Our acquisitions of LICB and ABNY provided us with an established commercial bank platform

Diversified our depositor/borrower base

Enhanced our interest rate risk profile by replacing higher-cost funding with lower-cost core and non-interest-bearing deposits

Provided opportunities to cross-sell commercial bank products in savings bank branches

Added commercial lending expertise to our management team

Enhanced our asset mix with C&I loans to small and mid-size businesses

We are committed to building value by building our business.

We are focused on:

Enhancing our asset mix by originating commercial loans to small and mid-size businesses in our market, while growing our multi-family, construction, and commercial real estate loan portfolios

Maintaining the quality of our assets by adhering to our traditional credit standards

Utilizing the cash flows from the sale of securities and 1-4 family loans to originate higher-yielding loans and reduce our higher-cost funding sources

Expanding and diversifying our deposit mix

Improving our net interest margin by replacing our higher-cost wholesale sources

of funds with lower-cost retail deposits

Demonstrating our capacity to execute accretive merger transactions while
maintaining our efficiency and making our franchise more valuable

Maintaining a high level of customer service

Maintaining the strength of our tangible capital measures

Maintaining the payment of a strong dividend
