Item 1.01. Entry into a Material Definitive Agreement

and

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant
Subsection 2.03(a)**

Convergys Corporation maintains a \$200,000,000 accounts receivable securitization agreement (the Receivables Purchase Agreement) with Falcon Asset Securitization Corporation (Falcon) and Fifth Third Bank (Fifth Third). Pursuant to the terms of the Receivables Purchase Agreement, Convergys Funding Corporation, a wholly owned, consolidated subsidiary of Convergys Corporation, sells to Falcon and Fifth Third on a revolving basis an undivided percentage interest in designed pools of accounts receivable. As of January 20, 2006, there were no outstanding receivables sold under this agreement.

On January 20, 2006, the parties executed an amendment to the Receivables Purchase Agreement, effective January 20, 2006, that eliminated certain restrictions pertaining to Convergys' ability to repurchase the receivables. As a result of this amendment, the Company believes that transfers made under this agreement can no longer be treated as sales. Accordingly, any future amounts transferred under this agreement will be treated as direct financing obligations. This amendment has no impact on the Company's ability to utilize this facility for the full amount.

Item 2.02. Results of Operations and Financial Conditions

On January 24, 2006 Convergys Corporation reported its results for the fourth quarter ended December 31, 2005. The earnings release for the fourth quarter ended December 31, 2005 is attached as Exhibit 99.1. The attached exhibit is furnished pursuant to Item 9.01 of Form 8-K.

The earnings release contains non-GAAP financial measures, including free cash flow and other pro forma financial results, which are not prepared in accordance with GAAP. A reconciliation of these non-GAAP measures to the comparable GAAP measures is included in the financial tables that are part of the earnings release. These non-GAAP financial measures should not be construed as being more important than comparable GAAP measures. They are presented because Convergys Corporation management uses this information when evaluating the company's results of operations and cash flow and believes that this information provides the users of the financial statements with an additional and useful comparison of the company's current results of operations and cash flows with past and future periods.
