**Item 8.01. Other Events.**

On September 15, 2006, Seagate Technology announced the pricing of its previously-announced offering of \$300,000,000 of Floating Rate Senior Notes due 2009 (the 2009 Notes ), \$600,000,000 of 6.375% Senior Notes due 2011 (the 2011 Notes ) and \$600,000,000 of 6.800% Senior Notes due 2016 (the 2016 Notes ). The notes are expected to be issued by Seagate Technology HDD Holdings, a direct wholly-owned subsidiary of Seagate Technology, and guaranteed by Seagate Technology on a full and unconditional basis. The offering is expected to close on September 20, 2006.

The 2009 Notes will bear interest at a floating rate equal to three-month LIBOR plus 0.84% per year, the 2011 Notes will bear interest at the rate of 6.375% per year, and the 2016 Notes will bear interest at the rate of 6.800% per year. Interest will be payable quarterly on January 1, April 1, July 1 and October 1 for the 2009 Notes and semi-annually on April 1 and October 1 for the 2011 Notes and 2016 Notes.

Seagate may redeem the 2011 Notes and the 2016 Notes at any time prior to their maturity for a specified make-whole premium redemption price. The 2009 Notes will not be redeemable prior to their maturity date.

Seagate intends to use the net proceeds from the offering to redeem the \$400 million principal amount of its 8% Senior Notes due 2009, to fund a portion of its previously announced \$2.5 billion stock repurchase program and for general corporate purposes.

In connection with the offering described above, Seagate Technology and Seagate Technology HDD Holdings entered into an Underwriting Agreement with the underwriters of the offering. The underwriting agreement has been filed as Exhibit 99.1 hereto and is incorporated herein by reference.

**Safe Harbor**

This filing contains forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements include, but are not limited to, statements related to the proposed offering of senior unsecured notes, the anticipated closing date of the offering and the anticipated use of proceeds therefrom. These forward-looking statements are based on information available to Seagate as of the date of this filing. Current expectations, forecasts and assumptions involve a number of risks and uncertainties that could cause actual results to differ materially from those anticipated by these forward-looking statements. Such risks and uncertainties include a variety of factors, some of which are beyond the company's control. In particular, such risks and uncertainties include the impact of conditions in the credit markets generally and, in particular, for companies in the markets in which Seagate operates. Information concerning additional factors that could cause results to differ materially from those projected in the forward-looking statements is contained in the company's Annual Report on Form 10-K as filed with the U.S. Securities and Exchange Commission on September 11, 2006. These forward-looking statements should not be relied upon as representing the company's views as of any subsequent date and Seagate undertakes no obligation to update forward-looking statements to reflect events or circumstances after the date they were made.
