**Item 1.01. Entry into a Material Definitive Agreement**

February 23, 2005 Compensation Committee Action. On February 22, 2005, the Compensation Committee of the Board of Directors made an additional grant for 2005 of 1,250 shares of restricted common stock, par value \$0.01 per share, of the Company ( Common Stock ) and an award of Performance Units payable in up to 2,500 shares of Common Stock to Robert R. Holian. The restricted stock will vest on the third anniversary of the date of grant. For the award of Performance Units, a portion will vest to the extent of the attainment of target levels of merger synergies achieved as a result of the Commonwealth-IMCO merger that are attained through December 31, 2008, and a portion will vest to the extent of the attainment of certain return on capital employed targets prior to December 31, 2008. The form of Performance Unit Agreement applicable to these awards was attached as Exhibit 99.2 to the Company s Current Report on Form 8-K filed on December 20, 2005 and is incorporated herein by reference.

Director Compensation. The annual retainer for non-employee directors is fixed by the Board of Directors for each year. On February 23, 2006, the Board of Directors increased the annual retainer for non-employee directors to \$45,000. All other meeting and committee fees remained the same for 2006.

Each of the non-employee directors is also entitled to receive on an annual basis a grant of shares of restricted Common Stock under the terms of the Aleris International, Inc. 2004 Equity Incentive Plan, having a value equal to \$35,000. The number of shares is determined by dividing \$35,000 by the closing price per share of Common Stock on the first trading day of the applicable calendar year. On February 23, 2006, the Board of Directors increased the annual grant of shares of restricted Common Stock to shares of restricted Common Stock having a value equal to \$40,000. The number of shares of restricted Common Stock granted for the additional \$5,000 was determined by dividing \$5,000 by the closing price per share of Common Stock on February 23, 2006 (\$43.23). The shares of restricted stock vest entirely on the earlier date of the third anniversary of the date of grant (February 23, 2009 for the incremental shares) or on the date the Director is no longer a member of the Board of Directors.
