-

Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On February 15, 2007, Transaction Systems Architects, Inc. (the Company) received an additional written Staff Determination notice from the NASDAQ Stock Market (NASDAQ) stating that the Company is not in compliance with NASDAQ's Marketplace Rule 4310(c)(14) because it did not timely file its Quarterly Report on Form 10-Q for the fiscal quarter ended December 31, 2006.

In response to a similar letter the Company received in January 2007 following its failure to timely file its Form 10-K for the fiscal year ended September 30, 2006, the Company requested and was granted a hearing before the NASDAQ Listing Qualifications Panel scheduled to take place on February 22, 2007. The February 15, 2007 NASDAQ notice states that the December 31, 2006 10-Q filing delinquency serves as an additional basis for delisting the Company's securities on the NASDAQ Global Select Market and that the NASDAQ Listing Qualifications Panel will consider this matter in rendering a determination regarding the Company's continued listing on the NASDAQ Global Select Market. There can be no assurance that the Panel will grant the Company's request for continued listing. Pending a decision by the hearing Panel, the Company's common stock will continue to be traded on the NASDAQ Global Select Market.

The Company issued a press release on February 21, 2007, disclosing its receipt of this notice from NASDAQ. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

Item 9.01. Financial Statements and Exhibits.
