Explanatory Note

As previously announced on March 6, 2006, we have entered into a definitive agreement pursuant to which we have agreed, subject to the approval of our common stockholders and other closing conditions, to merge with and into an affiliate of The Blackstone Group. The purpose of this Form 10-K/A is to amend Part III, Items 10 through 14 of our Annual Report on Form 10-K for the fiscal year ended December 31, 2005, which was filed with the Securities and Exchange Commission (the SEC) on February 22, 2006 (the 2005 10-K), to include information previously omitted from the 2005 10-K in reliance on General Instruction G to Form 10-K, which provides that registrants may incorporate by reference certain information from a definitive proxy statement prepared in connection with the election of directors. As a result of the proposed merger, we do not currently anticipate preparing a definitive proxy statement in connection with the election of directors.

In addition, as required by Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the Exchange Act), new certifications by our principal executive officer and principal financial officer are filed as exhibits to this Form 10-K/A under Item 15 of Part IV hereof.

For purposes of this Form 10-K/A, and in accordance with Rule 12b-15 under the Exchange Act, Items 10 through 14 and 15(a)(3) and (b) of our 2005 10-K have been amended and restated in their entirety. No attempt has been made in this Form 10-K/A to modify or update other disclosures as presented in the 2005 10-K.

PART III

Item 10. Directors and Executive Officers of the Registrant

Our Directors, Executive Officers and Certain Employees

Please see the information provided in the sections entitled "Our Directors" and "Our Executive Officers and Certain Key Employees" in Item 1 of the 2005 10-K, which are incorporated herein by reference, for certain information regarding our directors, executive officers and certain employees.

Audit Committee

Our Board of Directors has established an Audit Committee in order to assist the Board in monitoring the integrity and accuracy of our financial statements, our systems of internal controls regarding finance, accounting and legal compliance, our independent registered public accounting firm's qualifications and independence and the performance of our internal audit function. The Audit Committee is directly responsible for the appointment, compensation and oversight of the work of any accounting firm employed by us (including the resolution of disputes between management and the accounting firm regarding financial reporting) for the purpose of preparing and issuing an audit report or other work related to the preparation, review and audit of our financial statements, and such firm will report directly to the Audit Committee.

Pursuant to the charter of the Audit Committee, all of the members of the Audit Committee must meet the independence, experience and financial literacy and expertise requirements of the listing standards of the New York Stock Exchange, or NYSE, the Sarbanes-Oxley Act of 2002, the Exchange Act, and applicable rules and regulations of the SEC, as in effect from time to time. Our Board of Directors has determined that each of Andrew F. Brimmer, K. Dane Brooksher, Joan Carter, Robert E. Torray and Wesley S. Williams, Jr., all of the members of our Audit Committee, is independent within the meaning of the requirements of the NYSE's listing standards and Rule 10A-3 under the Exchange Act. The Board of Directors also has determined that each of Andrew F. Brimmer, K. Dane Brooksher and Wesley S. Williams, Jr. is an audit committee financial expert, as defined by the rules and regulations promulgated by the SEC, and is financially literate and has accounting or related financial management expertise as required by the NYSE's listing standards.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership on Forms 3, 4 and 5 with the SEC and the NYSE. Such directors, executive officers and greater than ten percent stockholders are required by the SEC to furnish us with copies of all Forms 3, 4 and 5 they file.

Based on our review of the copies of such forms we have received and on written representations from certain reporting persons that they were not required to file a Form 5 for the fiscal year, we believe that our directors, executive officers and greater than ten percent stockholders complied with the Section 16(a) filing requirements applicable to them with respect to transactions during 2005, with the exception that one late filing was made in 2005 by our Controller and Treasurer relating to the disposition of 252 shares of our common stock, for the payment of taxes upon the vesting of his restricted stock.

Employment Contracts

Change-in-Control Arrangements. We have entered into change-in-control agreements, as amended, with each of Thomas A. Carr, Philip L. Hawkins, Karen B. Dorigan, Stephen E. Riffe and Linda A. Madrid. These agreements provide that if within two years from the date of a change in control (which would include our previously announced merger with and into an affiliate of The Blackstone Group, if consummated), the employment of the executive with us is terminated without cause by us, or in the event that the executive terminates his or her employment with us for good reason (each as defined in the applicable change in control agreements):

we or our successor must pay such executive a lump sum prorated share of his or her annual bonus for the year of employment termination;

Table of Contents

we or our successor must pay such executive a lump sum amount equal to two times his or her base annual salary and bonus compensation (which is defined as the greater of the highest annual bonus earned in the prior three years or the current year's target annual bonus);

all of such executive's restricted stock, stock options and other equity awards will vest immediately;

we or our successor must pay such executive a lump sum amount equal to our contributions to, and awards under, all incentive, savings and retirement plans, practices, policies and programs (including the value of any equity-based incentive), which would have been made on behalf of the executive if the executive's employment continued for two years after the date of termination, assuming for this purpose that all benefits are fully vested; and

such executive will be eligible for certain continued benefits (including, without limitation, medical, prescription, dental, vision, disability, life, accidental death and travel accident insurance benefits) during the ensuing two-year period.

These payments also would be made if the executive's employment was terminated without cause by us prior to a change in control, but in anticipation thereof at the request of the potential buyer, and the change in control is ultimately consummated.

The change-in-control agreements also require us to make the executives whole for any excess parachute payment excise taxes that they might incur as a result of the receipt of certain payments and benefits (including the severance payments and benefits described above) in connection with the closing of the transaction.

For purposes of each of these agreements, a change in control generally means any of the following events: (i) the consummation of a reorganization, merger or consolidation involving us, unless all or substantially all of the individuals or entities who were the beneficial owners of our voting securities continue to own at least 60% of the outstanding voting securities of the surviving entity in substantially the same proportions as their ownership immediately prior to the transaction and individuals representing at least a majority of the board of directors of the surviving entity were directors of our Board of Directors as of the respective dates of the agreements (including individuals who subsequently become directors whose nomination or election was approved by at least a majority of the directors constituting our Board of Directors as of such dates); (ii) individuals who, as of the respective dates of the agreements, constitute our Board of Directors (including individuals who subsequently become directors whose nomination or election was approved by at least a majority of the directors constituting our Board of Directors as of such dates) cease for any reason to constitute a majority of our Board of Directors; or (iii) the approval by our stockholders of our complete liquidation or dissolution or the sale or other disposition of more than 50% of our operating assets.

Compensation of Our Directors

We pay an annual retainer of \$40,000 to directors who are not our employees. Each non-employee director may elect to receive his or her annual retainer and fees in cash or defer all or any portion of such retainer and fees as described below. We also pay each non-employee director a fee (plus out-of-pocket expenses) for attendance (in person or by telephone) at each meeting of our Board of Directors and for each committee meeting held on a non-Board meeting day. Our Board of Directors meeting fee is \$1,200 and the committee meeting fee is \$1,000, except that the committee meeting fee for each Audit Committee meeting is \$1,200. In addition, the chairman of each committee receives an additional annual fee of \$5,000, except that the fee for the chairman of the Audit Committee is \$7,500.

We also compensate our directors through our 1997 Stock Option and Incentive Plan (the 1997 Plan). Each non-employee director receives a grant of 1,000 restricted shares of our common stock immediately after first being appointed to the Board. The shares vest in full on the first anniversary of the date of grant. In addition, each continuing non-employee director receives a grant of 1,000 restricted shares of our common stock immediately following the election of directors at each annual meeting of our

stockholders. The shares vest in full on the first anniversary of the date of grant. Both employee directors and non-employee directors are eligible to receive other grants under the 1997 Plan, which grants are provided at the discretion of our Executive Compensation Committee. No discretionary grants were made to our non-employee directors in 2005.

Our non-employee directors may elect to defer all or any portion of the retainer and fees paid in cash for service on the Board or any committee thereof in accordance with our Directors' Deferred Compensation Plan, subject to a minimum deferral of \$1,000 per plan year. Each participant may make an annual election to defer compensation for a specified period of years, with a minimum of two years, and/or until termination of service, if sooner. Upon making a deferral election, the non-employee director must also elect the form in which payment is to be made when due, which form may be a lump sum or in annual installments over a period of up to five years. If no election is made, payments will be made over a period of five years. Premature withdrawal is not permitted except to the extent necessary to address an unforeseeable emergency. The plan establishes the terms for withdrawals from participants' accounts. We have the sole right to distribute amounts from accounts established pursuant to the plan if it determines that the deferred elections, the earnings credited to accounts previously deferred or the deferred compensation account balances under the plan could or might result in us failing to qualify as a real estate investment trust under the Internal Revenue Code of 1986, as amended.

Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters

The following table sets forth information regarding the beneficial ownership of shares of our common stock as of March 31, 2006 for:

each person known by us to be the beneficial owner of more than 5% of the outstanding shares of our common stock;

each of our current directors;

each of our chief executive officer and our four other most highly compensated executive officers; and

all of our directors and executive officers as a group.

Unless otherwise indicated in the footnotes, all such securities are owned directly by the named person and such person identified as the beneficial owner has sole voting and investment power. For purposes of the following table, the number of shares of our common stock that is beneficially owned by each of the persons named below represents the aggregate of (a) shares of our common stock, including restricted stock, such person holds, (b) shares of our common stock that may be issued to such person upon exercise of options that are exercisable or issuable through May 30, 2006, the 60th day from March 31, 2006, and (c) the number of shares of our common stock for which limited partnership units of CRH LP and CAR LP held by such person are redeemable (if we elect to issue shares rather than pay cash upon such redemption). The extent to which a person holds shares of our common stock (including restricted common stock), options to purchase our common stock, CRH LP units and/or CAR LP units is set forth in the footnotes. As of March 31, 2006, we had 59,039,073 shares of our common stock outstanding, and there were 4,181,485 CRH LP units (other than such units held by us) and 925,022 CAR LP units (other than such units held by us), respectively, deemed outstanding.

We also provide real estate services to a joint venture in which we, OCCO, Oliver T. Carr, Jr., and Martha Carr, Thomas A. Carr's mother, have interests. We received \$617,315 for these services during 2005.

We also provide real estate services to Carr Capital Corporation and its subsidiaries, in which OCCO, Oliver T. Carr, Jr. and Oliver T. Carr, III, Thomas A. Carr's brother, have interests. We received \$292,812 for these services during 2005.

Indemnification Obligations

In connection with the HQ Global Workplaces, Inc./VANTAS Incorporated merger transaction in June 2000, we agreed to indemnify all of the individuals who served as directors of HQ Global at the time of the transaction, including Messrs. Thomas A. Carr and Philip L. Hawkins, with respect to any losses incurred by them in connection with certain litigation matters, not covered from reimbursement by HQ Global or by insurance proceeds. It was expected at the time that these former directors would be indemnified against any of these losses by HQ Global, as required by HQ Global's certificate of incorporation and bylaws. HQ Global indicated that it did not intend to satisfy its indemnity obligation to these directors. As a result, we have paid the costs incurred by these directors in connection with the above litigation matters. During 2004, we paid approximately \$147,013 in legal expenses pursuant to this indemnification arrangement. In February 2005, we settled the litigation and obtained a release of claims against all defendants, including Messrs. Carr and Hawkins, in consideration of a payment of \$1.2 million.
