8

Representatives from PWC are not expected to be present at the Trust's annual meeting of shareholders.

All fees disclosed above under the captions "Audit-Related Fees," "Tax Fees," and "All Other Fees" represent fees billed for services that were required to be pre-approved, and which were so pre-approved, by the registrant's Audit Committee in accordance with the Audit Committee's Policy for Pre-Approval of Services Provided by Independent Auditors.

For the last two fiscal years of the registrant, the independent accountants billed aggregate non-audit fees in the following amounts to the registrant and Opus Investment Management, Inc. ("Opus"), the Trust's investment adviser:

Edgar Filing: ALLMERICA SECURITIES TRUST - Form DEF 14A

2004 \$3,500
2003 \$3,300

The Trust's Audit Committee has determined that the provision by PWC of non-audit services that were rendered to OIM and that were not pre-approved by the Audit Committee were compatible with maintaining the independence of PWC.

The following table presents fees billed by the registrant's independent accountants for services required to be approved pursuant to paragraph (c) (7) (ii) of Rule 2-01 of Regulation S-X.

2. The Audit Committee and the independent accountants have discussed the matters regarding SAS 61 (Codification of Statements on Auditing Standards, AU 380) relating to the quality and consistency of accounting principles. This communication between the Audit Committee and the independent accountants will assist the Audit Committee in performing its oversight role in reviewing auditing procedures and evaluating the audit function as a whole.
3. The Audit Committee has received the written disclosures and the letter from the independent accountants required by the Independence Standards Board Standard No. 1, and has discussed with the independent accountants the independent accountants' independence.
4. The Audit Committee has recommended to the Board of Trustees of the Trust that the audited financial statements be included in the Trust's Annual Report to Shareholders for the last fiscal year.

Edgar Filing: ALLMERICA SECURITIES TRUST - Form DEF 14A

Audit Committee Charter

Federal securities regulations require the Board of Trustees of the Trust to adopt a written charter for the Audit Committee, which should be attached as an appendix to the Trust's Proxy Statement at least once every three years or in the next annual shareholders' meeting Proxy Statement after any significant amendment to the charter. A copy of the Audit Committee charter was included as an appendix to the Trust's proxy statement for the annual meeting of shareholders held on April 21, 2004.

Policy on Communication

The Board of Trustees of the Trust has adopted procedures by which Trust shareholders may send communications to the Board. Shareholders may mail written communications to the Board to the attention of the Board of Trustees, Allmerica Securities Trust, c/o Secretary, 440 Lincoln Street, Mail Stop N440, Worcester, MA 01653. Shareholder communications must (i) be in writing and be signed by the Shareholder and (ii) identify the class and number of shares held by the Shareholder. The Secretary of the Trust is responsible for reviewing properly submitted shareholder communications. The Secretary of the Trust may, in good faith, determine that a shareholder communication should not be provided to the Board because it does not reasonably relate to the Trust or its operations, management, activities, policies, service providers, Board, officers, Shareholders or other matters relating to an investment in the Trust or is otherwise ministerial in nature (such as a request for Trust

10

literature, share data or financial information). The procedures shall not apply to (i) any communication from an officer or Trustee of the Trust, (ii) any communication from an employee or agent of the Trust, unless such communication is made solely in such employee's or agent's capacity as a Shareholder, or (iii) any shareholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, or any communication made in connection with such a proposal. The Trust's process for Shareholders to send communications to the Board of Trustees is more fully described in its Policy Regarding the Ability of Shareholders to Communicate with the Board of Trustees, which is attached Appendix III. The Trust's Trustees are not required to attend the Trust's annual shareholder meetings or to otherwise make themselves available to shareholders for communications, other than by the aforementioned procedures. APPENDIX II

Policy for Pre-Approval of Services Provided by Independent Auditors

Edgar Filing: ALLMERICA SECURITIES TRUST - Form DEF 14A

1. At the beginning of each audit cycle (typically at the August Audit Committee meeting), certain types of recurring audit, audit related and other services are to be pre-approved including:
 - (a) the list of required audits and projects presented by the audit firm at the August meeting;
 - (b) any required audits that emerge during the year, attestation services, and other audit scope increases that were not known at the August report, where it is most appropriate, for either efficiency or effectiveness, that the service be performed by the independent auditors;
 - (c) consultation and advisory services related to accounting/reporting and risk management/control matters provided in the normal course of business, where it is most appropriate, for either efficiency or effectiveness, that the service be performed by the independent auditors; and
 - (d) assistance with SEC and other regulatory filings and tax services incurred in the normal course of business, including consulting on federal, state and foreign tax matters, including income taxes, franchise and similar taxes.

This pre-approval will occur concurrently with the approval of the annual audit fees and will apply to all individual projects meeting the above criteria and which are expected to result in total fees less than \$400,000. For individual projects outside the scope of the fiscal year audits and tax return filings expected to be \$25,000 or greater, specific pre-approval will be necessary.

2. Pre-approvals for all other services will occur if and when the need for any such services arises. This pre-approval will be initiated by management and will be requested from the Chairman or, in the event the Chairman is unavailable, any other member of the Audit Committee.

Any services approved by the Chairman, or other Audit Committee member, at any time other than during an Audit Committee meeting will be reported to the full Audit Committee at the next regularly scheduled meeting.

3. De minimis expenses allowed under Section 202 of the Act will not require pre-approval.

At each regularly scheduled meeting of the Audit Committee, the Trusts' Treasurer will report on any such projects begun during the period since the last such report, and on any fees incurred on existing projects during this same intervening period.

Procedure for Sending Communications

1. Shareholders should mail communications to the Board of Trustees to: Board of Trustees, [insert name of Trust], c/o Secretary, 440 Lincoln Street, Mail Stop N440, Worcester, MA 01653.
2. A shareholder communication must (i) be in writing and be signed by the shareholder, (ii) identify the Trust or series thereof to which it relates and (iii) identify the class and number of shares held by the shareholder.
3. These Procedures shall not apply to (i) any communication from an officer or Trustee of the Trust, (ii) any communication from an employee or agent of the Trust, unless such communication is made solely in such employee's or agent's capacity as a shareholder, or (iii) any shareholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, or any communication made in connection with such a proposal.
4. The Trustees are not required to attend the Trust's annual shareholder meetings (with respect to Allmerica Securities Trust) or to otherwise make themselves available to shareholders for communications, other than pursuant to these Procedures.
5. The Secretary of the Trust may, in good faith, determine that a shareholder communication should not be provided to the Board because it does not reasonably relate to the Trust or its operations, management, activities, policies, service providers, Board, officers, shareholders or other matters relating to an investment in the Trust or is otherwise ministerial in nature (such as a request for Trust literature, share data or financial information).

* For purposes of this policy, shareholders of Allmerica Investment Trust mean contractholders and policyholders of variable insurance products that use the Funds of the Trust as an investment vehicle.
