Convergys Corporation

Item 2.02. Results of Operations and Financial Conditions

On April 25, 2006 Convergys Corporation reported its results for the first quarter ended March 31, 2006. The earnings release for the first quarter ended March 31, 2006 is attached as Exhibit 99.1. The attached exhibit is furnished pursuant to Item 9.01 of Form 8-K.

The earnings release contains non-GAAP financial measures, including free cash flow, pro forma net income and diluted earnings per share, and revenues excluding Cingular, which are not prepared in accordance with GAAP. A reconciliation of these non-GAAP measures to the comparable GAAP measures is included in the financial tables that are part of the earnings release. These non-GAAP financial measures should not be construed as being more important than comparable GAAP measures. They are presented because Convergys Corporation management uses this information when evaluating the company's results of operations and cash flow and believes that this information provides the users of the financial statements with an additional and useful comparison of the company's current results of operations and cash flows with past and future periods.

Item 8.01 Other Events

As set forth in the April 25, 2006 earnings release, Convergys Corporation has provided a revenue growth estimate for fiscal year 2006, increased full year earnings per share (EPS) guidance and provided 2006 EPS guidance for the second quarter of fiscal year 2006 as follows:

For fiscal year 2006, Convergys Corporation expects revenue growth in excess of 5%.

For fiscal year 2006, Convergys Corporation expects earnings per share (determined in accordance with GAAP) of at least \$1.09 per share. Excluding non-cash stock compensation expense, the company expects EPS (a non-GAAP measure) to be at least \$1.22.

For the second quarter 2006, Convergys Corporation expects EPS (determined in accordance with GAAP) to be \$0.24 to \$0.26. Excluding non-cash stock compensation expense, the company expects EPS (a non-GAAP measure) to be \$0.27 to \$0.29.
