PROXY STATEMENT

March 26, 2007

GENERAL INFORMATION

We are providing these proxy materials to you in connection with the solicitation of proxies by the Board of Directors of Southwest Gas Corporation for the 2007 Annual Meeting of Shareholders and for any adjournment or postponement of the Annual Meeting. In this proxy statement, we refer to Southwest Gas Corporation as the Company, the Board of Directors as we, our, us, or the Board and the committees of the Board of Directors as the name of the specific committee or as the committee.

We intend to mail this proxy statement and a proxy card to shareholders on or about March 26, 2007.

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will act upon the matters outlined in the notice of meeting in these materials, including the election of directors, the ratification of the selection of our independent accountants, and the transaction of other business, if properly presented at the meeting.

Who is entitled to vote at the Annual Meeting?

Only shareholders of record at the close of business on March 6, 2007, the record date for the Annual Meeting, are entitled to receive notice of and participate in the meeting. If you were a shareholder of record on that date, you are entitled to vote all of the shares that you held on that date at the meeting, or any adjournment or postponement of the meeting.

If your shares are registered directly in your name, you are the holder of record of these shares and we are sending these proxy materials directly to you. As the holder of record, you have the right to mail your proxy directly to us, to give your voting instructions on the internet or by telephone, or to vote in person at the Annual Meeting.

Edgar Filing: SOUTHWEST GAS CORP - Form PRE 14A

If you hold your shares in a brokerage account or through a bank or other holder of record, you are the beneficial owner of the shares and hold the shares in street name, and your broker, bank or other holder of record is sending these proxy materials to you. As the beneficial owner, you have the right to direct your brokers, banks, or other holders of record, how to vote by following the instructions that accompany your proxy materials.

If you hold your shares indirectly in the Southwest Gas Corporation Employees Investment Plan (the EIP), you have the right to direct the trustee of the EIP how to vote your shares by following the instructions that accompany your proxy materials.

How many votes do I have?

You have one vote for each share of Company common stock you owned as of the record date for the Annual Meeting.

Table of Contents

How do I vote?

You can vote either in person at the Annual Meeting or by proxy whether or not you attend the meeting. To vote by proxy, you must either:

- * Complete the enclosed proxy card, sign it and return it in the enclosed postage-paid envelope;
- * Vote by telephone by calling toll-free 1-800-660-7809 on a touch-tone telephone and following the instructions on the enclosed proxy card; or
- * Vote over the internet at our internet address: www.proxyvoting.com/swg by following the instructions on the enclosed proxy card.

Can I change my vote?

Yes, you can change your vote by (a) sending a new proxy card with a later date; (b) casting a new vote by telephone or over the internet; (c) sending a written notice of revocation to our Corporate Secretary by mail to Shareholder Services, Southwest Gas Corporation, P.O. Box 98510, Las Vegas, NV 89193-8510, or by facsimile at 702-871-9942; or (d) voting by ballot at the Annual Meeting.

What are the Board's recommendations?

The Board's recommendations are set forth with the description of each item in this proxy statement. In summary, the Board recommends a vote:

- * FOR election of the nominated slate of directors (see Item 1);
- * FOR approval of the 2006 Restricted Stock Plan (see Item 2);
- * FOR increasing authorized shares of Company common stock to 60,000,000 shares (see Item 3); and
- * FOR ratification of the selection of PricewaterhouseCoopers LLP as our independent accountants (see Item 4).

With respect to any other matter that properly comes before the Annual Meeting, LeRoy C. Hanneman, Jr. and James J. Kropid, our proxies, will vote as recommended by the Board or, if no recommendation is given, at their discretion.

How many votes must be present to hold the Annual Meeting?

We will have a quorum, and will be able to conduct the business of the Annual Meeting, if the holders of majority of the shares entitled to vote are represented in person or by proxy at the meeting. As of the record date, 42,041,680 shares of Company common stock were outstanding and the presence of the holders of at least 21,020,841 shares of Company common stock will be required to establish a quorum. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the votes considered being present at the meeting.

A broker non-vote occurs when a broker lacks discretionary voting power to vote on a non-routine proposal and a beneficial owner fails to give the broker voting instructions on that matter. The rules of the New York Stock Exchange (the NYSE) determine whether matters presented at the Annual Meeting are routine or non-routine in nature. The election of directors, the increase in

Table of Contents

authorized shares of Company common stock, and the ratification of the selection of PricewaterhouseCoopers LLP as our independent accountants are currently considered routine matters and a broker has the discretionary voting power to vote on these matters without any instructions from the beneficial owner. Beneficial owners of Company common stock will have to give voting instructions to a broker in order for a broker to vote on the new 2006 Restricted Stock Plan.

What vote is required to approve each item?

Directors are elected by a plurality of the votes cast. Adoption of the 2006 Restricted Stock Plan and ratification of PricewaterhouseCoopers LLP's selection requires the affirmative vote of a majority of shares of Company common stock represented at the Annual Meeting and entitled to vote. Increasing the authorized number of shares of Company common stock to 60,000,000 shares requires the affirmative vote of a majority of shares outstanding on the Record Date.

Do I have an opportunity to cumulate my votes for director nominees?

Shareholders have cumulative voting rights for the election of directors, if certain conditions are met. Shareholders entitled to vote may cumulate their votes for a candidate or candidates placed in nomination at the meeting if, prior to the voting at the meeting, notice has been given that a shareholder intends to cumulate his or her votes. Shareholders deciding to cumulate their votes may cast as many votes as there are directors to be elected, multiplied by the number of shares of Company common stock held on the Record Date. The votes may be cast for one candidate or allocated among two or more candidates in any manner the shareholders choose. If any shareholder has given notice of cumulative voting, all shareholders may cumulate their votes for candidates in nomination.

If sufficient numbers of shareholders exercise cumulative voting rights to elect one or more other candidates, our proxies will:

- * determine the number of directors they can elect;
- * select such number from among the named candidates;
- * cumulate their votes; and
- * cast their votes for each candidate among the number they can elect.

How are my votes counted?

- * **Election of Directors:** You may vote FOR ALL, FOR ALL EXCEPT or WITHHOLD AUTHORITY FOR ALL of the director nominees. If you mark FOR ALL EXCEPT, your votes will be counted for every other director nominee.

Edgar Filing: SOUTHWEST GAS CORP - Form PRE 14A

- * **Approval of the 2006 Restricted Stock Plan:** You may vote FOR, AGAINST, or ABSTAIN the 2006 Restricted Stock Plan. If you ABSTAIN or if your shares are treated as a broker non-vote, your votes will be counted for purposes of establishing a quorum and will have no effect on the ratification of the proposal.

- * **Approval to Increase Authorized Shares of Company Common Stock:** You may vote FOR, AGAINST, or ABSTAIN the increase of authorized shares of Company common stock. If you ABSTAIN or if your shares are treated as a broker non-vote, your votes will be

Table of Contents

counted for purposes of establishing a quorum and will be treated as voting AGAINST approval of the proposal.

- * **Ratification of the selection of PricewaterhouseCoopers LLP:** You may vote FOR, AGAINST, or ABSTAIN the selection of our independent accountants. If you ABSTAIN or if your shares are treated as a broker non-vote, your votes will be counted for purposes of establishing a quorum and will have no effect on the ratification of the proposal.

We will appoint either one or three inspectors of election in advance of the meeting to tabulate votes, to ascertain whether a quorum is present, and to determine the voting results on all matters presented to Company shareholders.

What if I do not vote for some of the matters listed on my proxy card?

If you return a signed proxy card or vote by telephone or the internet without indicating your vote on any or all of the matters to be considered at the Annual Meeting, your shares will be voted FOR the director nominees listed on the proxy card and FOR each of the proposals.

Can the shares that I hold in a brokerage account or the EIP be voted if I do not instruct my broker or the EIP trustee?

- * **Shares held in street name:** If you do not instruct your broker to vote your shares of Company common stock held in street name, your broker has the discretion to vote your shares on all routine matters scheduled to come before the Annual Meeting. If any matters to be considered at the meeting are viewed as non-routine, your broker does not have discretion to vote your shares and, if you do not give your broker voting instructions, your broker will vote your shares as broker non-votes. The election of directors, the increase in authorized shares of Company common stock, and the ratification of the selection of our independent accountants are routine and your broker will have the discretion to vote your shares unless you provide voting instructions. Approval of the 2006 Restricted Stock Plan is viewed as non-routine and your broker will need instructions from you in order to vote on this proposal.
- * **Shares held in the EIP:** If you do not provide instructions to the EIP trustee for the shares of Company common stock you hold in the EIP, then the EIP trustee will vote your shares in the same proportion as the shares for which timely instructions were received.

Could other matters be decided at the Annual Meeting?

We do not know of any other matters that will be considered at the Annual Meeting. If any other matters are properly brought before the meeting, your shares will be voted at the discretion of the proxies, unless otherwise instructed.

What Rules of Conduct will govern the Annual Meeting?

Edgar Filing: SOUTHWEST GAS CORP - Form PRE 14A

To ensure that our Annual Meeting is conducted in an orderly fashion and the shareholders wishing to speak at the meeting have a fair opportunity to do so, we will have certain guidelines and rules for the conduct of the meeting, which we will provide to those attending the meeting.

Table of Contents

What happens if the Annual Meeting is postponed or adjourned?

If the Annual Meeting is postponed or adjourned, your proxy will still be good and may be voted at the postponed or adjourned meeting. You will still be able to change or revoke your proxy until it is voted.

Who is soliciting my proxy?

Your proxy is being solicited by the Board. Morrow & Co. has been employed to assist in obtaining proxies from certain larger and other shareholders at an estimated cost of \$6,500.00 plus certain expenses. Arrangements have also been made with brokerage houses and other custodians, nominees, and fiduciaries to send proxies and proxy materials to you, if your shares are held in a street name, and Morrow & Co. will reimburse them for their expenses in providing the materials to you.

GOVERNANCE OF THE COMPANY

Board of Directors

Under the provisions of the California Corporations Code and the Company's Bylaws, the Company's business, property and affairs are managed by or are under our direction. We are kept informed of the Company's business through discussions with the Chief Executive Officer and other officers, by reviewing materials provided to us and by participating in our regular Board and committee meetings.

We have determined that the directors Chestnut, Comer, Gardner, Hanneman, Kropid, Mariucci, Melarkey, Sparks, and Wright have no material relationships with the Company and are independent. We reached the same conclusion with respect to directors Thomas Y. Hartley and Manuel J. Cortez, while they served on the Board during 2006. We have also determined that members of the Audit, Compensation, and Nominating and Corporate Governance Committees are independent. In making this determination, we have reviewed all transactions or relationships with the Company using a definition of material relationships to include the criteria listed in Section 303A of the Listing Rules of the NYSE and have presumed that matters not subject to disclosure pursuant to Item 404 of Regulation S-K of the Securities Exchange Act of 1934 (the Exchange Act) and authorized by the Company's regulatory tariffs above the Item 404 threshold are not material relationships. The definition of material relationships for directors on the Audit Committee also includes the criteria listed in Section 10A(m)(3) of the Exchange Act. The definition of material relationships for directors serving on the Compensation Committee, also includes the criteria listed in Section 16(b) of the Exchange Act and Section 162(m) of the Internal Revenue Code (the Code). The independence criteria we use is included in the Company's corporate governance guidelines, which is available on the Company's website at: <http://www.swgas.com/investorrelations>.

We based our determination primarily on a review of the responses of the directors and executive officers to questions regarding employment and compensation history, affiliations and family relationships and on discussions with directors. In concluding that the named directors are independent, we did review transactions involving directors Comer and Wright. During 2006, the Company contracted with Deloitte & Touche LLP to assist in developing a program to manage a piece of the Company's gas purchasing practices. The Deloitte contract was concluded in 2006 before Mr. Comer was elected to the Board. The Company also used one of

Edgar Filing: SOUTHWEST GAS CORP - Form PRE 14A

Mr. Wright's companies to secure title insurance for the purchase of a piece of real property in southern Nevada.

Our Board meetings are scheduled for the third Tuesday of January and September, the fourth Tuesday of February, the fifth Tuesday of July, the second Wednesday of November, and the

Table of Contents

Wednesday before the Annual Meeting in May. An organizational meeting is held immediately following the Annual Meeting. We held six regular meetings and one organizational meeting in 2006. Each incumbent director attended more than 75% of the Board and committee meetings on which he or she served during 2006. Non-management directors are expected to meet in an executive session at least four times a year, and the independent directors are expected to meet at least once a year. These sessions are presided over by LeRoy C. Hanneman, Chairman of the Board, who is the current Presiding Director.

Committees of the Board

Our permanent Board committees consist of Audit, Compensation, Nominating and Corporate Governance, and Pension Plan Investment. Each committee has established responsibilities, while Audit, Compensation, and Nominating and Corporate Governance have detailed charters designed to satisfy the Listing Rules of the NYSE. The members of the Audit, Compensation, and Nominating and Corporate Governance committees are composed solely of independent directors as outlined above.

The *Audit Committee*, whose functions are discussed here and below under the captions Selection of Independent Accountants and Audit Committee Report, is a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. It consists of directors Gardner (the Chairperson), Chestnut, Comer, Kropid, Mariucci and Sparks. The committee meets periodically with management to consider, among other things, the adequacy of the Company's internal controls and financial reporting process. The committee also discusses these matters with the Company's independent accountants, internal auditors, and Company financial personnel. We determined that directors Comer, Gardner, and Mariucci, who are independent, each qualifies as an *audit committee financial expert*, as the term is defined in Item 401(h) of Regulation S-K under the Exchange Act.

The *Compensation Committee* is responsible for determining CEO compensation and making recommendations to us annually, on such matters as directors' fees and benefit programs, executive compensation and benefits, and compensation and benefits for all other Company employees. The committee's charge, as outlined in its charter, cannot be delegated without Board approval. The committee does receive recommendations from management on the amount and form of executive and director compensation; however, the committee does have the ability to directly employ consultants to assess the executive compensation program. The committee is also responsible for the Executive Compensation Report and related disclosures contained in this proxy statement. The committee consists of directors Chestnut (the Chairperson), Gardner, Hanneman, and Mariucci.

The *Nominating and Corporate Governance Committee* is responsible for making recommendations to us regarding nominees to be proposed for election as directors; evaluates the Board's size, composition, organization, processes, practices, and number of committees; and establishes the criteria for the selection of directors. The committee considers written suggestions from shareholders regarding potential nominees for election as directors. The process for selecting directors is addressed in more detail below under the caption Selection of Directors. The committee is also charged with the responsibility of developing and recommending corporate governance principles and compliance programs for the Company. The committee consists of directors Kropid (the Chairperson), Hanneman, Melarkey, Sparks, and Wright.

The *Pension Plan Investment Committee* establishes, monitors, and oversees, on a continuing basis, asset investment policy and practices for the Company's retirement plan. The committee consists of directors Melarkey (the Chairman), Biehl, Comer, Maffie, and Wright.

Table of Contents

During 2006, the Audit Committee held six meetings, the Compensation Committee held five meetings, the Nominating and Corporate Governance Committee held four meetings, and the Pension Plan Investment Committee held three meetings.

The charters for the Audit, Compensation, and Nominating and Corporate Governance Committees, the Company's corporate governance guidelines, and the Company's code of business conduct that applies to all employees, officers and directors are available on the Company's website at: <http://www.swgas.com/investorrelations>. Print versions of these documents are available to shareholders upon request directed to the Corporate Secretary, Southwest Gas Corporation, 5241 Spring Mountain Road, Las Vegas, NV 89150.

Selection of Directors

We believe our Board should be composed of individuals with varied, complementary backgrounds, who possess certain core competencies, some of which may include broad experience in business, finance or administration, and familiarity with national and international business matters and the energy industry. Additional factors that will be considered in the selection process include the following:

- * Independence from management;
- * Diversity, age, education, and geographic location;
- * Knowledge and business experience;
- * Integrity, leadership, reputation, and ability to understand the Company's business;
- * Existing commitments to other businesses and boards; and
- * The current number and composition of our existing directors.

The Nominating and Corporate Governance Committee will consider candidates for directors suggested by shareholders applying the criteria for candidates described above and considering the additional information referred to below. Shareholders who would like to suggest a candidate should write to the Company's Corporate Secretary and include:

- * A statement that the writer is a shareholder and is proposing a candidate for consideration as a director nominee;
- * The name of and contact information for the candidate;
- * A statement of the candidate's business and educational experience;

Edgar Filing: SOUTHWEST GAS CORP - Form PRE 14A

- * Information regarding each of the factors listed above, sufficient to enable the committee to evaluate the candidate;
- * A statement detailing any relationship between the candidate and the Company, Company affiliates, and any competitor of the Company;
- * Detailed information about any relationship or understanding between the proposing shareholder and the candidate; and
- * The candidate's written consent to being named a nominee and serving as a director if elected.

Table of Contents

When seeking a candidate for director, the Nominating and Corporate Governance Committee may solicit suggestions from incumbent directors, management or others. The committee may also retain a search firm to identify potential candidates.

As a result of director Cortez's unexpected death in June 2006, the committee asked the committee chairman, director Kropid, and the CEO, Mr. Shaw, to initiate a search for his replacement from potential candidates in southern Nevada. In addition to the above-described factors, the committee also directed these individuals to take into consideration the regulatory requirements imposed on the board in selecting potential candidates. Two potential candidates were identified and the committee selected Stephen C. Comer as director Cortez's replacement. Mr. Comer was elected at the January 2007 Board meeting. Mr. Comer and the directors you elected at last year's Annual Meeting of Shareholders make up the slate of director nominees for your consideration at this year's Annual Meeting.

Shareholders may also nominate a person for election to the Board at an annual meeting by giving written notice to the Company not less than 20 days prior to the first anniversary of the preceding year's annual meeting, or within 10 days after notice is mailed or public disclosure is made regarding either a change of the annual meeting by more than 30 days or a special meeting at which directors are to be elected. For this year's Annual Meeting, the required notice must be received by the Company on or before April 12, 2007. In order to make such a nomination, a shareholder is required to include in the written notice the following:

- * As to each person whom the shareholder proposes to nominate for election or reelection as a director all the information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required pursuant to Regulation 14A of the Exchange Act, as amended;
- * Each person's written consent to being named a nominee and serving as a director, if elected;
- * The name and address of the proposing shareholder or beneficial owner; and
- * The class and number of shares of the Company held directly or indirectly by the proposing shareholder.

Shareholder Nominees

There were no director nominee candidates submitted by shareholders during 2006 for consideration by the Nominating and Corporate Governance Committee.

Related Party Transactions

We have adopted a written policy and are in the process of implementing written procedures for the review, approval, or ratification of any related party transactions. The policy addresses transactions in which the Company was or is a participant, the amount exceeds \$120,000, and a related party, which includes any director, executive officer, nominee for director or their immediate family members, had or will have a direct or indirect material interest. These transactions will be reported to the Company's general counsel, reviewed by the Nominating and Corporate Governance Committee, and approved or ratified only if the committee determines that the transaction is not inconsistent with the best interests of the Company. The policy is included in the Company's

Edgar Filing: SOUTHWEST GAS CORP - Form PRE 14A

corporate governance guidelines, which is available on the Company's website at: <http://www.swgas.com/investorrelations>.

Table of Contents

Directors and Officers Share Ownership Guidelines

In order to align our interests with that of all shareholders, we have adopted Company common stock ownership guidelines for the directors and Company officers.

The outside directors are expected to acquire and retain a minimum of 3,000 shares of Company common stock. New outside directors elected at or after the 2006 Annual Meeting will be expected to satisfy the share ownership guidelines within two years of becoming a director. Management directors are expected to purchase and retain specific share minimums tied to their positions with the Company.

Company officers are expected to acquire and retain the following minimum levels of Company common stock.

*	Chief Executive Officer	25,000 shares
*	President	15,000 shares
*	Executive Vice President	12,500 shares
*	Senior Vice President	10,000 shares
*	Vice President	5,000 shares

Current executives will have five years to satisfy these guidelines. Newly named executives and executives promoted to positions requiring a greater number of shares will have an additional two years to reach the new levels.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee through the 2006 Annual Meeting were directors Sparks, Cortez, Hanneman, Melarkey, and Wright. After the 2006 Annual Meeting of Shareholders, the members of the committee were directors Chestnut (the Chairperson), Cortez, Gardner, Hanneman, and Mariucci, and except for director Cortez, these directors are the current members of the committee. Director Cortez died in June 2006 and was not replaced on the committee. None of the members has ever been an officer or employee of the Company or any of its subsidiaries and no compensation committee interlocks existed during 2006.

Director Attendance at Annual Meetings

We normally schedule Board meetings in conjunction with each annual meeting and we expect each director to attend the meetings. Last year, all of the directors attended the 2006 Annual Meeting of Shareholders.

Shareholder Communications with Directors

Any shareholders who would like to communicate with the Board, the Presiding Director, or any individual directors can write to:

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Objectives

As a public utility, Southwest Gas is a regulated entity and the compensation it pays is evaluated as part of its regulatory review. Our compensation program has to be responsive to market conditions and the regulatory environment we face as a regulated utility. Compensation costs, like all our operating expenses, are subject to reasonableness reviews by regulatory bodies in the states and jurisdictions in which we operate. In addition, regulatory review of our operations and customer satisfaction levels recognizes the value of providing incentives for operational efficiencies and overall customer satisfaction.

Our executive compensation program is designed to reward know-how, problem solving, and accountability for a given position and to elicit long-term employment commitments and performance. Base compensation levels are set to ensure reasonableness, competitiveness, and internal equity for each position. Performance awards, retirement benefit opportunities, and post-termination benefits support our goal of attaining long-term executive employment commitments, while at the same time increasing shareholder value, achieving operational efficiencies, and maintaining customer satisfaction levels.

Long-term employment commitments by Company executives parallel our long-term customer service obligations. The long-term nature of our obligations, which is unique to public utilities, shapes the overall structure of the Company's executive compensation program. We seek to ensure that long-term corporate and customer goals are achieved. We also recognize that we are in a competitive environment for executives, and our compensation program has to recognize and reward performance. Non-equity incentive compensation, restricted stock awards, and stock options are designed to address performance and provide added support for long-term employment commitments.

The executive compensation program is prospective. The results of previously earned performance awards and the deferral of cash compensation are not taken into consideration in establishing the appropriate level of future base compensation. Past performance, however, is taken into consideration in setting new performance targets.

The executive compensation program is administered by the Compensation Committee of the Board of Directors (the Committee). The Committee annually reviews and approves the Company's corporate goals and objectives relevant to the principal executive officer's (PEO) compensation, the PEO's performance in relation to such goals and objectives and, together with the other independent directors of the Board of Directors, the PEO's actual compensation. The Committee also reviews with the PEO and approves the salaries for the remaining officers of the Company.

Management provides information to the Committee, annually, regarding the appropriate compensation levels and performance programs and awards. This information is gathered from external independent surveys and publicly available compensation comparisons. Consultants may also be used to independently assess the compensation program. Management, including the named executive officers (NEOs), provides guidance to, and receives direction from, the Committee regarding the Company's executive compensation program. In addition, the Committee has the authority, independent of management, to employ and retain consultants to assist it in establishing the executive compensation program objectives and in determining whether the objectives have been satisfied.

Elements of Compensation

The executive compensation program consists of salary, stock awards, option awards, non-equity incentive plan compensation, perquisites, welfare benefits, retirement benefits, and post-termination

Table of Contents

benefits. Welfare benefits available to executive officers, which include group life, health, hospitalization, and medical reimbursement programs, are similar in scope, terms, and operation to the benefits available to all Company employees. Retirement benefits include both tax-qualified and non tax-qualified defined benefit and contribution retirement plans. Post-termination benefits consist of employment and change in control agreements.

Decision to Pay Each Element of Compensation

Our decision to pay each element of compensation is based on the market conditions necessary to attract and retain qualified executives. As previously discussed, one of the primary objectives of our executive compensation program is to elicit long-term employment commitments. To fulfill this objective, the Company responds to market dictates and offers a broad spectrum of compensation opportunities. As discussed in greater detail below, these compensation opportunities are tailored to the characteristics of a public utility.

Determination of the Amount to be Paid for Each Element of Compensation

The nature of the Company's operations has led the Committee to design and employ a compensation program that is comparable to compensation programs widely used in industry, weighted for public utilities, and accepted by various utility regulatory agencies. This process focuses on similar-sized national energy and gas utilities and general industry companies with annual revenues of \$500 million to \$1.5 billion. Compensation surveys prepared by the American Gas Association, Watson Wyatt, and William M. Mercer are used to ensure that our compensation programs are within industry norms.

Salaries. Base salaries for our executives are established based on the scope of their responsibilities, taking into account competitive market compensation paid by other companies for similar positions. Salary design is established using the Hay Group method. The Hay Group method values the substance of the positions based on know-how, problem solving, and accountability. Input from the Hay Group and utility and general industry surveys are used by the Committee to determine that salaries are reasonable, competitive, and properly address position responsibility. The range of salaries available through this review provides an objective standard to determine the appropriate level of executive position salaries. Salaries are then set relative to the midpoint, the 50th percentile of market. Base salaries are reviewed annually and adjusted from time to time to realign salaries with market levels after taking into account individual responsibilities, performance, and experience.

Performance-Based Compensation. The performance components of the Company's executive compensation program consist of non-equity incentive plan compensation and restricted stock awards provided through the Management Incentive Plan (MIP), restricted stock awards provided through the Restricted Stock Plan (the Stock Plan), and stock option awards provided through the Incentive Stock Option Plan (the Option Plan, and collectively, the Incentive Plans). Compensation provided through the Incentive Plans, when coupled with salaries, is designed to provide levels of total compensation set relative to the 75th percentile of market based on the above-described comparison.

The Committee has designed the Incentive Plans to focus on specific annual and long-term Company financial and productivity performance goals. Financial performance, productivity, and customer satisfaction factors are incorporated in the MIP and the Stock Plan, while the Option Plan is designed to align the economic interests of Company executives with those of shareholders.

Edgar Filing: SOUTHWEST GAS CORP - Form PRE 14A

Annually, the Committee establishes incentive opportunities under the MIP, expressed as a percentage of salary, and determines the performance goals to be measured against these

Table of Contents

opportunities. For 2006, the incentive opportunities for the named executive officers (NEOs) were set at the following percentages of salary:

	Incentive Opportunities (% of salary)
Jeffrey W. Shaw	115%
George C. Biehl	90%
James P. Kane	100%
Thomas R. Sheets	75%
Dudley S. Sondeno	75%

The performance measures for 2006 were tied to the Company's financial performance, productivity, and customer satisfaction. This mix of five performance goals is designed to address shareholder interests through the Company's financial performance, and customer interests through productivity and customer satisfaction. In prior regulatory proceedings, the Company's regulatory commissions have insisted that these productivity measures and customer satisfaction levels be included in the MIP in order to recover the cost of the program in our natural gas rates.

The two financial performance measures selected by the Committee address the Company's average return-on-equity over the last three years (which is weighted and adjusted for inflation) and the Company's current utility return on equity in comparison to a peer group of natural gas distribution companies. The target for 2006 for the Company's three-year average return on equity before weighting and adjusting for inflation, was 8%. The target for the comparison of the Company's 2006 return on equity relative to the peer group of utilities was set at the 50th percentile. The productivity performance measures address a specific customer-to-employee ratio target and actual customer-to-employee ratios in comparison to a peer group of natural gas distribution companies. The target for 2006 for the Company's customer to employee ratio was set at 591 customers per employee. The target for the comparison of the Company's 2006 customer to employee ratio relative to the peer group of utilities was set at the 7th percentile. The customer service satisfaction level target for 2006 was set at 85% and measured individually for each of the Company's operating divisions.

Each of the five performance measures is equally weighted and the actual performance award can range from 70% to 140% of the assigned incentive opportunity for each measure. If the threshold percentage for any measure is achieved, a percentage of annual performance awards will have been earned. Regardless of whether such awards are earned, no awards will be paid in any year unless dividends paid on Company common stock for such year equal or exceed the prior year's dividends. The success in achieving the performance measures for 2006 are discussed in the narrative following the Summary Compensation Table.

If annual performance awards are earned and payable, payment of the awards will be subject to a reduction depending upon satisfaction of a MIP participant's individual performance goals. The Committee reviews the CEO's individual performance. The CEO, in turn, will make a like determination for the other executive officers. Further, the annual awards will be split, with 40% paid in cash (which is disclosed as non-equity incentive plan compensation in the Summary Compensation Table) and the remaining 60% converted into performance shares (which is disclosed as stock awards in the Summary Compensation Table) tied to a 5-day average value of Company common stock for the first five trading days in January. The performance shares are restricted for three years and the ultimate payout in Company common stock is subject to continued employment during this restricted period.

Edgar Filing: SOUTHWEST GAS CORP - Form PRE 14A

Grants under the Option Plan were provided to our executive officers and key employees during 2006. The option grants were issued at 100% of the fair market value of Company common stock on

Table of Contents

the date of grant, which has been the practice in granting options since the inception of the plan. The option grants, during the life of the Option Plan, were not based upon a predetermined formula, but rather, on the Committee's judgment as to the individual's anticipated contribution to the future success of the Company. In establishing award levels, we generally did not consider the equity ownership levels of the recipients or prior equity awards. It was and is our belief that competitors who might try to hire away our employees would not give credit for equity ownership in the Company and, accordingly, to remain competitive, we could not afford to give credit for that factor either.

This year's option grants consumed the remaining options that could be delivered under the Option Plan. The grants under the Option Plan were made on August 1, at the time salaries are set for Company officers. The timing of the option grants to Company officers has occurred at that time each year since the inception of the Option Plan. Given the timing of our fiscal year and the setting of base salaries, grants have been made after the close of our second quarter and prior to our announcement of the quarter's results. Such grants have been made without regard to the second quarter performance.

Historically, we selected the use of stock options because of the favorable accounting and tax treatment and the customary practice of their use as a retention tool in our industry. However, beginning in 2006, the accounting treatment for stock options changed as a result of the adoption of Statement of Financial Accounting Standard No. 123R, Share-Based Payment (FAS 123A) making the accounting treatment of stock options less attractive. As a result, we assessed the desirability of granting shares of restricted stock to employees and concluded that restricted stock would provide an equally motivating form of incentive compensation, while permitting us to issue fewer shares, thereby reducing potential dilution. The Company will not be seeking shareholder approval to extend the Option Plan.

Shareholders will be asked to approve the 2006 Restricted Stock Plan (the Stock Plan) in 2007. The Stock Plan is designed to provide incentives for maintaining performance and strengthening shareholder value. The award opportunities, like that of the MIP, are based on a percentage of salary. If shareholders approve the Stock Plan at this year's Annual Meeting, the target Stock Plan incentive opportunities, as a percentage of salary, are as follows:

	Incentive Opportunities (% of salary)
Jeffrey W. Shaw	45%
George C. Biehl	25%
James P. Kane	30%
Thomas R. Sheets	20%
Dudley S. Sondeno	20%

The performance goal used to determine whether an award is earned will be the average MIP payout percentage for the three years immediately preceding the award determination date. The target is set at an average payout percentage of 100%; however, no award will be earned unless the average payout percentage exceeds 90%. If an award is earned, it can range from 50% to 150% of the incentive opportunity. Once earned, the award will be converted into Restricted Stock or Restricted Stock Units, based on the fair market value of Company common stock on the date of the award, and will vest in percentages (40%, 30%, and 30%) over the next three years. The success in achieving the performance measures for 2006 is discussed in the narrative following the Summary Compensation Table. If shareholders do not approve the Stock Plan, no awards will be made.

Perquisites. We provide a limited number of perquisites to our executives. Officers receive car allowances, cell phones, cable internet access, annual physical examinations, and a \$3,000 allowance once every three years to do financial planning. Senior officers are also provided country club

Table of Contents

memberships. The costs associated with the personal use of company cars, cell phones, cable internet access, and the charges for personal use of the country club memberships are the responsibility of the individual officers.

Retirement Benefits. Four post-retirement benefit plans are available to our executive officers. Two of the plans, the Retirement Plan for Employees of Southwest Gas Corporation (the Retirement Plan) and the Employees Investment Plan (EIP), both tax-qualified plans, are available to all of our employees of the Company. Two additional plans are offered to our executives: the Supplemental Retirement Plan (SRP) and the Executive Deferral Plan (EDP). These additional plans were established to attract and retain qualified executives and to address the dollar limitations imposed on the two tax-qualified plans.

Benefits under the Retirement Plan are based on the (i) executive's years of service with the Company, up to a maximum of 30 years, and (ii) average of the executive's highest five consecutive years' salary, within the final ten years of service, not to exceed a maximum compensation level established by the Internal Revenue Service. The SRP is designed to supplement the benefits under the Retirement Plan to a level of up to 60% of salary. To qualify for benefits under the SRP, which is based on a 12-month average of the highest 36-months of salary, an executive is required to have 20 years of service with the Company and qualify to receive retirement benefits under the Retirement Plan.

Executives may participate in the EIP and defer salary up to the maximum annual dollars permitted for 401(k) plans under the Code. Investments of these deferrals are controlled by the individual executives from a selection of investment options offered through the EIP. We do not match contributions for executive deferrals into the EIP. The EDP supplements the deferral opportunities by permitting executives to defer up to 100% of their annual salary and non-equity incentive plan compensation. As part of the plan, we provide matching contributions that parallel the contributions made under the EIP to non-executives, up to 3% of their annual salary. Amounts deferred and our matching contributions bear interest at 150% of the Moody's Seasoned Corporate Bond Rate. At retirement or termination, with five years of service with the Company, EDP balances will be paid out at the election of the participant over a period of 10, 15, or 20 years and will be credited during the applicable payment period with interest at 150% of the average of the Moody's Seasoned Corporate Bond Rate on each January 1 for the five years prior to the start of retirement.

Post-Termination Benefits. The Company enters into employment agreements (Employment Agreements) with its senior officers, including each of the NEOs, and change in control agreements (Change in Control Agreements) with its remaining officers. The Employment Agreements generally provide for payment, upon termination without cause or a significant reduction in an officer's duties, responsibilities, location, or compensation (collectively, referred to as Termination Event), of up to one and one-half years of compensation for the NEOs other than the PEO and up to three years of total compensation for the PEO. Compensation includes salary, a predetermined level of incentive compensation and fringe benefits, re-employment/relocation expense, office, and secretarial support expense. All unvested restricted stock and stock option awards vest and the options will remain exercisable for 90 days after a Termination Event. Additional credits will also be provided that may affect eligibility, vesting and calculation of benefits under the SRP. The Employment Agreements also provide for the lump sum payment, upon a Termination Event within two years following a change in control of the Company, of an amount equal to two to two and one-half times total compensation, as outlined above. Under these latter circumstances, the PEO would be entitled to a payment equal to three times his total compensation.

The Change in Control Agreements for the remaining officers parallel the change in control provisions of the Employment Agreements, and provide that such officers would be entitled to an amount equal to two times their annual compensation as defined above. A change in control event

Table of Contents

under both forms of agreements is generally defined to include an acquisition by one person (or group of persons) of at least 20% of the ownership of the Company, the replacement of the majority of the members of the incumbent Board of Directors (excluding replacement directors nominated by the incumbent Board), or mergers and similar transactions which result in more than a 50% change in ownership. Restricted stock awards and stock options may vest and become immediately exercisable upon a change in control event.

If any payment under these agreements or plans would constitute a parachute payment subject to any excise tax under the Code, the Company will pay the tax.

These agreements are for 24 months for each of the officers other than Mr. Shaw, whose agreement is for 36 months. The agreements automatically extend for successive one-year periods, unless canceled by the Company.

Interaction of the Compensation Elements in Relation to the Compensation Objectives

The Company's executive compensation program rewards long-term employment commitments and rewards performance from its executives. Salary, retirement benefits, and the opportunity to be rewarded for performance provide the incentives to secure long-term commitments to the Company. Being rewarded for actual performance recognizes the Company's commitments to increasing shareholder value, implementing operational efficiencies, and maintaining customer satisfaction. Taken as a whole, the program supports the Company's commitment to its shareholders and its long-term commitment to its customers.

Deductibility of Compensation

Our executive compensation program is being administered to maintain the tax deductibility of compensation paid to the named executive officers. Section 162(m) of the Code provides that compensation paid to the officers in excess of \$1,000,000 cannot be deducted by the Company for federal income tax purposes unless, in general, such compensation is performance-based, is established by an independent committee of directors, is objective, and the plan or agreement providing for such performance-based compensation has been approved in advance by shareholders or is otherwise exempt from such limitation. The ability of the Company to continue to expense compensation payments for tax purposes (i.e., satisfying the requirements of Section 162(m) of the Code) is considered in designing the performance-based component of the compensation program. In the future, however, the Company may pay compensation that is nondeductible in limited circumstances if sound management of the Company so requires.

COMPENSATION COMMITTEE REPORT

As a part of the Committee's duties, it is charged with the responsibility for producing a report on executive compensation for inclusion in the Annual Report on Form 10-K and this Proxy Statement. This report is based on the Committee's review of the Compensation Discussion and Analysis (CD&A) and the discussion of its content with management.

Edgar Filing: SOUTHWEST GAS CORP - Form PRE 14A

The Committee, in reliance on its review of the CD&A and its discussions with management, recommended to the Board (and the Board has approved and directed) that the CD&A be included in the Company's Annual Report for the year ended December 31, 2006, and this Proxy Statement.

APPROVAL OF THE SOUTHWEST GAS CORPORATION 2006 RESTRICTED

STOCK/UNIT PLAN

(Item 2 on the Proxy Card)

The Board of Directors Recommends a VOTE FOR this Proposal

Shareholders are being asked to approve the Company's 2006 Restricted Stock/Unit Plan (the 2006 Plan). An affirmative vote of a simple majority of the shares represented at the Annual Meeting, in person or by proxy, is necessary for approval of the 2006 Plan.

The purpose of the 2006 Plan is to retain employees and directors of the Company having experience and ability, to attract new employees and directors whose services are considered valuable, to encourage the sense of proprietorship, and to stimulate the active interest of such persons in the development and financial success of the Company and its subsidiaries. We believe that grants of restricted stock and restricted stock units are an increasingly important means to retain and compensate employees and directors. The 2006 Plan became effective upon its adoption, but its continuance is subject to approval by the Company's shareholders. Awards were granted under the 2006 Plan in January 2007 which will vest over the next three (3) years; however, the awards will be rescinded if the shareholders do not approve the 2006 Plan.

If approved by the shareholders, a total of 400,000 shares of Company common stock will be initially reserved for issuance under the 2006 Plan. The number of shares of Company common stock available under the 2006 Plan will be subject to adjustment in the event of a stock split, stock or other extraordinary dividend, or other similar change in the Company common stock or capital structure of the Company. Capitalized terms used but not defined in this Item 2 shall have the same meaning as in the 2006 Plan unless otherwise indicated.

A general description of the principal terms of the 2006 Plan as proposed is set forth below. This description is qualified in its entirety by the terms of the 2006 Plan, a copy of which is attached to this Proxy Statement as Appendix A and is incorporated herein by reference.

General Description

Purpose. The purpose of the 2006 Plan is to provide the Company's officers, directors and employees, whose present and potential contributions are important to the success of the Company, an incentive, through ownership of Company common stock, to continue in service to the Company, and to help the Company compete effectively with other enterprises for the services of qualified individuals.

Shares Reserved for Issuance under the 2006 Plan. If approved by the shareholders, a total of 400,000 shares of Company common stock will be initially reserved for issuance under the 2006 Plan. The number of shares of Company common stock available under the 2006 Plan will be subject to adjustment in the event of a stock split, stock or other extraordinary dividend, or

other similar change in the Company common stock or capital structure of the Company.

The maximum number of shares with respect to which awards of restricted stock and restricted stock units that are intended to be performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), that may be granted to a participant during a calendar year is 20,000 shares. The foregoing limitations shall be adjusted proportionately by the Administrator in connection with any change in the Company s capitalization due to a stock split, stock dividend, or similar event affecting Company common stock and its determination shall be final, binding and conclusive.

Table of Contents

Administration. The 2006 Plan is administered by the plan administrator (the Administrator), defined as one or more committees we designate consisting of independent directors. The 2006 Plan will be administered by the compensation committee. With respect to grants to officers, directors, and employees who are considered a covered employee for purposes of Section 162(m) of the Code, the committee shall be constituted in such a manner as to satisfy applicable laws, including Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended, and Section 162(m) of Code.

Terms and Conditions of Awards. The 2006 Plan provides for the grant of restricted stock and restricted stock units (collectively referred to as awards). Awards may be granted to officers, directors, and employees of the Company and its related entities. Each award granted under the 2006 Plan shall be designated in an award agreement.

Subject to applicable laws, the Administrator has the authority, in its discretion, to select officers, directors and employees to whom awards may be granted from time to time, to determine whether and to what extent, awards are granted, to determine the number of shares of Company common stock, or the amount of other consideration to be covered by each award (subject to the limitations set forth under the above sub-section of this Item 2 titled Shares Reserved for Issuance under the 2006 Plan), to approve award agreements for use under the 2006 Plan, to determine the terms and conditions of any award (including the vesting schedule applicable to the award), to amend the terms of any outstanding award granted under the Plan, to construe and interpret the terms of the 2006 Plan and awards granted, and to take such other action not inconsistent with the terms of the 2006 Plan, as the Administrator deems appropriate.

The 2006 Plan provides that any amendment that would adversely affect the grantee's rights under outstanding awards shall not be made without the grantee's written consent. The Administrator may issue awards under the 2006 Plan in settlement, assumption, or substitution for, outstanding awards or obligations to grant future awards in connection with the Company, or a related entity acquiring another entity, an interest in another entity or an additional interest in a related entity whether by merger, stock purchase, asset purchase, or other form of transaction.

Vesting of Awards. With respect to awards made to officers and employees, unless otherwise set forth in an individual award agreement or in an amendment to Appendix A to the 2006 Plan (which sets forth the vesting schedule of awards), the shares or units subject to an award will vest and be paid out in shares of Company common stock over a three (3) year period as follows: 40% of the shares or units subject to the award will vest on the 4th of January following the grant date of the award and 30% of the shares or units subject to the award will vest on each of the second and third anniversaries of the vesting commencement date.

With respect to awards made to directors, the shares or units subject to an award will vest over a three (3) year period as follows: 40% of the shares or units subject to the award will vest on the 4th of January following the grant date of the award and 30% of the shares or units subject to the award will vest on each of the second and third anniversaries of the vesting commencement date. Awards of restricted stock units, however, will not be converted into shares of Company common stock until the director's continuous service terminates or upon a Change in Control Event (as described below in the sub-section of this Item 2 titled Change in Control Event).

Termination of Service. In the event an employee's continuous service with the Company terminates as a result of death, disability, or retirement (as defined in the 2006 Plan), 100% of the shares or units subject to the award will become fully vested and no longer subject to forfeiture. If an employee is employed as a senior vice president or any position above senior vice president, and such employee terminates continuous service with the Company for good reason (as defined in the 2006 Plan), such employee will also become 100% vested in any outstanding awards. With respect to

Table of Contents

awards to directors, if a director's continuous service terminates due to death, disability, or retirement, 100% of the shares or units subject to the award will become fully vested and no longer subject to forfeiture.

Transferability of Awards. Under the 2006 Plan, awards are transferable by will and by the laws of descent and distribution, and during the lifetime of a participant, to the extent and in the manner authorized by the Administrator. The 2006 Plan permits the designation of beneficiaries by holders of awards.

Section 162(m) of the Code. The maximum number of shares, with respect to which restricted stock and restricted stock units may be granted to a participant during a calendar year, is 20,000 shares. The foregoing limitation shall be adjusted proportionately by the Administrator in connection with any change in the Company's capitalization due to a stock split, stock dividend or similar event affecting the common stock of the Company, and its determination shall be final, binding and conclusive. Under Code Section 162(m), no deduction is allowed in any taxable year of the Company for compensation in excess of \$1 million paid to the Company's covered employees. An exception to this rule applies to compensation paid to a covered employee pursuant to a stock incentive plan approved by shareholders and that specifies, among other things, the maximum number of shares with respect to which restricted stock and restricted stock units may be granted to eligible participants under such plan during a specified period. In order for restricted stock and restricted stock units to qualify as performance-based compensation, the Administrator must establish a performance goal with respect to such award in writing not later than 90 days after the commencement of the services to which it relates and while the outcome is substantially uncertain. In addition, the performance goal must be stated in terms of an objective formula or standard.

Under the current version of Code Section 162(m), a covered employee is the Company's chief executive officer and the four other most highly compensated officers of the Company. The Internal Revenue Service (IRS) is expected to release shortly guidance that may expand the definition of a covered employee to be consistent with recent changes under the reporting and disclosure rules of the Securities Exchange Act of 1934. The new reporting rules require disclosure for the chief executive officer, the chief financial officer (regardless of compensation), and the next three highest paid officers. Therefore, once the IRS issues the expected guidance, the Company will apply such guidance to its covered employees for the purposes of Section 162(m).

The 2006 Plan includes the following performance criteria that may be considered by the Administrator when granting performance-based awards: (i) increase in share price, (ii) earnings per share, (iii) total shareholder return, (iv) operating margin, (v) gross margin, (vi) return on equity, (vii) return on assets, (viii) return on investment, (ix) operating income, (x) net operating income, (xi) pre-tax profit, (xii) cash flow, (xiii) revenue, (xiv) expenses, (xv) earnings before interest, taxes and depreciation, (xvi) economic value added, (xvii) market share, (xviii) gas segment return on equity, (xix) customer to employee ratio, (xx) customer service satisfaction, (xxi) gas segment return on equity compared to peer group companies, and (xxii) gas segment customer to employee ratio compared to peer group companies. The performance criteria may be applicable to the Company, entities related to the Company, and/or any individual business units of the Company or any related entity.

Change in Capitalization. Subject to any required action by the shareholders of the Company, the number of shares of Common Stock covered by outstanding awards, the number of shares of Common Stock that have been authorized for issuance under the 2006 Plan, the exercise or purchase price of each outstanding award, the maximum number of shares of Common Stock that may be granted subject to awards to any participant in a calendar year, and the like, shall be proportionally adjusted by the Administrator in the event of: (i) any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, stock dividend, combination or reclassification or

Table of Contents

similar event affecting the Common Stock of the Company; (ii) any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; or (iii) any other transaction with respect to Common Stock including a corporate merger, consolidation, acquisition of property or stock, separation (including a spin-off or other distribution of stock or property), reorganization, liquidation (whether partial or complete), distribution of cash or other assets to shareholders other than a normal cash dividend, or any similar transaction; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Except as the Administrator determines, no issuance by the Company of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason hereof shall be made with respect to, the number of shares of Common Stock subject to an award.

Change in Control Event. Except as provided otherwise in an individual award agreement, in the event of a Change in Control Event, each award, which is at the time outstanding under the 2006 Plan, will automatically become fully vested and be released from any repurchase, forfeiture, or transfer restrictions and, with respect to restricted stock units, be converted in full to shares of Common Stock immediately prior to the specified effective date of such Change in Control Event.

Under the 2006 Plan, a Change in Control Event is generally defined as:

- * a complete liquidation or dissolution;
- * acquisition of 20% or more of the Company's stock by any individual or entity including by tender offer or a reverse merger;
- * a merger or consolidation in which the Company is not the surviving entity; or
- * during any period not longer than two (2) consecutive years, members of the Board who at the beginning of such period cease to constitute at least a majority of the Board, unless the election, or the nomination for election of each new Board member, was approved by a vote of at least 3/4 of the Board members then still in office who were Board members at the beginning of such period.

Notwithstanding the foregoing, prior to the occurrence of any of the events listed above (except a complete liquidation or dissolution of the Company), we may determine that such an event will not constitute a Change in Control Event for purposes of the 2006 Plan and the awards granted under the 2006 Plan.

Amendment, Suspension or Termination of the 2006 Plan. We may at any time amend, suspend or terminate the 2006 Plan. The 2006 Plan will be for a term of ten (10) years unless sooner terminated. Awards may be granted under the 2006 Plan upon it becoming effective, but awards granted prior to obtaining shareholder approval will be rescinded if the shareholders do not approve the 2006 Plan. To the extent necessary to comply with applicable provisions of federal securities laws, state corporate and securities laws, the Code, the rules of any applicable stock exchange or national market system, and the rules of any non-U.S. jurisdiction applicable to awards granted to residents therein, the Company shall obtain shareholder approval of any such amendment to the 2006 Plan in such a manner and to such a degree as is required.

New Plan Benefits

On January 16, 2007, the Administrator approved awards under the 2006 Plan based on the Company's performance over the 2004 through 2006 period. The three-year average Management

Certain Federal Tax Consequences

The following summary of the federal income tax consequences of the 2006 Plan and the awards granted thereunder is based upon federal income tax laws in effect on the date of this proxy statement. This summary does not purport to be complete, and does not discuss non-U.S., state, or local tax consequences, or additional guidance that is expected to be issued by the Treasury Department under Section 409A of the Internal Revenue Code.

Restricted Stock. The grant of restricted stock will subject the recipient to ordinary compensation income on the difference between the amount paid for such stock and the fair market value of the shares on the date that the restrictions lapse. This income is subject to withholding for federal income and employment tax purposes. The Company is entitled to an income tax deduction in the amount of the ordinary income recognized by the recipient, subject to possible limitations imposed by Section 162(m) of the

Code, and so long as the Company withholds the appropriate taxes with respect to such income (if required), and the recipient's total compensation is deemed reasonable in amount. Any gain or loss on the recipient's subsequent disposition of the shares will receive long or short-term capital gain or loss treatment depending on how long the stock has been held since the restrictions lapsed. The Company does not receive a tax deduction for any such gain.

Recipients of restricted stock may make an election under Section 83(b) of the Code (Section 83(b) Election) to recognize, as ordinary compensation income in the year that such restricted stock is granted, the amount equal to the spread between the amount paid for such stock and the fair market value on the date of the issuance of the stock. If such an election is made, the recipient recognizes no further amounts of compensation income upon the lapse of any restrictions and any gain or loss on subsequent disposition will be long or short-term capital gain to the recipient. The Section 83(b) Election must be made within thirty (30) days from the time the restricted stock is issued.

Table of Contents

Restricted Stock Units. Recipients of restricted stock units generally should not recognize income until such units are converted into cash or shares of stock. Upon conversion, the recipient will normally recognize taxable ordinary income for federal income tax purposes equal to the amount of cash and fair market value of the shares, if any, received upon such conversion. Recipients who are employees will be subject to withholding for federal income and employment tax purposes with respect to income recognized upon conversion of the restricted stock units. Participants will recognize gain upon the disposition of any shares received upon conversion of the restricted stock units equal to the excess of (i) the amount realized on such disposition over (ii) the ordinary income recognized with respect to such shares under the principles set forth above. That gain will be taxable as long or short-term capital gain depending on whether the shares were held for more than one year. The Company will be entitled to a tax deduction to the extent and in the year that ordinary income is recognized by the recipient, subject to possible limitations imposed by Section 162(m) of the Code, and so long as the Company withholds the appropriate taxes with respect to such income (if required), and the recipient's total compensation is deemed reasonable in amount.

Restricted stock units also can be considered non-qualified deferred compensation and subject to the new Section 409A of the Code. A grant of restricted stock units that does not meet the requirements of Code Section 409A will result in an additional 20% tax obligation, plus penalties and interest to such recipient.

APPROVAL OF THE AMENDMENT TO RESTATED ARTICLES OF INCORPORATION TO INCREASE AUTHORIZED SHARES OF COMMON STOCK

(Item 3 on the Proxy Card)

The Board of Directors Recommends a VOTE FOR this Proposal

Shareholders are being asked to approve an amendment to Article IV of the Company's Restated Articles of Incorporation increasing the number of shares of Common Stock which the Company has authority to issue from 45,000,000 shares to 60,000,000 shares. Increasing the number of shares of Common Stock will result in a total of 67,000,000 authorized shares of common, preferred and preference stock, with a total par value of \$100,000,000. An affirmative vote of a majority of the shares of the Company's Common Stock outstanding on March 6, 2007, the record date, is required to approve the proposed amendment.

As of February 5, 2007, there were 41,988,396 shares of Common Stock outstanding, and an additional 2,026,669 shares of Common Stock has been reserved for issuance under the Company's dividend reinvestment and stock purchase plan, Option Plan, MIP, and the defined contribution pension plan. The Company also has in place an equity shelf program designed to permit the sale of Common Stock, in at-the-market offerings, at market prices at the time of sale. Approximately, 430,000 shares of Common Stock (assuming a sales price of \$39 per share) are reserved for that program and an additional 400,000 shares will be reserved for the proposed 2006 Restricted Stock Plan if approved by shareholders at this year's Annual Meeting of Shareholders.

The proposal to increase the number of shares of authorized Common Stock is designed to ensure that the Company has the ability to issue common stock to meet a portion of its ongoing capital requirements. The Company is one of the fastest growing natural gas distribution companies in the country and needs the ability to finance a portion of the additional plant and equipment to provide service to its growing customer base through the issuance of Common Stock. The increase in authorized shares of Common Stock will also ensure that shares would be available, if needed, for issuance in connection with stock splits, stock dividends, options, warrants, rights, acquisitions, and other corporate purposes. The Board of Directors believes that the availability of additional shares for such purposes without delay or the necessity for a special shareholders meeting will be beneficial to the Company.

No further action or authorization by you, the shareholders, would be necessary prior to the issuance of the additional shares of Common Stock, unless required by applicable law, regulatory requirements, or by the rules of any stock exchange on which the Company's securities are listed. A shareholder vote is generally required in connection with any transaction which requires an amendment to the Company's Restated Articles of Incorporation, any merger or sale of substantially all of the assets of the Company, and any reorganization in which the Company's shareholders would own less than five-sixths of the voting power of the surviving corporation.

The holders of any of the additional shares of Common Stock issued in the future will have the same rights and privileges as the holders of the shares of Common Stock currently authorized and outstanding. These rights include cumulative voting rights, with respect to the election of directors, if certain conditions are met, and exclude preemptive rights with respect to the future issuance of any such additional shares.

Edgar Filing: SOUTHWEST GAS CORP - Form PRE 14A

Although the Board of Directors has no present intention of doing so, it could issue shares of Common Stock that could make it more difficult or discourage an attempt to obtain control of the Company by means of a merger, tender offer, proxy contest, or other means. Such shares could be used to create voting or other impediments or to discourage persons seeking to gain control of the

Table of Contents

Company. Other measures previously approved by shareholders that are designed to address change in control attempts include the Board's ability to issue blank-check Preferred Stock and the supermajority requirements spelled out in Article IV-A of the Restated Articles of Incorporation.

Article IV-A of the Restated Articles of Incorporation requires an affirmative vote of the holders of not fewer than 85% of the outstanding share of the Company's Common Stock to approve or authorize any business combination of the Company with any shareholder who beneficially owns 10% or more of the outstanding shares of the Company's Common Stock, unless the business combination is approved by the requisite vote of the Board. This measure is designed to require such shareholders to negotiate with the Board in order to avoid the supermajority voting requirements imposed by Article IV-A.

Any attempt to acquire control of the Company would also be subject to state and federal regulatory approvals. Since the Company is a regulated utility, prior regulatory approvals would be required before any sale, merger, or consolidation of the Company could occur. The regulatory approval process, though not designed to protect shareholder interests, would require disclosures regarding the proposed sale, merger, or consolidation and provide additional opportunities to shareholders to evaluate any such action.

While the Company may consider effecting an equity offering of Common Stock in the proximate future for purposes of raising additional capital or otherwise, the Company, as of the date hereof and except as outlined above, has no immediate plans, arrangements, commitments, or understandings with respect to the issuance of any shares of such stock.

The Audit Committee has selected PricewaterhouseCoopers LLP as independent accountants for the Company for the year ending December 31, 2007, subject to ratification of the selection by you, the shareholders. To the committee's knowledge, at no time has PricewaterhouseCoopers LLP had any direct or indirect financial interest in or connection with the Company or any of our subsidiaries other than for services rendered to the Company as described below.

The committee is composed of independent directors and meets periodically with the Company's internal auditors and independent accountants to review the scope and results of the audit function and the policies relating to auditing procedures. In making its annual recommendation, the committee reviews both the audit scope and proposed fees for the coming year.

An affirmative vote of a majority of the shares present at the Annual Meeting in person or by proxy is necessary to ratify the selection of PricewaterhouseCoopers LLP as independent accountants for the Company. If the shareholders do not ratify our selection, other firms of certified public accountants will be considered and one will be selected by the committee to be the Company's independent accountants for 2007.

Under the committee s charter, the committee must preapprove all Company engagements of PricewaterhouseCoopers LLP, unless an exception exists under the provisions of the Exchange Act or applicable SEC rules. At the beginning of each audit cycle, the committee evaluates the anticipated engagements of the independent accountants, including the scope of work proposed to be performed and the proposed fees, and approves or rejects each service, consistent with its Preapproval Policy, taking into account whether the services are permissible under applicable laws and the possible impact of each nonaudit service on PricewaterhouseCoopers LLP s independence from management. The committee also considers whether the independent accountants are best positioned to provide effective and efficient service, and whether the service may enhance the Company s ability to manage and control risk or improve audit quality. Throughout the year, the committee reviews updates of the services actually provided and fees charged by PricewaterhouseCoopers LLP.

Requests for the independent accountants to provide additional services are presented to the committee by the Company s chief financial or accounting officer, on an as-needed basis. The committee has delegated to the chairperson of the committee the authority to evaluate and approve engagements on the committee s behalf in the event that a need arises for preapproval between committee meetings. Approvals of additional services will be made consistent with the Preapproval Policy and will be reported to the committee at its next scheduled meeting.

Since the effective date of the preapproval process, the committee has approved, in advance, each new engagement of PricewaterhouseCoopers LLP, and none of those engagements made use of the *de minimis* exception to the preapproval requirement contained in the SEC rules.

Representatives of PricewaterhouseCoopers LLP will be present at the Annual Meeting of Shareholders. They will have the opportunity to make statements, if they are so inclined, and will be available to respond to appropriate questions.

AUDIT COMMITTEE REPORT

The committee, which consists entirely of directors who meet the independence and experience requirements of the NYSE and the SEC, is furnishing the following report:

The committee assists the Board in fulfilling its oversight responsibility by reviewing the financial information provided to shareholders and others, the system of internal control which management and the Board have established, and the audit process. Management is responsible for the Company's consolidated financial statements, for maintaining internal control over the Company's financial reporting, and for assessing the effectiveness of that control. PricewaterhouseCoopers LLP, the Company's independent accountants, is responsible for performing an integrated audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards, attesting to management's assessment of and on the effectiveness of the Company's internal control over financial reporting based on the audit, and issuing a report thereon. The committee's role and responsibilities are to monitor and oversee these processes as set forth in a written committee charter adopted by the Board. The committee charter is available on the Company's website at <http://www.swgas.com/investorrelations> and will no longer be appended to the Proxy Statement on a three-year cycle. The committee reviews and assesses the adequacy of the Charter at least annually and recommends any changes to the Board for approval.

In fulfilling our responsibilities for 2006, the committee:

- * Reviewed and discussed the audited financial statements for the year ended December 31, 2006, with management and PricewaterhouseCoopers LLP;
- * Discussed with PricewaterhouseCoopers LLP the matters required to be discussed by the Statement on Auditing Standards, SAS No. 61, as amended, as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T; and
- * Received written disclosures and a letter from PricewaterhouseCoopers LLP regarding their independence as required by Independence Standards Board Standard No. 1, as adopted by the PCAOB in Rule 3600T, and discussed with them their independence.

Based on the review and discussions referred to above, the committee recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2006, filed with the SEC.

13. *Reservation of Shares.*

(a) The Company, during the term of the Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

(b) The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

14. *No Effect on Terms of Employment/Consulting Relationship.* The Plan shall not confer upon any Grantee any right with respect to the Grantee's Continuous Service, nor shall it interfere in any way with his or her right or the right of the Company or any Related Entity to terminate the Grantee's Continuous Service at any time, with or without Cause, and with or without notice. The ability of the Company or any Related Entity to terminate the employment of a Grantee who is employed at will is in no way affected by its determination that the Grantee's Continuous Service has been terminated for Cause for the purposes of this Plan.

15. *No Effect on Retirement and Other Benefit Plans.* Except as specifically provided in a retirement or other benefit plan of the Company or a Related Entity, Awards shall not be deemed compensation for purposes of computing benefits or contributions under any retirement plan of the Company or a Related Entity, and shall not affect any benefits under any other benefit plan of any kind or any benefit plan subsequently instituted under which the availability or amount of benefits is related to level of compensation. The Plan is not a Retirement Plan or Welfare Plan under the Employee Retirement Income Security Act of 1974, as amended.

16. *Construction.* Captions and titles contained herein are for convenience only and shall not affect the meaning or interpretation of any provision of the Plan. Except when otherwise indicated by the context, the singular shall include the plural and the plural shall include the singular. Use of the term "or" is not intended to be exclusive, unless the context clearly requires otherwise.

17. *Arbitration and Litigation.*

(a) Any dispute, controversy or claim arising out of or in respect to this Plan (or its validity, interpretation or enforcement) or the subject matter hereof must be submitted to and settled by arbitration conducted before a single arbitrator (chosen from a list of arbitrators provided by the American Arbitration Association with each party hereto taking alternate strikes and the remaining arbitrator hearing the dispute). The arbitration will be conducted in Clark County, Nevada, in accordance with the then current rules of the American Arbitration Association or its successor. The arbitration of such issues, including the determination of any amount of damages suffered, will be final and binding upon the parties to the maximum extent permitted by law. The arbitrator in such action will not be authorized to change or modify any provision of the Plan. Judgment upon the award rendered by the arbitrator may be entered by any court having jurisdiction thereof. The arbitrator will award reasonable legal fees and expenses (including arbitration costs) to the prevailing party upon application therefor. The parties consent to the jurisdiction of the Supreme Court of the State of Nevada and of the U.S. District Court for the District of Nevada for all purposes in connection with arbitration, including the entry of judgment of any award.

(b) Except as may be necessary to enter judgment upon the award or to the extent required by applicable law, all claims, defenses and proceedings (including, without limiting the generality of the foregoing, the existence of the controversy and the fact that there is an arbitration proceeding) shall be treated in a confidential manner by the arbitrator, the parties and their counsel, and each of their agents and employees, and all others acting on behalf or in concert with them. limiting the generality of the foregoing, no one shall divulge to any third party or person not directly involved in the arbitration, the contents of the pleadings, papers, orders, hearings, trials, or awards in the arbitration, except as may be necessary to enter judgment upon an award as required by applicable law. Any court proceedings relating to the arbitration hereunder, including, without limiting the generality of the foregoing, to prevent or compel arbitration to perform, correct, vacate or otherwise enforce an arbitration award, shall be filed under seal with the court, to the extent permitted by law.

* Awards granted pursuant to the Plan will range from 50 to 150% percent of the target award opportunity for each participant, other than non-Employee Directors, established for the initial award. The actual award will be determined based on the three-year average Management Incentive Plan payout percentage (MIP Payout Percentage) for the three years immediately preceding the award determination date. The threshold to earn an award will be a MIP Payout Percentage of 90. The award will increase by 5% for each one percentage point increase in the MIP Payout Percentage until such percentage equals 100, then the increase will be reduced to 2 1/2% for each percentage point increase through 120.

* Awards granted pursuant to the Plan to Directors will be set at 500 Restricted Stock or Stock Units per year.

* Once the Awards are established, they will be converted into Restricted Stock or Stock Units, based on the closing price of Common Stock on the New York Stock Exchange on the Award date.

Vesting Schedule of Awards:

(a) *Awards to Employees.*

(i) With respect to Awards to Employees, unless otherwise set forth in the Award Agreement or in an amendment to this Appendix A, the Shares or Units subject to an Award shall vest and be paid out in Common Stock over a three (3) year period as follows: forty percent (40%) of the Shares or Units subject to the Award shall vest on the 4th of January following the date the award is granted (the Vesting Commencement Date) and thirty percent (30%) of the Shares or Units subject to the Award shall vest on each of the second and third anniversaries of the Vesting Commencement Date.

(ii) During any authorized leave of absence, the vesting of the Shares or Units awarded to Employees only as provided above shall be suspended after the leave of absence exceeds a period of three (3) months. Vesting of the Shares or Units shall resume upon the Employee's termination of the leave of absence and return to service to the Company or a Related Entity. The Vesting Schedule of the Shares or Units shall be extended by the length of the suspension.

(iii) Notwithstanding the foregoing, in the event the Employee's Continuous Service terminates as the result of death, Retirement, or Disability, 100% of the Shares or Units shall become fully vested and no longer subject to forfeiture to the Company. In addition, 100% of the Shares or Units shall become fully vested and no longer subject to forfeiture to the Company immediately prior to a Change in Control Event.

(iv) In addition, with respect to Grantees who are Senior Vice Presidents or above only, in the event such Grantee's Continuous Service terminates as a result of Good Reason, 100%

of the Shares or Units shall become fully vested and no longer subject to forfeiture to the Company.

(v) With respect to Restricted Stock Units, awards shall be credited with notional dividends at the same time, in the same form, and in equivalent amounts as dividends that are payable from time to time on the Common Stock. Any such notional dividends shall be valued as of the date on which they are credited to the Employee and reallocated to acquire additional Units. Such additional Units shall vest in accordance with the vesting schedule set forth in the applicable Award Agreement as if such Units had been issued on the date of such Award, if any.

For purposes of the Plan, *Good Reason* shall mean, with respect to Employees who are employed in senior vice president level positions and above, (i) a reduction by the Company in the Grantee's base salary as in effect on the date hereof, or (ii) any material breach of any material provision of any employment agreement between the Grantee and the Company by the Company which is not cured within sixty (60) days after written notice of such breach by the Grantee to the Company.

(b) *Awards to Directors*. Subject to the Director's Continuous Service, Awards shall vest in accordance with either of the following schedules:

(i) Forty percent (40%) of the Shares or Units subject to the Award shall vest on the 4th of January following the date the award is granted (the *Vesting Commencement Date*), and thirty percent (30%) on each of the second and third anniversaries of the *Vesting Commencement Date*. Vesting of the Shares or Units shall accelerate so that one hundred percent (100%) of the Shares or Units subject to the Award shall vest (a) immediately prior to a *Change in Control Event* or (b) upon termination of the Director's Continuous Service as a result of death, Disability or Retirement. With respect to Restricted Stock Units, the conversion of the Units into Shares, however, will not occur until the Director's Continuous Service terminates, or immediately prior to a *Change in Control Event*.

(ii) With respect to Restricted Stock Units, awards shall be credited with notional dividends at the same time, in the same form, and in equivalent amounts as dividends that are payable from time to time on the Common Stock. Any such notional dividends shall be valued as of the date on which they are credited to the Director and reallocated to acquire additional Units. In the event the Grantee terminates Continuous Service for any reason other than death, Disability, or Retirement, any Units held by the Grantee immediately following such termination of the Grantee's Continuous Service shall be deemed reconveyed to the Company and the Company shall thereafter be the legal and beneficial owner of the Units and shall have all rights and interest in or related thereto without further action by the Grantee.

IN WITNESS WHEREOF, the Company and the Grantee have executed this Notice and agree that the Award is to be governed by the terms and conditions of this Notice, the Plan, and the Agreement.

SOUTHWEST GAS CORPORATION

2006 RESTRICTED STOCK/UNIT PLAN

RESTRICTED STOCK UNIT AGREEMENT

1. *Issuance of Units.* Southwest Gas Corporation, a California corporation (the *Company*), hereby issues to the Grantee (the *Grantee*) named in the Notice of Restricted Stock Unit Award (the *Notice*) an award (the *Award*) of the Total Number of Restricted Stock Units Awarded set forth in the Notice (the *Units*), subject to the Notice, this Restricted Stock Unit Agreement (the *Agreement*) and the terms and provisions of the Southwest Gas Corporation 2006 Restricted Stock/Unit Plan, as amended from time to time (the *Plan*), which is incorporated herein by reference. Unless otherwise provided herein, the terms in this Agreement shall have the same meaning as those defined in the Plan.

2. *Transfer Restrictions.* The Units may not be transferred in any manner other than by will or by the laws of descent and distribution. Notwithstanding the foregoing, the Grantee may designate a beneficiary of the Units in the event of the Grantee's death on a beneficiary designation form provided by the Company. The terms of this Agreement shall be binding upon the executors, administrators, heirs, successors, and transferees of the Grantee.

3. *Conversion of Units and Issuance of Shares.*

(a) *General.* Subject to Section 3(b), one share of Common Stock shall be issuable for each Unit subject to the Award (the *Shares*) upon the earlier of: (i) vesting; or (ii) immediately prior to the specified effective date of a Change in Control Event (as defined in the Plan) which also constitutes a change in the ownership or effective control, or in the ownership of a substantial portion of the assets (as defined in Section 409A of the Code) of the Company. Immediately thereafter, or as soon as administratively feasible, the Company will transfer such Shares to the Grantee upon satisfaction of any required tax or other withholding obligations.

(b) *Delay of Conversion.* The conversion of the Units to Common Stock under Section 3(a), above, shall be delayed in the event the Company reasonably anticipates that the issuance of Common Stock would constitute a violation of federal securities laws or other Applicable Law. If the conversion of the Units to Common Stock is delayed by the provisions of this Section 3(b), the conversion of the Units to Common Stock shall occur at the earliest date at which the Company reasonably anticipates issuing the Common Stock will not cause a violation of federal securities laws or other Applicable Law. For purposes of this Section 3(b), the issuance of Common Stock that would cause inclusion in gross income or the application of any penalty provision or other provision of the Code is not considered a violation of Applicable Law.

(c) *Delay of Issuance of Shares.* The Company shall have the authority to delay the issuance of any shares of Common Stock under this Section 3 to the extent it deems necessary or appropriate to comply with Section 409A(a)(2)(B)(i) of the Code (relating to payments made to certain key employees of certain publicly-traded companies); in such event,

Table of Contents

any shares of Common Stock to which the Grantee would otherwise be entitled during the six (6) month period following the date of the Grantee's termination of Continuous Service will be issued on the first business day following the expiration of such six (6) month period.

(d) *Right to Shares; Dividends.* The Grantee shall not have any right in, to or with respect to any of the Shares (including any voting rights or rights with respect to dividends paid on the Common Stock), issuable under the Award until the Award is settled by the issuance of such Shares to the Grantee; provided, however, that the Grantee's Units shall be credited with notional dividends at the same time, in the same form, and in equivalent amounts as dividends that are payable from time to time on Shares. Any such notional dividends shall be valued as of the date on which they are credited to the Grantee and reallocated to acquire additional Units. Such additional Units shall vest in accordance with the vesting schedule set forth in the applicable Notice, as if such Units had been issued on the Date of Award.

4. *Accelerated Conversion of Units and Issuance of Shares.* To the extent permitted under Code Section 409A, in its sole discretion, the Administrator may permit acceleration of the time or schedule for the conversion of vested Units and corresponding issuance of the Shares at any time this Agreement fails to meet the requirements of Section 409A of the Code and the corresponding regulations. Notwithstanding the foregoing, the accelerated distribution of Shares upon conversion of vested Units to the Grantee under this Section 5 shall not exceed the number of Shares with a value equal to the amount required to be included as income by the Grantee as a result of the failure to meet the requirements of Section 409A of the Code and the corresponding regulations.

5. *Taxes.*

(a) *Tax Liability.* The Grantee is ultimately liable and responsible for all taxes owed by the Grantee in connection with the Award, regardless of any action the Company or any Related Entity takes with respect to any tax withholding obligations that arise in connection with the Award. Neither the Company nor any Related Entity makes any representation or undertaking regarding the treatment of any tax withholding in connection with the grant or vesting of the Award or the subsequent sale of Shares issuable pursuant to the Award. The Company does not commit and is under no obligation to structure the Award to reduce or eliminate the Grantee's tax liability.

(b) *Payment of Withholding Taxes.* Prior to any event in connection with the Award (e.g., vesting) that the Company determines may result in any tax withholding obligation, whether United States federal, state, local or non-U.S., including any employment tax obligation (the Tax Withholding Obligation), the Grantee must arrange for the satisfaction of the minimum amount of such Tax Withholding Obligation in a manner acceptable to the Company.

(i) *By Share Withholding.* The Grantee authorizes the Company to, upon the exercise of its sole discretion, withhold from those Shares issuable to the Grantee, the number of Shares sufficient to satisfy the minimum applicable Tax Withholding Obligation. The Grantee acknowledges that the withheld Shares may not be sufficient to satisfy the Grantee's minimum Tax Withholding Obligation. Accordingly, the Grantee agrees to pay to the Company or any Related Entity as soon as practicable, including through additional payroll withholding, any amount of the Tax Withholding Obligation that is not satisfied by the withholding of Shares described above.

Edgar Filing: SOUTHWEST GAS CORP - Form PRE 14A

(ii) *By Sale of Shares.* Unless the Grantee determines to satisfy the Tax Withholding Obligation by some other means in accordance with clause (iii) below, the Grantee's acceptance of this Award constitutes the Grantee's instruction and authorization to the Company and any brokerage firm determined acceptable to the Company for such purpose to sell on the Grantee's behalf a number of Shares from those Shares issuable to the Grantee as the Company determines to be appropriate to generate cash proceeds sufficient to satisfy the minimum applicable Tax Withholding Obligation. Such Shares will be sold on the day such Tax Withholding Obligation arises (e.g., a vesting date) or as soon thereafter as practicable. The Grantee will be

Table of Contents

responsible for all broker's fees and other costs of sale, and the Grantee agrees to indemnify and hold the Company harmless from any losses, costs, damages, or expenses relating to any such sale. To the extent the proceeds of such sale exceed the Grantee's minimum Tax Withholding Obligation, the Company agrees to pay such excess in cash to the Grantee. The Grantee acknowledges that the Company or its designee is under no obligation to arrange for such sale at any particular price, and that the proceeds of any such sale may not be sufficient to satisfy the Grantee's minimum Tax Withholding Obligation. Accordingly, the Grantee agrees to pay to the Company or any Related Entity as soon as practicable, including through additional payroll withholding, any amount of the Tax Withholding Obligation that is not satisfied by the sale of Shares described above.

Notwithstanding the foregoing, the Company or a Related Entity also may satisfy any Tax Withholding Obligation by offsetting any amounts (including, but not limited to, salary, bonus, and severance payments) payable to the Grantee by the Company and/or a Related Entity.

6. Entire Agreement; Governing Law. The Notice, the Plan, and this Agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and the Grantee with respect to the subject matter hereof, and may not be modified adversely to the Grantee's interest except by means of a writing signed by the Company and the Grantee. These agreements are to be construed in accordance with and governed by the internal laws of the State of Nevada without giving effect to any choice of law or rule that would cause the application of the laws of any jurisdiction other than the internal laws of the State of Nevada to the rights and duties of the parties. Should any provision of the Notice or this Agreement be determined to be illegal or unenforceable, the other provisions shall nevertheless remain effective and shall remain enforceable.

7. Construction. The captions used in the Notice and this Agreement are inserted for convenience and shall not be deemed a part of the Award for construction or interpretation. Except when otherwise indicated by the context, the singular shall include the plural and the plural shall include the singular. Use of the term "or" is not intended to be exclusive, unless the context clearly requires otherwise.

8. Administration and Interpretation. Any question or dispute regarding the administration or interpretation of the Notice, the Plan or this Agreement shall be submitted by the Grantee or by the Company to the Administrator. The resolution of such question or dispute by the Administrator shall be final and binding on all persons.

9. Venue and Waiver of Jury Trial. The parties agree that any suit, action, or proceeding arising out of or relating to the Notice, the Plan, or this Agreement shall be brought in the United States District Court for the District of Nevada (or should such court lack jurisdiction to hear such action, suit or proceeding, in a Nevada state court in the county in which the Company is located), and that the parties shall submit to the jurisdiction of such court. The parties irrevocably waive, to the fullest extent permitted by law, any objection the party may have to the laying of venue for any such suit, action, or proceeding brought in such court. **THE PARTIES ALSO EXPRESSLY WAIVE ANY RIGHT THEY HAVE OR MAY HAVE TO A JURY TRIAL OF ANY SUCH SUIT, ACTION, OR PROCEEDING.** If any one or more provisions of this Section 10 shall for any reason be held invalid or unenforceable, it is the specific intent of the parties that such provisions shall be modified to the minimum extent necessary to make it or its application valid and enforceable.

10. Notices. Any notice required or permitted hereunder shall be given in writing and shall be deemed effectively given upon personal delivery, upon deposit for delivery by an internationally recognized express mail courier service, or upon deposit in the United States mail by certified mail (if the parties are within the United States), with postage and fees prepaid, addressed to the other party at

Table of Contents

its address as shown in these instruments, or to such other address as such party may designate in writing from time to time to the other party.

11. *Amendment and Delay to Meet the Requirements of Section 409A.* The Grantee acknowledges that the Company, in the exercise of its sole discretion and without the consent of the Grantee, may amend or modify this Agreement in any manner and delay the issuance of any Shares issuable pursuant to this Agreement to the minimum extent necessary to meet the requirements of Section 409A of the Code as amplified by any Treasury regulations or guidance from the Internal Revenue Service as the Company deems appropriate or advisable.

The Grantee further acknowledges that, from time to time, the Company may be in a blackout period, and/or subject to applicable federal securities laws that could subject the Grantee to liability for engaging in any transaction involving the sale of the Company's Shares. The Grantee further acknowledges and agrees that, prior to the sale of any Shares acquired under this Award, it is the Grantee's responsibility to determine whether or not such sale of Shares will subject the Grantee to liability under insider trading rules or other applicable federal securities laws.

By signing below (or by providing an electronic signature) and accepting the grant of the Award, the Grantee: (i) consents to access electronic copies (instead of receiving paper copies) of this Notice, the Agreement, the Plan, and the Plan prospectus (collectively, the Plan Documents) via the Company's intranet; (ii) represents that the Grantee has access to the Company's intranet; (iii) acknowledges receipt of electronic copies, or that the Grantee is already in possession of paper copies, of the Plan Documents; and (iv) acknowledges that the Grantee is familiar with and accepts the Award subject to the terms and provisions of the Plan Documents.

The Grantee further agrees to the venue selection and waiver of a jury trial in accordance with Section 10 of the Agreement. The Grantee further agrees to notify the Company upon any change in his or her residence address indicated in this Notice.

SOUTHWEST GAS CORPORATION
2006 RESTRICTED STOCK/UNIT PLAN
RESTRICTED STOCK UNIT AGREEMENT

1. *Issuance of Units.* Southwest Gas Corporation, a California corporation (the *Company*), hereby issues to the Grantee (the *Grantee*) named in the Notice of Restricted Stock Unit Award (the *Notice*) an award (the *Award*) of the Total Number of Restricted Stock Units Awarded set forth in the Notice (the *Units*), subject to the Notice, this Restricted Stock Unit Agreement (the *Agreement*) and the terms and provisions of the Southwest Gas Corporation 2006 Restricted Stock/Unit Plan, as amended from time to time (the *Plan*), which is incorporated herein by reference. Unless otherwise provided herein, the terms in this Agreement shall have the same meaning as those defined in the Plan.

2. *Transfer Restrictions.* The Units may not be transferred in any manner other than by will or by the laws of descent and distribution. Notwithstanding the foregoing, the Grantee may designate a beneficiary of the Units in the event of the Grantee's death on a beneficiary designation form provided by the Company. The terms of this Agreement shall be binding upon the executors, administrators, heirs, successors, and transferees of the Grantee.

3. *Conversion of Units and Issuance of Shares.*

(a) *General.* Subject to Section 3(b), one share of Common Stock shall be issuable for each Unit subject to the Award (the *Shares*) upon the earlier of: (i) vesting; or (ii) immediately prior to the specified effective date of a Change in Control Event (as defined in the Plan) which also constitutes a change in the ownership or effective control, or in the ownership of a substantial portion of the assets (as defined in Section 409A of the Code) of the Company. Immediately thereafter, or as soon as administratively feasible, the Company will transfer such Shares to the Grantee upon satisfaction of any required tax or other withholding obligations.

(b) *Delay of Conversion.* The conversion of the Units to Common Stock under Section 3(a), above, shall be delayed in the event the Company reasonably anticipates that the issuance of Common Stock would constitute a violation of federal securities laws or other Applicable Law. If the conversion of the Units to Common Stock is delayed by the provisions of this Section 3(b), the conversion of the Units to Common Stock shall occur at the earliest date at which the Company reasonably anticipates issuing the Common Stock will not cause a violation of federal securities laws or other Applicable Law. For purposes of this Section 3(b), the issuance of Common Stock that would cause inclusion in gross income or the application of any penalty provision or other provision of the Code is not considered a violation of Applicable Law.

(c) *Delay of Issuance of Shares.* The Company shall have the authority to delay the issuance of any shares of Common Stock under this Section 3 to the extent it deems necessary or appropriate to comply with Section 409A(a)(2)(B)(i) of the Code (relating to payments made to certain key employees of certain publicly-traded companies); in such event, any shares of Common Stock to

which the Grantee would otherwise be entitled during the six (6) month period following the date of the Grantee's termination of Continuous Service will be issued on the first business day following the expiration of such six (6) month period.

(d) *Right to Shares; Dividends.* The Grantee shall not have any right in, to, or with respect to any of the Shares (including any voting rights or rights with respect to dividends paid on the Common Stock) issuable under the Award until the Award is settled by the issuance of such Shares to the Grantee; *provided, however*, that the Grantee's Units shall be credited with notional dividends at the same time, in the same form, and in equivalent amounts as dividends that are payable from time to time on Shares. Any such notional dividends shall be valued as of the date on which they are credited to the Grantee and reallocated to acquire additional Units. Such

Table of Contents

additional Units shall vest in accordance with the vesting schedule set forth in the applicable Notice, as if such Units had been issued on the Date of Award.

4. *Accelerated Conversion of Units and Issuance of Shares.* To the extent permitted under Code Section 409A, in its sole discretion, the Administrator may permit acceleration of the time or schedule for the conversion of vested Units and corresponding issuance of the Shares at any time this Agreement fails to meet the requirements of Section 409A of the Code and the corresponding regulations. Notwithstanding the foregoing, the accelerated distribution of Shares upon conversion of vested Units to the Grantee under this Section 5 shall not exceed the number of Shares with a value equal to the amount required to be included as income by the Grantee as a result of the failure to meet the requirements of Section 409A of the Code and the corresponding regulations.

5. *Taxes.*

(a) *Tax Liability.* The Grantee is ultimately liable and responsible for all taxes owed by the Grantee in connection with the Award, regardless of any action the Company or any Related Entity takes with respect to any tax withholding obligations that arise in connection with the Award. Neither the Company nor any Related Entity makes any representation or undertaking regarding the treatment of any tax withholding in connection with the grant or vesting of the Award or the subsequent sale of Shares issuable pursuant to the Award. The Company does not commit and is under no obligation to structure the Award to reduce or eliminate the Grantee's tax liability.

(b) *Payment of Withholding Taxes.* Prior to any event in connection with the Award (e.g., vesting) that the Company determines may result in any tax withholding obligation, whether United States federal, state, local or non-U.S., including any employment tax obligation (the Tax Withholding Obligation), the Grantee must arrange for the satisfaction of the minimum amount of such Tax Withholding Obligation in a manner acceptable to the Company.

(i) *By Share Withholding.* The Grantee authorizes the Company to, upon the exercise of its sole discretion, withhold from those Shares issuable to the Grantee, the number of Shares sufficient to satisfy the minimum applicable Tax Withholding Obligation. The Grantee acknowledges that the withheld Shares may not be sufficient to satisfy the Grantee's minimum Tax Withholding Obligation. Accordingly, the Grantee agrees to pay to the Company or any Related Entity as soon as practicable, including through additional payroll withholding, any amount of the Tax Withholding Obligation that is not satisfied by the withholding of Shares described above.

(ii) *By Sale of Shares.* Unless the Grantee determines to satisfy the Tax Withholding Obligation by some other means in accordance with clause (iii) below, the Grantee's acceptance of this Award constitutes the Grantee's instruction and authorization to the Company and any brokerage firm determined acceptable to the Company for such purpose to sell on the Grantee's behalf a number of Shares from those Shares issuable to the Grantee as the Company determines to be appropriate to generate cash proceeds sufficient to satisfy the minimum applicable Tax Withholding Obligation. Such Shares will be sold on the day such Tax Withholding Obligation arises (e.g., a vesting date) or as soon thereafter as practicable. The Grantee will be responsible for all broker's fees and other costs of sale, and the Grantee agrees to indemnify and hold the Company harmless from any losses, costs, damages, or expenses relating to any such sale. To the extent the proceeds of such sale exceed the Grantee's minimum Tax Withholding Obligation, the Company agrees to pay such excess in cash to the Grantee. The Grantee acknowledges that the Company or its designee is under no obligation to arrange for such sale at any particular price, and that the proceeds of any such sale may not be sufficient to satisfy the Grantee's minimum Tax Withholding Obligation. Accordingly, the Grantee agrees to pay to the Company or any Related Entity as soon as practicable, including through additional payroll withholding, any amount of the Tax

Withholding Obligation that is not satisfied by the sale of Shares described above.

Table of Contents

Notwithstanding the foregoing, the Company or a Related Entity also may satisfy any Tax Withholding Obligation by offsetting any amounts (including, but not limited to, salary, bonus, and severance payments) payable to the Grantee by the Company and/or a Related Entity.

6. *Entire Agreement; Governing Law.* The Notice, the Plan, and this Agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and the Grantee with respect to the subject matter hereof, and may not be modified adversely to the Grantee's interest except by means of a writing signed by the Company and the Grantee. These agreements are to be construed in accordance with and governed by the internal laws of the State of Nevada without giving effect to any choice of law or rule that would cause the application of the laws of any jurisdiction other than the internal laws of the State of Nevada to the rights and duties of the parties. Should any provision of the Notice or this Agreement be determined to be illegal or unenforceable, the other provisions shall nevertheless remain effective and shall remain enforceable.

7. *Construction.* The captions used in the Notice and this Agreement are inserted for convenience and shall not be deemed a part of the Award for construction or interpretation. Except when otherwise indicated by the context, the singular shall include the plural and the plural shall include the singular. Use of the term "or" is not intended to be exclusive, unless the context clearly requires otherwise.

8. *Administration and Interpretation.* Any question or dispute regarding the administration or interpretation of the Notice, the Plan or this Agreement shall be submitted by the Grantee or by the Company to the Administrator. The resolution of such question or dispute by the Administrator shall be final and binding on all persons.

9. *Venue and Waiver of Jury Trial.* The parties agree that any suit, action, or proceeding arising out of or relating to the Notice, the Plan, or this Agreement shall be brought in the United States District Court for the District of Nevada (or should such court lack jurisdiction to hear such action, suit or proceeding, in a Nevada state court in the county in which the Company is located), and that the parties shall submit to the jurisdiction of such court. The parties irrevocably waive, to the fullest extent permitted by law, any objection the party may have to the laying of venue for any such suit, action, or proceeding brought in such court. THE PARTIES ALSO EXPRESSLY WAIVE ANY RIGHT THEY HAVE OR MAY HAVE TO A JURY TRIAL OF ANY SUCH SUIT, ACTION, OR PROCEEDING. If any one or more provisions of this Section 10 shall for any reason be held invalid or unenforceable, it is the specific intent of the parties that such provisions shall be modified to the minimum extent necessary to make it or its application valid and enforceable.

10. *Notices.* Any notice required or permitted hereunder shall be given in writing and shall be deemed effectively given upon personal delivery, upon deposit for delivery by an internationally recognized express mail courier service, or upon deposit in the United States mail by certified mail (if the parties are within the United States), with postage and fees prepaid, addressed to the other party at its address as shown in these instruments, or to such other address as such party may designate in writing from time to time to the other party.

11. *Amendment and Delay to Meet the Requirements of Section 409A.* The Grantee acknowledges that the Company, in the exercise of its sole discretion and without the consent of the Grantee, may amend or modify this Agreement in any manner and delay the issuance of any Shares issuable pursuant to this Agreement to the minimum extent necessary to meet the requirements of Section 409A of the Code as amplified by any Treasury regulations or guidance from the Internal Revenue Service as the Company deems appropriate or advisable.

1. *Issuance of Units.* Southwest Gas Corporation, a California corporation (the *Company*), hereby issues to the Grantee (the *Grantee*) named in the Notice of Restricted Stock Unit Award (the *Notice*), an award (the *Award*) of the Total Number of Restricted Stock Units Awarded set forth in the Notice (the *Units*), subject to the Notice, this Restricted Stock Unit Agreement (the *Agreement*) and the terms and provisions of the Southwest Gas Corporation 2006 Restricted Stock/Unit Plan, as amended from time to time (the *Plan*), which is incorporated herein by reference. Unless otherwise provided herein, the terms in this Agreement shall have the same meaning as those defined in the Plan.

2. *Transfer Restrictions.* The Units may not be transferred in any manner other than by will or by the laws of descent and distribution. Notwithstanding the foregoing, the Grantee may designate a beneficiary of the Units in the event of the Grantee's death on a beneficiary designation form provided by the Company. The terms of this Agreement shall be binding upon the executors, administrators, heirs, successors, and transferees of the Grantee.

3. *Conversion of Units and Issuance of Shares.*

(a) *General.* Subject to Section 3(b), one share of Common Stock shall be issuable for each vested Unit subject to the Award (the *Shares*) upon the earlier of: (i) termination of the Grantee's Continuous Service; or (ii) immediately prior to the specified effective date of a Change in Control Event (as defined in the Plan) which also constitutes a change in the ownership or effective control, or in the ownership of a substantial portion of the assets (as defined in Section 409A of the Code) of the Company. Any unvested Units remaining as of the date the Award is converted to Shares shall be forfeited.

(b) *Delay of Conversion.* The conversion of the Units to Common Stock under Section 3(a), above, shall be delayed in the event the Company reasonably anticipates that the issuance of Common Stock would constitute a violation of federal securities laws or other Applicable Law. If the conversion of the Units to Common Stock is delayed by the provisions of this Section 3(b), the conversion of the Units to Common Stock shall occur at the earliest date at which the Company reasonably anticipates issuing the Common Stock will not cause a violation of federal securities laws or other Applicable Law. Edgar Filing: SOUTHWEST GAS CORP - Form PRE 14A

(c) *Delay of Issuance of Shares.* The Company shall have the authority to delay the issuance of any shares of Common Stock under this Section 3 to the extent it deems necessary or appropriate to comply with Section 409A(a)(2)(B)(i) of the Code (relating to payments made to certain key employees of certain publicly-traded companies); in such event, any shares of Common Stock to which the Grantee would otherwise be entitled during the six (6) month period following the date of the Grantee's termination of Continuous Service will be issued on the first business day following the expiration of such six (6) month period.

(d) *Right to Shares; Dividends.* The Grantee shall not have any right in, to or with respect to any of the Shares (including any voting rights or rights with respect to dividends paid on the Common Stock) issuable under the Award until the Award is settled by the issuance of such Shares to the Grantee; *provided, however*, that the Grantee's Units shall be credited with notional dividends at the same time, in the same form, and in equivalent amounts as dividends that are

Such additional Units shall vest in accordance with the Vesting Schedule set forth in the Notice, as if such Units had been issued on the Date of Award.

4. *Accelerated Conversion of Units and Issuance of Shares.* The following circumstances shall permit an accelerated conversion of the Units and the issuance of Shares:

(a) *Unforeseeable Emergency.* In the event of an Unforeseeable Emergency, the Administrator may, in its sole discretion, permit the conversion of vested Units and the corresponding issuance of the number of Shares to the Grantee equal in value to an amount no greater than the amount necessary to satisfy the emergency plus any taxes reasonably anticipated as a result of the distribution. For purposes of this Section 5(a), Unforeseeable Emergency shall mean an unforeseeable emergency as defined in Code Section 409(a)(2)(B)(ii)(I) (as limited by Code Section 409A(a)(2)(B)(ii)(II)), the regulations thereunder, and any other published interpretive authority, as issued or amended from time to time.

(b) *Domestic Relations Order.* In its sole discretion, the Administrator may permit acceleration of the time or schedule for the conversion of vested Units and corresponding issuance of the Shares to an individual other than the Grantee as may be necessary to fulfill a domestic relations order (as defined in Code Section 414(p)(1)(B)).

(c) *Conflict of Interest.* In its sole discretion, the Administrator may permit acceleration of the time or schedule for the conversion of vested Units and corresponding issuance of the Shares as may be necessary to comply with a certificate of divestiture (as defined in Code Section 1043(b)(2)).

(d) *Income Inclusion under Section 409A of the Code.* To the extent permitted under Code Section 409A, in its sole discretion, the Administrator may permit acceleration of the time or schedule for the conversion of vested Units and corresponding issuance of the Shares at any time this Agreement fails to meet the requirements of Section 409A of the Code and the corresponding regulations. Notwithstanding the foregoing, the accelerated distribution of Shares upon conversion of vested Units to the Grantee under this Section 5(d) shall not exceed the number of Shares with a value equal to the amount required to be included as income by the Grantee as a result of the failure to meet the requirements of Section 409A of the Code and the corresponding regulations.

(e) *Dissolution or Bankruptcy.* To the extent permitted under Code Section 409A, the Administrator shall have the authority, in its sole discretion, to terminate this Agreement and convert vested Units into a distribution of Shares to the Grantee for all of the Shares subject to this Agreement or, if applicable, to his or her beneficiary within twelve (12) months of a corporate dissolution taxed under Section 331 of the Code or with the approval of a bankruptcy court pursuant to 11 U.S.C. §503(b)(1)(a). Any unvested Units shall be forfeited upon such termination of this Agreement. The total value of the accelerated distribution of Shares under this Section 5(e) must be included in the Grantee's gross income in the latest of:

(A) The calendar year in which the Agreement is terminated; or

(B) The calendar year in which the issuance of the Shares is administratively practicable.

(f) *Termination of the Plan by the Company.* To the extent permitted under Code Section 409A, the Administrator shall have the authority, in its sole discretion, to terminate this Agreement and convert vested Units into a distribution of Shares to the Grantee for all of the Shares subject to this Agreement to the Grantee or, if applicable, to his or her beneficiary provided that:

as issued or amended from time to time if all Grantees under the Plan participated in all of the arrangements are terminated;

(B) No payments other than issuance of the Shares hereunder and the payments under the other aggregated arrangements if the termination had not occurred are made within twelve (12) months of the termination of the Plan and the other aggregated arrangements;

(C) All issuance of Shares subject to Awards under the Plan and payments under the other aggregated arrangements are made within twenty-four (24) months of the termination of the Plan and the other aggregated arrangements; and

(D) The Company does not adopt a new arrangement that would be aggregated with the Plan and any other terminated arrangements under Proposed Regulation Section 1.409A-1(c) and all other published interpretive authority as issued or amended from time to time if Grantees under the Plan had participated in both arrangements, at any time within five (5) years following the date of termination of the Plan and the other terminated arrangements.

5. *Taxes.*

(a) *Tax Liability.* The Grantee is ultimately liable and responsible for all taxes owed by the Grantee in connection with the Award, regardless of any action the Company or any Related Entity takes with respect to any tax withholding obligations that arise in connection with the Award. Neither the Company nor any Related Entity makes any representation or undertaking regarding the treatment of any tax withholding in connection with the grant or vesting of the Award or the subsequent sale of Shares issuable pursuant to the Award. The Company does not commit and is under no obligation to structure the Award to reduce or eliminate the Grantee's tax liability.

(b) *Payment of Withholding Taxes.* Prior to any event in connection with the Award (e.g., vesting) that the Company determines may result in any tax withholding obligation, whether United States federal, state, local or non-U.S., including any employment tax obligation (the Tax Withholding Obligation), the Grantee must arrange for the satisfaction of the minimum amount of such Tax Withholding Obligation in a manner acceptable to the Company.

(i) *By Share Withholding.* The Grantee authorizes the Company to, upon the exercise of its sole discretion, withhold from those Shares issuable to the Grantee, the number of Shares sufficient to satisfy the minimum applicable Tax Withholding Obligation. The Grantee acknowledges that the withheld Shares may not be sufficient to satisfy the Grantee's minimum Tax Withholding Obligation. Accordingly, the Grantee agrees to pay to the Company or any Related Entity as soon as practicable, including through additional payroll withholding, any amount of the Tax Withholding Obligation that is not satisfied by the withholding of Shares described above.

(ii) *By Sale of Shares.* Unless the Grantee determines to satisfy the Tax Withholding Obligation by some other means in accordance with clause (iii) below, the Grantee's acceptance of this Award constitutes the Grantee's instruction and authorization to the Company and any brokerage firm determined acceptable to the Company for such purpose to sell on the Grantee's behalf a number of Shares from those Shares issuable to the Grantee as the Company determines to be appropriate to generate cash proceeds sufficient to satisfy the minimum applicable Tax Withholding Obligation. Such Shares will be sold on the day such Tax

Withholding Obligation arises (e.g., a vesting date) or as soon thereafter as practicable. The Grantee will be responsible for all broker's fees and other costs of sale, and the Grantee agrees to indemnify and hold the Company harmless from any losses, costs, damages, or expenses relating to any such sale. To the extent the proceeds of such sale exceed the Grantee's minimum Tax Withholding Obligation, the Company agrees to pay such excess in cash to the Grantee. The Grantee acknowledges that the Company or its designee is under no obligation to arrange for such sale at any particular price, and that the proceeds of any

such sale may not be sufficient to satisfy the Grantee's minimum Tax Withholding Obligation. Accordingly, the Grantee agrees to pay to the Company or any Related Entity as soon as practicable, including through additional payroll withholding, any amount of the Tax Withholding Obligation that is not satisfied by the sale of Shares described above.

Notwithstanding the foregoing, the Company or a Related Entity also may satisfy any Tax Withholding Obligation by offsetting any amounts (including, but not limited to, salary, bonus, and severance payments) payable to the Grantee by the Company and/or a Related Entity.

6. Entire Agreement; Governing Law. The Notice, the Plan, and this Agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and the Grantee with respect to the subject matter hereof, and may not be modified adversely to the Grantee's interest except by means of a writing signed by the Company and the Grantee. These agreements are to be construed in accordance with and governed by the internal laws of the State of Nevada without giving effect to any choice of law or rule that would cause the application of the laws of any jurisdiction other than the internal laws of the State of Nevada to the rights and duties of the parties. Should any provision of the Notice or this Agreement be determined to be illegal or unenforceable, the other provisions shall nevertheless remain effective and shall remain enforceable.

7. Construction. The captions used in the Notice and this Agreement are inserted for convenience and shall not be deemed a part of the Award for construction or interpretation. Except when otherwise indicated by the context, the singular shall include the plural and the plural shall include the singular. Use of the term "or" is not intended to be exclusive, unless the context clearly requires otherwise.

8. Administration and Interpretation. Any question or dispute regarding the administration or interpretation of the Notice, the Plan or this Agreement shall be submitted by the Grantee or by the Company to the Administrator. The resolution of such question or dispute by the Administrator shall be final and binding on all persons.

9. Venue and Waiver of Jury Trial. The parties agree that any suit, action, or proceeding arising out of or relating to the Notice, the Plan, or this Agreement shall be brought in the United States District Court for the District of Nevada (or should such court lack jurisdiction to hear such action, suit or proceeding, in a Nevada state court in the county in which the Company is located), and that the parties shall submit to the jurisdiction of such court. The parties irrevocably waive, to the fullest extent permitted by law, any objection the party may have to the laying of venue for any such suit, action, or proceeding brought in such court. THE PARTIES ALSO EXPRESSLY WAIVE ANY RIGHT THEY HAVE OR MAY HAVE TO A JURY TRIAL OF ANY SUCH SUIT, ACTION, OR PROCEEDING. If any one or more provisions of this Section 10 shall for any reason be held invalid or unenforceable, it is the specific intent of the parties that such provisions shall be modified to the minimum extent necessary to make it or its application valid and enforceable.

10. Notices. Any notice required or permitted hereunder shall be given in writing and shall be deemed effectively given upon personal delivery, upon deposit for delivery by an internationally recognized express mail courier service, or upon deposit in the United States mail by certified mail (if the parties are within the United States), with postage and fees prepaid, addressed to the other party at its address as shown in these instruments, or to such other address as such party may designate in writing from time to time to the other party.
