On July 28, 2005, the Board of Directors of Key Tronic Corporation ( Company ), upon the recommendation of its Compensation Committee, established the performance goal and target payment percentages for each participant in the Incentive Compensation Plan for the Company s fiscal year 2006.

A minimum Company profit goal must be achieved in order for any payments to be made to participants in the Plan. Payments under the Plan for fiscal year 2006 will be based on three profit goal performance levels established by the Board: entry level, expected value level and overachievement level. Payments under the Plan will be a percentage of the participant s base salary paid during fiscal year 2006.

The following executive officers of the Company are among the participants in the Plan: Jack W. Oehlke, President & CEO; Craig D. Gates, Executive Vice President & General Manager; Ronald F. Klawitter, Executive Vice President of Administration, CFO and Treasurer; Efrén R. Perez, Vice President of Southwest Operations; and Michael D. Chard, Vice President of Materials. Under the Plan the potential payment percentages established by the Board for fiscal year 2006 for the President & CEO range from 5% of base salary paid during fiscal year 2006 if entry level performance is achieved to 75% if overachievement level performance is achieved. The potential payment percentages established by the Board for fiscal year 2006 for each of the two Executive Vice Presidents range from 4% of base salary paid during fiscal year 2006 if entry level performance is achieved to 60% if overachievement level performance is achieved. For each of the two Vice Presidents, the potential payment percentages established by the Board for fiscal year 2006 range from 3.5% of base salary if entry level performance is achieved to 52.5% if overachievement level performance is attained. Payment percentages will be interpolated for actual performance levels achieved between entry level and expected value level and between expected value level and overachievement level.

Payments under the Plan will be made as soon as administratively possible after the end of fiscal year 2006. A participant must be an active employee of the Company at the time payments are made under the Plan in order to receive a payment.
