PROXY STATEMENT

General

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of ScanSource, Inc. (the Company) to be used in voting at the Annual Meeting of Shareholders of the Company to be held at the Hyatt Hotel, 220 North Main Street, Greenville, South Carolina, on Thursday, December 1, 2005, at 10:00 a.m., and at any adjournments thereof (the Annual Meeting). This Proxy Statement and the accompanying notice and form of proxy are being mailed to shareholders commencing on or about October 26, 2005.

Any shareholder who executes the form of proxy referred to in this Proxy Statement may revoke it at any time before it is exercised. The proxy may be revoked by giving written notice to the Secretary of the Company of such revocation, by executing and delivering to the Secretary of the Company a proxy bearing a later date, or by attending the Annual Meeting and voting in person. Whether or not you plan to attend, you are urged to sign and return the enclosed proxy.

The cost of preparing, assembling and mailing this Proxy Statement and the form of proxy will be borne by the Company. Directors, officers and employees of the Company may also solicit proxies personally or by mail, telephone or facsimile. No compensation will be paid for such solicitations. The Company has also hired Georgeson Shareholder Communications, Inc. to assist in the distribution of proxy materials and the solicitation of votes and expects to pay a fee of approximately \$13,000 plus expenses for these services. In addition, the Company will bear the reasonable expenses of brokerage houses and other custodians, nominees and fiduciaries who, at the request of the Company, may send proxies and proxy solicitation material to their clients and principals.

Voting Securities Outstanding

The Board of Directors has fixed the close of business on October 17, 2005 as the record date and time for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting and at any adjournments thereof. As of such date, 12,675,362 shares of the Company's no par value common stock (the Common Stock) were outstanding. All of such shares are eligible to be voted on each matter currently scheduled to come before the Annual Meeting, and no other outstanding shares of capital stock of the Company are eligible to be voted at the Annual Meeting. Cumulative voting for the election of directors is not available under the Company's Articles of Incorporation. Consequently, each eligible share of Common Stock is entitled to one vote on each matter to be voted upon at the Annual Meeting. The election of directors will be by plurality vote as indicated below. For each other matter specified in this Proxy Statement to be submitted for shareholder approval at the Annual Meeting, the affirmative vote of a majority of the shares of Common Stock present at the Annual Meeting in person or by proxy and entitled to vote on such matter is required for approval. Abstentions will be considered shares present in person or by proxy and entitled to vote and therefore will have the effect of a vote against any matter requiring the affirmative vote of a majority of the shares present and entitled to vote at the Annual Meeting. Broker non-votes will be considered shares present but not entitled to vote and therefore will have no effect on the outcome of the vote on such matters. A broker non-vote occurs when a broker or other nominee holding shares of Common Stock for a beneficial owner does not vote on a particular proposal because the broker or other nominee does not have discretionary voting power with respect to that matter and has not received voting instructions from the beneficial owner.

The Bylaws of the Company provide that the presence in person or by proxy of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a

quorum at the Annual Meeting and at any adjournments thereof. Directions to withhold authority to vote for directors, abstentions and broker non-votes will be counted for purposes of determining if a quorum is present at the Annual Meeting. If a quorum is not present or represented at the Annual Meeting, the chairman of the meeting or the shareholders holding a majority of the shares of Common Stock entitled to vote, present in person or represented by proxy, have the power to adjourn the meeting from time to time without notice, other than an announcement at the meeting, until a quorum is present or represented. Directors, officers and employees of the Company may solicit proxies for the reconvened meeting in person or by mail, telephone or telegram. At any such reconvened meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the meeting as originally scheduled.

PROPOSAL ONE

ELECTION OF DIRECTORS

Six directors are to be elected at the Annual Meeting. Pursuant to the authority granted to it by the Company's Bylaws, the Board of Directors has set the size of the Board of Directors at six members.

The Board of Directors has recommended each of the six existing members of the Board of Directors as the six nominees for election as directors at the Annual Meeting to serve until the next annual meeting of shareholders or until their respective successors shall have been elected and qualified. The following are the Company's nominees for election as directors at the Annual Meeting: Michael L. Baur, Steven R. Fischer, James G. Foody, Michael J. Grainger, Steven H. Owings and John P. Reilly.

In accordance with the Bylaws of the Company, those nominees receiving the greatest number of votes cast (although not necessarily a majority of the votes cast) will be elected to the Board of Directors. Abstentions and shares held in street name that are not voted in the election of directors (i.e., broker non-votes) will not be included in determining the number of votes cast in the election of directors. The proxies solicited for the Annual Meeting cannot be voted for a greater number of persons than six, the number of nominees named. Cumulative voting in the election of directors is not permitted by the Company's Articles of Incorporation. If any nominee shall become unavailable for any reason, the persons named in the form of proxy shall vote for a substitute nominee or vote to reduce the number of directors to be elected as directed by the Board of Directors. The Board of Directors has no reason to believe that any of the six nominees listed above will not be available for election as a director.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEES SET FORTH ABOVE. THE PERSONS NAMED IN THE FORM OF PROXY WILL VOTE THE PROXY AS SPECIFIED. IF NO SPECIFICATION IS MADE, THE PROXY WILL BE VOTED FOR THE ELECTION OF THE NOMINEES SET FORTH ABOVE.

PROPOSAL TWO

AMENDMENT OF 2002 LONG-TERM INCENTIVE PLAN

As of October 12, 2005, the Board of Directors approved an amendment (the Amendment), subject to shareholder approval at the Annual Meeting, to the ScanSource, Inc. 2002 Long-Term Incentive Plan (the 2002 Plan). The Amendment increases the number of shares of Common Stock that may be issued under the Stock Plan from 400,000 to 800,000 shares. The Board of Directors approved the Amendment to be effective

Edgar Filing: SCANSOURCE INC - Form DEF 14A

as of the date it is approved by the shareholders. The approval of the Amendment requires the affirmative vote of holders of a majority of the shares of Common Stock present or represented by properly executed and delivered proxies and entitled to vote at the Annual Meeting. If the Amendment is not approved by the shareholders, the 2002 Plan will remain in effect without the Amendment.

The Board previously reserved 400,000 shares of the Company's Common Stock for issuance upon the grant or exercise of awards pursuant to the 2002 Plan. As of October 18, 2005, there were approximately 886 employees and officers eligible to participate in the 2002 Plan, and there were approximately 391,033 shares of the Company's Common Stock subject to outstanding awards and approximately 8,697 shares of the Company's Common Stock reserved and available for future awards under the 2002 Plan.

A summary of the 2002 Plan is set forth below. The summary is qualified in its entirety by reference to the full text of the 2002 Plan. The Company will provide promptly, upon request and without charge, a copy of the full text of the 2002 Plan to each shareholder to whom a copy of this Proxy Statement is delivered. Requests should be directed to Richard Cleys, Chief Financial Officer, ScanSource, Inc., 6 Logue Court, Greenville, South Carolina, 29615 (803) 288-2432.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE AMENDMENT TO THE 2002 LONG-TERM INCENTIVE PLAN. THE PERSONS NAMED IN THE FORM OF PROXY WILL VOTE THE PROXY AS SPECIFIED. IF NO SPECIFICATION IS MADE, THE PROXY WILL BE VOTED FOR THE APPROVAL OF THE AMENDMENT TO THE 2002 LONG-TERM INCENTIVE PLAN.

Summary of the 2002 Plan

Purpose. The purpose of the 2002 Plan is to promote the Company's success by linking the personal interests of its employees, officers, consultants and advisors to those of its shareholders, and by providing participants with an incentive for outstanding performance.

Permissible Awards. The 2002 Plan authorizes the granting of awards in any of the following forms:

options to purchase shares of Common Stock,

stock appreciation rights,

restricted stock,

performance award payable in stock or cash,

dividend equivalents, and

other stock-based awards.

Limitations on Awards. No more than 20% of the shares authorized under the 2002 Plan may be granted as awards of restricted or unrestricted stock or performance shares. Any awards of restricted stock and performance shares that exceed 10% of the shares authorized under the 2002 Plan will either be subject to a minimum vesting period of three years, or one year if the vesting is based on performance criteria other than continued employment, or be granted only in exchange for foregone salary, bonus or other compensation. Any awards of unrestricted stock that, together with awards of restricted stock or performance shares, exceed 10% of the shares authorized under the 2002 Plan, may be granted only in

Edgar Filing: SCANSOURCE INC - Form DEF 14A

exchange for foregone salary, bonus or other compensation. The maximum number of shares of Common Stock with respect to one or more options or stock appreciation rights that may be granted during any one calendar year under the 2002 Plan to any one person is 50,000. The maximum fair market value of any awards (other than options or stock appreciation rights) that may be received by a participant (less any consideration paid by the participant for such award) during any one calendar year under the 2002 Plan is \$3,000,000.

Administration. The 2002 Plan is administered by the Compensation Committee of the Board of Directors. The Compensation Committee has the authority to designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the 2002 Plan; and make all other decisions and

determinations that may be required under the 2002 Plan. The Board of Directors may at any time administer the 2002 Plan. If it does so, it will have all the powers of the Compensation Committee.

Stock Options. The Compensation Committee is authorized to grant incentive stock options or non-qualified stock options under the 2002 Plan. The terms of an incentive stock option must meet the requirements of Section 422 of the Internal Revenue Code of 1986, as amended (the Code). The exercise price of an option may not be less than the fair market value of the underlying stock on the date of grant and no option may have a term of more than 10 years.

Stock Appreciation Rights. The Compensation Committee may also grant stock appreciation rights (SARs). These provide the holder the right to receive the excess, if any, of the fair market value of one share of Common Stock on the date of exercise, over the base price of the stock appreciation right as determined by the Compensation Committee, which will not be less than the fair market value of one share of Common Stock on the grant date.

Restricted Stock Awards. The Compensation Committee may make awards of restricted stock to participants, which will be subject to such restrictions on transferability and other restrictions as the Compensation Committee may impose (including, without limitation, limitations on the right to vote restricted stock or the right to receive dividends, if any, on the restricted stock).

Performance Awards. The Compensation Committee may grant performance awards that are designated in cash (performance units) or in shares of Common Stock (performance shares). The Compensation Committee will have the complete discretion to determine the number of performance awards granted to any participant and to set performance goals and other terms or conditions to payment of the performance awards in its discretion which, depending on the extent to which they are met, will determine the number and value of performance awards that will be paid to the participant.

Dividend Equivalents. The Compensation Committee is authorized to grant dividend equivalents to participants subject to such terms and conditions as may be selected by the Compensation Committee. Dividend equivalents entitle the participant to receive payments equal to dividends with respect to all or a portion of the shares of Common Stock subject to an award, as determined by the Compensation Committee.

Other Stock-Based Awards. The Compensation Committee may, subject to limitations under applicable law, grant to participants such other awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of Common Stock as deemed by the Compensation Committee to be consistent with the purposes of the 2002 Plan, including, without limitation, shares of Common Stock awarded purely as a bonus and not subject to any restrictions or conditions, convertible or exchangeable debt securities, other rights convertible or exchangeable into shares of Common Stock, and awards valued by reference to book value of shares of Common Stock or the value of securities of or the performance of specified parents or subsidiaries. The Compensation Committee will determine the terms and conditions of any such awards.

Performance Goals. Options and SARs granted under the 2002 Plan will automatically qualify as performance-based awards that are fully deductible by the Company without regard to the \$1 million deduction limit imposed by §162(m) of the Code. The Compensation Committee may designate any other award under the 2002 Plan (such as, for example, a cash incentive bonus or restricted stock award) as a qualified performance-based award in order to make the award fully deductible under Code §162(m). If an award is so designated, the Compensation Committee must establish objectively determinable performance goals for the award based on one or more of the following performance criteria, which may be expressed in terms of Company-wide objectives or in terms of objectives that relate to the performance of a division, affiliate, department or function within the Company or an affiliate:

earnings per share,

EBITDA (earnings before interest, taxes, depreciation and amortization),

EBIT (earnings before interest and taxes),

economic profit,

cash flow,

sales growth,

net profit before tax,

gross profit,

operating income or profit,

return on equity,

return on assets,

return on capital,

changes in working capital, or

shareholder return.

For a qualified performance-based award, the Compensation Committee must establish such goals prior to the beginning of the period for which such performance goal relates (or such later date as may be permitted under applicable tax regulations) and the Compensation Committee may not increase any award or, except in the case of certain qualified terminations of employment, waive the achievement of any specified goal. Any payment of an award granted with performance goals will be conditioned on the written certification of the Compensation Committee in each case that the performance goals and any other material conditions were satisfied.

Limitations on Transfer; Beneficiaries. No award will be assignable or transferable by a participant other than by will or the laws of descent and distribution or, except in the case of an incentive stock option, pursuant to a qualified domestic relations order; provided, however, that the Compensation Committee may (but need not) permit other transfers where the Compensation Committee concludes that such transferability does not result in accelerated taxation, does not cause any option intended to be an incentive stock option to fail to qualify as such, and is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, any state or federal tax or securities laws or regulations applicable to transferable awards. A participant may, in the manner determined by the Compensation Committee, designate a beneficiary to exercise the rights of the participant and to receive any distribution with respect to any award upon the participant's death.

Acceleration Upon Certain Events. Unless otherwise provided in an award certificate, if a participant dies, retires or becomes disabled at any time, or if a participant is terminated without cause or resigns for good reason (as such terms are defined in the 2002 Plan) within 12 months after a change in control of the Company (as defined in the 2002 Plan), all of such participant's outstanding options and SARs will become fully vested and exercisable and all restrictions on his or her outstanding restricted stock awards will lapse. In each of the above cases except retirement, the Compensation Committee also may (but need not) waive the achievement of performance goals under the participant's Code

Edgar Filing: SCANSOURCE INC - Form DEF 14A

§162(m) performance-based awards. In addition, the Compensation Committee may in its discretion accelerate awards upon the occurrence of a change in control or upon any other termination of employment. The Compensation Committee may accelerate awards for any other reason, unless the aggregate number of shares with respect to which such acceleration occurs exceeds 5% of the total number of shares authorized for issuance under the 2002 Plan. The Compensation Committee may discriminate among participants or among awards in exercising such discretion.

Adjustments. In the event of a stock split, a dividend payable in shares of Common Stock, or a combination or consolidation of the Common Stock into a lesser number of shares, the share authorization limits under the 2002 Plan will automatically be adjusted proportionately, and the shares then subject to each award will automatically be adjusted proportionately without any change in the aggregate purchase price for such award. If the Company is involved in another corporate transaction or event that affects the Common Stock, such as an extraordinary cash

dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares, the share authorization limits under the 2002 Plan will be adjusted proportionately, and the Compensation Committee may adjust outstanding awards to preserve the benefits or potential benefits of the awards.

Termination and Amendment

The Board of Directors or the Compensation Committee may, at any time and from time to time, terminate or amend the 2002 Plan without shareholder approval; but if an amendment to the 2002 Plan would, in the reasonable opinion of the Board or the Compensation Committee, materially increase the benefits accruing to participants, materially increase the number of shares of stock issuable under the 2002 Plan, materially modify the requirements for eligibility, or otherwise constitute a material amendment requiring shareholder approval under applicable laws, policies or regulations, then such amendment will be subject to shareholder approval. In addition, the Board or the Compensation Committee may condition any amendment on the approval of the shareholders for any other reason, including necessity or advisability under tax, securities or other applicable laws, policies or regulations. No termination or amendment of the 2002 Plan may adversely affect any award previously granted under the 2002 Plan without the written consent of the participant. The Compensation Committee may amend or terminate outstanding awards. However, such amendments may require the consent of the participant and, unless approved by the shareholders or otherwise permitted by the antidilution provisions of the 2002 Plan, the exercise price of an outstanding option may not be reduced, directly or indirectly, and the original term of an option may not be extended.

Certain Federal Tax Effects

Nonqualified Stock Options. There will be no federal income tax consequences to the optionee or to the Company upon the grant of a nonqualified stock option under the 2002 Plan. When the optionee exercises a nonqualified option, however, he or she will recognize ordinary income in an amount equal to the excess of the fair market value of the Common Stock received upon exercise of the option at the time of exercise over the exercise price, and the Company will be allowed a corresponding deduction. Any gain that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the shares were held.

Incentive Stock Options. There typically will be no federal income tax consequences to the optionee or to the Company upon the grant or exercise of an incentive stock option. If the optionee holds the option shares for the required holding period of at least two years after the date the option was granted or one year after exercise, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss, and the Company will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, he or she will recognize taxable ordinary income in an amount equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price, and the Company will be allowed a federal income tax deduction equal to such amount. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be an item of adjustment for purposes of determining the optionee's alternative minimum taxable income.

Stock Appreciation Rights. A participant receiving a SAR will not recognize income, and the Company will not be allowed a tax deduction, at the time the award is granted. When the participant exercises the SAR, the amount of cash and the fair market value of any shares of Common Stock received will be ordinary income to the participant and the Company will be allowed as a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code §162(m).

Restricted Stock. Unless a participant makes an election to accelerate recognition of the income to the date of grant as described below, the participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a restricted stock award is granted. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the Common Stock as of that date

(less any amount

he or she paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code §162(m). If the participant files an election under Code §83(b) within 30 days after the date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code §162(m). Any future appreciation in the stock will be taxable to the participant at capital gains rates. However, if the stock is later forfeited, the participant will not be able to recover the tax previously paid pursuant to the Code §83(b) election.

Performance Awards. A participant generally will not recognize income, and the Company will not be allowed a tax deduction, at the time performance awards are granted, so long as the awards are subject to a substantial risk of forfeiture. When the participant receives or has the right to receive payment of cash or shares under the performance award, the cash amount of the fair market value of the shares of stock will be ordinary income to the participant, and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code §162(m).

Benefits to Named Executive Officers and Others

The table below reflects awards granted under the 2002 Plan during the fiscal year ended June 30, 2005 to the persons and groups shown in the table below. Any future awards under the 2002 Plan will be made at the discretion of the Board of Directors or the Compensation Committee, as the case may be. Consequently, we cannot determine, with respect to (1) our executive officers, (2) all current executive officers as a group, (3) all non-executive directors, as a group, or (4) all eligible participants, including all current officers who are not executive officers, as a group, either the benefits or amounts that will be received in the future by such persons or groups pursuant to the 2002 Plan.

PROPOSAL THREE
RATIFICATION OF APPOINTMENT OF AUDITORS

The Audit Committee has appointed the firm of Ernst & Young LLP, certified public accountants, as independent auditors to make an examination of the accounts of the Company for the fiscal year ending June 30, 2006, which appointment has been ratified by the Board of Directors. See the Audit Committee Report below for more information. If the shareholders do not ratify this appointment, other certified public accountants will be considered by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO APPROVE THE APPOINTMENT OF ERNST & YOUNG LLP. THE PERSONS NAMED IN THE FORM OF PROXY WILL VOTE THE PROXY AS SPECIFIED. IF NO SPECIFICATION IS MADE, THE PROXY WILL BE VOTED FOR THE APPROVAL OF THE APPOINTMENT OF ERNST & YOUNG LLP.

A representative of Ernst & Young LLP is expected to be in attendance at the Annual Meeting and will have the opportunity to make a statement and be available to respond to appropriate questions.

Principal Accountant Fees and Services

As reflected in the table below, the Company incurred fees in fiscal 2004 and 2005 for services performed by Ernst & Young LLP related to such periods.

	Year Ended June 30, 2004	Year Ended June 30, 2005
	<u> </u>	<u> </u>
Audit Fees	\$ 305,002	\$ 805,653
Audit-Related Fees	19,163	18,000
Tax Fees	432,763	53,662
All Other Fees	59,700	31,134
Total Fees	\$ 816,628	\$ 908,449

In the above table, in accordance with applicable SEC rules:

audit fees are fees billed by the independent auditors for professional services for the audit of the consolidated financial statements included in the Company's Form 10-K, the audit of internal controls over financial reporting and review of financial statements included in the Company's Form 10-Qs, and for services that are normally provided by the auditors in connection with statutory and regulatory filings or engagements;

Edgar Filing: SCANSOURCE INC - Form DEF 14A

audit-related fees are fees for services performed during the respective years by the independent auditors for audits of the Company's employee benefit plan and services related to the Company's documentation of internal controls under Section 404 of the Sarbanes Oxley Act in 2004;

tax fees are fees for services performed during the respective years by the independent auditors for professional services related to certain foreign tax compliance, tax advice, and tax planning; and

all other fees are fees for services performed by the independent auditors to the Company for any services not included in the first three categories above, and primarily consist of fees related to assistance with a compensation plan for a subsidiary in 2005 and assistance in the documentation of internal controls for the Company's foreign subsidiaries in 2004.

Audit Committee's Pre-approval Policies and Procedures

It is the policy of the Audit Committee to pre-approve all audit and permitted non-audit services proposed to be performed by the Company's independent auditor, including pre-approval of tax services within budgeted quarterly amounts. The process for such pre-approval is typically as follows: Audit Committee pre-approval is sought at one of the committee's regularly scheduled meetings following the presentation of information at such meeting detailing the particular services proposed to be performed. The authority to pre-approve non-audit services may be delegated by the Audit Committee to one or more members of the Committee, who shall present any decision to pre-approve an activity to the full Committee at the first meeting following such decision. None of the services described above were approved by the Audit Committee pursuant to the exception provided by Rule 2-01(c)(7)(i)(C) under Regulation S-X.

The Audit Committee has reviewed the non-audit services provided by Ernst & Young LLP and has determined that the provision of such services is compatible with maintaining Ernst & Young LLP's independence. The Company had obtained certain tax related services from Ernst & Young LLP until July 1, 2004. Included in the Tax Fees total for fiscal 2004 in the table above is \$249,762 for those services. The Company began performing those services internally in fiscal 2005.

OTHER BUSINESS

The Board of Directors of the Company knows of no other matter to come before the Annual Meeting. However, if any matter requiring a vote of the shareholders should be duly presented for a vote, then the persons named in the enclosed form of proxy intend to vote such proxy in accordance with their best judgment.

PROPOSALS FOR 2006 ANNUAL MEETING

Shareholder proposals intended to be presented at the 2006 Annual Meeting of Shareholders must be received by the Company by June 28, 2006 for possible inclusion in the proxy material relating to such meeting, in accordance with the SEC's Rule 14a-8. Any proposal received after this date will be considered untimely and may be excluded from the proxy material.

The deadline for shareholders to provide written notice of intent to make nominations for the election of directors at the 2006 Annual Meeting of Shareholders (but not for inclusion in the proxy material relating to such meeting) will be 90 days prior to the date of the meeting. Such notice must also otherwise conform to the requirements of the Company's Bylaws. For any other shareholder proposal intended to be presented at the 2006 Annual Meeting of Shareholders received by the Company after September 11, 2006, the persons named in the proxy for such meeting may exercise their discretionary voting power with respect to such proposal.

MANAGEMENT

Directors and Executive Officers of the Registrant

The following sets forth certain information regarding the Company's executive officers and directors:

Steven H. ScanSource, Inc. 1997 Stock Option Plan for Paige Rosamond. The ScanSource, Inc. 1997 Stock Option Plan for Paige Rosamond was created pursuant to the terms of a Stock Option Agreement dated March 19, 1997 between the Company and Paige Rosamond. Pursuant to the agreement, Paige Rosamond was granted 2,000 options to purchase shares of the Company's Common Stock at a purchase price of \$7.00 per share, the fair market value on the date of grant (of which, 1,334 remained outstanding at June 30, 2005). The options vested in three equal annual installments on the anniversary of the grant date. Any options not exercised on or before the tenth anniversary of the date of grant will terminate.

Employment, Severance and Change in Control Agreements

Each of the Named Executive Officers has entered into an employment agreement with the Company. Each of Mr. Baur's, Mr. Owings' and Mr. Cleys' employment agreement is effective for a term ending on June 30, 2008 (April 30, 2008 in the case of Mr. Owings), unless a change in control occurs, in which case the employment agreement will be effective until the later of June 30, 2008 or the first anniversary of the change in control. Mr. McLain's and Mr. Bryson's employment agreements are effective for a term ending on December 31, 2005 and June 30, 2006, respectively.

Each executive is entitled to an annual base salary, subject to yearly review, plus an annual incentive bonus opportunity, which, in the case of Messrs. Baur, Bryson, McLain and Owings, is determined annually based on a

measurement of return on invested capital and operating income, and in the case of Mr. Cleys, is determined based on attainment of management objectives. Each executive is entitled to participate in all incentive, savings, retirement and welfare benefit plans made generally available to executive officers of the Company. In addition, Mr. Owings and Mr. Baur shall also be entitled to participate in all deferred compensation plans made available to senior executives generally, and shall be entitled to participate in one or more supplemental executive retirement plans or policies that may be established by the Company. The current annual salaries of these executive officers are as follows: Mr. Baur \$700,000; Mr. Owings \$300,000; Mr. Cleys \$250,000; Mr. Bryson \$185,000; and Mr. McLain \$160,000.

Each of Messrs. Baur, Owings, Cleys, Bryson and McLain has agreed in his employment agreement not to disclose or use confidential information or to compete with the Company, and not to solicit the Company's customers or recruit its employees, for a period of two years following the termination of his employment with respect to Mr. Baur, Mr. Owings, Mr. Cleys, and Mr. Bryson and for a period of one year with respect to Mr. McLain.

Each of these employment agreements may be terminated by the Company at any time for cause (as defined therein) or for no reason, or by the executive with or without good reason (as defined therein, which includes termination by the executive for certain reasons during the 60-day period beginning on the six-month anniversary of a change in control). The agreement will also be terminated upon the death, disability or retirement of the executive. Depending on the reason for the termination and when it occurs, the executive will be entitled to certain severance benefits, as described below.

If the executive's employment is terminated by the Company without cause or if he resigns for good reason and the executive signs a release, the Company will be required to pay him his accrued salary, a pro rata annual bonus, and other accrued benefits through the date of termination. In addition, the Company will be required to pay the executive a severance amount equal to the executive's highest combined base salary and annual bonus in the last three full fiscal years, multiplied by an applicable severance multiple. The severance multiple with respect to Mr. Baur, Mr. Owings and Mr. Cleys is the greater of (a) one, (b) the number of full months then remaining until June 30, 2008 (April 30, 2008 in the case of Mr. Owings), divided by 12, and (c) two (in the case of Mr. Cleys) or three (in the case of Mr. Baur and Mr. Owings), if the employment termination occurs within 12 months after or otherwise in contemplation of a change in control. The severance multiple for Mr. McLain is the number of days remaining between the date of termination and December 31, 2005, divided by 365. In addition, if Mr. Baur's employment is terminated by the Company without cause or if he resigns for good reason, he and his dependents will receive continued medical, dental and prescription drug benefits until Mr. Baur reaches age 65, and then will receive MediGap coverage, to the extent available, until Mr. Baur reaches the age of 80.

With respect to Mr. Bryson, if: (1) Mr. Bryson's employment is terminated by the Company other than for cause or disability during the period of his employment agreement, (2) Mr. Bryson terminates his employment for good reason during the period of his employment agreement, (3) Mr. Bryson's employment is terminated by the Company other than for cause or disability within 60 days of June 30, 2006, or (4) Mr. Bryson's employment is terminated within 12 months after, or otherwise in contemplation of, a change in control of the Company, and not for cause or disability, then he will receive a severance package which includes, among other things, a lump sum payment in cash of the sum of his salary earned through the date of termination (to the extent not already paid) and unpaid incentive compensation earned to the date of termination, plus an amount equal to the highest combined annual salary and incentive compensation earned by Mr. Bryson from the Company, including any such amounts earned but deferred, in the last three calendar years prior to the date of termination. Mr. Bryson's receipt of these benefits will be subject to his execution of a release of claims in the form customarily used by the Company upon termination of the employment of a senior executive officer.

If the employment of the executive is terminated by reason of his death, disability or retirement, or if the employment period is allowed to expire without early termination, the executive will be entitled to his accrued salary, pro rata annual bonus and benefits through the date of termination and any death, disability or retirement benefits that may apply, but no additional severance amount. If the Company terminates the executive for cause,

or if he resigns from the Company without good reason, he will be entitled to his accrued salary and benefits through the date of termination, but no additional severance amount. If Mr. Baur's employment is terminated by reason of his disability or retirement, he and his dependents will receive continued medical, dental and prescription drug benefits until Mr. Baur reaches age 65, and then will receive MediGap coverage, to the extent available, until Mr. Baur reaches the age of 80. If Mr. Baur's employment is terminated by reason of his death, his dependents will receive continued medical, dental and prescription drug benefits until Mr. Baur would have reached age 65. In addition, if Mr. Baur's employment is terminated by reason of his disability, the Company has agreed that Mr. Baur will receive an annual payment of \$60,000 until Mr. Baur is no longer considered disabled or until he attains age 65. Such benefit may be funded, at the election of the Company, through an individual long-term disability policy or by the Company directly.

Pursuant to his Amended and Restated Employment Agreement, Mr. Owings, rather than devoting all his business time to the Company, will devote up to 30 hours per week, and his base pay was decreased from \$400,000 to \$300,000 as noted above. The amounts payable to Mr. Owings under his incentive bonus program were also reduced by 25%. If Mr. Owings ceases to serve as Chairman of the Board of Directors, he and his dependents will receive medical, dental and prescription drug benefits until Mr. Owings reaches the age of 65, and Mr. Owings and his dependents will receive MediGap coverage, to the extent available, until Mr. Owings reaches the age of 80, which shall consist of ongoing coverage under policies that cover medical expenses for Mr. Owings and his dependents in excess of that covered by Medicare, subject to certain limitations. In certain circumstances, in the event Mr. Owings ceases to serve as Chairman of the Board due to his death, such benefits shall continue with respect to Mr. Owings's spouse and children for specified periods. Such benefits shall also continue in the event Mr. Owings's employment is terminated by reason of disability during the employment period and upon his retirement.

Compensation of Directors

Directors who are not employees of the Company are paid an annual retainer of \$25,000. An additional annual retainer of \$25,000 is paid, as applicable, to a non-executive Chairman (or Acting Chairman) of the Board of Directors. Additional annual retainers of \$2,000 are paid to the chairmen of the Audit Committee, Compensation Committee, Nominating Committee and Governance Committee. Annual service for this purpose relates to the approximate 12-month periods between annual meetings of the Company's shareholders. Non-employee directors also receive meeting fees of \$1,500 for each board meeting attended; \$2,000 for each Audit Committee meeting attended; \$1,000 for each stand-alone committee meeting attended, and \$500 for each committee meeting attended where such committee meeting is held at the same time as a board meeting or other committee meeting.

Under the Directors Equity Compensation Plan the Director Plan on the day following each annual meeting of shareholders, each non-employee director is granted stock options to purchase a number of shares of Common Stock (rounded up to the nearest hundred shares) calculated by dividing \$200,000 by the average per share stock price of the Common Stock for the 30 day period immediately preceding the grant date. Options granted under the Director Plan are exercisable beginning six months after the option is granted. Options may be exercised only during the period in which the option holder remains a director of the Company and for one year thereafter, unless the director's membership on the Board of Directors is terminated for cause, in which case all options granted to such director expire upon such termination.

All directors are reimbursed for their expenses incurred in connection with the performance of their services as directors.

During the fiscal year ended June 30, 2005, none of the members of the Compensation Committee had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K, and none of the Company's executive officers served on the compensation committee (or equivalent), or the board of directors, of another entity whose executive officer(s) served on the Company's Board of Directors or Compensation Committee.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The compensation of the Company's executive officers is generally determined by the Compensation Committee of the Board of Directors. The following report with respect to certain compensation paid or awarded to the Company's executive officers during the fiscal year ended June 30, 2005 is furnished by the directors who comprise the Compensation Committee.

General Policies. The Company's compensation program is intended to enable the Company to attract, motivate, reward and retain the management talent to achieve corporate objectives, and thereby increase shareholder value. It is the Company's policy to provide incentives to senior management to achieve both short-term and long-term objectives. To attain these objectives, the Company's executive compensation program is composed of a base salary and bonus, which is generally established for the Named Executive Officers in an employment agreement.

Base Salary. Base salaries for each of the Named Executive Officers as established in his employment agreement are determined by a subjective assessment of the executive officer's performance, in light of the officer's responsibilities and position with the Company and the Company's performance during prior periods. In evaluating overall Company performance, the primary focus is upon financial performance for the relevant annual period measured by operating income. Base salaries are reviewed periodically and from time to time by the Compensation Committee and adjusted appropriately.

Incentive Compensation. Incentive compensation for each of the Named Executive Officers is established based on a measurement of return on invested capital and operating income for Messrs. Baur, Bryson, McLain and Owings and attainment of management objectives for Mr. Cleys. Incentive compensation is reviewed periodically and from time to time by the Compensation Committee and adjusted accordingly.

Stock Options. Executive compensation includes the grant of stock options in order to more closely align the interests of the executive with the long-term interests of the shareholders.

Deferred Compensation Plan. The Company maintains a deferred compensation plan pursuant to which certain members of management (including the executive officers) may elect to defer a portion of his or her annual compensation. Participants' funds are invested among various funds designated by the plan administrator and currently may not be invested in the Company's Common Stock. The Company may make matching contributions which vest over a five-year period. Participants become fully vested in any matching contributions upon a change in control of the Company and upon their death, disability or attainment of age 65.

Chief Executive Officer Compensation. Michael L. Baur is an original founder of the ScanSource concept and has devoted his career to this concept since the inception of the Company in December 1992. The Compensation Committee believes that Mr. Baur's entrepreneurial drive, dedication, commitment and knowledge have been vitally important to the successful and ongoing growth of the Company. Mr. Baur's overall compensation for the fiscal year ended June 30, 2005 consisted of base salary, bonus and stock options. In determining Mr. Baur's compensation, the Compensation Committee evaluated Mr. Baur's personal performance, the performance of the Company and Mr. Baur's long-term commitment to the success of and ownership position in the Company.

PERFORMANCE GRAPH

The following graph compares cumulative total shareholder return of the Common Stock over a five-year period with The Nasdaq Stock Market (US) Index, with a Peer Group of companies, and with the Standard Industrial Classification (SIC) Code Index (SIC Code 5045 Wholesale Computers and Peripheral Equipment and Software) for the same period. * The members of the Peer Group are Avnet, Inc., Ingram Micro, Inc., Symbol Technologies, Inc., Tech Data Corp. and Zebra Technologies Corporation. The returns of each company in the Peer Group have been weighted according to their respective stock market capitalization for purposes of arriving at a Peer Group average.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Audit Committee operates under a written charter originally adopted on June 1, 2000 and amended in 2005, a copy of which is attached as Annex B to this proxy statement. This report reviews the actions taken by the Audit Committee with regard to the financial reporting process during the fiscal year ended June 30, 2005 and particularly with regard to the Company's audited consolidated financial statements as of June 30, 2005 and June 30, 2004 and for the three years ended June 30, 2005.

The Audit Committee is composed solely of independent directors. None of the committee members is or has been an officer or employee of the Company or any of its subsidiaries or has engaged in any business transaction or has any business or family relationship with the Company or any of its subsidiaries or affiliates.

The Company's management has the primary responsibility for the Company's financial statements and reporting process, including the systems of internal controls. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to select annually the accountants to serve as the Company's independent auditors for the coming year.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to fulfill its oversight responsibilities under the Audit Committee's charter. To carry out its responsibilities, the Audit Committee met or acted by written consent 11 times during the fiscal year ended June 30, 2005.

In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2005, including a discussion of the quality, rather than just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee also reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited consolidated financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, rather than just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. In addition, the Audit Committee discussed with the auditors their independence from management and the Company, including the matters in the written disclosures required of auditors by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*. The Audit Committee also considered whether the provision of services during the fiscal year ended June 30, 2005 by the auditors that were unrelated to their audit of the consolidated financial statements referred to above and to their reviews of the Company's interim consolidated financial statements during the fiscal year is compatible with maintaining their independence.

Additionally, the Audit Committee discussed with the independent auditors the overall scope and plan for their audit. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls and the overall quality of its financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2005 for filing

with the SEC.

The members of the Committee shall be appointed by, and may be changed at any time and from time to time in the discretion of, the Board. The Board may reserve to itself any or all of the authority and responsibility of the Committee under the Plan or may act as administrator of the Plan for any and all purposes. - (f) Accelerate the vesting, exercisability or lapse of restrictions of any outstanding Award, in accordance with Article 13, based in each case on such considerations as the Committee in its sole discretion determines;

- (g) Determine whether, to what extent, and under what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Stock, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;

The acts of such delegates shall be treated hereunder as acts of the Committee and such delegates shall report to the Committee regarding the delegated duties and responsibilities.

Not more than 20% of such aggregate number of Shares may be granted as Awards of Restricted Stock, Performance Shares or unrestricted Stock. To the extent that Awards of Restricted Stock and Performance Shares exceed 10% of the Shares authorized under the Plan, such Awards in excess of 10% shall either (i) be subject to a minimum vesting period of three years, or one year if the vesting is based on performance criteria other than continued employment, or (ii) be granted

solely in exchange for foregone salary, bonus or other compensation. To the extent that awards of unrestricted Stock (together with Awards of Restricted Stock or Performance Shares) exceed 10% of the Shares authorized under the Plan, such unrestricted Shares may be granted only in exchange for foregone salary, bonus or other compensation.

5.2. LAPSED AWARDS.

(a) To the extent that an Award is canceled, terminates, expires, is forfeited or lapses for any reason, any Shares subject to the Award will again be available for the grant of Awards under the Plan and Shares subject to Awards settled in cash will be available for the grant of Awards under the Plan.

(b) If the exercise price of an Option is satisfied by delivering Shares to the Company (by either actual delivery or attestation), only the numbers of Shares issued in excess of the delivery or attestation shall be considered for purposes of determining the maximum number of Shares available for delivery pursuant to Awards under the Plan, other than Incentive Stock Options.

5.3. STOCK DISTRIBUTED. Any Stock distributed pursuant to an Award may consist, in whole or in part, of authorized and unissued Stock, treasury Stock or Stock purchased on the open market.

5.4. LIMITATION ON AWARDS. Notwithstanding any provision in the Plan to the contrary (but subject to adjustment as provided in Section 14.1), the maximum number of Shares with respect to one or more Options and/or SARs that may be granted during any one calendar year under the Plan to any one Participant shall be 50,000. The maximum fair market value (measured as of the Grant Date) of any Awards other than Options and SARs that may be received by any one Participant (less any consideration paid by the Participant for such Award) during any one calendar year under the Plan shall be \$3,000,000.

ARTICLE 6

6.1. GENERAL. Awards may be granted only to Eligible Participants; except that Incentive Stock Options may not be granted to Eligible Participants who are not employees of the Company or a Parent or Subsidiary as defined in Section 424(e) and (f) of the Code.

ARTICLE 7

STOCK OPTIONS

7.1. GENERAL. The Committee is authorized to grant Options to Participants on the following terms and conditions:

Edgar Filing: SCANSOURCE INC - Form DEF 14A

(a) EXERCISE PRICE. The exercise price per Share under an Option shall be determined by the Committee, provided that the exercise price for any Option shall not be less than the Fair Market Value as of the Grant Date.

(b) TIME AND CONDITIONS OF EXERCISE. The Committee shall determine the time or times at which an Option may be exercised in whole or in part, subject to Section 7.1(d). The Committee shall also determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised or vested. Subject to Section 13.9, the Committee may waive any exercise or vesting provisions at any time in whole or in part based upon factors as the Committee may determine in its sole discretion so that the Option becomes exercisable or vested at an earlier date. The Committee may permit an arrangement whereby receipt of Stock upon exercise of an Option is delayed until a specified future date.

(c) PAYMENT. The Committee shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation, cash, Shares, or other property (including cashless exercise arrangements), and the methods by which Shares shall be delivered or deemed to be delivered to Participants; provided, however, that if Shares are used to pay the exercise price of an Option, such Shares must have been held by the Participant for at least six months.

(d) EXERCISE TERM. In no event may any Option be exercisable for more than ten years from the Grant Date.

7.2. INCENTIVE STOCK OPTIONS. The terms of any Incentive Stock Options granted under the Plan must comply with the following additional rules:

a) LAPSE OF OPTION. An Incentive Stock Option shall lapse upon the earliest of the following circumstances; provided, however, that the Committee may, prior to the lapse of the Incentive Stock Option under the circumstances described in subsections (3), (4), (5) and (6) below, provide in writing that the Option will extend until a later date, but if an Option is so extended and is exercised after the dates specified in subsections (3) and (4) below, it will automatically become a Non-Qualified Stock Option:

(1) The expiration date set forth in the Award Certificate.

(2) The tenth anniversary of the Grant Date.

(3) Three months after termination of the Participant's Continuous Status as a Participant for any reason other than the Participant's Disability, death or termination for Cause.

(4) One year after the termination of the Participant's Continuous Status as a Participant by reason of the Participant's Disability.

(5) One year after the termination of the Participant's death if the Participant dies while employed, or during the three-month period described in paragraph (3) or during the one-year period described in paragraph (4) and before the Option otherwise lapses.

(6) The date of the termination of the Participant's Continuous Status as a Participant if such termination is for Cause.

Unless the exercisability of the Incentive Stock Option is accelerated as provided in Article 13, if a Participant exercises an Option after termination of employment, the Option may be exercised only with respect to the Shares that were otherwise vested on the Participant's termination of employment. Upon the Participant's death, any exercisable Incentive Stock Options may be exercised by the Participant's beneficiary, determined in accordance with Section 13.5.

(b) INDIVIDUAL DOLLAR LIMITATION. The aggregate Fair Market Value (determined as of the Grant Date) of all Shares with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000.00.

(c) TEN PERCENT OWNERS. No Incentive Stock Option shall be granted to any individual who, at the Grant Date, owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary unless the exercise price per share of such Option is at least 110% of the Fair Market Value per Share at the Grant Date and the Option expires no later than five

years after the Grant Date.

(d) EXPIRATION OF AUTHORITY TO GRANT INCENTIVE STOCK OPTIONS. No Incentive Stock Option may be granted pursuant to the Plan after the day immediately prior to the tenth anniversary of the Effective Date.

(e) RIGHT TO EXERCISE. During a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant or, in the case of the Participant's Disability, by the Participant's guardian or legal representative.

(f) ELIGIBLE GRANTEEES. The Committee may not grant an Incentive Stock Option to a person who is not at the Grant Date an employee of the Company or a Parent or Subsidiary.

ARTICLE 8

STOCK APPRECIATION RIGHTS

8.1. GRANT OF STOCK APPRECIATION RIGHTS. The Committee is authorized to grant Stock Appreciation Rights to Participants on the following terms and conditions:

(a) RIGHT TO PAYMENT. Upon the exercise of a Stock Appreciation Right, the Participant to whom it is granted has the right to receive the excess, if any, of:

(1) The Fair Market Value of one Share on the date of exercise; over

(2) The grant price of the Stock Appreciation Right as determined by the Committee, which shall not be less than the Fair Market Value of one Share on the Grant Date in the case of any Stock Appreciation Right related to an Incentive Stock Option.

(b) OTHER TERMS. All awards of Stock Appreciation Rights shall be evidenced by an Award Certificate. The terms, methods of exercise, methods of settlement, form of consideration payable in settlement, and any other terms and conditions of any Stock Appreciation Right shall be determined by the Committee at the time of the grant of the Award and shall be reflected in the Award Certificate.

ARTICLE 9

PERFORMANCE AWARDS

9.1. GRANT OF PERFORMANCE AWARDS. The Committee is authorized to grant Performance Shares or Performance Units to Participants on such terms and conditions as may be selected by the Committee. The Committee shall have the complete discretion to determine the number of Performance Shares or Performance Units granted to each Participant, subject to Section 5.4, and to designate the provisions of such Performance Awards as provided in Section 4.3.

9.2. PERFORMANCE GOALS. The Committee may establish performance goals for Performance Awards which may be based on any one or more of the Qualified Performance Criteria listed in Section 13.11(b) or any other criteria selected by the Committee. Such performance goals may be described in terms of Company-wide objectives or in terms of objectives that relate to the performance of an Affiliate or a division, region, department or function within the Company or an Affiliate. If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company or the manner in which the Company or an Affiliate conducts its business, or other events or circumstances render performance goals to be unsuitable, the Committee may modify such performance goals in whole or in part, as the Committee deems appropriate. If a Participant is promoted, demoted or transferred to a different business unit or function during a performance period, the Committee may determine that the performance goals or performance period are no longer appropriate and may (i) adjust, change or eliminate the performance goals or the applicable performance period as it deems appropriate to make such goals and period comparable to the initial goals and period, or (ii) make a cash payment to the participant in amount determined by the Committee. The foregoing two sentences shall not apply with respect to a Performance Award that is intended to be a Qualified Performance-Based Award.

Edgar Filing: SCANSOURCE INC - Form DEF 14A

9.3. RIGHT TO PAYMENT. The grant of a Performance Share to a Participant will entitle the Participant to receive at a specified later time a specified number of Shares, or the equivalent cash value, if the performance goals established by the Committee are achieved and the other terms and conditions thereof are satisfied. The grant of a Performance Unit to a Participant will entitle the Participant to receive at a specified later time a specified dollar value in cash or property other than Shares, variable under conditions specified in the Award, if the performance goals in the Award are achieved and the other terms and conditions thereof are satisfied. The Committee shall set performance goals and other terms or conditions to payment of the Performance Awards in its discretion which, depending on the extent to which they are met, will determine the number and value of the Performance Award that will be paid to the Participant.

9.4. OTHER TERMS. Performance Awards may be payable in cash, Stock, or other property, and have such other terms and conditions as determined by the Committee and reflected in the Award Certificate. For purposes of determining the number of Shares to be used in payment of a Performance

Award denominated in cash but payable in whole or in part in Shares or Restricted Stock, the number of Shares to be so paid will be determined by dividing the cash value of the Award to be so paid by the Fair Market Value of a Share on the date of determination of the amount of the Award by the Committee, or, if the Committee so directs, the date immediately preceding the date the Award is paid.

ARTICLE 10

RESTRICTED STOCK AWARDS

10.2. ISSUANCE AND RESTRICTIONS. Restricted Stock shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, upon the satisfaction of performance goals or otherwise, as the Committee determines at the time of the grant of the Award or thereafter, subject to Section 13.9. Except as otherwise provided in an Award Certificate, the Participant shall have all of the rights of a shareholder with respect to the Restricted Stock.

10.3. FORFEITURE. Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of Continuous Status as a Participant during the applicable restriction period or upon failure to satisfy a performance goal during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited; provided, however, that the Committee may provide in any Award Certificate that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock.

10.4. CERTIFICATES FOR RESTRICTED STOCK. An Award of Restricted Stock shall be evidenced by an Award Certificate setting forth the terms, conditions, and restrictions applicable to shares of Restricted Stock. Shares of Restricted Stock shall be delivered to the Participant at the time of grant either by book-entry registration or by delivering to the Participant, or a custodian or escrow agent (including, without limitation, the Company or one or more of its employees) designated by the Committee, a stock certificate or certificates registered in the name of the Participant. If physical certificates representing shares of Restricted Stock are registered in the name of the Participant, such certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.

ARTICLE 11

DIVIDEND EQUIVALENTS

11.1 GRANT OF DIVIDEND EQUIVALENTS. The Committee is authorized to grant Dividend Equivalents to Participants subject to such terms and conditions as may be selected by the Committee. Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution for, any other Award granted under the Plan. If an Award is granted in substitution for another Award, the Committee may require the surrender of such other Award in consideration of the grant of the new Award. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

13.2. TERM OF AWARD. The term of each Award shall be for the period as determined by the Committee, provided that in no event shall the term of any Incentive Stock Option or a Stock Appreciation Right granted in tandem with the Incentive Stock Option exceed a period of ten years from its Grant Date (or, if Section 7.2(c) applies, five years from its Grant Date).

13.3. FORM OF PAYMENT FOR AWARDS. Subject to the terms of the Plan and any applicable law or Award Certificate, payments or transfers to be made by the Company or an Affiliate on the grant or exercise of an Award may be made in such form as the Committee determines at or after the Grant Date, including without limitation, cash, Stock, other Awards, or other property, or any combination, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case determined in accordance with rules adopted by, and at the discretion of, the Committee.

13.4. LIMITS ON TRANSFER. No right or interest of a Participant in any unexercised or restricted Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or an Affiliate, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or an Affiliate. No unexercised or restricted Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution or, except in the case of an Incentive Stock Option, pursuant to a domestic relations order that would satisfy Section 414(p)(1)(A) of the Code if such Section applied to an Award under the Plan; provided, however, that the Committee may (but need not) permit other transfers where the Committee concludes that such transferability (i) does not result in accelerated taxation, (ii) does not cause any Option intended to be an Incentive Stock Option to fail to be described in Code Section 422(b), and (iii) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, state or federal tax or securities laws applicable to transferable Awards.

13.5. BENEFICIARIES. Notwithstanding Section 13.4, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award Certificate applicable to the Participant, except to the extent the Plan and Award Certificate otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If no beneficiary has been designated or survives the Participant, payment shall be made to the Participant's estate. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

13.6. STOCK CERTIFICATES. All Stock issuable under the Plan is subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal or state securities laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock

certificate or issue instructions to the transfer agent to reference restrictions applicable to the Stock.

13.7 ACCELERATION UPON DEATH, DISABILITY OR RETIREMENT. Notwithstanding any other provision in the Plan or any Participant's Award Certificate to the contrary, upon the Participant's death or Disability during his Continuous Status as a Participant, or upon the Participant's Retirement, all

of such Participant's outstanding Options, Stock Appreciation Rights, and other Awards in the nature of rights that may be exercised shall become fully exercisable and all restrictions on the Participant's outstanding Awards shall lapse. Any Option or Stock Appreciation Rights Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Certificate. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(b), the excess Options shall be deemed to be Non-Qualified Stock Options.

13.8. ACCELERATION UPON A CHANGE IN CONTROL. Except as otherwise provided in the Award Certificate, all of a Participant's outstanding Options and other Awards in the nature of rights that may be exercised shall become fully exercisable and all restrictions on the Participant's outstanding Awards shall lapse if the Participant's employment is terminated without Cause or the Participant resigns for Good Reason within 12 months after the effective date of a Change in Control. Any Option or Stock Appreciation Rights Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Certificate.

13.9. ACCELERATION FOR OTHER REASONS. Regardless of whether an event has occurred as described in Section 13.7 or 13.8 above, the Committee may in its sole discretion at any time determine that, upon the termination of service of a Participant for any reason, or the occurrence of a Change in Control, all or a portion of such Participant's Options and other Awards in the nature of rights that may be exercised shall become fully or partially exercisable, and/or that all or a part of the restrictions on all or a portion of the Participant's outstanding Awards shall lapse, in each case, as of such date as the Committee may, in its sole discretion, declare. The Committee may in its sole discretion at any time accelerate the vesting of Awards for any other reason, unless the aggregate number of Shares with respect to which such acceleration occurs exceeds 5% of the total number of Shares authorized for issuance under Section 5.1 of the Plan. The Committee may discriminate among Participants and among Awards granted to a Participant in exercising its discretion pursuant to this Section 13.9.

13.10 EFFECT OF ACCELERATION. If an Award is accelerated under Section 13.8 or Section 13.9, the Committee may, in its sole discretion, provide (i) that the Award will expire after a designated period of time after such acceleration to the extent not then exercised, (ii) that the Award will be settled in cash rather than Stock, (iii) that the Award will be assumed by another party to a transaction giving rise to the acceleration or otherwise be equitably converted or substituted in connection with such transaction, (iv) that the Award may be settled by payment in cash or cash equivalents equal to the excess of the Fair Market Value of the underlying Stock, as of a specified date associated with the transaction, over the exercise price of the Award, or (v) any combination of the foregoing. The Committee's determination need not be uniform and may be different for different Participants whether or not such Participants are similarly situated. To the extent that such acceleration causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(b), the excess Options shall be deemed to be Non-Qualified Stock Options.

13.11. QUALIFIED PERFORMANCE-BASED AWARDS.

(a) The provisions of the Plan are intended to ensure that all Options and Stock Appreciation Rights granted hereunder to any Covered Employee qualify for the Section 162(m) Exemption.

(b) When granting any Performance Award, Restricted Stock Award, Other Stock-Based Award (other than Options or SARs), or any cash incentive award, the Committee may designate such Award as a Qualified Performance-Based Award, based upon a determination that the recipient is or may be a Covered Employee with respect to such Award, and the Committee wishes such Award to qualify for the Section 162(m) Exemption. If an Award is so designated, the Committee shall establish performance goals for such Award within the time period prescribed by Section 162(m) of the Code based on one or more of the following Qualified Performance Criteria, which may be expressed in terms of Company-wide objectives or in terms of objectives that relate to the performance of an Affiliate or a division, region, department or function within the Company or an Affiliate: (1) earnings per share, (2) EBITDA (earnings before interest, taxes, depreciation and amortization), (3) EBIT (earnings before interest and taxes), (4) economic profit, (5) cash flow, (6) sales growth, (7) net profit before tax, (8) gross profit, (9) operating income or profit, (10) return on

equity, (11) return on assets, (12) return on capital, (13) changes in working capital, or (14) shareholder return.

(c) Each Qualified Performance-Based Award (other than an Option or SAR) shall be earned, vested and payable (as applicable) only upon the achievement of performance goals established by the Committee based upon one or more of the Qualified Performance Criteria, together with the satisfaction of any other conditions, such as continued employment, as the Committee may determine to be appropriate; provided, however, that the Committee may provide, either in connection with the grant thereof or by amendment thereafter, that achievement of such performance goals will be waived upon the death or Disability of the Participant, or upon termination of the Participant's employment without Cause or for Good Reason within 12 months after the effective date of a Change in Control.

(d) Any payment of a Qualified Performance-Based Award granted with performance goals shall be conditioned on the written certification of the Committee in each case that the performance goals and any other material conditions were satisfied. Except as specifically provided in subsection (c), no Qualified Performance-Based Award may be amended, nor may the Committee exercise any discretionary authority it may otherwise have under the Plan with respect to a Qualified Performance-Based Award under the Plan, in any manner to waive the achievement of the applicable performance goal based on Qualified Performance Criteria or to increase the amount payable pursuant thereto or the value thereof, or otherwise in a manner that would cause the Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption.

(e) Section 5.4 sets forth the maximum number of Shares or dollar value that may be granted in any one-year period to a Participant in designated forms of Qualified Performance-Based Awards.

13.12. **TERMINATION OF EMPLOYMENT.** Whether military, government or other service or other leave of absence shall constitute a termination of employment shall be determined in each case by the Committee at its discretion, and any determination by the Committee shall be final and conclusive. A Participant's Continuous Status as a Participant shall not be deemed to terminate (i) in a circumstance in which a Participant transfers from the Company to an Affiliate, transfers from an Affiliate to the Company, or transfers from one Affiliate to another Affiliate, or (ii) in the discretion of the Committee as specified at or prior to such occurrence, in the case of a spin-off, sale or disposition of the Participant's employer from the Company or any Affiliate. To the extent that this provision causes Incentive Stock Options to extend beyond three months from the date a Participant is deemed to be an employee of the Company, a Parent or Subsidiary for purposes of Sections 424(e) and 424(f) of the Code, the Options held by such Participant shall be deemed to be Non-Qualified.

ARTICLE 14

CHANGES IN CAPITAL STRUCTURE

14.1. **GENERAL.** In the event of a corporate event or transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the authorization limits under Section 5.1 and 5.4 shall be adjusted proportionately, and the Committee may adjust Awards to preserve the benefits or potential benefits of the Awards. Action by the Committee may include: (i) adjustment of the number and kind of shares which may be delivered under the Plan; (ii) adjustment of the number and kind of shares subject to outstanding Awards; (iii) adjustment of the exercise price of outstanding Awards or the measure to be used to determine the amount of the benefit payable on an Award; and (iv) any other adjustments that the Committee determines to be equitable. In addition, the Committee may, in its sole discretion, provide (i) that Awards will be settled in cash rather than Stock, (ii) that Awards will become immediately vested and exercisable and will expire after a designated period of time to the extent not then exercised, (iii) that Awards will be assumed by another party to a transaction or otherwise be equitably converted or substituted in connection with such transaction, (iv) that outstanding Awards may be settled by payment in cash or cash equivalents equal to the excess of the Fair Market Value of the underlying Stock, as of a specified date associated with the transaction, over the exercise price of the Award, or (v) any combination of the foregoing. The Committee's determination need not be uniform and may be different for different Participants whether or not such Participants are similarly situated. Without

limiting the foregoing, in the event of a subdivision of the outstanding Stock (stock-split), a declaration of a dividend payable in Shares, or a combination or consolidation of the outstanding Stock into a lesser number of Shares, the authorization limits under Section 5.1 and 5.4 shall automatically be adjusted proportionately, and the Shares then subject to each Award shall automatically be adjusted proportionately without any change in the aggregate purchase price therefor.

ARTICLE 15

AMENDMENT, MODIFICATION AND TERMINATION

15.1. AMENDMENT, MODIFICATION AND TERMINATION. The Board or the Committee may, at any time and from time to time, amend, modify or terminate the Plan without shareholder approval; provided, however, that if an amendment to the Plan would, in the reasonable opinion of the Board or the Committee, either (i) materially increase the benefits accruing to Participants, (ii) materially increase the number of Shares issuable under the Plan, (iii) materially modify the requirements for eligibility, or (iv) otherwise constitute a material amendment requiring shareholder approval under applicable laws, policies or regulations, then such amendment shall be subject to shareholder approval; and provided, further, that the Board or Committee may condition any other amendment or modification on the approval of shareholders of the Company for any reason, including by reason of such approval being necessary or deemed advisable to (i) permit Awards made hereunder to be exempt from liability under Section 16(b) of the 1934 Act, (ii) to comply with the listing or other requirements of an Exchange, or (iii) to satisfy any other tax, securities or other applicable laws, policies or regulations.

15.2. AWARDS PREVIOUSLY GRANTED. At any time and from time to time, the Committee may amend, modify or terminate any outstanding Award without approval of the Participant; provided, however:

(a) Subject to the terms of the applicable Award Certificate, such amendment, modification or termination shall not, without the Participant's consent, reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in or otherwise settled on the date of such amendment or termination (with the per-share value of an Option or Stock Appreciation Right for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment or termination over the exercise or base price of such Award);

(b) The original term of any Option may not be extended without the prior approval of the shareholders of the Company;

(c) Except as otherwise provided in Article 14, the exercise price of any Option may not be reduced, directly or indirectly, without the prior approval of the shareholders of the Company; and

(d) No termination, amendment, or modification of the Plan shall adversely affect any Award previously granted under the Plan, without the written consent of the Participant affected thereby.

ARTICLE 16

GENERAL PROVISIONS

Edgar Filing: SCANSOURCE INC - Form DEF 14A

16.1. NO RIGHTS TO AWARDS; NON-UNIFORM DETERMINATIONS. No Participant or any Eligible Participant shall have any claim to be granted any Award under the Plan. Neither the Company, its Affiliates nor the Committee is obligated to treat Participants or Eligible Participants uniformly, and determinations made under the Plan may be made by the Committee selectively among Eligible Participants who receive, or are eligible to receive, Awards (whether or not such Eligible Participants are similarly situated).

16.2. NO SHAREHOLDER RIGHTS. No Award gives a Participant any of the rights of a shareholder of the Company unless and until Shares are in fact issued to such person in connection with such Award.

16.3. WITHHOLDING. The Company or any Affiliate shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal,

state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the Plan. If Shares are surrendered to the Company to satisfy withholding obligations in excess of the minimum withholding obligation, such Shares must have been held by the Participant as fully vested shares for at least six months. With respect to withholding required upon any taxable event under the Plan, the Committee may, at the time the Award is granted or thereafter, require or permit that any such withholding requirement be satisfied, in whole or in part, by withholding from the Award Shares having a Fair Market Value on the date of withholding equal to the minimum amount (and not any greater amount) required to be withheld for tax purposes, all in accordance with such procedures as the Committee establishes.

16.4. **NO RIGHT TO CONTINUED SERVICE**. Nothing in the Plan, any Award Certificate or any other document or statement made with respect to the Plan, shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant's employment or status as an officer, consultant or advisor at any time, nor confer upon any Participant any right to continue as an employee, officer, consultant or advisor of the Company or any Affiliate, whether for the duration of a Participant's Award or otherwise.

16.5. **UNFUNDED STATUS OF AWARDS**. The Plan is intended to be an unfunded plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Certificate shall give the Participant any rights that are greater than those of a general creditor of the Company or any Affiliate.

16.6. **INDEMNIFICATION**. To the extent allowable under applicable law, each member of the Committee shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which such member may be a party or in which he may be involved by reason of any action or failure to act under the Plan and against and from any and all amounts paid by such member in satisfaction of judgment in such action, suit, or proceeding against him provided he gives the Company an opportunity, at its own expense, to handle and defend the same before he undertakes to handle and defend it on his own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

16.7. **RELATIONSHIP TO OTHER BENEFITS**. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or benefit plan of the Company or any Affiliate unless provided otherwise in such other plan.

16.8. **EXPENSES**. The expenses of administering the Plan shall be borne by the Company and its Affiliates.

16.9. **TITLES AND HEADINGS**. The titles and headings of the Sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

16.10. **GENDER AND NUMBER**. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

16.11. **FRACTIONAL SHARES**. No fractional Shares shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional Shares or whether such fractional Shares shall be eliminated by rounding up.

16.12. GOVERNMENT AND OTHER REGULATIONS.

(a) Notwithstanding any other provision of the Plan, no Participant who acquires Shares pursuant to the Plan may, during any period of time that such Participant is an affiliate of the Company (within the meaning of the rules and regulations of the Securities and Exchange

Commission under the 1933 Act), sell such Shares, unless such offer and sale is made (i) pursuant to an effective registration statement under the 1933 Act, which is current and includes the Shares to be sold, or (ii) pursuant to an appropriate exemption from the registration requirement of the 1933 Act, such as that set forth in Rule 144 promulgated under the 1933 Act.

(b) Notwithstanding any other provision of the Plan, if at any time the Committee shall determine that the registration, listing or qualification of the Shares covered by an Award upon any Exchange or under any foreign, federal, state or local law or practice, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the granting of such Award or the purchase or receipt of Shares thereunder, no Shares may be purchased, delivered or received pursuant to such Award unless and until such registration, listing, qualification, consent or approval shall have been effected or obtained free of any condition not acceptable to the Committee. Any Participant receiving or purchasing Shares pursuant to an Award shall make such representations and agreements and furnish such information as the Committee may request to assure compliance with the foregoing or any other applicable legal requirements. The Company shall not be required to issue or deliver any certificate or certificates for Shares under the Plan prior to the Committee's determination that all related requirements have been fulfilled. The Company shall in no event be obligated to register any securities pursuant to the 1933 Act or applicable state or foreign law or to take any other action in order to cause the issuance and delivery of such certificates to comply with any such law, regulation or requirement.

16.13. GOVERNING LAW. To the extent not governed by federal law, the Plan and all Award Certificates shall be construed in accordance with and governed by the laws of the State of South Carolina.

16.14 ADDITIONAL PROVISIONS. Each Award Certificate may contain such other terms and conditions as the Committee may determine; provided that such other terms and conditions are not inconsistent with the provisions of the Plan.

16.15. NO LIMITATIONS ON RIGHTS OF COMPANY. The grant of any Award shall not in any way affect the right or power of the Company to make adjustments, reclassification or changes in its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets. The Plan shall not restrict the authority of the Company, for proper corporate purposes, to draft or assume Awards, other than under the Plan, to or with respect to any person. If the Committee so directs, the Company may issue or transfer Shares to an Affiliate, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Affiliate will transfer such Shares to a Participant in accordance with the terms of an Award granted to such Participant and specified by the Committee pursuant to the provisions of the Plan.

The foregoing is hereby acknowledged as being the ScanSource, Inc. 2002 Long-Term Incentive Plan as adopted by the Company's shareholders on December 5, 2002 and as amended on October 12, 2005 by the Board to be submitted to the shareholders for approval.
