Arpeggio Acquisition Corporation

10 East 53rd Street, 35th Floor

New York, New York 10022

To the Stockholders of Arpeggio Acquisition Corporation:

You are cordially invited to attend a special meeting of the stockholders of Arpeggio Acquisition Corporation (Arpeggio) relating to the proposed merger of Hill International, Inc. into Arpeggio and related matters. The meeting will be held at 10:00 a.m., eastern time, on _____, 2006, at the offices of Graubard Miller, our counsel, at The Chrysler Building, 405 Lexington Avenue, 19th Floor, New York, New York 10174.

At this meeting, you will be asked to consider and vote upon the following proposals:

(1) to adopt the Agreement and Plan of Merger, dated as of December 5, 2005, as amended on December 30, 2005, among Arpeggio, Hill International, Inc., a Delaware corporation (Hill), and the stockholders of Hill (the Signing Stockholders) and the transactions contemplated thereby we refer to this proposal as the merger proposal;

(2) to approve an amendment to the certificate of incorporation of Arpeggio to change the name of Arpeggio from Arpeggio Acquisition Corporation to Hill International, Inc. - we refer to this proposal as the name change amendment;

(3) to approve an amendment to the certificate of incorporation of Arpeggio to increase the number of authorized shares of Arpeggio common stock from 30,000,000 to 75,000,000 we refer to this proposal as the capitalization amendment;

(4) to approve an amendment to the certificate of incorporation of Arpeggio to remove the preamble and sections A through D, inclusive, of Article Sixth from the certificate of incorporation from and after the closing of the merger, as these provisions will no longer be applicable to Arpeggio, and to redesignate section E of Article Sixth as Article Sixth we refer to this proposal as the Article Sixth amendment; and

(5) to approve the 2006 Employee Stock Option Plan we refer to this proposal as the stock option plan proposal.

The affirmative vote of the holders of a majority of the outstanding shares of Arpeggio common stock on the record date is required to approve each of the merger proposal, the name change amendment, the capitalization amendment and the Article Sixth Amendment. The approval of the stock option plan will require the affirmative vote of the holders of a majority of the shares of Arpeggio s common stock represented in person or by proxy and entitled to vote at the meeting.

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

The adoption of the merger proposal is conditioned on the adoption of the name change amendment and the capitalization amendment, and neither the name change amendment nor the capitalization amendment will be presented to the meeting for adoption unless the merger is approved. The adoption of the Article Sixth amendment and the stock option plan proposal are not conditions to the merger proposal or to the adoption of either of the name change amendment or the capitalization amendment but, if the merger is not approved, neither will be presented at the meeting for adoption.

Table of Contents

Each Arpeggio stockholder who holds shares of common stock issued in Arpeggio's initial public offering (IPO) has the right to vote against the merger proposal and at the same time demand that Arpeggio convert such stockholder's shares into cash equal to a pro rata portion of the funds held in the trust account into which a substantial portion of the net proceeds of Arpeggio's IPO was deposited. As of _____, 2006, the record date for the meeting of stockholders, the conversion price was approximately \$ _____ in cash for each share of Arpeggio common stock. These shares will be converted into cash only if the merger agreement is consummated. However, if the holders of 20% or more shares (1,360,000 shares) of common stock issued in Arpeggio's IPO vote against the merger proposal and demand conversion of their shares, Arpeggio will not consummate the merger. Prior to exercising conversion rights, Arpeggio stockholders should verify the market price of Arpeggio's common stock, as they may receive higher proceeds from the sale of their common stock in the public market than from exercising their conversion rights. Shares of Arpeggio's common stock are currently quoted on the Over-the-Counter Bulletin Board under the symbol APGO. On the record date, the last sale price of Arpeggio's common stock was \$ _____.

Arpeggio's initial stockholders who purchased their shares of common stock prior to its IPO, and presently own an aggregate of approximately 18.1% of the outstanding shares of Arpeggio common stock, have agreed to vote all of their shares on the merger proposal in accordance with the vote of the majority of the votes cast by the holders of shares issued in connection with the IPO. The initial stockholders have also indicated that they intend to vote FOR the adoption of the name change amendment, the capitalization amendment, the Article Sixth amendment and the stock option plan proposal.

After careful consideration, Arpeggio's board of directors has determined that the merger proposal is fair to and in the best interests of Arpeggio and its stockholders. Arpeggio's board of directors has also determined that the name change amendment, the capitalization amendment, the Article Sixth amendment and the stock option plan proposal are also in the best interests of Arpeggio's stockholders. Arpeggio's board of directors unanimously recommends that you vote or give instruction to vote FOR the adoption of the merger proposal, the name change amendment proposal, the capitalization amendment, the Article Sixth amendment and the stock option plan.

Enclosed is a notice of special meeting and proxy statement containing detailed information concerning the merger proposal and the transactions contemplated thereby, as well as detailed information concerning the name change amendment, the capitalization amendment, the Article Sixth amendment and the stock option plan proposal. Whether or not you plan to attend the special meeting, we urge you to read this material carefully.

Your vote is important. Whether you plan to attend the special meeting or not, please sign, date and return the enclosed proxy card as soon as possible in the envelope provided.

I look forward to seeing you at the meeting.

Sincerely,

Eric S. Rosenfeld
Chairman of the Board,

The first, second, third and fourth proposals must be approved by the holders of a majority of the outstanding shares of Arpeggio common stock. The fifth proposal must be approved by the holders of a majority of the shares of Arpeggio common stock present in person or represented by proxy and entitled to vote at the meeting.

All Arpeggio stockholders are cordially invited to attend the special meeting in person. However, to ensure your representation at the special meeting, you are urged to complete, sign, date and return the enclosed proxy card as soon as possible. If you are a stockholder of record of Arpeggio common stock, you may also cast your vote in person at the special meeting. If your shares are held in an account at a brokerage firm or bank, you must instruct your broker or bank on how to vote your shares. If you do not vote or do not instruct your broker or bank how to vote, it will have the same effect as voting against the merger, the name change amendment, the capitalization amendment and the Article Sixth amendment.

The board of directors of Arpeggio unanimously recommends that you vote FOR each of the proposals, which are described in detail in the accompanying proxy statement.

By Order of the Board of Directors

SUMMARY OF THE MATERIAL TERMS OF THE MERGER

The parties to the merger are Arpeggio Acquisition Corporation and Hill International, Inc. See the section entitled *The Merger Proposal*.

Hill is a privately-owned independent construction consulting firm headquartered in Marlton, NJ. Hill provides both fee-based project management and construction claims consulting services to clients worldwide. Hill is organized into two key operating divisions: the Project Management Group and the Construction Claims Group. See the section entitled *Business of Hill*.

On closing of the merger, Hill will merge into Arpeggio, with Arpeggio continuing as the surviving corporation. See the section entitled *The Merger Proposal*.

In return for all of their stock in Hill, the stockholders of Hill will receive from Arpeggio, at the closing, 14,500,000 shares of Arpeggio common stock. Hill's stockholders will also receive up to an additional 6,600,000 shares of Arpeggio common stock, contingent upon the combined companies meeting specified earnings targets. See the section entitled *The Merger Agreement Merger Consideration*.

As a result of the merger and assuming that no Arpeggio stockholder demands that Arpeggio convert its shares to cash, as permitted by Arpeggio's certificate of incorporation, immediately after the closing, the stockholders of Hill will own approximately 63.6% of the outstanding Arpeggio common stock and the present stockholders of Arpeggio (or their transferees) will own approximately 36.4% of the outstanding Arpeggio common stock. The percentage ownership of the Hill stockholders will be increased and that of Arpeggio's stockholders will be decreased upon issuances of the contingent shares to be issued by Arpeggio if the combined companies meet some or all of the earnings targets. See the section entitled *The Merger Agreement Merger Consideration*.

12.0% of the Arpeggio shares to be received by the Hill stockholders at the closing of the merger will be placed in escrow as a fund for the payment of indemnification claims that may be made by Arpeggio as a result of breaches of Hill's covenants, representations and warranties in the merger agreement. See the section entitled *The Merger Agreement Escrow Agreement*.

In addition to voting on the merger, the stockholders of Arpeggio will vote on proposals to change its name to Hill International, Inc., to increase the number of shares of common stock it is authorized to issue to 75,000,000 from 30,000,000, to amend its charter to delete certain provisions that will no longer be applicable after the merger and to approve a stock option plan. See the sections entitled *Name Change Amendment Proposal*, *Capitalization Amendment Proposal*, *Article Sixth Amendment Proposal* and *Stock Option Plan Proposal*.

The stockholders of Hill have agreed not to sell any of the shares of Arpeggio common stock they receive in the merger until December 31, 2007, subject to certain exceptions, including the right to use their shares to secure margin loans not to exceed 20% of the value of the shares at the time the loans are made. See the section entitled *The Merger Agreement Lock-Up Agreement*.

After the merger, the directors of Arpeggio will be five persons who will be designated by Irvin E. Richter, David L. Richter and Brady H. Richter (*Signing Stockholders*), on the one hand, and two persons who will be designated by Eric S. Rosenfeld, chairman, chief executive officer and president of Arpeggio, and Arnaud Ajdler, chief financial officer, secretary and a director of Arpeggio, on the other hand, in accordance with a voting agreement to be entered into at the closing. The voting agreement will provide that the *Signing Stockholders* and Messrs. Rosenfeld and Ajdler will vote their shares of Arpeggio stock in favor of their respective designees to serve as directors of Arpeggio through the annual meeting of stockholders of Arpeggio to be held in 2007. See the section entitled *The Merger Agreement Election of Directors; Voting Agreement*.

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

After the merger, all of the officers of Arpeggio will be persons who presently hold similar positions with Hill, including Irvin E. Richter as chairman and chief executive officer and David L. Richter as president and chief operating officer. Irvin Richter and David Richter will enter into three-year employment agreements with Arpeggio, effective upon the consummation of the merger. None of the present officers of Arpeggio will continue in their positions after the merger. See the section entitled *The Merger Agreement Employment Agreements*.

QUESTIONS AND ANSWERS ABOUT THE PROPOSALS

Q. Why am I receiving this proxy statement?

- A. Arpeggio and Hill have agreed to a business combination under the terms of the agreement and plan of merger dated December 5, 2005, as amended on December 30, 2005, that is described in this proxy statement. This agreement is referred to as the merger agreement. A copy of the merger agreement, as amended, is attached to this proxy statement as Annex A, which we encourage you to review.

In order to complete the merger, Arpeggio stockholders must vote to approve (i) the merger agreement, (ii) an amendment to Arpeggio's certificate of incorporation to change the name of Arpeggio from Arpeggio Acquisition Corporation to Hill International, Inc. and (iii) an amendment to Arpeggio's certificate of incorporation to increase the number of shares of authorized common stock from 30,000,000 to 75,000,000. Arpeggio stockholders will also be asked to vote to approve (i) an amendment to Arpeggio's certificate of incorporation to make certain modifications to Article Sixth thereof and (ii) the stock option plan, but such approvals are not conditions to the merger. The stock option plan has been approved by Arpeggio's board of directors and will be effective upon consummation of the merger, if approved by stockholders. Arpeggio's amended and restated certificate of incorporation, as it will appear if all amendments to its certificate of incorporation are approved, is annexed as Annex B hereto. The stock option plan is annexed as Annex C hereto.

Arpeggio is holding a special meeting of its stockholders to obtain these approvals. This proxy statement contains important information about the proposed merger, the other proposals and the special meeting of Arpeggio stockholders. You should read it carefully.

Your vote is important. We encourage you to vote as soon as possible after carefully reviewing this proxy statement.

Q. Why is Arpeggio proposing the merger?

- A. Arpeggio was organized to effect a merger, capital stock exchange, asset acquisition or other similar business combination with an operating business. Hill is a privately-owned, independent construction management firm, providing both fee-based project management and construction claims consulting services to clients worldwide. Arpeggio believes that Hill, with its recent acquisitions, high profile and complex projects, is positioned for significant growth in present and future construction markets and believes that a business combination with Hill will provide Arpeggio stockholders with an opportunity to participate in a company with significant growth potential.

Table of Contents

- Q. What is being voted on?** A. There are five proposals on which the Arpeggio stockholders are being asked to vote. The first proposal is to adopt and approve the merger agreement and the transactions contemplated thereby. We refer to this proposal as the merger proposal.

The second proposal is to approve an amendment to the certificate of incorporation to change the name of Arpeggio from Arpeggio Acquisition Corporation to Hill International, Inc. We refer to this proposal as the name change amendment.

The third proposal is to approve an amendment to the certificate of incorporation to increase the number of authorized shares of Arpeggio common stock from 30,000,000 to 75,000,000. We refer to this proposal as the capitalization amendment.

The fourth proposal is to approve an amendment to the certificate of incorporation to remove the preamble and sections A through D, inclusive, of Article Sixth from the Certificate of Incorporation from and after the closing and to redesignate section E of Article Sixth as Article Sixth. The items being removed will no longer be operative upon consummation of the merger; therefore, this amendment is being proposed to revise the certificate of incorporation on a going-forward basis. We refer to this proposal as the Article Sixth amendment.

The fifth proposal is to approve Arpeggio's Stock Option Plan. We refer to this proposal as the stock option plan proposal.

- Q. What vote is required in order to adopt the merger proposal?** A. The approval of the merger will require the affirmative vote of holders of a majority of the outstanding shares of Arpeggio's common stock. If the holders of 20% or more of the shares of the common stock issued in Arpeggio's initial public offering (the IPO) pursuant to its prospectus, dated June 24, 2004, vote against the merger and demand that Arpeggio convert their shares into a pro rata portion of Arpeggio's trust account as of the record date, then the merger will not be consummated. No vote of the holders of Arpeggio's warrants is necessary to adopt the merger proposal or other proposals and Arpeggio is not asking the warrant holders to vote on the merger proposal or the other proposals. Arpeggio will not consummate the merger transaction unless both the name change amendment and the capitalization amendment are also approved. The approvals of the Article Sixth amendment and the stock option plan proposal are not conditions to the consummation of the merger. The stock option plan has been approved by Arpeggio's Board of Directors and will be effective upon consummation of the merger, subject to stockholder approval of the plan. If the merger proposal is not approved, none of the other proposals will be presented for approval.
- Q. What vote is required in order to adopt the name change amendment?** A. The approval of the name change amendment will require the affirmative vote of the holders of a majority of the outstanding shares of Arpeggio's common stock. The approval of the name change amendment is a condition to the consummation of the merger.

Table of Contents

- Q. What vote is required in order to adopt the capitalization amendment?**
- A. The approval of the capitalization amendment will require the affirmative vote of the holders of a majority of the outstanding shares of Arpeggio's common stock. The approval of the capitalization amendment is a condition to the consummation of the merger.
- Q. What vote is required in order to adopt the Article Sixth amendment?**
- A. The approval of the Article Sixth amendment will require the affirmative vote of the holders of a majority of the outstanding shares of Arpeggio's common stock. The approval of the Article Sixth amendment is not a condition to the consummation of the merger or to the effectuation of the name change amendment or the capitalization amendment.
- Q. What vote is required in order to adopt the stock option plan proposal?**
- A. The approval of the stock option plan proposal will require the affirmative vote of the holders of a majority of the shares of Arpeggio common stock represented in person or by proxy and entitled to vote at the special meeting. The approval of the stock option plan proposal is not a condition to the approval of the merger or to the effectuation of the name change amendment or the capitalization amendment.
- Q. Why is Arpeggio proposing the stock option plan?**
- A. Arpeggio is proposing the stock option plan to enable it to attract, retain and reward its directors, officers, employees and consultants using equity-based incentives. The stock option plan has been approved by Arpeggio's board of directors and will be effective upon consummation of the merger, subject to stockholder approval of the plan.

Table of Contents

- Q. Does the Arpeggio board recommend voting in favor of the merger proposal, the name change amendment, the capitalization amendment, the Article Sixth amendment and the stock option plan proposal?**
- A. Yes. After careful consideration of the terms and conditions of the merger agreement, the amendments to the certificate of incorporation and the stock option plan, the board of directors of Arpeggio has determined that the merger and the transactions contemplated thereby are fair to and in the best interests of Arpeggio and its stockholders. The Arpeggio board of directors recommends that Arpeggio stockholders vote **FOR** each of (i) the merger proposal, (ii) the name change amendment, (iii) the capitalization amendment, and (iv) the Article Sixth amendment and (v) the stock option plan proposal. The members of Arpeggio’s board of directors have interests in the merger that are different from, or in addition to, your interests as a stockholder. For a description of such interests, please see the section entitled *Summary of the Proxy Statement – Interests of Arpeggio Directors and Officers in the Merger*.

For a description of the factors considered by Arpeggio’s board of directors in making its determination, see the section entitled *Arpeggio Board of Directors – Reasons for Approval of the Merger*.

Arpeggio has obtained an opinion from Capitalink, L.C. that the merger is fair, from a financial perspective, to the stockholders of Arpeggio. For a description of the fairness opinion and the assumptions made, matters considered and procedures followed by Capitalink in rendering such opinion, see the section entitled *Fairness Opinion*.

- Q. What will happen in the proposed merger?**
- A. As a consequence of the merger, Hill will be merged with and into Arpeggio and Arpeggio will continue as the surviving corporation. Stockholders of Hill will become stockholders of Arpeggio and will own approximately 63.6% of the shares of Arpeggio common stock outstanding immediately after the merger assuming that no shares are converted into their pro rata share of the trust fund.
- Q. How do the Arpeggio insiders intend to vote their shares?**
- A. All of the Arpeggio insiders (including all of Arpeggio’s officers and directors) have agreed to vote the shares held by them that they acquired prior to the IPO on the merger proposal in accordance with the vote of the majority of the shares of common stock issued in the IPO. They have indicated that they will vote the shares held by them in favor of the certificate of incorporation amendments and the stock option plan proposal.
- Q. What will I receive in the proposed merger?**
- A. Arpeggio stockholders will receive nothing in the merger. Arpeggio stockholders will continue to hold the shares of Arpeggio common stock that they owned prior to the merger.

Table of Contents

- Q. **What will Hill security holders receive in the proposed merger?** A. The persons who are stockholders of Hill at the time of the merger will receive 14,500,000 shares of Arpeggio common stock at the closing of the merger. Of the shares to be issued to the Hill stockholders at the closing, 1,740,000 shares, or 12%, will be placed in escrow to secure Arpeggio's indemnity rights under the merger agreement. The Hill stockholders will receive up to an additional 6,600,000 shares of Arpeggio common stock, contingent upon the combined companies attaining certain Earnings Before Interest and Taxes (EBIT) targets. See the section entitled *Merger Consideration*.
- Q. **How much of Arpeggio will existing Arpeggio stockholders own after the merger?** A. Immediately after the merger, if no Arpeggio stockholder demands that Arpeggio convert its shares into a pro rata portion of the trust account, then existing Arpeggio's stockholders will own approximately 36.4% of the outstanding common stock of Arpeggio. Existing Arpeggio stockholders would own less than that percentage of shares if one or more Arpeggio stockholders vote against the merger proposal and demand conversion of their shares into a pro rata portion of the trust account. The ownership percentages of existing Arpeggio stockholders will also be reduced to the extent that contingent shares are issued to the Hill stockholders as a result of the combined companies meeting specified earnings targets after the merger.
- Q. **Do I have conversion rights?** A. If you hold shares of common stock issued in Arpeggio's IPO, then you have the right to vote against the merger proposal and demand that Arpeggio convert such shares into a pro rata portion of the trust account in which a substantial portion of the net proceeds of Arpeggio's IPO are held. We sometimes refer to these rights to vote against the merger and demand conversion of the shares into a pro rata portion of the trust account as conversion rights.

Table of Contents

- Q. How do I exercise my conversion rights?**
- A. If you wish to exercise your conversion rights, you must affirmatively vote against the merger proposal and at the same time demand that Arpeggio convert your shares into cash. You may demand conversion either by checking the box on the proxy card or by submitting your request in writing to Arpeggio at the address listed below. You may remedy an improperly executed demand for conversion at any time until the stockholder meeting. If, notwithstanding your negative vote, the merger is completed, then you will be entitled to receive a pro rata portion of the trust account, including any interest earned thereon through the record date. As of the record date, there was approximately \$ _____ in trust, so you will be entitled to convert each share of common stock that you hold into approximately \$ _____. If you exercise your conversion rights, then you will be exchanging your shares of Arpeggio common stock for cash and will no longer own these shares. You will be entitled to receive cash for these shares only if you affirmatively vote against the merger, properly demand conversion, continue to hold these shares through the closing of the merger and then tender your stock certificate. Exercise of your conversion rights does not result in either the conversion or loss of your warrants. Your warrants will continue to be outstanding and exercisable following the conversion of your common stock. However, in the event that Arpeggio does not consummate a business combination by June 30, 2006, Arpeggio will be required to liquidate and your Arpeggio warrants will become worthless.
- Q. What if I object to the proposed merger? Do I have appraisal rights?**
- A. Arpeggio Stockholders do not have appraisal rights in connection with the merger under applicable Delaware corporation law.
- Q. What happens to the funds deposited in the trust account after consummation of the merger?**
- A. Upon consummation of the merger, Arpeggio stockholders electing to exercise their conversion rights will receive their pro rata portion of the funds in the trust account. The balance of the funds in the trust account will be paid to Arpeggio to be used for working capital.
- Q. Who will manage Arpeggio?**
- A. Irvin E. Richter and David L. Richter, currently members of the board of directors of Hill, Eric S. Rosenfeld and Arnaud Ajdler, currently members of the board of directors of Arpeggio, and _____, _____ and _____ will be appointed to serve on Arpeggio's board of directors after the merger. After the merger, Irvin Richter will serve as chairman and chief executive officer of Arpeggio and David Richter will serve as its president and chief operating officer. It is expected that all of Hill's other officers will continue in their positions after the merger. None of Arpeggio's current officers will continue in his position after the merger.

Table of Contents

- Q. What happens if the merger is not consummated?** A. Arpeggio must liquidate if it does not consummate a business combination by June 30, 2006. Therefore, if the merger is not consummated and if Arpeggio does not otherwise consummate a business combination by June 30, 2006, it will be required to liquidate. In any liquidation, the funds held in the trust account, plus any interest earned thereon, together with any remaining out-of-trust net assets, will be distributed pro rata to the holders of Arpeggio's common stock acquired in Arpeggio's IPO. Holders of Arpeggio common stock acquired prior to the IPO, including all of Arpeggio's officers and directors, have waived any right to any liquidation distribution with respect to those shares. In a liquidation, holders of Arpeggio's outstanding warrants would not receive any value for their warrants.
- Q. When do you expect the merger to be completed?** A. It is currently anticipated that the merger will be consummated promptly following the Arpeggio special meeting on _____, 2006.
- For a description of the conditions to completion of the merger, see the section entitled *Conditions to the Completion of the Merger*.
- Q. What do I need to do now?** A. Arpeggio urges you to read carefully and consider the information contained in this proxy statement, including the annexes, and to consider how the merger will affect you as a stockholder of Arpeggio. You should then vote as soon as possible in accordance with the instructions provided in this proxy statement and on the enclosed proxy card.
- Q. How do I vote?** A. If you are a holder of record of Arpeggio common stock, you may vote in person at the special meeting or by submitting a proxy for the special meeting. You may submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying pre-addressed postage paid envelope. If you hold your shares in street name, which means your shares are held of record by a broker, bank or nominee, you must provide the record holder of your shares with instructions on how to vote your shares.
- Q. What will happen if I abstain from voting or fail to vote?** A. An abstention or failure to vote by an Arpeggio stockholder will have the same effect as a vote against the merger, but will not have the effect of converting your shares of common stock into a pro rata portion of the trust account. An abstention or failure to vote will also have the effect of voting against the certificate of incorporation amendments. An abstention will have the effect of voting against the stock option plan proposal, but failures to vote will have no effect on the stock option plan proposal.
- Q. If my shares are held in street name, will my broker, bank or nominee automatically vote my shares for me?** A. No. Your broker, bank or nominee cannot vote your shares unless you provide instructions on how to vote in accordance with the information and procedures provided to you by your broker, bank or nominee.

Table of Contents

- Q. **Can I change my vote after I have mailed my signed proxy or direction form?** A. Yes. Send a later-dated, signed proxy card to Arpeggio's secretary at the address of Arpeggio's corporate headquarters prior to the date of the special meeting or attend the special meeting in person and vote. You also may revoke your proxy by sending a notice of revocation to Arpeggio's secretary.
- Q. **Do I need to send in my stock certificates?** A. Arpeggio stockholders who do not elect to have their shares converted into a pro rata share of the trust account should not submit their stock certificates now or after the merger, because their shares will not be converted or exchanged in the merger.

Arpeggio stockholders who elect to have their shares converted should continue to hold their shares through the closing of the merger and then tender their stock certificates to Arpeggio. See the section entitled *Special Meeting of Arpeggio Stockholders - Conversion Rights*.

- Q. **What should I do if I receive more than one set of voting materials?** A. You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a holder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive in order to cast a vote with respect to all of your Arpeggio shares.

Q What are the federal income tax consequences of the merger?

The merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code and no gain or loss will be recognized by Arpeggio as a result of the merger.

A stockholder of Arpeggio who exercises conversion rights and effects a termination of the stockholder's interest in Arpeggio will generally be required to recognize capital gain or loss upon the exchange of that stockholder's shares of common stock of Arpeggio for cash, if such shares were held as a capital asset on the date of the merger. Such gain or loss will be measured by the difference between the amount of cash received and the tax basis of that stockholder's shares of Arpeggio common stock. No gain or loss will be recognized by non-converting stockholders of Arpeggio as a result of the merger.

For a description of the material federal income tax consequences of the merger, please see the information set forth in *Material Federal Income Tax Consequences of the Merger*.

To better understand the merger, you should read this entire document carefully, including the merger agreement, as amended, attached as Annex A to this proxy statement. The Parties

Arpeggio

Arpeggio is a blank check company organized as a corporation under the laws of the State of Delaware on April 2, 2004. It was formed to effect a merger, capital stock exchange, asset acquisition or other similar business combination with an operating business. On June 30, 2004, it consummated an IPO of its equity securities from which it derived net proceeds of approximately \$36,772,000. The Arpeggio common stock, warrants to purchase common stock and units (each unit consisting of one share of common stock and two warrants to purchase common stock) are currently quoted on the Over-the-Counter Bulletin Board (OTCBB) under the symbols APGO for the common stock, APGOW for the warrants and APGOU for the units. Approximately \$35,352,000 of the net proceeds of the IPO were placed in a trust account. Such funds, with the interest earned thereon, will be released to Arpeggio upon consummation of the merger, less any amount payable to Arpeggio stockholders that vote against the merger and elect to exercise their conversion rights. The balance of the net proceeds of the IPO, or approximately \$1,420,000, has been and will be used by Arpeggio to pay the expenses incurred in its pursuit of a business combination. As of _____, 2006, Arpeggio had spent approximately \$_____ of that amount. Other than its IPO and the pursuit of a business combination, Arpeggio has not engaged in any business to date. If Arpeggio does not consummate a business combination by June 30, 2006, then, pursuant to Article Sixth of its certificate of incorporation, Arpeggio's officers must take all actions necessary to dissolve and liquidate Arpeggio within 60 days of such date.

The Merger

The merger agreement provides for a business combination transaction by means of a merger of Hill into Arpeggio. This will be accomplished through an exchange of all the issued and outstanding shares of capital stock of Hill for shares of common stock of Arpeggio. Shares of Arpeggio common stock, representing 12% of the shares of Arpeggio common stock to be issued to the Hill stockholders at the closing, will be held in escrow to provide the sole remedy for Arpeggio's rights to indemnity set forth in the merger agreement.

Arpeggio and Hill plan to complete the merger promptly after the Arpeggio special meeting, provided that:

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

Arpeggio's stockholders have approved the merger proposal, the name change amendment and capitalization amendment;

holders of 20% or more of the shares of common stock issued in Arpeggio's IPO have not voted against the merger proposal and demanded conversion of their shares into cash; and

the other conditions specified in the merger agreement have been satisfied or waived.

Arpeggio's Recommendations to Stockholders; Reasons for the Merger

After careful consideration of the terms and conditions of the merger agreement, the certificate of incorporation amendments and the stock option plan, the board of directors of Arpeggio has determined that the merger and the transactions contemplated thereby, each certificate of incorporation amendment and the stock option plan are fair to and in the best interests of Arpeggio and its stockholders. In reaching its decision with respect to the merger and the transactions contemplated thereby, the board of directors of Arpeggio reviewed various industry and financial data and the due diligence and evaluation materials provided by Hill in order to determine that the consideration to be paid to the Hill stockholders was reasonable. Further, Arpeggio has received an opinion from Capitalink that, in its opinion, the merger and the transactions contemplated thereby are fair to Arpeggio's stockholders from a financial point of view. Accordingly, Arpeggio's board of directors recommends that Arpeggio stockholders vote:

FOR the merger proposal;

Table of Contents

FOR the name change amendment;

FOR the capitalization amendment;

FOR the Article Sixth amendment; and

FOR the stock option plan proposal.

The Certificate of Incorporation Amendments

The amendments to Arpeggio's certificate of incorporation are being proposed, upon consummation of the merger, to change Arpeggio's name, increase the number of shares of common stock it is authorized to issue, and eliminate certain provisions which are applicable to Arpeggio only prior to its completion of a business combination. As a result of the amendments, after the merger, Arpeggio will be named Hill International, Inc., the number of shares of common stock it will be authorized to issue will be increased from 30 million to 75 million and Article Sixth of its certificate of incorporation will address only its classified board of directors, with existing provisions that relate to it as a blank check company being deleted.

The Proposed Arpeggio 2006 Employee Stock Option Plan

The Arpeggio 2006 Employee Stock Option Plan reserves 1,140,000 shares of Arpeggio common stock for issuance in accordance with the plan's terms. The purpose of the plan is to create incentives designed to motivate our employees to significantly contribute toward our growth and profitability, to provide Arpeggio executives, directors and other employees, and persons who, by their position, ability and diligence are able to make important contributions to our growth and profitability, with an incentive to assist us in achieving our long-term corporate objectives, to attract and retain qualified executives and other employees, and to provide such persons with an opportunity to acquire an equity interest in Arpeggio. The plan is attached as Annex C to this proxy statement. We encourage you to read the plan in its entirety.

Management of Arpeggio and Hill

As a result of the merger, Hill will be merged into Arpeggio and will no longer survive as a corporate entity. Arpeggio will continue its existence as the surviving corporation. After the consummation of the merger, the board of directors of Arpeggio will consist of Irvin E. Richter, _____, and _____ (each in the class to stand for election in 2006), David L. Richter and Eric S. Rosenfeld (in the class to stand for election in 2007), and Arnaud Ajdler and _____ (in the class to stand for election in 2008). Messrs. Irvin E. Richter and David L. Richter are currently directors of Hill and along with _____, _____ and _____ are designees of the Signing Stockholders under the voting agreement. Messrs. Ajdler and Rosenfeld are currently directors of Arpeggio and are their own designees under the voting agreement.

After the consummation of the merger, the primary executive officers of Arpeggio will be Irvin E. Richter, chairman and chief executive officer, and David L. Richter, president and chief operating officer, who now hold such positions with Hill. It is expected that Hill's other officers will continue in similar positions with Arpeggio after the merger. None of Arpeggio's current officers will continue in his position after the merger.

Table of Contents**Voting Agreement**

Upon consummation of the merger, the Signing Stockholders, on the one hand, and Messrs. Rosenfeld and Ajdler, on the other hand, which groups together will own approximately 69% of Arpeggio's outstanding stock, and Arpeggio will enter into a voting agreement. The voting agreement will require each individual member of a group to vote for the designees of the other group as directors of Arpeggio until immediately following the election that will be held in 2007. Arpeggio will be obligated to provide for its board of directors to be comprised of seven members and to enable the election to the board of directors of the persons designated by the other parties to the voting agreement. The voting agreement is attached as Annex E hereto. We encourage you to read the voting agreement in its entirety.

Arpeggio Inside Stockholders

On the record date, directors and executive officers of Arpeggio and their affiliates (the Arpeggio Inside Stockholders) beneficially owned and were entitled to vote 1,500,000 shares, or approximately 18.1% of Arpeggio's outstanding common stock. These shares were issued to the Arpeggio Inside Stockholders prior to Arpeggio's IPO. In connection with its IPO, Arpeggio and EarlyBirdCapital, Inc., the managing underwriter of the IPO, entered into agreements with each of the Arpeggio Inside Stockholders pursuant to which each Arpeggio Inside Stockholder agreed to vote these shares of Arpeggio common stock on the merger proposal in accordance with the majority of the votes cast by the holders of shares issued in connection with the IPO. The Arpeggio Inside Stockholders also agreed, in connection with the IPO, to place these shares in escrow until June 24, 2007.

Merger Consideration

The holders of the outstanding shares of common stock of Hill immediately before the merger will receive from Arpeggio 14,500,000 shares of Arpeggio common stock at the closing of the merger. Immediately following the Merger, the Hill stockholders will own approximately 63.6% of the total issued and outstanding Arpeggio common stock, assuming that no Arpeggio stockholders seek conversion of their Arpeggio stock into their pro rata share of the trust fund. Of the shares to be issued to the Hill stockholders, 1,740,000 shares, or 12%, will be placed in escrow to secure Arpeggio's indemnity rights under the merger agreement.

The merger agreement also provides for the Hill stockholders to receive up to an additional 6,600,000 shares of Arpeggio common stock, contingent upon the combined companies attaining the following Earnings before Interest and Taxes (EBIT) targets:

<u>Fiscal Year Ending 12/31</u>	<u>Earnings Before Interest and Taxes</u>	<u>Contingent Shares</u>
2006	\$ 9.9 million	2.3 million
2007	\$ 13.5 million	2.3 million
2008	\$ 18.4 million	1.0 million
2009	\$ 24.9 million	1.0 million

Fairness Opinion

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

Pursuant to an engagement letter dated November 23, 2005, we engaged Capitalink, L.C. to render an opinion that our merger with Hill on the terms and conditions set forth in the merger agreement is fair to our stockholders from a financial perspective and that the fair market value of Hill is at least equal to 80% of our net assets. Capitalink is an investment banking firm that, as part of its investment

banking business, regularly is engaged in the evaluation of businesses and their securities in connection with mergers, acquisitions, corporate restructuring, private placements and for other purposes. Our board of directors determined to use the services of Capitalink because it is a recognized investment banking firm that has substantial experience in similar matters. The engagement letter provides that we will pay Capitalink a fee of \$75,000 (which has been paid) and will reimburse Capitalink for its reasonable out-of-pocket expenses, including attorneys fees. We have also agreed to indemnify Capitalink against certain liabilities that may arise out of the rendering of the opinion.

Capitalink delivered its written opinion to our board of directors on December 4, 2005, which stated that, as of such date, and based upon and subject to the assumptions made, matters considered, and limitations on its review as set forth in the opinion, (i) the consideration to be paid by us in the merger is fair to our stockholders from a financial point of view, and (ii) the fair market value of Hill is at least equal to 80% of our net assets. The amount of such consideration was determined pursuant to negotiations between us and Hill and not pursuant to recommendations of Capitalink. The full text of Capitalink's written opinion, attached hereto as Annex D, is incorporated by reference into this proxy statement. You are urged to read the Capitalink opinion carefully and in its entirety for a description of the assumptions made, matters considered, procedures followed and limitations on the review undertaken by Capitalink in rendering its opinion. The summary of the Capitalink opinion set forth in this proxy statement is qualified in its entirety by reference to the full text of the opinion. Capitalink's opinion is addressed to our board of directors only and does not constitute a recommendation to any of our stockholders as to how such stockholders should vote with respect to the merger proposal and the transactions contemplated thereby.

Escrow Agreement - Indemnification of Arpeggio

As the sole remedy for the obligation of the stockholders of Hill to indemnify and hold harmless Arpeggio for any damages, whether as a result of any third party claim or otherwise, and which arise as a result of or in connection with the breach of representations and warranties and agreements and covenants of Hill, at the closing, 12% of the shares of Arpeggio common stock to be issued to the Hill stockholders upon consummation of the merger will be deposited in escrow. Of the shares placed in escrow, five-sixths will be available for the satisfaction of all indemnification claims other than those relating to taxes and one-sixth will be available solely for the satisfaction of tax indemnification claims. Any indemnification payments shall be paid solely from the shares placed in escrow or, at the election of a holder of the escrow shares, in cash paid by such holder in substitution for such shares. Claims for indemnification may be asserted by Arpeggio once the damages exceed \$500,000 and are indemnifiable to the extent that damages exceed that amount. However, claims with respect to taxes and certain other matters are not subject to such threshold. The shares available for indemnification claims other than those relating to taxes, less any of the shares applied in satisfaction of a claim for indemnification and the shares related to a claim for indemnification that is then unresolved, will be released on the first business day following the date that is 30 days after the date on which Arpeggio files its Report on Form 10-K pursuant to the Exchange Act of 1934, as amended, for its 2006 fiscal year, to such persons in the same proportions as initially deposited in escrow. Shares still in escrow on December 30, 2010, will be released on the next business day, even if claims to which they relate are not then resolved. For purposes of satisfying an indemnification claim, shares of Arpeggio common stock will be valued at the average reported last sales price for the ten trading days ending on the last day prior to the day that the claim is paid. The escrow agreement is attached as Annex F hereto. We encourage you to read the escrow agreement in its entirety.

The determination to assert a claim for indemnification by Arpeggio against the escrow shares will be made by Eric S. Rosenfeld, who is a current member of Arpeggio's board of directors. Irvin E. Richter has been designated under the merger agreement to represent the interests of the Hill stockholders with respect to claims for indemnification by Arpeggio against such shares.

Lock-Up Agreements

At the closing of the merger, the Signing Stockholders will enter into lock-up agreements that provide that they not sell or otherwise transfer any of the shares of common stock of Arpeggio that they receive in the merger until December 31, 2007, subject to certain exceptions, including the right to use their shares to secure margin loans not to exceed 20% of the value of the shares at the time the loans are made. The lock-up agreements are to be entered into to ensure that the shares of Arpeggio received by the Signing Stockholders in the merger will not offer the potential to impact upon the market price during the period the restrictions apply.

A quorum of Arpeggio stockholders is necessary to hold a valid meeting. A quorum will be present at the Arpeggio special meeting if a majority of the outstanding shares entitled to vote at the meeting are represented in person or by proxy. Abstentions and broker non-votes will count as present for the purposes of establishing a quorum.

The approval of the capitalization amendment will require the affirmative vote of the holders of a majority of the outstanding shares of Arpeggio common stock on the record date.

The approval of the Article Sixth amendment will require the affirmative vote of the holders of a majority of the outstanding shares of Arpeggio common stock on the record date.

The approval of the stock option plan proposal will require the affirmative vote of the holders of a majority of the shares of Arpeggio common stock represented in person or by proxy and entitled to vote at the meeting.

Abstentions will have the same effect as a vote AGAINST the merger proposal and the proposals to amend the certificate of incorporation and the stock option plan. Broker non-votes, while considered present for the purposes of establishing a quorum, will have the effect of votes against the merger proposal and the proposals to amend the certificate of incorporation, but will have no effect on the stock option plan proposal. Please note that you cannot seek conversion of your shares unless you affirmatively vote against the merger.

Relation of Proposals

The merger will not be consummated unless each of the name change amendment and the capitalization amendment is approved and neither of the name change amendment nor the capitalization amendment will be presented to the meeting for adoption unless the merger proposal is approved. The approvals of the Article Sixth amendment and the stock option plan proposal are not conditions to the consummation of the merger or to the adoption of either of the name change amendment or the capitalization amendment but, if the merger proposal is not approved, neither will be presented at the meeting for adoption. The stock option plan has been approved by Arpeggio's Board of Directors and will take effect upon consummation of the merger, subject to stockholder approval of the stock option plan proposal.

Conversion Rights

Pursuant to Arpeggio's certificate of incorporation, a holder of shares of Arpeggio's common stock issued in its IPO may, if the stockholder affirmatively votes against the merger, demand that Arpeggio convert such shares into cash. This demand must be made in writing at the same time that the stockholder votes against the merger proposal. Demand may be made by checking the box on the proxy card provided for that purpose and returning the proxy card in accordance with the instructions provided. Demand may also be made in any other writing that clearly states that conversion is demanded and is delivered so that it is received by Arpeggio at any time up to the stockholder meeting. If properly demanded, Arpeggio will convert each share of common stock into a pro rata portion of the trust account as of the record date. This would amount to approximately \$_____ per share of Arpeggio's common stock. An improperly made demand for conversion may be remedied at any time until the stockholder meeting. If you exercise your conversion rights, then you will be exchanging your shares of Arpeggio common stock for cash and will no longer own the shares. You will be entitled to receive cash for these shares only if you affirmatively vote against the merger, properly demand conversion, continue to hold these shares through the effective time of the merger and then tender your stock certificate to Arpeggio. If the merger is not completed, these shares will not be converted into cash. However, if we are unable to complete the merger or another business combination by June 30, 2006, we will be forced to liquidate and all public

stockholders will receive at least the amount they would have received if they sought conversion of their shares and we did consummate the merger.

The merger will not be consummated if the holders of 20% or more of the common stock issued in Arpeggio's IPO (1,360,000 shares or more) exercise their conversion rights.

Appraisal Rights

Arpeggio stockholders do not have appraisal rights in connection with the merger.

Proxies

Proxies may be solicited by mail, telephone or in person. We have engaged Mackenzie Partners, Inc. to assist us in the solicitation of proxies.

If you grant a proxy, you may still vote your shares in person if you revoke your proxy at or before the special meeting.

Interests of Arpeggio Directors and Officers in the Merger

When you consider the recommendation of Arpeggio's board of directors in favor of adoption of the merger proposal, you should keep in mind that Arpeggio's executive officers and members of Arpeggio's board have interests in the merger transaction that are different from, or in addition to, your interests as a stockholder. These interests include, among other things:

if the merger is not approved and Arpeggio is unable to complete another business combination by June 30, 2006, Arpeggio will be required to liquidate. In such event, the 1,500,000 shares of common stock held by Arpeggio's officers and directors that were acquired prior to the IPO will be worthless because Arpeggio's initial stockholders are not entitled to receive any liquidation proceeds with respect to such shares. Such shares had an aggregate value of \$8,955,000 based on the last sale price on the OTCBB on February 7, 2006. Additionally, the 1,010,500 warrants (allowing for the purchase of 1,010,500 shares of Arpeggio's common stock) held by such persons and our special advisor will expire without value in the event of liquidation;

after the completion of the merger, Eric S. Rosenfeld and Arnaud Ajdler will serve as members of the board of directors of Arpeggio. As such, in the future each may receive certain cash fees, stock options and stock awards that the Arpeggio board of directors may determine to pay its non-executive directors; and

if Arpeggio liquidates prior to the consummation of a business combination, Eric S. Rosenfeld, our current chairman of the board, chief executive officer and president, will be personally liable to pay debts and obligations, if any, to vendors and other entities that

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

are owed money by Arpeggio for services rendered or products sold to Arpeggio, or to any target business, to the extent such debts and obligations are not covered by Arpeggio's assets, excluding amounts in the trust fund. This arrangement was entered into to ensure that, in the event of liquidation, the trust fund is not reduced by claims of creditors. Based on Arpeggio's estimated debts and obligations, it is not currently expected that Mr. Rosenfeld will have any exposure under this arrangement in the event of liquidation.

Conditions to the Closing of the Merger

Consummation of the merger agreement and the related transactions is conditioned on the Arpeggio stockholders (i) adopting the merger proposal, (ii) approving the name change amendment, and (iii) approving the capitalization amendment. The Arpeggio stockholders will also be asked to adopt the stock option plan and to approve the removal of all of the provisions of Article Sixth of Arpeggio's certificate of incorporation other than the paragraph relating to Arpeggio's staggered board of directors. The transaction is not dependent on the approval of either of such actions. The stock option plan has been approved by our Board of Directors and will be effective upon consummation of the merger if approved by the Arpeggio stockholders. If stockholders owning 20% or more of the shares sold in the IPO vote against the transaction and exercise their right to convert their shares purchased in the IPO into a pro-rata portion of the funds held in trust by Arpeggio for the benefit of the holders of shares purchased in the IPO, then the merger cannot be consummated.

In addition, the consummation of the merger is conditioned upon the following, among other things:

no order, stay, judgment or decree being issued by any governmental authority preventing, restraining or prohibiting in whole or in part, the consummation of such transactions;

the delivery by each party to the other party of a certificate to the effect that the representations and warranties of the delivering party are true and correct in all material respects as of the closing and all covenants contained in the merger agreement have been materially complied with by the delivering party; and

Arpeggio's common stock being quoted on the OTCBB or listed for trading on Nasdaq and there being no action or proceeding pending or threatened against Arpeggio by the National Association of Securities Dealers, Inc. (NASD) to prohibit or terminate the quotation of Arpeggio's common stock on the OTCBB or the trading thereof on Nasdaq.

Hill's Conditions to Closing of the Merger

The obligations of Hill to consummate the transactions contemplated by the merger agreement, in addition to the conditions described above, are conditioned upon each of the following, among other things:

there shall have been no material adverse effect with respect to Arpeggio since the date of the merger agreement;

Hill shall have received a legal opinion substantially in the form annexed to the merger agreement, which is customary for transactions of this nature, from Graubard Miller, counsel to Arpeggio; and

Arpeggio shall have made appropriate arrangements with Continental Stock Transfer & Trust Company to have the trust fund disbursed to Arpeggio immediately upon the Closing.

Table of Contents

Arpeggio's Conditions to Closing of the Merger

The obligations of Arpeggio to consummate the transactions contemplated by the merger agreement, in addition to the conditions described above in the second paragraph of this section, are conditioned upon each of the following, among other things:

there shall have been no material adverse effect with respect to Hill since the date of the merger agreement;

employment agreements between Arpeggio and each of Irvin E. Richter, David L. Richter and Stuart S. Richter shall be in full force and effect;

Arpeggio shall have received a legal opinion substantially in the form annexed to the merger agreement, which is customary for transactions of this nature, from McCarter & English, LLP, counsel to Hill;

Arpeggio shall have received comfort letters from BDO Seidman, LLP and Amper, Politziner & Mattia P.C., dated the date of distribution of this proxy statement and the date of consummation of the merger, in forms customary for transactions of this nature, confirming that certain financial data in this proxy statement, other than the numbers in the actual financial statements, are derived from the financial statements and/or accounting records of the respective company;

the voting agreement and the lock-up agreements shall be in full force and effect; and

(i) all outstanding loans to insiders from Hill shall have been repaid in full; (ii) all outstanding guaranties and similar arrangements pursuant to which Hill has guaranteed the payment or performance of any obligations of any insider to a third party shall have been terminated; and (iii) no Hill insider shall own any direct equity interests in any subsidiary of Hill or in any other person that utilizes the name Hill International.

Termination, Amendment and Waiver

The merger agreement will terminate if the merger has not been consummated by June 30, 2006. In addition, the merger agreement may be terminated at any time, but not later than the closing, as follows:

by mutual written consent of Arpeggio and Hill;

by either party if a governmental entity shall have issued an order, decree or ruling or taken any other action, in any case having the effect of permanently restraining, enjoining or otherwise prohibiting the merger, which order, decree, ruling or other action is final and nonappealable;

by either party if the other party has breached any of its covenants or representations and warranties in any material respect and has not cured its breach within 30 days of the notice of an intent to terminate, provided that the terminating party is itself not in breach;

Table of Contents

by either party if, at the Arpeggio stockholders meeting, the merger agreement and the transactions contemplated thereby shall fail to be approved and adopted by the affirmative vote of the holders of a majority of Arpeggio's outstanding common stock; or

by either party if the holders of 20% or more of the shares issued in Arpeggio's IPO (1,360,000 shares or more) exercise their conversion rights.

The merger agreement does not specifically address the rights of a party in the event of a refusal or wrongful failure of the other party to consummate the merger. In such event, the non-wrongful party would be entitled to assert its legal rights for breach of contract against the wrongful party.

If permitted under applicable law, either Hill or Arpeggio may waive any inaccuracies in the representations and warranties made to such party contained in the merger agreement and waive compliance with any agreements or conditions for its benefit contained in the merger agreement. We cannot assure you that any or all of the conditions will be satisfied or waived. However, the condition that the holders of fewer than 20% of the shares of Arpeggio common stock issued in its IPO demand conversion cannot be waived.

Quotation or Listing

Arpeggio's outstanding common stock, warrants and units are quoted on the OTCBB. Arpeggio and Hill will use their reasonable best efforts to obtain the listing for trading on Nasdaq of Arpeggio common stock, warrants and units. In the event Arpeggio's common stock, warrants and units are listed on Nasdaq at the time of the closing of the merger, the symbols will change to ones determined by the board of directors of Arpeggio and Nasdaq that are reasonably representative of the corporate name or business of Arpeggio. If the listing on Nasdaq is not approved, it is expected that Arpeggio's common stock, warrants and units will continue to be quoted on the OTCBB.

Tax Consequences of the Merger

Arpeggio has received an opinion from its tax counsel that, for federal income tax purposes, the merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code and no gain or loss will be recognized by Arpeggio as a result of the merger.

Arpeggio has also received an opinion of its counsel that:

A stockholder of Arpeggio who exercises conversion rights and effects a termination of the stockholder's interest in Arpeggio will generally be required to recognize capital gain or loss upon the exchange of that stockholder's shares of common stock of Arpeggio for cash, if such shares were held as a capital asset on the date of the merger. Such gain or loss will be measured by the difference between the amount of cash received and the tax basis of that stockholder's shares of Arpeggio common stock; and

No gain or loss will be recognized by non-converting stockholders of Arpeggio.

Accounting Treatment

The merger will be accounted for under the purchase method of accounting as a reverse acquisition in accordance with accounting principles generally accepted in the United States of America for accounting and financial reporting purposes. Under this method of accounting, Arpeggio will be treated as the acquired company for financial reporting purposes. In accordance with guidance applicable to these circumstances, the merger will be considered to be a capital transaction in substance. Accordingly, for accounting purposes, the merger will be treated as the equivalent of Hill issuing stock for the net monetary assets of Arpeggio, accompanied by a recapitalization. The net monetary assets of Arpeggio will be stated at their fair value, essentially equivalent to historical costs, with no goodwill or other intangible assets recorded. The retained earnings of Hill will be carried forward after the merger. Operations prior to the merger will be those of Hill.

Regulatory Matters

The merger and the transactions contemplated by the merger agreement are not subject to any additional federal or state regulatory requirement or approval, including the Hart-Scott-Rodino Antitrust Improvements Act of 1976, or HSR Act, except for filings with the State of Delaware necessary to effectuate the transactions contemplated by the merger agreement.

Risk Factors

In evaluating the merger proposal, the name change amendment, the capitalization amendment, the Article Sixth amendment and the stock option plan proposal, you should carefully read this proxy statement and especially consider the factors discussed in the section entitled *Risk Factors*.

Selected Unaudited Pro Forma Combined Financial Information of Arpeggio and Hill

The merger will be accounted for as a reverse acquisition under the purchase method of accounting. Hill will be treated as the continuing reporting entity for accounting purposes. The assets and liabilities of Arpeggio will be recorded, as of the completion of the merger, at fair value, which is considered to approximate historical cost and added to those of Hill. Since Arpeggio had no operations, the merger has been accounted for as a recapitalization of Hill. For a more detailed description of purchase accounting, see *The Merger Proposal Anticipated Accounting Treatment*.

Market Price and Dividend Data for Arpeggio Securities

Arpeggio consummated its IPO on June 30, 2004. In the IPO, Arpeggio sold 6,800,000 units, including 800,000 units that were subject to the underwriters' over allotment option. Each unit consists of one share of the Company's common stock and two redeemable common stock purchase warrants, each to purchase one share of Arpeggio's common stock. Arpeggio common stock, warrants and units are quoted on the OTCBB under the symbols APGO, APGOW and APGOU, respectively. Arpeggio's units commenced public trading on June 25, 2004, and its common stock and warrants commenced separate public trading on July 7, 2004. The closing price for each share of common stock, warrant and unit of Arpeggio on December 2, 2005, the last trading day before announcement of the execution of the merger agreement, as amended, was \$5.31, \$0.54 and \$6.45, respectively.

Arpeggio and Hill will use their reasonable efforts to obtain the listing for trading on Nasdaq of Arpeggio common stock, warrants and units. In the event Arpeggio's common stock, warrants and units are listed on Nasdaq at the time of the closing of the merger, the symbols will change to ones determined by Arpeggio and Nasdaq that are reasonably representative of the corporate name or business of Arpeggio. Arpeggio's management anticipates that the Nasdaq listing will be concurrent with the consummation of the merger. If the listing on Nasdaq is not approved, it is expected that the common stock, warrants and units will continue to be quoted on the OTCBB.

Holders

As of _____, 2006, there were ____ holders of record of the units, ____ holders of record of the common stock and _____ holders of record of the warrants. Arpeggio believes the beneficial holders of the units, common stock and warrants to be in excess of _____ persons each.

Dividends

Arpeggio has not paid any cash dividends on its common stock to date and does not intend to pay dividends prior to the completion of the merger. It is the present intention of the board of directors to retain all earnings, if any, for use in the business operations, and accordingly, the board does not anticipate declaring any dividends in the foreseeable future. The payment of any dividends subsequent to the merger will be within the discretion of the then board of directors and will be contingent upon revenues and earnings, if any, capital requirements and general financial condition subsequent to completion of a business combination.

Table of Contents

RISK FACTORS

You should carefully consider the following risk factors, together with all of the other information included in this proxy statement, before you decide whether to vote or instruct your vote to be cast to adopt the merger proposal.

Risks Relating to Our Business and Operations Following the Merger with Hill

The value of your investment in Arpeggio following consummation of the merger will be subject to the significant risks inherent in the construction management and claims consulting business. You should carefully consider the risks and uncertainties described below and other information included in this proxy statement. If any of the events described below occur, Arpeggio's post-merger business and financial results could be adversely affected in a material way. This could cause the trading price of our common stock to decline, perhaps significantly, and you therefore may lose all or part of your investment.

An economic downturn could cause Hill's revenues, profits and overall financial condition to deteriorate.

Demand for Hill's services is vulnerable to economic downturns, which may result in clients delaying, curtailing or canceling proposed and existing projects. Hill's clients may demand better pricing terms and their ability to pay its invoices may be affected by the economy. Hill's government clients may face decreased funding or budget deficits that prohibit them from funding proposed and existing projects. Following a downturn, its business may not recover immediately when the economy improves. If the current economy worsens, then Hill's revenues, profits and overall financial condition may deteriorate.

Hill depends on long-term government contracts, many of which are funded on an annual basis. If appropriations are not made in subsequent years of a multiple-year contract, Hill will not realize all of its potential revenue and profit from that project.

A majority of Hill's revenues is derived from contracts with agencies and departments of national, state and local governments, as well as foreign governments. During the fiscal years ended December 27, 2003, January 1, 2005 and during the nine months ended October 1, 2005, approximately 67.4%, 74.4% and 70.2%, respectively, of Hill's revenues were derived from contracts with government entities.

Most government contracts are subject to the continuing availability of legislative appropriation. Legislatures typically appropriate funds for a given program on a year-by-year basis, even though contract performance may take more than one year. As a result, at the beginning of a program, the related contract is only partially funded, and additional funding is normally committed only as appropriations are made in each subsequent fiscal year. These appropriations, and the timing of payment of appropriated amounts, may be influenced by, among other things, the state of the economy, competing priorities for appropriation, the timing and amount of tax receipts and the overall level of government expenditures. If appropriations are not made in subsequent years on government contracts, then Hill will not realize all of its potential revenue and profit from that contract.

Table of Contents

Because Hill depends on government contracts for a significant portion of its revenue, Hill's inability to win profitable government contracts could harm its operations and adversely affect its net income.

Revenues from federal government contracts and state and local government contracts represented approximately 17.1% and 36.3%, respectively, of Hill's revenues for the nine months ended October 1, 2005 and revenues from foreign government contracts represented approximately 16.8% of such nine-month revenues. Hill's inability to win profitable government contracts could harm its operations and adversely affect its net income. Government contracts are typically awarded through a heavily regulated procurement process. Some government contracts are awarded to multiple competitors, causing increases in overall competition and pricing pressure. The competition and pricing pressure, in turn, may require Hill to make sustained post-award efforts to reduce costs in order to realize revenues under these contracts. If Hill is not successful in reducing the amount of costs it anticipates, its profitability on these contracts may be negatively impacted. Also, some of Hill's federal government contracts require U.S. government security clearances. If Hill or certain of its personnel were to lose these security clearances, Hill's ability to continue performance of these contracts or to win new contracts requiring a clearance may be negatively impacted.

Hill depends on government contracts that may be terminated by the government, which may affect its ability to recognize all of its potential revenue and profit from the project.

Most government contracts are subject to termination by the government either at its convenience or upon the default of the contractor. If the government terminates a contract at its convenience, then Hill typically is able to recover only costs incurred or committed, settlement expenses and profit on work completed prior to termination, which could prevent Hill from recognizing all of its potential revenue and profit from that contract. If the government terminates the contract due to Hill's default, Hill could be liable for excess costs incurred by the government in re-procuring services from another source, as well as other costs.

Hill's contracts with governmental agencies are subject to audit, which could result in adjustments to reimbursable contract costs or, if Hill is charged with wrongdoing, possible temporary or permanent suspension from participating in government programs.

Hill's books and records are subject to audit by the various governmental agencies it serves and by their representatives. These audits can result in adjustments to reimbursable contract costs and allocated overhead. In addition, if as a result of an audit, Hill or one of its subsidiaries is charged with wrongdoing or the government agency determines that Hill or one of its subsidiaries is otherwise no longer eligible for federal contracts, then Hill or, as applicable, that subsidiary, could be temporarily suspended or, in the event of convictions or civil judgments, could be prohibited from bidding on and receiving future government contracts for a period of time. Furthermore, as a U.S. government contractor, Hill is subject to an increased risk of investigations, criminal prosecution, civil fraud, whistleblower lawsuits and other legal actions and liabilities to which non-government contractors are not, the results of which could have a material adverse effect on Hill's operations.

Table of Contents

Hill submits change orders to its customers for work it performs beyond the scope of some of its contracts. If Hill's customers do not approve these change orders, its net income and results of operations could be adversely impacted.

Hill typically submits change orders under some of its contracts for payment of work performed beyond the initial contractual requirements. The applicable customers may not approve or may contest these change orders and Hill cannot assure you that these claims will be approved in whole, in part or at all. If these claims are not approved, Hill's net income and results of operations could be adversely impacted.

Hill's business and operating results could be adversely affected by losses under fixed-price contracts.

Hill sometimes enters into fixed-price contracts that require it to either perform all work under the contract for a specified lump-sum or to perform an estimated number of units of work at an agreed price per unit, with the total payment determined by the actual number of units performed. A significant portion of Hill's revenues comes from fixed-price contracts. Fixed-price contracts expose Hill to a number of risks not inherent in cost-plus contracts, including underestimation of costs, ambiguities in specifications, unforeseen costs or difficulties, delays beyond Hill's control, failures of subcontractors to perform and economic or other changes that may occur during the contract period. Losses under fixed-price contracts could have a material adverse effect on Hill's business.

Hill's backlog of uncompleted projects under contract or awarded is subject to unexpected adjustments and cancellations, including future appropriations by the applicable contracting government agency, and is, therefore, an uncertain indicator of its future revenues and profits.

At December 31, 2005, Hill's backlog of uncompleted projects under contract or awarded was approximately \$281 million. Neither we nor Hill's management can assure you that the revenues attributed to uncompleted projects under contract will be realized or, if realized, will result in profits. Many projects may remain in Hill's backlog for an extended period of time because of the size or long-term nature of the contract. In addition, from time to time projects are scaled back or cancelled. These types of backlog reductions adversely affect the revenue and profit that Hill ultimately receives from contracts reflected in its backlog. Included in Hill's backlog is the maximum amount of all indefinite delivery/indefinite quantity (ID/IQ), or task order, contracts, or a lesser amount if Hill does not reasonably expect to be issued task orders for the maximum amount of such contracts. Neither we nor Hill's management can provide any assurance that Hill will in fact be awarded the maximum amount of such contracts.

Hill is dependent upon its key personnel.

Hill is dependent upon the efforts of its executive officers, particularly Irvin Richter. Mr. Richter has served as Hill's only Chief Executive Officer since its founding in 1976, and the loss of Mr. Richter's services could have an adverse effect on Hill's operations. On or prior to the consummation of the merger, Hill and Mr. Richter intend to enter into an employment agreement for a term of three years, commencing on the effective date of the merger. Hill maintains key-man life insurance coverage for Mr. Richter.

Table of Contents

Hill's ability to grow and compete in its industry will be harmed if it does not retain the continued service of its key management, sales and technical personnel and identify, hire and retain additional qualified personnel.

There is intense competition for qualified management, sales and technical personnel in the industry sectors in which Hill competes. Hill may not be able to continue to attract and retain qualified personnel who are necessary for the development of its business or to replace qualified personnel. Any growth Hill experiences is expected to place increased demands on its resources and will likely require the addition of personnel and the development of additional expertise by existing personnel. Also, some of Hill's personnel hold security clearance levels required to obtain government projects and, if Hill were to lose some or all of these personnel, they may be difficult to replace. Loss of the services of, or failure to recruit, key personnel could limit Hill's ability to complete existing projects successfully and to compete for new projects.

Hill's dependence on subcontractors, partners and specialists could adversely affect its business.

Hill relies on third-party subcontractors as well as third-party strategic partners and specialists to complete its projects. To the extent that Hill cannot engage such subcontractors, partners or specialists or cannot engage them on a competitive basis, its ability to complete a project in a timely fashion or at a profit may be impaired. If Hill is unable to engage appropriate strategic partners or specialists in some instances, it could lose the ability to win some contracts. In addition, if a subcontractor or specialist is unable to deliver its services according to the negotiated terms for any reason, including the deterioration of its financial condition or over-commitment of its resources, Hill may be required to purchase the services from another source at a higher price. This may reduce the profit to be realized or result in a loss on a project for which the services were needed.

If Hill's partners fail to perform their contractual obligations on a project, Hill could be exposed to legal liability, loss of reputation or reduced profits.

Hill sometimes enters into subcontracts and other contractual arrangements with outside partners to jointly bid on and execute a particular project. The success of these joint projects depends on the satisfactory performance of the contractual obligations of Hill's partners. If any of its partners fails to satisfactorily perform its contractual obligations, Hill may be required to make additional investments and provide additional services to complete the project. If Hill is unable to adequately address its partner's performance issues, then its client could terminate the joint project, exposing Hill to legal liability, loss of reputation or reduced profits.

Hill's services expose it to significant risks of liability and its insurance policies may not provide adequate coverage.

Hill's services involve significant risks of professional and other liabilities that may substantially exceed the fees that it derives from its services. In addition, Hill sometimes contractually assumes liability under indemnification agreements. Hill cannot predict the magnitude of potential liabilities from the operation of its business.

Hill currently maintains comprehensive general liability, umbrella and professional liability insurance policies. Professional liability policies are claims made policies. Thus, only claims made during the term of the policy are covered. Additionally, Hill's insurance policies may not protect it against potential liability due to various exclusions and retentions. Partially or completely uninsured claims, if successful and of significant magnitude, could have a material adverse affect on Hill's business.

Also, the terrorist attacks that occurred on September 11, 2001 have had a material adverse effect on the insurance industry as a whole. Consequently, along with its competition, Hill has experienced, and expects to continue to experience, a significant increase in its insurance premiums.

Table of Contents

International operations expose Hill to legal, political and economic risks in different countries and currency exchange rate fluctuations could adversely affect its financial results.

During the fiscal years ending December 27, 2003 and January 1, 2005, and during the nine months ended October 1, 2005, revenues attributable to Hill's international operations were 21.9%, 28.1% and 36.3%, respectively. Hill's management expects the percentage of revenues attributable to its international operations to increase. There are risks inherent in doing business internationally, including:

lack of developed legal systems to enforce contractual rights;

greater risk of uncollectible accounts and longer collections cycles;

currency exchange rate fluctuations;

imposition of governmental controls;

political and economic instability;

changes in U.S. and other national government policies affecting the markets for Hill's services;

changes in regulatory practices, tariffs and taxes;

potential non-compliance with a wide variety of non-U.S. laws and regulations; and

general economic and political conditions in these foreign markets.

Any of these factors could have a material adverse effect on Hill's business, results of operations or financial condition.

Changes to the laws of the foreign countries in which Hill operates may adversely affect its international operations.

Hill has contracts to perform services for projects located in a number of foreign countries, including, among others, the United Kingdom, Romania, Macedonia, Serbia, Croatia, Latvia, Iraq, Kuwait, Bahrain, Qatar, Egypt, Senegal, Morocco and the United Arab Emirates. Hill expects to have additional similar contracts in the future. In addition, Hill has offices in eleven foreign countries. The laws and regulations in the countries in which Hill is working on projects or in which it has offices might change in a manner that negatively impacts Hill's business. Such changes could have a material adverse effect on Hill's business.

Hill's business sometimes requires its employees to travel to and work in high security risk countries, which may result in employee injury, repatriation costs or other unforeseen costs.

Many of Hill's employees often travel to and work in high security risk countries around the world that are undergoing or that may undergo political, social and economic upheavals resulting in war, civil unrest, criminal activity or acts of terrorism. For example, Hill has employees working in Iraq, a high security risk country with substantial civil unrest and acts of terrorism. As a result, Hill may be subject to costs related to employee injury, repatriation or other unforeseen circumstances.

Hill has acquired and may continue to acquire businesses as strategic opportunities arise and may be unable to realize the anticipated benefits of those acquisitions.

Since 1998, Hill has acquired seven companies and its strategy is to continue to expand and diversify its operations with additional acquisitions as strategic opportunities arise. Some of the risks that may affect Hill's ability to realize any anticipated benefits from companies that it acquires include:

Table of Contents

unexpected losses of key personnel or clients of the acquired business;

difficulties arising from the increasing scope, geographic diversity and complexity of its operations;

diversion of management's attention from other business concerns; and

adverse effects on existing business relationships with clients.

In addition, managing the growth of Hill's operations will require Hill to continually improve its operational, financial and human resources management systems and other internal systems and controls. If Hill is unable to manage any growth effectively or to successfully integrate any acquisitions, that could have a material adverse effect on Hill's business.

Risks Related to the Merger

There will be a substantial number of shares of Arpeggio's common stock available for sale in the future that may increase the volume of common stock available for sale in the open market and may cause a decline in the market price of our common stock.

The consideration to be issued in the merger to the Hill stockholders will include 14,500,000 shares of Arpeggio common stock that will be issued at the closing and up to an additional 6,600,000 shares that may be issued if certain earnings targets are met subsequent to the closing. These shares will be restricted and cannot be sold publicly until the expiration of the restricted period under the lock-up agreements (December 31, 2007) and under Rule 144 promulgated under the Securities Act of 1933. However, upon expiration of the restricted period, the presence of such additional shares eligible for trading in the public market may have an adverse effect on the market price of our common stock.

Our outstanding warrants may be exercised in the future, which would increase the number of shares eligible for future resale in the public market and result in dilution to our stockholders. This might have an adverse effect on the market price of the common stock.

Outstanding redeemable warrants to purchase an aggregate of 13,600,000 shares of common stock issued in the IPO will become exercisable after the consummation of the merger. These will be exercised only if the \$5.00 per share exercise price is below the market price of our common stock. To the extent they are exercised, additional shares of our common stock will be issued, which will result in dilution to our stockholders and increase the number of shares eligible for resale in the public market. Sales of substantial numbers of such shares in the public market could adversely affect the market price of such shares.

Our working capital will be reduced if Arpeggio stockholders exercise their right to convert their shares into cash. This would reduce our cash reserve after the merger.

Pursuant to our certificate of incorporation, holders of shares issued in our IPO may vote against the merger and demand that we convert their shares into a pro rata share of the trust account where a substantial portion of the net proceeds of the IPO are held. We and Hill will not

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

consummate the merger if holders of 1,360,000 or more shares of common stock issued in our IPO exercise these conversion rights. To the extent the merger is consummated and holders have demanded to so convert their shares, there will be a corresponding reduction in the amount of funds available to the combined company following the merger. As of _____, 2006, the record date, assuming the merger proposal is adopted, the maximum amount of funds that could be disbursed to our stockholders upon the exercise of their conversion rights is approximately \$_____, or approximately 20% of the funds then held in the trust account. Any payment upon exercise of conversion rights will reduce our cash after the merger, which may limit our ability to implement our business plan.

Table of Contents

If Arpeggio stockholders fail to vote or abstain from voting on the merger proposal, they may not exercise their conversion rights to convert their shares of common stock of Arpeggio into a pro rata portion of the trust account as of the record date.

Arpeggio stockholders holding shares of Arpeggio stock issued in our IPO who affirmatively vote against the merger proposal may, at the same time, demand that we convert their shares into a pro rata portion of the trust account as of the record date. Arpeggio stockholders who seek to exercise this conversion right must affirmatively vote against the merger. Any Arpeggio stockholder who fails to vote or who abstains from voting on the merger proposal may not exercise his conversion rights and will not receive a pro rata portion of the trust account for conversion of his shares.

If we are unable to obtain a listing of our securities on Nasdaq or any stock exchange, it may be more difficult for our stockholders to sell their securities.

Arpeggio's units, common stock and warrants are currently traded in the over-the-counter market and quoted on the OTCBB. We have applied for listing on Nasdaq. Generally, Nasdaq requires that a company applying for listing on the Nasdaq SmallCap Market have stockholders' equity of not less than \$5.0 million or a market value of listed securities of \$50 million or net income from continuing operations of not less than \$750,000, at least 1,000,000 publicly held shares, and a minimum bid price of \$4.00 with over 300 round lot stockholders. There is no assurance that such listing will be obtained and listing is not a condition to closing the merger. If we are unable to obtain a listing or approval of trading of our securities on Nasdaq, then it may be more difficult for stockholders to sell their securities.

Our current directors and executive officers own shares of common stock and warrants and have other interests in the merger that are different from yours. If the merger is not approved the securities held by them will become worthless. Consequently, they may have a conflict of interest in determining whether particular changes to the business combination with Hill or waivers of the terms thereof are appropriate.

All of our officers and directors own stock in Arpeggio, which they purchased prior to our IPO. Additionally, such persons (including our special advisor) purchased 1,010,500 warrants in the aftermarket after our IPO. Our executives and directors are not entitled to receive any of the cash proceeds that may be distributed upon our liquidation with respect to shares they acquired prior to our IPO. Therefore, if the merger is not approved and we are forced to liquidate, such shares held by our officers and directors will be worthless, as will the warrants, which cannot be sold by them prior to the consummation of the merger. Also, after the completion of the merger, Eric S. Rosenfeld and Arnaud Ajdler will serve as members of the board of directors of Arpeggio. As such, in the future each may receive certain cash fees and stock awards that the Arpeggio board of directors may determine to pay its non-executive directors. In addition, if Arpeggio liquidates prior to the consummation of a business combination, Eric S. Rosenfeld, our current chairman of the board, chief executive officer and president, will be personally liable to pay debts and obligations, if any, to vendors and other entities that are owed money by Arpeggio for services rendered or products sold to Arpeggio, or to any target business, to the extent such debts and obligations are not covered by Arpeggio's assets, excluding amounts in the trust fund.

These personal and financial interests of our directors and officers may have influenced their decision to approve our business combination with Hill. In considering the recommendations of our board of directors to vote for and our special advisor to support the merger proposal and other proposals, you should consider these interests. Additionally, the exercise of our directors' and officers' discretion in agreeing to changes or waivers in the terms of the business combination may result in a conflict of interest when determining whether such changes or waivers are appropriate and in our stockholders' best interest.

Table of Contents

Voting control by our executive officers, directors and other affiliates may limit your ability to influence the outcome of director elections and other matters requiring stockholder approval.

Upon consummation of the merger, the persons who are parties to the voting agreement (Irvin Richter, David Richter, Brady Richter, Eric Rosenfeld and Arnaud Ajdler) will own approximately 63.6% of our voting stock. These persons have agreed to vote for each other's designees to our board of directors through director elections in 2007. Accordingly, they will be able to control the election of directors and, therefore, our policies and direction during the term of the voting agreement. This concentration of ownership and voting agreement could have the effect of delaying or preventing a change in our control or discouraging a potential acquirer from attempting to obtain control of us, which in turn could have a material adverse effect on the market price of our common stock or prevent our stockholders from realizing a premium over the market price for their shares of common stock.

Record Date; Who is Entitled to Vote

We have fixed the close of business on _____, 2006, as the record date for determining Arpeggio stockholders entitled to notice of and to attend and vote at the special meeting. As of the close of business on _____, 2006, there were 8,300,000 shares of our common stock outstanding and entitled to vote. Each share of our common stock is entitled to one vote per share at the special meeting.

Table of Contents

Pursuant to agreements with us, the 1,500,000 shares of our common stock held by stockholders who purchased their shares of common stock prior to our IPO will be voted on the merger proposal in accordance with the majority of the votes cast at the special meeting.

Quorum

The presence, in person or by proxy, of a majority of all the outstanding shares of common stock constitutes a quorum at the special meeting.

Abstentions and Broker Non-Votes

Proxies that are marked abstain and proxies relating to street name shares that are returned to us but marked by brokers as not voted will be treated as shares present for purposes of determining the presence of a quorum on all matters. The latter will not be treated as shares entitled to vote on the matter as to which authority to vote is withheld by the broker. If you do not give the broker voting instructions, under the rules of the NASD, your broker may not vote your shares on the merger proposal, the name change amendment, the capitalization amendment, the Article Sixth amendment and the stock option plan proposal. Since a stockholder must affirmatively vote against the merger proposal to have conversion rights, individuals who fail to vote or who abstain from voting may not exercise their conversion rights. Beneficial holders of shares held in street name that are voted against the merger may exercise their conversion rights. See the information set forth in *Special Meeting of Arpeggio Stockholders Conversion Rights*.

Vote of Our Stockholders Required

The approval of the adoption of the merger, the name change amendment, the capitalization amendment and the Article Sixth amendment will require the affirmative vote of the holders of a majority of Arpeggio common stock outstanding on the record date. Because each of these proposals requires the affirmative vote of a majority of the shares of common stock outstanding and entitled to vote, abstentions and shares not entitled to vote because of a broker non-vote will have the same effect as a vote against these proposals; however, you cannot seek conversion unless you affirmatively vote against the merger proposal.

In order to consummate the merger, each of the name change amendment and the capitalization amendment proposals must be approved by the stockholders. For both of the name change amendment and the capitalization amendment to be implemented, the merger proposal must be approved by the stockholders.

The approval of the stock option plan proposal will require the affirmative vote of the holders of a majority of our common stock represented and entitled to vote at the meeting. Abstentions are deemed entitled to vote on the proposal. Therefore, they have the same effect as a vote against the proposal. Broker non-votes are not deemed entitled to vote on the proposal and, therefore, they will have no effect on the vote on the proposal.

Table of Contents

Voting Your Shares

Each share of Arpeggio common stock that you own in your name entitles you to one vote. Your proxy card shows the number of shares of our common stock that you own.

There are two ways to vote your shares of Arpeggio common stock at the special meeting:

You can vote by signing and returning the enclosed proxy card. If you vote by proxy card, your proxy, whose name is listed on the proxy card, will vote your shares as you instruct on the proxy card. If you sign and return the proxy card but do not give instructions on how to vote your shares, your shares will be voted as recommended by our board **FOR** the adoption of the merger proposal, the name change amendment, the capitalization amendment, the Article Sixth amendment and the stock option plan proposal.

You can attend the special meeting and vote in person. We will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or another nominee, you must get a proxy from the broker, bank or other nominee. That is the only way we can be sure that the broker, bank or nominee has not already voted your shares.

IF YOU DO NOT VOTE YOUR SHARES OF OUR COMMON STOCK IN ANY OF THE WAYS DESCRIBED ABOVE, IT WILL HAVE THE SAME EFFECT AS A VOTE AGAINST THE ADOPTION OF THE MERGER PROPOSAL, BUT WILL NOT HAVE THE EFFECT OF A DEMAND OF CONVERSION OF YOUR SHARES INTO A PRO RATA SHARE OF THE TRUST ACCOUNT IN WHICH A SUBSTANTIAL PORTION OF THE PROCEEDS OF OUR IPO ARE HELD.

Revoking Your Proxy

If you give a proxy, you may revoke it at any time before it is exercised by doing any one of the following:

you may send another proxy card with a later date;

you may notify Eric S. Rosenfeld, our chairman, chief executive officer and president, in writing before the special meeting that you have revoked your proxy; or

you may attend the special meeting, revoke your proxy, and vote in person, as indicated above.

Who Can Answer Your Questions About Voting Your Shares

If you have any questions about how to vote or direct a vote in respect of your shares of our common stock, you may call Mackenzie Partners, Inc., our proxy solicitor, at (800) 322-2885 or Eric S. Rosenfeld, our chairman, chief executive officer and president, at (212) 319-7676.

No Additional Matters May Be Presented at the Special Meeting

This special meeting has been called only to consider the adoption of the merger proposal, the name change amendment, the capitalization amendment, the Article Sixth amendment and the stock option plan proposal. Under our by-laws, other than procedural matters incident to the conduct of the meeting, no other matters may be considered at the special meeting if they are not included in the notice of the meeting.

Table of Contents

Conversion Rights

Any of our stockholders holding shares of Arpeggio common stock issued in our IPO who affirmatively votes against the merger proposal may, at the same time, demand that we convert his shares into a pro rata portion of the trust account as of the record date. If demand is made and the merger is consummated, we will convert these shares into a pro rata portion of funds held in a trust account plus interest, as of the record date. Arpeggio stockholders who seek to exercise this conversion right must affirmatively vote against the merger. Abstentions and broker non-votes do not satisfy this requirement.

The last sale price of our common stock on _____, 2006 (the record date) was \$_____ and the per-share, pro-rata cash held in the trust account on that date was approximately \$_____. Prior to exercising conversion rights, our stockholders should verify the market price of our common stock as they may receive higher proceeds from the sale of their common stock in the public market than from exercising their conversion rights if the market price per share is higher than the conversion price.

If the holders of at least 1,360,000 or more shares of common stock issued in our IPO (an amount equal to 20% or more of those shares), vote against the merger and demand conversion of their shares, we will not be able to consummate the merger.

If you exercise your conversion rights, then you will be exchanging your shares of our common stock for cash and will no longer own those shares. You will be entitled to receive cash for these shares only if you affirmatively vote against the merger, properly demand conversion, continue to hold those shares through the effective time of the merger and then tender your stock certificate to us. If you hold the shares in street name, you will have to coordinate with your broker to have your shares certificated.

Appraisal Rights

Stockholders of Arpeggio do not have appraisal rights in connection with the merger.

Proxy Solicitation Costs

We are soliciting proxies on behalf of our board of directors. This solicitation is being made by mail but also may be made by telephone or in person. We and our directors, officers and employees may also solicit proxies in person, by telephone or by other electronic means.

We have engaged Mackenzie Partners, Inc. to assist in the proxy solicitation process. We will pay Mackenzie Partners, Inc. a fee of \$4,000 plus reasonable out-of-pocket charges and a flat fee of \$3.50 per outbound proxy solicitation call. Such costs will be paid with non-trust funds.

We will ask banks, brokers and other institutions, nominees and fiduciaries to forward our proxy materials to their principals and to obtain their authority to execute proxies and voting instructions. We will reimburse them for their reasonable expenses.

Arpeggio Inside Stockholders

At the close of business on the record date, Eric S. Rosenfeld, Arnaud Ajdler, Leonard B. Schlemm, Jon Bauer, Colin D. Watson and James G. Dinan, who we collectively refer to as the Arpeggio Inside Stockholders, beneficially owned and were entitled to vote 1,500,000 shares or approximately 18.1% of the then outstanding shares of our common stock, which includes all of the shares held by our directors and executive officers and their affiliates. Eric S. Rosenfeld is currently chairman of our board of directors and our chief executive officer and president, Arnaud Ajdler is currently our chief financial officer, secretary and a director, and Messrs. Schlemm, Bauer, Watson and Dinan are currently directors. All of the Arpeggio Inside Stockholders agreed to vote the 1,500,000 shares they purchased prior to our IPO on the merger proposal in accordance with the majority of the votes cast by the holders of shares issued in our IPO. The Arpeggio Inside Stockholders also agreed, in connection with the IPO, to place these shares in escrow until June 24, 2007.

THE MERGER PROPOSAL

The discussion in this document of the merger and the principal terms of the merger agreement, dated as of December 5, 2005, as amended, by and among Arpeggio, Hill International, Inc. and the Hill stockholders is subject to, and is qualified in its entirety by reference to, the merger agreement. A copy of the merger agreement, as amended, is attached as Annex A to this proxy statement and is incorporated in this proxy statement by reference.

General Description of the Merger

Pursuant to the merger agreement, Hill will merge with and into Arpeggio. The separate corporate existence of Hill shall cease. Arpeggio will be renamed Hill International, Inc. after completion of the merger. Holders of all the issued and outstanding shares of common stock of Hill will receive 14,500,000 shares of Arpeggio common stock at the closing. Immediately after the completion of the merger, the Hill stockholders will own approximately 63.6% of Arpeggio's common stock, assuming that no Arpeggio stockholders seek conversion of their Arpeggio stock into their pro rata share of the trust fund. The merger agreement also provides for the Hill stockholders to receive up to an additional 6,600,000 shares of Arpeggio common stock, contingent upon the combined companies attaining certain EBIT targets.

Background of the Merger

The terms of the merger agreement are the result of arm's-length negotiations between representatives of Arpeggio and Hill. The following is a brief discussion of the background of these negotiations, the merger agreement and related transactions.

Arpeggio was formed on April 2, 2004 to effect a merger, capital stock exchange, asset acquisition or other similar business combination with an operating business. Arpeggio completed its IPO on June 30, 2004, raising net proceeds of approximately \$36,772,000. Of these net proceeds, \$35,352,000 was placed in a trust account immediately following the IPO and, in accordance with Arpeggio's certificate of incorporation, will be released either upon the consummation of a business combination or upon the liquidation of Arpeggio. Arpeggio must liquidate unless it has consummated a business combination by June 30, 2006. As of September 30, 2005, approximately \$36,357,327 was held in deposit in the trust account.

Promptly following Arpeggio's IPO, we contacted several investment bankers, private equity firms, consulting firms, legal and accounting firms, as well as numerous other business relationships. Through these efforts, we identified and reviewed information with respect to more than 75 target companies.

By October 2005, we had entered into substantial discussions with several companies, including the type and amount of consideration to be provided relative to a potential transaction. Four of these

Table of Contents

companies were provided with a preliminary letter of intent. For a number of reasons, including an inability to agree on valuation and perceived issues with the overall structure of a transaction, all but one of these opportunities did not prove to be satisfactory candidates for an acquisition. Negotiations advanced with one of the companies, a manufacturer of solar energy products, that had requested bids from us and a number of other potential acquirers. We submitted a bid after extensive due diligence review of it and its operations, but our bid was not accepted. We understand that the company had determined that it did not want to be a publicly owned entity.

In October 2005, Arpeggio was introduced to Hill by Messrs. Scott Isherwood and David Boris, two investment bankers at Morgan Joseph & Co., Inc. (Morgan Joseph). Mr. Boris had previously worked for Eric Rosenfeld, our chairman and CEO, at Oppenheimer & Co. late 1980s, where Mr. Rosenfeld was a Managing Director and Mr. Boris was a Senior Vice President. Mr. Boris had also previously brought to our attention another potential target to which we sent a letter of intent. We did not reach agreement with that target because it was acquired by another company. Prior to this introduction, none of our directors or officers was familiar with Hill. On October 19, 2005, a confidentiality agreement was executed and Arpeggio received a Confidential Executive Summary prepared by Morgan Joseph. On October 21, 2005, Mr. Rosenfeld, our Chairman and CEO, and Mr. Sgro, an employee of Crescendo Advisors II LLC (an investment firm of which Eric Rosenfeld is the president and chief executive officer), met in Arpeggio's offices with Mr. David L. Richter, President and COO of Hill, Mr. Isherwood and Mr. Boris as well as Mr. Clarke and Mr. Taylor, two other investment bankers at Morgan Joseph. Mr. Ajdler, one of our directors and CFO, participated in the meeting by telephone. Both Arpeggio and Hill described their respective companies and answered questions for the other party. Following this meeting, Mr. Rosenfeld had a phone conversation with Mr. Isherwood during which he gave an oral indication of interest in Hill.

On October 28, 2005, Messrs. Rosenfeld, Ajdler and Sgro met with Mr. Irvin Richter, Chairman and CEO of Hill, Mr. David Richter and Mr. Isherwood at Hill's headquarters in Marlton, New Jersey. During this meeting, Messrs. Irvin and David Richter described Hill's business and provided additional information regarding Hill and its prospects. Messrs. Rosenfeld, Ajdler and Sgro asked numerous questions regarding the business. Arpeggio and Hill also discussed the valuation parameters of a potential transaction. Subsequent to this meeting, Arpeggio sent a preliminary term sheet to Hill. After that, Messrs. Rosenfeld, Ajdler and Sgro had several conversations with Mr. Isherwood and Mr. Clarke regarding the term sheet.

On November 3, 2005, we held a telephonic meeting of our board of directors to approve our Quarterly Report on Form 10-Q for the quarter ended September 30, 2005 and to review Arpeggio's discussions with various companies. Messrs. Rosenfeld, Ajdler, Watson, Bauer and Schlemm, constituting five out of our six directors, were present at the meeting. During the meeting, the directors discussed a number of potential target businesses, including Hill. Messrs. Rosenfeld and Ajdler described the potential Hill transaction in detail at this meeting.

On November 11, 2005, Mr. Rosenfeld and Mr. Ajdler had a telephonic conversation with Messrs. Irvin and David Richter regarding the valuation of Hill. On November 12, 2005, Mr. Rosenfeld had another telephonic conversation with Mr. Irvin Richter regarding valuation. On November 12, 2005 a letter of intent was sent to Hill. Over the next few days, there were a number of conversations among Hill, Arpeggio and Morgan Joseph. During the course of these conversations, the final merger consideration was agreed to. On November 16, 2005, we entered into a letter of intent with Hill.

On the day the letter of intent was executed, we delivered to Hill an extensive due diligence request list. We also hired BDO Seidman, LLP, to assist us with accounting and tax due diligence. Our attorneys began to compile and to review the due diligence materials received from Hill. Simultaneously, we worked with our counsel to prepare a first draft of the merger agreement. We also retained Capitalink to

render an opinion that the consideration to be paid in the merger is fair to our stockholders and to opine that the fair market value of Hill is at least 80% of our net assets.

On November 21, 2005, Messrs. Rosenfeld, Ajdler and Sgro spent the day at Hill's headquarters to continue their due diligence. Messrs. Ajdler and Sgro, as well as our representative from BDO Seidman, LLP, also visited Hill's headquarters on November 22, 2005. During these two days, we met with the key senior managers of Hill. Mr. Clarke was present on November 21, 2005. During this visit, we delivered the first draft of the merger agreement to Hill, which resulted in additional discussions and negotiations of various aspects of the proposed business combination. Succeeding drafts of the transaction documents were prepared in response to comments and suggestions of the parties and their counsel, with management and counsel for both companies engaging in numerous telephonic conferences and negotiating sessions. Included in the various transaction documents were an Escrow Agreement, Voting Agreement, Lock-Up Agreement, and Employment Agreements for Messrs. Irvin Richter, David Richter and Stuart Richter.

On November 25, 2005, we held a telephonic meeting of our board of directors to discuss the proposed business combination with Hill. Messrs. Rosenfeld, Ajdler, Watson, Bauer and Schlemm, constituting five out of our six directors, were present at the meeting. Joel Greenblatt, our special advisor was also present by invitation. Prior to the meeting, the executed letter of intent as well as financial, operational and descriptive information about Hill was sent to the directors and to Mr. Greenblatt. Messrs. Rosenfeld and Ajdler described Hill and the deal structure and a discussion among the directors and our special advisor ensued. On November 30, 2005, we held a telephonic meeting of our board of directors to further discuss the proposed business combination with Hill and to update the board members as to the status of the negotiations. Messrs. Rosenfeld, Ajdler, Watson, Bauer, Dinan and Schlemm, constituting all of our directors, were present at the meeting. Copies of the most recent drafts of the significant transaction documents were delivered to the directors in connection with their consideration of the proposed business combination with Hill, including the merger agreement, escrow agreement, voting agreement, lock-up agreement and the employment agreements for Messrs. Irvin Richter, David Richter and Stuart Richter.

On December 4, 2005, another telephonic meeting of the board of directors was held. All directors attended, as did, by invitation, Joel Greenblatt, our special advisor, Noah Scooler of Graubard Miller, and representatives of Capitalink. Prior to the meeting, copies of the most recent drafts of the significant transaction documents, in substantially final form, were delivered to the directors and Mr. Greenblatt. Messrs. Salpeter, Cassel and Wai of Capitalink made a presentation regarding the fairness of the consideration to be paid in the merger. Mr. Salpeter advised the board that it was the opinion of Capitalink that the consideration to be paid in the merger was fair to our stockholders from a financial point of view, and that the fair market value of Hill is at least 80% of our net assets. Mr. Salpeter and Wai detailed for the board the analysis performed by Capitalink and made a presentation concerning how Capitalink had arrived at its opinion. Mr. Salpeter and Wai discussed at length with our board the different analyses used to determine whether or not the merger consideration to be paid by us was fair from a financial point of view to our stockholders, as well as to determine the fair market value of Hill. After considerable review and discussion, the merger agreement and related documents were unanimously approved, subject to final negotiations and modifications, and the board and our special advisor determined to recommend the approval of the merger agreement. For a more detailed description of the Capitalink fairness opinion, see the section entitled *The Merger Proposal Fairness Opinion*.

The merger agreement was signed on December 5, 2005. Immediately thereafter, Arpeggio issued a press release and filed a Current Report on Form 8-K announcing the execution of the merger agreement and discussing the terms of the merger agreement.

Table of Contents

The merger agreement was amended on December 30, 2005 to amend the voting agreement to fix the number of directors to be designated by the Signing Stockholders and Messrs. Rosenfeld and Ajdler at seven and to amend Schedule 5.2 to the Merger Agreement to reflect such change.

Arpeggio's Board of Directors' Reasons for the Approval of the Merger

The final agreed-upon consideration in the merger agreement was determined by several factors. Arpeggio's board of directors reviewed various industry and financial data, including certain valuation analyses and metrics compiled by members of the board in order to determine that the consideration to be paid to Hill was reasonable and that the merger was in the best interests of Arpeggio's stockholders.

Arpeggio conducted a due diligence review of Hill that included an industry analysis, a description of Hill's existing business model, a valuation analysis and financial projections in order to enable the board of directors to ascertain the reasonableness of this range of consideration. During its negotiations with Hill, Arpeggio did not receive services from any financial advisor because its officers and directors believe that their experience and backgrounds, together with the experience and background of Arpeggio's special advisor, Joel Greenblatt, were sufficient to enable them to make the necessary analyses and determinations.

The Arpeggio board of directors concluded that the merger agreement with Hill is in the best interests of Arpeggio's stockholders. The Arpeggio board of directors obtained a fairness opinion prior to approving the merger agreement.

The Arpeggio board of directors considered a wide variety of factors in connection with its evaluation of the merger. In light of the complexity of those factors, the Arpeggio board of directors did not consider it practicable to, nor did it attempt to, quantify or otherwise assign relative weights to the specific factors it considered in reaching its decision. In addition, individual members of the Arpeggio board may have given different weight to different factors.

In considering the merger, the Arpeggio board of directors gave considerable weight to the following factors:

Hill's record of growth and expansion and high potential for future growth

Important criteria to Arpeggio's board of directors in identifying an acquisition target were that the company has established business operations, that it was generating current revenues, and that it has what the board believes to be a potential to experience rapid growth. Arpeggio's board of directors believes that Hill has in place the infrastructure for strong business operations both domestically and internationally to achieve growth both organically and through acquisitions. Recent investments in infrastructure should allow Hill to grow both organically and through acquisitions with minimal additional overhead. Since 1998, Hill has completed seven acquisitions, three of which involved project management firms and four of which were focused on construction claims, located in the United States and the United Kingdom. Arpeggio's board believes that Hill's successful integration of these firms demonstrates its ability to add value through acquisitions.

Table of Contents

The experience of Hill's management

Another important criteria to Arpeggio's board of directors in identifying an acquisition target was that the company have a seasoned management team with specialized knowledge of the markets within which it operates and the ability to lead a company in a rapidly changing environment. Arpeggio's board of directors believes that Hill's management has significant experience in the construction management and construction claims industry. Mr. Irvin E. Richter has more than 30 years of experience advising clients regarding construction contracts and claims and Mr. David L. Richter has over 10 years experience at Hill.

Hill's ability to execute its business plan after the merger using its own available cash resources since part of the cash held in our trust account may be used to pay Arpeggio's public stockholders who vote against the merger and exercise their conversion rights

Arpeggio's board of directors considered the risk that the current public stockholders of Arpeggio would vote against the merger and demand to convert their shares for cash upon consummation of the merger, thereby reducing the amount of cash available to Arpeggio following the merger or cause a condition of the merger agreement not to be met. Arpeggio's board of directors deemed this risk to be no worse with regard to Hill than it would be for other target companies and believes that Hill will still be able to implement its business plan, even if the full amount of the funds deposited in the trust account is not available at closing.

Satisfaction of 80% Test

It is a requirement that any business acquired by Arpeggio have a fair market value equal to at least 80% of Arpeggio's net assets at the time of acquisition, which assets shall include the amount in the trust account. Based on the financial analysis of Hill generally used to approve the transaction, the Arpeggio board of directors determined that this requirement was met. The board determined that consideration being paid in the merger, which amount was negotiated at arms-length, was fair to and in the best interests of Arpeggio and its stockholders and appropriately reflected Hill's value. The Arpeggio board of directors believes because of the financial skills and background of several of its members, it was qualified to conclude that the acquisition of Hill met this requirement. However, Arpeggio has also received an opinion from Capitalink that the 80% test has been met.

Interests of Arpeggio's directors and officers in the merger

In considering the recommendation of the board of directors of Arpeggio to vote for the proposals to approve the merger agreement, the certificate of incorporation amendments and the equity stock plan proposal, you should be aware that certain members of the Arpeggio board have agreements or arrangements that provide them with interests in the merger that differ from, or are in addition to, those of Arpeggio stockholders generally. In particular:

if the merger or another business combination is not consummated by June 30, 2006, Arpeggio will be liquidated. In such event, the shares of common stock held by Arpeggio's directors and officers that were acquired before the IPO would be worthless because Arpeggio's directors and officers are not entitled to receive any of the liquidation proceeds with respect to such shares. Such shares had an aggregate market value of \$_____ based upon the last sale price of \$_____ on the OTCBB on _____, 2006. Moreover, the Arpeggio officers, directors and special advisor have purchased 1,010,500 warrants in the public market, for an aggregate purchase price of \$652,145, all of which will become worthless if the merger is not consummated (as will the remainder of

the public warrants);

Table of Contents

the transactions contemplated by the merger agreement provide that Eric S. Rosenfeld will be a director of Arpeggio (in the class to stand for reelection in 2007) and Arnaud Ajdler will be a director of Arpeggio (in the class to stand for reelection in 2008). As such, each may receive certain cash fees and stock awards if the Arpeggio board of directors determines to pay such fees and awards to its non-executive directors; and

if Arpeggio liquidates prior to the consummation of a business combination, Eric S. Rosenfeld, Arpeggio's chairman, chief executive officer and president, will be personally liable to pay debts and obligations to vendors and other entities that are owed money by Arpeggio for services rendered or products sold to Arpeggio, or to any target business, to the extent such debts and obligations are not covered by Arpeggio's assets, excluding amounts in the trust fund. Based on Arpeggio's estimated debts and obligations, it is not currently expected that Mr. Rosenfeld will have any exposure under this arrangement in the event of a liquidation.

Recommendation of Arpeggio's Board of Directors

After careful consideration, Arpeggio's board of directors determined unanimously that each of the merger proposal, the name change amendment, the capitalization amendment, the Article Sixth amendment and the stock option plan proposal is fair to and in the best interests of Arpeggio and its stockholders. Arpeggio's board of directors has approved and declared advisable the merger proposal, the name change amendment, the capitalization amendment, the Article Sixth amendment and the stock option plan proposal and unanimously recommends that you vote or give instructions to vote **FOR** each of the proposals to adopt the merger proposal, the name change amendment, the capitalization amendment, the Article Sixth amendment and the stock option plan proposal. Mr. Greenblatt, our special advisor, also supported the proposals.

The foregoing discussion of the information and factors considered by the Arpeggio board of directors is not meant to be exhaustive, but includes the material information and factors considered by the Arpeggio board of directors.

Fairness Opinion

In connection with its determination to approve the merger, Arpeggio's board of directors engaged Capitalink, L.C. to provide it with a fairness opinion as to whether (i) the merger consideration to be paid by Arpeggio is fair, from a financial point of view, to Arpeggio's stockholders and (ii) the fair market value of Hill is at least equal to 80% of Arpeggio's net assets. Capitalink, which was founded in 1998 and is headquartered in Coral Gables, Florida, provides publicly and privately held businesses and emerging growth companies with a broad range of investment banking and advisory services. As part of its business, Capitalink regularly is engaged in the evaluation of businesses and their securities in connection with mergers, acquisitions, corporate restructurings, private placements, and for other purposes. Arpeggio selected Capitalink on the basis of Capitalink's experience, recommendations from other companies that had engaged Capitalink for similar purposes, its ability to do the research and provide the fairness opinion within the required timeframe and the competitiveness of its fee, which was specified by Capitalink in its proposal to the board. Capitalink does not beneficially own any interest in either Arpeggio or Hill and has not provided either company with any other services.

Arpeggio has paid Capitalink a fee of \$75,000 in connection with the preparation and issuance of its opinion and will reimburse Capitalink for its reasonable out-of-pocket expenses, including attorneys' fees. In addition, we have also agreed to indemnify and hold Capitalink, its officers, directors, principals,

employees, affiliates, and members, and their successors and assigns, harmless from and against any and all loss, claim, damage, liability, deficiencies, actions, suits, proceedings, costs and legal expenses (collectively the Losses) or expense whatsoever (including, but not limited to, reasonable legal fees and other expenses and reasonable disbursements incurred in connection with investigating, preparing to defend or defending any action, suit or proceeding, including any inquiry or investigation, commenced or threatened, or any claim whatsoever, or in appearing or preparing for appearance as witness in any proceeding, including any pretrial proceeding such as a deposition) arising out of, based upon, or in any way related or attributed to, (i) any breach of a representation, or warranty made by us in our agreement with Capitalink; or (ii) any activities or services performed under that agreement by Capitalink, unless such Losses were the result of the intentional misconduct or gross negligence of Capitalink.

Capitalink made a presentation to our board of directors on December 4, 2005 and subsequently delivered its written opinion to the board of directors, which stated that, as of December 4, 2005, and based upon and subject to the assumptions made, matters considered and limitations on its review as set forth in the opinion, (i) the merger consideration is fair, from a financial point of view, to our stockholders, and (ii) the fair market value of Hill is at least equal to 80% of our net assets. The amount of the merger consideration was determined pursuant to negotiations between us and Hill and not pursuant to recommendations of Capitalink.

The full text of the written opinion of Capitalink is attached as Annex D and is incorporated by reference into this proxy statement. You are urged to read the Capitalink opinion carefully and in its entirety for a description of the assumptions made, matters considered, procedures followed and limitations on the review undertaken by Capitalink in rendering its opinion. The summary of the Capitalink opinion set forth in this proxy statement is qualified in its entirety by reference to the full text of the opinion. The Capitalink opinion is not intended to be and does not constitute a recommendation to you as to how you should vote or proceed with respect to the merger. Capitalink was not requested to opine as to, and the opinion does not in any manner address, the relative merits of the merger as compared to any alternative business strategy that might exist for us, our underlying business decision to proceed with or effect the merger and other alternatives to the merger that might exist for us. Capitalink has consented to the use of its opinion in this proxy statement.

In arriving at its opinion, Capitalink took into account an assessment of general economic, market and financial conditions, as well as its experience in connection with similar transactions and securities valuations generally. In so doing, among other things, Capitalink:

Reviewed the merger agreement.

Reviewed publicly available financial information and other data with respect to Arpeggio, including the Annual Report on Form 10-KSB for the year ended December 31, 2004, the Quarterly Report on Form 10-QSB for the nine months ended September 30, 2005 and the Registration Statement on Form S-1 filed on April 23, 2004, and amendments thereto.

Reviewed financial and other information with respect to Hill, including the audited financial statements for the 52/53 week fiscal periods ended nearest to December 31, 2002, 2003 and 2004, the unaudited financial statements for the 39 weeks ended nearest to September 30, 2004 and 2005, and other financial information and projections prepared by Hill management.

Considered the historical financial results and present financial condition of both Arpeggio and Hill.

Reviewed certain publicly available information concerning the trading of, and the market for, the common stock of Arpeggio.

Reviewed and analyzed the indicated value range of the merger consideration.

Reviewed and analyzed the free cash flows of Hill and prepared a discounted cash flow analysis.

Table of Contents

Reviewed and analyzed certain financial characteristics of companies that were deemed to have characteristics comparable to Hill.

Reviewed and analyzed certain financial characteristics of target companies in transactions where such target company was deemed to have characteristics comparable to that of Hill.

Reviewed and compared the net asset value of Arpeggio to the indicated fair market value of Hill.

Capitalink also performed such other analyses and examinations as it deemed appropriate and held discussions with Arpeggio and Hill management in relation to certain financial and operating information furnished to Capitalink, including financial analyses with respect to their respective businesses and operations.

In arriving at its opinion, Capitalink relied upon and assumed the accuracy and completeness of all of the financial and other information that was used without assuming any responsibility for any independent verification of any such information. Further, Capitalink relied upon the assurances of Arpeggio and Hill management that they were not aware of any facts or circumstances that would make any such information inaccurate or misleading. With respect to the financial information and projections utilized, Capitalink assumed that such information has been reasonably prepared on a basis reflecting the best currently available estimates and judgments, and that such information provides a reasonable basis upon which it could make an analysis and form an opinion. Capitalink did not make a physical inspection of the properties and facilities of Arpeggio and Hill and did not make or obtain any evaluations or appraisals of either company's assets and liabilities (contingent or otherwise). In addition, Capitalink did not attempt to confirm whether Arpeggio and Hill had good title to their respective assets. Capitalink assumed that the merger will be consummated in a manner that complies in all respects with the applicable provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and all other applicable federal and state statutes, rules and regulations. Capitalink assumed that the merger will be consummated substantially in accordance with the terms set forth in the merger agreement, without any further amendments thereto, and that any amendments, revisions or waivers thereto will not be detrimental to the stockholders of Arpeggio. In addition, based upon discussions with Arpeggio management, Capitalink assumed that the merger will qualify as a reorganization under Section 368(a) of the Internal Revenue Code.

Capitalink's opinion is necessarily based upon market, economic and other conditions as they existed on, and could be evaluated as of, December 4, 2005. Accordingly, although subsequent developments may affect its opinion, Capitalink has not assumed any obligation to update, review or reaffirm its opinion.

In connection with rendering its opinion, Capitalink performed certain financial, comparative and other analyses as summarized below. Each of the analyses conducted by Capitalink was carried out to provide a different perspective on the merger and to enhance the total mix of information available. Capitalink did not form a conclusion as to whether any individual analysis, considered in isolation, supported or failed to support an opinion as to the fairness, from a financial point of view, of the merger consideration to Arpeggio's stockholders. Further, the summary of Capitalink's analyses described below is not a complete description of the analyses underlying Capitalink's opinion. The preparation of a fairness opinion is a complex process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a fairness opinion is not readily susceptible to partial analysis or summary description. In arriving at its opinion, Capitalink made qualitative judgments as to the relevance of each analysis and factor that it considered. In addition, Capitalink may have given various analyses more or less weight than other analyses and may have deemed various assumptions more or less probable than other assumptions, so that the range of valuations resulting from any particular analysis described above

Table of Contents

should not be taken to be Capitalink's view of the value of Hill's assets. The estimates contained in Capitalink's analyses and the ranges of valuations resulting from any particular analysis are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than suggested by such analyses. In addition, analyses relating to the value of businesses or assets neither purports to be appraisals nor do they necessarily reflect the prices at which businesses or assets may actually be sold. Accordingly, Capitalink's analyses and estimates are inherently subject to substantial uncertainty. Capitalink believes that its analyses must be considered as a whole and that selecting portions of its analyses or the factors it considered, without considering all analyses and factors collectively, could create an incomplete and misleading view of the process underlying the analyses performed by Capitalink in connection with the preparation of its opinion.

The analyses performed were prepared solely as part of Capitalink's analysis of the fairness, from a financial point of view, of the merger consideration to our stockholders, and were provided to our board of directors in connection with the delivery of Capitalink's opinion. The opinion of Capitalink was just one of the many factors taken into account by our board of directors in making its determination to approve the merger, including those described elsewhere in this proxy statement.

Hill Financial Review

Capitalink undertook a review of Hill's historical financial data in order to understand and interpret its operating and financial performance and strength. As part of this analysis, Hill's revenue and earnings are adjusted to remove any unusual or extraordinary sources of revenue and expenses. The adjustments provide a more accurate portrayal of Hill's underlying operating earnings and financial performance. Capitalink noted the following:

Hill's revenue, which excludes reimbursable expenses, ranged from \$48.1 million in fiscal year (FY) 2002, to approximately \$75.2 million for the latest twelve month (LTM) period ended September 30, 2005. The compound average annual growth rate (CAGR) for revenue over this period was approximately 17.6%.

While the Company had completed six acquisitions since 1998, approximately 90% of its growth has been organic as a result of overall growth in the engineering and construction sector both domestically and overseas and the increase in project outsourcing by major corporations.

Normalized earnings before interest, taxes, depreciation and amortization (EBITDA) has fluctuated over the review period and decreased from approximately \$3.3 million in FY2002 to approximately \$2.8 million in FY2004. However, in line with the increase in revenues, total EBITDA for the LTM period increased to approximately \$7.3 million.

EBITDA margins (calculated as a percentage of revenues) decreased from 6.8% in FY2002 to 4.5% in FY2004 and then increased to 9.6% in the LTM period, reaching their highest level over the review period. The increase in margins is attributable to improved efficiencies within the organization in addition to economies of scale benefits as revenue continues to increase.

As of October 1, 2005, Hill had approximately \$9.3 million in total debt, primarily relating to its debt revolver. Hill management expects this loan to be repaid after completion of the merger.

Over the review period, the 12-month backlog has significantly increased from approximately \$46.5 million as of December 31, 2002, to approximately \$86.1 million as of October 1, 2005. Capitalink noted that net revenue as a percentage of the prior year backlog ranged from 139.6% in FY2002 to approximately 125.1% for the LTM period ended October 1, 2005.

Table of Contents

Merger Consideration Analysis

The merger consideration consists of the immediate issuance of 14.5 million shares of our common stock and up to 6.6 million additional shares of our common stock to be paid in the future (and contingent on Hill achieving certain EBIT targets). Capitalink utilized this range of shares issued (of between 14.5 million and 21.1 million shares) in determining the range of indicated value of the merger consideration.

Capitalink determined an indicated value of our common stock by using Arpeggio management's estimation of the liquidation value per share as of March 31, 2006 of approximately \$5.45. Based on these assumptions, Capitalink arrived at an indicated value range for the merger consideration of approximately \$79.0 million (14.5 million shares multiplied by \$5.45) to approximately \$115.0 million (21.1 million shares multiplied by \$5.45).

Valuation Overview

Based upon a review of the historical and projected financial data and certain other qualitative data for Hill, Capitalink utilized several valuation methodologies and analyses to determine ranges of values. Capitalink utilized the discounted cash flow, the comparable company and the comparable transaction analyses (all of which are discussed in more detail hereinafter) to derive an indicated equity value of Hill.

Based upon the low and high range of the analyses, Capitalink determined a range of indicated equity value of approximately \$79.0 million to approximately \$134.0 million. Capitalink noted that the low end of the range is a more representative of Hill's indicated value if it does not meet its projections, and the high end of the range is more representative of Hill's value if it does achieve its projections.

Capitalink noted that the Hill indicated equity value range of approximately \$79.0 million to approximately \$134.0 million is wider than the merger consideration range of approximately \$79.0 million to approximately \$115.0 million.

Discounted Cash Flow Analysis

A discounted cash flow analysis estimates value based upon a company's projected future free cash flow discounted at a rate reflecting risks inherent in its business and capital structure. Unlevered free cash flow represents the amount of cash generated and available for principal, interest and dividend payments after providing for ongoing business operations.

While the discounted cash flow analysis is the most scientific of the methodologies used, it is dependent on projections and is further dependent on numerous industry-specific and macroeconomic factors.

Capitalink utilized the forecasts provided by Hill management, which project strong growth in revenues from FY2004 to FY2008. The projections assume net revenue growth of 25.0% each year, of which between 15-20% will be from organic growth, and 5-10% will be from

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

future acquisitions. In addition, Hill's projections assume that its net operating profit margins will expand from 8.4% in the LTM period to 12.1% by fiscal year 2008. The above projections were solely used in connection with the rendering of Capitalink's fairness opinion. Investors should not place reliance upon such projections, as they are not necessarily an indication of what our revenues and profit margins will be in the future. The projections used by Capitalink were prepared by Hill management and are not to be interpreted as projections of future performance (or guidance) by Arpeggio.

In order to arrive at a present value, Capitalink utilized discount rates ranging from 14.5% to 15.5%. This was based on an estimated weighted average cost of capital (WACC) of 15.2% (based on

Table of Contents

Hill's estimated weighted average cost of debt of 7.5% and a 16.1% estimated cost of equity). The cost of equity calculation was derived utilizing the Ibbotson build up method utilizing appropriate industry risk and size premiums and a company specific risk factor of 2.0%, reflecting the risk of continuing to generate 25% revenue growth and increasing margins throughout the projection period.

Capitalink presented a range of terminal values at the end of the forecast period by applying a range of terminal exit multiples based on revenue and EBITDA as well as using long term perpetual growth rates.

Utilizing terminal revenue multiples of between 1.10 times and 1.30 times, terminal EBITDA multiples of between 9.0 times and 11.0 times, and long-term perpetual growth rates of between 8.0% and 9.0%, Capitalink calculated a range of indicated enterprise values.

The total enterprise values above were then decreased by Hill's net debt of approximately \$9.6 million (which includes approximately \$9.3 million in interest bearing debt and approximately negative \$0.3 million in cash balances as of October 1, 2005), to derive an indicated equity value range of approximately \$101.1 million to \$134.3 million.

Comparable Company Analysis

A selected comparable company analysis reviews the trading multiples of publicly traded companies that are similar to Hill with respect to business and revenue model, operating sector, size, and target customer base.

Because of the difficulty of finding publicly listed companies that are involved in both the construction management and claims consulting businesses, Capitalink examined two sets of comparable companies:

Construction Management Publicly listed companies that are involved in the management of construction projects and/or the provision of construction engineering services (the **Project Comparable Companies**).

Claims Consulting Publicly listed companies that are involved in the provision of litigation consulting and arbitration services (the **Claims Comparable Companies**), and, together with the Project Comparable Companies, the **Comparable Companies**).

Project Comparable Companies

Capitalink located five Project Comparable Companies including Jacobs Engineering Group, URS Corp., Washington Group International, Perini Corporation and Sweco AB. All of these companies are much larger than Hill and most provide other ancillary services such as architectural services, operations and maintenance services and construction services. The LTM revenue for the Project Comparable Companies ranged from approximately \$407.7 million to approximately \$5.6 billion, compared with approximately \$75.2 million for Hill.

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

Hill was more profitable than all of the Project Comparable Companies with respect to EBITDA margins. The LTM EBITDA margin for Hill was 9.6%, compared with a range of 3.4% to 9.1% for the Project Comparable Companies. Hill management also estimates a steady increase in Hill's margin to 11.2% in FY2006.

Compared to the Project Comparable Companies, Hill is in the top end of the range with approximately 30.2% and 33.3% projected growth for EBITDA and net income, respectively for FY2006.

Table of Contents

In comparison, the Project Comparable Companies' projected mean EBITDA and net income growth was 15.3% and 17.3%, respectively.

Multiples utilizing share price, market value and enterprise value were used in the analyses. For comparison purposes, all operating profits including EBITDA were normalized to exclude unusual and extraordinary expenses and income.

Capitalink generated a number of multiples worth noting with respect to the Project Comparable Companies:

The share price to CY2005 EPS multiple ranged from 18.8 times to 26.9 times with a mean of 23.3 times.

The share price to CY2006 EPS multiple ranged from 17.3 times to 21.7 times, with a mean of 19.8 times.

The enterprise value to CY2005 EBITDA multiple ranged from 9.6 times to 12.4 times, with a mean of 11.0 times.

The enterprise value to CY2006 EBITDA multiple ranged from 8.8 times to 11.1 times, with a mean of 9.6 times.

Claims Comparable Companies

Capitalink located three Claims Comparable Companies including FTI Consulting, Navigant Consulting and Charles Taylor Consulting. All of these companies are much larger than Hill and all of them provide other ancillary consulting services such as economic and corporate finance consulting services. The LTM revenue for the Claims Comparable Companies ranged from approximately \$108.5 million to approximately \$554.3 million, compared with approximately \$75.2 million for all of Hill.

The Claims Comparable Companies were more profitable than Hill with respect to EBITDA margins. The LTM EBITDA margin for Hill was 9.6%, compared with a range of 19.5% to 23.9% for the Claims Comparable Companies.

Hill's projected growth for FY 2006 (30.2% EBITDA and 33.3% net income growth) is higher than that of the Claims Comparable Companies. In comparison, the Claims Comparable Companies' projected mean EBITDA and net income growth were 13.3% and 15.7%, respectively.

Capitalink generated a number of multiples worth noting with respect to the Claims Comparable Companies:

The share price to CY2005 EPS multiple ranged from 20.7 times to 20.9 times with a mean of 20.8 times.

The share price to CY2006 EPS multiple ranged from 17.4 times to 18.6 times, with a mean of 18.0 times.

The enterprise value to CY2005 EBITDA multiple ranged from 9.0 times to 10.2 times, with a mean of 9.6 times.

The enterprise value to CY2006 EBITDA multiple ranged from 7.8 times to 9.2 times, with a mean of 8.5 times.

Table of Contents

Capitalink also reviewed the historical multiples generated for the Comparable Companies, and noted that the mean enterprise value to LTM EBITDA multiple over the last ten years was 9.1 times. Capitalink also noted that most of the Comparable Companies were trading close to their 12-month share price highs, and many, including Jacobs Engineering Group, Inc., URS Corp., Perini Corp., FTI Consulting and Navigant Consulting, have made recent acquisitions and/or recently raised additional capital.

Capitalink selected an appropriate multiple range for Hill by examining the range provided by the Comparable Companies and taking into account certain company-specific factors. Capitalink expects Hill to be valued slightly above the average of the EBITDA and EPS multiples because of its higher historical and projected earnings growth and significant backlog, offset by its smaller size and limited range of services.

Based on the above factors, Capitalink applied a selected multiple range to Hill's CY2005 and CY2006 net income and EBITDA to determine a range of indicated equity and enterprise values. Capitalink deducted net debt of approximately \$9.6 million to derive an indicated equity value range of approximately \$96.8 million to approximately \$109.4 million for Hill.

None of the Comparable Companies has characteristics identical to Hill. An analysis of publicly traded comparable companies is not mathematical; rather it involves complex consideration and judgments concerning differences in financial and operating characteristics of the Comparable Companies and other factors that could affect the public trading of the Comparable Companies.

Comparable Transaction Analysis

A comparable transaction analysis is based on a review of merger, acquisition and asset purchase transactions involving target companies that are in industries related to Hill. The comparable transaction analysis generally provides the widest range of value due to the varying importance of an acquisition to a buyer (i.e., a strategic buyer willing to pay more than a financial buyer) in addition to the potential differences in the transaction process (i.e., competitiveness among potential buyers).

Because of the difficulty of finding transactions involving targets that are involved in both the construction management and claims consulting businesses, Capitalink examined two sets of comparable transactions:

Construction Management Transactions involving target companies that are involved in the management of construction projects and/or the provision of construction engineering services (the Project Comparable Transactions).

Claims Consulting Transactions involving target companies that are involved in the provision of litigation consulting and arbitration services (the Claims Comparable Transactions), and, together with the Project Comparable Transactions, the Comparable Transactions).

Based on the information disclosed with respect to the targets in each of the Comparable Transactions, Capitalink calculated and compared total enterprise value as a multiple of LTM revenue and LTM EBITDA.

Table of Contents

Project Comparable Transactions

Capitalink located five Project Comparable Transactions announced since January 2003 and for which detailed financial information was available. Capitalink noted the following with respect to the multiples generated:

The enterprise value to LTM revenue multiple ranged from 0.23 times to 1.49 times, with a mean of 0.66 times.

The enterprise value to LTM EBITDA multiple ranged from 7.5 times to 9.4 times, with a mean of 8.4 times.

Claims Comparable Transactions

Capitalink located two Claims Comparable Transactions announced since January 2003 and for which detailed financial information was available. Capitalink noted the following with respect to the multiples generated:

The enterprise value to LTM revenue multiple ranged from 1.43 times to 1.86 times, with a mean of 1.64 times.

The enterprise value to LTM EBITDA multiple ranged from 6.2 times to 14.1 times, with a mean of 10.1 times.

Capitalink expects Hill to be valued above the average of the Comparable Transactions, due to its recent historical earnings growth and significant projected future growth.

Based on the above factors, Capitalink applied a selected multiple range to Hill's LTM revenue and LTM EBITDA to determine a range of indicated enterprise values. Capitalink then deducted net debt of approximately \$9.6 million to derive an indicated equity value range of approximately \$79.0 million to approximately \$97.5 million.

None of the target companies in the Comparable Transactions has characteristics identical to Hill. Accordingly, an analysis of comparable business combinations is not mathematical; rather it involves complex considerations and judgments concerning differences in financial and operating characteristics of the target companies in the Comparable Transactions and other factors that could affect the respective acquisition values.

80% Test

Arpeggio's initial business combination must be with a target business whose fair market value is at least equal to 80% of Arpeggio's net assets at the time of such acquisition.

Capitalink reviewed and estimated Arpeggio's net assets at the close of the merger in comparison to Hill's indicated range of fair market value. For the purposes of this analysis, Capitalink assumed (i) that Hill's fair market value is equivalent to its equity value; and (ii) that Arpeggio's net asset value is its stockholders' equity as of September 30, 2005. Since 80% of Arpeggio's net asset value is approximately \$37.4 and the range of equity value of Hill is approximately \$79.0 million to \$134.0 million, Capitalink determined that the 80% test was met.

Conclusion

Based on the information and analyses set forth above, Capitalink delivered its written opinion to our board of directors, which stated that, as of December 4, 2005, based upon and subject to the assumptions made, matters considered, and limitations on its review as set forth in the opinion, (i) the merger consideration is fair, from a financial point of view, to our stockholders, and (ii) the fair market value of Hill is at least equal to 80% of our net assets.

Material Federal Income Tax Consequences of the Merger

The following section is a summary of the material United States federal income tax consequences of the merger to holders of Arpeggio common stock and is based on an opinion given to Arpeggio by its tax counsel. This discussion addresses only those Arpeggio security holders that hold their securities as a capital asset within the meaning of Section 1221 of the Internal Revenue Code of 1986, as amended (the Code), and does not address all the United States federal income tax consequences that may be relevant to particular holders in light of their individual circumstances or to holders that are subject to special rules, such as:

financial institutions;

investors in pass-through entities;

tax-exempt organizations;

dealers in securities or currencies;

traders in securities that elect to use a mark to market method of accounting;

persons who hold Arpeggio common stock as part of a straddle, hedge, constructive sale or conversion transaction;

persons who are not citizens or residents of the United States; and

holders of Hill common stock, including persons who acquired their shares of Hill common stock through the exercise of an employee stock option or otherwise as compensation.

The following is based upon the Code, applicable treasury regulations thereunder, published rulings and court decisions, all as currently in effect as of the date hereof, and all of which are subject to change, possibly with retroactive effect. Tax considerations under state, local and foreign laws, or federal laws other than those pertaining to the income tax, are not addressed.

Neither Arpeggio nor Hill intends to request any ruling from the Internal Revenue Service as to the United States federal income tax consequences of the merger.

Tax Consequences of the Merger to Arpeggio stockholders

No gain or loss will be recognized by stockholders of Arpeggio if their conversion rights are not exercised.

A stockholder of Arpeggio who exercises conversion rights and effects a termination of the stockholder's interest in Arpeggio will generally be required to recognize gain or loss upon the exchange of that stockholder's shares of common stock of Arpeggio for cash. Such gain or loss will be measured by the difference between the amount of cash received and the tax basis of that stockholder's shares of Arpeggio common stock. This gain or loss will generally be a capital gain or loss if such shares were held as a capital asset on the date of the merger and will be a long-term capital gain or loss if the holding period for the share of Arpeggio common stock is more than one year.

Table of Contents

Tax Consequences of the Merger Generally to Arpeggio

No gain or loss will be recognized by Arpeggio as a result of the merger.

This discussion is intended to provide only a general summary of the material United States federal income tax consequences of the merger, and is not a complete analysis or description of all potential United States federal tax consequences of the merger. This discussion does not address tax consequences which may vary with, or are contingent on, your individual circumstances. In addition, the discussion does not address any non-income tax or any foreign, state or local tax consequences of the merger. Accordingly, you are strongly urged to consult with your tax advisor to determine the particular United States federal, state, local or foreign income or other tax consequences to you of the merger.

Anticipated Accounting Treatment

The merger will be accounted for under the purchase method of accounting as a reverse acquisition in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) for accounting and financial reporting purposes. Under this method of accounting, Arpeggio will be treated as the acquired company for financial reporting purposes. In accordance with guidance applicable to these circumstances, the merger will be considered to be a capital transaction in substance. Accordingly, for accounting purposes, the merger will be treated as the equivalent of Hill issuing stock for the net monetary assets of Arpeggio, accompanied by a recapitalization. The net monetary assets of Arpeggio will be stated at their fair value, essentially equivalent to historical costs, with no goodwill or other intangible assets recorded. The retained earnings of Hill will be carried forward after the merger. Operations prior to the merger will be those of Hill.

Regulatory Matters

The merger and the transactions contemplated by the merger agreement are not subject to any additional federal or state regulatory requirement or approval, including the Hart-Scott-Rodino Antitrust Improvements Act of 1976, or HSR Act, except for filings with the State of Delaware necessary to effectuate the transactions contemplated by the merger proposal.

THE MERGER AGREEMENT

The following summary of the material provisions of the merger agreement is qualified by reference to the complete text of the merger agreement, as amended, a copy of which is attached as Annex A to this proxy statement and is incorporated by reference. All stockholders are encouraged to read the merger agreement in its entirety for a more complete description of the terms and conditions of the merger.

General; Structure of Merger

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

On December 5, 2005, Arpeggio entered into a merger agreement with Hill and the Signing Stockholders. Hill will effectuate the merger by merging with and into Arpeggio. Arpeggio will be the surviving corporation in the merger through an exchange of all the issued and outstanding shares of capital stock of Hill for shares of common stock of Arpeggio.

The voting agreement and the lock-up agreements shall be in full force and effect.

Indemnification

As the sole remedy for the obligation of the stockholders of Hill to indemnify and hold harmless Arpeggio for any damages, whether as a result of any third party claim or otherwise, and which arise as a result of or in connection with the breach of representations and warranties and agreements and covenants of Hill, at the closing, 12% of the shares of Arpeggio common stock to be issued to the Hill stockholders upon consummation of the merger will be deposited in escrow. Of the shares placed in escrow, five-sixths will be available for the satisfaction of all indemnification claims other than those relating to taxes and one-sixth will be available solely for the satisfaction of tax indemnification claims. Any indemnification payments shall be paid solely from the shares placed in escrow or, at the election of a holder of the escrow shares, in cash paid by such holder in substitution for such shares. Claims for indemnification may be asserted by Arpeggio once the damages exceed \$500,000 and are indemnifiable to the extent that damages exceed that amount; however, claims with respect to taxes and certain other matters are not subject to such threshold. The shares available for indemnification claims other than those relating to taxes, less any of the shares applied in satisfaction of a claim for indemnification and the shares related to a claim for indemnification that is then unresolved, will be released on the first business day following the date that is 30 days after the date on which Arpeggio files its Report on Form 10-K pursuant to the Exchange Act of 1934, as amended, for its 2006 fiscal year, to such persons in the same proportions as initially deposited in escrow. Shares still in escrow on December 10, 2010, will be released on the next business day, even if claims to which they relate are not then resolved. For purposes of satisfying an indemnification claim, shares of Arpeggio common stock will be valued at the average reported last sales price for the ten trading days ending on the last day prior to the day that the claim is paid. The escrow agreement is attached as Annex F hereto. We encourage you to read the escrow agreement in its entirety.

The board of directors of Arpeggio has appointed Eric Rosenfeld to take all necessary actions and make all decisions pursuant to the escrow agreement regarding Arpeggio's right to indemnification under the merger agreement. If Mr. Rosenfeld ceases to so act, the board shall appoint as a successor a person who was a director of Arpeggio prior to the closing or some other person who would qualify as an independent director of Arpeggio and who had no relationship with Hill prior to the closing. Mr. Rosenfeld, and any successor, is charged with making determinations whether Arpeggio will be entitled to indemnification, and may make a claim for indemnification by giving notice to Irvin Richter, as representative of the Hill stockholders, with a copy to the escrow agent, specifying the details of the claim. Mr. Richter, or his successor, who may be appointed by him, or by the board of Arpeggio, acting through its members who were directors of Hill prior to the closing, from among those of the former stockholders of Hill, or such other person as such members may designate, may accept the claim or dispute it. If the claim is disputed by Mr. Richter and not ultimately resolved by negotiation, it shall be determined by arbitration. Upon a claim and its value becoming established by the parties or through arbitration, it is payable from the shares placed in escrow or cash substituted therefor.

Termination

The merger agreement may be terminated at any time, but not later than the closing as follows:

by mutual written consent of Arpeggio and Hill;

by either party if a governmental entity shall have issued an order, decree or ruling or taken any other action, in any case having the effect of permanently restraining, enjoining or otherwise prohibiting the merger, which order, decree, ruling or other action is final and nonappealable;

by either party if the other party has breached any of its covenants or representations and warranties in any material respect and has not cured its breach within 30 days of the notice of an intent to terminate, provided that the terminating party is itself not in breach;

by either party if, at the Arpeggio stockholder meeting, the merger agreement and the transactions contemplated thereby shall fail to be approved and adopted by the affirmative vote of the holders of Arpeggio's common stock, or the holders of 20% or more of the shares issued in Arpeggio's IPO exercise their conversion rights; or

by either party if the merger has not been consummated by June 30, 2006.

Effect of Termination

In the event of proper termination by either Arpeggio or Hill, the merger agreement will become void and have no effect, without any liability or obligation on the part of Arpeggio or Hill, except that:

the confidentiality obligations set forth in the merger agreement will survive;

the waiver by Hill and the Signing Stockholders of all rights against Arpeggio to collect from the trust account any moneys that may be owed to them by Arpeggio for any reason whatsoever, including but not limited to a breach of the merger agreement, and the acknowledgement that neither Hill nor the Signing Stockholders will seek recourse against the trust account for any reason whatsoever, will survive;

the rights of the parties to bring actions against each other for breach of the merger agreement will survive; and

the fees and expenses incurred in connection with the merger agreement and the transactions contemplated thereby will be paid by the party incurring such expenses.

The merger agreement does not specifically address the rights of a party in the event of a refusal or wrongful failure of the other party to consummate the merger. In such event, the non-wrongful party would be entitled to assert its legal rights for breach of contract against the

wrongful party.

Fees and Expenses

All fees and expenses incurred in connection with the merger agreement and the transactions contemplated thereby will be paid by the party incurring such expenses whether or not the merger is consummated. If the merger is consummated, the fees and expenses of Hill will be paid from the working capital of the combined companies.

Table of Contents

Hill entered into an Engagement Letter, dated September 29, 2005, with Morgan Joseph & Co., Inc., whereby Hill engaged Morgan Joseph to serve as its exclusive financial advisor in connection with the merger. Pursuant to the terms of the Engagement Letter, Hill will pay Morgan Joseph upon the closing of the merger a fee equal to 1.25% of the aggregate consideration received by the stockholders of Hill as a result of the merger. Included in such aggregate consideration is the value of Hill's long-term debt continued in the merger as well as 75% of the present value (calculated at a 10% discount rate) of consideration that will be granted contingent on achievement of the EBIT targets. In addition, Hill will reimburse Morgan Joseph for its reasonable out-of-pocket expenses. Hill has also agreed to indemnify Morgan Joseph and its affiliates from and against all losses, claims, damages, liabilities or expenses related to or arising out of Hill's engagement of Morgan Joseph. The exact amount of Morgan Joseph's fee will not be known until closing, but for purposes of the pro forma condensed consolidated balance sheet of Arpeggio and Hill, it was estimated that Morgan Joseph's fee will be approximately \$1,250,000.

Confidentiality; Access to Information

Arpeggio and Hill will afford to the other party and its financial advisors, accountants, counsel and other representatives prior to the completion of the merger reasonable access during normal business hours, upon reasonable notice, to all of their respective properties, books, records and personnel to obtain all information concerning the business, including the status of business development efforts, properties, results of operations and personnel, as each party may reasonably request. Arpeggio and Hill will maintain in confidence any non-public information received from the other party, and use such non-public information only for purposes of consummating the transactions contemplated by the merger agreement.

Amendment

The merger agreement may be amended by the parties thereto at any time by execution of an instrument in writing signed on behalf of each of the parties. The merger agreement was amended on December 30, 2005 to amend the voting agreement to fix the number of director designees at seven and to amend Schedule 5.2 to the Merger Agreement to reflect the directors of Arpeggio upon effectiveness of the merger.

Extension; Waiver

At any time prior to the closing, any party to the merger agreement may, in writing, to the extent legally allowed:

extend the time for the performance of any of the obligations or other acts of the other parties to the agreement;

waive any inaccuracies in the representations and warranties made to such party contained in the merger agreement or in any document delivered pursuant to the merger agreement; and

waive compliance with any of the agreements or conditions for the benefit of such party contained in the merger agreement.

Table of Contents

Public Announcements

Arpeggio and Hill have agreed that, until closing or termination of the merger agreement, the parties will:

cooperate in good faith to jointly prepare all press releases and public announcements pertaining to the merger agreement and the transactions governed by it; and

not issue or otherwise make any public announcement or communication pertaining to the merger agreement or the transaction without the prior consent of the other party, which shall not be unreasonably withheld by the other party, except as may be required by applicable laws or court process.

Arbitration

Any disputes or claims arising under or in connection with merger agreement or the transactions contemplated thereunder will be resolved by binding arbitration. Arbitration will be commenced by the filing by a party of an arbitration demand with the American Arbitration Association (AAA). The arbitration will be governed and conducted by applicable AAA rules, and any award and/or decision shall be conclusive and binding on the parties. Each party consents to the exclusive jurisdiction of the federal and state courts located in the State of New York, New York County for such purpose. The arbitration shall be conducted in New York City. Each party shall pay its own fees and expenses for the arbitration, except that any costs and charges imposed by the AAA and any fees of the arbitrator shall be assessed against the losing party.

UNAUDITED PRO FORMA CONDENSED CONSOLIDATED BALANCE SHEET

The following unaudited pro forma condensed consolidated balance sheet combines the historical consolidated balance sheet of Hill as of October 1, 2005 and the historical balance sheet of Arpeggio as of September 30, 2005, giving effect to the merger pursuant to the merger agreement as if the merger had been consummated on October 1, 2005 and treated as a recapitalization of Hill (a reverse merger). Because the merger is treated as a recapitalization, a pro forma statement of operations has not been presented.

We are providing the following information to aid you in your analysis of the financial aspects of the merger. We derived this information from the unaudited financial statements of Hill as of October 1, 2005 and Arpeggio as of September 30, 2005. Neither Hill nor Arpeggio assumes any responsibility for the accuracy or completeness of the information provided by the other party. This information should be read together with the Hill audited and unaudited financial statements and related notes included elsewhere in this proxy statement and the Arpeggio audited and unaudited financial statements included elsewhere in this proxy statement.

Table of Contents

The unaudited pro forma condensed consolidated balance sheet at October 1, 2005 has been prepared using two different levels of assumptions with respect to the Arpeggio stockholders, as follows:

assuming No Conversions: This presentation assumes that no stockholders of Arpeggio seek to convert their shares into a pro rata share of the trust account; and

assuming Maximum Conversions: This presentation assumes stockholders of Arpeggio owning 19.99% of the stock sold in the IPO seek conversion.

The assets and liabilities of Arpeggio have been presented at their historical cost (which is considered to be the equivalent of estimated fair value) with no goodwill or other intangible assets recorded and no increment in stockholders' equity.

NAME CHANGE AMENDMENT PROPOSAL

Pursuant to the merger agreement, we are proposing to change our corporate name from Arpeggio Acquisition Corporation to Hill International, Inc. upon consummation of the merger. The merger will not be consummated unless the proposal to change our name is approved at the meeting. If the merger is not approved, the name change amendment will not be presented at the meeting.

In the judgment of our board of directors, the change of our corporate name is necessary to reflect our merger with Hill. The Hill name has been a recognized name in the construction management business for over two decades and the construction claims business for over three decades.

The approval of the name change amendment will require the affirmative vote of the holders of a majority of the outstanding shares of Arpeggio common stock on the record date.

Stockholders will not be required to exchange outstanding stock certificates for new stock certificates if the amendment is adopted.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT OUR STOCKHOLDERS VOTE FOR THE APPROVAL OF THE NAME CHANGE AMENDMENT.

CAPITALIZATION AMENDMENT PROPOSAL

Pursuant to the merger agreement, we are proposing to increase the number of authorized shares of Arpeggio common stock from 30,000,000 to 75,000,000 upon consummation of the merger. The merger will not be consummated unless the proposal to increase our capitalization is approved at the meeting. If the merger is not approved, the capitalization amendment will not be presented at the meeting.

In the judgment of our board of directors, the increase in our capitalization is necessary and in our stockholders' best interests. Currently, we have 8,300,000 shares of our common stock outstanding and we will be issuing an additional 14,500,000 shares of common stock upon consummation of the merger. Additionally, we have reserved 13,600,000 shares of common stock issuable upon exercise of warrants plus 900,000 shares of common stock issuable upon exercise of a unit purchase option issued in our IPO. We will also need to reserve 6,600,000 contingent shares that might be issued pursuant to the merger agreement based on meeting certain EBIT targets and 1,140,000 shares of common stock in connection with our stock option plan proposal discussed below. The authorization of additional shares of common stock is necessary to fully reserve for all of these shares, as indicated above, and will enable us to have the flexibility to authorize the issuance of shares of common stock in the future for financing our business, for acquiring other businesses, for forming strategic partnerships and alliances and for stock dividends and stock splits.

The approval of the capitalization amendment will require the affirmative vote of the holders of a majority of the outstanding shares of Arpeggio common stock on the record date.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT OUR STOCKHOLDERS VOTE FOR THE APPROVAL OF THE CAPITALIZATION AMENDMENT.

ARTICLE SIXTH AMENDMENT PROPOSAL

Pursuant to the merger agreement, we are proposing to remove the preamble and sections A through D, inclusive, of Article Sixth of Arpeggio's certificate of incorporation and to redesignate section E of Article Sixth as Article Sixth upon consummation of the merger. If the merger is not approved, the Article Sixth amendment will not be presented at the meeting.

In the judgment of our board of directors, the Article Sixth amendment is desirable, as sections A through D relate to the operation of Arpeggio as a blank check company prior to the consummation of a business combination. Such sections will not be applicable upon consummation of the merger.

The approval of the Article Sixth amendment will require the affirmative vote of the holders of a majority of the outstanding shares of Arpeggio common stock on the record date.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT OUR STOCKHOLDERS VOTE FOR THE APPROVAL OF THE ARTICLE SIXTH AMENDMENT.

2006 EMPLOYEE STOCK OPTION PLAN PROPOSAL

Arpeggio's 2006 Employee Stock Option Plan has been approved by Arpeggio's board of directors and will take effect upon consummation of the merger, subject to stockholder approval.

The purpose of the stock option plan is to enable us to attract, retain, motivate and provide additional incentive to certain directors, officers, employees, consultants and advisors, whose contributions are essential to our growth and success by enabling them to participate in our long-term growth through the exercise of stock options and the ownership of our stock.

The following is a summary of the material provisions of our stock option plan and is qualified in its entirety by reference to the complete text of the plan, a copy of which is attached to this proxy statement as Appendix C.

Summary of the Stock Option Plan

Administration. The stock option plan will be administered by our board of directors. Our board of directors may delegate the administration of the stock option plan to our Compensation Committee or to another committee of the board of directors. For purposes of the following discussion, the term Administrator means the board of directors or the committee to which it delegates its authority as provided above. The Administrator has the authority, subject to the terms of the stock option plan, to determine the individuals to whom options will be granted, the times at which options will be granted and the terms and conditions of the options.

Eligibility. Options may be granted to our directors, officers, employees, consultants and advisors. Options intended to qualify, under the standards set forth in certain federal tax rules, as incentive stock options (ISOs) may be granted only to employees while actually employed by us. Non-employee directors, consultants and advisors are not entitled to receive ISOs.

Option Price. The option price for ISOs generally will be 100% of the fair market value of our common stock on the date the option is granted; however, if the participant in the stock option plan owns more than 10% of the combined voting power of Arpeggio and any subsidiary or parent corporation, the option price will be not less than 110% of the fair market value of our common stock on the date of grant. The value of our common stock (based upon exercise price times number of shares) for which ISOs first become subject to exercise during any given calendar year may not exceed \$100,000. The option price for non-qualified stock options will be determined by the Administrator and may be less than, equal to or greater than the fair market value of our common stock on the date of grant. Fair market value for purposes of the stock option plan is the closing market price of our common stock as reported on the market determined by our board of directors to be the primary market for the common stock on the date of grant. In the event our common stock is not traded on a recognized market at the time of grant, the Administrator will determine fair market value.

Duration of Options. Each stock option will terminate on the date fixed by the Administrator, which will not be more than ten years after the date of grant. If the participant in the stock option plan owns more than 10% of the combined voting power of Arpeggio and any subsidiary or parent corporation, any ISO granted to such participant will terminate not more than five years after the date of grant.

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

Vesting. Options become exercisable when they have vested, subject to any further restrictions on exercise imposed by our board of directors in individual option agreements. The Administrator will specify the relevant vesting provisions at the time of the grant.

Table of Contents

Exercise Period. The exercise period for options granted under the stock option plan may not exceed ten years from the date of grant.

Payment. The Administrator will determine whether exercise of options will be settled in whole or in part in cash, common stock or other securities of the Company, or other property.

Shares That May Be Issued Under the Stock Option Plan. A maximum of 1,140,000 shares of our common stock, which number may be adjusted as described below, are available for issuance pursuant to the exercise of stock options granted under the stock option plan. If any stock option terminates or is canceled for any reason without having been exercised in full, the shares of stock not issued will then become available for additional grants of options. The number of shares available under the stock option plan is subject to adjustment in the event of any stock split, stock dividend, recapitalization, spin-off or other similar action.

Estimate of Benefits. Until and unless approved by our stockholders, no grants will be made under the stock option plan. We cannot determine the benefits to be received by our directors or officers under the stock option plan or the benefits that would have been received by our directors and officers in 2005 had the plan been in effect in 2005.

Termination of and Amendments to the Stock Option Plan. The board of directors may amend the stock option plan from time to time, except that no amendment will be made without shareholder approval if such approval is necessary to comply with applicable law. No options may be granted under the stock option plan after June 30, 2016.

Income Tax Consequences. Under present law, the federal income tax treatment of stock options under the stock option plan is generally as follows:

Incentive Stock Options. For regular income tax purposes, an optionee will not realize taxable income upon either the grant of an ISO or its exercise if the optionee has been an employee of Arpeggio or a subsidiary at all times from the date of grant to a date not more than three months before the date of exercise. The difference between the fair market value of the stock at the date of exercise and the exercise price of an ISO, however, will be treated as an item of tax preference in the year of exercise for purposes of the alternative minimum tax. If the shares acquired upon an exercise of an ISO are not disposed of by the optionee within two years from the date of grant or within one year from the date of exercise, any gain realized upon a subsequent sale of the shares will be taxable as a capital gain. In that case, Arpeggio will not be entitled to a deduction in connection with the grant or the exercise of the ISO or the subsequent disposition of the shares by the optionee. The amount of gain or loss realized upon such a sale or other disposition will be measured by the difference between the amount realized and the earlier exercise price of the ISO (the optionee's basis in the stock). If the optionee disposes of the shares within two years from the date of grant of the ISO or within one year from the date of exercise of the ISO, the optionee will realize ordinary income in an amount equal to the excess of the fair market value of the shares at the date of exercise (or the amount realized on disposition, if less) over the option price, and Arpeggio will be allowed a corresponding deduction. If the amount realized on the disposition exceeds the fair market value of the shares at the date of exercise the gain on disposition in excess of the amount treated as ordinary income will be treated as capital gain. If the optionee holds the shares for more than 12 months from the date of exercise, any such gain will be a long-term capital gain.

Non-Qualified Stock Options. An optionee will not realize income upon the grant of a non-qualified stock option (NSO). Upon the exercise of a NSO granted at or above fair market value, an optionee will be required to recognize ordinary income in an amount equal to the excess of the fair market

Table of Contents

value at the date of exercise of the NSO over the option price. In the case of an option granted at below fair market value, proposed federal regulations provide that the optionee will be taxed on the spread when the option vests, unless the option is automatically exercised upon the occurrence of specific events. If the option is taxed when it vests, the optionee will also be subject to an additional 20% tax. Any compensation includable in the gross income of an employee with respect to a NSO will be subject to appropriate federal income and employment taxes. Arpeggio will be entitled to a business expense deduction in the same amount and at the same time as when the optionee recognizes compensation income. Upon a subsequent sale of the stock, any amount realized in excess of such fair market value will constitute a capital gain. If the optionee holds the shares for more than 12 months from the date of exercise, any such gain will be a long-term capital gain. In the limited circumstances in which an officer who is subject to Section 16(b) of the Securities Exchange Act of 1934, as amended (the "1934 Act") exercises a NSO, which exercise is not exempt under Section 16(b), no income is recognized for federal income tax purposes at the time of exercise unless the optionee makes an election under Section 83(b) of the Code within 30 days after the date of exercise, in which case the optionee will be subject to the tax based on the value of the shares on the date of exercise. Where such an election is not made, the optionee will recognize ordinary income on the first date that sale of such shares would not create liability under Section 16(b) of the 1934 Act (this is generally, but not necessarily, six months after the date of exercise). The ordinary income recognized by such an optionee will be the excess, if any, of the fair market value of shares on such later date over the option exercise price.

The foregoing discussion does not purport to be a complete analysis of all the potential tax consequences relevant to recipients of options or to Arpeggio or its subsidiaries. The above discussion does not take into account the effect of state and local tax laws. Moreover, no assurance can be given that legislative, administrative, regulatory or judicial changes or interpretations will not occur which could modify such analysis. In addition, an individual's particular tax status may result in different tax consequences from those described above. Therefore, any participant in the stock option plan should consult with his own tax adviser concerning the tax consequences of the grant, exercise and surrender of such options and the disposition of any stock acquired pursuant to the exercise of such options.

Recommendation and Vote Required

Approval of our incentive compensation plan will require the affirmative vote of the holders of a majority of the outstanding shares of our common stock represented in person or by proxy and entitled to vote at the meeting.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT OUR STOCKHOLDERS VOTE FOR THE APPROVAL OF THE STOCK OPTION PLAN.

OTHER INFORMATION RELATED TO ARPEGGIO

Business of Arpeggio

Arpeggio was formed on April 2, 2004, to effect a merger, capital stock exchange, asset acquisition or other similar business combination with an operating business. Prior to executing the merger agreement with Hill, Arpeggio's efforts were limited to organizational activities, completion of its IPO and the evaluation of possible business combinations.

Offering Proceeds Held in Trust

Arpeggio consummated its IPO on June 30, 2004. The net proceeds of the offering, after payment of underwriting discounts and expenses, were approximately \$36,772,000. Of that amount, \$35,352,000 was placed in the trust account and invested in government securities. The remaining proceeds have been used by Arpeggio in its pursuit of a business combination. The trust account will not be released until the earlier of the consummation of a business combination or the liquidation of Arpeggio. The trust account contained \$36,357,327 as of September 30, 2005 and \$_____ as of _____, 2006, the record date. If the merger with Hill is consummated, the trust account will be released to Arpeggio, less the amounts paid to stockholders of Arpeggio who do not approve the merger and elect to convert their shares of common stock into their pro-rata share of the trust account. The released funds will be used for working capital and acquisitions by the combined entity.

Fair Market Value of Target Business

Pursuant to Arpeggio's certificate of incorporation, the initial target business that Arpeggio acquires must have a fair market value equal to at least 80% of Arpeggio's net assets at the time of such acquisition. Arpeggio's board of directors determined that this test was met in connection with its acquisition of Hill. Further, Arpeggio has received an opinion from Capitalink that this test has been met.

Stockholder Approval of Business Combination

Arpeggio will proceed with the acquisition of Hill only if a majority of all of the outstanding shares of Arpeggio is voted in favor of each of the merger, the name change amendment and the capitalization amendment. The Arpeggio Inside Stockholders have agreed to vote their common stock acquired prior to our IPO on the merger proposal in accordance with the vote of holders of a majority of the outstanding shares of Arpeggio's common stock. If the holders of 20% or more of Arpeggio's common stock vote against the merger proposal and demand that Arpeggio convert their shares into their pro rata share of the trust account, then Arpeggio will not consummate the merger. If this happens, and if Arpeggio does not consummate another business combination before June 30, 2006, it will be forced to liquidate.

Liquidation If No Business Combination

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

Arpeggio's certificate of incorporation provides for mandatory liquidation of Arpeggio in the event that Arpeggio does not consummate a business combination within 18 months from the date of consummation of its IPO, or 24 months from the consummation of the IPO if certain extension criteria have been satisfied. Such dates are December 30, 2005 and June 30, 2006, respectively. Arpeggio signed a letter of intent with Hill on November 16, 2005 and signed a definitive merger agreement with Hill on December 5, 2005. As a result of having signed the letter of intent, Arpeggio satisfied the extension criteria and now has until June 30, 2006 to complete the merger.

Table of Contents

If Arpeggio does not complete the merger or another business combination by June 30, 2006, Arpeggio will be dissolved and will distribute to all of its public stockholders, in proportion to their respective equity interests, an aggregate sum equal to the amount in the trust account, inclusive of any interest, plus any remaining net assets. Arpeggio's stockholders who obtained their Arpeggio stock prior to Arpeggio's IPO have waived their rights to participate in any liquidation distribution with respect to shares of common stock owned by them immediately prior to the IPO. There will be no distribution from the trust account with respect to Arpeggio's warrants.

If Arpeggio were to expend all of the net proceeds of the IPO, other than the proceeds deposited in the trust account, the per-share liquidation price as of _____, 2006 would be approximately \$_____, or \$_____ less than the per-unit offering price of \$6.00 in Arpeggio's IPO. The proceeds deposited in the trust account could, however, become subject to the claims of Arpeggio's creditors and there is no assurance that the actual per-share liquidation price will not be less than \$_____, due to those claims. If Arpeggio liquidates prior to the consummation of a business combination, Eric S. Rosenfeld, chairman of the board, chief executive officer and president, will be personally liable to pay debts and obligations to vendors and other entities that are owed money by Arpeggio for services rendered or products sold to Arpeggio, or to any target business, to the extent such debts and obligations are not covered by Arpeggio's assets, excluding amounts in the trust agreement. There is no assurance, however, that he would be able to satisfy those obligations.

If Arpeggio fails to complete the business combination with Hill by June 30, 2006, upon notice from Arpeggio, the trustee of the trust account will commence liquidating the investments constituting the trust account and will turn over the proceeds to the transfer agent for distribution to the stockholders holding shares acquired through the IPO.

The stockholders holding shares of Arpeggio common stock issued in the IPO will be entitled to receive funds from the trust account only in the event of Arpeggio's liquidation or if the stockholders seek to convert their respective shares into cash and the merger is actually completed. In no other circumstances shall a stockholder have any right or interest of any kind to or in the trust account.

Facilities

Arpeggio maintains executive offices at 10 East 53rd Street, 35th Floor, New York, New York 10022. The cost for this space is included in a \$7,500 per-month fee that Crescendo Advisors II LLC, an affiliate of Eric S. Rosenfeld, one of our current officers and directors, charges Arpeggio for general and administrative services. Arpeggio believes, based on rents and fees for similar services in the New York metropolitan area, that the fees charged by Crescendo Advisors II LLC are at least as favorable as Arpeggio could have obtained from an unaffiliated person. Arpeggio considers its current office space adequate for current operations.

Employees

Arpeggio currently has two executive officers and six directors. These individuals are not obligated to contribute any specific number of hours per week and devote only as much time as they deem necessary to our affairs. Arpeggio does not intend to have any full time employees prior to the consummation of a business combination.

Of this amount, \$35,352,000 was placed in trust and the remaining proceeds are available to be used to provide for

business, legal and accounting due diligence on prospective acquisitions and continuing general and administrative expenses.

We are obligated to pay to Crescendo Advisors II LLC, an affiliate of Eric S. Rosenfeld, our chairman of the board of directors, chief executive officer and president, a monthly fee of \$7,500 for general and administrative services. of \$77,500 to us, on a non-interest bearing basis, for payment of offering expenses on our behalf. This amount was repaid in July 2004 out of proceeds of our initial public offering.

Arpeggio reimburses its officers and directors for any reasonable out-of-pocket business expenses incurred by them in connection with certain activities on Arpeggio's behalf such as identifying and investigating possible target businesses and business combinations. From Arpeggio's inception on April 2, 2004, through December 31, 2005, Arpeggio reimbursed its officers and directors in the aggregate amount of \$62,360 for expenses incurred by them on its behalf, including travel, meals and entertainment and telephone.

Arpeggio intends to utilize its cash, including the funds held in the trust account, and its capital stock to effect a business combination. Upon consummation of the merger with Hill, the proceeds in the trust account, including interest thereon, as well as any other available cash will be used for working capital and acquisitions by Hill. Upon consummation of the merger, the proceeds in the trust account also may be used for payments due under the conversion rights of Arpeggio stockholders and expenses of the merger that are not covered by the working capital of Arpeggio held outside of the trust. At September 30, 2005, we had cash outside of the trust account of \$710,407, and total liabilities of \$48,600, leaving Arpeggio with working capital of \$661,807, excluding investments held in trust.

Off-Balance Sheet Arrangements

There were no off-balance sheet arrangements during the period from April 2, 2004 (inception) through December 31, 2005, that have or are reasonably likely to have a current or future effect on our financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that is material to Arpeggio.

BUSINESS OF HILL

General

Hill provides fee-based project management and construction claims services to clients worldwide, but primarily in the United States, Europe and the Middle East. Hill's clients include the United States and other national governments and their agencies, state and local governments and agencies and the private sector. Hill was founded in 1976 and is organized into two key operating divisions: the Project Management Group and the Construction Claims Group.

Hill provides construction management and claims consulting services to a broad range of owners and builders. The projects on which Hill has worked include transportation, power, oil and gas, commercial office, education, government, airport and medical facility projects, among others.

Hill's business has grown principally through organic growth, although Hill has also acquired a number of project management and claims consulting businesses. Since 1998, Hill has completed seven acquisitions. See *Acquisitions*, below.

Construction Industry Background

In its October 5, 2005 Engineering and Construction Sector Update, Morgan Joseph & Co., Inc. stated that the outlook for the engineering and construction sector is better now than at any time over the last several years. (Morgan Joseph is acting as financial advisor to Hill. For a discussion of its involvement in the merger, see *The Merger Proposal Background of the Merger* above) This analysis expects that the industry should benefit from positive longer-term capital spending trends, as well as some

Table of Contents

positive cyclical spending trends in several key end-market sectors, including energy, power, chemicals, civil infrastructure, and government service. According to the Morgan Joseph analysis, the damage from hurricanes in the U.S. Gulf region as well as recent legislation are expected to spur activity in the sector.

Hill is already seeking to develop business based upon these industry trends. For instance, Hill has been indirectly retained by the Federal Emergency Management Agency (FEMA) to provide consulting services related to estimating the damage caused by Hurricane Katrina. In addition, the Pennsylvania Department of Transportation, the Illinois State Toll Highway Authority and other agencies have retained Hill on a variety of highway reconstruction projects. Hill also has been involved in the Iraq and Afghanistan reconstruction efforts.

In addition, the construction management market in particular is growing rapidly. In its June 13, 2005 issue, the McGraw-Hill industry publication *Engineering News-Record* reported that, among the 100 largest U.S.-based firms, program/construction management generated \$6.76 billion in fees in 2004, up 14.3% from 2003. This included domestic project fees of \$5.41 billion (up 6.7% from 2003) and international project fees of \$1.35 billion (up 59.7% from 2003).

Project Management Group

Hill's Project Management Group offers fee-based or agency construction management services to its clients, leveraging its construction claims expertise to identify potential trouble, difficulties and sources of delay on a construction project before they develop into costly problems. Hill is a fee-based consultant and does not assume project completion risk. Clients are typically billed a negotiated multiplier of the actual direct cost of each consultant assigned to a project and Hill is reimbursed for all out-of-pocket expenses.

As construction manager, Hill has managed all phases of the construction process from pre-design through completion. Services include program management, project management, project management oversight, troubled project turnaround, staff augmentation, estimating and cost management, project labor agreements and management consulting. Since its inception, Hill has managed more than 1,000 projects having an aggregate construction cost of more than \$100 billion. The Project Management Group accounted for approximately 82% of Hill's revenue less reimbursable expenses, and for approximately 79% of Hill's gross profit, during the three quarters ended October 1, 2005.

Hill has received nine Project Achievement Awards from the Construction Management Association of America honoring its performance as construction manager on various projects. In its June 13, 2005, issue, *Engineering News-Record* ranked Hill as the 18th largest construction management firm in the United States.

Construction Claims Group

Hill's Construction Claims Group advises clients in order to assist them in preventing or resolving claims and disputes based upon schedule delays, cost overruns and other problems on major construction projects worldwide. Hill's claims consulting services include claims preparation, analysis and review, litigation support, expert witness testimony, cost and damages assessment and delay/disruption analysis. Hill is retained as a claims consultant at the onset of a project, during the course of a project or upon the completion of a project, and Hill assists owners or contractors in adversarial situations as well as in situations where an amicable resolution is sought. Clients are typically billed based on an hourly rate for each consultant assigned to the project, and Hill is reimbursed for its out-of-pocket expenses. The Construction Claims Group accounted for approximately 18% of Hill's revenue less reimbursable expenses, and for approximately 21% of Hill's gross profit, during the three quarters ended October 1, 2005.

Hill has helped resolve over 5,000 disputes involving claims in excess of \$50 billion. Hill's claims consulting clients include participants on all sides of a construction project, including owners, contractors, subcontractors, architects, engineers, attorneys, lenders and insurance companies.

Hill has been involved in resolving construction claims for many major construction projects worldwide, including for the Channel Tunnel connecting the United Kingdom and France and the Petronas Twin Towers in Kuala Lumpur, Malaysia.

One of the Company's clients, the City of New York Department of Design and Construction, accounted for 21% and 15% of revenue during the year ended December 28, 2002, and the nine month period ended October 1, 2005, respectively. Another of the Company's clients, the New Jersey School Construction Authority, accounted for 11% of revenue during the year ended January 1, 2005.

Geographic Regions

Hill operates worldwide and has offices in ten foreign countries. The majority of Hill's revenues has been derived from operations in the United States. However, in the past three completed fiscal years, the percentage of Hill's revenues derived from overseas operations has risen consistently. The following table sets forth the amount and percentage of Hill's revenues from its operations in each of the United States, Europe and the Middle East for each of the past three completed fiscal years:

Revenue by Geographic Region

Contracts

The price provisions of the contracts Hill undertakes can be grouped into three broad categories: cost-plus, time and materials and fixed-price. The majority of Hill's contracts are of the cost-plus type.

Cost-plus contracts provide for reimbursement of costs and overhead incurred by Hill plus a predetermined fee. Under some cost-plus contracts, Hill's fee may be based on quality, schedule and other performance factors.

Doing business with governments, including the United States government, is complex and requires the ability to comply with intricate regulations and satisfy periodic audits. Hill believes that the ability to understand these requirements and to successfully conduct business with government agencies is a barrier to entry for smaller, less experienced competitors.

For the nine months ended October 1, 2005, revenues from federal government contracts represented approximately 17.1% of Hill's revenues. Most government contracts, including Hill's contracts with the federal government, are subject to termination by the government, to government audits and to continued appropriations.

Table of Contents

Backlog

A strong indicator of Hill's future performance is its backlog of uncompleted projects under contract or awarded. Hill's total backlog was approximately \$281 million as of December 31, 2005. Hill estimates that approximately 33.8% of the backlog at December 31, 2005 will be recognized during its 2006 fiscal year. Hill's total backlog as of January 1, 2005 and December 27, 2003 was \$256 million and \$201 million, respectively.

Acquisitions

Since 1998, Hill has completed seven acquisitions, three of which involved project management firms and four of which were focused on construction claims. Four of these targets were U.S. based, two were headquartered in the U.K., and one had offices in both countries. Hill's management expects to continue considering targets for acquisition that could expand geographic coverage in the U.S. and elsewhere, add additional end-market expertise or bolster existing operations. Hill is also currently considering several possible acquisitions in the project management sector.

Competition

The construction management and claims consulting industries are highly competitive. Hill competes for contracts, primarily on the basis of technical capability, with numerous entities, including design or engineering firms, general contractors, other pure construction management companies, other claims consulting firms, the Big Four and other accounting firms, management consulting firms and other entities. Many of these competitors are large, well-established companies that have broader geographic scope and greater financial and other resources than Hill.

Management

Hill is led by an experienced management team with significant experience in the construction industry. Information about its primary executive officers is set forth in the section entitled *Directors and Executive Officers of Arpeggio Following the Merger*. In addition to such persons, Hill's operational team includes 13 Senior Vice Presidents and 37 Vice Presidents.

Employees

At October 31, 2005, Hill had 771 personnel. Of these individuals, 622 worked in Hill's Project Management Group, 111 worked in Hill's Construction Claims Group and 38 worked in Hill's Corporate Group. Hill's personnel at October 31, 2005 included 675 full-time employees, 80 part-time employees and 16 independent contractors. Hill's future success will depend significantly on its ability to attract, retain and motivate qualified personnel. Hill is not a party to any collective bargaining agreement and it has not experienced any strikes or work stoppages. Hill considers its relationship with its employees to be satisfactory.

Facilities

Hill's executive and operating offices are located at 303 Lippincott Centre, Marlton, New Jersey 08053. The telephone number at Hill's executive office is (856) 810-6200. Hill maintains 21 other offices in New York, NY; Danbury, CT; Trenton, NJ; Philadelphia, PA; Bensalem, PA; Washington, DC; Chicago, IL; San Francisco, CA; London, UK; Manchester, UK; Athens, Greece; Bucharest, Romania; Skopje, Macedonia; Dubai, UAE; Abu Dhabi, UAE; Doha, Qatar; Manama, Bahrain; Sharq, Kuwait;

Table of Contents

Baghdad, Iraq; Seoul, Korea; and Hong Kong. Hill does not own any real property and all of its offices are in leased premises.

Insurance

Hill maintains insurance covering professional liability, as well as for claims involving bodily injury and property damage. Hill has historically enjoyed a favorable loss ratio in all lines of insurance and Hill's management considers Hill's present limits of liability, deductibles and reserves to be adequate. Hill endeavors to reduce or eliminate risk through the use of quality assurance/control, risk management, workplace safety and similar methods to eliminate or reduce the risk of losses on a project.

The terrorist attacks that occurred on September 11, 2001 have had a material adverse effect on the insurance industry as a whole. Consequently, along with its competition, Hill has experienced, and expects to continue to experience, a significant increase in its insurance premiums.

Legal Proceedings

From time to time, Hill is a party to litigation or other legal proceedings. As of November 29, 2005, Hill was a co-defendant or a defendant in various proceedings, some of which do not allege a specific amount of damages, but which damages might be, either individually or in the aggregate, material. In these proceedings, claims of negligence, breach of contract and/or other claims had been asserted, and Hill considers these types of claims to be part of the ordinary course of its business. With respect to many of these proceedings, Hill believes that the claims are covered by its existing insurance policies.

On September 23, 1996, William Hughes General Contractors, Inc. filed a complaint against the Monroe Township Board of Education, Hill and other parties, alleging breach of contract and other causes of action in connection with its performance of a construction project for Monroe Township. Monroe Township, which had terminated the plaintiff from the construction project prior to the commencement of the litigation on the basis of the plaintiff's performance, made a cross claim against Hill and other parties for contribution and indemnification. Plaintiff is seeking in excess of \$3.5 million in damages. Monroe Township is seeking approximately \$89,000 in damages from Hill, in addition to an indemnification for the plaintiff's claims. Hill believes that the claims are without merit and has vigorously defended its interests in this matter since its outset.

On September 22, 1999, Wartsila NSD North America, Inc. filed a complaint against Hill in the United States District Court for the District of New Jersey. Wartsila is seeking damages in excess of \$7.3 million. The complaint alleges negligence, fraud and breach of contract against Hill in connection with plaintiff's hiring of a former Hill employee. It is expected that this case will go to trial in February 2006. Hill believes that the plaintiff's claims are without merit and has vigorously defended its interests in this matter since its outset.

On August 8, 2003, South Jersey Port Corp. filed a complaint against S.T. Hudson Engineers, Hill and other parties alleging negligence and other causes of action in connection with a matter in which Hill was the project manager during construction of a pier for the Battleship U.S.S. New Jersey memorial and museum project. South Jersey Port Corp. is seeking damages of \$7.7 million, including interest, from all defendants. Hill believes that the claims are without merit and has vigorously defended its interests in this matter since its outset.

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

As a government contractor, Hill is subject to various laws and regulations that are more restrictive than those applicable to non-government contractors. Government scrutiny of contractors' compliance with those laws and regulations through audits and investigations is inherent in government contracting, and, from time to time, Hill receives inquiries, subpoenas and similar demands relating to its ongoing business with government entities. Violations can result in civil or criminal liability as well as suspension or debarment from eligibility for awards of new government contracts or option renewals. Management believes that government contract-related audits, investigations and claims should not have any material adverse effect on Hill's financial condition or results of operations.

Undue reference should not be placed on these forward-looking statements, which speak only as of the date hereof. Hill undertakes no obligation to update any forward-looking statements.

The following discussion should be read in conjunction with Hill's consolidated financial statements and the related notes contained in this Proxy Statement.

Hill provides fee-based project management and construction claims services to clients worldwide, but primarily in the United States, Europe and the Middle East. Hill's clients include the United States and other national governments and their agencies, state and local governments and agencies, and the private sector. Hill was founded in 1976 and is organized into two key operating divisions: the Project Management Group and the Construction Claims Group.

Hill's business has grown principally through organic growth, although Hill has also acquired a number of project management and claims consulting businesses. Since 1998, Hill has completed seven acquisitions.

Hill derives its revenues from fees for professional services. As a service company Hill is labor intensive rather than capital intensive. Hill's revenue is driven by its ability to attract and retain qualified and productive employees, identify business opportunities, secure new and renew existing client contracts, provide outstanding services to its clients and execute projects successfully. Hill's income from operations is derived from its ability to generate revenue and collect cash under its contracts in excess of subcontractors and other reimbursable costs, direct labor and other direct costs of executing the projects and selling, general and administrative costs.

Critical Accounting Policies

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

Hill's discussion and analysis of its financial condition and results of operations are based on Hill's consolidated financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Hill to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities as of the date of the financial statements, and also affect the amounts of revenues and expenses reported for each period. Actual results could differ from those which result from using the estimates. Hill utilizes estimates in assessing its exposure to insurance claims that fall below policy deductibles, to assess its litigation and other legal claims and contingencies, in recording its allowance for doubtful accounts and in determining the utilization of deferred tax assets

Table of Contents

and the adequacy of the valuation reserve against the deferred tax asset and in determining cost to complete under the percentage-of-completion method of accounting for contracts.

The Securities and Exchange Commission (SEC) defines critical accounting policies as those that require application of management's most difficult, subjective or complex judgments, often as a result of the need to make estimates about the effect of matters that are inherently uncertain and may change in subsequent periods.

Hill's significant accounting policies are described in Note 1 to the Notes to Hill's Consolidated Financial Statements for the year ended January 1, 2005. Not all of these significant accounting policies require management to make difficult, subjective or complex judgments or estimates. However the following policies are considered to be critical within the SEC definition:

Revenue Recognition

Hill generates revenue primarily from project management consulting services. Revenue is generally recognized upon the performance of services. In providing these services, the Company may incur reimbursable expenses, which consist principally of amounts paid to subcontractors and other third parties as well as travel and other job related expenses that are contractually reimbursable for clients. In accordance with Emerging Issues Task Force Issue No. (EITF) 99-19, Reporting Revenue Gross as a Principal versus Net as an Agent, and EITF 01-14, Income Statement Characterization of Reimbursements Received for Out-of-Pocket Expenses Incurred, Hill has assessed the indicators provided in EITF 99-19 and determined that Hill will include reimbursable expenses in computing and reporting Hill's total contract revenues as long as Hill remains responsible to the client for the fulfillment of the contract and for the overall acceptability of all services provided.

Hill earns its revenues from cost-plus, fixed-price and time-and-materials contracts. If estimated total costs on any contract indicate a loss, Hill charges the entire estimated loss to operations in the period the loss becomes known. The cumulative effect of revisions to revenue, estimated costs to complete contracts, including penalties, incentive awards, change orders, claims, anticipated losses, and others are recorded in the accounting period in which the events indicating a loss are known and the loss can be reasonably estimated. Such revisions could occur at any time and the effects may be material.

The majority of Hill's contracts are for project management work where Hill bills the client monthly at hourly billing rates. The hourly billing rates are determined by contract terms. For Governmental clients, the hourly rates are generally calculated as salary costs plus overhead costs plus a negotiated profit percentage. For commercial clients, the hourly rate can be taken from a standard fee schedule by staff classification or it can be a discount from this schedule. In some cases, primarily for foreign work, a fixed monthly staff rate is negotiated rather than an hourly rate. This monthly rate is a build up of staffing costs plus a profit. Hill accounts for these contracts on a time-and-expenses method, recognizing revenue as costs are incurred.

A small percentage of Hill's contracts are fixed price. Hill accounts for these contracts on the percentage-of-completion method, wherein revenue is recognized as costs are incurred. Under the percentage-of-completion method for revenue recognition, Hill estimates the progress towards completion to determine the amount of revenue and profit to be recognized. Hill generally utilizes a cost-to-cost approach in applying the percentage-of-completion method, where revenue is earned in proportion to total costs incurred, divided by total costs expected to be incurred.

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

Under the percentage-of-completion method, recognition of profit is dependent upon the accuracy of estimates. Hill has a history of making reasonably dependable estimates of the extent of progress towards completion, contract revenue and contract completion costs on its long-term construction management contracts. However, due to uncertainties inherent in the estimation process, it is possible that actual completion costs may vary from estimates.

Table of Contents

Long-Lived Assets

Hill evaluates the recoverability of its long-lived assets when events or changes in circumstances suggest that the carrying value of assets may not be recoverable.

Allowance for Doubtful Accounts

Hill records an estimate of its anticipated bad debt expense based on Hill's historical experience. If the financial condition of Hill's clients were to deteriorate, or if the payment behavior were to change, resulting in either their inability or refusal to make payment to Hill, additional allowances would be required.

Income Taxes

The ultimate realization of deferred tax assets is dependent on the generation of future taxable income during the periods in which temporary timing differences become deductible. Hill determines the utilization of deferred tax assets in the future based on current year projections by management and criteria described in Statement on Financial Accounting Standards (SFAS) No. 109.

Hill measures performance of many of its key operating metrics as a percentage of revenue less reimbursable expenses (RLRE) as Hill believes that it is a better measure of operating performance than is total revenue. Throughout this discussion Hill has used RLRE as the denominator in many of Hill s ratios.

Total	\$ 61,284	100%	\$ 80,372	100%	\$ 19,088	31.1%

The \$19,088,000 increase in total revenue is primarily attributable to a \$10,755,000 increase in overseas project management revenue and an \$8,436,000 increase in domestic project management revenue over the first three quarters of 2005 relative to the comparable period in 2004. The increase in overseas project management revenue is principally due to an increase of \$7,306,000 in the Middle East and an increase of \$3,449,000 in Europe, reflecting continued successful business development efforts. The increase in domestic project management revenue is principally due to \$9,211,000 of new contracts with the New York City Department of Design and Construction, less a decline in work performed for the New Jersey Schools Construction Corporation. The decrease in construction claims revenue is due to Hill's shift in focus towards more predictable project management revenue which is typically generated from multi-year contracts. Hill anticipates continued faster growth in project management revenue relative to construction claims revenue.

Reimbursable expenses consist principally of amounts paid to subcontractors and other third parties as well as travel and other job related expenses that are reimbursed by Hill's clients. Reimbursable expenses increased in 2005 as Hill used more subcontractors due to certain new contracts with the New York City Department of Design and Construction.

Total	\$ 46,915	100%	\$ 58,945	100%	\$ 12,030	25.7%

Due to the increase in total revenue, which was largely driven by 38.3% growth in the project management revenue, less the increase in reimbursable expenses described above, revenue less reimbursable expenses increased by 25.7% in the first three quarters of 2005 relative to the comparable 2004 period.

Total	\$ 25,391	100%	54.1%	\$ 30,981	100%	52.6%	\$ 5,590	22.0%

The increase in direct expenses is principally due to the increase in RLRE, as foreign projects direct labor increased \$3,937,000 and domestic projects labor increased \$1,507,000. The decrease in direct expenses as percentage of RLRE is due to more efficient overseas operations as those operations continue to grow.

Foreign currency contracts are mostly denominated in British pounds, European euros or United Arab Emirates dirhams.

The increase in Hill's gross profit over the first three quarters of 2005 relative to the comparable 2004 period is attributable to both an increase in RLRE as well as an increase in Hill's gross profit margin. The increase in gross profit as percentage of RLRE is due to more efficient overseas operations.

Table of Contents

The \$65,000 increase in selling, general and administrative expenses is primarily attributable to the following:

Expenses related to Hill's legal costs related to an investment transaction (the Tickets.com litigation) decreased \$1,772,000 to \$0 in 2005, as the litigation was concluded in April 2004.

An increase in unapplied and indirect labor expense of \$1,198,000, due to the increases in staff required to produce and support the increase in revenue.

Administrative travel increased \$519,000, with increased travel by corporate, finance and business development staff to monitor and enhance continued overseas growth.

Legal fees, other than for the Tickets.com litigation, increased \$487,000 principally because Hill incurred legal fees in connection with two lawsuits in the ordinary course of business for which insurance did not provide defense costs. Hill believes one suit is without merit and it believes it has provided a sufficient accrual for any losses in the second suit.

A decrease in bad debt expense of \$472,000 related to improved receivables collections.

An increase of \$105,000 in other selling, general and administrative expenses due to a variety of factors.

Equity in earnings of affiliate

Hill's share of the earnings of an affiliate, Stanley Baker Hill, LLC (SBH), which was formed in April 2004 for the purpose of providing various architect-engineering and construction management services in connection with the Iraq Reconstruction Program, increased \$522,000, from \$37,000 in the first three quarters of 2004 to \$559,000 in the first three quarters of 2005. SBH was formed in April 2004 and operations did not fully commence until the fourth quarter of 2004.

Operating income

Operating income increased \$6,897,000, from a loss of \$951,000 in 2004 to income of \$5,946,000 in 2005, principally due to higher revenue, higher margins in Hill's project management operation, an increase in Hill's share of the earnings of SBH, and the conclusion of the Tickets.com litigation.

Interest expense (net)

Net interest expenses decreased \$16,000 to \$420,000 for 2005 as compared to 2004 principally due to decreased borrowings under Hill's revolving credit facility during 2005.

Tax expense (benefit)

For 2005, Hill recognized a tax expense of \$1,560,000 relative to a tax benefit of \$483,000 for 2004, principally relating to higher operating profit in 2005 and the recording of the Tickets.com loss and litigation expenses in 2004.

The effective tax rates for the fiscal years of 2004, 2003 and 2002 were 39%, 40% and 41%, respectively. The effective tax rate for the nine months ended October 1, 2005 is 28%. The effective rate is lower than in previous periods because a greater portion of Hill's profit in the nine-months ended October 1, 2005 came from foreign operations which are taxed at lower rates.

Hill has non-current deferred tax assets related to alternative minimum tax carryforwards with no expiration dates. Because operating results for fiscal years 2003 and 2004 were negatively impacted by unusual litigation expenses unrelated to Hill's ongoing business, and in light of improved results for the nine-months ended October 1, 2005, Hill's backlog as of December 31, 2005 and management's

expectations of continued increasing revenue, Hill believes it is more likely than not (per Statement of Financial Accounting Standards No. 109) that such deferred tax assets will be utilized in future periods.

Net income (loss)

Hill reported net income of \$3,966,000 for 2005 as compared to a loss of \$904,000 in 2004. Overall profitability improved due to an increase in RLRE of 25.7% with a slight improvement in gross profit as a percentage of RLRE, relatively constant overall selling, general and administrative expenses and a decline in Hill's effective tax rate, as described above.

Hill utilizes a 52-53 week fiscal year ending on the Saturday closest to December 31. The fiscal years 2002, 2003 and 2004 ended December 28, 2002, December 27, 2003 and January 1, 2005, respectively and were 52, 52 and 53 week years, respectively. Throughout the following discussion Hill refers to the fiscal year ended December 28, 2002 as 2002; fiscal year ended December 27, 2003 as 2003 and fiscal year ended January 1, 2005 as 2004.

Throughout this discussion Hill has used RLRE as the denominator in many of Hill's ratios.

Total	\$ 78,731	100.0%	\$ 84,107	100.0%	\$ 5,376	6.8%

The increase in total revenue is primarily attributable to an \$8,229,000 increase in overseas project management revenue and \$1,088,000 in domestic project management revenue, partially offset by the decline of \$3,941,000 in construction claims revenue. The increase in overseas project management revenue is principally due to an increase of \$6,978,000 in the Middle East including new contracts in Dubai and expansions of existing contracts in Qatar and Kuwait and an increase of \$1,251,000 in Europe, all attributable to expanded business development efforts. The increase in domestic project management revenue of \$1,785,000 is primarily due to a new contract for the Reconstruction of Iraq with the United States government. The decrease in construction claims revenue is due to Hill's shift in focus towards more predictable project management revenue which is typically derived from multi-year contracts. Hill anticipates continued faster growth in project management revenue as compared to construction claims revenue.

Reimbursable expenses consist principally of amounts paid to subcontractors and other third parties and travel and other job related expenses that are contractually reimbursable from clients. Reimbursable expenses decreased in 2004 as Hill used fewer subcontractors in 2004 due to the ending of certain of its contracts with the New York City Department of Design and Construction. Several new contracts with this client started in 2005.

Due to the \$5,376,000 increase in total revenue, and the \$1,551,000 decrease in reimbursable expenses, revenue less reimbursable expenses increased \$6,927,000 or 12.3%, to \$63,039,000 for the year ended January 1, 2005 as compared to \$56,112,000 for the year ended December 27, 2003.

Total	\$ 29,004	100.0%	51.7%	\$ 34,365	100.0%	54.5%	\$ 5,361	18.5%

Direct expenses include labor expenses for time charged directly to contracts and non-reimbursable job related travel and out of pocket expenses. The increase in direct expenses is principally due to the increase in project management RLRE, as a percentage of total RLRE, partially offset by a decline in direct costs related to construction claims revenue. Project management revenue is more labor intensive and thus has higher direct costs. In addition, a higher percentage of Hill s project management revenue is being generated overseas where Hill s direct costs are higher. Direct costs of Hill s construction claims segment declined due to a decline in revenue. The increase in project management revenue as a percentage of Hill s revenue would cause direct expenses, as a percentage of revenue, to continue to increase.

While selling, general and administrative expenses increased by 6.6% from fiscal 2003 to fiscal 2004, these expenses actually declined from 48.9% of RLRE to 46.4% of RLRE. The decline of SG&A expenses as a percentage of RLRE is partially attributable to Hill's increase in project management revenues, which tend to have lower indirect expenses.

The \$1,803,000 increase in selling, general and administrative expenses is primarily attributable to the following:

An increase in unapplied and indirect labor expense of \$616,000 due to the increases in staff required to produce and support the \$5,376,000 increase in revenue.

An increase in insurance expenses of \$515,000 principally relating to increased coverage of property, casualty and professional liability insurance supporting the increase in revenue as well as expansion into Qatar, Kuwait and Iraq.

Administrative travel increased by \$320,000 as corporate management, finance and business development staff traveled in support of growing overseas business.

An increase in bad debt expense of \$286,000 related to the increase in revenue.

An increase in indirect expenses of \$207,000 relating to the settlement of a claim by a former client for services performed by a Hill employee.

Increase in other indirect expenses of \$131,000, incurred in the growth of the business.

Legal expense increased by \$162,000 primarily due to the retention of outside attorneys in the Middle East in connection with contract advice, employment issues and corporate registration for Hill's Middle East business.

A decrease of \$370,000 in amortization expenses as a portion of Hill's acquired contract rights were mostly or fully amortized by December 2003.

Expenses related to Hill's legal costs related to an investment transaction (the Tickets.com litigation) decreased \$244,000. Hill incurred legal fees related to the Tickets.com litigation of \$1,773,000 in 2004. Hill incurred legal fees relating to the Tickets.com litigation of

\$1,696,000 and a loss on sales of Tickets.com stock of \$321,000 in 2003. The litigation was concluded in April 2004.

An increase in other selling, general and administrative expenses of \$180,000 due to a variety of factors.

Operating loss

Principally due to higher RLRE, partially offset by higher direct and selling, general and administrative expenses, operating loss declined \$221,000, from a loss of \$320,000 in fiscal year 2003 to a loss of \$99,000 in fiscal year 2004.

Interest expense (net)

Net interest expense increased \$35,000 to \$597,000 for the year ended January 1, 2005 as compared to \$562,000 for the year ended December 27, 2003 principally due to increased borrowings under Hill's revolving credit facility during 2004.

Table of Contents*Equity in earnings of affiliate*

Hill owns 33.33% of an affiliate, Stanley Baker Hill, LLC (SBH) which was formed in April 2004 for the purpose of providing various architect-engineering and construction management services in connection with the Iraq Reconstruction Program. Hill's share of the SBH earnings in 2004, the first year of operations, was \$458,000.

Tax expense (benefit)

For 2004, Hill recognized a tax benefit of \$272,000 principally relating to the recording of the Tickets.com loss and litigation expenses relative to a tax benefit of \$353,000 for 2003.

Net income (loss)

Hill reported a net loss of \$424,000 for 2004 principally due to the loss relating to the sale of Tickets.com stock and the related litigation expenses, which was only partially offset by Hill's equity in the earnings of SBH.

The \$5,641,000 increase in total revenue is principally attributable to increases in European and Middle Eastern project management revenue of \$4,213,000 and \$2,578,000, respectively, which were partially offset by a \$1,595,000 decline in domestic project management revenue. The increase in foreign project management revenue was the result of successful overseas business development efforts. Domestic project revenue was lower due to decreases of \$12,628,000 and \$1,072,000 due to a winding down of projects managed from Hill's New York and Florida offices, respectively. However, \$10,297,000 of the decline in New York project management revenues was related to reimbursable subcontractor

costs, as described below. The decreases in New York and Florida project management revenues were partially offset by increases of \$6,366,000 in New Jersey, \$3,731,000 in Washington DC and \$2,401,000 in Philadelphia due to the start of several new projects.

Reimbursable expenses relating to project management revenue decreased due to the use of fewer subcontractors in New York where less work was contracted with the New York City Department of Design and Construction. Reimbursable expenses relating to construction claims revenue increased due to the need for more outside assistance with certain engagements.

The increase in direct expenses related to construction claims revenue as a percentage of construction claims RLRE was principally attributable to the fact that the offices where RLRE increased (Washington, DC, Houston and the Middle East) had higher direct costs as a percentage of revenue.

Table of Contents

The \$3,747,000 increase in selling, general and administrative expenses is principally attributable to the following:

An increase in unapplied and indirect labor of \$2,435,000 principally related to an increase of \$1,108,000 in indirect labor for business development and administrative staff supporting the growth in revenue and an increase of \$1,327,000 in unapplied labor for the new staff hired to produce the increase in RLRE of \$7,988,000.

An increase in office rent of \$940,000 due to the opening of a new office in New York and the expansion of offices in New Jersey, Washington, DC and Philadelphia.

Expenses related to Hill's legal costs related to an investment transaction (the Tickets.com litigation) increased \$922,000. Hill incurred legal fees relating to the Tickets.com litigation of \$1,696,000 and a loss on sales of Tickets.com stock of \$321,000 in 2003. Included in selling, general and administrative expenses in 2002 is a recognized loss of \$445,000 from the sale of 20,000 shares of stock in Tickets.com (after a one for eight reverse stock split) and \$774,000 in legal expenses relating to Tickets.com litigation.

An increase in administrative travel of \$338,000 due to increased executive, management and business development efforts overseas.

An increase of \$324,000 in fees paid to business development consultants.

A decrease in depreciation and amortization of \$315,000, principally attributable to a decrease of \$303,000 in amortization of a portion of Hill's acquired contract rights which were nearing the end of their useful life by December 27, 2003.

A reduction of \$630,000 in legal fees due to less litigation and other legal activities.

Miscellaneous decrease of \$267,000 in other selling, general and administrative expenses.

Operating (loss) income

Principally due to expenses related to Hill's Tickets.com litigation, operating income declined \$832,000 to an operating loss of \$320,000 for the year ended December 27, 2003 as compared to operating income of \$512,000 for the year ended December 28, 2002.

Interest expense (net)

Net interest expenses increased \$79,000, from \$483,000 in fiscal 2002 to \$562,000 in fiscal 2003, principally due to a higher average balance under Hill's revolving credit facility during 2003.

Tax expense (benefit)

For 2003, Hill recognized a tax benefit of \$353,000 principally relating to the Tickets.com loss and litigation expenses as compared to a tax expense of \$12,000 for 2002.

Net income (loss)

Principally due to the loss relating to the sale of Tickets.com stock and the related litigation expenses, Hill reported a net loss of \$529,000 for 2003 compared to net income of \$17,000 for 2002.

Liquidity and Capital Resources

Historically, Hill has funded its business activities with cash flow from operations and borrowings under its credit facility.

Table of Contents

Credit Facility

As of October 1, 2005, Hill had \$8,918,000 of indebtedness under a revolving credit facility and approximately \$800,000 available under the facility. During 2005, Hill was in default of certain financial covenants under the revolving credit facility. On August 11, 2005, Hill and its lender amended their credit agreement to waive the defaults and make certain other changes to the agreement including a revised pay down schedule. On January 6, 2006, the facility was amended to remove the scheduled pay downs and change the due date of the facility to February 28, 2006. Hill has entered into a Letter of Intent with a major financial institution pursuant to which the financial institution has agreed to provide Hill with a \$15,000,000 senior secured credit facility, subject to due diligence and certain other closing conditions. This credit facility consists of a \$13,500,000 revolving credit facility with a three-year term and a \$1,500,000 term loan, which is payable in 24 equal monthly installments. Hill believes this facility will be in place by February 28, 2006.

Hill also has a credit facility with a bank in the Middle East for approximately \$1.2 million secured by certain overseas receivables. At October 1, 2005, Hill had drawn down approximately \$200,000 under this facility.

Arpeggio Merger

On December 5, 2005, Hill entered into an Agreement and Plan of Merger (the *Merger Agreement*) with Arpeggio Acquisition Corporation (*Arpeggio*) providing for the merger of Hill with and into Arpeggio. Arpeggio will be the surviving corporation in the merger and will change its name to Hill International, Inc.

Hill's stockholders have approved and adopted the Merger Agreement in accordance with the applicable provisions of the Delaware General Corporation Law.

The merger is expected to be consummated in the second quarter of 2006, after the required approval by the stockholders of Arpeggio and the fulfillment of certain other conditions. If the merger is consummated, and Hill can provide no assurance that the merger will be consummated, the combined company shall receive from a trust account not less than \$36,353,000, plus accrued interest, less amounts paid to Arpeggio stockholders who have elected to convert their shares to cash in accordance with Arpeggio's certificate of incorporation.

Change in Tax Method

Hill currently prepares its Federal and State tax returns on a cash basis. As a result of the proposed merger and the change in ownership, Hill will be required to prepare its tax returns on an accrual basis. While the final impact of the change in method is not known, Hill estimates that the result will be a requirement to pay approximately \$2,500,000 on a straight-line basis over four years beginning in 2006.

Activity during the nine months ended September 30, 2005

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

For the nine months ended October 1, 2005 Hill used cash of \$759,000. Cash provided by operations was \$894,000. Hill used \$694,000 in investing activities and \$910,000 in financing activities. Hill also experienced a decline in cash of \$49,000 from the effect of foreign exchange rates.

Net cash provided by operating activities for the nine months ended October 1, 2005 was \$894,000. Cash provided by operations is attributable to net income of \$3,966,000 for the nine months adjusted by the following non-cash items included in net income:

depreciation and amortization of \$661,000;

stock-based compensation of \$535,000;

an increase in the provision for bad debts, due to higher receivables, of \$495,000;

reported equity in SBH, a 33.33% owned affiliate, of \$559,000; and

a deferred tax benefit of \$234,000.

Working capital changes which contributed to the increase in cash from operations included the following:

Table of Contents

reductions in other receivables of \$223,000 due to the timing of payments;

reductions of related party receivables of \$361,000 due to the timing of collections from SBH;

increases in accounts payable and accrued expenses of \$808,000, principally relating to an increase in operations and Hill's need to manage its cash;

an increase in net income taxes payable of \$1,563,000 due to higher net income;

an increase in other current liabilities of \$542,000, primarily consisting of advances from customers due to increased activity; and

an increase in other liabilities of \$368,000 primarily attributable to retainers due to subcontractors.

Working capital changes which reduced cash from operations included the following:

an increase in accounts receivable of \$7,396,000 due to increased revenue particularly in the Middle East;

an increase in retainage receivable of \$4,000;

increase in prepaid expenses and other current assets of \$318,000 which principally related to (i) increased activity as prepaid rent increased when Hill expanded its operations and (ii) for increased advances to Hill employees working overseas who receive such advances for living costs; and

a decrease in deferred revenue of \$75,000. In July 2001, Hill received a cash payment of \$450,000 in advance for future services which were to be provided over the following four years, not exceeding \$250,000 by July 19, 2003 and \$125,000 per year thereafter. During the nine-month period ended October 1, 2005, no services were requested and the liability was reduced to \$0 as of October 1, 2005.

Net cash used in investing activities was \$694,000, and was expended for the purchase of computers, office equipment, furniture and fixtures.

Net cash used in financing activities of \$910,000 was principally for repayments under Hill's revolving credit facility of \$1,142,000, a decrease in the amount due to Hill's principal lender of \$99,000 and payments of capital lease obligations of \$269,000. Hill received \$618,000 of distributions from SBH. In addition, Hill also advanced \$14,000 to its principal stockholder during the nine months ended October 1, 2005. These advances are non-interest bearing and have no set repayment terms.

A summary of Hill's contractual obligations and off-balance sheet arrangements as of January 1, 2005 is as follows:

Table of Contents**Backlog**

The schedule below represents Hill's backlog as of December 31, 2005. Backlog represents the anticipated revenue less reimbursable expenses of all executed and awarded contracts that have not been completed and will be recognized as revenues over the life of the project. At December 31, 2005, Hill's backlog was approximately \$281 million, compared to \$256 million at December 31, 2004. Hill estimates that approximately 33.8% of the backlog at December 31, 2005 will be recognized during fiscal 2006.

The schedule below includes backlog under two types of contracts: (1) contracts for which work authorizations have been or are expected to be received on a fixed-price basis and not-to-exceed projects that are well defined and (2) time and material contracts based on the project managers estimate of the expected size and length of the contract.

Although backlog reflects business that Hill considers to be firm, cancellations or scope adjustments may occur. Further, most contracts with clients may be terminated at will, in which case the client would only be obligated to Hill for services provided through the termination date. Hill adjusts backlog to reflect project cancellations, deferrals and revisions in scope and cost (both upward and downward) known at the reporting date; however, future contract modifications or cancellations may increase or reduce backlog and future revenues. As a result, no assurances can be given that the amounts included in backlog will ultimately be realized.

Recent Accounting Pronouncements*Share-Based Payment*

In December 2004, the Financial Accounting Standards Board (FASB) issued SFAS No. 123(R), Share-Based Payment, which is a revision of SFAS No. 123, Accounting for Stock-Based Compensation . SFAS 123(R) requires that the compensation cost relating to share-based payment

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

transactions be recognized in financial statements. The compensation cost will be measured based on the fair value of the equity or liability instruments issued. The Statement is effective as of the beginning of the first annual period beginning after June 15, 2005. Beginning in January 2006, the value of all options granted by Hill will be recorded as compensation expense and will be reported as general and administrative expense. Hill is currently evaluating which transition method it will use upon adoption of SFAS 123(R) and the potential impacts it

Table of Contents

will have on its compensation plans. SFAS 123(R) will impact Hill's consolidated financial statements as it historically has recorded its stock-based compensation in accordance with Accounting Principles Board Opinion No. 25, "Accounting for Stock Issued to Employees", which does not require the recording of an expense for Hill's stock-based compensation plans for options granted at a price equal to the fair market value of the shares on the grant date.

Accounting Changes and Error Corrections

In May 2005, the FASB issued SFAS No. 154 "Accounting Changes and Error Corrections - A Replacement of APB Opinion No. 20 and FASB Statement No. 3". This Statement requires retrospective application to prior periods' financial statements of changes in accounting principle, unless it is impracticable to determine either the period-specific effects or the cumulative effect of the change. This Statement does not change the guidance for reporting the correction of an error in previously issued financial statements or a change in accounting estimate. The provisions of this Statement shall be effective for accounting changes and correction of errors made in fiscal years beginning after December 15, 2005. The impact of SFAS No. 154 will depend on the accounting change, if any, in future periods.

Quantitative and Qualitative Disclosures of Market Risk

Hill's major financial market exposure is to changing interest rates. All of Hill's borrowings under its revolving credit facility vary based on changes in interest rates. Hill has total debt outstanding as of February 3, 2006 under its revolving credit facility of approximately \$9,000,000. Changes in LIBOR would have an impact on Hill's cash flows, and earnings for the nine months ended October 1, 2005. For example, a 0.25% increase in the LIBOR rate would increase Hill's monthly interest expenses and negatively impact earnings and cash flows by approximately \$1,875.

Foreign currency contracts are mostly denominated in the currency of the United Kingdom (UK), the European Union (EU) or the United Arab Emirates (UAE). These currencies have not had significant fluctuations in their relative value to U.S. dollar and Hill does not expect significant fluctuations in future periods.

Certain Transactions

From time to time, Hill has made cash advances to Irvin E. Richter, its principal stockholder. These advances are non-interest bearing and have no set repayment terms. At October 1, 2005, the balance advanced to Mr. Richter amounted to \$754,000, and that balance was \$977,000 as of February 1, 2006. Pursuant to the terms of the merger agreement, these loans by Hill to Mr. Richter must be repaid in full prior to the closing of the merger.

Mr. Richter also has a personal loan of \$1,850,000 from a bank that is guaranteed by Hill. As collateral for its guaranty, Hill assigned to the bank \$1,850,000 of the potential proceeds of a \$5,000,000 key-man life insurance policy payable to Hill in the event of Mr. Richter's death. In addition, Hill has agreed, in the event of a default on such loan, to buy back from the bank up to 500,000 shares of stock issued by Hill to Mr. Richter that have been pledged by him as collateral for the loan. Pursuant to the terms of the merger agreement, the guaranty by Hill must be terminated prior to the closing of the merger together with Hill's assignment of the life insurance proceeds and buy back obligation.

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

Litigation related to an investment made by Hill (the Tickets.com legal matter) was concluded in April 2004, and resulted in a claim against Hill and R4 Holdings, LLC (R4) for legal court costs of approximately \$495,500. R4 is 100% owned and controlled by Irvin E. Richter, Hill s Chief Executive Officer. Hill and R4 have appealed this ruling and they believe that there are meritorious grounds for reversal. R4 and Mr. Richter have agreed with Hill that they will make full payment of this amount should the ruling be upheld.

Meetings and Committees of the Board of Directors of Arpeggio

During the fiscal year ended December 31, 2005, Arpeggio's board of directors held seven meetings. Although Arpeggio does not have any formal policy regarding director attendance at annual stockholder meetings, Arpeggio will attempt to schedule its annual meetings so that all of its directors can attend. Arpeggio expects its directors to attend all board and committee meetings and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities.

Independence of Directors

In anticipation of being listed on Nasdaq, Arpeggio will adhere to the rules of Nasdaq in determining whether a director is independent. The board of directors of Arpeggio also will consult with counsel to ensure that the board's determinations are consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors. The Nasdaq listing standards define an independent director generally as a person, other than an officer of a company, who does not have a relationship with the company that would interfere with the director's exercise of independent judgment.

Arpeggio currently does not have a majority of independent directors and is not required to have one. Pursuant to an exception under the Nasdaq rules for companies that are considered to be controlled by a group of stockholders, we will not be required to have a majority of independent directors after the merger is consummated, although the members of the audit committee must be independent.

Audit Committee

The purpose of the audit committee will be to appoint, retain, set compensation of, and supervise our independent accountants, review the results and scope of the audit and other accounting related services and review our accounting practices and systems of internal accounting and disclosure controls. The board of directors of Arpeggio will determine, upon appointment to the board on the closing of the merger, the composition of the audit committee from among those directors who qualify as being independent.

Compensation Committee Information

Upon consummation of the merger, the board of directors of Arpeggio will establish a compensation committee with Messrs. _____, _____ and _____ as its members. The purpose of the compensation committee will be to review and approve compensation paid to our officers and to administer the company's incentive compensation plans, including authority to make and modify awards under such plans. Initially, the only plan will be the 2006 Employee Stock Option Plan.

Nominating Committee Information

Upon consummation of the merger, Arpeggio will form a nominating committee. The members will be Messrs. _____, _____ and _____. The nominating committee will be responsible for overseeing the selection of persons to be nominated to serve on Arpeggio's board of directors. The nominating committee will consider persons identified by its members, management, stockholders, investment bankers and others. During the period commencing with the closing of the merger and ending immediately after the 2007 annual meeting of the company, the nominees for Arpeggio's board of directors will be determined pursuant to the terms of the voting agreement and approved by the nominating committee.

Arpeggio does not have any restrictions on stockholder nominations under its certificate of incorporation or by-laws. The only restrictions are those applicable generally under Delaware corporate law and the federal proxy rules. Prior to the consummation of the merger agreement, Arpeggio has not had a nominating committee or a formal means by which stockholders can nominate a director for election. Currently the entire board of directors decides on nominees, on the recommendation of one or more members of the board. None of the current members of the board of directors is independent. Currently, the board of directors will consider suggestions from individual stockholders, subject to evaluation of the person's merits. Stockholders may communicate nominee suggestions directly to any of the board members, accompanied by biographical details and a statement of support for the nominees. The suggested nominee must also provide a statement of consent to being considered for nomination. Although there are no formal criteria for nominees, the board of directors believes that persons should be actively engaged in business endeavors.

Election of Directors; Voting Agreement

As provided in the merger agreement, upon consummation of the merger, the board of Arpeggio will initially consist of seven members. The Signing Stockholders, on the one hand, and Eric S. Rosenfeld and Arnaud Ajdler, on the other hand, have entered into a voting agreement pursuant to which they have agreed to vote for the other's designees as directors of Arpeggio until immediately following the election that will be held in 2007 as follows:

Arpeggio's directors do not currently receive any cash compensation for their service as members of the board of directors. However, in the future, non-employee directors may receive certain cash fees, stock options and stock awards that the Arpeggio board of directors may determine to pay.

Executive Compensation

No executive officer of Arpeggio has received any cash or non-cash compensation for services rendered to Arpeggio. Each executive officer has agreed not to take any compensation prior to the consummation of a business combination.

Commencing June 24, 2004 and ending upon the consummation of the merger, Arpeggio has and will continue to pay Crescendo Advisors II LLC, an affiliate of Eric S. Rosenfeld, Arpeggio's chairman of the board of directors, chief executive officer and president, a fee of \$7,500 per month for providing Arpeggio with office space and certain office and secretarial services. Other than this \$7,500 per-month fee, no compensation of any kind, including finders and consulting fees, have been or will be paid to any of Arpeggio's officers. However, Arpeggio's executive officers are reimbursed for any out-of-pocket expenses incurred in connection with activities on Arpeggio's behalf such as identifying potential target business and performing due diligence on suitable business combinations.

Employment Agreements

In connection with the consummation of the merger agreement, Irvin E. Richter, Hill's chairman and chief executive officer, David L. Richter, Hill's president and chief operating officer, and Stuart S. Richter, a senior vice president of Hill, will enter into employment agreements with Arpeggio providing for them to be employed in similar positions. Each employment agreement will be for a three-year term, subject to earlier termination in certain circumstances, and may be extended by mutual agreement of the executive and Arpeggio.

The employment agreements provide for initial annual base salaries of \$850,000 for Irvin Richter, \$450,000 for David Richter and \$300,000 for Stuart Richter. The employment agreements also provide that, in the event of the termination of an executive's employment by Arpeggio without cause (as defined in the employment agreement), Arpeggio will pay him a lump sum equal to: (i) with respect to Irvin Richter and David Richter, the remaining balance of his base salary for the remainder of the term of the agreement, but in no event less than one year's base salary, and (ii) in the case of Stuart Richter, 25% of his annual base salary then in effect. Each agreement also provides for the continuation of certain benefits upon such termination without cause, including continuation of health benefits for one year except where comparable health insurance is available from a subsequent employer.

The employment agreements contain certain restrictive covenants that prohibit the executives from disclosing information that is confidential to Arpeggio and its subsidiaries and generally prohibit them, during the employment term and for one year thereafter, from competing with

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

Arpeggio and its subsidiaries and soliciting or hiring the employees of Arpeggio and its subsidiaries. The non-competition provision will remain in effect for four years from the closing date of the merger if the executive's employment is terminated for cause or if the executive voluntarily resigns.

Subsequent to the issuance, our board of directors authorized a 1.2-to- one forward split of our common stock on May 25, 2004, effectively lowering the purchase price to \$0.016 per share. The following share numbers have been adjusted to reflect the stock split:

These shares are being held in escrow with Continental Stock Transfer & Trust Company, as escrow agent, until June 24, 2007 pursuant to an escrow agreement between us, the Arpeggio Inside Stockholders and the escrow agent. These shares will not be transferable except to their spouses, children or trusts established for their benefit and will be released prior to June 24, 2007 only if we liquidate following a business combination or upon a subsequent transaction resulting in our stockholders having the right to exchange their shares for cash or other securities.

Pursuant to a registration rights agreement dated June 22, 2004, the holders of these shares, acting by the holders of a majority thereof, are entitled to make up to two demands that Arpeggio register these shares at any time after the date on which the shares are released from escrow. In addition, these stockholders have certain piggy back registration rights on registration statements filed subsequent to the date on which the shares are released from escrow. We will bear the expenses incurred in connection with the filing of any such registration statements.

Commencing on our IPO through the consummation of the merger, we have paid or will pay Crescendo Advisors II LLC a monthly fee of \$7,500 for general and administrative services.

Table of Contents

Arpeggio has and will continue to reimburse its officers and directors for any reasonable out-of-pocket business expenses incurred by them in connection with certain activities on our behalf.

Other than the \$7,500 per-month administrative fee payable to Crescendo Advisors II LLC and reimbursable out-of-pocket expenses payable to Arpeggio officers and directors, no compensation or fees of any kind, including finders and consulting fees, have been or will be paid to any of the above listed Arpeggio stockholders for the services rendered to Arpeggio prior to or in connection with the consummation of the merger.

During 2004 Eric S. Rosenfeld advanced \$77,500 to Arpeggio to cover expenses related to Arpeggio's initial public offering. This loan was repaid without interest in July 2004.

All ongoing and future transactions between Arpeggio and any of its officers and directors or their respective affiliates will be on terms believed by Arpeggio to be no less favorable than are available from unaffiliated third parties and will require prior approval in each instance by a majority of the members of Arpeggio's board who do not have an interest in the transaction.

Hill Related Party Transactions

From time to time, Hill has made cash advances to Irvin E. Richter, its principal stockholder. These advances are non-interest bearing and have no set repayment terms. At October 1, 2005, the balance advanced to Mr. Richter amounted to \$754,000, and that balance was \$977,000 at February 1, 2006. Pursuant to the terms of the merger agreement, these loans by Hill to Mr. Richter must be repaid in full prior to the closing of the merger.

Mr. Richter also has a personal loan of \$1,850,000 from a bank that is guaranteed by Hill. As collateral for its guaranty, Hill assigned to the bank \$1,850,000 of the potential proceeds of a \$5,000,000 key-man life insurance policy payable to Hill in the event of Mr. Richter's death. In addition, Hill has agreed, in the event of a default on such loan, to buy back from the bank up to 500,000 shares of stock issued by Hill to Mr. Richter that have been pledged by him as collateral for the loan. Pursuant to the terms of the merger agreement, the guaranty by Hill and Hill's assignment of the life insurance proceeds and buy back obligation must be terminated prior to the closing of the merger.

A trial related to an investment made by Hill (the Tickets.com legal matter) was concluded in April 2004, and resulted in an order that the plaintiffs, Hill and R4 Holdings, LLC (R4), pay the defendants' court costs of approximately \$495,500. R4 is 100% owned and controlled by Irvin E. Richter, Hill's Chief Executive Officer. Hill and R4 have appealed this ruling and they believe that there are meritorious grounds for reversal. Pending the outcome of the appeal, the order to pay any court costs has been stayed. R4 and Mr. Richter have agreed with Hill that they will make full payment of this amount should the ruling be upheld.

DESCRIPTION OF ARPEGGIO COMMON STOCK AND OTHER SECURITIES

General

The certificate of incorporation of Arpeggio authorizes the issuance of 30,000,000 shares of common stock, par value \$.0001, and 1,000,000 shares of preferred stock, par value \$.0001. As of the record date, 8,300,000 shares of common stock were outstanding and no shares of preferred stock were outstanding.

Common Stock

The holders of common stock are entitled to one vote for each share held of record on all matters to be voted on by stockholders. In connection with the vote required for any business combination, all of the existing stockholders, including all officers and directors of Arpeggio, have agreed to vote their respective shares of common stock owned by them immediately prior to the IPO in accordance with the vote of the public stockholders owning a majority of the shares of Arpeggio's outstanding common stock. This voting arrangement does not apply to shares included in units purchased in the IPO or units, common stock or warrants purchased following the IPO in the open market by any of Arpeggio's stockholders, officers and directors. Arpeggio's stockholders, officers and directors may vote their shares in any manner they determine, in their sole discretion, with respect to any other items that come before a vote of our stockholders.

Arpeggio will proceed with the merger only if the stockholders who own at least a majority of the shares of common stock sold in the IPO vote in favor of the merger and stockholders owning less than 20% of the shares sold in the IPO exercise conversion rights discussed below.

Our board of directors is divided into three classes, each of which will generally serve for a term of three years with only one class of directors being elected in each year. There is no cumulative voting with respect to the election of directors, with the result that the holders of more than 50% of the shares voted for the election of directors can elect all of the directors.

If Arpeggio is required to liquidate, the holders of Arpeggio common stock purchased in the IPO will be entitled to share ratably in the trust fund, inclusive of any interest, and any net assets remaining available for distribution to them after payment of liabilities. Holders of common stock issued prior to Arpeggio's IPO have agreed to waive their rights to share in any distribution with respect to common stock owned by them prior to the IPO if Arpeggio is forced to liquidate.

Holders of Arpeggio common stock do not have any conversion, preemptive or other subscription rights and there are no sinking fund or redemption provisions applicable to the common stock, except that the holders of Arpeggio common stock acquired in the IPO have the right to have their shares of common stock converted to cash equal to their pro rata share of the trust account if they vote against the merger and the merger is approved and completed. Holders of common stock who convert their stock into their share of the trust account still have the right to exercise the warrants that they received as part of the units.

Preferred Stock

The certificate of incorporation of Arpeggio authorizes the issuance of 1,000,000 shares of a blank check preferred stock with such designations, rights and preferences as may be determined from time to time by Arpeggio's board of directors. Accordingly, Arpeggio's board of directors is empowered, without stockholder approval, to issue preferred stock with dividend, liquidation, conversion, voting or other rights which could adversely affect the voting power or other rights of the holders of common stock, although Arpeggio has entered into an underwriting agreement which prohibits Arpeggio, prior to a business combination, from issuing preferred stock which participates in any manner in the proceeds of the trust account, or which votes as a class with the common stock on a business combination. Arpeggio may issue some or all of the preferred stock to effect a business combination. In addition, the preferred stock could be utilized as a method of discouraging, delaying or preventing a change in control of

Arpeggio. There are no shares of preferred stock outstanding and Arpeggio does not currently intend to issue any preferred stock.

Warrants

Arpeggio currently has outstanding 13,600,000 redeemable common stock purchase warrants. Each warrant entitles the registered holder to purchase one share of our common stock at a price of \$5.00 per share, subject to adjustment as discussed below, at any time commencing on the completion of the merger. The warrants expire on June 23, 2008 at 5:00 p.m., New York City time. Arpeggio may call the warrants for redemption;

in whole and not in part;

at a price of \$.01 per warrant at any time after the warrants become exercisable;

upon not less than 30 days prior written notice of redemption to each warrant holder; and

if, and only if, the reported last sale price of the common stock equals or exceeds \$8.50 per share, for any 20 trading days within a 30 trading day period ending on the third business day prior to the notice of redemption to warrant holders.

The exercise price and number of shares of common stock issuable on exercise of the warrants may be adjusted in certain circumstances including in the event of a stock dividend or Arpeggio's recapitalization, reorganization, merger or consolidation. However, the warrants will not be adjusted for issuances of common stock at a price below the exercise price.

The warrants may be exercised upon surrender of the warrant certificate on or prior to the expiration date at the offices of the warrant agent, with the exercise form on the reverse side of the warrant certificate completed and executed as indicated, accompanied by full payment of the exercise price, by certified check payable to Arpeggio, for the number of warrants being exercised. The warrant holders do not have the rights or privileges of holders of common stock and any voting rights until they exercise their warrants and receive shares of common stock. After the issuance of shares of common stock upon exercise of the warrants, each holder will be entitled to one vote for each share held of record on all matters to be voted on by stockholders.

No warrants will be exercisable unless at the time of exercise a prospectus relating to common stock issuable upon exercise of the warrants is current and the common stock has been registered or qualified or deemed to be exempt under the securities laws of the state of residence of the holder of the warrants. Under the terms of a warrant agreement, Arpeggio has agreed to maintain a current prospectus relating to common stock issuable upon exercise of the warrants until the expiration of the warrants. However, there is no assurance that Arpeggio will be able to do so. The warrants may be deprived of any value and the market for the warrants may be limited if the prospectus relating to the common stock issuable upon the exercise of the warrants is not current or if the common stock is not qualified or exempt from qualification in the jurisdictions in which the holders of the warrants reside.

We have engaged EarlyBirdCapital, the representative of the underwriters of Arpeggio's IPO, on a non-exclusive basis, as our agent for the solicitation of the exercise of the warrants. To the extent not inconsistent with the guidelines of the NASD and the rules and regulations of the

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

SEC, we have agreed to pay the representative for bona fide services rendered a commission equal to 5% of the exercise price for each warrant exercised more than one year after the date of our IPO if the exercise was solicited by the

underwriters. In addition to soliciting, either orally or in writing, the exercise of the warrants, the representative's services may also include disseminating information, either orally or in writing, to warrant holders about us or the market for our securities, and assisting in the processing of the exercise of warrants. No compensation will be paid to the representative upon the exercise of the warrants if:

the market price of the underlying shares of common stock is lower than the exercise price;

the holder of the warrants has not confirmed in writing that EarlyBirdCapital, Inc. solicited the exercise;

the warrants are held in a discretionary account;

the warrants are exercised in an unsolicited transaction; or

the arrangement to pay the commission is not disclosed in the prospectus provided to warrant holders at the time of exercise.

Holders of Arpeggio common stock, warrants and units should obtain current market quotations for their securities. The market price of Arpeggio common stock, warrants and units could vary at any time before the merger.

In connection with the merger, Arpeggio and Hill will use their reasonable best efforts to obtain the listing for trading on Nasdaq of Arpeggio common stock, warrants and units. Arpeggio believes it will meet the Nasdaq listing requirements because, upon consummation of the merger, it will have (i) a market value of listed securities of at least \$50 million, (ii) over one million publicly held shares, (iii) a market value of publicly held shares in excess of \$5 million, (iv) a minimum bid price of \$4.00, (v) over 300 round lot shareholders, and (vi) at least three market makers who will make a market in its securities. In the event Arpeggio's common stock, warrants and units are listed on Nasdaq at the time of the closing of the merger, the symbol will change to one determined by Arpeggio and Nasdaq that is reasonably representative of the corporate name or business of Arpeggio. If the listing on Nasdaq is not finally approved, it is expected that the common stock, warrants and units will continue to be quoted on the OTCBB.

Note 1 - Summary of Significant Accounting Policies

Operations

Hill International, Inc. and Subsidiaries (the Company) is a professional services firm providing program management, project management, construction management and construction claims services worldwide. Revenue from international services was approximately 36% and 28% of total revenue for the nine-month periods ended October 1, 2005 and October 2, 2004, respectively.

General

The accompanying unaudited interim Condensed Consolidated Financial Statements were prepared in accordance with accounting principles generally accepted in the United States of America and the interim financial statement rules and regulations of the Securities and Exchange Commission. In the opinion of management, these statements include all adjustments (consisting only of normal recurring adjustments) necessary for a fair presentation of the Condensed Consolidated Financial Statements. The interim operating results are not necessarily indicative of the results for a full year or any interim period. In presenting the Condensed Consolidated Financial Statements, management makes estimates that affect the reported amounts and disclosures in the financial statements. Estimates, by their nature, are based on judgment and available information. Therefore, actual results could differ from those estimates and could have a material impact on the condensed consolidated financial statements. It is possible that such changes could occur in the near term. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States have been condensed or omitted pursuant to such rules and regulations relating to interim financial statements. The Consolidated Financial Statements included in this Merger Proxy Pursuant to Section 14(a) should be read in conjunction with Management's Discussion and Analysis of Financial Condition and Results of Operations included elsewhere in this Merger Proxy Pursuant to Section 14(a) and included together with the Company's Consolidated Financial Statements and Notes thereto included in the Company's Fiscal Year 2004 Audited Financial Statements.

Principles of Consolidation

The consolidated financial statements include the accounts of the Company and its wholly-owned subsidiaries. The Company has no entities for which the Company is determined to be the primary beneficiary under Financial Accounting Standards Board Interpretation (FIN) No. 46R, Consolidation of Variable Interest Entities. The Company does not have any variable interest entities requiring consolidation. Investments in non-consolidated affiliates (20% to 50% owned companies) over which the Company exercises significant influence are accounted for under the equity method. All intercompany balances and transactions have been eliminated in consolidation.

Accounting Periods

The Company utilizes a 52-53 week fiscal year ending on the Saturday closest to December 31. The nine months ended October 1, 2005 began on January 2, 2005 and the nine months ended October 2, 2004 began on December 28, 2003. The nine months ended October 1, 2005 includes 39 weeks and the nine months ended October 2, 2004 includes 40 weeks.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The estimates affecting our financial statements that are particularly significant include revenue recognition, recoverability of long-lived assets, income taxes, allowance for doubtful accounts and commitments and contingencies.

Comprehensive Income

Comprehensive income, as defined, includes all changes to equity except those resulting from investments by or distribution to owners and consists of a foreign currency translation adjustment.

Components of other comprehensive loss (in thousands) for the nine-month periods ended October 1, 2005 and October 2, 2004 are as follows:

Stock-Based Compensation

The Company has elected to follow Accounting Principles Board Opinion No. 25 (APB 25) Accounting for Stock Issued to Employees, and related interpretations in accounting for its employee stock option plans (the Plans). Under this method, compensation cost is measured as the amount by which the market price of the underlying stock exceeds the exercise price of the stock option at the date at which both the number of options granted and the exercise price are known.

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

The Plans stipulate that the exercise price of the options be the equivalent to the fair market value of the Company on the date the option is granted. The fair market value was determined by the Company's Board of Directors. Accordingly, no compensation expense has been recognized. The pro forma amount recorded under Statement of Financial Accounting Standards (SFAS) No.123, Accounting for Stock-Based Compensation, is de minimus.

Options to purchase 100,000 shares of the Company's common stock issued to a deceased former employee expired September 1, 2005. In September 2005, the Company's Board of Directors elected to extend the options for an additional year to September 1, 2006. The Company compared the fair value of the options at the date of the extension to the fair value at the original grant date and recorded a \$535,000 expense for the increase in fair value. The expense is included in Selling, general and

	<u> </u>	<u> </u>
	\$ 28,485	\$ 21,584
	<u> </u>	<u> </u>

Unbilled receivables primarily represent revenue earned on contracts, which the Company is contractually precluded from billing until predetermined future dates.

The Company had allowances for doubtful accounts totaling \$1.4 million and \$1.2 million as of October 1, 2005 and January 1, 2005, respectively. These allowance amounts reflect receivable balances for which collection is doubtful, and have been netted against the receivables balances shown in the Condensed Consolidated Balance Sheets.

Included in billed receivables are amounts due from various branches of the U.S. Government of \$2.4 million and \$4.7 million at October 1, 2005 and January 1, 2005, respectively. Federal government contracts are subject to the U.S. Federal Acquisition Regulations (FAR). These contracts and certain contracts with state and local agencies are subject to audits, which generally are performed by the Defense Contract Audit Agency (DCAA). The DCAA audits the Company's overhead rates, cost proposals, incurred government contract costs and internal control systems. During the course of its audits, the DCAA may question incurred costs if it believes the Company has accounted for such costs in a manner inconsistent with the requirements of the FAR or the U.S. Cost Accounting Standards, and may recommend that the Company's U.S. government corporate administrative accounting officer disallow any such costs. Historically, the Company has not experienced significant disallowed costs as a result of these audits, however, management cannot provide assurance that future DCAA audits will not result in material disallowances of incurred costs.

Included in billed receivables are \$7.1 million and \$3.8 million, at October 1, 2005 and January 1, 2005, respectively, of receivables from foreign governments. The Company conducts business in certain countries where the local political environment subjects the Company's related trade receivables to lengthy collection delays. Based upon past experience with these clients, after giving effect to the Company's related allowance for doubtful accounts balance at October 1, 2005 and January 1, 2005, management believes that these receivable balances will be collectible.

Retainage Receivable

Retainage receivable balances totaling \$769,000 and \$765,000 at October 1, 2005 and January 1, 2005, respectively, relate to retainage provisions under long-term contracts

which will be due upon completion of the contracts. Based on management's estimates, \$769,000 and \$765,000 of these retention balances at October 1, 2005 and January 1, 2005, respectively, were expected to be collected.

Prepaid subcontractor fees represent advance payments from clients for future services which may relate to work to be performed by subcontractors. As of October 1, 2005 and January 1, 2005, \$663,000 and \$1.0 million, respectively, of such advances were remitted to subcontractors in advance for future services.

Note 4 - Due to Bank

Under the Company's cash-management system certain cash accounts reflect credit balances to the extent checks were disbursed but not immediately funded at the bank. The Company manages this process daily and ensures all checks are funded when presented. The amounts of these credit balances are approximately \$499,000 and \$598,000 at October 1, 2005 and January 1, 2005, respectively.

Note 5 - Long-Term Debt

During 2005, Hill was in default of certain financial covenants under its revolving credit facility. On August 11, 2005, Hill and its lender amended their credit agreement to waive the defaults and make certain other changes to the agreement. On January 6, 2006, the facility was amended to remove scheduled pay downs and change the due date to February 28, 2006. See Note 17 for further information.

In July 2001, the Company received a cash payment of \$450,000 in advance for future services which were to be provided over the following four years, not exceeding \$250,000 by July 19, 2003 and \$125,000 per year thereafter. During each of the nine-month periods ended October 1, 2005 and October 2, 2004, no services were requested. The liability was reduced to \$0 and \$75,000 as of October 1, 2005 and January 1, 2005, respectively, reflecting the maximum amount of services that could potentially be provided.

Note 9 - Advance Payments from Clients

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

In certain instances the Company may collect advance payments from clients for future services. As the services are performed these advance payments are reversed and recognized as revenue. The balance of advance payments from clients was \$4.6 million and \$3.9 million at October 1, 2005 and January 1, 2005 respectively and was included in other current liabilities on the Condensed Consolidated Balance Sheets.

Note 11 - Due from Stockholder

From time to time the Company has made cash advances to its principal stockholder. These advances, which are non-interest bearing and have no set repayment terms, are classified in Stockholders' Equity in the Condensed Consolidated Balance Sheets.

Note 12 - Selling, General and Administrative Expenses

Legal expenses and other expenses related to an investment transaction (the Tickets.com litigation) for the period ended October 2, 2004 of \$1.7 million are included in Selling, general and administrative expenses in the Condensed Consolidated Statements of Operations. Such litigation was concluded in April 2004 resulting in a claim against the Company and a Company controlled by the Chief Executive Officer of the Company (the Other Defendant) for court costs of approximately \$500,000. The Company and the Other Defendant have appealed this ruling and believe they have meritorious grounds for reversal. The Chief Executive Officer and the Other Defendant have represented to the Company that they will make full payment of the amount should the ruling be upheld. Accordingly, no amount has been provided for by the Company for this matter in the accompanying financial statements.

Also included in Selling, general and administrative expenses in the Condensed Consolidated Statements of Operations are depreciation and amortization expenses of \$661,000 and \$628,000 for the nine-month periods ended October 1, 2005 and October 2, 2004, respectively.

Also included in Selling, general and administrative expenses in the Condensed Consolidated Statements of Operations is bad debt expense of \$495,000 and \$970,000 for the nine-month periods ended October 1, 2005 and October 2, 2004, respectively.

Note 13 - Income Taxes

The effective tax rates for the fiscal years of 2004, 2003 and 2002 were 39%, 40% and 41%, respectively. The effective tax rate for the nine months ended October 1, 2005 is 28%. The effective rate is lower than in previous periods because a greater portion of the Company's profit in the nine-months ended October 1, 2005 came from foreign operations which are taxed at lower rates.

Note 14 - Business Segment Information

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

The Company's business segments reflect how executive management makes resource decisions and assesses its performance. The Company bases these decisions on the type of the services provided (Project Management and Construction Claims Services) and their geography (United States, Europe and Middle East).

The Project Management segment provides extensive construction and project management services to construction owners worldwide. Such services include program management, project management, construction management, project management oversight, staff augmentation, management consulting and estimating and cost management.

Note 16- Commitments and Contingencies

Litigation

From time to time, the Company is a defendant or plaintiff in various legal actions which arise in the normal course of business. As such the Company is required to assess the likelihood of any adverse outcomes to these matters as well as potential ranges of probable losses. A determination of the amount of the provision required for these commitments and contingencies, if any, is made after careful analysis of each matter. The provision may change in the future due to new developments or changes in circumstances. Changes in the provision could increase or decrease the Company's earnings in the period the changes are made.

In October 2001, an insurance company that provided professional liability insurance to the Company was ordered into liquidation. Any pending claims covered by this policy may be partially covered by various state funds. Claims are subject to \$100,000 self-insurance retention.

In the opinion of management, after consultation with legal counsel, the ultimate resolution of such proceedings will not have a material adverse effect on the Company's financial condition or results of operations.

Contingent Pledges

The Company's principal stockholder has a personal loan of \$1.85 million with a bank. As collateral for this loan, the Company assigned \$1.85 million of potential life insurance proceeds payable to the Company on such stockholder. In addition, the Company has pledged in the event of a default to buy back from the lender up to 500,000 shares of stock issued by the Company to such shareholder which has been pledged by the shareholder as collateral for the loan for an amount equal to the amount defaulted.

Note 17 - Subsequent Events

Merger Agreement

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

On December 5, 2005, the Company entered into an Agreement and Plan of Merger (Merger Agreement) with Arpeggio Acquisition Corporation (Arpeggio) providing for the merger of the Company with and into Arpeggio. Arpeggio will be the surviving corporation in the merger and will change its name to Hill International, Inc.

The Company s stockholders have approved and adopted the Merger Agreement in accordance with the applicable provisions of the Delaware General Corporation Law.

The merger is expected to be consummated in the first half of 2006, after the required approval by the stockholders of Arpeggio and the fulfillment of certain other conditions, as discussed below.

Merger Consideration

Table of Contents

HILL INTERNATIONAL, INC. AND SUBSIDIARIES

(unaudited)

Pursuant to the Merger Agreement, the Company's stockholders and other persons who exercise options to purchase common stock of the Company prior to the closing of the merger, in exchange for all of the securities of the Company outstanding immediately prior to the merger, will receive from Arpeggio 14.5 million shares of Arpeggio common stock. Immediately following the merger, the stockholders of the Company will own approximately 63.6% of the total issued and outstanding Arpeggio common stock. Twelve percent (12%) of the shares of Arpeggio common stock being issued at the time of the merger will be placed into escrow to secure the indemnity rights of Arpeggio under the Merger Agreement and will be governed by the terms of an Escrow Agreement.

The Merger Agreement also provides for the Company's stockholders to receive up to an additional 6.6 million shares of Arpeggio common stock, contingent upon the combined companies attaining earnings targets.

Covenants

Arpeggio and the Company have each agreed to take such actions as are necessary, proper or advisable to consummate the merger. They have also agreed to continue to operate their respective businesses in the ordinary course prior to the closing and not to take certain specified actions without the prior written consent of the other party.

Conditions to closing

Consummation of the transactions is conditioned on the Arpeggio stockholders, at a stockholder meeting, (i) adopting the Merger Agreement and approving the merger, (ii) approving the change of Arpeggio's name, and (iii) approving the increase of the authorized shares of Arpeggio's common stock from 30 million to 75 million.

The obligations of the Company to consummate the transactions contemplated by the Merger Agreement also are conditioned upon each of the following, among other things:

(i) There shall have been no material adverse change in the assets, liabilities or financial condition of Arpeggio or its business since the date of the Merger Agreement; and

(ii) The trust fund established for the benefit of the holders of Arpeggio's Public Shares shall not contain less than \$36.4 million and shall be dispersed to Arpeggio immediately upon the closing, less amounts paid to Arpeggio stockholders who have elected to convert their shares to cash in accordance with Arpeggio's certificate of incorporation.

Termination

The Merger Agreement may be terminated at any time, but not later than the closing as follows:

by mutual written consent of Arpeggio and the Company;

by either Arpeggio or the Company if the merger is not consummated on or before June 30, 2006;

by either Arpeggio or the Company if, at the Arpeggio stockholder meeting, the Merger Agreement and the transactions contemplated thereby shall fail to be approved and adopted by the affirmative vote of the holders of Arpeggio's common stock or 20% or more of the Public Shares request conversion of their shares into the pro rata portion of the trust fund in accordance with Arpeggio's certificate of incorporation; and

certain other conditions.

Employment agreements

In connection with the consummation of the Merger Agreement, Irvin E. Richter, the Company's Chairman and Chief Executive Officer, David L. Richter, the Company's President and Chief Operating Officer and Stuart S. Richter, a Senior Vice President of the Company, will enter into employment agreements with Arpeggio providing for them to be employed in similar positions. Each employment agreement will be for a three-year term, subject to earlier termination in certain circumstances, and may be extended by mutual agreement of the executive and Arpeggio.

Senior Secured Credit Facility

On January 24, 2006, the Company entered into a Letter of Intent with a major financial institution pursuant to which, the financial institution has agreed to provide Hill with a \$15 million senior secured credit facility, subject to due diligence and certain other closing conditions. This proposed credit facility consists of a \$13.5 million revolving credit facility with a three year term and a \$1.5 million term loan, payable in 24 equal monthly installments. Borrowing under this credit facility will be used to pay down the existing debt, for which the outstanding balance was \$9.1 million at October 1, 2005, and which is due February 28, 2006.

We have audited the accompanying consolidated balance sheets of Hill International, Inc. and Subsidiaries, as of January 1, 2005 and December 27, 2003, and the related consolidated statements of operations, stockholders' equity, comprehensive (loss) income and cash flows for each year of the three years in the period ended January 1, 2005. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits. We did not audit the January 1, 2005 financial statements of Hill International (UK) Limited., wholly owned subsidiary, which statements reflect total assets and revenues constituting 20 percent and 10 percent, respectively, of the related consolidated totals. We also did not audit the January 1, 2005 balance sheet of Hill International Middle East Operations, wholly owned subsidiary, which statement reflect total assets constituting 20 percent of the related consolidated totals. Those statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for Hill International (UK) Limited. and Hill International Middle East Operations, is based solely on the report of the other auditors. We have audited the conversion of these aforementioned subsidiaries to United States currency and the accounting principles generally accepted in the United States of America.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits and the reports of the other auditors provide a reasonable basis for our opinion.

In our opinion, based on our audits and the reports of the other auditors, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Hill International, Inc. and Subsidiaries as of January 1, 2005 and December 27, 2003, and the consolidated results of their operations and cash flows for each year of the three years in the period ended January 1, 2005 in conformity with accounting principles generally accepted in the United States of America.

These financial statements are the responsibility of the Group's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with International Standards on Auditing. HILL INTERNATIONAL, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

Note 1 - Summary of Significant Accounting Policies

Operations

Hill International, Inc. and Subsidiaries (the Company) is a professional services firm providing program management, project management, construction management and construction claims services worldwide. Revenue from international services was 29%, 23% and 16% of total revenue for the fiscal years ending January 1, 2005, December 27, 2003 and December 28, 2002, respectively.

Principles of Consolidation

The consolidated financial statements include the accounts of Hill International, Inc. and its majority owned subsidiaries. All significant intercompany accounts and transactions have been eliminated in consolidation.

Fiscal Year

The Company utilizes a 52-53 week fiscal year ending on the Saturday closest to December 31. The fiscal years 2004, 2003 and 2002 ended on January 1, 2005, December 27, 2003 and December 28, 2002, respectively and were 53, 52 and 52 week years, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The estimates affecting our financial statements that are particularly significant include revenue recognition, recoverability of long-lived assets, income taxes, allowance for doubtful accounts and commitments and contingencies.

Comprehensive Income

Comprehensive income, as defined, includes all changes to equity except those resulting from investments by or distribution to owners and consists of foreign currency translation adjustments and unrealized gains and losses on marketable securities.

Revenue Recognition

The Company generates revenue primarily from construction management consulting services. Revenue is generally recognized upon the performance of services. In providing these services, the Company may incur reimbursable expenses, which consist principally of amounts paid to subcontractors and other third parties and travel and other job related expenses that are contractually reimbursable for clients. In accordance with Emerging Issues Task Force Issue No. (EITF) 99-19, Reporting Revenue Gross as a Principal versus Net as an Agent, and EITF 01-14, Income Statement Characterization of Reimbursements Received for Out-of-Pocket Expenses Incurred, the Company has

Notes to Consolidated Financial Statements

assessed the indicators provided in EITF 99-19 and determined that it will include its direct labor costs and reimbursable expenses in computing and reporting its total contract revenues as long as the Company remains responsible to the client for the fulfillment of the contract and for the overall acceptability of all services provided.

The Company earns its revenues from cost-plus, fixed-price and time-and-materials contracts. If estimated total costs on any contract indicate a loss, the Company charges the entire estimated loss to operations in the period the loss becomes known. The cumulative effect of revisions to revenue, estimated costs to complete contracts, including penalties, incentive awards, change orders, claims, anticipated losses, and others are recorded in the accounting period in which the events indicating a loss are known and the loss can be reasonably estimated. Such revisions could occur at any time and the effects may be material.

Time-and-Materials Contracts.

Under its time-and-materials contracts, the Company negotiates hourly billing rates and charges its clients based on the actual time that the Company spends on a project. In addition, clients reimburse the Company for its actual out-of-pocket costs of materials and other direct incidental expenditures that the Company incurs in connection with its performance under the contract. Its profit margins on time-and-materials contracts fluctuate based on actual labor and overhead costs that the Company directly charges or allocates to contracts compared with negotiated billing rates. Revenues on these contracts are recognized based on the actual number of hours the Company spends on the projects plus any actual out-of-pocket costs of materials and other direct incidental expenditures that the Company incurs on the projects. Its time-and-materials contracts also generally include annual billing rate adjustment provisions.

Cost-Plus Contracts. The Company has two major types of cost-plus contracts:

Cost-Plus Fixed Fee.

Under cost-plus fixed fee contracts, the Company charges its clients for its costs, including both direct and indirect costs, plus a fixed negotiated fee. In negotiating a cost-plus fixed fee contract, the Company estimates all recoverable direct and indirect costs and then adds a fixed profit component. The total estimated cost plus the negotiated fee represents the total contract value. The Company recognizes revenues based on the actual labor costs, based on hours of labor effort, plus non-labor costs the Company incurs, plus the portion of the fixed fee the Company has earned to date. The Company invoices for its services as revenues are recognized or in accordance with agreed-upon billing schedules. Aggregate revenues from cost-plus fixed fee contracts may vary based on the actual number of labor hours worked and other actual contract costs incurred. However, if actual labor hours and other contract costs exceed the original estimate agreed to by its client, the Company generally must obtain a change order, contract modification, or successfully prevail in a claim in order to receive additional revenues relating to the additional costs (see Change Orders and Claims).

Table of Contents

HILL INTERNATIONAL, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

Cost-Plus Fixed Rate.

Under its cost-plus fixed rate contracts, the Company charges clients for its costs plus negotiated rates based on its indirect costs. In negotiating a cost-plus fixed rate contract, the Company estimates all recoverable direct and indirect costs and then adds a profit component, which is a percentage of total recoverable costs to arrive at a total dollar estimate for the project. The Company recognizes revenues based on the actual total number of labor hours and other costs the Company expends at the cost plus the fixed rate the Company negotiated. Similar to cost-plus fixed fee contracts, aggregate revenues from cost-plus fixed rate contracts may vary and the Company generally must obtain a change order, contract modification, or successfully prevail in a claim in order to receive additional revenues relating to any additional costs that exceed the original contract estimate (see Change Orders and Claims).

Labor costs and subcontractor services are the principal components of its direct costs on cost-plus contracts, although some include materials and other direct costs. Some of these contracts include a provision that the total actual costs plus the fee will not exceed a guaranteed price negotiated with the client. Others include rate ceilings that limit the reimbursement for general and administrative costs, overhead costs and materials handling costs. The accounting for these contracts appropriately reflects such guaranteed price or rate ceilings.

Firm Fixed-Price (FFP) Contracts.

The Company's FFP contracts have historically accounted for most of its fixed-price contracts. Under FFP contracts, the Company's clients pay it an agreed amount negotiated in advance for a specified scope of work. The Company recognizes revenues on FFP contracts using the percentage-of-completion method (recognizing revenue as costs are incurred). Profit margins the Company recognizes in all periods prior to completion of the project on any FFP contract depend on the accuracy of the Company's estimates of approximate revenue and expenses and will increase to the extent that its current estimates of aggregate actual costs are below amounts previously estimated. Conversely, if the Company's current estimated costs exceed prior estimates, its profit margins will decrease and the Company may realize a loss on a project. In order to increase aggregate revenue on the contract, the Company generally must obtain a change order, contract modification, or successfully prevail in a claim in order to receive payment for the additional costs (see Change Orders and Claims).

Change Orders and Claims.

Change orders are modifications of an original contract that effectively change the provisions of the contract without adding new provisions. Either the Company or its client may initiate change orders. They may include changes in specifications or design, manner of performance, facilities, equipment, materials, sites and period of completion of the work. Claims are amounts in excess of the agreed contract price that the Company seeks to collect from its clients or others for client-caused delays, errors in specifications and designs, contract terminations, change orders that are either in dispute or are unapproved as to both scope and price, or other causes of unanticipated additional contract costs.

Table of Contents

HILL INTERNATIONAL, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

Change orders and claims occur when changes are experienced once contract performance is underway. Change orders are sometimes documented and terms of such change orders are agreed with the client before the work is performed. Sometimes circumstances require that work progresses without client agreement before the work is performed. Costs related to change orders and claims are recognized when they are incurred. Change orders and claims are included in total estimated contract revenue when it is probable that the change order or claim will result in a bona fide addition to contract value that can be reliably estimated. No profit is recognized on claims until final settlement occurs. This can lead to a situation where costs are recognized in one period and revenues are recognized when client agreement is obtained or claims resolution occurs, which can be in subsequent periods.

The Company has contracts with the U.S. government that contain provisions requiring compliance with the U.S. Federal Acquisition Regulation (FAR). These regulations are generally applicable to all of its federal government contracts and are partially or fully incorporated in many local and state agency contracts. They limit the recovery of certain specified indirect costs on contracts subject to the FAR. Cost-plus contracts covered by the FAR provide for upward or downward adjustments if actual recoverable costs differ from the estimate billed under forward pricing arrangements. Most of its federal government contracts are subject to termination at the convenience of the client. Contracts typically provide for reimbursement of costs incurred and payment of fees earned through the date of such termination.

Federal government contracts which are subject to the FAR and some state and local governmental agencies require audits, which are performed for the most part by the Defense Contract Audit Agency (DCAA). The DCAA audits its overhead rates, cost proposals, incurred government contract costs, and internal control systems. During the course of its audits, the DCAA may question incurred costs if it believes the Company has accounted for such costs in a manner inconsistent with the requirements of the FAR or Cost Accounting Standards (CAS) and recommend that its U.S. government corporate administrative contracting officer disallow such costs. Historically, the Company has not experienced significant disallowed costs as a result of such audits. However, the Company can provide no assurance that the DCAA audits will not result in material disallowances of incurred costs in the future.

Cash and Cash Equivalents

The Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Table of Contents

HILL INTERNATIONAL, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

Fair Value of Financial Instruments

The fair value of financial instruments, which primarily consists of cash and cash equivalents, net receivables and accounts payable, approximates carrying value due to the short-term nature of the instruments. The carrying value of long-term debt approximates its fair value as the interest rate is variable.

Restricted Cash and Advance Payments from Clients

In certain instances the Company may collect advance payments from clients for future services. As the services are performed these advance payments are reversed and recognized as revenue. Restricted cash primarily represents advance payments from clients required to be maintained in foreign accounts to serve as collateral for bonds or guarantees on several projects. The cash will remain restricted until the respective project has been completed, which typically is greater than one year. At January 1, 2005 and December 27, 2003 advance payments from clients of \$3.9 million and \$1.4 million, respectively, were included in other current liabilities on the Consolidated Balance Sheets.

Concentration of Credit Risk and Cash Balance

The Company provides professional services, under contractual arrangements, to domestic and foreign governmental units, institutions and the private sector. The Company performs ongoing credit evaluations of its clients and does not require collateral beyond customary retainers.

Long-Lived Assets

The Company evaluates the recoverability of its long-lived assets when events or changes in circumstances suggest that the carrying value of assets may not be recoverable.

Property and Equipment

Property and equipment is stated at cost, less accumulated depreciation. Depreciation is provided over the estimated useful lives of the assets as follows:

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

	<u>Method</u>	<u>Estimated Useful Life</u>
Furniture and equipment	Straight-line	10 years
Leasehold improvements	Straight-line	Shorter of estimated useful life or term of lease
Computer equipment and software	Straight-line	5 years
Automobiles	Straight-line	5 years

Allowance for Doubtful Accounts

The allowance for doubtful accounts is an estimate prepared by management based on identification of the collectibility of specific accounts and the overall condition of the receivable portfolios. When evaluating the adequacy of the allowance for doubtful accounts, the Company specifically analyzes trade receivables, including retainage receivable, historical bad debts, client credits, client concentrations, client credit

Table of Contents

HILL INTERNATIONAL, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

worthiness, current economic trends and changes in client payment terms. If the financial condition of clients were to deteriorate, resulting in an impairment of their ability to make payments, additional allowances may be required. Likewise, should we determine that we would be able to realize more of our receivables in the future than previously estimated, an adjustment to the allowance would increase income in the period such determination was made. The allowance for doubtful accounts is reviewed on a quarterly basis and adjustments are recorded as deemed necessary.

Retainage Receivable

Retainage receivable represents balances billed but not paid by clients pursuant to retainage provisions in the construction management contracts and will be due upon completion of specific tasks or the completion of the contract.

Intangible Assets

Intangible assets consist of acquired contract rights and are amortized on a straight-line basis over the life of the contract, which is approximately five years.

Income Taxes

We are required to estimate income taxes in each of the jurisdictions in which we operate. This process involves estimating our actual current tax exposure together with assessing temporary differences resulting from differing treatment of items for tax and accounting purposes. These differences result in deferred tax assets and liabilities, which are included within our Consolidated Balance Sheets. We must assess the likelihood that the deferred tax assets will be recovered from future taxable income and to the extent we believe recovery is not likely, we must establish a valuation allowance. To the extent we establish a valuation allowance in a period, we must include an expense within the tax provision in the Consolidated Statements of Operations. We have recorded a valuation allowance to reduce our deferred tax asset to an amount that is more likely than not to be realized in future years. If we determine in the future that it is more likely than not that the net deferred tax assets would be realized, then the previously provided valuation allowance would be adjusted.

For income tax purposes, the Company's U.S. entities are on the cash basis method of accounting with a June 30, tax year-end. The Company's foreign entities are on the accrual method of accounting with a calendar year-end. For financial statement purposes, the Company is an accrual basis taxpayer with its fiscal year ending on the Saturday closest to December 31st.

Investment in Affiliate

The Company owns 33.33% of an affiliate, Stanley Baker Hill, LLC (SBH), which is accounted for using the equity method. SBH was formed on April 8, 2004 for the purpose of providing various architect-engineering and construction management services in connection with the Iraq Reconstruction Program.

Deferred Rent

F-30

Table of Contents

HILL INTERNATIONAL, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

Rent expenses related to operating leases where scheduled rent increases exist is determined by expensing the total amount of rent due over the life of the operating lease on a straight-line basis. The difference between the rent paid under the terms of the lease and the rent expensed on a straight-line basis is included in other liabilities on the Consolidated Balance Sheets. The balance in deferred rent at January 1, 2005 and December 27, 2003 was \$531,000 and \$394,000 respectively.

Stock Option Plan

The Company has elected to follow Accounting Principles Board Opinion No. 25 (APB 25) Accounting for Stock Issued to Employees, and related interpretations in accounting for its employee stock options plans (the Plans). Under this method, compensation cost is measured as the amount by which the market price of the underlying stock exceeds the exercise price of the stock option at the date at which both the number of options granted and the exercise price are known.

The Plans stipulate that the exercise price of the options be the equivalent to the fair market value of the Company on the date the option is granted. The fair market value was determined by the Company's Board of Directors. Accordingly, no compensation expense has been recognized. The pro forma amount recorded under Statement of Financial Accounting Standards (SFAS) No.123, Accounting for Stock-Based Compensation, is de minimus.

Advertising Costs

Advertising costs are expensed as incurred. Such expenses for the years ended January 1, 2005, December 27, 2003 and December 28, 2002, are approximately \$160,000, \$232,000 and \$205,000, respectively.

Foreign Currency Translations and Transactions

Assets and liabilities of all foreign operations are translated at year-end rates of exchange, and the statements of operations are translated at the average rates of exchange for the year. Gains or losses resulting from translating foreign currency financial statements are accumulated in a separate component of stockholders' equity until the entity is sold or substantially liquidated.

Gains or losses from foreign currency transactions (transactions denominated in a currency other than the entity's local currency) are generally included in net income.

Recent Accounting Pronouncements

In December 2003, the Financial Accounting Standards Board (FASB) issued FASB Interpretation No. 46 (revised December 2003), Consolidation of Variable Interest Entities, an Interpretation of Accounting Research Bulletin (ARB) No. 51 (FIN 46R), which addresses how a business enterprise should evaluate whether it has a controlling financial interest in an entity through means other than voting rights and accordingly should consolidate the entity. FIN 46R replaces FASB Interpretation No. 46, Consolidation of Variable Interest Entities, which was issued January 2003. FIN 46R is effective for the first annual period beginning after December 15, 2004. The Company

Table of Contents

HILL INTERNATIONAL, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

does not have any variable interest entities and, therefore, expects no impact of the adoption of FIN46R.

On October 22, 2004, the President signed the American Jobs Creation Act of 2004 (the Act). On December 21, 2004, the FASB issued two FASB Staff Positions (FSP) regarding the accounting implications of the Act related to (1) the deduction for qualified domestic production activities (FSP SFAS No. 109-1) and (2) the one-time tax benefit for the repatriation of foreign earnings (FSP SFAS No. 109-2). The guidance in the FSP s applies to the financial statements for the periods ending after the date the Act was enacted.

FSP 109-1, Application of FASB Statement No. 109, Accounting for Income Taxes, to the Tax Deduction on Qualified Production Activities Provided by the American Jobs Creation Act of 2004, clarifies that the tax deduction for domestic manufacturers under the Act should be accounted for as a special deduction in accordance with SFAS 109, Accounting for Income Taxes. We are currently evaluating the impact, if any, of FSP-109-1 on our consolidated financial statements.

FSP SFAS 109-2, Accounting and Disclosure Guidance for the Foreign Earnings Repatriation Provision with the American Jobs Creation Act of 2004, provides enterprises more time (beyond the financial-reporting period during which the Act took effect) to evaluate the Act s impact on the enterprises plan for reinvestment or repatriation of certain foreign earnings for purposes of applying FASB Statement. The Act provides for a special one-time tax deduction of 85 percent dividends received deduction on certain foreign earnings repatriated in fiscal 2005 or 2006. The deduction would result in an approximate 5.1% federal tax on a portion of the foreign earnings repatriated. State, local, and foreign taxes could apply as well. To qualify for this federal tax deduction, the earnings must be reinvested in the United States pursuant to a domestic reinvestment plan. Certain other criteria in the Jobs Act must be satisfied as well. We studied the provisions of the Act related to the repatriation of earnings and do not intend to repatriate any earnings.

On December 16, 2004 the FASB issued SFAS No. 153, Exchanges of Nonmonetary Assets, an amendment of APB Opinion No. 29, Accounting for Nonmonetary Transactions. (SFAS 153). SFAS No. 153 addresses the measurement of exchanges of nonmonetary assets and redefines the scope of transactions that should be measured based on the fair value of the assets exchanged. The provisions of SFAS 153 are effective for nonmonetary exchanges occurring in fiscal periods beginning after June 15, 2005, which is effective with our first quarter of fiscal 2006. Adoption of this standard is not expected to have a material impact on our consolidated financial position, results of operations and cash flows.

In December 2004, the FASB issued SFAS No. 123(R), Share-Based Payment, which is a revision of SFAS No. 123, Accounting for Stock-Based Compensation. SFAS 123(R) requires that the compensation cost relating to share-based payment transactions be recognized in financial statements. The compensation cost will be measured based on

Table of Contents

HILL INTERNATIONAL, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

the fair value of the equity or liability instruments issued. The Statement is effective as of the beginning of the first annual period beginning after June 15, 2005. Beginning in January 2006, the value of all options granted by the Company will be recorded as compensation expense and will be reported as general and administrative expense. Currently, the value of options granted to officers and directors at or above fair value at the date of the grant is not recorded as expenses by the Company. Upon adoption of SFAS 123 (R), we will be required to record an expense for our stock-based compensation plans using a fair value method. We are currently evaluating which transition method we will use upon adoption of SFAS 123(R) and the potential impacts it will have on our compensation plans. SFAS 123(R) will impact our consolidated financial statements as we historically have recorded our stock-based compensation in accordance with APB 25, which does not require the recording of an expense for our stock-based compensation plans for options granted at a price equal to the fair market value of the shares on the grant date.

In March 2005, the Securities and Exchange Commission (SEC) issued Staff Accounting Bulletin (SAB) No. 107 regarding the Staff 's interpretation of SFAS No. 123(R). This interpretation provided the staff 's views regarding interactions between SFAS No. 123(R) and certain SEC rules and regulations and provides interpretations of the valuation of share-based payments for public companies. The interpretive guidance is intended to assist companies in applying the provisions of SFAS No. 123(R) and investors and users of the financial statements in analyzing the information provided. We will follow the guidance prescribed in SAB No. 107 in connection with our adoption of SFAS. No. 123(R).

In May 2005, the FASB issued SFAS No. 154 Accounting Changes and Error Corrections-A Replacement of APB Opinion No. 20 and FASB Statement No. 3 . This Statement requires retrospective application to prior periods financial statements of changes in accounting principle, unless it is impracticable to determine either the period-specific effects or the cumulative effect of the change. This Statement does not change the guidance for reporting the correction of an error in previously issued financial statements or a change in accounting estimate. The provisions of this Statement shall be effective for accounting changes and correction of errors made in fiscal years beginning after December 15, 2005. The impact of SFAS No. 154 will depend on the accounting change, if any, in future periods.

In June 2005, the EITF reached a consensus on Issue No. 05-6, Determining the Amortization Period for Leasehold Improvements (EIFT 05-6.) EIFT 05-6 provides guidance on determining the amortization period for leasehold improvements acquired in a business combination or acquired subsequent to lease inception. The guidance in EITF 05-6 will be applied prospectively and is effective for periods beginning after June 29, 2005. Adoption of this standard is not expected to have a material impact on our consolidated financial position or results of operations.

The tax effect of temporary differences that give rise to significant portions of the deferred tax assets and deferred tax liabilities are as follows (in thousands):

Current deferred tax liabilities:

Total non-current deferred tax liabilities	(493)	(172)
Net non-current deferred tax assets	\$ 640	\$ 1,623

In assessing the realizability of deferred tax assets, management considers whether it is more likely than not that some portion of all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which those temporary differences become deductible. Management considers the scheduled reversal of deferred tax liabilities and projected future taxable income in making this assessment. Based upon the level of historical taxable income and projections for future taxable income over the periods in which the deferred tax assets are deductible, management believes it is more likely than not that the Company will realize the benefits of these deductible differences, with the exception of foreign net operating losses. The amount of the deferred tax asset considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carryforward period are reduced.

At January 1, 2005, there were approximately \$462,000 of gross foreign net operating loss carryforwards and \$592,000 of federal alternative minimum tax credits carryforwards. A valuation allowance of \$138,000 was recorded as of January 1, 2005 in relation to the foreign net

operating losses.

Notes to Consolidated Financial Statements

We have made no provision for U.S. taxes on \$2.0 million of cumulative earnings of foreign subsidiaries as those earnings are intended to be reinvested for an indefinite period of time. Determination of the potential amount of unrecognized deferred U.S. income tax liability related to such reinvested income is not practicable because of the numerous assumptions associated with this hypothetical calculation. However, foreign tax credits would be available to reduce some portion of this amount. As of January 1, 2005 and based on tax laws in effect as of this date, it is our intention to indefinitely reinvest the undistributed earnings of foreign subsidiaries.

A provision of the American Jobs Act that was signed into law on October 22, 2004 allows companies to repatriate certain earnings of foreign-based subsidiaries at a reduced U.S. federal tax rate in either our years ended January 1, 2005 or December 31, 2005. We do not intend to repatriate any foreign earnings due to this provision.

Note 19 - Contingencies

Litigation

From time to time, the Company is a defendant or plaintiff in various legal actions which arise in the normal course of business. As such the Company is required to assess the likelihood of any adverse outcomes to these matters as well as potential ranges of probable losses. A determination of the amount of the provision required for these commitments and contingencies, if any, which would be charged to earnings, is made after careful analysis of each matter. The provision may change in the future due to new developments or changes in circumstances. Changes in the provision could increase or decrease the Company's earnings in the period the changes are made.

The Company is involved in various legal proceedings that arose in the ordinary course of business. In October 2001, an insurance company that provided professional liability insurance to the Company was ordered into liquidation. Some claims are subject to \$100,000 self-insurance retention.

In the opinion of management, after consultation with legal counsel, the ultimate resolution of such proceedings will not have a material adverse effect on the Company's financial condition or results of operations.

Contingent Pledges

The Company's principal stockholder has a personal loan of \$1,850,000 with a bank. As collateral for this loan, the Company assigned \$1,850,000 of potential life insurance proceeds payable to the Company on such stockholder. In addition, the Company has pledged in the event of a default to buy back from the lender up to 500,000 shares of stock issued by the Company to such shareholder who has been pledged by the shareholder as collateral for the loan for an amount equal to the amount defaulted.

Note 20 - Business Segment Information

The Company's business segments reflect how executive management makes resource decisions and assesses its performance. The Company bases these decisions on the type of services provided (Project Management or Construction Claims) and their geography (United States, Europe or Middle East).

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

The Project Management segment provides extensive construction and project management services to clients worldwide. Such services include program management, project management, construction management, project management oversight, staff augmentation, management consulting and estimating and cost management.

The Construction Claims segment provides such services as claims consulting, litigation support, expert witness testimony, cost and damages assessment and delay and disruption analysis to clients worldwide.

STANLEY BAKER HILL, LLC

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2004

NOTE 1 - ORGANIZATION

Stanley Baker Hill, LLC (the Company) is a joint venture formed in February 2004 between Stanley Consultants, Inc. (Stanley), Michael Baker, Jr., Inc. (Baker) and Hill International, Inc. (Hill). The Company provides various architect-engineer services in Iraq. The Company has a contract for an indefinite delivery and indefinite quantity for construction management and general architect-engineer services for facilities in Iraq with the US Army of Corps of Engineers Transatlantic Program Center (U.S. Corps).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by management in the preparation of the accompanying financial statements follows:

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents - The Company maintains, at various financial institutions, cash and certificates of deposit that may exceed federally insured amounts at times. For purposes of the statements of cash flows, the Company considers all interest-bearing money market funds and noninterest-bearing accounts to be cash and cash equivalents.

Revenue Recognition and Contract Accounting - The Company typically incurs direct labor costs, subcontractor costs and certain other direct costs (ODCs) in connection with architect-engineer services. Contracts are structured such that margin is earned on labor costs and not on ODCs. The Company includes revenues related to its direct labor, subcontractors and ODCs in its total contract revenues as long as the Company remains responsible to the client for the acceptability of the services provided.

The Company recognizes revenues under the percentage-of-completion method of accounting. Revenues for the current period on fixed-price contracts are determined by multiplying the estimated margin at completion for each contract by the project's percentage of completion to date, adding labor costs, subcontractor costs and ODCs incurred to date, and subtracting revenues recognized in prior periods. In applying the percentage-of-completion method to these contracts, the Company measures the extent of progress toward completion as the ratio of labor costs incurred to date over total estimated labor costs at completion. As work is performed under contracts, estimates of the costs to complete are

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

regularly reviewed and updated. As changes in estimates of total costs at completion on projects are identified, appropriate earnings adjustments are recorded during the period that the change is identified. Provisions for estimated losses on uncompleted contracts are recorded during the period in which such losses are determined. Revenues related to contractual claims that arise from customer-caused delays or change orders unapproved as to both scope and price are recorded only when the amounts have been agreed with the client. Profit incentives and/or award fees are recorded as revenues when the amounts are both probable and reasonably estimable.

Summary of Significant Accounting Policies

Cash and Cash Equivalents	Arpeggio Acquisition Corporation (the Company) considers all highly liquid investments with original maturities of three months or less to be cash equivalents.
Securities held in Trust Fund	The Company carries its investment in U.S. government securities at cost, which approximates fair value.
Income Taxes	The Company follows Statement of Financial Accounting Standards No. 109 (SFAS No. 109), Accounting for Income Taxes which is an asset and liability approach that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been recognized in the Company's financial statements or tax returns.
Net Income Per Share	Basic net income per share is calculated by dividing net income after accretion attributable to common stockholders by the weighted average number of common shares outstanding during the period. No effect has been given to potential issuances of common stock from warrants or the underwriter option in the diluted computation, as their effect would not be dilutive.
Use of Estimates	The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of expenses during the reporting period. Actual results could differ from those estimates.
Reclassification	Certain items have been reclassified from prior periods to conform with current period presentation.

Notes to Financial Statements

**1. Unaudited Interim
Financial Statements**

The accompanying balance sheet as of September 30, 2005 and the statements of operations, stockholders equity and cash flows for the nine months ended September 30, 2005 and period from April 2, 2004 (inception) to September 30, 2004 are unaudited and have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information. In the opinion of management, all adjustments (consisting primarily of normal accruals) have been made that are necessary to present fairly the financial position of the Company. The information described in the notes to the financial statements for these periods is also unaudited. Operating results for the interim period presented are not necessarily indicative of the results to be expected for a full year.

**2. Organization and Business
Operations**

The Company was incorporated in Delaware on April 2, 2004 as a blank check company, the objective of which is to acquire an operating business in the United States or Canada. The Company's initial stockholders purchased 1,500,000 common shares, \$.0001 par value, for \$25,000 on April 2, 2004.

On June 30, 2004, the Company consummated an Initial Public Offering (Offering) and raised net proceeds of \$36,772,000 which is discussed in Note 3. The Company's management has broad discretion with respect to the specific application of the net proceeds of this Offering, although substantially all of the net proceeds of this Offering are intended to be generally applied toward consummating a business combination with an operating business in the United States or Canada (Business Combination). Furthermore, there is no assurance that the Company will be able to successfully effect a Business Combination. An amount of \$36,357,327 and \$35,642,108 (which includes accrued interest of \$3,551 and \$6,294) as of September 30, 2005 and December 31, 2004, respectively is being held in an interest bearing trust account (Trust Fund) until the earlier of (i) the consummation of its first Business Combination or (ii) liquidation of the

Company. Under the agreement governing the Trust Fund, funds will only be invested in United States government securities (treasury bills) with a maturity of 180 days or less. The remaining net proceeds (not held in trust) may be used to pay for business, legal and accounting due diligence on prospective acquisitions and continuing general and administrative expenses.

The Company, after signing a definitive agreement for the acquisition of a target business, will submit such transaction for stockholder approval. In the event that public stockholders owning 20% or more of the shares sold in the Offering vote against the Business Combination and exercise their redemption rights described below, the Business Combination will not be consummated. All of the Company's stockholders prior to the Offering, including all of the officers and directors of the Company (Initial Stockholders), have agreed to vote their 1,500,000 founding shares of common stock in accordance with the vote of the majority in interest of all other stockholders of the Company (Public Stockholders) with respect to any Business Combination. After consummation of the Company's Business Combination, these voting safeguards will no longer be applicable.

With respect to a Business Combination, which is approved and consummated, any Public Stockholder who voted against the Business Combination may demand that the Company convert his shares. The per share conversion price will equal the amount in the Trust Fund as of the record date for determination of stockholders entitled to vote on the Business Combination divided by the number of shares of common stock held by Public Stockholders at the consummation of the Offering. Accordingly, Public Stockholders holding 19.99% of the aggregate number of shares owned by all Public Stockholders may seek conversion of their shares in the event of a Business Combination. Such Public Stockholders are entitled to receive their per share interest in the Trust Fund computed without regard to the shares held by Initial Stockholders. In this respect, \$7,267,830 and \$7,124,657 has been classified as common stock subject

to possible conversion at September 30, 2005 and December 31, 2004, respectively.

The Company's Certificate of Incorporation provides for mandatory liquidation of the Company, without stockholder approval, in the event that the Company does not consummate a Business Combination within 18 months from the date of the consummation of the Offering (such date would be December 31, 2005), or 24 months from the consummation of the Offering (such date would be June 30, 2006) if certain extension criteria have been satisfied. In the event of liquidation, it is likely that the per share value of the residual assets remaining available for distribution (including Trust Fund assets) will be less than the initial public Offering price per share in the Offering due to costs related to the Offering (assuming no value is attributed to the warrants contained in the Units in the Offering discussed in Note 3).

3. Offering

The Company sold 6,800,000 units (Units) in the Offering, which includes the 800,000 Units subject to the underwriters' over allotment option. Each Unit consists of one share of the Company's common stock, \$.0001 par value, and two Redeemable Common Stock Purchase Warrants (Warrants). Each Warrant will entitle the holder to purchase from the Company one share of common stock at an exercise price of \$5.00 commencing the later of the completion of a Business Combination with a target business or one year from the effective date of the Offering and expiring four years from the effective date of the Offering. The Warrants will be redeemable at a price of \$.01 per Warrant upon 30 days notice after the Warrants become exercisable, only in the event that the last sale price of the common stock is at least \$8.50 per share for any 20 trading days within a 30 trading day period ending on the third day prior to date on which notice of redemption is given. In connection with this Offering, the Company issued an option for \$100 to the representative of the underwriters to purchase 300,000 units at an exercise price of \$9.90 per Unit. In addition, the warrants underlying such Units are exercisable at \$6.25 per share.

Such affiliate has agreed that, until the acquisition of a target business by the Company, it will make such office space, as well as certain office and secretarial services, available to the Company, as may be required by the Company from time to time. The Company pays such affiliate \$7,500 per month for such services commencing on June 24, 2004, the effective date of the Offering. Amounts of \$46,750 for the period from April 2, 2004 (inception) to December 31, 2004, \$67,500 for the nine-month period ended September 30, 2005 and \$114,250 for the period from April 2, 2004 (inception) to September 30, 2005 is included in general and administrative for such services.

9. Subsequent Event

(Unaudited)

On December 5, 2005, the Company entered into an Agreement and Plan of Merger with Hill International, Inc. and all of its current stockholders providing for the merger of Hill International with and into the Company, which will be the surviving corporation in the merger and will change its name to Hill International, Inc. Hill International and its subsidiaries (collectively, Hill International) is a privately owned independent construction consulting firm headquartered in Marlton, New Jersey.

Pursuant to the merger agreement, Hill International's stockholders and other persons who exercise options to purchase common stock of Hill International prior to the closing of the merger, in exchange for all of the securities of Hill International outstanding immediately prior to the merger, will receive from the Company 14,500,000 shares of its common stock. Immediately following the merger, the stockholders of Hill International will own approximately 63.6% of the Company's total issued and outstanding common stock. 12% of the shares of common stock being issued at the time of the merger will be placed in escrow to secure the Company's indemnity rights under the merger agreement and will be governed by the terms of an escrow agreement. The merger agreement also provides for Hill International's stockholders to receive up to an additional 6,600,000 shares of the Company's common stock, contingent upon the combined companies attaining certain earnings targets.

RECITALS

A. Upon the terms and subject to the conditions of this Agreement (as defined in Section 1.2) and in accordance with the General Corporation Law of the State of Delaware (the DGCL), Parent and Company intend to enter into a business combination transaction by means of a merger of the Company with and into Parent, through an exchange of all the issued and outstanding shares of capital stock of the Company for shares of common stock of Parent.

Merger (the Certificate of Merger) (the time of such filing with the Secretary of State of the State of Delaware, or such later time as may be agreed in writing by Company and Parent and specified in the Certificate of Merger, being the Effective Time) as soon as practicable on or after the Closing Date (as herein defined). The term Agreement as used herein refers to this Agreement and Plan of Merger, as the same may be amended from time to time, and all schedules hereto (including the Company Schedule and the Parent Schedule, as defined in the preambles to Articles II and III hereof, respectively). Unless this Agreement shall have been terminated pursuant to Section 8.1, the closing of the Merger (the Closing) shall take place at the offices of Graubard Miller, counsel to Parent, 405 Lexington Avenue, New York, New York 10174-1901 at a time and date to be specified by the parties, which shall be no later than the second business day after the satisfaction or waiver of the conditions set forth in Article VI, or at such other time, date and location as the parties hereto agree in writing (the Closing Date). Closing signatures may be transmitted by facsimile.

1.3 Effect of the Merger. At the Effective Time, the effect of the Merger shall be as provided in this Agreement and the applicable provisions of the DGCL. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time all the property, rights, privileges, powers and franchises of the Company shall vest in the Surviving Corporation, and all debts, liabilities and duties of the Company shall become the debts, liabilities and duties of the Surviving Corporation.

1.4 Certificate of Incorporation; Bylaws.

(a) At the Effective Time, the Certificate of Incorporation of Parent, a copy of which is annexed hereto as Exhibit A, as amended as contemplated by this Agreement, shall be the Certificate of Incorporation of the Surviving Corporation until thereafter amended as provided by law and such Certificate of Incorporation of the Surviving Corporation.

(b) Also, at the Effective Time, the Bylaws of Parent, a copy of which is annexed hereto as Exhibit B, shall be the Bylaws of the Surviving Corporation.

1.5 Effect on Capital Stock. Subject to the terms and conditions of this Agreement, at the Effective Time, by virtue of the Merger and this Agreement and without any action on the part of the Company or the holders of any of the securities of the Company, the following shall occur:

(a) Conversion of Company Common Stock. Other than any shares to be canceled pursuant to Section 1.5(c), each share of common stock, par value \$0.01, of the Company (Company Common Stock) issued and outstanding immediately prior to the Effective Time will be automatically converted (subject to Section 1.5(e)) into (i) the number of shares of common stock, par value \$0.0001, of Parent (Parent Common Stock) equal to (A) 14,500,000 divided by (B) the Outstanding Common Stock Number plus (ii) the right to receive that number of EBIT Shares (as defined in Section 1.18(a)) for each year with respect to which EBIT Shares are issuable equal to (C) the number of EBIT Shares issuable with respect to such year divided by (D) the Outstanding Common Stock Number. As used herein, Outstanding Common Stock

Table of Contents

Number means the number of shares of Company Common Stock outstanding immediately prior to the Effective Time. The numbers of shares of Parent Common Stock issuable pursuant to this Section 1.5(a) (including EBIT Shares) that would otherwise be issued to Persons who exercise their appraisal rights pursuant to Section 262 of the DGCL shall not be issued to such persons and shall be canceled.

(b) Certificates for Shares. Certificates representing the shares of Parent Common Stock issuable pursuant to clause (i) of Section 1.5(a) (Base Shares) shall be issued to the holders of certificates representing the shares of Company Common Stock (Company Certificates) upon surrender of the Company Certificates in the manner provided in Section 1.6 (or in the case of a lost, stolen or destroyed certificate, upon delivery of an affidavit (and indemnity, if required) in the manner provided in Section 1.8). Each holder shall be issued separate certificates for such holder's Escrow Shares (as defined in Section 1.14) and for the remaining number of shares of Parent Common Stock to which such holder is entitled. Certificates for shares of Parent Common Stock representing EBIT Shares shall be issued to the Persons who have surrendered Company Certificates within five (5) days following the release of the audited financial statements of Parent for the year with respect to which such EBIT Shares are issuable.

(c) Cancellation of Treasury and Parent-Owned Stock. Each share of Company Common Stock held by the Company or owned by Parent or any direct or indirect wholly-owned subsidiary of the Company or of Parent immediately prior to the Effective Time shall be canceled and extinguished without any conversion or payment in respect thereof.

(e) Adjustments to Exchange Ratios. The numbers of shares of Parent Common Stock that the holders of the Company Common Stock are entitled to receive as a result of the Merger shall be equitably adjusted to reflect appropriately the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into Parent Common Stock or Company Common Stock), extraordinary cash dividends, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to Parent Common Stock or Company Common Stock occurring on or after the date hereof and prior to the Effective Time.

(f) Fractional Shares. No fraction of a share of Parent Common Stock will be issued by virtue of the Merger, and each holder of shares of Company Common Stock who would otherwise be entitled to a fraction of a share of Parent Common Stock (after aggregating all fractional shares of Parent Common Stock that otherwise would be received by such holder) shall, upon compliance with Section 1.6, receive from Parent, in lieu of such fractional share, one (1) share of Parent Common Stock.

1.6 Surrender of Certificates.

(a) Exchange Procedures. Upon surrender of Company Certificates at the Closing, the holders of such Company Certificates shall receive in exchange therefor

certificates representing the Base Shares into which their shares of Company Common Stock shall be converted at the Effective Time, less the Escrow Shares (as defined in Section 1.11), and the Company Certificates so surrendered shall forthwith be canceled. Until so surrendered, outstanding Company Certificates will be deemed, from and after the Effective Time, to evidence only the right to receive the applicable number of shares of Parent Common Stock issuable pursuant to Section 1.5(a).

(b) Distributions With Respect to Unexchanged Shares. No dividends or other distributions declared or made after the date of this Agreement with respect to Parent Common Stock with a record date after the Effective Time will be paid to the holders of any unsurrendered Company Certificates with respect to the shares of Parent Common Stock to be issued upon surrender thereof until the holders of record of such Company Certificates shall surrender such Company Certificates. Subject to applicable law, following surrender of any such Company Certificates with a properly completed letter of transmittal, Parent shall promptly deliver to the record holders thereof, without interest, the certificates representing shares of Parent Common Stock issued in exchange therefor and the amount of any such dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such shares of Parent Common Stock.

(c) Transfers of Ownership. If certificates representing shares of Parent Common Stock are to be issued in a name other than that in which the Company Certificates surrendered in exchange therefor are registered, it will be a condition of the issuance thereof that the Company Certificates so surrendered will be properly endorsed and otherwise in proper form for transfer and that the persons requesting such exchange will have paid to Parent or any agent designated by it any transfer or other taxes required by reason of the issuance of certificates representing shares of Parent Common Stock in any name other than that of the registered holder of the Company Certificates surrendered, or established to the satisfaction of Parent or any agent designated by it that such tax has been paid or is not payable.

(d) Required Withholding. Each Parent and the Surviving Corporation shall be entitled to deduct and withhold from any consideration payable or otherwise deliverable pursuant to this Agreement to any holder or former holder of Company Common Stock such amounts as are required to be deducted or withheld therefrom under the Code or under any provision of state, local or foreign tax law or under any other applicable legal requirement. To the extent such amounts are so deducted or withheld, such amounts shall be treated for all purposes under this Agreement as having been paid to the person to whom such amounts would otherwise have been paid.

(e) No Liability. Notwithstanding anything to the contrary in this Section 1.6, neither Parent, the Surviving Corporation, the Company nor any other party hereto shall be liable to a holder of shares of Parent Common Stock or Company Common Stock for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or similar law.

1.7 No Further Ownership Rights in Company Stock. All shares of Parent Common Stock issued in accordance with the terms hereof shall be deemed to have been issued in full satisfaction of all rights pertaining to such shares of Company Common Stock and there shall be no further registration of transfers on the records of the Surviving Corporation of shares of Company Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Company Certificates are presented to the Surviving Corporation for any reason, they shall be canceled and exchanged as provided in this Article I.

1.8 Lost, Stolen or Destroyed Certificates. In the event that any Company Certificates shall have been lost, stolen or destroyed, Parent shall issue in exchange for such lost, stolen or destroyed Company Certificates, upon the making of an affidavit of that fact by the holder thereof, the certificates representing the shares of Parent Common Stock that the shares of Company Common Stock formerly represented by such Company Certificates were converted into and any dividends or distributions payable pursuant to Section 1.6(b); provided, however, that, as a condition precedent to the issuance of such certificates representing shares of Parent Common Stock and other distributions, the owner of such lost, stolen or destroyed Company Certificates shall indemnify Parent against any claim that may be made against Parent or the Surviving Corporation with respect to the Company Certificates alleged to have been lost, stolen or destroyed.

1.9 Tax Consequences. It is intended by the parties hereto that the Merger shall constitute a reorganization within the meaning of Section 368 of the Code. The parties hereto adopt this Agreement as a plan of reorganization within the meaning of the United States Income Tax Regulations issued with respect to Section 368.

1.10 Taking of Necessary Action; Further Action. If, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement and to vest the Surviving Corporation with full right, title and possession to all assets, property, rights, privileges, powers and franchises of the Company, the officers and directors of the Company will take all such lawful and necessary action.

1.11 Escrow. As the sole remedy for the indemnity obligations set forth in Article VII, at the Closing, the Persons receiving shares of Parent Common Stock to be issued as a result of the Merger shall deposit in escrow twelve percent (12%) of the Base Shares received by such Persons as a result of the Merger (the Escrow Shares), which shares shall be allocated among the Persons entitled to receive them in the same proportions as the shares of Parent Common Stock are allocated among them, all in accordance with the terms and conditions of the Escrow Agreement to be entered into at the Closing between Parent, the Company Stockholder Representative (the Representative) (who shall be Irvin E. Richter until a successor is appointed pursuant to Section 1.14(b)) and Continental Stock Transfer & Trust Company, as Escrow Agent, in the form annexed hereto as Exhibit C (the Escrow Agreement). Of the Escrow Shares, one-sixth thereof (the Tax Indemnity Shares) shall be applied to indemnification only with respect to Tax Indemnification Claims (as hereinafter defined) and five-sixths thereof (the Basic Indemnity Shares) shall be applied to indemnification with respect to all other matters with respect to which Parent is entitled to indemnification hereunder. On the first business day following the date (the Escrow Termination Date) that is thirty (30) days after the date on which Parent has filed its Report on Form 10-K pursuant to the Securities

Table of Contents

Exchange Act of 1934, as amended (Exchange Act), for its 2006 fiscal year, the Escrow Agent shall deliver the Basic Indemnity Shares, less any of such shares applied in satisfaction of a claim for indemnification and any of such shares related to a claim for indemnification that is then unresolved, to each such Person in the same proportions as initially deposited in escrow. Any Basic Indemnity Shares held with respect to any unresolved claim for indemnification and not applied as indemnification with respect to such claim upon its resolution shall be delivered to such Persons promptly upon such resolution. All Tax Indemnity Shares and any Basic Indemnity Shares, to the extent not applied in satisfaction of a claim for indemnification, will be so distributed to such Persons on the first business day following December 31, 2010 (the Tax Escrow Termination Date), notwithstanding that the claim to which they relate has not been resolved. As used herein, Tax Indemnification Claim means a claim for indemnification pursuant to Article VII with respect to (i) a breach of the representations and warranties set forth in Section 2.15 and (ii) the matters referred to in Schedule 2.15.

1.12 Rule 145. All shares of Parent Common Stock issued pursuant to this Agreement to affiliates of the Company listed in Schedule 1.12 will be subject to certain resale restrictions under Rule 145 promulgated under the Securities Act and all certificates representing such shares shall bear an appropriate restrictive legend.

1.13 Stockholder Matters.

(a) By his, her or its execution of this Agreement, each Stockholder, in his, her or its capacity as a stockholder of the Company, hereby approves and adopts this Agreement and authorizes the Company, its directors and officers to take all actions necessary for the consummation of the Merger and the other transactions contemplated hereby pursuant to the terms of this Agreement and its exhibits. Such execution shall be deemed to be action taken by the irrevocable written consent of each Stockholder for purposes of Section 228 of the DGCL.

(b) Each Stockholder, for itself only, represents and warrants as follows: (i) all Parent Common Stock to be acquired by such Stockholder pursuant to this Agreement will be acquired for his, her or its account and not with a view towards distribution thereof other than, with respect to Stockholders that are entities, transfers to its stockholders, partners or members; (ii) it understands that he, she or it must bear the economic risk of the investment in the Parent Common Stock, which cannot be sold by he, she or it unless it is registered under the Securities Act, or an exemption therefrom is available thereunder; (iii) he, she or it has had both the opportunity to ask questions and receive answers from the officers and directors of Parent and all persons acting on Parent's behalf concerning the business and operations of Parent and to obtain any additional information to the extent Parent possesses or may possess such information or can acquire it without unreasonable effort or expense necessary to verify the accuracy of such information; and (iv) he, she or it has had access to the Parent SEC Reports filed prior to the date of this Agreement. Each Stockholder acknowledges, as to himself, herself or itself only, that (v) he, she or it is either (A) an accredited investor as such term is defined in Rule 501(a) promulgated under the Securities Act or (B) a person possessing sufficient knowledge and experience in financial and business matters to

enable it to evaluate the merits and risks of an investment in Parent; and (vi) he, she or it understands that the certificates representing the Parent Common Stock to be received by he, she or it may bear legends to the effect that the Parent Common Stock may not be transferred except upon compliance with (C) the registration requirements of the Securities Act (or an exemption therefrom) and (D) the provisions of this Agreement. Each Stockholder that is an entity, for itself, represents, warrants and acknowledges, with respect to each holder of its equity interests, to the same effect as the foregoing provisions of this Section 1.13(b).

(c) Each Stockholder, for himself, herself or itself, represents and warrants that the execution and delivery of this Agreement by such Stockholder does not, and the performance of his, her or its obligations hereunder will not, require any consent, approval, authorization or permit of, or filing with or notification to, any court, administrative agency, commission, governmental or regulatory authority, domestic or foreign (a Governmental Entity), except (i) for applicable requirements, if any, of the Securities Act of 1933, as amended (Securities Act), the Exchange Act, state securities laws (Blue Sky Laws), and the rules and regulations thereunder, and (ii) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect (as defined in Section 10.2(a)) on such Stockholder or the Company or, after the Closing, the Parent, or prevent consummation of the Merger or otherwise prevent the parties hereto from performing their obligations under this Agreement.

1.14 Committee and Representative for Purposes of Escrow Agreement.

(a) Parent Committee. Prior to the Closing, the Board of Directors of Parent shall appoint a committee consisting of one or more of its then members to act on behalf of Parent to take all necessary actions and make all decisions pursuant to the Escrow Agreement regarding Parent's right to indemnification pursuant to Article VII hereof. ARTICLE VII

INDEMNIFICATION

7.1 Indemnification of Parent.

(a) Subject to the terms and conditions of this Article VII (including without limitation the limitations set forth in Section 7.4), Parent, the Company and their respective representatives, successors and permitted assigns (the Parent Indemnitees) shall be indemnified, defended and held harmless from and against all Losses asserted against, resulting to, imposed upon, or incurred by any Parent Indemnitee by reason of, arising out of or resulting from:

(i) subject to the provisions of Section 5.6(b)(iii), the inaccuracy or breach of any representation or warranty of Company contained in or made pursuant to this Agreement, any Schedule or any certificate delivered by the Company to Parent pursuant to this Agreement with respect hereto or thereto in connection with the Closing;

(ii) the non-fulfillment or breach of any covenant or agreement of the Company contained in this Agreement;

(iii) the matters identified with an asterisk in Schedule 2.10 of the Company Schedule to the extent not reserved for on the interim balance sheet included in the Unaudited Financial Statements;

(iv) the matters referred to in Schedule 2.15 of the Company Schedule;

(v) the failure of the Company to maintain Workers Compensation Insurance in the Commonwealth of Puerto Rico; or

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

(vi) the failure to get consent of a contracting party to either of the agreements listed on Schedule 2.5 if such consent is required to (A) allow the continuation of such agreement following the Merger on the same terms as

existed immediately prior to the Merger and/or (B) waive the right of any contracting party thereto to terminate such agreement as a result of the Merger.

(b) As used in this Article VII, the term Losses shall include all losses, liabilities, damages, judgments, awards, orders, penalties, settlements, costs and expenses (including, without limitation, interest, penalties, court costs and reasonable legal fees and expenses) including those arising from any demands, claims, suits, actions, costs of investigation, notices of violation or noncompliance, causes of action, proceedings and assessments whether or not made by third parties or whether or not ultimately determined to be valid. Solely for the purpose of determining the amount of any Losses (and not for determining any breach) for which Parent Indemnitee may be entitled to indemnification pursuant to Article VII, any representation or warranty contained in this Agreement that is qualified by a term or terms such as material, materially, or Material Adverse Effect shall be deemed made or given without such qualification and without giving effect to such words. Notwithstanding the foregoing, Losses arising from the matters described in Section 7.1(a)(iii) above shall be limited to the amount of any actual judgment or settlement in excess of reserves provided for in the Unaudited Financial Statements and shall not include costs, expenses or legal fees incurred in connection with such matters by the Company or, following the Merger, the Surviving Company (but would include any of the legal fees of other parties ordered or agreed to be paid in such judgment or settlement).

7.2 Indemnification of Third Party Claims. The indemnification obligations and liabilities under this Article VII with respect to actions, proceedings, lawsuits, investigations, demands or other claims brought against Parent by a Person other than the Company (a Third Party Claim) shall be subject to the following terms and conditions:

(a) Notice of Claim. Parent, acting through the Committee, will give the Representative prompt written notice after receiving written notice of any Third Party Claim or discovering the liability, obligation or facts giving rise to such Third Party Claim (a Notice of Claim) which Notice of Third Party Claim shall set forth (i) a brief description of the nature of the Third Party Claim, (ii) the total amount of the actual out-of-pocket Loss or the anticipated potential Loss (including any costs or expenses which have been or may be reasonably incurred in connection therewith), and (iii) whether such Loss may be covered (in whole or in part) under any insurance and the estimated amount of such Loss which may be covered under such insurance, and the Representative shall be entitled to participate in the defense of Third Party Claim at its expense.

(b) Defense. The Representative shall have the right, at its option (subject to the limitations set forth in subsection 7.2(c) below) and at its own expense, by written notice to Parent, to assume the entire control of, subject to the right of Parent to participate (at its expense and with counsel of its choice) in, the defense, compromise or settlement of the Third Party Claim as to which such Notice of Claim has been given, and shall be entitled to appoint a recognized and reputable counsel reasonably acceptable to Parent to be the lead counsel in connection with such defense. If the Representative is permitted and elects to assume the defense of a Third Party Claim:

(i) the Representative shall diligently and in good faith defend such Third Party Claim and shall keep Parent reasonably informed of the status of such defense; provided, however, that in the case of any settlement providing for remedies other than monetary damages for which indemnification is provided, Parent shall have the right to approve the settlement, which approval will not be unreasonably withheld or delayed; and

Table of Contents

(ii) Parent shall cooperate fully in all respects with the Representative in any such defense, compromise or settlement thereof, including, without limitation, the selection of counsel, and Parent shall make available to the Representative all pertinent information and documents under its control.

(c) Limitations of Right to Assume Defense. The Representative shall not be entitled to assume control of such defense if (i) the Third Party Claim relates to or arises in connection with any criminal proceeding, action, indictment, allegation or investigation; (ii) the Third Party Claim seeks an injunction or equitable relief against Parent; or (iii) there is a reasonable probability that a Third Party Claim may materially and adversely affect Parent other than as a result of money damages or other money payments.

(d) Other Limitations. Failure to give prompt Notice of Claim or to provide copies of relevant available documents or to furnish relevant available data shall not constitute a defense (in whole or in part) to any Third Party Claim by Parent against the Representative and shall not affect the Representative's duty or obligations under this Article VII, except to the extent (and only to the extent that) such failure shall have adversely affected the ability of the Representative to defend against or reduce its liability or caused or increased such liability or otherwise caused the damages for which the Representative is obligated to be greater than such damages would have been had Parent given the Representative prompt notice hereunder. So long as the Representative is defending any such action actively and in good faith, Parent shall not settle such action. Parent shall make available to the Representative all relevant records and other relevant materials required by them and in the possession or under the control of Parent, for the use of the Representative and its representatives in defending any such action, and shall in other respects give reasonable cooperation in such defense.

(e) Failure to Defend. If the Representative, promptly after receiving a Notice of Claim, fails to defend such Third Party Claim actively and in good faith, Parent will (upon further written notice) have the right to undertake the defense, compromise or settlement of such Third Party Claim as it may determine in its reasonable discretion, provided that the Representative shall have the right to approve any settlement, which approval will not be unreasonably withheld or delayed.

(f) Parent's Rights. Anything in this Section 7.3 to the contrary notwithstanding, the Representative shall not, without the written consent of Parent, settle or compromise any action or consent to the entry of any judgment which does not include as an unconditional term thereof the giving by the claimant or the plaintiff to Parent of a full and unconditional release from all liability and obligation in respect of such action without any payment by Parent.

Table of Contents

(g) Representative Consent. Unless the Representative has consented to a settlement of a Third Party Claim, the amount of the settlement shall not be a binding determination of the amount of the Loss and such amount shall be determined in accordance with the provisions of the Escrow Agreement

7.3 Insurance Effect. To the extent that any Losses that are subject to indemnification pursuant to this Article VII are covered by insurance, Parent shall use commercially reasonable efforts to obtain the maximum recovery under such insurance; provided that Parent shall nevertheless be entitled to bring a claim for indemnification under this Article VII in respect of such Losses and the time limitations set forth in Section 7.4 hereof for bringing a claim of indemnification under this Agreement shall be tolled during the pendency of such insurance claim. The existence of a claim by Parent for monies from an insurer or against a third party in respect of any Loss shall not, however, delay any payment pursuant to the indemnification provisions contained herein and otherwise determined to be due and owing by the Representative. If Parent has received the payment required by this Agreement from the Representative in respect of any Loss and later receives proceeds from insurance or other amounts in respect of such Loss, then it shall hold such proceeds or other amounts in trust for the benefit of the Representative and shall pay to the Representative, as promptly as practicable after receipt, a sum equal to the amount of such proceeds or other amount received, up to the aggregate amount of any payments received from the Representative pursuant to this Agreement in respect of such Loss. Notwithstanding any other provisions of this Agreement, it is the intention of the parties that no insurer or any other third party shall be (i) entitled to a benefit it would not be entitled to receive in the absence of the foregoing indemnification provisions, or (ii) relieved of the responsibility to pay any claims for which it is obligated.

7.4 Limitations on Indemnification.

(a) Survival: Time Limitation. The representations, warranties, covenants and agreements in this Agreement or in any writing required to be delivered by the Company to Parent in connection with this Agreement (including the certificate required to be delivered by the Company pursuant to Section 6.3(a)) shall survive the Closing for the period that ends on the Escrow Termination Date (the Survival Period) except that the representations and warranties contained in Section 2.15 shall survive the Closing for the period that ends on December 31, 2010 (the Tax Survival Period).

(b) Any claim made by a party hereunder for breach of a representation or warranty prior to the termination of the Survival Period shall be preserved despite the subsequent termination of the Survival Period and any claim set forth in a Notice of Claim sent prior to the expiration of the Survival Period shall survive until final resolution thereof. Except as set forth in the immediately preceding sentence, no claim for indemnification under this Article VII shall be brought after the end of the Survival Period or the Tax Survival Period, as the case may be.

Table of Contents

(c) **Deductible.** No amount shall be payable under Article VII unless and until the aggregate amount of all indemnifiable Losses otherwise payable exceeds \$500,000 (the Deductible), in which event the amount payable shall only be the amount in excess of the amount of the Deductible, and, subject to the limitations set forth in Section 7.5(c), all future amounts that become payable under Section 7.1 from time to time thereafter. Notwithstanding the foregoing, the Deductible shall not apply to Losses that arise out of a Tax Indemnification Claim or an indemnification claim made pursuant to Section 7.1(a)(iii) or Section 7.1(a)(v), all of which shall be indemnifiable as to all Losses that so arise from the first dollar thereof.

(d) **Aggregate Amount Limitation.** The aggregate liability for Losses pursuant to Section 7.1 shall not in any event exceed the Escrow Shares and Parent shall have no claim against the Company's stockholders other than for the Escrow Shares (and any proceeds of the shares or distributions with respect to the Escrow Shares).

7.5 **Exclusive Remedy.** Parent hereby acknowledges and agrees that, from and after the Closing, its sole remedy with respect to any and all claims for money damages arising out of or relating to this Agreement shall be pursuant and subject to the requirements of the indemnification provisions set forth in this Article VII. Notwithstanding any of the foregoing, nothing contained in this Article VII shall in any way impair, modify or otherwise limit Parent's or Company's right to bring any claim, demand or suit against the other party based upon such other party's actual fraud or intentional or willful misrepresentation or omission, it being understood that a mere breach of a representation and warranty, without intentional or willful misrepresentation or omission, does not constitute fraud.

7.6 **Adjustment to Merger Consideration.** Amounts paid for indemnification under Article VII shall be deemed to be an adjustment to the value of the shares of Parent Common Stock issued by Parent as a result of the Merger, except as otherwise required by Law.

7.7 **Representative Capacities; Application of Escrow Shares.** The parties acknowledge that the Representative's obligations under this Article VII are solely as a representative of the Company's stockholders in the manner set forth in the Escrow Agreement with respect to the obligations to indemnify Parent under this Article VII and that the Representative shall have no personal responsibility for any expenses incurred by him in such capacity and that all payments to Parent as a result of such indemnification obligations shall be made solely from, and to the extent of, the Escrow Shares. Out-of-pocket expenses of the Representative for attorneys' fees and other costs shall be borne in the first instance by Parent, which may make a claim for reimbursement thereof against the Escrow Shares upon the claim with respect to which such expenses are incurred becoming an Established Claim (as defined in the Escrow Agreement). The parties further acknowledge that all actions to be taken by Parent pursuant to this Article VII shall be taken on its behalf by the Committee in accordance with the provisions of the Escrow Agreement. The Escrow Agent, pursuant to the Escrow Agreement after the Closing, may apply all or a portion of the Escrow Shares to satisfy any claim for indemnification pursuant to this Article VII. The Escrow Agent will hold the remaining portion of the Escrow Shares until final resolution of all claims for indemnification or disputes relating thereto. Notwithstanding anything to the contrary in this Agreement or the Escrow Agreement,

all Escrow Shares remaining in escrow on December 31, 2010 shall be released and delivered to the Persons entitled to them on the following business day.

ARTICLE VIII

TERMINATION

8.1 Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by mutual written agreement of Parent and the Company at any time;

(b) by either Parent or the Company if the Merger shall not have been consummated by June 30, 2006 for any reason; provided, however, that the right to terminate this Agreement under this Section 8.1(b) shall not be available to any party whose action or failure to act has been a principal cause of or resulted in the failure of the Merger to occur on or before such date and such action or failure to act constitutes a breach of this Agreement;

(c) by either Parent or the Company if a Governmental Entity shall have issued an order, decree or ruling or taken any other action, in any case having the effect of permanently restraining, enjoining or otherwise prohibiting the Merger, which order, decree, ruling or other action is final and nonappealable;

(d) by the Company, upon a material breach of any representation, warranty, covenant or agreement on the part of Parent set forth in this Agreement, or if any representation or warranty of Parent shall have become untrue, in either case such that the conditions set forth in Article VI would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue, provided, that if such breach by Parent is curable by Parent prior to the Closing Date, then the Company may not terminate this Agreement under this Section 8.1(d) for thirty (30) days after delivery of written notice from the Company to Parent of such breach, provided Parent continues to exercise commercially reasonable efforts to cure such breach (it being understood that the Company may not terminate this Agreement pursuant to this Section 8.1(d) if it shall have materially breached this Agreement or if such breach by Parent is cured during such thirty (30)-day period);

(e) by Parent, upon a material breach of any representation, warranty, covenant or agreement on the part of the Company set forth in this Agreement, or if any representation or warranty of the Company shall have become untrue, in either case such that the conditions set forth in Article VI would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue, provided, that if such breach is curable by the Company prior to the Closing Date, then Parent may not terminate this Agreement under this Section 8.1(e) for thirty (30) days after delivery of written notice from Parent to the Company of such breach, provided the Company continues to exercise commercially reasonable efforts to cure such breach (it

being understood that Parent may not terminate this Agreement pursuant to this Section 8.1(e) if it shall have materially breached this Agreement or if such breach by the Company is cured during such thirty (30)-day period); or

(f) by either Parent or the Company, if, at the Special Meeting (including any adjournments thereof), this Agreement and the transactions contemplated thereby shall fail to be approved and adopted by the affirmative vote of the holders of Parent Common Stock required under Parent's certificate of incorporation, or the holders of 20% or more of the number of shares of Parent Common Stock issued in Parent's initial public offering and outstanding as of the date of the record date of the Special Meeting exercise their rights to convert the shares of Parent Common Stock held by them into cash in accordance with Parent's certificate of incorporation.

8.2 Notice of Termination; Effect of Termination. Any termination of this Agreement under Section 8.1 above will be effective immediately upon (or, if the termination is pursuant to Section 8.1(d) or Section 8.1(e) and the proviso therein is applicable, thirty (30) days after) the delivery of written notice of the terminating party to the other parties hereto. In the event of the termination of this Agreement as provided in Section 8.1, this Agreement shall be of no further force or effect and the Merger shall be abandoned, except for and subject to the following: (i) Sections 5.6, 5.13, 8.2 and 8.3 and Article X (General Provisions) shall survive the termination of this Agreement, and (ii) nothing herein shall relieve any party from liability for any breach of this Agreement, including a breach by a party electing to terminate this Agreement pursuant to Section 8.1(b) caused by the action or failure to act of such party constituting a principal cause of or resulting in the failure of the Merger to occur on or before the date stated therein.

8.3 Fees and Expenses. All fees and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such expenses whether or not the Merger is consummated.

10.3 Counterparts: Facsimile Signatures. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party, it being understood that all parties need not sign the same counterpart. Delivery by facsimile to counsel for the other party of a counterpart executed by a party shall be deemed to meet the requirements of the previous sentence.

10.4 Entire Agreement: Third Party Beneficiaries. This Agreement and the documents and instruments and other agreements among the parties hereto as contemplated by or referred to herein, including the Schedules hereto (a) constitute the entire agreement among the parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof, it being understood that the letter of intent between Parent and the Company dated November 16, 2005 is hereby terminated in its entirety and shall be of no further force and effect; and (b) are not intended to confer upon any other person any rights or remedies hereunder (except as specifically provided in this Agreement).

10.5 Severability. In the event that any provision of this Agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other persons or circumstances will be interpreted so as reasonably to effect the intent of the parties hereto. The parties further agree to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

10.6 Other Remedies: Specific Performance. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a party of any one remedy will not preclude the exercise of any other remedy. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or

were otherwise breached. It is accordingly agreed that the parties shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any court of the United States or any state having jurisdiction, this being in addition to any other remedy to which they are entitled at law or in equity.

10.7 Governing Law. This Agreement shall be governed by and construed in accordance with the law of the State of Delaware regardless of the law that might otherwise govern under applicable principles of conflicts of law thereof.

10.8 Rules of Construction. The parties hereto agree that they have been represented by counsel during the negotiation and execution of this Agreement and, therefore, waive the application of any law, regulation, holding or rule of construction providing that ambiguities in an agreement or other document will be construed against the party drafting such agreement or document.

10.9 Assignment. No party may assign either this Agreement or any of its rights, interests, or obligations hereunder without the prior written approval of the other parties. Subject to the first sentence of this Section 10.9, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns.

10.11 Extension; Waiver. At any time prior to the Closing, any party hereto may, to the extent legally allowed, (i) extend the time for the performance of any of the obligations or other acts of the other parties hereto, (ii) waive any inaccuracies in the representations and warranties made to such party contained herein or in any document delivered pursuant hereto and (iii) waive compliance with any of the agreements or conditions for the benefit of such party contained herein. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party. Delay in exercising any right under this Agreement shall not constitute a waiver of such right.

10.12 Arbitration. Any disputes or claims arising under or in connection with this Agreement or the transactions contemplated hereunder shall be resolved by binding arbitration. Notice of a demand to arbitrate a dispute by either party shall be given in writing to the other at their last known address. Arbitration shall be commenced by the filing by a party of an arbitration demand with the American Arbitration Association (AAA) in its office in New York City, New York. The arbitration and resolution of the dispute shall be resolved by a single arbitrator appointed by the AAA pursuant to AAA rules. The arbitration shall in all respects be governed and conducted by applicable AAA rules, and any award and/or decision shall be conclusive and binding on the parties. The arbitration shall be conducted in New York City or such other place as the parties shall agree. The arbitrator shall supply a written opinion supporting any award, and judgment may be entered on the award in any court of competent jurisdiction. Each party shall pay its own fees and expenses for the arbitration, except that any costs and charges imposed by the AAA and any fees of the arbitrator for his services shall be assessed against the losing party by the arbitrator. In the event that preliminary or permanent injunctive relief is necessary or desirable in order to prevent a party from acting contrary to this Agreement or to prevent irreparable harm prior to a confirmation of an arbitration award, then either party is authorized and entitled to commence a lawsuit solely to obtain equitable relief against the other pending the completion of the arbitration in a court having jurisdiction over the parties. Each party hereby consents to the exclusive jurisdiction of the federal and state courts located in the State of New York, New York County, for such purpose. All rights and remedies of the parties shall be cumulative and in addition to any other rights and remedies obtainable from arbitration.

The number of authorized shares of Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of all of the then outstanding shares of the capital stock of the Corporation entitled to vote generally in the election of directors (the Voting Stock), voting together as a single class, without a separate vote of the holders of the Preferred Stock, or any series thereof, unless a vote of any such holders is required pursuant to any Preferred Stock Designation.

D. In addition to the powers and authorities hereinbefore or by statute expressly conferred upon them, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation; subject, nevertheless, to the provisions of the statutes of Delaware, of this Certificate of Incorporation, and to any by-laws from time to time made by the stockholders; provided, however, that no by-law so made shall invalidate any prior act of the directors which would have been valid if such by-law had not been made.

Any repeal or modification of this paragraph A by the stockholders of the Corporation shall not adversely affect any right or protection of a director of the Corporation with respect to events occurring prior to the time of such repeal or modification.

NINTH: Whenever a compromise or arrangement is proposed between this Corporation and its creditors or any class of them and/or between this Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of this Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for this Corporation under Section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for this Corporation under Section 279 of Title 8 of the Delaware Code order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, to be summoned in such manner as the said court directs. If a majority in number representing three fourths in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of this Corporation as a consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of this Corporation, as the case may be, and also on this Corporation.

If any Option in respect of shares of Common Stock expires or is terminated before exercise or is forfeited for any reason, without a payment in the form of Common Stock being granted to the Participant, the shares of Common Stock subject to such Option, to the extent of such expiration, termination or forfeiture, shall again be available for grant under the Plan. Shares of Common Stock issued under the Plan may consist in whole or in part of authorized and unissued shares, shares purchased in the open market or otherwise, treasury shares, or any combination thereof, as the Board may from time to time determine.

(b) In the event that the Board determines, in its sole discretion, that any stock dividend, extraordinary cash dividend, creation of a class of equity securities, recapitalization, reclassification, reorganization, merger, consolidation, stock split, spin-off, combination, exchange of shares, warrants or rights offering to purchase Common Stock at a price substantially below Fair Market Value, or other similar transaction affects the Common Stock such that an adjustment is required in order to preserve the benefits or potential benefits intended to be granted under the Plan to Participants, the Board shall have the right to adjust equitably any or all of (i) the number of shares of Common Stock in respect of which Options may be granted under the Plan to Participants, (ii) the number and kind of shares subject to outstanding Options held by Participants, and (iii) the exercise price with respect to any Options held by Participants, and if considered appropriate, the Board may make provision for a cash payment with respect to any outstanding Options held by a Participant, provided that the number of shares subject to any Option shall always be a whole number.

The terms and conditions of Incentive Stock Options shall be subject to and shall comply with Section 422 of the Code, or any successor provision, and any regulations thereunder. Anything in the Plan to the contrary notwithstanding, no term of the Plan relating to Incentive Stock Options shall be interpreted, amended or altered, nor shall any discretion or authority granted to the Board under the Plan be so exercised, so as to disqualify, without the consent of the Participant, any Incentive Stock Option granted under the Plan pursuant to Section 422 of the Code. The foregoing notwithstanding, any Option that fails to be an ISO shall remain outstanding according to its terms and shall be treated by the Company as a Non-Qualified Stock Option.

If the Participant owns or is deemed to own (by reason of the attribution rules applicable under Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Company or any subsidiary or parent corporation of the Company and an Incentive Stock Option is granted to such Participant, the option price shall be not less than 110% of Fair Market Value of the Common Stock on the date of grant.

(c) No Incentive Stock Option shall be exercisable more than ten (10) years after the date such option is granted. If a Participant owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than 10% of the total combined voting power of all classes of stock of the Company or any subsidiary or parent corporation of the Company and an Incentive Stock Option is granted to such Participant, such Option shall not be exercisable after the expiration of five (5) years from the date of grant.

(d) Unless otherwise determined by the Board at the time of grant, in the event a Participant's employment terminates by reason of Retirement or Disability, any Incentive Stock Option granted to such Participant which is then outstanding may be exercised at any time prior to the expiration of the term of such Incentive Stock Option or within three (3) months in the case of Retirement and twelve (12) months in case of Disability (or such shorter period as the Board shall determine at the time of grant) following the Participant's termination of employment, whichever period is shorter.

(e) Unless otherwise determined by the Board at the time of grant, in the event a Participant's employment is terminated by reason of death, any Incentive Stock Option granted to such Participant which is then outstanding may be exercised by the Participant's legal representative at any time prior to the expiration date of the term of the Incentive Stock Option or within twelve (12) months (or such shorter period as the Board shall determine at the time of grant) following the Participant's termination of employment, whichever period is shorter.

(f) Unless otherwise determined by the Board at or after the time of grant, in the event a Participant's employment shall terminate for Cause, any Incentive Stock Option granted to such Participant which is then outstanding shall be canceled and shall terminate.

(g) Unless otherwise determined by the Board at or after the time of grant, in the event the a Participant's employment shall terminate for any reason other than death, Disability, Retirement or Cause, any Incentive Stock Option granted to such Participant which is then outstanding may be exercised at any time prior to the expiration of the term of such option or within three (3) months (or such shorter period as the Board shall determine at the time of grant) following Participant's termination of employment, whichever period is shorter.

(h) The aggregate Fair Market Value of Common Shares first becoming subject to exercise as an Incentive Stock Option by a Participant during any given calendar year shall not exceed the sum of One Hundred Thousand Dollars (\$100,000.00). Such aggregate Fair Market Value shall be determined as of the date such Option is granted.

Section 7. Non-Qualified Stock Options

(a) Subject to the provisions of the Plan, the Board may grant Non-Qualified Stock Options and determine the number of shares to be covered by each such Option, the option price therefor, the term of such Option, the vesting schedule and the other conditions and limitations applicable to the exercise of the Non-Qualified Stock Options.

(b) The option price per share of Common Stock purchasable under a Non-Qualified Stock Option shall be the price determined by the Board, which may be less than, equal to or greater than the Fair Market Value of the Common Stock on the date of grant.

(c) No Non-Qualified Stock Option shall be exercisable more than ten (10) years after the date such option is granted.

(d) Unless otherwise determined by the Board at the time of grant, in the event a Participant's employment by the Company or membership on the Board terminates by reason of Retirement or Disability, any Non-Qualified Stock Option granted to such Participant which is then outstanding may be exercised at any time prior to the expiration of the term of such Non-Qualified Stock Option or within three (3) months in the case of Retirement and twelve (12) months in case of Disability (or such shorter period as the Board shall determine at the time of grant) following the Participant's termination of employment, whichever period is shorter.

(e) Unless otherwise determined by the Board at the time of grant, in the event a Participant's employment by the Company or membership on the Board is terminated by reason of death, any Non-Qualified Stock Option granted to such Participant which is then outstanding may be exercised by the Participant's legal representative at any time prior to the expiration date of the term of the Non-Qualified Stock Option or within twelve (12) months (or such shorter period as the Board shall determine at the time of grant) following the Participant's termination of employment, whichever period is shorter.

Section 8. General Provisions Applicable to Options

(a) Each Option under the Plan shall be evidenced by a writing delivered to the Participant specifying the terms and conditions thereof and containing such other terms and conditions not inconsistent with the provisions of the Plan as the Board considers necessary or advisable to achieve the purposes of the Plan or comply with applicable tax and regulatory laws and accounting principles.

(b) Each Option may be granted alone, in addition to or in relation to any other Option. The terms of each Option need not be identical, and the Board need not treat Participants uniformly. Except as otherwise provided by the Plan or a particular Option, any determination with respect to an Option may be made by the Board at the time of grant or at any time thereafter.

(c) The Board shall determine whether Options are settled in whole or in part in cash, Common Stock, other securities of the Company, or other property, and may, in its discretion, permit cashless exercises pursuant to such procedures as may be established by the Board.

(d) No shares shall be delivered pursuant to any exercise of an Option until payment in full of the option price therefor is received by the Company. Such payment may be made in whole or in part in cash or by certified or bank check or, to the extent permitted by the Board at or after the grant of the Option, by delivery of shares of Common Stock owned by the Participant valued at their Fair Market Value on the date of delivery, or such other lawful consideration as the Board may in its sole discretion determine.

(e) No Option shall be transferable by the Participant otherwise than by will or by the laws of descent and distribution, and all Options shall be exercisable during the Participant's lifetime only by the Participant or the Participant's duly appointed guardian or personal representative.

Table of Contents

(f) The Board may at any time accelerate the exercisability of all or any portion of any Option.

(g) The Participant shall pay to the Company, or make provision satisfactory to the Board for payment of, any taxes required by law to be withheld in respect of Options under the Plan no later than the date of the event creating the tax liability. In the Board's sole discretion, a Participant may elect to have such tax obligations paid, in whole or in part, in shares of Common Stock, including shares retained from the Option creating the tax obligation. For withholding tax purposes, the value of the shares of Common Stock shall be the Fair Market Value on the date the withholding obligation is incurred. The Company may, to the extent permitted by law, deduct any such tax obligations from any payment of any kind otherwise due to the Participant.

(h) For purposes of the Plan, the following events shall not be deemed a termination of employment of a Participant:

(i) a transfer to the employment of the Company from a subsidiary or from the Company to a subsidiary, or from one subsidiary to another, or

(ii) an approved leave of absence for military service or sickness, or for any other purpose approved by the Company, if the Participant's right to reemployment is guaranteed either by a statute or by contract or under the policy pursuant to which the leave of absence was granted or if the Board otherwise so provides in writing.

For purposes of the Plan, employees of a subsidiary of the Company shall be deemed to have terminated their employment on the date on which such subsidiary ceases to be a subsidiary of the Company.

(i) The Board may amend, modify or terminate any outstanding Option held by a Participant, including substituting therefor another Option of the same or a different type, changing the date of exercise or realization, and converting an Incentive Stock Option to a Non-Qualified Stock Option, provided that the Participant's consent to each action shall be required unless the Board determines that the action, taking into account any related action, would not materially and adversely affect the Participant.

Section 9. Miscellaneous

(a) No person shall have any claim or right to be granted an Option, and the grant of an Option shall not be construed as giving a Participant the right to continued employment. The Company expressly reserves the right at any time to dismiss a Participant free from any liability or claim under the Plan, except as expressly provided in the applicable Option.

(b) Nothing contained in the Plan shall prevent the Company from adopting other or additional compensation arrangements for its employees.

Table of Contents

(c) Subject to the provisions of the applicable Option, no Participant shall have any rights as a shareholder with respect to any shares of Common Stock to be distributed under the Plan until he or she becomes the holder thereof.

(d) Notwithstanding anything to the contrary expressed in this Plan, any provisions hereof that vary from or conflict with any applicable Federal or State securities laws (including any regulations promulgated thereunder) shall be deemed to be modified to conform to and comply with such laws.

(e) No member of the Board shall be liable for any action or determination taken or granted in good faith with respect to this Plan nor shall any member of the Board be liable for any agreement issued pursuant to this Plan or any grants under it. Each member of the Board shall be indemnified by the Company against any losses incurred in such administration of the Plan, unless his action constitutes willful misconduct.

(f) The Plan shall be effective as of the date that the shareholders of the Company approve the Plan.

(g) The Board may amend, suspend or terminate the Plan or any portion thereof at any time, provided that no amendment shall be granted without shareholder approval if such approval is necessary to comply with any applicable tax laws or regulatory requirement.

(h) Options may not be granted under the Plan after _____, 2016, but then-outstanding Options may exercised in accordance with their terms after such date.

(i) To the extent that State laws shall not have been preempted by any laws of the United States, the Plan shall be construed, regulated, interpreted and administered according to the other laws of the State of Delaware.

(j) Options may be granted to employees of the Company who are foreign nationals or employed outside the United States, or both, on such terms and conditions different from those specified in the Plan as may, in the judgment of the Board, be necessary or desirable in order to recognize differences in local law or tax policy. The Board may also impose conditions on the exercise or vesting of Options in order to minimize the Company's obligation with respect to tax equalization for employees on assignments outside their home country.

The Board of Directors

Arpeggio Acquisition Corporation

10 E. 53rd Street, 36th floor

New York, NY 10022

Gentlemen:

We have been advised that, pursuant to the Draft Agreement and Plan of Merger dated December 1, 2005 (the "Merger Agreement"), by and among Arpeggio Acquisition Corporation (the "Company"), Hill International, Inc. ("Hill") and certain stockholders of Hill, the holders of securities of Hill outstanding immediately before the merger will receive in exchange for such securities, an aggregate of 14,500,000 shares of the Company's common stock (the "Initial Consideration") and, based on the achievement of certain earnings before interest and taxes targets, further issuances of up to 6,600,000 shares of the Company's common stock (the "Earnout Consideration", collectively the Initial Consideration and the Earnout Consideration is hereinafter defined as the "Merger Consideration"). The transaction described above is hereinafter, the "Merger".

We have been retained to render an opinion as to whether, on the date of such opinion, (i) the Merger Consideration is fair, from a financial point of view, to the Company's stockholders, and (ii) the fair market value of Hill is at least equal to 80% of the net assets of the Company.

Edgar Filing: ARPEGGIO ACQUISITION CORP - Form PREM14A

We have not been requested to opine as to, and the opinion does not in any manner address, the relative merits of the Merger as compared to any alternative business strategy that might exist for the Company, the decision on whether the Company should complete the Merger, or other alternatives to the Merger that might exist for the Company. The amount of the Merger Consideration was determined pursuant to negotiations between the Company and Hill and not pursuant to recommendations of Capitalink.

In arriving at our opinion, we took into account an assessment of general economic, market and financial conditions as well as our experience in connection with similar transactions and securities valuations generally and, among other things:

Reviewed the Merger Agreement.

Reviewed publicly available financial information and other data with respect to the Company, including the Annual Report on Form 10-KSB for the year ended December

31, 2004, the Quarterly Report on Form 10-QSB for the nine months ended September 30, 2005 and the Registration Statement on Form S-1 filed on April 23, 2004, and amendments thereto.

Reviewed financial and other information with respect to Hill, including the audited financial statements for the three fiscal periods ended nearest December 31, 2002, 2003 and 2004, the unaudited financial statements for the thirty-nine weeks ended nearest September 30, 2005, and other financial information and projections prepared by Hill management.

Considered the historical financial results and present financial condition of both the Company and Hill.

Reviewed certain publicly available information concerning the trading of, and the market for, the common stock of the Company.

Reviewed and analyzed the indicated value range of the Merger Consideration.

Reviewed and analyzed the free cash flows of Hill and prepared a discounted cash flow analysis.

Reviewed and analyzed certain financial characteristics of companies that were deemed to have characteristics comparable to Hill.

Reviewed and analyzed certain financial characteristics of target companies in transactions where such target company was deemed to have characteristics comparable to that of Hill.

Reviewed and compared the net asset value of the Company to the indicated fair market value of Hill.

Reviewed and discussed with representatives of the Company and Hill management certain financial and operating information furnished, including financial analyses with respect to their respective business and operations.

Performed such other analyses and examinations as were deemed appropriate.

In arriving at our opinion, we have relied upon and assumed the accuracy and completeness of all of the financial and other information that was used by us without assuming any responsibility for any independent verification of any such information and we have further relied upon the assurances of Company and Hill management that they are not aware of any facts or circumstances that would make any such information inaccurate or misleading. With respect to the financial information utilized, we assumed that such information has been reasonably prepared on a basis reflecting the best currently available estimates and judgments, and that such information provides a reasonable basis upon which we could

make our analysis and form an opinion. We have not made a physical inspection of the properties and facilities of the Company and Hill and have not made or obtained any evaluations or appraisals of the Company's or Hill's assets or liabilities (contingent or otherwise). We have not attempted to confirm whether the Company or Hill have good title to their respective assets.

We assumed that the Merger will be consummated in a manner that complies in all respects with the applicable provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and all other applicable federal and state statutes, rules and regulations. We assumed that the Merger will be consummated substantially in accordance with the terms set forth in the Merger Agreement, without any further amendments thereto, and that any

amendments, revisions or waivers thereto will not be detrimental to the stockholders of the Company. In addition, based upon discussions with Company management, we assumed that the Merger will qualify as a reorganization under Section 368(a) of the Internal Revenue Code.

Our analysis and opinion are necessarily based upon market, economic and other conditions, as they exist on, and could be evaluated as of December 4, 2005. Accordingly, although subsequent developments may affect our opinion, we do not assume any obligation to update, review or reaffirm our opinion.

Our opinion is for the use and benefit of the Board of Directors in connection with its consideration of the Merger and is not intended to be and does not constitute a recommendation to any Company stockholder as to how such stockholder should vote or proceed with respect to the Merger. We do not express any opinion as to the underlying valuation or future performance of either the Company or Hill or the price at which any of the Company's securities would trade at any time in the future.

Based upon and subject to the foregoing, it is our opinion that, as of the date of this letter, (i) the Merger Consideration is fair, from a financial point of view, to the Company's stockholders, and (ii) the fair market value of Hill is at least equal to 80% of the net assets of the Company.

In connection with our services, we have previously received a retainer and will receive the balance of our fee upon the rendering of this opinion. Neither Capitalink nor its principals beneficially own any interest in the Company or Hill. Capitalink has not provided any other services to the Company or Hill and Capitalink's fee for providing the fairness opinion is not contingent on the completion of the Merger. In addition, the Company has agreed to indemnify us for certain liabilities that may arise out of the rendering this opinion.

Our opinion is for the use and benefit of the Board of Directors and is rendered in connection with its consideration of the Merger and may not be used by the Company for any other purpose or reproduced, disseminated, quoted or referred to by the Company at any time, in any manner or for any purpose, without the prior written consent of Capitalink, except that this opinion may be reproduced in full in, and references to the opinion and to Capitalink and its relationship with the Company may be included in filings made by the Company with the Securities and Exchange Commission, if required by Securities and Exchange Commission rules, and in any proxy statement or similar disclosure document disseminated to shareholders if required by the Securities and Exchange Commission rules.

Very truly yours,

ANNEX F

ESCROW AGREEMENT

ESCROW AGREEMENT (Agreement) dated [*Closing Date*] by and among **ARPEGGIO ACQUISITION CORPORATION**, a Delaware corporation (Parent), **Irvin E. Richter, as the Target Stockholders Representative**, being the representative of the former stockholders of **HILL INTERNATIONAL, INC.**, a Delaware corporation (the Representative), and **CONTINENTAL STOCK TRANSFER & TRUST COMPANY**, as escrow agent (the Escrow Agent).

Parent, Hill International, Inc. (Target) and the stockholders of Target are the parties to an Agreement and Plan of Merger and Reorganization dated as of December 5, 2005 (the Merger Agreement) pursuant to which Hill has merged with and into Parent. Pursuant to the Merger Agreement, Parent is to be indemnified in certain respects. The parties desire to establish an escrow fund as collateral security for the indemnification obligations under the Merger Agreement. The Representative has been designated pursuant to the Merger Agreement to represent all of the former stockholders of Target (the Stockholders) and each Permitted Transferee (as hereinafter defined) of the Stockholders (the Stockholders and all such Permitted Transferees are hereinafter referred to collectively as the Owners), and to act on their behalf for purposes of this Agreement. Capitalized terms used herein that are not otherwise defined herein shall have the meanings ascribed to them in the Merger Agreement.

The parties agree as follows:

1. (a) Concurrently with the execution hereof, each of the Stockholders is delivering to the Escrow Agent, to be held in escrow pursuant to the terms of this Agreement, stock certificates issued in the name of such Stockholder representing twelve percent (12%) of the total number of Base Shares received by such Stockholder pursuant to the Merger Agreement, together with two (2) assignments separate from certificate executed in blank by such Stockholder, with medallion signature guaranties. Of such shares, five-sixths (the Basic Indemnity Shares) shall be available only with respect to satisfaction of claims (Basic Indemnity Claims) for indemnity arising other than pursuant to Tax Indemnification Claims and one-sixth (the Tax Indemnity Shares) shall be available only with respect to satisfaction of Tax Indemnification Claims. The shares of Parent Common Stock represented by the stock certificates so delivered by the Stockholders to the Escrow Agent are herein referred to in the aggregate as the Escrow Fund. The Escrow Agent shall maintain a separate account for each Stockholder s, and, subsequent to any transfer permitted pursuant to Paragraph 1(e) hereof, each Owner s, portion of the Escrow Fund, separately designated as to Basic Indemnity Shares and Tax Indemnity Shares.

(b) The Escrow Agent hereby agrees to act as escrow agent and to hold, safeguard and disburse the Escrow Fund pursuant to the terms and conditions hereof. It shall treat the Escrow Fund as a trust fund in accordance with the terms of this Agreement and not as the property of Parent. The Escrow Agent s duties hereunder shall terminate upon its distribution of the entire Escrow Fund in accordance with this Agreement.

Table of Contents

(c) Except as herein provided, the Owners shall retain all of their rights as stockholders of Parent with respect to shares of Parent Common Stock constituting the Escrow Fund during the period the Escrow Fund is held by the Escrow Agent (the Escrow Period), including, without limitation, the right to vote their shares of Parent Common Stock included in the Escrow Fund.

(d) During the Escrow Period, all dividends payable in cash with respect to the shares of Parent Common Stock included in the Escrow Fund shall be paid to the Owners, but all dividends payable in stock or other non-cash property (Non-Cash Dividends) shall be delivered to the Escrow Agent to hold in accordance with the terms hereof. As used herein, the term Escrow Fund shall be deemed to include the Non-Cash Dividends distributed thereon, if any.

(e) During the Escrow Period, no sale, transfer or other disposition may be made of any or all of the shares of Parent Common Stock in the Escrow Fund except (i) to a Permitted Transferee (as hereinafter defined), (ii) by virtue of the laws of descent and distribution upon death of any Owner, or (iii) pursuant to a qualified domestic relations order; provided, however, that such permissive transfers may be implemented only upon the respective transferee's written agreement to be bound by the terms and conditions of this Agreement. As used in this Agreement, the term Permitted Transferee shall include: (x) members of a Stockholder's Immediate Family (as hereinafter defined); (y) an entity in which (A) a Stockholder and/or members of a Stockholder's Immediate Family beneficially own 100% of such entity's voting and non-voting equity securities, or (B) a Stockholder and/or a member of such Stockholder's Immediate Family is a general partner and in which such Stockholder and/or members of such Stockholder's Immediate Family beneficially own 100% of all capital accounts of such entity; and (z) a revocable trust established by a Stockholder during his lifetime for the benefit of such Stockholder or for the exclusive benefit of all or any of such Stockholder's Immediate Family. As used in this Agreement, the term Immediate Family means, with respect to any Stockholder, a spouse, parents, lineal descendants, the spouse of any lineal descendant, and brothers and sisters (or a trust, all of whose current beneficiaries are members of an Immediate Family of the Stockholder). In connection with and as a condition to each permitted transfer, the Permitted Transferee shall deliver to the Escrow Agent an assignment separate from certificate executed by the transferring Stockholder, with medallion signature guaranty, or where applicable, an order of a court of competent jurisdiction, evidencing the transfer of shares to the Permitted Transferee, together with two (2) assignments separate from certificate executed in blank by the Permitted Transferee, with medallion signature guaranties, with respect to the shares transferred to the Permitted Transferee. Upon receipt of such documents, the Escrow Agent shall deliver to Parent's transfer agent the original stock certificate out of which the assigned shares are to be transferred, together with the executed assignment separate from certificate executed by the transferring Stockholder, or a copy of the applicable court order, and shall request that Parent issue new certificates representing (m) the number of shares, if any, that continue to be owned by the transferring Stockholder, and (n) the number of shares owned by the Permitted Transferee as the result of such transfer. Parent, the transferring Stockholder and the Permitted Transferee shall cooperate in all respects with the Escrow Agent in

documenting each such transfer and in effectuating the result intended to be accomplished thereby. During the Escrow Period, no Owner shall pledge or grant a security interest in such Owner's shares of Parent Common Stock included in the Escrow Fund or grant a security interest in such Owner's rights under this Agreement.

2. (a) Parent, acting through the current or former member or members of Parent's Board of Directors who has or have been appointed by Parent to take all necessary actions and make all decisions on behalf of Parent with respect to its and Target's rights to indemnification under Article VII of the Merger Agreement (the Committee), may make a claim for indemnification pursuant to the Merger Agreement (Indemnity Claim) against the Escrow Fund by giving notice (a Notice) to the Representative (with a copy to the Escrow Agent) specifying (i) the covenant, representation, warranty, agreement, undertaking or obligation contained in the Merger Agreement which it asserts has been breached or otherwise entitles Parent or Target to indemnification, (ii) in reasonable detail, the nature and dollar amount of any Indemnity Claim, (iii) whether the Indemnity Claim is a Basic Indemnity Claim or a Tax Indemnity Claim, and (iv) whether the Indemnity Claim results from a Third Party Claim against Parent or Target. The Committee also shall deliver to the Escrow Agent (with a copy to the Representative), concurrently with its delivery to the Escrow Agent of the Notice, a certification as to the date on which the Notice was delivered to the Representative.

(b) If the Representative shall give a notice to the Committee (with a copy to the Escrow Agent) (a Counter Notice), within 30 days following the date of receipt (as specified in the Committee's certification) by the Representative of a copy of the Notice, disputing whether the Indemnity Claim is indemnifiable under the Merger Agreement, the Committee and the Representative shall attempt to resolve such dispute by voluntary settlement as provided in paragraph 2(c) below. If no Counter Notice with respect to an Indemnity Claim is received by the Escrow Agent from the Representative within such 30-day period, the Indemnity Claim shall be deemed to be an Established Claim (as hereinafter defined) for purposes of this Agreement.

(c) If the Representative delivers a Counter Notice to the Escrow Agent, the Committee and the Representative shall, during the period of 60 days following the delivery of such Counter Notice or such greater period of time as the parties may agree to in writing (with a copy to the Escrow Agent), attempt to resolve the dispute with respect to which the Counter Notice was given. If the Committee and the Representative shall reach a settlement with respect to any such dispute, they shall jointly deliver written notice of such settlement to the Escrow Agent specifying the terms thereof. If the Committee and the Representative shall be unable to reach a settlement with respect to a dispute, such dispute shall be resolved by arbitration pursuant to paragraph 2(d) below.

(d) If the Committee and the Representative cannot resolve a dispute prior to expiration of the 60-day period referred to in paragraph 2(c) above (or such longer period as the parties may have agreed to in writing), then such dispute shall be submitted (and either party may submit such dispute) for arbitration before a single arbitrator in New York, New York, in accordance with the commercial arbitration rules

Table of Contents

of the American Arbitration Association then in effect and the provisions of Section 10.12 of the Merger Agreement to the extent that such provisions do not conflict with the provisions of this paragraph. The Committee and the Representative shall attempt to agree upon an arbitrator; if they shall be unable to agree upon an arbitrator within 10 days after the dispute is submitted for arbitration, then either the Committee or the Representative, upon written notice to the other, may apply for appointment of such arbitrator by the American Arbitration Association. Each party shall pay the fees and expenses of counsel used by it and 50% of the fees and expenses of the arbitrator and of other expenses of the arbitration. The arbitrator shall render his decision within 90 days after his appointment and may award costs to either the Committee or the Representative if, in his sole opinion reasonably exercised, the claims made by any other party had no reasonable basis and were arbitrary and capricious. Such decision and award shall be in writing and shall be final and conclusive on the parties, and counterpart copies thereof shall be delivered to each of the parties. Judgment may be obtained on the decision of the arbitrator so rendered in any federal or state court sitting in New York County, New York, having jurisdiction, and may be enforced in accordance with the law of the State of New York. If the arbitrator shall fail to render his decision or award within such 90-day period, either the Committee or the Representative may apply to any federal or state court sitting in New York County, New York, then having jurisdiction, by action, proceeding or otherwise, as may be proper to determine the matter in dispute consistently with the provisions of this Agreement. The parties consent to the exclusive jurisdiction of the federal and state courts sitting in New York County, New York, for this purpose. The prevailing party (or either party, in the case of a decision or award rendered in part for each party) shall send a copy of the arbitration decision or of any judgment of the court to the Escrow Agent.

(e) As used in this Agreement, Established Claim means any (i) Indemnification Claim deemed established pursuant to the last sentence of paragraph 2(b) above, (ii) Indemnification Claim resolved in favor of Parent or Target by settlement pursuant to paragraph 2(c) above, resulting in a dollar award to Parent or Target, (iii) Indemnification Claim established by the decision of an arbitrator pursuant to paragraph 2(d) above, resulting in a dollar award to Parent, (iv) Third Party Claim that has been sustained by a final determination (after exhaustion of any appeals) of a court of competent jurisdiction, or (v) Third Party Claim that the Committee and the Representative have jointly notified the Escrow Agent has been settled in accordance with the provisions of the Merger Agreement.

(f) (i) Promptly after an Indemnity Claim becomes an Established Claim, the Committee and the Representative shall jointly deliver a notice to the Escrow Agent (a Joint Notice) directing the Escrow Agent to pay to Parent, and the Escrow Agent promptly shall pay to Parent, an amount equal to the aggregate dollar amount of the Established Claim (or, if at such time there remains in the Escrow Fund less than the full amount so payable, the full amount remaining in the Escrow Fund).

(ii) Payment of an Established Claim shall be made in shares of Parent Common Stock that are either Basic Indemnity Shares or Tax Indemnity Shares,

Table of Contents

as the case may be, pro rata from the account maintained on behalf of each Owner. For purposes of each payment, such shares shall be valued at the Fair Market Value (as defined below). However, in no event shall the Escrow Agent be required to calculate Fair Market Value or make a determination of the number of shares to be delivered to Parent in satisfaction of any Established Claim; rather, such calculation shall be included in and made part of the Joint Notice. The Escrow Agent shall transfer to Parent out of the Escrow Fund that number of shares of Parent Common Stock necessary to satisfy each Established Claim, as set out in the Joint Notice. Any dispute between the Committee and the Representative concerning the calculation of Fair Market Value or the number of shares necessary to satisfy any Established Claim, or any other dispute regarding a Joint Notice, shall be resolved between the Committee and the Representative in accordance with the procedures specified in paragraph 2(d) above, and shall not involve the Escrow Agent. Each transfer of shares in satisfaction of an Established Claim shall be made by the Escrow Agent delivering to Parent one or more stock certificates held in each Owner's account evidencing not less than such Owner's pro rata portion of the aggregate number of shares specified in the Joint Notice, together with assignments separate from certificate executed in blank by such Owner and completed by the Escrow Agent in accordance with instructions included in the Joint Notice. Upon receipt of the stock certificates and assignments, Parent shall deliver to the Escrow Agent new certificates representing the number of shares owned by each Owner after such payment. The parties hereto (other than the Escrow Agent) agree that the foregoing right to make payments of Established Claims in shares of Parent Common Stock may be made notwithstanding any other agreements restricting or limiting the ability of any Owner to sell any shares of Parent stock or otherwise. The Committee and the Representative shall be required to exercise utmost good faith in all matters relating to the preparation and delivery of each Joint Notice. As used herein, Fair Market Value means the average reported closing price for the Parent Common Stock for the ten trading days ending on the last trading day prior to the day the Established Claim is paid.

(iii) Notwithstanding anything herein to the contrary, at such time as an Indemnification Claim has become an Established Claim, the Representative shall have the right to substitute for the Escrow Shares that otherwise would be paid in satisfaction of such claim (the Claim Shares), cash in an amount equal to the Fair Market Value of the Claim Shares (Substituted Cash). In such event (i) the Joint Notice shall include a statement describing the substitution of Substituted Cash for the Claim Shares, and (ii) substantially contemporaneously with the delivery of such Joint Notice, the Representative shall cause currently available funds to be delivered to the Escrow Agent in an amount equal to the Substituted Cash. Upon receipt of such Joint Notice and Substituted Cash, the Escrow Agent shall (y) in payment of the Established Claim described in the Joint Notice, deliver the Substituted Cash to Parent in lieu of the Claim Shares, and (z) cause the Claim Shares to be returned to the Representative.

3. On the first Business Day after the Escrow Termination Date, upon receipt of a Joint Notice, the Escrow Agent shall distribute and deliver to each Owner certificates representing the shares of Parent Common Stock then in such Owner's account in the Escrow Fund that are Basic Indemnity Shares, unless at such time there are any Basic Indemnity Claims with respect to which Notices have been received but which

Table of Contents

have not been resolved pursuant to Section 2 hereof or in respect of which the Escrow Agent has not been notified of, and received a copy of, a final determination (after exhaustion of any appeals) by a court of competent jurisdiction, as the case may be (in either case, Pending Claims), and which, if resolved or finally determined in favor of Parent, would result in a payment to Parent, in which case the Escrow Agent shall retain, and the total amount of such distributions to such Owner shall be reduced by, the Pending Claims Reserve (as hereafter defined). The Committee shall certify to the Escrow Agent the Fair Market Value to be used in calculating the Pending Claims Reserve and the number of shares of Parent Common Stock to be retained therefor. Thereafter, if any Pending Claim becomes an Established Claim, the Committee and the Representative shall deliver to the Escrow Agent a Joint Notice directing the Escrow Agent to pay to Parent an amount in respect thereof determined in accordance with paragraph 2(f) above, and to deliver to each Owner shares of Parent Common Stock then in such owner's account in the Escrow Fund having a Fair Market Value equal to the amount by which the remaining portion of his account in the Escrow Fund exceeds the then Pending Claims Reserve (determined as set forth below), all as specified in a Joint Notice. If any Pending Claim is resolved against Parent, the Committee and the Representative shall deliver to the Escrow Agent a Joint Notice directing the Escrow Agent to pay to each Owner the amount by which the remaining portion of his account in the Escrow Fund exceeds the then Pending Claims Reserve. Upon resolution of all Pending Claims, the Committee and the Representative shall deliver to the Escrow Agent a Joint Notice directing the Escrow Agent shall pay to such Owner the remaining portion of his or her account in the Escrow Fund.

On the first Business Day after the Tax Escrow Termination Date, upon receipt of a Joint Notice, the Escrow Agent shall distribute and deliver to each Owner certificates representing the shares of Parent Common Stock then in such Owner's account in the Escrow Fund that are Tax Indemnity Shares and any remaining Basic Indemnity Shares, regardless of whether or not such Basic Indemnity Shares are part of the Pending Claims Reserve.

As used herein, the Pending Claims Reserve shall mean, at the time any such determination is made, that number of shares of Parent Common Stock in the Escrow Fund having a Fair Market Value equal to the sum of the aggregate dollar amounts claimed to be due with respect to all Pending Claims (as shown in the Notices of such Claims).

4. The Escrow Agent, the Committee and the Representative shall cooperate in all respects with one another in the calculation of any amounts determined to be payable to Parent and the Owners in accordance with this Agreement and in implementing the procedures necessary to effect such payments.

5. (a) The Escrow Agent undertakes to perform only such duties as are expressly set forth herein. It is understood that the Escrow Agent is not a trustee or fiduciary and is acting hereunder merely in a ministerial capacity.

(b) The Escrow Agent shall not be liable for any action taken or omitted by it in good faith and in the exercise of its own best judgment, and may rely conclusively and shall be protected in acting upon any order, notice, demand, certificate, opinion or advice of counsel (including counsel chosen by the Escrow Agent), statement, instrument, report or other paper or document (not only as to its due execution and the validity and effectiveness of its provisions, but also as to the truth and acceptability of any information therein contained) which is believed by the Escrow Agent to be genuine and to be signed or presented by the proper person or persons. The Escrow Agent shall not be bound by any notice or demand, or any waiver, modification, termination or rescission of this Agreement unless evidenced by a writing delivered to the Escrow Agent signed by the proper party or parties and, if the duties or rights of the Escrow Agent are affected, unless it shall have given its prior written consent thereto.

(c) The Escrow Agent's sole responsibility upon receipt of any notice requiring any payment to Parent pursuant to the terms of this Agreement or, if such notice is disputed by the Committee or the Representative, the settlement with respect to any such dispute, whether by virtue of joint resolution, arbitration or determination of a court of competent jurisdiction, is to pay to Parent the amount specified in such notice, and the Escrow Agent shall have no duty to determine the validity, authenticity or enforceability of any specification or certification made in such notice.

(d) The Escrow Agent shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the rights or powers conferred upon it by this Agreement, and may consult with counsel of its own choice and shall have full and complete authorization and indemnification under Section 5(g), below, for any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel.

(e) The Escrow Agent may resign at any time and be discharged from its duties as escrow agent hereunder by its giving the other parties hereto written notice and such resignation shall become effective as hereinafter provided. Such resignation shall become effective at such time that the Escrow Agent shall turn over the Escrow Fund to a successor escrow agent appointed jointly by the Committee and the Representative. If no new escrow agent is so appointed within the 60 day period following the giving of such notice of resignation, the Escrow Agent may deposit the Escrow Fund with any court it reasonably deems appropriate.

(f) In the event of a dispute between the parties as to the proper disposition of the Escrow Fund, the Escrow Agent shall be entitled (but not required) to deliver the Escrow Fund into the United States District Court for the Southern District of New York and, upon giving notice to the Committee and the Representative of such action, shall thereupon be relieved of all further responsibility and liability.

(g) The Escrow Agent shall be indemnified and held harmless by Parent from and against any expenses, including counsel fees and disbursements, or loss suffered by the Escrow Agent in connection with any action, suit or other proceeding

involving any claim which in any way, directly or indirectly, arises out of or relates to this Agreement, the services of the Escrow Agent hereunder, or the Escrow Fund held by it hereunder, other than expenses or losses arising from the gross negligence or willful misconduct of the Escrow Agent. Promptly after the receipt by the Escrow Agent of notice of any demand or claim or the commencement of any action, suit or proceeding, the Escrow Agent shall notify the other parties hereto in writing. In the event of the receipt of such notice, the Escrow Agent, in its sole discretion, may commence an action in the nature of interpleader in an appropriate court to determine ownership or disposition of the Escrow Fund or it may deposit the Escrow Fund with the clerk of any appropriate court and be relieved of any liability with respect thereto or it may retain the Escrow Fund pending receipt of a final, non-appealable order of a court having jurisdiction over all of the parties hereto directing to whom and under what circumstances the Escrow Fund are to be disbursed and delivered.

(h) The Escrow Agent shall be entitled to reasonable compensation from Parent for all services rendered by it hereunder. The Escrow Agent shall also be entitled to reimbursement from Parent for all expenses paid or incurred by it in the administration of its duties hereunder including, but not limited to, all counsel, advisors and agents fees and disbursements and all taxes or other governmental charges.

(i) From time to time on and after the date hereof, the Committee and the Representative shall deliver or cause to be delivered to the Escrow Agent such further documents and instruments and shall do or cause to be done such further acts as the Escrow Agent shall reasonably request to carry out more effectively the provisions and purposes of this Agreement, to evidence compliance herewith or to assure itself that it is protected in acting hereunder.

(j) Notwithstanding anything herein to the contrary, the Escrow Agent shall not be relieved from liability hereunder for its own gross negligence or its own willful misconduct.

6. This Agreement expressly sets forth all the duties of the Escrow Agent with respect to any and all matters pertinent hereto. No implied duties or obligations shall be read into this Agreement against the Escrow Agent. The Escrow Agent shall not be bound by the provisions of any agreement among the parties hereto except this Agreement and shall have no duty to inquire into the terms and conditions of any agreement made or entered into in connection with this Agreement, including, without limitation, the Merger Agreement.

7. This Agreement shall inure to the benefit of and be binding upon the parties and their respective heirs, successors, assigns and legal representatives, shall be governed by and construed in accordance with the law of Delaware applicable to contracts made and to be performed therein except that issues relating to the rights and obligations of the Escrow Agent shall be governed by and construed in accordance with the law of New York applicable to contracts made and to be performed therein. This Agreement cannot be changed or terminated except by a writing signed by the Committee, the Representative and the Escrow Agent.

After any such termination, the Company shall not be obligated to further compensate Executive nor provide the benefits to Executive described in Article 3 hereof, except as is required by Sections 3.2 and 3.4 hereof which shall continue for one (1) year, or as may be required by law.

(c) Nothing contained in this Section 6.2 shall affect the terms of any employee stock options that may have been issued by the Company to Executive, which in the event of termination of Executive's employment with the Company shall continue to be governed by their own terms and conditions; provided however that if Executive's employment is terminated by the Company without cause, any and all options granted to Executive shall then immediately vest.
