-

Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On March 6, 2007, Rambus Inc. (Rambus) received an additional notice of non-compliance from the Staff of the NASDAQ Stock Market (NASDAQ), in accordance with NASDAQ Marketplace Rule 4310(c)(14), due to the delay in the filing of its Annual Report on Form 10-K for the fiscal year ended December 31, 2006 (the Form 10-K), which could serve as a basis for delisting Rambus common stock from the NASDAQ Global Select Market.

As previously announced, Rambus received notices of non-compliance from NASDAQ on August 14, 2006 and November 15, 2006 due to delays in the filing of the Rambus Quarterly Reports on Forms 10-Q for the quarters ended June 30, 2006 and September 30, 2006 (collectively, the Forms 10-Q), respectively. The Forms 10-Q and 10-K filing delays are attributable to the fact that Rambus Audit Committee is conducting an independent review of Rambus historical stock option granting practices and related accounting.

On February 6, 2007, the NASDAQ Listing and Hearing Review Council (the Listing Council) determined it would call Rambus matter for review. The Listing Council also determined to stay an earlier decision by the NASDAQ Listing Qualifications Panel that required Rambus to file the Forms 10-Q by February 9, 2007. In connection with the call for review, the Listing Council has requested that the Company provide an update on its efforts to file the delayed Forms 10-Q by March 30, 2007. NASDAQ has also asked the Company to provide a submission addressing the delay in filing the Form 10-K. The Company intends to provide all requested submissions to NASDAQ as promptly as possible.

Rambus issued a press release on March 9, 2007 disclosing its receipt of the additional notice of noncompliance dated March 6, 2007. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits

99.1 Press release dated March 9, 2007.
