Global Power Equipment Group Inc. (the Company) is filing this Form 12b-25 because it needs additional time to file its Form 10-Q for the quarter ended March 31, 2006, which is due on May 10, 2006. As previously reported, the Company delayed the filing of its Form 10-K for the year ended December 31, 2005 due to additional time required for review and completion of its previously announced restatement, as well as for a review of contract cost reporting issues in connection with several projects in the Company's Heat Recovery segment. Upon completion and filing of its Form 10-K for 2005, on which it is moving forward as expeditiously as possible, the Company will be able to file its Form 10-Q for the quarter ended March 31, 2006.
