FOR IMMEDIATE RELEASE

VIMPELCOM RESPONDS TO TELENOR S ANNOUNCEMENTS OF LAWSUITS

Moscow and New York (January 26, 2006) Open Joint Stock Company Vimpel-Communications (VimpelCom or the Company) (NYSE: VIP) stated that it regrets that Telenor has decided to abandon its commitment to work constructively toward finding a solution to the issues regarding VimpelCom s expansion into Ukraine. The Company believes all its actions with regards to the acquisition of CJSC Ukrainian Radio Systems (URS) were proper, transparent and in accordance with Russian law. Telenor s actions continue to put them squarely against the will of the majority of VimpelCom s shareholders. It appears that Telenor s conflict of interest in Ukraine has prevented it from considering the issue of VimpelCom s expansion into Ukraine fairly and rationally.

While Telenor s actions will now force VimpelCom to expend resources and energy to respond to Telenor s lawsuits in order to protect the interest of all VimpelCom shareholders, VimpelCom s management will remain focused on operating and growing the business. VimpelCom is confident that it will prevail in court.

Commenting on today s news, VimpelCom s Chairman, David Haines, said, Considering 89% of the public shareholders who voted were in favor of the URS acquisition after a very open and thorough public debate, Telenor now has to be able to separate its obviously emotionally charged conflict in Ukraine from its responsibility towards all the shareholders in the NYSE-listed VimpelCom.

This press release contains forward-looking statements , as the phrase is defined in Section 27A of the Securities Act and Section 21E of the Exchange Act. These statements relate to the outcome of the lawsuits filed by Telenor against the Company described above. There can be no assurance that the Company will prevail at any stage of the litigation relating to these lawsuits or that other claims by Telenor or other third parties regarding the Company s acquisition of URS or other matters will not be made. In the event a decision unfavorable to the Company becomes binding, including a decision to unwind the URS acquisition, it could have an adverse effect on the Company, its business, its expansion strategy and its financial results. Certain additional factors that could cause actual results to differ materially from those discussed in any forward-looking statements include the risks described in the Company s Annual Report on Form 20-F for the year ended December 31, 2004 and other public filings made by the Company with the United States Securities and Exchange Commission, which risk factors are incorporated herein by reference. The Company disclaims any obligation to update developments of these risk factors or to announce publicly any revision to any of the forward-looking statements contained in this press release, or to make corrections to reflect future events or developments.
