Item 8.01 OTHER EVENTS

On January 11, 2007, EMI Entertainment World, Inc. and its associated music publishers ( EMI ) filed a lawsuit against the Company and several alleged subsidiaries or predecessors-in-interest ( the Company ) in the United States District Court for the Southern District of New York. EMI charges that the Company breached two ringtone license agreements by underpaying royalties, fraudulently reported the amount of royalties owed, and infringed EMI s copyrights by making unlicensed use of EMI s works. EMI claims in excess of \$10 million in damages for the alleged breaches of contract, unspecified compensatory and punitive damages for the alleged fraud, and in excess of \$100 million in statutory damages for alleged copyright infringement. The lawsuit is at its initial stages and the Company has just begun its factual investigation. Based on its knowledge to date, the Company believes that EMI s claims are without merit and that it has meritorious defenses to them and intends to vigorously defend the suit.
